So, I sense an extension and enlargement in the boundaries in every area. Once again, I welcome you to daily prophecies. The Lord has given me the prophetic rhema word. It is from the Book of Psalm Chapter 4 verse 1. The Psalmist is saying, I cried unto you God and you relieved me from all my distress. So, if you are in distress and having any pain. Do you want a healing? Today the Lord is saying, I am going to heal you. Every disease is going to be healed if you believe it depends upon your faith. If you have any pain in your body, you are healed in the name of Jesus. You are right now healed in the name of Jesus. If you have any bronchitis, you are healed in the name of Jesus. Maybe your brother is not willing to do the business with you, but the Lord tells rely on God. And, I will start myself, the Lord says.

The Lord is going to fix a certain time for you. I see your children going to get more wisdom. Your children are having exceptional good marks in the examination. So more power God has been releasing at this time.

“Do not be confused,” says the Lord. Your child will pass the examination. A student is reading this daily prophecy and a parent of a student is reading as well, I prophesy looking into you and say that, “you will pass the examination.” Maybe you have not studied anything, but the Lord says, “I will send my angel, at the right time, and I will do all the good thing in your answer.” Hallelujah!

DAILY PROPHECIES

The Lord is giving you a Jeep. I see a Jeep and you can drive into the jungle. And, somebody is doing the ministry through the wilderness in the jungle I sense. BECAUSE HE KNOWS THE ROAD ON WHICH I TRAVEL, WHEN HE HAD TESTED ME, I'LL COME OUT LIKE GOLD.

JOB 23:10

Praise the Lord,

Today God is going to speak into your life. God is going to bless you abundantly. God has given me a prophetic word to share with you that is from the Book of Job, Chapter 23 verse 10. Job is saying, that He knows the way that I take when He has tested me, I shall come forth as gold. So, Job is saying, God knows the way that He has taken. And, also saying, when he is tested that he is sure he will come out as gold. So, this is the prophetic Rhema Word the Lord has given me to share with you.

So, those who are having many problems in your life. I sense, you need a deliverance. Maybe it is very minute or maybe it is very hard. Maybe it is very serious. Maybe it is very small. But I tell you, anyway you will come out of that problem. You will come out as gold.

Something is irritating in your mind of how you will overcome the situation. The plans are not going according to your way. But, I tell you, God's will is going to be revealed in you. You will pass through that land and you will reach there. And, they will welcome you! And, they will invite you. And, they will be blessed by your presence. So, you need not to be worried. The Lord is going to take everything from others and give it to you. Because you respect God, you took heed of what the Bible says. So, God is going to give you a greater blessing. An abundance of Grace and Abundance of fruit coming into your basket.

I see the Lord is going to bless you. You need not turn back, because from today onwards, your life is going to change. And, every step you take will be the Holy Spirit guiding you. At the right time that changes will take place. You may be expecting somebody to come, but I tell you, don't expect those people to come. Because God is going to send another group of people to you. So, it will be a great blessing. You can take a rest there and then move to the place where He wants you to go. When you reach there, you will find it was a very good trip. The Lord is going to do great plans in your life and you will do great things. There will be a renovation coming in

DAILY PROPHECIES

your house. And, every enemy's hand is going to be destroyed. The enemy won't come back to you. You will never see the enemy ever in your life. Today, the Lord is giving you a breakthrough in the finance area. And, some investments, I hear the word, "Investments." What you are going to invest, that you will get double for it. You won't lose it. May be you are thinking about investing in a business. But, the Lord is telling, you will

get double share of the profit. Because it is the Grace of God that is giving you that double share. So, it is better to stay at home, because the Lord wants you to stay at home. And, when the time comes the Lord will take you too many places. So, it is better to stay at home. And, eat what God gives you and be satisfied with what God is giving you. The time is coming that you don't even have time to eat, because every day there will be ministry. Every time you will be journeying going from one place to another. Traveling and ministering and preaching the Word of God. You don't even have time to set and pray, but you must find time to pray, because the Lord will bless you more.

You are thinking about how to leave your husband, but today, the Lord is telling, he will come back. And he will change his mind. God will give him a new heart and a new spirit. So, he will change his mind and heart. And, will take care of you. So, do what you have to do right now move according to the circumstances. So, you want while others do so when it is the time. You will know that is God's will, because God is going to open the resources and many finances are flowing into your pocket.

I see elevation, I hear testimony. Many of you have a good testimony, because the Lord is going to bless you and the promises are going to be fulfilled. There is a speed in the direction. So, I see frequent flight travels. You are going to the nations. I sense, the Lord wants you to have a separated life. Because you have to be separated from the world, you have to

DAILY PROPHECIES

be separated from your friends and relatives. Because God wants to bless you. This is your best time. Leave from that place and go to the place where God tells you. Because if you stay in that place you will be like you are as now. But if you move according to God's plan your life will be a blessing not only to you, but to many. And, even the road is very difficult. When you go through that road, you will see the people there waiting

for you. And, you will be very much happy!

I see the tree full of branches and it is bearing fruit. The allergy is healed in the name of Jesus. The wounds are healed in the name of Jesus. The skin problem healed in the name of Jesus. Sinusitis is healed in the name of Jesus.

Maybe you are going through the wilderness. The Lord tells, you will overcome all the situations. That is why when Job said, even when I am tested, I shall come out as gold. You are going through the wilderness; you are going through the shadow of death. But the Lord is telling me, the Holy Spirit is telling me that His Rod and Staff they will comfort you. And, there will be a change in your house. Change in the financial area. Your position is going to change. Your grandmother is going to come and stay with you. You have to take care of your parents, because the Lord is telling. I see a house, I see a well, and I see a house and it looks like a village, but the Holy Spirit is saying, you have to stay in your village. When you stay in that village, the Lord will bless you. Because in these days the Lord is going to release His power.

I sense some people are praying for the anointing of the Holy Spirit. The Lord is releasing, God is opening Heaven and releasing the fire on you. God is opening the Heaven and releasing the power and fire upon you. So, your breakthrough is coming.

“Activation,” I hear the Word activation. God is increasing the potentiality in you. The jewels will come to you. The people hate you but because you have the spirit of Jesus. So, when you speak the Lord will be with you. And, what you want to say the Lord will put in the right time. Somebody is afraid of what I will speak the next hours, what will I speak tomorrow. But I tell you when you open your mouth the Lord will place the right word in your mouth. You

DAY 4

NOW AS FOR YOU, KEEP ON GOING UNTIL THE END-YOU'LL REST AND THEN RISE TO RECEIVE YOUR REWARD AT THE END OF THE AGE.

DANIEL 12:13

Praise the Lord,

Today the Lord is going to bless you with a prophetic word. God is going to fill you with His Power and Holy Spirit. So, the Word that God has given me to share with you. It is from the Book of Daniel Chapter 12 verse 13. It says you will Arise to your inheritance at the end of days. You will arise to your inheritance at the end of the days, but you go your way till the end for you shall rest. And, shall arise to your inheritance at the end of the days. So, this is the prophetic word today.

As long as we live in this world we will have rest. That is the guarantee of the Lord and after that one day we will be able to get the inheritance. So, we will rise to get the inheritance to achieve the inheritance. This is the prophetic word to everyone.

There will be a sudden change coming in your life. May be your life at present it seems not like anything is moving. It seems like stagnant and nothing is working, but I tell you in the name of Yeshua. That your life is going to become a celebration. You are going to be a blessing to many. And, many people will come to you and ask for guidance. You will speak for the Lord. And, the Lord will give you the right word for you to share with them.

So, I see what all problems you face right now are delivered in the name of Jesus. You are going to eat the food with the noble men. And, I see a chair is waiting for you. Your position is guaranteed. You should not be afraid. May be on the way you meet some people and they might ask your questions. You have to reply, but the Lord will keep you safe from all your problems. You need not to be afraid.

I sense one man has given his belongings to get it repaired to somebody else and he is not giving it in time. The Lord tells, kneel down and pray and I will get that thing for you. You should not seek anything in human way in human wisdom, but the Lord will fight the battle for you. He will bring that thing for you. Everything is in control. The pandemic is in control and I see a wall of fire around everyone of you who believes.

DAILY PROPHECIES

You are going to be raised into the next level. The enemy who tried to say many negative things against you he won't come near you, because you carry the anointing of the Lord. You are going to now spread to the nations. You are going to see the Mighty hand of the Lord working in you. A breakthrough is coming to you. So you will move from one nation to another nation. You will have plenty of time to minister to the Lord. You are called to minister to

the Lord. It will happen again and again, but you and your house will be protected.

The cyclone may come, the water will arise, but I look into your name and prophesy in the name of Jesus there is a wall of fire around you and your household that there will be no water entering into your property. That is the hand of God.

The Lord is a shift. You will have to move to the northern part of the country and there you will do the ministry for the Lord. The Lord will bring many connections to you. And, God is going to extend your boundaries. Whatever you did in the past, may be it was not fruitful. It is not going smoothly, but I tell you a new change is going to happen in your life. You are going to stop what you are doing. And, you are going to have peace of mind. God is going to take you from the place where you are to make you settle in another place from there you will there you will move to the nations and you will be know throughout the world.

I am going to extend your boundaries says the Lord. The financial problem is everything is delivered. I see like that there will be a ship coming and the products will be imported. But, you will be able to purchase the high quality things.

I hear this word for somebody else who is doing the exporting and importing business. Your business may be going very dull, but the Lord is saying in this year I will multiply your business. And, your stock will be moving and God is going to extend your boundaries. May be you travelled a lot and went into the wilderness and there was nobody to see you, but the position is coming, that challenge is coming that they will follow you. It is the time coming that they will follow you. God is going to bless you. The one who is now close to you is very sincere. And, the one who is close to you will help you in many ways and will pray for you. So, I see that things are going supernaturally. Things are going miraculously for you.

DAILY PROPHECIES

Whatever, you have in your mind the Lord is telling, it is healed. You are healed. Somebody wants to take a decision whether they want to go or stay back. The Lord is telling you stay where you are and the Lord will lift you up. The Lord will give you the connections. The right connections and you will go. You should not go off on your own account, but the Lord will bring connections and they will take you from your place. And, you are

going to move. I see the people healed when you go through the hospitals. The people that are in the hospitals are healed by the healing power God sent through you. So, God is going to extend your boundaries. You will set the office. You will have the church. And, God is going to extend your boundaries.

So, you will leave the place what you are doing. May be you are fed up with what you are doing. No, the Lord is telling I have increased the anointing in you. People might say many things, but you have escaped the place. I sense you have escaped the place and you are going to settle in the new place. The Lord is going to do great things.

Somebody is looking for a settlement. The Lord is telling you, if you are sincere to the Lord, the Lord will spread you towards all parts of the country. And, you will have your own ministry without even anyone's support. The Lord is telling I am going to increase the anointing in you. It is going to bring many people to the ministry. The finances are opening for you.

The thyroid is healed. And, the healing power is coming upon you. The knee pain is healed. The deliverance is now taking place. The skin disease, the psoriasis is healed. In the name of Jesus.

Somebody wants to come out of the place, but they cannot come. Today, the Lord is going to touch you and bring you out. If you stay there you will be like that, but if you come out, I will bless you says the Lord. Abraham left everything for God. God says, likewise when you leave the place. God will bless you abundantly and again you will come back. Once you left the place again you will come back and you will settle. God has great plans in your life. Do not be dismayed, because God is going to extend your boundaries. I see a multiplication process, may be you are in need of finance. But the Lord is telling I am going to increase everything. The Lord is going to increase you in every area of your life. God's favour is upon you. God is giving you the knowledge, the

DAILY PROPHECIES

protected. So, the pandemic cannot touch you. And, God is going to bless you in many areas of your life. The financial area, the ministry area and the family relationships. Everywhere you are honoured and the Lord is going to do great things in your life. Your boundaries is going to extend. I see the honour coming and there will be a change in residence. You will have a change in your residence. And, the Lord is going to do great things.

Today the Lord is telling I will deliver you in the midst of your relatives. You want to come out of your relatives house, but you cannot come, because there's a chain connected with you. So today, the Lord is breaking that chain. The fire of the Lord is coming and breaking that chain! And, you will

come out of your relatives house and you will have your own business. And, the Lord will increase you and the favour of the Lord is upon you. So you should not complain, you should not murmur.

The Lord is saying, He is going to bless your house. I see one person who is being tortured by their own parents. So the Lord is telling to stay where you are and humble yourself. You have to be submissive to the authorities where you are. God is moulding you. God is positioning you so the Lord's favour is upon you. You need not to be afraid says the Lord. You have to be submissive to the authorities says the Lord. God wants to strengthen your inner man that is why you are facing this kind of problem. Hallelujah!

One I see is a brother who is always asking the Lord, I want to hear your voice. That brother is always telling he wants to hear the voice of the Lord. The Lord is telling Revelation 3:20, I knock at the door and if anyone opens I will come and have fellowship with you. So he is in need of having a fellowship with you and He is always ready to talk with you. And you will go abroad and do the ministry of the Lord. The Lord will fulfil your heart's desire. So do not be upset about the things that is going on in your family. May be your children have rejected you and you they have abandoned you, but they will come back. There is a day that is written in your book that she will come back. Your wife will come back; your children will come back and you will go abroad and do the ministry of the Lord. Hallelujah!

I see another person who is very dependent of others. He cannot do anything of his own. The Lord is giving you power. The Lord is giving you authority. The Lord is giving you strength. So the Lord is giving you boldness. You will have the boldness to speak. And, you will come out. You will come out of that chain, that bondage. And, you will have your own place says the Lord. So do not be afraid of the people who mock at you and tried to abuse you make you small and lower. The Lord is going to lift you up. This is the time. Hallelujah!

DAILY PROPHECIES

So, I see another person who wants a deliverance. It is a sister who wants a deliverance in her body. The Lord is telling if you come to Jesus. If you give your life more to Jesus, I will bless you, and I will increase you in every area of your cattle will be increased. And, all the things will be done systematically. And, you don't have to fear about your health, because the Lord is settling your cases. In the name of Jesus. Hallelujah!

So God is speaking to everyone. God is releasing the power and the prophetic word that I gave to you that the Lord is saying, let your hands be strong. So if any of your belongings is in a shop that you have taken it to repair, but the shop keeper is not repairing. The mechanic is not repairing and you are worried, but I tell you the Lord is giving you strength. The Lord is giving you power from Heaven. And, you will speak boldly to that person and immediately he will repair it for you. That is the power of God. So the Lord is going to release the anointing upon you. Those who want to be filled with the Holy Spirit are going to be filled with the Holy Spirit right now. In the name of Jesus. The windows are opened. The doors are opened. It is up to you to travel. Do not be upset Pastor about there being no believers in your church. But today the Lord is telling I will increase the number of believers because in these days there will be an abundance of increase of people coming into your church and financial breakthrough is also coming. God is going to extend your boundaries.

The sinusitis is healed. In the name of Jesus. The allergy is healed. In the name of Jesus. Hallelujah! The bronchitis is healed. In the name of Jesus.

You are called to minister. When you humble yourself and when you kneel down and pray, God will increase the anointing in you. God will give greater things you will see. And, it is going to spread. The anointing that is poured upon you. The anointing oil that was poured upon the head of David is now poured upon you and it is going to spread. You are going to speak in many languages. You will overcome all the hurdles and you will settle in the city. God is going to give you a new house. God is going to bless you with a car. And, I see the bank account will be increased in amount. So do not be upset. The Lord is going to position you and the power of God is coming upon you

So may everyone be blessed by this Word. In Jesus name. Amen.

DAY 6

NOW AS FOR YOU, KEEP ON GOING UNTIL THE END-YOU'LL REST AND THEN RISE TO RECEIVE YOUR REWARD AT THE END OF THE AGE.

DANIEL 12:13

Praise the Lord,

Today the Lord is going to bless you with a prophetic word. God is going to fill you with His Power and Holy Spirit. So, the Word that God has given me to share with you. It is from the Book of Daniel Chapter 12 verse 13. It says you will Arise to your inheritance at the end of days. You will arise to your inheritance at the end of the days, but you go your way till the end for you shall rest. And, shall arise to your inheritance at the end of the days. So, this is the prophetic word today.

As long as we live in this world we will have rest. That is the guarantee of the Lord and after that one day we will be able to get the inheritance. So, we will rise to get the inheritance to achieve the inheritance. This is the prophetic word to everyone.

There will be a sudden change coming in your life. May be your life at present it seems not like anything is moving. It seems like stagnant and nothing is working, but I tell you in the name of Yeshua. That your life is going to become a celebration. You are going to be a blessing to many. And, many people will come to you and ask for guidance. You will speak for the Lord. And, the Lord will give you the right word for you to share with them.

So, I see what all problems you face right now are delivered in the name of Jesus. You are going to eat the food with the noble men. And, I see a chair is waiting for you. Your position is guaranteed. You should not be afraid. May be on the way you meet some people and they might ask your questions. You have to reply, but the Lord will keep you safe from all your problems. You need not to be afraid.

I sense one man has given his belongings to get it repaired to somebody else and he is not giving it in time. The Lord tells, kneel down and pray and I will get that thing for you. You should not seek anything in human way in human wisdom, but the Lord will fight the battle for you. He will bring that thing for you. Everything is in control. The pandemic is in control and I see a wall of fire around everyone of you who believes.

DAILY PROPHECIES

You are going to be raised into the next level. The enemy who tried to say many negative things against you he won't come near you, because you carry the anointing of the Lord. You are going to now spread to the nations. You are going to see the Mighty hand of the Lord working in you. A breakthrough is coming to you. So you will move from one nation to another nation. You will have plenty of time to minister to the Lord. You are called to minister to

the Lord. It will happen again and again, but you and your house will be protected.

The cyclone may come, the water will arise, but I look into your name and prophesy in the name of Jesus there is a wall of fire around you and your household that there will be no water entering into your property. That is the hand of God.

The Lord is a shift. You will have to move to the northern part of the country and there you will do the ministry for the Lord. The Lord will bring many connections to you. And, God is going to extend your boundaries. Whatever you did in the past, may be it was not fruitful. It is not going smoothly, but I tell you a new change is going to happen in your life. You are going to stop what you are doing. And, you are going to have peace of mind. God is going to take you from the place where you are to make you settle in another place from there you will there you will move to the nations and you will be know throughout the world.

I am going to extend your boundaries says the Lord. The financial problem is everything is delivered. I see like that there will be a ship coming and the products will be imported. But, you will be able to purchase the high quality things.

I hear this word for somebody else who is doing the exporting and importing business. Your business may be going very dull, but the Lord is saying in this year I will multiply your business. And, your stock will be moving and God is going to extend your boundaries. May be you travelled a lot and went into the wilderness and there was nobody to see you, but the position is coming, that challenge is coming that they will follow you. It is the time coming that they will follow you. God is going to bless you. The one who is now close to you is very sincere. And, the one who is close to you will help you in many ways and will pray for you. So, I see that things are going supernaturally. Things are going miraculously for you.

DAILY PROPHECIES

Whatever, you have in your mind the Lord is telling, it is healed. You are healed. Somebody wants to take a decision whether they want to go or stay back. The Lord is telling you stay where you are and the Lord will lift you up. The Lord will give you the connections. The right connections and you will go. You should not go off on your own account, but the Lord will bring connections and they will take you from your place. And, you are

going to move. I see the people healed when you go through the hospitals. The people that are in the hospitals are healed by the healing power God sent through you. So, God is going to extend your boundaries. You will set the office. You will have the church. And, God is going to extend your boundaries.

So, you will leave the place what you are doing. May be you are fed up with what you are doing. No, the Lord is telling I have increased the anointing in you. People might say many things, but you have escaped the place. I sense you have escaped the place and you are going to settle in the new place. The Lord is going to do great things.

Somebody is looking for a settlement. The Lord is telling you, if you are sincere to the Lord, the Lord will spread you towards all parts of the country. And, you will have your own ministry without even anyone's support. The Lord is telling I am going to increase the anointing in you. It is going to bring many people to the ministry. The finances are opening for you.

The thyroid is healed. And, the healing power is coming upon you. The knee pain is healed. The deliverance is now taking place. The skin disease, the psoriasis is healed. In the name of Jesus.

Somebody wants to come out of the place, but they cannot come. Today, the Lord is going to touch you and bring you out. If you stay there you will be like that, but if you come out, I will bless you says the Lord. Abraham left everything for God. God says, likewise when you leave the place. God will bless you abundantly and again you will come back. Once you left the place again you will come back and you will settle. God has great plans in your life. Do not be dismayed, because God is going to extend your boundaries. I see a multiplication process, may be you are in need of finance. But the Lord is telling I am going to increase everything. The Lord is going to increase you in every area of your life. God's favour is upon you. God is giving you the knowledge,

DAILY PROPHECIES

the Heavenly knowledge, the wisdom and God is going to do great miracles through you.

The one who borrowed from you, the Lord is going to touch that person and he is going to give you back. So, do not be upset. The Lord says, your boundaries will be enlarged. And, there is a wall of fire so you can take rest. The pandemic won't touch you, because is the guarantee of the Lord. There is a wall of fire around you

and you are protected. So, the pandemic cannot touch you. And, God is going to bless you in many areas of your life. The financial area, the ministry area and the family relationships. Everywhere you are honoured and the Lord is going to do great things in your life. Your boundaries is going to extend. I see the honour coming and there will be a change in residence. You will have a change in your residence. And, the Lord is going to do great things.

May everyone be blessed by this word. In Jesus name. Amen.

DAY 7

**'IN THE LAST DAYS, GOD SAYS,
I WILL POUR OUT MY SPIRIT ON EVERYONE. YOUR
SONS AND YOUR DAUGHTERS WILL PROPHECY,
YOUR YOUNG MEN WILL SEE VISIONS, AND
YOUR OLD MEN WILL DREAM DREAMS.**

ACTS 2:17

Praise the Lord,

Today the Lord has given me a prophetic word to share with you from the book of Acts Chapter 2 verse 17. The Word will penetrate into you and make changes and will give a deliverance and blessings to you. The prophetic word from Acts 2:17 says, it shall come to pass in the last days, says God, that I will pour out my spirit on all flesh. And your sons and your daughters shall prophesy, your young men shall see visions, your old men shall dream dreams. Hallelujah!

This is the prophetic word for today. The Lord is going to bless you in every area of your life. He is going to fill you with the Holy Spirit. The Holy Spirit will come in you in fullness. And, you will speak in tongues. Not only will you speak in tongues. God will extend your boundaries. And, I see you will see visions. I see your boundaries are extended and financial deliverance. And, God is going to give a breakthrough in every area of your life.

I see the sinusitis healed. The lung infection, the chest infection healed. The Lord will lift you up suddenly. There will be a lifting up of to God in your life. And, the Lord says, I am going to settle your case. Whatever that is premature before God is going to go in the normal case.

I sense a brother wants a deliverance today. Today the Lord is telling. Obey the Word of God and I will honour you. The Lord is going to position you, if you take heed what the Bible says, I will bring back your children to me. The Lord is going to pour more anointing on you. There may be many obstacles on the way, but the Lord will overcome all of them all the issues. The Lord is going to bless everyone.

I sense one sister, she wants to do the ministry. She wants to go abroad. The Lord is telling financial breakthrough is coming in your life and settlement in all the family. And, very soon you will be changed into the next level. You will go abroad says the Lord. The Lord is going to

DAILY PROPHECIES

bless everyone. So, do not be confused, take heed what the Lord says, it is very important that you have to obey God's voice. So, today the Lord will speak into your life. Maybe He'll speak through dreams or maybe He will speak through other men of God. Or He will speak to you through visions or into your ears. Or into your heart He will speak and whatever is confused in your life, you are going to see greater changes.

You will build the church and many members will come to the church. You will start the worship and it will be a blessing to many. The worship will start at the right time and everyone will be amazed to see how the worship is going. It is because by the grace of God you will start the project. The project is on the move. I sense it is going to move and bring great changes.

The Holy Spirit is telling me, do not tell lies. Do not tell lies. So not hide yourself behind the curtain. Come out from behind the curtain and I am going to bless you. So what God is going to do in your life everyone is going to see it. Everyone is going to see what the Lord has been doing in your life. So there will be the provision. There will be the finance. There will be fuel for the transportation. So you can start. You can the hostel, but the Lord will provide. There will be a change in the people that are working in that hostel. Because the Lord wants to bring some other new people to it. I will invest in it says the Lord. The Lord will provide everything for you. So you will move from one place to another and you will see greater changes. The Lord is going to bring greater changes in your life. The finance is opening for you.

I see the great changes your house is going to have a renovation. And, new generation of people coming to the worship and you are going to raise to the next level. The Lord is going to position you. The Lord is going to position you and God is going to extend your boundaries. So, do not fear says the Lord. There will be a deliverance and you will come out of your problems.

I sense one sister is afraid. She is afraid of the pandemic. The Lord tells, I have build a fence around you and you will be protected. The Lord is going to bless you financially. So, you should not be afraid. So the Lord is telling to one person, He says to you, sometimes you are moving in the flesh. So, if you want a breakthrough walk in the Spirit. Everything see it the Spirit and not in the flesh says the Lord.

DAILY PROPHECIES

I am going to pour out the Spirit to all the young people and the older people and everyone will see visions and everyone will dream dreams and your position is going to change. I sense you are going to set up an office. You are going to set up a media. I sense you are going to be raised up into the next level. The finance is going to be blessed. God is going to bless you in every area of your life! So there will be a change in your life. There is going

to be a change in your address. Your address is going to change. Your language is going to change. You are going to see greater things in the Lord. The Lord is going to bless you in every area of your life.

I see one sister and she is in the traditional church. The traditional church and she thinks that her church is the one who is going the right way, but I tell you, you receive the Holy Spirit. If you have Holy Spirit you will be honoured. So it is not whether you are in which church or another church, but what you want is you have to receive the Holy Spirit. So, receive Holy Spirit and the Lord will honour you.

And, the marriage is coming in your life. To another sister I see the marriage is coming in to your life. Your cousins will come from abroad and they will help you. So the dispute related to the house and the property is going to get keys and you are going to enter the property. The property will come in your name. The finance will be arranged for everything and the position changing.

Today the Lord is going to release the power upon you. And, when you speak the power will be released and many people will be delivered. The financial areas will be delivered. And the demonic oppressed will be delivered. And, God is going to extend your boundaries.

So, you are backsliding, to one person I am telling you are backsliding. You have to come to church. You have to mediate the word. You have to listen to what God says so come out from the backsliding. The Lord is releasing the power upon you. And, the spirit of backsliding, I rebuke in the name of Jesus. You come out. You are healed in the name of Jesus. The wounds in your heart are healed. You are complaining about your husband, but I you that you come out from your backsliding. Do not complain about it to anybody else, because it is God who created

DAILY PROPHECIES

everything. So, look at what God has planned for you. So you focus on that and you move forward.

God is going to bless you in every area of your life. So the worship will start at the right time. Everything will be at the right time. And, God is going to bless you. God is going to bless you in every area of your life. So there will be a great change coming in your life. Your position is going to change. Do not think about what others are

thinking about you. Think about what God is thinking about you. So God is going to honour him, may be others are not minding you. They are not honouring you, but don't think of what others are thinking of you. What others say about you, but think about what God is telling you about you, and thinking about you, then you will be honoured.

So God is going to lift you up and your position is going to change. And, you will have a beautiful house. And, you will stay in a very beautiful house.

God is going to bless everyone! I thank everyone! In the name of Jesus. Amen.

DAILY PROPHECIES

DAY 8

DON'T FORGET THIS FACT, DEAR FRIENDS: WITH THE LORD A SINGLE DAY IS LIKE A THOUSAND YEARS, AND A THOUSAND YEARS ARE LIKE A SINGLE DAY.

2 PETER 3:8 ISV

Praise the Lord,

Today God has given me a prophetic word. It is from the Book of 2 Peter Chapter 3 verse 8, it says, in this epistle Peter is saying, a thousand years is like one day to the Lord. And, likewise, one day is like a thousand years.

So, it is not your calculation, it is God who has a different way. So, God's plans are different from you. You are going to see the blessing which is beyond your imagination. You have one calculation you will think that it will come next week. But, I tell you the prophetic word is but to the Lord a thousand years is like one day and one day is like a thousand years. So, do not calculate mathematically, and see according to what you have studied, but see everything in the spiritual realm. Because your plans are different from God's plans. And, you will walk, and you will walk through the sea. Whatever that is an obstacle before you. You will overcome. The enemy will chase you, but they will be drowned and you will be saved. You are going to see the blessing that is coming upon you.

I sense, one man is struggling for a deliverance. He wants a deliverance in his family area. Where he is separated by his wife. The Lord says if you take heed and come down and kneel down to me I will bless you. You will build a house and your wife and children will come back and stay in that house. Now you have no money and you are wandering. You are in the wilderness, but when you come back and kneel down before God. God will give you money and you will build a house and your wife and children will come and stay here.

One sister is planning to do some business in her house. The Lord says it will be fruitful if you rely on me and I will bless you financially area. And, your body is going to be healed right now. Receive the healing power in the name of Jesus.

I sense one old woman is afraid of a family situation. The Lord says do not be afraid. Your husband will come back and be with you in the house. May be the way is different, but when

DAILY PROPHECIES

you reach there you will see things are going very fastly. So God is going to do greater things in your life.

You will build the church and the funds will come to you. And, without asking God will release the funds. So whatever problems you face right now the Lord is telling I am going to change your life, your circumstances. The Lord is going to take the pandemic from the surface of the earth and pour in the blessings. Hallelujah!

The Lord is saying, by March onwards there will be a situation coming in favour to you. And, you will be traveling. You will be able to travel. You will move to the nations. You will find many things coming favourable to you. The finance is opening for you. Some of them have mocked you, but do not be worried about it, because I have opened the doors for you.

Tonight the Lord will speak to you. He will send His angel and the angel will direct you where to go. He will show you the direction.

So beware of the enemy. The enemy is coming and he might make a few things come negative against you and put your life in danger, but the Lord says, do not be afraid, I have build a wall of fire around you. And, no enemy can come near you. The Lord says, "Sudden breakthrough." I hear, the word sudden breakthrough and you are going to write the books and it will published in this year. This year you will publish two books. You will publish two books this year.

Keep on praying and the power will be released. You will see miracles coming along the way. The Lord has seen your miseries and God is going to honour you before those who have rejected you. I sense you are rejected by many people, but the Lord is telling I am going to honour you before them. Do not be afraid.

I see one sister is afraid to sleep at night. She is afraid when the darkness comes, but the Lord from today and every day, I will send my angels when it is dark at night. The Lord will release the angels. Hallelujah! And, they will guard you when you sleep. Hallelujah!

Again, the third time when you go the third time, first time, second time, you went there, but there were some miracles. But on the third time when you go it will be a spontaneous miracle happening there. There will be a great deliverance among the people. Hallelujah!

DAILY PROPHECIES

And, he will come back again and give you the money and help you. Do not be dismayed says the Lord, I have seen, but don't look at some people who are doing the Lord's work, but you have to get favour from the Lord. If you have received the favour from the Lord. The Lord will bless you in every area of your life. Hallelujah!

So, keep on praying and continuously keep in praying says the Lord. Do not look into the circumstances

because the time is going to become favourable to you. I am going to change your life. Your address is going to change. I see marriage. I see the new car coming. And, you will go out of the city and you will be established outside of the city. And, I see you buying the farmlands.

I hear the word Netherlands for you. Somebody is going to Netherlands. The Lord is telling when you set your foot on that country Netherlands, miracles will happen, because God has prepared you for a long time to do the ministry. And, you have been waiting on the Lord for a long time, but today the Lord has found favour upon you and your ministry is going to be established. And, your life is going to change and greater things you will see. So, do not be upset. Don't look into the circumstances that is negative, think into the spiritual realm. And, the Lord will honour you. There will be many rivals, but do not be afraid of them, because it is only you who have been called by God. Many are there, but I tell you, some of you I'm telling, many are there, but you are the only one called in that project. How many of you believe? Many are doing the project, but the Lord has appointed only one person to do that project. So, it will be successful only when you do that because you are appointed by God to do that. Others, will be many, but you are only chosen. There are many, but only one chosen for one project. So, we are not duplicates, you are not a duplicate. You are an original.

God is going to turn what is upside down into the correct position. Stay away from such persons who will try to deceive you. So keep an eye on them. And, try all your best to keep away such kind of people, because the favour of the Lord is upon you. And, God is going to increase the anointing in you. Youngsters will come and call you for prayer and you will pray for them and they will be delivered.

You will get the fees. You will get the fund. You will get the money. But I tell you,

DAILY PROPHECIES

that you have to be submissive to the Lord. The Lord has seen you and is going to bring change.

I sense, one brother who is not yet married, but he alone. But the Lord is telling you be satisfied in what you have and the Lord will honour you. Do not be upset about the things that are coming. And, when you look around others are blessed and you are not blessed. But

I tell you, your calling is different. Don't compare your calling with others. Hallelujah! There was only one Moses, there was only one David, and, I tell you there is only one you. And, don't compare your ministry to others ministry. Others ministry is different from yours. So, God is going to bless you!

May everyone be blessed by these daily prophecies. Hallelujah!

In Jesus name. Amen.

DAILY PROPHECIES

DAY 9

ALWAYS BE JOYFUL. CONTINUALLY BE PRAYERFUL.

1 THESSALONIANS 5:16-17

Praise the Lord,

Today God has given me a word to share with you from the Book of 1Thessalonians, chapter 5 verses 16-17. It says, pray without ceasing. So we are called to pray without ceasing and to be happy with the Lord. Yes, the verses say, Always be joyful. Continually be prayerful.

So we are called for that to rejoice always! So when you rejoice your hearts desires will be fulfilled. The Lord is going to bless you and the Lord has seen your heart desire.

The Lord is going to take you for an international ministry. You will step into the international ministry and you will have new connections. And, the Lord will anoint you more to stand before the kings and the rulers of the nations. And, God is going to bless you abundantly in finance.

Your child's marriage is going to take place do not bothered. Your husband will be in good terms with you. So you should not be bothered.

I pray in the name of Jesus, the best friend God has given to you and you will do the ministry with your friend. And, it will be for the Kingdom! The Lord has given you mercy and grace to show before other people. So, God has imparted you mercy and grace and that will be important to other people also.

You will travel and go into the interior and deliver the people who are in bondage. Many times they have called you, but I tell you, when God tells you to go, go and pray.

I sense one sister, she is an auntie now. She wants to pray. So today the Lord is visiting you in your house. The angel of the Lord is coming to you and your main problem is finance. The Lord is opening up the resources for you. And, more grace, more knowledge is coming upon you. You will see greater things. The Holy Spirit is coming upon you and keep a distance with all the people, because you are called for a purpose. When the time comes you will

DAILY PROPHECIES

be lifted. You can go there, but keep a distance. Keep a distance, because they do not know your calling. Only you know your calling. You are called for a great purpose. So keep a distance from those who do not know your calling and God is going to increase your anointing. Don't look back, look forward. God is going to increase your anointing.

Sinusitis healed. In Jesus name.

The Lord is giving you the prophetic mantle more accuracy in prophecy. And, more accuracy in revelation. You will get work to travel for the means of transportation. And the power of the Lord is coming upon you. So do not be upset.

Your house is going to change. A renovation is coming in your house. Your son's marriage is going to be solemnized very soon. And, it is the best alliance that is coming.

You will be appointed for that job and they will have to go and attend the interview twice. The third time they will call you. After two interviews, the third interview they will call you. The third one, which God is going to give to you, is the best one. So, receive the power and receive the anointing. The visa is coming and get ready for the travel. And, you are going to minister on the television. God is going to extend your boundaries.

The power of the Lord is coming upon you. I see a healing is coming upon your body. The fire of the Lord is coming and the sores are healed. The psoriasis is healed.

The finances are flowing. So, you are going to be raised into the next level. So, do not be upset because when you think you don't see the things moving, but the Lord says, I have great plans in your life. You will travel a lot and you will settle. You and your wife will travel a lot and your children will possess the land. You will have many lands in your name and the Lord is going to bless you abundantly in every area of your life. So the things won't be moving very perfectly at this time, but I tell you may be for some time it has not been working or functioning very well. But wait the time is coming that it is going to function very well and when you do the things it will be great. So the Lord has great plans and the Lord is going to establish you. The Lord is going to raise you into the next level.

Your children are coming to the city to join in the studies. And, your daughters marriage is

DAILY PROPHECIES

going to be solemnized. The business that is broken is again going to start with a new partner, not with the old partner.

So one sister wants to move from the house. The Lord is telling do not be upset. I will bless you and I will give you a house of your own. Now stay with your parents, because they might say negative things against you. But be silent and suffer for Christ's sake. The glory of

the Lord is going to be revealed in your.

One of the old applications that you have given for a job is going to be sanctioned and you are going to do that part-time job and also you will do the ministry.

The house is coming in your name. The church is coming and your are going to purchase the church hall. Do not rely on the people, but the Lord is going to open the resources for you.

And, a new face, I see the new face and new direction. And, the steps I see, the steps you will climb the steps. The Lord is going to do favour in you. The Lord has great plans in your and the mercy of the Lord is upon you.

I sense a person who has two sons. They are calling each other, the two sons are calling each other and fighting with each other. But the Lord is telling to that brother be silent. God has seen your heart. And, you will buy the land and will give to your sons. You will give your shares to your sons. And, they won't reject you. They won't mock you or shout against you. You can stay peacefully along with your sons. Hallelujah!

So I see a leprous person, who is having the leprosy healed in the name of Jesus. So it is healed! Jesus healed many lepers. So this is what the Lord is saying, the leprosy healed in Jesus name.

And, I see you are going into the country India, in the state, in the city of Mumbai. I see one person is staying alone in a house. And, his wife and sons have left him and he's staying inside that house. Today the Lord is telling if you come back to me. If you come back from the backsliding. I will honour you. Your children and wife will come back to you and you will be honoured. Moreover the Lord has great plans in your life. So comeback to the Lord. I will

return what you have lost.

So I sense one sister, she is doing the ministry, but I tell you the Lord has told you, you have to follow the Word of God and God will honour you. If you follow the Word of God, God will honour you. And, your position is going to change. You should not be upset. God has great plans in your life and your husband will come back. And, both of your children will complete their

education. And, they will be reaching in the best placement. So God is going to bless you abundantly. The time is coming for God one year is like a thousand years. And one day is like a thousand days. So the Lord is going to do great things. And, a change is coming!

God is going to bless everyone.

In Jesus name. Amen.

DAILY PROPHECIES

DAY 10

FINALLY, BE STRONG IN THE LORD, RELYING ON HIS MIGHTY STRENGTH.

EPHESIANS 6:10

Praise the Lord,

God has great plans in your life so God is going to take you into the next level. Today the Lord is going to bless

everyone! I have a prophetic word that the Lord has given to me. I have a word to share with you that is the prophetic rhema word from the Book of Ephesians Chapter 6 verse 10. It says, finally my brethren be strong in the Lord and the power of His might.

So, today this prophetic word is going to give you a deliverance. The prophetic word is be strong in the Lord and the power of His might. So, a great change is going to come in your life! Hallelujah! God is going to extend your boundaries. God is going to change the situations. And, whatever is confusion in your mind the Lord is telling that I am going to give you a promotion to your life. And, more grace! I see the Lord is going to do greater things and the Lord has great plans in your life. Hallelujah! So be with the Lord. The Lord is saying, “be with the Lord!” Hallelujah!

The Lord is going to bring greater changes in your life. So greater promotion is coming! So increase in tolerance. Hallelujah! In the name of Jesus. So, there is a shift. The wind is blowing. Open your ears and see which direction the wind is blowing so you have to stand in that direction. And, it will take you in the Holy Spirit’s direction. I hear, “the wind is blowing, the wind is blowing. So, listen carefully where this wind is coming and where it goes. So, you won’t be misled.” You will be in the right way. That is you will be in the Holy Spirit’s way. And God is going to bring great changes in your life.

I see a sister and she is having the bone pain right now. The Lord is telling, “I am going to bless you. I am going to change your life.” So the Lord has great plans in your life. Greater things you will see. Your parents might have rejected you, but the Lord is telling you should not be upset, because the Lord is going to give a breakthrough into your life. Hallelujah! The peace of the Lord is in you. Settle down and do not go away from your house. Stay where you are, the Lord is telling, stay where you are and I will increase the anointing in you. And, I will bring a separation in your life. So do not be upset. Hallelujah!

DAILY PROPHECIES

The fire of the Lord is in you! There is a major shift coming in your life. And, I see a promotion. I hear the word, “the marriage is coming! The celebration is coming!” The Lord is giving you more tolerance. And the fire in you is going to ignite. I hear there will be a moment of change in your life. A change in your life. So, God is going to give the great change. Hallelujah! The Lord is going to give the great change. Hallelujah! So

it is going to happen. It is going to happen in your life and your cousins will come and help you. They will promote you. I hear the cousins will come and promote you. The fire is in you and the power is going to come in you. There will be a great change in your life! Hallelujah! So, the Lord is going to do major things in your life. “Settle down,” says the Lord.

So, I hear the word that the Lord is going to bless a farmer. He is a farmer in the land seeking for a deliverance. Today the Lord has released His power in that farmer’s house and the Lord is telling, “Whatever that is agitation against you, everything will be cased and I will honour you and you will win the battle. The battle is the Lord’s.” And, you will win the battle. And whatever is against you the Lord is telling, “I am going to set aside everything.” Hallelujah!

So the prophetic word that the Lord had given to me was from the Book of Ephesians Chapter 6 verse 10. It is saying, be strong in the Spirit. Maybe you are weak. I sense you are worried. You are worried about your future. You are worried about your children. You are worried about your family. You are worried about your marriage. You are worried about your ministry. You are worried about the finance problems. Many things you are worried about today the Lord is telling, “Be strong in the Spirit. Be strong!” If you are strong in the Spirit and also, in the power of His might. So one thing, the Power and the Strength are both going to come and take you into the next level.

I see the church changing. I see one brother wants to change the church. The Lord is telling, “it is good for you to humble yourself. And, stay now where you are brought up. Stay in the church where you are now brought up.” And, don’t move until the Lord says and if you stay there the Lord will bless you and your family. And, I see a journey going very soon. A journey is coming and you will move to the nations. You will escape the speed of the enemy. I hear. You will overcome the speed of the enemy. By His Power, By His Spirit you will overcome

DAILY PROPHECIES

the enemy. Overcome everything! So the power of the Lord is coming upon you and bringing a great change. The mantle is coming upon you. The prophetic mantle is coming upon you. You have a seer anointing. You have a prophetic anointing. You have an apostolic anointing. God is going to sign the contracts for you. The money will come into your hands. You should not do anything. The land will come into your name. So you just praise

God where you are.

I see a major sweep is going and a promotion is coming. The Lord is going to bring great changes in your life. I also hear, "Settled-own." The Lord is going to bless everyone. Hallelujah! In the name of Jesus. So the Lord is telling you are going to see the greater things in your life. I see the fire is going to burn in you. So you should not be having doubt because it is the Lord who has anointed you. The Lord is telling, wherever you are just praise. Do not be confused. If you praise God there will be an elevation in your mind. The Lord is renewing your mind. And changing the situations. So, you are going to have a great promotion in your life, because of the confusion, the Lord cannot do anything. So the Lord is telling be strong in the Spirit. The Lord has great plans in your life. But because you are of the negative thoughts, because of the confusion in your mind the Lord cannot do anything. So the Lord is telling, be Strong in the Spirit. Do not look around. Do not look at somebody else, but look and consecrate on God. That is the prophetic word I hear is the one that will give you deliverance from Ephesians 6:10. Read now and receive.

So if you are strong in the Lord and if you are in the power of His might, the enemy will be scattered and you will escape. I hear again, the word, "you keep the velocity means the velocity of the enemy." Elijah ran before the chariots of Ahab because the hand of the LORD was upon Elijah, who girded up his loins and ran before Ahab to the entrance of Jezreel. Because Elijah was in the power of His Might and he was Strong in the Spirit so he ran before the four horses. He ran before the chariots of Ahab. So, today the Lord is saying, you will escape the velocity. This is the word! This is what the Lord is saying, "You will escape the velocity and finance is opening for you." You will see the children's children. Your hand will bless many people.

DAILY PROPHECIES

I hear the word, the prophetic rhema word, things are going to change. Many great plans are coming in your life. And, God is going to give you a promotion. Your seat is going to change. That means you are in the next level. The neighbours will come and seek your assistance. You will be able to help many, because you are Strong in the Spirit and you are going to help many. The hand of the Lord is coming to you and you are

going to see a breakthrough. You are going to sit among the noble men. I see the fire is in you.

Do not be afraid. The Lord tells, "Do not be afraid, be strong and I will settle you in the land." There will be a great change coming in your life. And, you will see many things. I see the celebration; I see the potentiality increasing in your life. And, the Lord is going to bless you and you are healed in Jesus name. Amen.

Occasionally the headache is coming. I see a brother who is having headache. Once in a week that headache is coming in seventh day of the week the headache is coming for four or five days. So, today the healing power of God is touching your nerves. God is touching your body. God is healing you now! And, you are coming out from that headache and the fire of the Lord is burning all the spirit that has brought headache. A promotion in your life so be strong in the Spirit and the Power of His Might. You will move to the nations. You will move to the kings and the kings will come before you. You will move to the nations. I see the flight travels so frequent travels are coming. Great changes are coming, so a promotion is there. In the name of Jesus. Amen.

This is the prophetic mantle. This is the daily prophetic prophecy. I am thankful to everyone. God is going to change your life! Your position is going to change. You will be honoured and you are healed! There is a promotion in your life!

Wait for the Lord. You will escape the speed of the enemy. The enemy is trying to speed up. But I tell you, I prophesy in the name of Jesus, you will overcome. Elijah overcame the speed of the chariots; likewise, you will overcome the speed of the enemy. So greater things are going to happen. So God bless everyone in Jesus name. Amen.

DAILY PROPHECIES

DAY 11

“WHAT DO YOU WANT ME TO DO FOR YOU?”

HE SAID, “LORD, I WANT TO SEE AGAIN!”

LUKE 18:41 ISV

Praise the Lord,

I thank God in the name of Jesus for giving me an opportunity to write to you. So God is going to speak into your life. God has great plans for your life. God is going to touch your life. I have a prophetic word with you that the Lord has given me to share with you. God is going to speak into your lives. So, the prophetic word says, it is from the Book of Luke Chapter 18 verse 41, Jesus saying, “What do you want me to do for you?” He said, “Lord, that I may receive my sight.”

Jesus is asking, saying, “What do you want me to do for you?” And the blind man replied, “Lord, that I may receive my sight.” So today this is the prophetic word to everyone. You know the blind man Bartimaeus – he wanted his eyes to see. He wanted eyesight. So, he came to know Jesus was going that way and he shouted, “Jesus, Son of David, have mercy on me.” So, Jesus stopped and said, “Call him, So they called to the blind man, Bartimaeus. Here Jesus asked, when he heard the cry of the blind man in the 41st verse, “What do you want me to do for you?” Today this is the prophetic word for you. So today Jesus is asking you, “What do you want me to do for you?” Today I am saying that the Lord is asking you, Jesus is asking, “What do you want me to do for you?” That is what He wants to do for you.

You are healed and delivered by the power of Jesus. Right now, in the name of Jesus. Amen. Hallelujah! This is the word for you. So, the Lord is going to bless everyone. The Lord is giving you peace and settlement, I hear. The Lord is showing me a growth in you that you may not know, but the Lord is showing me by the fire of God that is coming upon you that growth is being burned. The fire of God has come down and burned. The fibroid is burned now. Maybe you do not know, but what the Lord is telling, I am now telling. It is no more in your body in the name of Jesus. If you believe in the word, the Lord is healing you right now.

So the Lord has great plans in your life! The Lord will give you promotion. The power of the Lord will come upon you and change is coming in your life. I hear more grace in these days

DAILY PROPHECIES

for a sister. And, all the investigation report will come in your favour. Maybe it is a small case, but do not worry, everything will come in your favour. And the Lord will keep everyone of the enemies mouth shut. The Lord is going to bless everyone. So this is the prophetic word that Bartimaeus the blind man he was begging in the Jericho street so when he happened to hear Jesus was going that way, he cried out loudly, “Jesus, Son of

David, have mercy on me!” And everyone there warned him not to shout, but he did not care what others said. He shouted loudly and Jesus stopped there and ask him, “What do you want me to do for you?” Today to everyone I am prophesying to you, Jesus is asking you, “What do you want me to do for you?” He is going to do great changes in your life. Hallelujah!

You are called to minister! When you do the ministry, I sense, you are not doing the ministry, maybe you are doing it partially, if you do the ministry in Full-time the Lord will bless you! “Your finance will be rearranged” I heard. The power of the Lord is coming upon you. And great changes are going to come in your life! I tell you; your faith has healed you, immediately, you’ve received your sight to follow Jesus in your life!

So the Lord is going to break the chains on everyone who is in bondage. Jesus is coming! Jesus is coming into your house! And, Jesus is asking, “What do you want me to do for you?” So how many say, Jesus I want to be touched by you! I want to be touched by you! Today the Lord is going to touch everyone! Hallelujah!

I see a brother who wants a deliverance in his spirit and in his soul. The Lord is touching you with His Holy Spirit and you will have a breakthrough. Very soon there will be financial breakthrough. And, very soon there will be enlargement in your life. So, God is going to do greater things in your life. And, God is going to extend your boundaries. So, the Lord is going to bless everyone. Do not be afraid even if you are in trouble. For Jesus is telling He is now at the door. And Jesus is asking you, “What do you want me to do for you?”

So the wounds are healed. The sinusitis is healed. And, finances are opening for you! I see the doors for the ministry opening up for you. So, do not be dismayed. Do not be in trouble. The Lord is saying I am setting aside all the tongues away from you of those who speak evil against you. And, you are going to be raised into the next level. You will never see the

DAILY PROPHECIES

Egyptians never again in your life. Your lifestyle is going to change. Whatever promises you have hear so far is going to happen in your life. And, you will have the visitation of the angels. And what you asking, Jesus is asking, “What do you want me to do for you?” That I read from the Book of Luke 18:41, He said, “What do you want me to do for you? And, he said, “Lord that I may receive my sight.” So Jesus is asking you, “What

do you want me to do for you?”

Jesus is going to settle your family issues. Jesus is going to settle your cases. Jesus is going to open the doors for your ministry. You are going to move to the nations. The money for the airline tickets are provided by Jesus. You will touch many people in the world and they will connect to you. And they will invite you and ask you to which place you want to go. And, when you say, I want to go to that place, they will provide the ticket for you. This is the prophetic word for you. Maybe you are thinking, how will I go to the nations? I have a calling to go to the nations, but the Lord is telling, “I will bring the richest people and they will be connecting to you.” And, you will arrange the date and you will go. So, leave everything to Jesus.

That is what Jesus is asking, “What do you want me to do for you?” One of the sisters is saying, I want a family peace. Today Jesus is coming into your house and giving you a breakthrough. All your family problems with your husband, with your in-laws are going to be settled. And, you are going abroad. You are going to have the business. You are going to have more grace in your life. So your lifestyle is going to change.

It will come at the right time. The Lord who divided the Red Sea is going to arrange and meet your needs. The Lord has already commanded the persons who are far away, and already has commanded them when the time comes. He has stilled their mind, their heart and the Lord will tell them to go to that person. Go to my sister, go to my daughter, go to my son, Jesus will tell them to Go, I tell you. You should not worry how it be arranged leave everything to Jesus. Jesus is saying, “What do you want me to do for you?” He is going to open the doors for you. He is going to settle all the cases. He is going to give you a promotion. Only you have to rely on Jesus. If you do anything by your own accord, it won't be successful. The Lord is going to do greater things that you have never imagined!

DAILY PROPHECIES

I see the Lord wants you to focus on the things of Heaven. And, you will see many great things! Jesus has now come into your house. He has come into your home. Today, Jesus is asking, “What do you want me to do for you?” Today you kneel down in your room and pray. Hallelujah!

So the blind man cried because he wanted deliverance. He was a blind man and he was begging in the streets of Jericho. So everyone saw Jesus of Nazareth was coming and he cried out, “Jesus, son of David, have mercy on me.” But, he had a deep revelation of Jesus when he cried, Jesus immediately stopped there. When you cry from the bottom of your heart. “Lord I want a deliverance!” Right now Jesus is coming into your life and asking you, “What do you want me to do for you?”

Right now! Jesus is going to heal you! Jesus is going to touch you. Jesus is going to separate you for His ministry. And, great things you will see. Many, many great things you will see.

So, I prophesy as you read, Jesus is now asking, “What do you want me to do for you?” Today! The Lord is going to settle your problem. The Lord is going to bring a breakthrough! Amen.

The key word Luke 18:41-Open your bible and read. See and Say your prayer request and then Jesus will reply. Today, is day of deliverance and this will change your life!

May everyone be blessed in Jesus name. Amen.

DAILY PROPHECIES

DAY 12

IMMEDIATELY JESUS BECAME AWARE THAT POWER HAD GONE OUT OF HIM. SO HE TURNED AROUND IN THE CROWD AND ASKED, "WHO TOUCHED MY CLOTHES?"

MARK 5:30

Praise the Lord,

The Lord is going to bless you in every area of your life. I believe so! I thank God in the name of Jesus for giving me this opportunity to minister with you today! God is going to bless and speak with you I believe. Hallelujah!

Today, the Lord is going to bless you with a prophetic Word. Today the Lord has given me to share the prophetic word that is from the Book of Mark Chapter 5 verse 30. It says, Jesus immediately knew that power has gone out of Him and turned around and said, "Who touched my clothes?" Hallelujah!

The Lord is going to bless you in every area of your life. So, the prophetic Word today is from the Book of Mark 5:30. The lady was a woman who had a flow of blood for 12 years. She touched the edge of the garment of Jesus - what happened was the power was flowing from Jesus. That is why Jesus is saying, And Jesus immediately knowing in Himself that power has went from Him. So this is the prophetic word, Who is going to touch Jesus today?

Today, Who is going to touch Jesus? If anyone is going to touch the garment of Jesus or the heart of Jesus or the mind of Jesus. Who is going to touch Jesus today? The Power will go and be released from Jesus. This is the prophetic word that has been given to me. Hallelujah!

Who is going to touch Jesus? For then the power of God will be released from everyone. So today this is the prophetic word, sister the peace in you and the sinusitis healed. The finance opening up for you. You will not be handed over to the enemy. The Lord is telling. You will be delivered from the hand of the enemy. I see the enemy trying to attack you, but today the Lord is telling do not be upset. I am going to increase the anointing in you. And you are going to settle down in the Kingdom of God. So you are going to settle in the Kingdom of God. That means in you there will be Kingdom. In you the Kingdom will be revealed. You might be thinking what was the settlement? But, I did not have the word at that time.

DAILY PROPHECIES

Today as I am speaking in this moment the settlement is the Kingdom of God shall be revealed in you. The Kingdom of God is settled in you. So you are going to be in the Kingdom of God. Through you the Kingdom of God will be revealed. And when the Kingdom is revealed in you, more opportunities and the angels will come and protect you. And the Lord's favour will be upon you. Whatever you do that will be blessed.

There will not be any stagnant in your life. Where you go the angels will accompany you. The Kingdom of God will be revealed in you! That is the settlement. Hallelujah!

You are going to be in the Kingdom of God. I hear you will go abroad as a missionary. Yes, I see you shall go abroad in the mission field.

Happy News is going to come and a breakthrough! What you have been having pain from your childhood, I sense, from your childhood you have been carrying a pain. There's pain in you, but today the Lord says, He is breaking that pain. And, the finance is opening for you. "Abundance," is the word I hear! Opportunities are going to open up for you.

Today, the Lord is telling, that many doors are open up for the Pastor reading! And, God is extending boundaries, especially in your finances. I hear, "Merge," which means you will merge to another place. It can be taken like that merge. Increase and more tolerance. God is giving you more tolerance and ministry. I hear, through you people will be healed. I one who has leprosy healed through you. So the healing power is coming upon you and you will break the chains. The finance is opening up for you. Hallelujah!

For a sister reading, there will be a sudden moment in your life. You are so sophisticated the Lord is telling. And, you keep distance between everyone. The Lord is going to honour you. I see a promotion in your life. And the power of God will be revealed in you and I hear your children coming to Christ and they will take baptism.

The Lord is telling me today for another sister that you are to set down at home and pray and the finance will be opened up for you. The power of God will come upon you and I hear the word, settlement.

For someone, I see luggage coming in your life. That person is coming with luggage to you. And there will be more transportation. I sense like that. Hallelujah!

DAILY PROPHECIES

To everyone the prophetic word that you read was from the Book of Mark Chapter 5 the 30th verse; when the woman who had the flow of blood touched the edge of the garment of Jesus power was released. Power went out from Jesus. So this is the prophetic word for today. If anyone is going to touch Jesus today. Touching means you can touch Jesus, you can touch heart of Jesus, you can touch the mind of Jesus, you can touch the body of Jesus. Whoever is going

to touch Jesus today, the power will be released to that person! That is the prophetic word.

Let's read that word once again, Immediately Jesus became aware that power had gone out of him. So he turned around in the crowd and asked, "Who touched my clothes?"

Mark 5:30

So, when you reach out to touch Jesus today, He will know and that power will be released immediately! An immediate deliverance. You must receive this prophetic word the Lord has given me for you. Any prayer request you have in your heart and keeping in your mind for many years. Today your prayer request is going to be answered. You are going to be delivered in the financial area. In the health problem. In the family relationship. Whatever problem you are facing you are going to be delivered.

You have been fasting many years, and often take 21 day- 40 day fasts and not seeing any deliverances. Tonight, immediately, there will be a deliverance. The woman she had the flow for 12 years. So for 12 years she was struggling. She spent all her money to the doctors and physicians and to the hospitals, but she could not receive any deliverance. But by one touch, she was delivered.

Today, I prophesy to everyone. By one touch you are delivered. All your prayer request will be answered today as you reach out in faith and touch Jesus.

Promotion today for you and your family and you shall go abroad. I see you sing and the Lord will give you the song in your mouth and you are going to sing for the Lord. I see you standing at the pulpit. There will be a sudden change in your life. The anointing will come upon you and take you into the next level.

Another sister will have an invitation of angels.

DAILY PROPHECIES

So to everyone the power of God will be released. Whoever is going to touch Jesus and when Jesus is moved by your faith the power of God is going to be released. Even in the darkest places where light is not shown. Today when the power comes there will be a deliverance immediately! Hallelujah!

The Lord is going to bless you! The fire in you will be revealed and it is going to break the chains. You have touched the garment and the power of Jesus is released upon you.

Everyone this is the prophetic word that your life is going to change. When the woman who was seeking a deliverance and for 12 years she did not see any deliverance, but when she touched the garment of Jesus. What happened? Her life changed. She made history and her name has been in the bible. So everywhere she was known.

Today when the power of Jesus comes upon you. You will become known in history. Your ministry will be recorded. It will be a world wide ministry unto the nations. And, many children will be raised from your ministry. And, God is going to give the breakthrough that you have never seen.

When the power of Jesus is released you will move into the nations. And whatever that is against you will be scattered. You will never see the Egyptians anymore. And, God will bless you in every area of your life. God will increase your cattle. Your cattle is going to be blessed.

I see the promotion, you are going abroad. There will be a change. You will be healed today! Anyone who is crying for deliverance in health issue – you are healed!

DAY 13

AFTER JESUS HAD TAKEN THE WINE, HE SAID, "IT IS FINISHED." THEN HE BOWED HIS HEAD AND RELEASED HIS SPIRIT.

JOHN 19:30 ISV

Praise the Lord,

Praise the Lord! Welcome to Daily prophecies! I thank God in the name of Jesus for giving me an opportunity to minister here.

Welcome, the Lord is showing me a vision for a sister, Government is going to approve your sanction. Government is intervening in your petition. Your life is going to change. The Lord is going to establish you. I see expansion and the Glory of the Lord is upon you. A promotion is coming very soon.

Today the Lord has given me a word to share. It is a prophetic word and this word will give you deliverance. That word is from the Book of John Chapter 19 verse 30. It says, so when Jesus had receive the sour wine, he said, "It is finished." And, bowing his head he gave up his spirit.

So when Jesus had received the sour wine, he said, "It is finished." And bowing his head he gave up his spirit. It is finished! This is the prophetic word for today!

The pastor who is reading today, I hear, an improvement in life. The life is changing. I hear, more power from Holy Spirit is coming in these days.

So the prophetic word that I have for you that the Lord gave to me in the last minutes was as I was asking the Lord for the prophetic word. The Lord told me to share, "It is finished!" So, today how many of you receive this word? What Jesus has said before he had given up his spirit. When he was on the cross he had some thirst and the soldiers gave him sour wine. When he finished the sour wine, he said, "It is finished!"

It is finished means all your curses are finished. It is finished means all your diseases are finished. And, you are completely healed. You have come out from all bondage. That is the meaning of It is finished! How many of your believe? It is finished means that whatever worries that you have and what is stagnant in your life the Lord is telling, "It is finished!"

A sister reading now the power of the Lord is coming upon you! And, giving you a breakthrough.

DAILY PROPHECIES

The Lord is telling me the power of the Lord is coming upon you sister. And, I see financial breakthrough. I sense you are not going to church regularly. The Lord is telling me for you to go to church. Hallelujah!

Unto another sister, the Lord is telling for you, “More Grace!” and “More Tolerance!” I hear the word, “The wounds are healed sister. “So today, the prophetic word

is,” It is finished!” After Jesus finished the sour wine, he said, “It is finished!” This means what is stagnant in your life and what is hindering you from going into the next level that is finished. Now you are free! How many of you have received this prophetic word? It is going to activate in your life. It is going to come in active in your life.

So, you are going to move into the next level. You are going to see visions clearly. You are going to pray for others. And others are going to be healed. And, the finances are opening for you. And you are in the pulpit and ministering in the stadium. And whatever old promises you have heard from the beginning is going to fulfil, because everything that is stagnant is finished. And, the Lord is blessing you more!

There is a sister reading, “The Lord is opening the nations for you,” is what I hear. And, your prayers have been answered. The peace is in you. So everyone who is reading receive this prophetic word. Maybe you are in need of finance. Maybe you are in need of a deliverance in your body. Maybe you have some kind of disease. Maybe in family relations you need a settlement, but today I tell you, Jesus has said, “It is finished.”

So if you are worried, I tell you that you have no belief in the word in the word of Jesus. If Jesus said, “It is finished!” Then everything is finished! So you should not worry. You look to Jesus and you will be lifted to the next level. The promotion is coming to everyone! So, “It is finished,” means you have to receive. Then you should not cry, you should rejoice! Your prayers are answered right now when you believe, it is finished.

You are healed sister. The promotion is waiting for you. The power of the Lord is coming upon you and family blessing! I hear the word, “family blessing!”

So, Jesus when he was at the cross, he took all of our worries, all that was stagnant, all that is not moving. So, today when you read this word, and hear this word, when you believe

DAILY PROPHECIES

that it is said by Jesus, “It is finished!” It means that everything that is negative is finished! Hallelujah! The enemy cannot follow you, because it is stopped. So, everything that is against you in your life is finished.

I sense somebody wants to go out, but cannot go out and meet the people. Because everyone is asking you what is your problem? Why are you not having any deliverance, but today, I tell you, “It is finished!” You

won't see such people anymore in your life.

I see some of you are afraid and ashamed to go before others, because they are asking, where is your husband? Where is your wife? Where are your children? And, why your ministry is not happening? So, this kind of question is coming into somebody life. So, I tell you, you are not to be put to shame before others, you are not to bow down your head before others. Today you are going to have your head straight! You are going to speak boldly. And, you won't see such kind of people. Whom you were afraid to see before, now I tell you, “in the name of Jesus, you won't see such kind of people.” Now what is happening, is those people are afraid to see you. When they see your face they are ashamed. So, they are hiding from you. Before you hid from them and you were worried to face them, but now they are avoiding you, because there ashamed to come before you. That is the change of God's word. That is what is happening when you believe this will happen. Because, It is finished!

So, it is a new beginning from this time of today onwards! How many of your believe? From this time onwards, the old is finished and the new has started! And, the new is the powerful one. The old one was where we were afraid and not able to go outside and ashamed, our bodies had pains and many diseases. But, now is the fresh one! The New one! No pain in the body! No diseases! More visions! More eyesight! Inner man is strengthened! The old one is finished and we are in the new one! How many of you believe? So everyone who is reading this, I tell you, “your old life has finished! And, from this time onward a fresh anointing!”

When you read that is the power of the word! When you read a biblical word from the Bible, it will begin to activate from that moment onwards. Maybe yesterday you read or heard that word, but today, there's a fresh anointing upon the word! Because in the storehouse in

DAILY PROPHECIES

Heaven there is plenty for God to give to you! So, the old life is gone. How many of you believe? That old one is finished and now this is the new one. How many of you believe? So you are raising into the next level. Because the old is finished.

Before you could not speak fluently or speak boldly, but now is the fresh anointing, fresh one to understand your life is new. Your anointing is new! The anointing that you carried ten minutes before was finished and now the fresh anointing is coming. That is to break the chains. When you set foot on a place, that place will be delivered.

There is a sister reading, I see the mantle of breaking the chains on you. When you set place on a land that place will be delivered. Sister the fire in you is burning, and the Lord is giving you a promotion in your life. The Lord is going to change your life. Your lifestyle is going to change. I see the church is in your house. Maybe you are looking for a house, but today the Lord is telling, "In your house there will be a church!" This is what the Lord is telling me right now.

So the Lord is going to bless everyone! Because the old is finished! The verse 2 Corinthians 5:17, Therefore, if anyone is in the Messiah, he is a new creation. Old things have disappeared, and look!—All things have become new! Everything old is gone and now we are new! So, it is finished! The old one is finished! So, before reading today you had a pain in your body, maybe you had a disease in your body, and you were taking tablets, taking medicine, but I tell you, that is finished! That chapter is closed! Because of what Jesus said! Read again, it is up to you, how many of you believe? Those who believe what Jesus had said and it says, when Jesus had received the sour wine; you know think about what the sour wine signifies, the curses, the family problems, your health issues, your financial problems these are all the sour wine. I see in my spirit for you. So, when Jesus had received the sour wine, he said, "It is finished!" That means your family problems are finished. Your ministry problems are finished. The doors are going to open now for you! So to everyone the doors are opening, because the old is gone.

I see frequent flight travels. And, promotion in your life! The doors are opening! Hallelujah! The majority that was against you are the ones who will see you lead the people. You are going to guide the people and there will be a number of people who are coming to your church. And, greater things you will see and those who were against you are now coming to your church. And, there coming to your ministry! Your house is welcoming many fresh people! So you are seeing greater things! The old is passing away. I see many promotions coming to you. New things are coming!

DAY 14

MOSES TOLD THE PEOPLE, “DON’T BE AFRAID! STAND STILL AND WATCH HOW THE LORD WILL DELIVER YOU TODAY, BECAUSE YOU WILL NEVER AGAIN SEE THE EGYPTIANS WHOM YOU’RE LOOKING AT TODAY.

EXODUS 14:13

Praise the Lord,

Today the Lord is going to bless you with a prophetic word that the Lord has given me to share with you! To a sister reading, the Lord is giving you peace and saying to settle down. Financial breakthrough. Unto another sister the Lord is going to extend your boundaries and loosing the knot on your tongue. You will speak boldly. And, yet another sister reading, increase in knowledge and power. The Lord will speak to you. Tonight the Lord will speak to you.

There is a pastor reading and I hear the word, “increasing in financial area.” I also hear, “a marriage is coming into your family.” Maybe it’s related to your children. Unto a sister reading, Sudden breakthrough! I hear the word, “Sudden breakthrough!” The Lord is going to deposit great things in your life! You are going to see great things and your family status is going to change.

“More Grace! The Lord is going to do great changes in your life! Welcome everyone, today the Lord has given me a prophetic word to share with you that is from the book of Exodus Chapter 14, the 13th verse. I thank God in the name of Jesus for giving the opportunity to minister to you as you read. So the prophetic word is that the LORD YHVH is saying, “Do not be afraid, stand still and see the salvation of the LORD, which He will accomplish for you today!” So today the Lord is telling everyone reading, Do not be afraid. Stand still and the Lord will accomplish for you!

So everyone who are reading this is the prophetic word for you. And, this word will bring deliverance to you. Stand still where you are for maybe in your mind you have a plan to plea with them, whether to speak against your rival. But the Lord is telling, you should not speak anything, the Lord will speak to you. I tell you, to everyone, maybe someone is belittling you, someone is mocking you. Someone wants to lower you and someone is taking advantage of

DAILY PROPHECIES

you. So he is making money out of you, so he's miss using you. But in your mind you want to speak against and ask why he did so, but today the Lord is saying you should not talk. You speak nothing, but you stay. That is what the Lord is saying. This is the prophetic word, Do not afraid, stand still and see the salvation of the Lord. How many of you believe?

So, you should not speak. Maybe you want to speak and your think that if you speak things will come positively. But I tell you, the Lord is telling, do not be afraid. See the salvation and stand still. Stand still and He will accomplish for you! What you have planned from the beginning you have build up good and the enemy is trying to misuse you. He is making money out of you. He is using you! Using your name for other business purposes. So he is belittling you and dishonouring you. So you want to speak against him and ask him why are you doing this to me? But today the Lord is telling me, do not be afraid, but stand still and I will accomplish for you. And He will, LORD God YHVH will accomplish for you.

To everyone who is reading, you will see the salvation of the Lord. He will accomplish for you.

So, there will be a change in the circumstances. There will be a change in the family situations. And many challenges you are also seeing, but God is going to bless you. He is visiting you. The Lord's angel is visiting you in your house. And, you are also healed in the name of Jesus. This is the promising word of God. You will see your children's children. So you will see your grand children. And, you will have a bright future! I see the fountain that is the Holy Spirit is coming upon you. Hallelujah!

You have a promotion! The Lord is going to bless your children. The Lord is going to bring finance from abroad. And He is giving money in your pocket. And the power of God will come upon you and those who are in your house that are not saved are going to be saved! So, the Lord is going to bless you and God is going to take you out from the place where you are staying and He is going to settle you. Hallelujah!

This is the time to see the salvation of the Lord! God will accomplish for you! More Grace! You shall be filled with Holy Spirit! Hallelujah! The peace is in you.

DAILY PROPHECIES

For a pastor reading, I hear, “the church is going to enlarge.” The Lord is going to bring new people. Children from far away will be coming. And, donations from afar shall be coming to your church. I hear the word, “rebuilding of the church.”

So, everyone who are reading, I am telling you, “you should not be afraid.” The Lord says, “I will fight the battle.” The battle is God YHVH. So He will fight for you.

You have got a good carrier in your ministry and the enemy wants to spoil it by one woman. But I tell you, the Lord is telling, you keep quiet God YHVH will accomplish for you. Jesus has accomplished everything on the cross. So you only have to depend on Jesus. He will fight the battle for you. He will take you out from the situation. And, God is going to bless everyone. Your misery days are over.

The sister who is reading now, the Lord is telling, “your dark days are over. The fresh days are coming.” The Lord is going to bless your son. And, your son is going to have a repentance and is coming back.” More grace! So, the Lord is going to bring changes in your home. I hear the word, “family established.” The Lord is going to sharpen you as a powerful vessel. The enemy can’t come near to you, because the grace of the Lord is upon you. And the power is going to be released through you says the Lord.

So to everyone the Lord is telling, “you stand still where you are and I am going to bring changes into your life! You will see the people who were against you and tried to trick you are now coming to surrender to you. And, they shall come to tell you not to be afraid of them, because they know the Lord is with you. The Lord is going to make your situation a blessing. You rely only on God. Maybe you are in need of finance, but the Lord is telling you that I will provide the finance through the angels. And you will settle in the land. You should not be afraid of the enemies, because the Lord has seen your miseries. And, your life is going to change! Your friends are going to change! Your ministry is going to change! You are going abroad to the nations for a greater ministry. The Lord has great plans in your life. He is going to bless you like Abraham!

So, God is saying, “He is going to bless you with many children like the father of many nations,

DAILY PROPHECIES

as Abraham. “You are the father! You are the mother! To the nations! Hallelujah! And, your cattle is going to be blessed. Nobody can stand before you, because the Lord’s power is upon you. The Lord’s sign is upon you. The Lord’s seal is upon you. So, nobody can take you from the place that you are so stand still. God is telling, “stand still and I am going to bless you!”

Everyday! Everyday you will see from this time onward!

You will see that this is a sign. This is a sign that you will see the power of the enemy dimensioning. Maybe you have the boldness to ask, but the Lord is telling, “keep quiet. Keep quiet and you will see the power.” You are afraid of someone, but the Lord is telling you should not speak anything against that person. Maybe they are strong like Goliath, but your God to whom you are worshipping is stronger than him, so you keep quiet, You keep quiet and the Lord will accomplish for you. This is the prophetic word.

I see somebody wants to speak against the enemy. He wants to ask the person who is dishonouring him, who is misusing him and his talents, but today I tell you that you keep silent. The Lord will accomplish and fight for you! Right now while you are reading this daily prophecy what is happening is the Lord is touching that person. And, a great change is coming to his mind. God can change his heart. That is why I told you that you keep silent. If you speak he will become angry and he will make problems in your life. But when you surrender unto the Lord the Lord will change his heart. He can change his deceitful heart. He can change his stony heart into a heart of flesh. So the Lord is going to do that miracle for you. And you are established everywhere.

So the Lord is going to bless everyone I am thankful for you taking time to read.

So today the prophetic word is that you keep silent and your rely on the Lord and the Lord will speak for you. And, you will never see the Egyptians again in your life.

May God bless everyone! In Jesus name. Amen.

DAILY PROPHECIES

DAY 15

SECRET OF DELIVERANCE “PLEASE, LORD,” HE SAID, “REMEMBER HOW I HAVE WALKED BEFORE YOU FAITHFULLY AND WITH A TRUE HEART, AND I HAVE DONE WHAT PLEASES YOU.”[A] AND HEZEKIAH WEPT BITTERLY.

ISAIAH 38:3 ISV

Praise the Lord,

Today you will see a miracle and the Lord will touch you! God is going to extend your boundaries! Especially in the financial area. The Power of God will come upon you and will settle all the issues that are before you. Increase in anointing, I hear the word, “increase in anointing!” Greater dimensions the Lord will take you.

You are called to minister and at the right time God will lift you up. Hallelujah! Welcome everyone! Today the Lord will mix you with other people and you will have many connections. The Word for you! Increase in knowledge and I also hear, “foreign trips coming to you.”

The Lord is doing the manifestation, I hear the word, “manifestation,” What you have been asking the Lord that shall be manifested. I sense you are asking for more anointing and that will be manifested. There will be a turning point, I sense you are in a junction. The events that have happened in your life will determine what you will be in the next level.

The Lord is going to bless you. More power! The neighbours around you and watching you and thinking what is happening in your life. But the Lord has given a separated life for you and very soon I see celebration. It is happening very soon! I see promotion! More tolerance in you!

The Lord is going to bless everyone! Hallelujah! It is open and you will have plenty of provision. I sense you are having lack for your needs, but I see a lid of a jar opened. And, there is everything for your needs. Others will be wondering how the provisions come, but the Lord will bless you in every area.

So, I have the word for you and maybe you have heard this word before, but today again the Lord spoke to me from this word that's why I am speaking this. So before coming into the word, let us close our eyes and pray. Father in the name of Jesus, I thank you Lord for

DAILY PROPHECIES

bringing everyone to this video. May your name only, the name of Jesus be exalted and speak into everyone's life. Release the power, the fire and the healing upon everyone. And, everyone's life maybe changed. Let everyone be blessed. What they expect from you I ask that you give them. Lord what they want from you I ask you give them. I intercede for them and I pray in the name of Jesus. Amen.

Thank you Lord for bringing your children to read this daily prophesy today. I believe you will bless, so they have not come here to read as their own accord, but you have chose them and you have called them here. So, you will bless them I believe. So let it happen speedily. Speak to everyone's life in the name of Jesus. Amen.

So once again I am thankful to all brothers and sisters who are reading. So, God is going to realize you into the next level. I have a word for you from the book of Isaiah, chapter 38, and when you read this what you will see there the king was laid up with fever and the prophet Isaiah came to his bedside and said, "you are going to die." So when the prophet Isaiah came and told that you are going to die; what he said when he heard, he cried very painfully with a painful heart. And, he said while he was crying and he said to God, "remember now Lord, I pray now, how I walked before you in truth." So there are 3 things for a deliverance. One he is telling, how I walked before you. One in truth and with a loyal heart and have done what is good in your sight. So today this word will be led by Holy Spirit. And, 3 things are needed for a deliverance. How many of you want a deliverance today? Deliverance in any area, maybe in financial area, maybe in the family relationship or the doors in the ministry. Maybe it is stagnant in some area and you can not move. So there is no happiness in your life. So many cases are like this, but if you want a deliverance. So, maybe you have not walked obedient or walked loyal. So these things are very important walking through. Maybe in the past you have not walked in truth. Maybe you have not done what was good in God's sight, but today if you take a decision that I will walk in truth and I will be loyal to you. I will do is good in your sight. If you do these things today you are delivered.

The book of Jeremiah chapter 15 verse 19 says, Therefore, this is what the LORD says: "If you repent, I'll take you back and you will stand before me.

If you speak what is worthwhile,[a] instead of what is worthless, then you will be my spokesman.

DAILY PROPHECIES

People[c] will turn to you, but you aren't to turn to them.

The Lord is telling return to me. Come back to me. The Lord also told Joshua you should not depart right or left from the word of God. So return to me means come back to the word of God. Return to me means follow the teachings of Jesus. That is returning to God YHVH.

So, if anyone is not following the teachings of Jesus; today if you want a deliverance in any area you have to make a decision that you want a blessings. So you have to make a decision that you will walk in truth. You will have a loyal heart and you will be faithful to God. And, you will walk in His ways.

So in some areas, maybe you can not come out. So you will be tempted to anger and be tempted to speak. And sometimes someone is saying I am tempted to lust. So, look at the cross and see the nail that was pierced in the hand of Jesus. How painful it was the nail in his hands and his feet at the cross and the blood that was shed. So when you are tempted, you meditate on the pain and the blood shed on cross by Jesus. You will overcome from all the temptations. Then you can walk in truth. How many of you believe?

So, 3 things are needed for deliverance and it is very easy. Walk in truth and with a loyal heart and do good. Do good and walk in truth with a loyal heart. If you do this your house is going to be blessed. Today, at this moment as you are reading you are healed, Any disease in your body is healed when you take a decision. If you are having a headache you are healed now in Jesus name. Amen. If you are weak in your body you are healed right now. If you have diabetes, cancer or blood pressure you are healed right now. Because when you read the Book of Isaiah Chapter 38 he was about to die, but when he cried to the Lord, Lord I was faithful to you, I walked in truth and I was loyal to you What God did was He extended his life 15 years to his life.

So today, healing is coming now! God told the king I am going to extend your life. Understand, immediately when God told him and when the king asked and cried to God. Immediately God spoke to him I am going to extend your life.

So immediately today when you take a decision that I won't sin anymore. I won't do anything that is against the word of God. So if you take a decision that you will come back to the word

DAILY PROPHECIES

of God. Surely I tell you are delivered immediately. That is the secret of deliverance. May people in the Israelites when you study the history of the Israelites they did not get the deliverance, because they did not walk in truth and they were not loyal. And, they were not faithful. So they did not do good. So I tell you, if you keep these 3 things, the fasting, the meditation, the prayer are everything to do for these things. These 3 things we

have to do we have to pray, we have to read bible, we have to meditate the word and to be loyal to God. To do good and walk in the truth. So when you do this you will be delivered.

May everyone be blessed in Jesus name. Amen.

The land will come in your favour and the money will come to you. The house will come into your hands this is what the Lord says. So tomorrow you will see a miracle sanctify yourselves. The Lord is telling this is the prophetic word for everyone.

The finance is opening and people will be with you. I hear, the loud alarm that is the victory of the Lord. And, you will overcome all the hurdles. And, I hear settlement so enjoy this time for the Lord will do greater things tomorrow. So sanctify yourselves.

Pastor today the Lord is telling the people are coming to talk to you and the people are coming to talk about starting a new contract. I hear like that and that contract is for a new agreement and it is related to your family. So it is approved.

The Lord is telling it is approved. Pastor the Lord is telling the people are coming to your home and the new contract is going to be signed and God has approved this contract. Hallelujah!

DAILY PROPHECIES

The prophetic word is sanctify yourselves. There is a sister reading and the word for you is The marriage is coming and God is going to extend your boundaries. The church people are against you, but God has seen your misery. God is going to increase the fire and finance in your life. I see a child is going to be born and those people who are against you will surrender by the grace of God. There is another sister reading and the

word for you is you will have the income from the agriculture from the land that will give you income and more grace. The doors that have been closed and not giving any income shall now give income to you. And do not be upset for the Lord is healing your skin disease. I hear, the allergy healed. And, the major problem is finance. The Lord is doing a great miracle in your life. You should not be afraid. The Lord will take care of you and your children. Hallelujah!

There is another sister reading and a promotion is coming to you! And the people that have rejected you will soon see the glory of the Lord. The Lord is going to bring many great changes in your life. Do not be upset says the Lord. I hear, "I will have the betrothal in your life."

Come out from the situation where you are and the Lord is making you settle in the land of grace and you will not lack anything there shall be plenty. This is what I hear for a propheticess that is reading and when you look the anointing will come upon you and give you the right word. So the Lord is going to bring greater changes in your life. More grace I see and there will be movement in your place and you will go to the new place. The ministry will also be going.

To everyone I am saying, the Lord is going to bring changes into everyone's life. Because God told Joshua that I am going to do the miracle tomorrow and tell them to sanctify themselves. So, that is the word I was to share with you. This is the time to sanctify because tomorrow you will see the miracle. Many people are complaining against you and telling why are you behaving like this, but only the Lord knows your situation. You are called for a great purpose for the Lord. And, the Lord is going to bring the great changes in your lives. So do not be upset about what is happening in your life. Because the Lord is bringing great changes. And I see enlargement in your boundaries. Your anointing is increased. Your financial area is increased. I see you standing in the pulpit and I see you with greater things. This is the time to sanctify because tomorrow you will see the miracle!

The power of the Lord is coming upon a sister and will bring family peace and settlement in the share of the property with dispute and that will be settled. The Lord is touching your lips.

DAILY PROPHECIES

The Lord is touching your tongue and the Lord is going to bring great promotion into your life. Today the Lord will speak to you. Hallelujah!

So today I am telling everyone to sanctify yourselves. Sanctify yourself means first in your spirit and in your body for the Lord is going to come and rest in you. Jesus is going to come and dwell in you. Father in Heaven is going to come and dwell in you. So the place that God wants to

rest in should be holy. That is what is meant to sanctify yourselves, because God is going to come and settle in you. They are coming Father and Jesus as I said in the Book of John, we are coming to reside in you Jesus said in the Book of John. So it is going to happen.

That is why Joshua says, Sanctify yourselves, tomorrow the Lord will do a miracle. So everything that has been in the enemies hand is now going to come back into your hand. A prophethess is reading and that is the word for you. The property that you should of received from your parents side is now going to come into your hands. It is now in arbitration and there is a quarrel, but you will possess the land, that is what I hear prophethess.

The Lord is speaking to everyone so Joshua said, sanctify yourself for tomorrow you shall see the miracle, Because you are going to purchase the vehicle. The vehicle is coming in your name and the land is going to come and have the contract with you. And, the wild animals are going to have peace with you. God has made an agreement that the wild animals will not do any harm to you. And, many great things you are going to see. You will have enough sleep, you will have enough rest. And, today you will see the power in your will explode.

Everyone the power will explode! And when the power explodes you can not keep the power silent in you. Because when it explodes it will bring with a great sound. And, everyone will come to know when you stand in the pulpit you are a minister. When you stand in the pulpit the power of God will come upon you and explode. And, it will be passed, and transformed to many people there. And, great miracles will happen in your ministry. The Lord will release the power on you and when you minister God is opening the Heaven and power is released right now and it is going to explode. And that explosion is coming upon everyone reading this is what is happening when you stand in the pulpit. When you minister in the church. When you are in the house church or big church or stadium when you are ministering. There will be a great audience and the power of God will come upon you and it will explode. That is why someone

DAILY PROPHECIES

is asking how to sanctify in order to have the power to rest in you and to explode. The power to come in you and explode is sanctification is necessary. Not only in the ministerial area, but the financial area, in the family area, the relationship area.

Maybe you want a house, maybe you want a car, maybe you need finance, but what you need at this moment is the power of God for when the power of God comes

upon you there will be an explosion. And, it will go into different directions. Into your financial area, into your family, into your ministry and it will bring changes.

Today this prophetic word is going to activate in your life like this and I will read once again, Joshua 3:5. And Joshua said today sanctify yourselves, for tomorrow God will do miracles in your life. Today Sanctify, Tomorrow Explosions! If you are not sanctified there will not be any explosions. The power will come and you will have the prophetic word, but in order to have it activated there should be a sanctification. Then it will explode into many areas! Into the stadiums, into the churches, into the houses, into the families, so great changes are coming! The change is coming in your life! The power is going to activate and work in these areas. Hallelujah! They will all come in unity when the power comes. Today the Lord will do a miracle sit down and pray. The Glory of the Lord is upon you. Promotion and the fire! Settlement in your family affairs, peace in family!

Pray continuously and promotion is coming to you! New house and new building this is the power coming upon you and there will be a shift in the place you are residing and the Lord will take you to nations. A shift in where you are staying and you will lack nothing. There will be a provision and financial breakthrough is coming. And the Lord is settling all the cases.

This is the prophetic word for you. Today sanctify – Tomorrow there will be an explosion a miracle! You will see the miracles in your eyes. So don't waste your time! Tomorrow the Lord will do miracles! I am hearing, "explosion in every area of your life!"

I am thankful for the time with you as you read the daily prophecies. May God bless everyone in the name of Jesus. Amen.

DAILY PROPHECIES

DAY 17

DON'T TURN ASIDE AFTER USELESS THING THAT CANNOT PROFIT OR DELIVER BECAUSE THEY'RE USELESS.

1SAMUEL 12:21

Praise the Lord,

Today the Lord will speak to you in this daily prophecy, I believe. So you keep on praying for the Lord has great plans in your life. So God has given me a prophetic word. That word will give you a deliverance from 1 Samuel 12:21. And it says, and do not turn aside for then you would go after empty things which cannot profit or deliver for they are nothing. So God YHVH is telling us today at this time do not turn aside for then you will go after empty things which cannot profit or deliver for they are nothing.

So when you read the bible God told Joshua that you should not turn right or left from the word of God. So here also in 1 Samuel 12 the 21st verse God is telling do not turn aside from the commandments of God. So there is an agenda for everyone to travel. There is a sign for everyone to follow that is Jesus Christ and that is God. If we turn aside from it we will not have many blessings in our life. That is why this word is saying it will have no profits. It will go empty. So you know why the pillar of cloud and pillar of fire was there when the Israelites were in the wilderness because they were looking after the guidance of God. And God is guiding them through the pillar of fire and pillar of cloud day and night simultaneously. Likewise we have the Word of God.

So today God YHVH is telling don't turn aside from the Word of God, because it will give no blessing. It will bring only emptiness and no profits. So today God is going to bless everyone. A promotion is coming for you. You should not be afraid of the pandemic for the Lord's grace is upon you. God is going to bring blessings upon you and children and you will possess the land. There will be a sudden change in every area of your life.

The Power of the Lord is coming upon a sister who is reading and I hear a settlement in many of your cases. Provision coming to you and that the money that has been held by the enemy is going to be released. And the power of God will come and heal you and take you into the comfort zones. In these days you are going through the test. When you pass the test the Lord

DAILY PROPHECIES

will bless you very much. Another sister reading there will sudden change in every area of your life. And, the Lord is bringing your children also to be blessed. And you are having a good time in the ministry. The Lord is showing me many countries where you will travel and what is not working for the mission in your house is going to work by the power of the Holy Spirit. This is what I hear some kind of missionary that is not working

it is going it is going to be working by the Power of the Holy Spirit. Hallelujah!

Another sister who is reading – Do not be afraid of the enemies the Lord will bring grace in you and you will sit along with the noble people those who have rejected you the time is coming that you are going to be honoured before those people who rejected you. And the door is open for you. So enter my promise the Lord is saying enter my promise and the vacancy is filled. Hallelujah! In the name of Jesus.

An improvement in the financial area and blood relatives are coming to you. And there will be money for the purchasing of the properties. I see you putting signature in a document. The document will be registered and I see everything will be in control. The Lord is going to set aside all that. All the trials that you are facing now and giving you a promotion. I see you climbing over the mountain and a breakthrough is coming. And, God is going to bless you. Expansion of boundaries.

For another sister I hear the word, “Financial breakthrough and an improvement in your health.” Financial deliverance, financial blessings I see. Improvement in your health the Lord is positioning you. The Lord is bringing great things in your life. Do not be upset at this time the Lord says, because the Lord is going to do a miracle in your family.

Very soon there will be a new church opening. I hear the word, “very soon there will be the new church opening.” And you will be there ministering I see you in the pulpit. The word for you. Hallelujah!

There is a sister reading that I see sitting in a cushion seat that means the honour is coming to you. The honour is coming to you and those rejected people will be put to shame and finance is opening to you. The Glory of the Lord is coming upon you.

DAILY PROPHECIES

The fighter will fight, but you will run after the fighter. This is what the rhema word I get is the enemy will fight, but you will overcome the enemy. Hallelujah! And you are healed. You are healed in the name of Jesus. The chronic disease is healed in the name of Jesus. This is what I hear. So many things favour is coming to you. And, I see enlarges in many new things. God is going to type into your life and I see the light of Jesus shining

in you and spend your time in prayer. Everything will be in control. The Lord is going to do greater things in your life.

I hear the word that the healing power is released. Hallelujah! In the name of Jesus. This is the prophetic word I was told by God YHVH just before when I was in my prayer room that I will share again. Once again Hallelujah and do not turn aside for then you would go after empty things which cannot profit or deliver for they are nothing. So in everyday life God will guide us when we are in a situation in which step we should take in which direction we should take. If you do not know the right way it will go empty with the wrong connection. It won't bring any profit that is why if you turn aside from the commandment of the Lord it will become null and it won't bring any blessing. It won't be fruitful. That is what the Lord is telling. Follow the commandment of the Lord and then you will be blessed in the land.

The Lord is releasing the fire from Heaven and all the diseases are burned. He is going to bless you and your family. The Lord is going to bless you and the majority of the people will stand with you! Do not bother for you shall overcome all your negative situations. The Lord is saying when you walk through the fire you won't be burned. When you walk through the water you won't be drowned. Because you are in the Lord's hand. Your name is written in the Lord's hand. So there will be a settlement in every area of your life.

What the doctors can't heal is now healed in the name of Jesus. As you are in a junction to take the next step the Lord is telling very soon a change is coming and the invitation for the one you are waiting for will come. The Lord is telling me so. Many new things are going to happen.

I see two churches and the cases are settled. Things are going in your favour. The Lord is going to bless everyone. The Lord is going to bless every area of your life. This is the time for change in your life and if you believe from this time onward the Lord is telling me. From this

DAILY PROPHECIES

time onwards your life is going to change. Because this is the prophetic word from 1 Samuel 12:21, do not turn aside from the command of the Lord, if you turn aside it won't be fruitful. It won't be a blessing it will bring only emptiness.

So today the Lord is going to do greater things. Obey the Word of God and be in the Word of God and there will be a promotion to everyone. To everyone I see there

is a promotion and the Lord will push you and lift you up in the areas you can't be lifted. When Lot was in Sodom and Gormorah the Lord released the angels to help Lot to come out of Sodom and Gormorah. Likewise, today the Lord is releasing the power of Holy Spirit to push you to the areas you cannot come.

More power in this time. The power of the Lord is coming upon you and widening your territory. And, you will see blessings in your home. The one who is accusing you will be silenced, because you have the crown on your head. I see the crown on your head. So the one who is accusing in your own house will come silent. Because you have the sword in your hand. So the Lord is going to bless you.

To everyone I am saying, the Lord is going to do many great changes. Hallelujah! So financial breakthrough. And you will never see the Egyptians never in your life. The healing is upon you. Right now the blessing is upon you. So everyone God is going to touch you. Everyone I hear a multicoloured anointing is released right now. In the name of Jesus. Because the multicoloured anointing means in different areas. It will be in different areas like the nine gifts of the Holy Spirit; the multicoloured anointing means it is not in one colour. Multicolour when you bring a picture there will be black and white. There will be two colours. There will be five colours, but multicolours means many colours; likewise the anointing God is releasing right now. Receive it in the name of Jesus. Receive this anointing in the name of Jesus. It is a multicolour anointing. That means in every area of your life there will be the anointing. When you teach the bible the bible there will be the anointing. When you write there will be the anointing. When you walk there will the anointing. When you pray there will be the anointing. That is the multicolour anointing. God is releasing the multicolour anointing that will bring you deliverance in many areas of your life. So God will do greater things in your life in Jesus name.

God bless everyone. In Jesus name. Amen.

DAILY PROPHECIES

DAY 18

AND THE RAVENS BROUGHT HIM BREAD AND MEAT IN THE MORNING AND BREAD AND MEAT IN THE EVENING, AND HE WOULD DRINK FROM THE BROOK.

1 KINGS 17:6

Praise the Lord,

Today the Lord is going to speak into your life! Financial breakthrough! The Lord is healing you also. Healing and deliverance coming upon you. Promotion is coming! In between these days, you shall be healed and finances coming to you! Doors are opening up for you! God is going to extend your boundaries.

There is a brother reading and the Lord is telling do not be afraid. I have taken you into my hand and you will see the difference between those who serve God and those who do not serve God. So God is going to bring you the right people and there will be a promotion in your life. I see successful life for you.

Pastor very soon you will go abroad I hear. To a sister the power of the Lord is coming in you and there will be a breakthrough in every area of your life. I hear the word the sinus healed in the name of Jesus. Hallelujah!

Welcome, I have a prophetic word, if you believe and receive this prophetic word that word will work in you. That word will activate in you. The Lord gave me this word from 1 Kings Chapter 17 verse 6, it says, the ravens brought him bread and meat in the morning and bread and meat in the evening, and he would drink from the brook. Praise the Lord! The ravens brought him bread and meat in the morning and bread and meat in the evening and he drank from the brook. So 1 Kings 17:6 this is the prophetic word so you have to receive this word. Receive this word, the ravens brought Elijah bread and meat morning and the evening. So he did not lack anything. Every time according to the time table he may have been thinking why he was only having bread and meat two times a day. Why he is not having three time, because that is the time table of God for Elijah. Elijah had a special strategy. So that is the time table.

Today I tell you morning and evening and whenever you are in need the promotion will come. Through the ravens means through unexpected people. Amen. Through unexpected people

DAILY PROPHECIES

you will see the miracles of God through them the health will come, the finance will come to you. Through unexpected people and maybe you are looking at somebody whom you know. Maybe your friends are relatives and you might be thinking that person will help you. That person will recommend you, but no I tell you this is the work of God. This is the hand of God. Those who are going abroad the help will come from

unexpected people whom you have never met. That is the work of God.

A sister reading I see you going through passing through the tunnel and you are in a trial. The Lord is telling Jesus is your shepherd and Jesus will increase the finance for you. And, daily needs will be given to you. I see whatever you are need for daily the Lord is going to give you. And, you will have the income from your own land I hear. I see a big tree that is going to bear fruit. You will not go outward to get a financial blessing from inside your house you will get the blessing. That is the word for you sister from your own family you will get the financial resources. That is what the Lord is telling.

The Lord will locate you in the new place. That you have never even imagined. I see the wind of the Holy Spirit is coming and the power of the Holy Spirit is coming and taking you into a new place. I also see the construction of the house going and it has almost been finished. Little more money is needed and the Lord will provide for you. Do not be worried. And you are in a junction to what direction you should take the Lord is saying do not be afraid. The provision will come.

So to everyone I am saying when you read 1 Kings 17:6 you can see that Elijah was provided by ravens. But it was God's hand behind it. So today the provision is coming through unexpected people. The Visa is coming through unexpected people. The jobs are opening and the job opportunities are coming from unexpected people. The people to whom you have never even seen or met and it is going to activate and your speed will increase. I hear the power of God is coming upon everyone it is pressing into your body. The position is enlarged and the power of God will come upon you. And, what you have to hide in front of the people will be hidden says the Lord. And, you will not be afraid of anything. There will be a promotion in the place where you are sitting. I see an uplifting in your job. So the power of God will come and make

DAILY PROPHECIES

a change. So God is going to do many great things in everyone's life. To everyone who is reading you can receive what I am saying, because it is the Holy Spirit speaking and the Power of God will bring changes. Not according to your plan, but according to God's plan. So I see a wide spread of the Holy Spirit power being around your regions wherever you are, because in these days there will be provision. You should lack anything

there will be a radius of the Presence of God when you go to a nation. The nation will be open for you.

I see many things coming in your favour, because the Lord's power is upon you. So you are going to be raised into the next level. So Elijah was provided every time by the ravens, but he was looking at God not looking at ravens. So I tell you that anyone who is looking at God will be provided and they won't lack anything. They will be provided with everything. The milk and honey are coming. The finance is coming. The church planting is going and many marriages are being solemnized.

I see a young boy who wants to be healed. And, today the Lord is healing the infection of the lungs in the name of Jesus. The boy is healed in the name of Jesus. So the Lord is going to do greater things in your life. So now God has given you wisdom. Today, now at this time the Lord is telling me to everyone who are reading, the Holy Spirit is telling me now God has given you wisdom. So move in that wisdom. Not in the world's wisdom, but the Lord has taught you how to move. So when you move in that wisdom you will never see failures in your life. Never will you have to bow your head down before anybody, because you are moving in God's wisdom. So, God is going to touch you now and fill you with the wisdom and knowledge.

A sister reading I see increase in finance. The boundary wall is being instructed. The promises will come one by one. Another sister, there will be sudden change and the money is coming through postman. What has been held up for a long time the government authorities are bringing to you.

You shall see greater things! There is a sister who is called to minister. I see what you need a this time is financial breakthrough. And, whatever is emptiness in you the Lord is telling me it will be filled. And, all the fences that are before you, all the blocks are going to break by

DAILY PROPHECIES

the power of God. And the Lord will take you to many places. You will be away from your house and stay in lodges to do the ministry of the Lord. I see you staying there to reside by some lake I see. So God is going to bless your children also.

Receive the power of God that will bring changes in your life brother. I sense the marriage is coming.

And, the betrothal is coming very soon for you. The Lord has seen great things in your life. A pastor reading the Power of the Lord is coming upon you. There is movement in your life. I see change in office, change in setup. And, even change in your eyesight. Your vision is changing pastor for you. The Lord is going to settle all cases before you. All prayer requests have been answered. The Lord has opened your eyes, I see like that the Lord has en-lighted your eyes.

The prophetic word is that the ravens gave bread and meat in the morning and the evening to Elijah. So, this signifies that you are getting provision and you shall not lack anything, and it is coming from unexpected people that you have never seen. Your address is going to change, your dress code is going to change, your suit colour is going to change, your skin colour is going to change. Your language is going to change, your accent is going to change. The people acquainted with you are going to change. And your travel methods that means it is going to change. Maybe you are going in a normal way, but now an extraordinary way and for more explanation. Maybe you are going in the lower class, but now in the upper class this is the grace of God. That means a change in every area. The food is changing, the taste is changing, everything is changing, and you don't know where it is coming. And, somebody is thinking how will I go to the nations? But the provision it is coming from unexpected people. This month one person will help you. The next month another person whom you do not know will help you. That is the work of God. How many of your believe?

Today, one person will be helping you and sponsoring you and the next day another person whom you have never seen will help. That is the work of God. That is what God was providing Elijah through ravens. But Elijah was not expecting the ravens because they are the birds that snatch anything, but they won't give anything, but will snatch everything. So, the Lord has chosen the ravens, because Elijah should not expect the food from ravens. So he was

DAILY PROPHECIES

expecting the food from God.

I tell you this is the prophetic word. So unexpected help is coming and this is what I am seeing. The Lord is telling you I will lift you up from that place. The new ways are opening for you. The Power of the Lord is falling upon you. Everything is going to function. All the people in your house are going to come to know Christ.

The Lord is going to bless everyone. Hallelujah!

I believe I have given a word to everyone. The Lord is going to bring the breakthrough. And, God is going to bring the peace, power, fire and things are going smoothly. You will never see the Egyptians again in your life. I see the fan is working means something is going to move. What has been stagnant in your life is going to move. I see the paper flying, the visas shall be sealed. I see it is a confirmation for all the promises you have heard for so far. It is going to be sealed.

So, the power and fire and I see polish. That means it will be smooth. And, I see the building that signifies the completion. It is going to be complete. For what you are called for is going to be complete in this season. For a long time people do not know your calling. Everyone I am telling. People do not know what you are called, people do not know your calling. But now people are knowing little by little about you. But I tell you, this is the season, in this season, that means in this week, in this month, the people will come to know. How many of you accept this and receive this? That means your calling the Lord will expose will make it know your calling. Maybe you are a doctor, or you are a professional, or a minister of the Lord, but the world is going to know what you are. In this week, in this month the Lord is going to make it known what you and it depends upon your faith. So what you are called for the world is going to see.

So may God bless everyone in Jesus name. Amen.

DAILY PROPHECIES

DAY 19

JESUS SAID TO HIM, "RISE, TAKE UP YOUR BED AND WALK."

JOHN 5:8 NKJV

Praise the Lord,

Maybe God has a plan and I welcome everyone. May God speak into your life. I hear for a sister, "there will be sudden improvement in your life. And the turnover is coming, and you are called to minister," says the Lord. The Lord is going to do greater things in your life. Hallelujah! In the name of Jesus.

This is all a test I think. I think you can hear very well now. I thank God for your patience. But the Lord will reward you for your patience.

Pastor I hear the word, "Celebration is coming into your house." And I see a boldness, God is giving you a boldness. And, God is going to make a change in your seat. "So do not be upset." Says the Lord.

Sister the Lord will speak to you. Tonight the Lord will speak to you. Sometimes it will be speak to you and it will be hidden.

The prophetic word for today is from the Book of John Chapter 5 verse 8, it says, "Rise, take up your bed and walk." This is the prophetic word so rise. So wherever you are in this situation you are rise, wake up and walk. So this is going to activate in your life. I believe this is going to activate in your lives. So everyone receive this prophetic word that your life is coming to change. Maybe sometimes things are not going smoothly, but God is telling I am going to bless your financial area. I am going to visit your church. The Lord is telling I am going to visit your house. Your family set up is going to change. There is a sister that promotion is coming in your ministry. I also hear, "You will have the birthright." Sister somebody is questioning the birthright and you will have the birthright. I hear the word so.

So God is going to position everyone. The prophetic word is I have spoken for you from the book of John 5:8, rise and take up you bed and walk. This is the time to rise take up your bed and walk. DAILY PROPHECIES

DAY 20

HE SHALL BE LIKE A TREE PLANTED BY THE [A]RIVERS OF WATER, THAT BRINGS FORTH ITS FRUIT IN ITS SEASON, WHOSE LEAF ALSO SHALL NOT WITHER; AND WHATEVER HE DOES SHALL PROSPER.

PSALM 1:3

Praise the Lord,

Praise the Lord! Greetings to everyone and welcome to daily prophecies. I thank God in the name of Jesus for giving me an opportunity to be with you today at this time. Hallelujah! So God is going to bless everyone. God is going to speak into your lives. So God is testing us and we have to pass the test. Everyday there will be some kind of test. So today the Lord is going to speak. The Lord is going to speak right now in the name of Jesus. Hallelujah!

Today the Lord will speak to you, I have a prophetic word to share with you Sister the enemy won't stand against you. The enemy means it may be a person or maybe someone who is related to you. Maybe your financial area or ministry. But I tell you they will stand before you. I see the enemy running and you are going to get the seat in the church. This is what I hear. There are and may be many rivals, but the Lord has chosen you. So, the Lord is going to bless you. The Lord is giving you more tolerance in these days. The Lord is going to give you more tolerance. The Glory of the Lord is going to come in your house and in your family.

I am seeing the gates are opened up for you sister. Your children will settle and be established. There is a pastor reading and the Lord is sharpening you for a powerful vessel. And increase in knowledge and in power coming to you I see. I see the extension. The extension for the finances in the church building will be working. Hallelujah!

The peace! The Lord is giving you peace sister. And, I hear settle down do not be upset. You will have the children. I hear the word. Those who have neglected you will come before you.

There is another sister reading, The peace and grace and I see financial breakthrough. I sense you are going through many things that are in your family. But the Lord is going to bless your children. I see the Lord has a great plan in your life. The Lord is giving you more tolerance in these

DAILY PROPHECIES

days. And, I hear the word more intense in the Holy Spirit. In the power of the Holy Spirit, I hear the word, "Specific gravity." That means it is related to your ministry.

There is a sister reading that I see is being chased by the enemy, but the enemy can't come near you because there is a wall of fire around you. All the witchcraft, all the demonic attacks against you the power of God is

coming upon you and breaking the chains. And, you are

coming out of the pit. I see you settled in green land. Green land means where there is blessings of milk and honey flowing.

An apostle is reading and there is going to be a financial breakthrough. And, many doors are opening for you. In one are I see you are a little tense, but the Lord is telling that He has seen everything. And, you will come out of all your situations. And, you will overcome the battle. This is what I hear. You will overcome the battle.

Pastor I see a financial breakthrough and stability. More connections are coming to your ministry I see. People around the place you are staying are also coming. And I hear, "Celebration in your life!"

The power of the Lord will come up you! And bring changes and the depth you are going to see the depth I hear. You shall see the revelation in depth. You are called for the ministry.

I am thankful for your patience. This is a prophetic word and it is if everything goes perfect we can not be humbled. So there will be defect in some area because we can be humble at that time. How many of you believe?

So when something goes wrong in your life. It means you have to praise God, because when you are humble God will be happy. When you are proud God won't be happy. That is what I have experienced in my life. When we are sad God will be happy. How many of your believe? When we are sad God will be happy, but when we are proud God won't be happy with us. So when something is not going well do not murmur or complain. Just praise God. When anything is not going perfectly, you are going into the next level. How many of you believe. You are going into the next level. So I believe.

Breathing problem healed. The lung infection, chest infection, breathing problem healed.

DAILY PROPHECIES

I hear, "Lion of the Judah." Hallelujah! The Lord is giving you the shepherd staff. You are a shepherd that means you are a pastor. The Lord is giving you a shepherd coat. Hallelujah!

Welcome everyone! I have the prophetic word and this prophetic word is for everyone. Psalm 1:3 says, He shall be like a tree Planted by the rivers of water, That brings

forth its fruit in its season, Whose leaf also shall not wither;

And whatever he does shall prosper. This is the prophetic word for everyone. You are like a tree that is planted by the rivers of water. You will never become weary. You will never become tired. You will always be fresh. Every-time you will be refreshed as if you had just came out of a bath. When you take a bath you will be fresh always. Likewise, you will be every-time refreshed! That means the trees by the banks are like that. Every-time they are refreshed.

Likewise, listen, this word has power. So when you go through many things your will be refreshed. Every-time you will be refreshed. When you go through many financial or family problems you will be refreshed. That is the power of the word. Blessed is the man or the woman, you are a bother, you are a sister this is the prophetic word. You are like a tree that is planted by the rivers of water. So every-time you are fresh. No tiredness. Even when you are working hard, you won't get tired, because you are near the bank of waters. So, every time there will be refreshing.

The Holy Spirit will revive you. Every time! So, I tell you, whose leaves shall not wither. That means the enemy tired to depress you. You won't get depressed. The enemy is sad. You won't become sad. And, whatever he does shall prosper. This is the prophetic word so receive this prophetic word. The Lord is telling you are blessed. Sister, the Lord is telling you are blessed. I sense you also have a sister and she is also going to get engaged. I hear the word so.

And, I hear for you Pastor, "the church is established." I hear the word, "the church is established." I hear the word, "Sudden breakthrough." And what you were praying there will be. I see a well and there will be water. It signifies the Lord is giving you Holy Spirit in these days. The ministry is enlarged. I hear the word that those who are away from the ministry they are going to be in your ministry. Some left, but they will come back. They will come to know

DAILY PROPHECIES

that your position is right. So some have left you, but they will come back and you should not go after them. I see your ministry is established. Also, I hear the word, "Paradise." A visitation to Heaven and the angels shall visit also. So you will also visit Heaven, I hear the word so Hallelujah!

I hear the word, "Collaboration." Collaboration means some kind of mingling. International connections coming to you. I hear the word collaboration with international ministries. That means maybe you have a ministry now or you are doing ministry now in a little area, but I hear the word that your ministry will have collaboration with international ministries. And you will settle in the land of pilgrimage. You will settle in Israel. This is the time of breakthrough. Those who are against you shall come in peace with you. Promotion! Hallelujah!

I see the Glory upon your tent Pastor! Enlargement in the boundaries and financial area. And, the enemies cannot stand against you. The key word that is the prophetic word is that I heard that you are like a tree planted by the river and you won't get weary and whatever you do shall prosper. This is the prophetic word for everyone.

I hear what the Lord is saying, the Lord is going to increase the power in you. I see the light shining from these daily prophecies. Light that is coming out like a lighthouse. Likewise, through these daily prophecies the light is shining upon everyone. That means you are going to have an increase in your prophetic realm. And you are going to speak prophecies too many. And when you open your mouth. The Lord is now saying, "Peace in you and finance to you!" The Lord is speaking to you! What the Lord is speaking to me I am now sharing with you right now. Every person who is reading now.

And, more members are coming to you in your ministry in your church. The power in you is going to explode. The your neighbours and relatives are going to see and come to know that you are blessed by God YHVH. An increase in favour. And I see the epidemic will not touch you. And breakthrough the mountains are collapsed and the roads are now smooth.

DAILY PROPHECIES

DAY 21

JESUS SAID TO HIM, "RISE, TAKE UP YOUR BED AND WALK."

JOHN 5:8 NKJV

Praise the Lord,

Maybe God has a plan and I welcome everyone. May God speak into your life. I hear for a sister, "there will be sudden improvement in your life. And the turnover is coming, and you are called to minister," says the Lord. The Lord is going to do greater things in your life. Hallelujah! In the name of Jesus.

This is all a test I think. I think you can hear very well now. I thank God for your patience. But the Lord will reward you for your patience.

Pastor I hear the word, "Celebration is coming into your house." And I see a boldness, God is giving you a boldness. And, God is going to make a change in your seat. "So do not be upset." Says the Lord.

Sister the Lord will speak to you. Tonight the Lord will speak to you. Sometimes it will be speak to you and it will be hidden.

The prophetic word for today is from the Book of John Chapter 5 verse 8, it says, "Rise, take up your bed and walk." This is the prophetic word so rise. So wherever you are in this situation you are rise, wake up and walk. So this is going to activate in your life. I believe this is going to activate in your lives. So everyone receive this prophetic word that your life is coming to change. Maybe sometimes things are not going smoothly, but God is telling I am going to bless your financial area. I am going to visit your church. The Lord is telling I am going to visit your house. Your family set up is going to change. And, the power of the Lord is going to come upon you and you will give a breakthrough in your life.

The position is going to change. To everyone I am saying, the marriage ceremony is coming! The breakdown is over. And, everything will be going over and the Lord is giving you wisdom. The Lord is going to extend your boundaries. More things you are going to see in these days. More power you are going to see in these days.

DAILY PROPHECIES

I see the financial blessing is coming upon you and enlargement in the ministry. The thyroid is healed. Promotion in the family! All the negative things are moved and breakthrough in the office.

To a sister reading, the general things will come to your favour. And more grace and the anointing is coming upon you. Hallelujah!

There is another sister reading, you will put the signature in the right place. So welcome everyone! The Lord is going to bless everyone! So, the Lord is going to speak into your life. God is bringing great plans into your lives.

There is a sister that promotion is coming in your ministry. I also hear, "You will have the birthright." Sister somebody is questioning the birthright and you will have the birthright. I hear the word so.

So God is going to position everyone. The prophetic word is I have spoken for you from the book of John 5:8, rise and take up you bed and walk. This is the time to rise take up your bed and walk. So in the condition you are rise! Wake up and Go! And, you will see greater things. And, the Lord is positioning you and enlargement in the boundaries.

So, I see one thing that is impossible in your life. God is going to do greater things. God is going to settle you in the land near the city. The provisions I see and it is green. DAILY PROPHECIES

DAY 22

THEN GOD REMEMBERED NOAH, AND EVERY LIVING THING AND ALL THE ANIMALS THAT WERE WITH HIM IN THE ARK. AND GOD MADE A WIND TO PASS OVER THE EARTH AND THE WATERS SUBSIDED.

GENESIS 8:1

Praise the Lord,

Praise the Lord! Greetings to everyone! May God bless everyone! I am going to speak into your lives. I thank God in the name of Jesus for giving me the opportunity to minister to you. I am humble and thankful for all the brothers and sisters those who are reading. Welcome to Daily Prophecies.

Today God is going to speak into your lives. God has a great plan in your life. A sister is reading and I hear the word, the enemy cannot stand before you, because your God is greater. The God who you are worshipping is great. So God is going to do greater things in your life. Hallelujah! God is going to do great things in your life!

Unto another sister the Lord is telling you do not lack provision. And, financial area settled. Peace in you and breakthrough. You will sit in the honourable seat this is what I hear. God is going to bless you and touch your life. The enemy cannot overcome you because you are in God's hand. And, you will give the money at the right time.

Pastor there will be sudden change in your life. Get the court ready! The Lord is going to have travel. You are called to minister. Play the keyboard and sing the song in the name of Jesus.

I have a prophetic word that will give you a deliverance. It is in the Book of Genesis Chapter 8 verse 1, it says, Then God remembered Noah, and every living thing, and all the animals that were with him in the ark. And God made a wind to pass over the earth, and the waters subsided.

This is the prophetic word and then God remembered Noah and everything that was in the Ark and a wind to pass over the earth and the waters subsided. Maybe you are in a situation where nobody is there to help you. You know the water level was rising up during the time of

DAILY PROPHECIES

Noah. And actually he built the Ark, but when the water level was rising he became frightened. So it says, God remembered him. When the water level was beginning to rise he became afraid, but the word says, God remembered Noah. And He made the wind to blow over the surface of water and the water subsided.

So today there is a sister I see that the wind is blowing over your family. The wind, the devil is taking away the hand from your family. If you believe, the wind is blowing, the wind is blowing over your family. And the enemy is running away. I see the hand of the enemy over your family. I see three members of your family effected by the devil's attack – the witchcraft. And the Lord is making a wind blow over your family. And, it actually affected the financial area. So today there will be a deliverance in your financial area. God is making a wind blow over your family it is going to happen. It is going to happen in the name of Jesus.

There is a sister reading now the Lord is saying, "I will make you prosperous. I will make you settle in the land of Canaan." This is what I hear.

Now a word to a prophetess reading, you are called to minister, take a fast. Take a fast. I sense you are in the wilderness. But, the Lord is telling me, "Take a fast and you will come out of the wilderness." I also, hear, "the honour is coming and the settlement." There is a celebration coming in your life! It is time for you to come out. It is an Exodus for you. You are coming out and the grace of the Lord is upon you. I see promotion in the church where you are I hear, the pastor/bishop is giving you a promotion. So you will be a leader of the group, I hear so. I also sense you are also in the music. You were in the choir, maybe before you were in the choir. The Lord will give song to your mouth and you will sing for the Lord. Hallelujah!

There is a sister I see the Power of the Lord is coming upon now. The Lord is pushing you and He will also be with you. He will also help you. I sense from your mother's side a brother's cousin. He will also help you in the ministry. And, you will build the house. The finance will be given to you to build the house. There is something irritating in your mind sister, the Lord is erasing everything. You are going to speak fluently. The Power of the Lord will come and make things honourable. So, I see the Lord is going to lift you in your church.

DAILY PROPHECIES

So this is the prophetic word that I am sharing with you. The water level, you know Noah built the ARC, but when it rained for 40 days and 40 nights, the level of water began to rise. And, Noah was frightened, but the word is saying, but God remembered Noah. Today, God is going to remember you. Maybe you have been praying for a long time. You need a deliverance. You need a deliverance in the financial area, in the family area, in

the health area. You need a deliverance and you have been praying for many years. But, today, Genesis 8:1, it says, today, God is going to remember you. And, you might be thinking of how you will come out, but God is going to make a wind blow. Those who are in need of finance, the Lord is going to speak to the kings. How many of you believe? Those who are in need of finances for those who rely only on God. Those who not rely on the people, but those who rely completely on God the Lord is going to speak unto the kings. The wind is going to blow over your area where you need a deliverance. Hallelujah!

The majority of the people in your area will be coming to your church. Pastor, the Lord will make your church established. Hallelujah! You have to mediate that word from Genesis 8:1. God remembered Noah and the wind began to blow. When the power comes in your life, I see a healing over your body in your skin. The Lord is releasing the fire and the infection is healed. In Jesus name. Hallelujah!

There is a sister reading that I hear the word, “you are going to put the signature on the document.” And, I also, see a ring. It is the ring of honour. A promotion in your life. I see the ring of honour coming to you and a blessing in the financial area. In the name of Jesus.

So the Lord is going to speak to everyone. An increase in knowledge for a Pastor reading now. The favour of the Lord is upon you. Hallelujah! In the name of Jesus. A new generation will come to your church. Many nations coming to your ministry to your project.

This is the prophetic word that God is going to make a wind blow in the area where it is stagnant, no movement Those who are in the ministry God is going to make a way. You are going to be established by one blink of an eye. The world will come to you. The world will come to know you are established by one night. Maybe it is night here, but by morning the world will come to know that you are established. Maybe it is day, after one night, the next day the

DAILY PROPHECIES

world will come to know you are established, because the Lord has made a wind to blow. This is the key word, God remembered. God remembered every person those who are reading and He made a wind to blow. The book of Genesis Chapter 8:1, that word has power and it is going to activate in the financial area where the funds are held God is going to make a wind blow.

In the families, where there is no peace and people are not saved. Maybe the husband is saved, or maybe the wife is saved, but the other members are not saved. But today the Lord is going to make a wind blow and it is going to explode. By tomorrow morning, by the next day you are going to be established. Because the wind is blowing. How many of you can hear the wind? It is coming from God YHVH. Hallelujah! The winds are controlled by the angels. They are guiding the direction and they are coming to you. The wind is coming to you into your house, into your ministry, into your business bank account, into your relationships. The wind is blowing.

So there will be a breakthrough for everyone! So that is going to happen for everyone! I am humbled. I am thankful for all who are reading. So today for those who believe, your address is going to change for those who believe. I am thankful for everyone reading and let me hear the testimony!

God bless you in Jesus name. Amen.

DAILY PROPHECIES

DAY 23

**SO THE LORD SCATTERED THEM ABROAD
FROM THERE OVER THE FACE OF ALL THE
EARTH AND THEY CEASED BUILDING THE CITY.**

GENESIS 11:8 NKJV

Praise the Lord,

Praise the Lord! Greetings to everyone! May God bless everyone welcome to daily prophecies. I thank God for giving me an opportunity to be with you today. So God is going to speak to everyone. Apostle this is for you, More grace and the doors are opening for you in many countries, I hear the word so. More tolerance, Bod is giving you more tolerance in these days, I hear the word. So God has a great plan in your life and it will come to be revealed in these days.

I sense a sister is in a junction at this time and you need a financial breakthrough at this time. The Lord is promising that you will be protected from the pandemic. You will be protected from the pandemic and the Lord has great plans so you should not be worried, says the Lord. Hallelujah!

I hear the word, “the marriage in your house coming very soon,” I hear the word so for a sister reading. The marriage in your house is coming very soon. And, also the Lord is giving you a breakthrough in every area of your life, especially in the financial area. I see like that. The financial area I see a breakthrough. Hallelujah!

Improvement in health, the Lord is healing your stomach. This is what I hear. And, improvement in your health. Healing in your stomash. Hallelujah! Yes, for another sister reading now. Welcome everyone – God is going to speak. Pastor the peace is in you and more grace. And the church members will also be happy that you are there.

So God is going to speak to you and I have a prophetic word today in this daily prophecies. That is when you read the book of Genesis 11 you can see the people began to build a tall tower. They wanted that tower to reach the Heavens so God found that they were against the agenda of God. So what God did was He scattered them. We find in the eighth verse that the Lord came down to see the tower. And in the eight verse we read, again from Genesis 11:8, So the LORD scattered them abroad from there over the face of all the earth, and they ceased building the city.

DAILY PROPHECIES

So this is the key word, So today the Lord told me that if anyone was having any conspiracy against you. If anyone is planning anything that is bringing something against you. The Lord is going to bring confusion among your enemies and they will be scattered. They will be scattered and you won't see them again.

Maybe you are worried, Maybe you are worried about someone, but the Lord will bring confusion in them.

The Lord will scatter them. So this is the word when I was in my prayer room God told me to share with you all. If you think that somebody is following you. If you think that someone is making you worried. But if you are right before God. If you are right before God, the Lord will do one thing for you. That He will bring confusion and He will scatter them. And, you will never see them. This is the word.

There is a sister reading to whom the Lord is bringing confusion to your enemies and scattering them. I sense your own people are against you. Your own people mean your relatives are against you. So the Lord is bringing confusion among them and they will be scattered. And you will have peace of mind. Hallelujah!

Another sister, the Lord is loosening the knot of your tongue and you will speak boldly. I sense you are alone, I sense so. You are separated and the Lord is going to honour you. Hallelujah!

The Lord is going to bring confusion. You are called to minister. When the power of God comes upon your life the things will come smoother. So this is the prophetic word.

So, this is the prophetic word today from Genesis 11:8, God scattered them that tried to build the tower that would reach to Heaven. So, likewise, the enemy who is trying to come against you or the person who is irritating you. I sense somebody reading right now is irritated by somebody else. Somebody's presence is irritating you. Somebody has told something against you. And that is making you tense and irritated. Maybe the same family members, but the Lord will keep their mouths silent. The Lord will keep their mouth silent.

A sister reading I hear the word, the dispute regarding the property is going to be ceased and it is settled. The dispute regarding the property is coming to case it is settled. Hallelujah.

So this is the word I received in my prayer room and God told me to share with you all. Then

DAILY PROPHECIES

if you are thinking that someone is following you. If you are thinking someone is making you worried. But if you are right before God the Lord will do one thing for you and He will bring confusion and He will scatter them. And you will never see them. This is the Word.

The Lord is bringing confusion among your enemies and scattering them. I sense your own people are against you.

Your own people means your relatives and the Lord is bringing confusion among them and they will be scattered and you will have peace of mind. Hallelujah! The Lord is loosening the knot on your tongue and you will speak boldly. The Lord is going to honour you.

Hallelujah! The Lord is going to bring confusion. You are called to minister and when the power of the Lord comes upon your life things will come smoother. So this is the prophetic word – Genesis 11:8 is that God scattered those who tried to build a tower to reach to Heaven. And, likewise, the enemy who is coming against you or the person who is irritating you. The Lord will keep their mouth silent. There will be more things that God will reveal in these days. Hallelujah! I see like that in the name of Jesus.

I can see the flights going for a sister. Sires are going to happen Your heart desires are going to be fulfilled. Hallelujah! Pastor sudden breakthrough and increase in knowledge and financial breakthrough. And, settlement in properties, I hear so.

Hallelujah! Sister, the mountains that stand before you especially in the health. I see difficulty to walk. The Lord is healing you. The Lord is healing the right leg. And the Lord is blessing you with the family settlement. I sense the Lord's favour is upon you. Spend the time in prayer and greater things you will see. More Grace! Hallelujah! In the name of Jesus.

So today the prophetic word is that if you are afraid of anything. Maybe you are afraid of something, And, that is something that will happen in everyone's life. If you are afraid of someone coming to you and you don't like that person and you don't like that person to come to you. So you are thinking that person will come, but today the Lord is going to put confusion in their mind. And they won't come and they won't be against you. Because the Lord is going to bring confusion to them. As He scattered the people around the world. Likewise, you will never see them.

DAILY PROPHECIES

Some People speaking against your church. Pastor, they will be silent. The Lord will keep them silent. The Lord will bring confusion in their minds. So, the Lord is going to bless everyone. More Grace! More Holy Spirit! So, the power of God is going to come upon everyone. Holy Spirit is coming upon everyone and giving a breakthrough to everyone. Breaking the chains. Increasing in Financial area. The properties are coming

in your name. Sudden breakthrough and improvement in health. Receive the healing in the name of Jesus. You are going to sign the contract. You are going to enter into the agreement. You are going to the nations. I see the Lord's wall of fire is around you. So many people will be against you, but the Lord is greater than everyone. So the Lord will scatter them and those people who are taking the peace from you. You will never see them, because today the Lord is releasing His power upon such people and they will be scattered.

I see the flights coming and I see the flights going. I see standing in the pulpit. So everyone can receive this prophetic word that I see you standing in the pulpit. When you stand in the pulpit the power of God will come and break the chains and heal the people. I see the angels released. The angels are now coming to assist you. To bring you help. More power and more Holy Spirit. The Lord is going to bring greater things. The doors are opening up for you. The Lord is giving you a key to a new house. Somebody is looking for a house. The Lord is telling me the key is given to you for a new house. Somebody is looking for a car. The key is given to you to get a car. Right now the anointing is coming upon everyone. And giving a breakthrough! A breakthrough is coming in everyone's life.

So today, maybe there is somebody in your house against you. But he is coming to know Christ. So everything is dissolved and you are promoted. I see, you are raised into the next level. So God is going to bring a breakthrough to everyone. In the name of Jesus. Hallelujah!

So, I am thankful to everyone! Today the Lord will lift you up! I am humbled. May God bless everyone. In Jesus name. Amen. Hallelujah!

DAILY PROPHECIES

DAY 24

Praise the Lord,

Greetings to everyone. Welcome to Daily Prophecies. Today the Lord is going to speak into your life. I thank God in the name of Jesus for giving me an opportunity to minister here.

The peace and grace and healing over your skin sister, I hear the word, “the peace, grace and healing over your skin.” Financial breakthrough coming! I see you going away from your home related to a job, I see like that for another sister reading. Brother, peace and more grace and you will settle in the land of Israel. I hear the Word so. The Power of the God is in you and you will get the share from your family sister.

Welcome to daily prophecies today, I am thankful to all who are reading. Today, God is going to speak into your life. So, the prophetic word today that God has given me to share at this moment it is from the Book of Job, Chapter 42 the tenth verse, it says, And the LORD restored Job’s losses when he prayed for his friends. Indeed the LORD gave Job twice as much as he had before. This is the prophetic word that the Lord is going to restore you. When he prayed for his friends the Lord restored the double of what he had.

So that is the word today for those reading and saying when God was moulding me in the wilderness; when God was training me in the wilderness I could not earn much and I had many losses. So everyone who are obedient to the Word of God when God called you He is going to give you the double of what you’ve lost in these days and years. The Lord is going to give you double.

This is the prophetic word the Book of Job 42:10, God restored double to what he had lost. So God is going to give you double.

There is a pastor reading, there’s a pain in your heart connected with the church ministry. The Lord is telling this is only a test for you to go into the next level. Because when you are well trained you can face more problems than what you are facing right now. Hallelujah! So God is going to bless everyone. And doors are opening and fight will cease. The struggle in your mind, in your heart, in your body will cease, because you have pass the test. And, I see the

DAILY PROPHECIES

restoration in double fold.

To everyone I am saying, receive the power of God and you are going to see greater things in your life. Your life is going to change. Everything is going to change. More things are going to come in your life. So, “do not be afraid.” Says the Lord. “Do not be afraid, I am in you,” says the Lord.

The Lord has seen and the finances are opening up for you. The enemy cannot enter your premises. The enemy can't come into your church, because there is a wall of fire. Today the Lord is telling you will get a double portion for what you have lost. You will overcome this battle. God has kept and helped you just likewise, this time also. The enemy will be scattered and you will be restored. This is the word for today. What you are struggling with at this time with many losses, I see many losses and you have not earned much you did not get anything more. But today the Lord is telling I am going to restore you. Hallelujah!

So breakthrough! A sister is reading and I see you going through a life like in a jungle. Jungle means you do not know which way to go out, but today the Lord is releasing the power and it will give you a breakthrough. And, you will come out of your place and I see the Holy Spirit. The fountain of water upon you. And it will breakthrough. And there will be enough provision for you I hear. I hear, “tasty food.” In the name of Jesus. Hallelujah!

There is a brother who is worried about a house I hear. I sense you are worried about your house construction. The Lord is providing finance for it. You will purchase the land. It will come in your name brother. In the name of Jesus.

Sister, the grace and glory of the Lord is on you! Many, many small worries you have in your mind, in your heart that is irritating you related to a family issue. The Lord is blessing you and will give you peace.

The Lord is functioning in you. The Lord is giving you Holy Spirit and you are going to breathe in fullness. It is almost completed for a sister. I hear the word, “it is almost completed.”

Pastor whatever you are doing that position is changed. And, you are going into the next level. The enemy is trying to chase you, but you will overcome the enemy. This is what I see and God has great plans in your life.

DAILY PROPHECIES

Sister, peace and settlement that means family settlement. Many things are hidden, sister what I hear I am writing, many things are hidden and you do not also know what will happen next. But the Lord is telling there is a bridge to cross. You will cross over with peace and get the house. You will get the provision. And the relatives will come. Hallelujah! In the name of Jesus.

Sister, very soon you will have a journey and travel and find a job and the door is opening up for you. Hallelujah! In the name of Jesus.

Another sister reading, the Lord is touching your lips. And, you will speak for the Lord. The Lord is touching your tongue and you are going to speak the language which you have never heard. And, I hear the settlement and purchase of land. And, I see fingers, the Lord will mould you. Hallelujah! In the name of Jesus.

So the Lord is going to give breakthrough to everyone. Settlement! Financial breakthrough! Hallelujah! Before you have been seeking for a deliverance to know the will of God for a long time, but today the Lord is telling I will give you the land where you have never even dreamed for and there will be a passage for the car to go to go on the land. The land is the place where the car can have access. Hallelujah!

The Lord is splitting the ways and making greater things in your life. To everyone I am saying, the finance is opening for you. The church is building and God is going to extend your boundaries. I hear, the word, "restoration."

And the prophetic word is the Book of Job 42:10 says, God restored Job everything of what he lost. So, today is the day of restoration. The double of what you lost you are going to possess the land. And, you are going to speak fluently. And, the finance is going to open up for you. You will overcome the enemy. No more worries. No more pains. Whatever you are carrying at this moment. God is telling it is just an experiment. It is a testing. Whether you are sincere and able to handle many more cases. So, the problem comes, but the Lord is saying, it won't affect you. You will overcome it. And, I see increase in knowledge and the doors opening. The church opening, the branch opening, the business branch starting. And, promotion, greater job in the job section.

DAILY PROPHECIES

So you will travel to many nations and you will see many great things in your life. The Lord is going to invest many great things in your life. Do not look back, look forward! There shall be an increase, more tolerance. The fire of the Lord is upon you and breaking the chains. And, I see settlement. So nobody can stand before you because there is more grace. And, you are going to settle in the land where milk and honey are flowing. And, another

land you will also purchase. Not one land, but you will purchase one more land. Many more things are going to happen.

So today the Lord is going to give a breakthrough to everyone. It is a test! It is for you to have the greater anointing in you. In these days you will see the greater anointing. Hallelujah! God is going to extend the boundaries of everyone. Financial breakthrough.

The Lord is going to bless everyone in your house! The peace is in you. Financial breakthrough is coming. And the glory of the Lord is upon you. You will build the church. You will have the house. And, you will have the house for rent. And, I see you moving to the nations. And, the vacancy is filled. And, you will do greater things. The grace is coming! The light is coming! And, you will see a greater thing in your life. So more grace! Hallelujah! In the name of Jesus.

I thank God in the name of Jesus for you reading! I see the torch in your hand and the fire in your hand. That will bring a breakthrough. I see the fire and because I see the Lord is going to bless you in your house and in your church also! The peace and financial blessing! Promotion is coming for you!

God is going to bless everyone of you! And, I see breakthrough to everyone of your lives. So the prophetic word that was shared with you was from the Book of Job 42:10 to bring restoration in what you have lost. So God is going to touch you. I tell you that you cannot learn much when you are in the wilderness, but today God is telling, He is going to give you restoration in double fold. The prophetic word is from Job 42:10 for everyone. So God is going to establish everyone.

I thank God in the name of Jesus for giving me the opportunity to minister here. Amen.

Greetings to everyone. I thank God in the name Jesus for giving me this opportunity to minister here. Also,

I am humbled and thankful to all brothers and sisters who are reading. God is going to speak into your life. To everyone God has a word so the Lord has given me a prophetic word.

Brother, the peace and increase in knowledge. The vacancy is going to be filled. And very soon you will be attached, I hear the word so. Apostle, the financial breakthrough I hear. Settlements in many cases and a major shift is happening. Hallelujah! And, you will overcome all the issues. All the cases you will overcome. Sister, more tolerance! The epidemic won't touch you. You and your family will be protected. The grace of the Lord is upon you in the name of Jesus. The Lord is going to speak into your life. Hallelujah!

So, God has great things in your life! So, today the Lord is going to bless everyone!

Sister, More grace and tolerance! Soon you will see the manifestation of the Spirit in you! The Lord will take you into the next level. I hear the word so. Hallelujah! In the name of Jesus.

Pastor, Sudden growth, I hear. The Lord will make you grow in the ministry. And, also, in connections. The Lord is going to do greater things in your life.

Sister, improvement in your life. There will be an improvement in your life. Financial breakthrough I hear. The Glory will be revealed in you. And, I hear the fungus healed and the skin related to that disease healed. In the name of Jesus. Hallelujah!

The Lord is going to speak to everyone. So in the time the Lord will speak to everyone. I have a word that is from the Book of Psalm 103 the third verse. This is the prophetic word and this verse will bring you deliverance. This word will bring you changes and will bless you.

Let's read that, Psalm 103:3 says, Who forgives all your iniquities, Who heals all your diseases, So this is the prophetic word to everyone. So God is going to forgive all the iniquities that you've had from the childhood onwards. Till this time if you've had any iniquity God is going

DAILY PROPHECIES

to forgive it. That is what the Word is saying. Also, He is the Lord who heals all diseases. So whoever received this word right now in the name of Jesus every disease on or in your body is healed right now. Every pain in your body is healed right now in the name of Jesus. Every disease connected to the skin, connected to your eyes, connected to your lungs, connected to your chest, every disease, every leg pain, every cancer, every

tumour, every disease that is on the body right now is healed in the name of Jesus by this word. So receive this healing in the name of Jesus. The infection is healed. The sinusitis is healed. The fungus is healed. The skin disease is healed. The Covid19 is healed. Everyone is receiving the healing in the name of Jesus.

Promotion is coming to everyone. I see everything set aside the court cases set aside and the doors are opening into the next level. So you are going to see the things which you have never seen in your life, because the Lord is going to give a promotion to you and your children inhabit in the land which the Lord is going to give. The Lord is going to give your children a greater blessing that you have never seen.

I see the power of the Lord is released right now. The Lord is going to speak into your life. You will see many things coming negative, but you will overcome everything. Because the Lord is with you. He will fight the battle for you. He will protect you. I see the angels coming and protecting everyone in the name of Jesus. Hallelujah!

So that is the word to everyone. This is the prophetic word that He forgives all the iniquities, maybe yesterday, last week, if there is iniquity. If there is any sin in you the Lord is going to forgive by this word. And, also, He is going to heal everyone. Every pain. Every Covid19. Every infection. Every headache. You will never have a headache again. You will never have sinusitis. You are healed in the name of Jesus.

Sister, I see a promotion and wedding is coming. You will be blessed by the Lord. I see the Glory is on your tent. I hear the Glory of the Lord is upon your tent. Upon your tent means, upon your church. In the church you are going the Glory of the Lord is upon your church. And, you are in the pulpit. And, you will spread to the nations and I see the child will grow. He will grow strong in spirit this is what I hear. The child will grow in the spirit. Hallelujah!

DAILY PROPHECIES

Long term loans pastor I hear if you have applied for some loans the Lord is going to sanction it. I hear the word so. Hallelujah! In the name of Jesus.

Sister, you are going to enter into a new contract. You are entering in a new contract. I see you signing the contract. And, the speed is increasing. The Lord is telling me one thing that you are longing to see something coming in your life. And, your heart desire is going to be fulfilled.

Sister, I see a vision, when you look you see others blessed. So the Lord has found favour in you and the Lord is going to bless you. I hear children, many children. In the name of Jesus.

The position will be coming very soon. I see the honour. Sister, the church where you are going now is going to honour you. They will come to know the grace that is in you. Hallelujah! Everyone I am telling, the Lord is going to give a healing to everyone. Every bone pain, every arthritis healed in the name of Jesus. So the enemy cannot overtake you because you are in the Lord's hand. I see many doors are opening for the nations. Suddenly there will be an invitation call coming and you are invited to minister there in the pulpit. And, you are one of the main speakers and the Lord will honour you. And, the finance is provided for the journey. Everything will come at the right time.

Sister, I see position is changing. What has been old is going to come out. Everyone has said, this is old, but God is going to use it as fresh in this time. Hallelujah! The enemy is throwing the weapon against you, but the Lord is protecting you. There is a wall of fire around you and I see the angel with shield. Healing is coming upon you right now. In the name of Jesus.

The Lord is going to bless your boundaries I see. In the name of Jesus. Spend your time in prayer. And, I will bless you with the latter and the former rain. This is what the Lord is saying. In the name of Jesus.

So the Lord is going to make a shift for everyone. How many of you believe? This is the common prophetic word, everyone reading, the Lord is telling a shift is coming. A shift means, the place where you are staying is going to change.

The book that you are going to write, you are going to write other book also. You are going to minister in other platforms. Outside your countries. So there will be a shift coming to everyone.

DAILY PROPHECIES

How many of you believe? It depends upon your faith. It is going to happen. The Lord has blessed you.

So the Lord is going to bless everyone and make everyone a blessing to others. Not only are you blessed, but you are going to be a blessing to others. The old one is removed and the new one is going to be fixed. And everyone will enter into the time of blessing, because the

Lord is pouring the power in greater intensity. And, when you open your mouth you will speak prophesy. When you open your eyes you will see visions. When you close your eyes you will see the visions with much clarity. And, when you open your inner ears you will hear the audible voice of God. So God is going to take you to the third Heaven. How many of you believe? Into the third Heaven you will have a visitation. You will see the angels. There will be an angelic ministry in your life. And the Lord is going to bless everyone.

So today this is the prophetic word that the Lord has given to me to share with you. It is that you won't have any disease. If anyone is having any disease right now it is healed. Psalm 103 the third verse, it says, Bless the Lord who forgives all iniquities, so every iniquity is forgiven at this time. So in the last hours, maybe there was something that kept you away from God. The Lord has forgiven it and a fresh anointing is coming. A refreshment and a fresh anointing!

Somebody is worrying about what will happen tomorrow, what will happen next week. Somebody is worrying and the Lord is telling everything will go smooth. You won't be afraid. I tell you the Lord will protect you. The anointing of the Lord is upon you when you go out and the fear of the Lord will be on you and they will be afraid. This is the word for you. It is the anointing. The Lord is going to bless you. Every infection healed.

And the Lord is going to give a promotion to everyone! In the name of Jesus. So I am thankful to everyone all brothers and sisters reading. So today this is the prophetic word. He is forgiving all iniquities and He's healing all diseases. So meditate that word from Psalm 103:3. Bless the Lord He is healing all diseases. Every disease.

So God is going to bless you in every area of your life. I am thankful to everyone! May God bless everyone in Jesus name. Amen.

DAY 26

AND THEIR EYES WERE OPENED. AND JESUS STERNLY WARNED THEM, SAYING, "SEE THAT NO ONE KNOWS IT."

MATTHEW 9:30

Praise the Lord,

Greetings to everyone welcome to daily prophecies. Today the Lord is going to speak into your lives. God

has a great plan for your life. Today the Lord will speak into your life. I thank God in the name of Jesus for giving me an opportunity to minister to you. Once again I thank God in the name of Jesus for giving me an opportunity to minister. So I am thankful to everyone and I am humbled.

Apostle, More grace and tolerance. And, I hear you will overcome all the battle. Sister, the grace of the Lord is upon you. Whatever is making you annoyed the Lord says, telling everything is going to be settled. And, you will have peace.

Pastor, I hear the finance is opening for you and more journey's are coming. More journey's are coming. I hear the word so.

Sister, peace is in you. And, I see the flowers blossoming and something is going to be created. You will go and then settle in the land. And I hear the word the Lord has given you. Financial breakthrough. I hear the word, "Matrimony." Hallelujah!

Sister, everything will work in the right timing. The Peace in your family. The Lord is giving you peace in your family. And, I hear settlement. Hallelujah! The broken ties they will be moved away, the Lord is telling. When the time comes you will be honoured. You will be honoured in the ministry. The Lord is telling you are called for the ministry. So when the time comes you will be honoured in the ministry.

So today I have a word to share with you that is from the Book of Matthew chapter 9 when we read from 27 onwards we can see two blind men following Jesus they wanted a healing. They followed Jesus. So Jesus turned back and asked what do you want? They said we want to be healed. And, you can see that in the verse. Jesus asking them, "Do you believe that I can heal you?" They said we believe. I am reading the 30th one says, there eyes were opened and saying to them, see that no one knows it. Verse 29, Then he touched there eyes. This is the word, when he touched their eyes saying according to your faith let it be to you and their eyes were opened.

So this is the prophetic word today. Jesus touched the eyes of the blind man. And, their eyes were opened. So today if you believe as you read this word Jesus is able to touch your eyes and your eyes will be opened. That means you can see visions more clearly. You can see the dreams

DAILY PROPHECIES

very clearly. And your inner eyes will be able to see the visions more clearly. Today, Jesus is going to touch your eyes. Jesus is going to open your inner eyes. So you are going to see. This is the prophetic word. Hallelujah!

So the Lord's grace is on everyone and more power of God is giving in these days. I see the Lord is telling that you will settle in the land. In the land that the Lord has given you. So you should not be afraid of the enemy. They will come in one direction, but you will never see

them because they are going to be scattered. Hallelujah!

The Lord is opening the eyes of everyone who are reading. If you believe, you are going to see the blessings coming, the spiritual blessings and the material blessings are coming.

Sister I see the spiritual blessings and the material blessings. And I see the Lord is going to give you a house. It is a double story house. I see like that you are connected with a stitching center I see like that. The Lord is giving you a good house. I see the new connections are coming to you.

Sister, The peace is in you. And what you spent the Lord is going to honour you. And your relatives are also going to be with you. What you fear won't happen in your life. Because there is a wall of fire around you and nothing will come. I hear, "turning point in your life."

Sister, I hear, the promotion. Change in your address. You are trying to do many things, but it is not working. But the Lord is opening the doors for you. And, you will have a change in address. And, you are trying to do many things, but it is not working and the Lord is opening the doors for you. And, you will have the assignment ready for you. This is what I hear for you. And, do not neglect the ways of the elders they will show you the way. And, they will tell you what to do. And, you will have many things in your life.

Brother, the peace is in you. And, I see the honourable seat. An, honourable job is coming to you. I hear the word, "settlement." Financial settlement and breakthrough in many areas. Hallelujah! In the name of Jesus.

Sister, Everything is ready, I hear the word, "everything is ready." That means the kitchen is ready to cook. This is what I hear. "the kitchen is ready to cook actually has a spiritual meaning. And, you want to ask God what it is. Hallelujah! In the name of Jesus.

So the Lord is speaking to everyone that you will see greater things with your inner eyes. Because your eyes are going to open from this time onwards. And, you will stay in the land. The things that are coming against you. You will be set aside by the grace of God and more doors will open up for you. The power of God will come upon you and your children will come and stay in your house. There is nothing to be afraid. I see provision also, money is coming in your hand. God is going to do great things in your life.

DAILY PROPHECIES

This is the time of separation. God is going to do a greater thing in your life! God is going to anoint you. He is going to bring you to the place you were brought up. Greater things will happen in your life. Do not look back, look forward. I see things are going to move according to God's plan. Hallelujah! In the name of Jesus.

Sister, you are called to minister. The power of God is going to come upon you. And, the door that is shut before you is going to open. And, the children that

did not accept you is going to receive you. And, you will get the mail from the authorities. And, the funds will be released.

Sister, the Lord is telling, this is the daily prophesy for you. The Lord is telling, Make everything before it comes. Before it happens make everything ready. Prepare the documents and get it signed. The Lord is making more grace in your life. And, I see the honourable seat is coming to you. The Lord is changing your position. Be courageous. The Lord will solve everything.

Apostle, the Lord is telling, the Lord's army is with you. The Lord will fight the battle. And, the Lord's grace is upon you. You will overcome everything. He has assigned the angels to be security for you. In the name of Jesus.

The position is changed. Sister, the position is changed. Hallelujah! So, I also, hear the word, a marriage is coming. And, this marriage is going to bring change to your ministry. God will bless this marriage. Maybe it's related to someone in the house. So it will bring changes to your ministry also. In the name of Jesus. The Lord is going to lift everyone. The Lord has a great plan in your life. He's going to bring you out from all your troubles. And, you will have peace. You will have promotion and provision and you will see the Lord's hand is upon you. You should not be afraid.

More connections are coming to you. I see the increase in the number of believers. I see God is going to anoint you. And, God is going to give you wisdom. He's not only touching your inner eyes. He is touching your life with more power! Receive the power of the Holy Spirit. And, it will break chains and give you honour.

Sister what is stagnant and restraining you from moving forward I see the fire of the Lord coming upon you. And, it will burn everything that is restraining your from being successful and to be honoured. Hallelujah! In the name of Jesus. It is done! Sister, I hear the word, it is done, and your children, father, and everyone are saved. In these days you will see greater things and the Lord is going to make a shift in your life.

There is going to be a shift for everyone. Shift means, your room is going to change. How many of you understand? The place, your room is going to change, your house is going to change, your village is going to change, your town, your city is going to change and your nation is going

DAILY PROPHECIES

to change. There will be a change in every area of your life. And, you will meet new people. You will eat in new restaurants. And, you will eat the food you have never eaten. This is the word for everyone. It is going to happen in your life. And, you will travel in a seat that you have never travelled. Breakthrough for you! Because God is going to touch your eyes. When God touched the eyes of Haggai she saw a stream that was already open and she was not able to see the death of her son. So she took her

son Ishmael far away because she does not want to see the death of that child. But, God touched their eyes and she saw there was a stream already opened in the wilderness. So, I am saying many things are going to happen in your life, but it is already opened up for you. And, it is already given to you, but when your inner eyes are touched you will see it and have access to it. How many of you believe? So, it is already there. The gifts and the blessings are already there. The nations are opened and already there. And the address is already changed. And the room and the house is already changed, but when the eyes are touched you will see it plainly. But now something is restraining you. When the disciples eyes were touched when you read the book of Luke 24, you can see Jesus after His resurrection when He appeared to His disciples and touched their eyes. Before that the disciples could not recognize Jesus, but when Jesus opened up their eyes. They were able to see Jesus. So, likewise, everything is already opened. Haggai did not see that there was a stream opened in the wilderness, but when God opened up her eyes she saw. Likewise, I am telling everything is open. Everything is there for you. But you have to open up your eyes and see it. This is the prophetic word for you.

So I read from Matthew 9:28-30. I was reading that two blind men followed Jesus. They wanted Jesus to touch their eyes. And, Jesus asked them do your believe, I can heal you and give sight to your eyes. Do you believe?

So, today the Holy Spirit is asking you, do you believe as you are reading when the power of God comes upon you it will touch your eyes and your eyes will be opened and you will see everything? So everything is there already for you, but you have to open your eyes to see.

So today God is going to open your eyes. So to everyone I am telling that God is going to open up your eyes and you will see everything clearly visions and everything. I am thankful to everyone! I am humbled. God is releasing the healing power. The power is going to open your inner eyes and when your inner eyes are opened you will enter vision easily. Meditate the word also. God is going to touch your eyes.

May God bless everyone! In Jesus name. Amen.

DAILY PROPHECIES

DAY 27

THE CENTURION ANSWERED AND SAID, "LORD, I AM NOT WORTHY THAT YOU SHOULD COME UNDER MY ROOF. BUT ONLY SPEAK A WORD, AND MY SERVANT WILL BE HEALED.

MATTHEW 8:8

Praise the Lord,

Greetings to everyone. Welcome to Daily Prophecies! I thank God in the name of Jesus for giving me an opportunity to minister here. Also, I thank all brothers and sisters who are reading this today.

Sister financial breakthrough I hear and settlement in family affairs. Your uncle is coming and helping you I hear the word so. The more grace you will see. So the Lord is pouring more grace into your life. Sudden improvement and change in the financial area.

Pastor you are going to sign the contract.

Brother you are called to minister and the Lord will do ministry through you.

Apostle the properties are coming in your name. You are going to sign it and get it.

Sister the Lord will direct you. Holy Spirit will show you which way you should go. The anointing is coming upon you. The anointing oil is coming upon you sister. Hallelujah!

Another sister I see a package and I see it in a brown colour. And it is from God. You are going to receive a gift from your old friend sister. Hallelujah!

Sister you are healed and you will be protected from all the enemies attacks. You will live long and declare the works of the Lord. And you will live long and the devil cannot work in you.

So God is going to speak to you. Sister financial breakthrough. And I hear the word, "employment." Hallelujah!

Another sister documents for the property signed, I hear the word. And settlement in financial area. Hallelujah!

So I have a prophetic word in these daily prophecies. It is from the book of Matthew Chapter

DAILY PROPHECIES

8 and when you read this word, this word will give you deliverance. It is related to the centurion servant healing. Beginning in the seventh verse Jesus said to him, "I will come and heal him." The centurion answered and said, "Lord, I am not worthy that You should come under my roof. But only speak a word, and my servant will be healed. This second part is the prophetic word Matthew 8:8 the second part. It is this, only speak a word and my servant will be healed.

So this is the prophetic word in the second part of this verse. In any area that you cannot come out I tell you, in the financial area or in the area you need a healing, maybe in the body or the mind. Or in the business area or in the ministry the doors are not opening. Or you are tempted in one area. You want to come out from that temptation, but you cannot you are addicted to that temptation. So in all these cases, maybe you have many financial problems and you cannot come out. So wherever you are and what situation you are you speak the word. Let's read again the second part of Matthew 8:8, But only speak a word and my servant will be healed.

So you tell Jesus if you want to come out in any area that you cannot come out from wherever you are you tell Jesus. Jesus speak the word and I will come out and I will be delivered. So by that one word of Jesus you will be healed. You will be coming out of the temptation. You will be delivered by one word. That faith by that centurion the servant was healed. The centurion servant was healed. Actually Jesus did not command but when he said you speak a word. So when you tell Jesus in any of the areas you want a deliverance in maybe the financial area of something that is related to your business or ministry in family relationship or you are tempted in any areas and you want to come out, but you can not come out, but you are trying hard. But today you tell Jesus. Jesus speak a word into my life, because I cannot come out. I can not come out from myself.

I can not come out from my temptation. I can not be delivered in this financial area. I can not be delivered in my health in my body. So Jesus speak a word and I will be healed. When you say that you will be healed immediately.

You are called to minister sister. The church maybe against you, but they will come back to you and they will make things prosperous I hear the word so. The Lord is fighting for you the enemies power is weakened. The enemy has thrown a weapon towards you, but the Lord has

DAILY PROPHECIES

protected you. Hallelujah!

Keep away from all the temptations, I hear the word sister. The Lord will lift you up. So this is the daily prophecies and God is going to heal everyone. So the prophetic word that I shared with you if from the book of Matthew 8:8 and the second part. That is the word given and Holy Spirit led me to second part only speak the word and your servant will be healed. So in any area

that you want a healing. In any area you want a deliverance. Maybe you are tempted and you can not come out, but this is the word. Where ever you are you tell Jesus. You speak to Jesus. At that moment you will come out of all your problems and never see them again. This is the prophetic word.

Sister I see you are under an umbrella that means the Lord is protecting you. Especially in the financial area. And you are going to have the house. I have the house completed.

Apostle the Glory of the Lord is upon you. And I see financial breakthrough is coming. And more increase in people. Hallelujah!

Pastor the position is going to change.

So the Lord is going to bless everyone. So you should not be desperate. By the word today in every area that you want a blessing speak to Jesus. Jesus speak a word at that moment you will be delivered.

Maybe you are having a headache. Somebody is having a headache and taking medicine, but no healing. Today tell Jesus to speak a word into my body into my life. At that moment you will be healed.

Sister many journeys are coming and I see God is going to extend your boundaries. Sister I see the fountain of the Holy Spirit. The Holy Spirit is coming upon you in fountain. More grace! I hear the word, "more grace!"

The property will come in your name and the peace is in you. Hallelujah! In the name of Jesus. I see you going on a flight. You will go an minister to neighbouring countries. I hear the word, "Sweden." You are going to have a ministry in the church. And the Lord is positioning you in the right one.

So God is going to heal you and I believe you are very near and close to deliverance. For me

DAILY PROPHECIES

also, for what I share with you I am also receiving it. So in my experience I am saying speak to Jesus. Jesus speak a word and at that moment you will be healed. So you need not take 40 day fasting or 21 day fasting. You can fast for the activation of the Holy Spirit and for the fruit of the Holy Spirit. You can fast for the edification of the Holy Spirit, but for deliverance you need not fast. Tell Jesus to speak a word. And immediately that will be given to you. Immediately not after sometime.

The Lord is going to bless everyone. So greater things you will see. Hallelujah!

Pastor I see a new church building and it is in the form of a tent. I see the vision and it is in the form of a tent. You are going to enter into the next level.

Sister you are trying very hard to come out of the witchcraft and the Lord is saying speak a word. Immediately you are delivered.

So the Lord is going to bless everyone. Do not be upset says the Lord. The power of the Lord is coming upon everyone. And I see there is an increase in Spirit. So the power of the Lord is coming upon you and everyone is going to activated in the gifts of the Holy Spirit. Everyone is going to speak in foreign languages.

And more grace! I see you will travel to the nations and you will travel to the ends of the earth. I see the anointing oil is pouring upon your head and I see when you open your mouth the fire will be released. When you open your mouth and things will be created. Open your mouth and declare. The Lord is going to speak into your life. The Lord is going to touch your life. Your life is going to change. And your garment is going to change. Your eyes are going to change. The power of the eyes are going to change. Your inner eyes are touched right now the fire of the Lord is coming upon you.

More grace to everyone! So the Lord is going to make a shift in everyone. So where ever you are staying if you receive this word your address is going to change. Get ready that means the luggage needs to get packed, because that means there is a journey coming ahead. And that will open up to the nations. So get prepared. The anointing oil is poured upon you. So you are going to see the visions very clearly. Financial breakthrough. Hallelujah!

The Lord is going to bless everyone! Hallelujah! In the name of Jesus. The power of the Lord will come upon everyone.

DAILY PROPHECIES

So I am thankful to everyone and I believe that today the Lord will settle you family affairs.

This is the word for everyone today from Matthew 8:8 – Speak a word, you open your mouth and tell Jesus. Speak a word in which area you want a deliverance. In which area maybe you are tempted. And you can not come out of that temptation and you are trying hard, but tell Jesus. Tell Jesus with a broken heart. Kneel down

where ever you are and lift your hands up and tell Jesus. Jesus I can not come out I need a deliverance. I need a healing. So speak a word in the area where I need a deliverance. When you speak immediately you are delivered.

This is the word for everyone. God bless everyone. In Jesus name. Amen.

DAILY PROPHECIES

So, God is healing the chest infection. Healed! In Jesus name. Sister I hear the word, the chest infection healed. In the name of Jesus.

The Lord is going to bring a marriage in your life sister. I hear marriage in your life.

Sister I see the way is divided into two. Take the right way and use the common vehicle and you will reach the

house before the time and you will get the share. This is what I hear sister. New house coming to you.

To another sister, somebody has squeezed something from you and you need a deliverance at this time.

Sister I hear frequency. You are called to minister. When you stand in the pulpit the Lord will tell you the things that will come to you. So more grace. So God is going to bless everyone who are reading this daily prophecies.

So the prophetic word is you will go out in joy and be led in peace. That means if you are worried. I sense somebody is not happy. I see some of you are not happy while you are reading, because you are worried about the daily things that is coming into your life. But I tell you after reading this daily prophesy in the name of Jesus that you will go out with the joy that is the Word of God YHVH. You will go out with the joy and you will be led in peace. So every-time there will be peace.

The finance is opening up for you. Sister financial settlement. And the doors that have been blocked are opening. After sometime you will get children I hear the word so. So the Lord is going to make the floor the surface very smooth. Hallelujah! I hear the word that Lord is going to the surface smooth. Hallelujah!

And the pandemic won't touch you. Sister the Lord is telling the pandemic wont' touch you. Maybe you have to wait for some time, but the Lord's telling I will settle all your cases. And sister everything will come in your favour. And there will be enough storage.

Sister the Lord is telling me, yes I see the way is not smooth, it is a rough road. But you will overcome. You will overcome that road and there will be reconciliation. You will overcome everything! You will overcome the battle. And the fight is almost over and you will possess the land. I hear the word sister. Hallelujah!

Sister I see it is time to open up the box. Sister I see a vision that is going to open and there will be enough in that box for you. And that is enough for your provision. And many people will come and ask you about the Lord has separated you. So the Lord is going to keep you safe. So you should not be afraid. In the name of Jesus. Hallelujah!

Sister the new leaves. I see the new leaves. The old is worn out and it is a new beginning in your life. Sister your life is going to be a new one in this season I hear! The old is gone, I see

DAILY PROPHECIES

the old leaves are withered. The old leaves are withered and they have fallen down. And a new thing has started in your life. Not only in the ministry, in the church, in your position, in the family, more grace. And in the financial also more blessing. So the old leaves are withered and the new has come.

The power of the Lord will come upon you sister and give a breakthrough to you. In the name of Jesus. Hallelujah!

You are called in the land where I tell you and the Lord will honour you Apostle. I hear the word the Lord will release the power upon you. And there will be frequent travels. I also hear, and I do not know whether you are an engineer, but I hear the word engineer. Frequent travels and you are also healed. And I see the place where you are will be the center and you will move to the nations. I see like that. It is almost time for you to travel. Hallelujah! In the name of Jesus.

Sister you are release from the bondage. And many doors are opened for you. One is the financial door is open for you. The second is stable income. And I see third and the allergy is healed. So there are three things that the Lord is going to do today at this time. One the financial deliverance. Second stable income. And third healing. Hallelujah!

The properties coming in your name sister. And there will be many negotiations I hear the word so. Negotiations coming, but you will purchase the land and the hand of God will provide. So there will be negotiations, but you will purchase the land. I hear the word for you sister. The word for you! Hallelujah! In the name of Jesus.

So the Lord is going to bless everyone. Those who are reading I think this is resonating. Hallelujah! It is the best time. I see sister you are away from your home and you are on a journey. I sense so. And maybe this time you will see some harvest on this journey. And there will be a great harvest I see. I hear the word so in the name of Jesus. And the Lord is going to manifest in you. Hallelujah! In the name of Jesus. The Lord is going to manifest in you.

Brother the power of the Lord will come upon you and make you move. The power I sense you are stagnant in one place. The power of the Lord will come upon you brother and you are going to sign the new agreement. I see your house is also blessed. I see because of you and the grace in you in your house. Those who are in your family are also blessed by your grace brother. The word for you. Hallelujah!

Maybe you have not been filled with the Holy Spirit. Today the Lord is telling me that you are going to be filled with the Holy Spirit in fullness that when you open the mouth you will see great things in your life. To everyone I am saying, today the Lord will touch you. Today the power of the Lord when you sleep. I tell you the Lord is speaking to me. Maybe not now, but when you go to sleep. When you lie down today the Lord will strike you with the power. The Lord will strike you with the power on your head. And that power when that power strikes you. When the power of God comes upon you. You must ask what is this power for? So every-time I am telling to everyone those who are reading, you all have the presence of God. So, whenever the presence of God come upon you. You have to ask God - Lord why are you now releasing the presence upon me? So there is a purpose. When God visits you it is not just

DAILY PROPHECIES

giving an experience of presence. It is not just giving you an experience of presence, but there is a purpose. When the Lord visits you there is a purpose. So tonight when you go to sleep today the Lord will release His presence upon you. Then you must ask the Lord the purpose of this coming over me. You have to ask the Lord why you release the presence what is the purpose. The Lord will tell you what His presence has been released. This is I am telling, so some of you will have the healing power. Some of you will have the breakthrough. Some of you will have financial breakthrough. So it depends upon

your calling.

So today now the Lord is telling me to everyone to those reading when you go to sleep the presence of God will come upon you. Some will be having financial deliverance. Some will be having healing power. Some will be having breakthrough in the family relationships. So it will be varied according to your calling according to the time. So this will happen today. Today the Lord will release the healing power.

So everyone who are reading right now if you have a pain in the body right now. It is relieved. You are healed. You will have a testimony. If anyone is having any chest pain, bronchitis, any kind of fibroid tumour or anything ... you are healed right now in Jesus name. Because the Lord told me that when you pray they will be healed. So, you receive the healing. Today the Lord will strike you with the power also and you will also receive the healing power.

When you pray for others. Others will be healed. So this is what the Holy Spirit is speaking. So greater things you are going to see. Your ministry is going to change. And your language is going to change. Your accent is going to change. Your dress code is going to change. You will have new persons that will bring new connections with new persons which you have never met. And your life will be a celebration of Holy Spirit. Not the celebration of the world. Your life will be the celebration of Holy Spirit. So the Lord is giving you a honour. God is going to honour you. And someone is saying I am fed up with cooking. You don't have to cook. The servants will come and cook the food for you. So you can pray and rest. Pray and rest and read the bible and rest, because the servant will cook. Someone is saying, I am fed up, I am fed up with the cooking. So I cannot move. Hallelujah! The Lord sister is giving you faithful servants to help you in the kitchen and also to help you in your domestic life. The Lord is giving you faithful servants. So you are going to see great things! To everyone I am saying your life is going to change. That's why I told you when I minister more and more the happiness is coming out of me. The joy is coming out of me this is the word that I will read that word. Once again Hallelujah! Isaiah 55:12 it says, for you shall go out with the joy. This is the word of God YHVH, it says for you shall go out with the joy and be led out with peace. So realize one thing, where ever you go, you will be with joy and no sorrow in your life and there will be peace.

So today I am telling you when you enter a house there will be peace. When you speak to someone there will be peace and when you look at someone there will be peace, when you learn from someone there will be peace. Because you will go out with joy and will be led with peace. Every time Every time no more worries. So this is the prophetic word is that you will go out with the joy means every time joy. No sorrow, if sorrow comes in your life remember this

DAILY PROPHECIES

word it will activate. And if there is no peace of mind and something is worrying you remember this word, because what God has told you in the bible it will come to pass. When you activate, when you think about it, when you mediate it in your negative circumstances not when you are in the church. Not when you are reading bible, but when you are tempted. When you are held up. When you are broken. So at that time when you remember the words the verses in the bible it will have more effect and it will be eternal. That will last for long in your negative

circumstances. So when there is a problem remember this

was these prophetic verses. So today everyone is going to have a breakthrough. I see like this I see like this I see some new names also. Hallelujah!

The Lord is loosening the knots and more prophecies. More prophetic words. Prophetess I sense the breakthrough is coming in your family. And the one who left you will come back to you. I hear the words the one who left you will come back to you. And your grandmother also healed I hear the word so. Hallelujah! In the name of Jesus.

And breakthrough is coming to everyone! So I am thankful to everyone. This is the prophetic word that you will be led with peace. I thank God in the name of Jesus for giving me an opportunity to minister here.

May God bless everyone! God is going to I hear the reload. God is going to everyone. This is reloading. That means what you did not have in the past you tried, but did not get it. So the Lord is telling reloading. It is again loading. You tried to do something, but you didn't get that. To everyone I am saying you tried to get something you did not get it. So I hear the word reload. That means again try and you will get it. What you lost. Finance. It is coming again. Family relationships coming again. The church members those who went are coming again and the child is coming. The Lord is blessing you. More power is coming to you. And I see the marriage is coming. The Lord is going to extend your boundaries. The Lord's favour is upon you. So your life will not be the same Your life is going to turn and you will have a new life. I hear the word new life. You are going to have the new life. The old is gone so your language is going to change. What you drink is going to change. That means the taste what you are taking it is going to change. The colour is going to change and everything is going to change your address is going to change. Receive this word NEW LIFE.

New life is coming to everyone! So God bless everyone. In Jesus name. Amen.

DAILY PROPHECIES

DAY 29

BUT THOSE WHO WAIT ON THE LORD SHALL RENEW THEIR STRENGTH; THEY SHALL MOUNT UP WITH WINGS LIKE EAGLES, THEY SHALL RUN AND NOT BE WEARY, THEY SHALL WALK AND NOT FAINT.

ISAIAH 40:31

Praise the Lord,

I thank God in the name of Jesus for giving me this opportunity to minister to you.

Brother new decisions. You are going to make new decisions at this time. Hallelujah!

Sister I hear many foreign trips. And healing coming over the allergy. I hear the word.

Another sister reading the Glory of the Lord is upon you! And it will be overflowing! The blessings will be overflowing!

Sister it will break. There will be suddenly a breakthrough I hear. I hear the bucket and I see the vision that the bucket is going to break. There will be a breakthrough especially in the financial area!

Pastor the Lord will establish you. And many people who are against your ministry and the Lord will remove them from your ministry. And you will have peace. This is what I hear.

Sister financial breakthrough I hear the word. Keep a distance from everyone and keep holiness. The Lord will make a major shift in you. Hallelujah! Today God has given me a word to share with you. Financial breakthrough and healing upon your head. I hear headache healed in Jesus name.

So today God has given me a word to share with you. So I have a prophetic word to share with you that we'll read. It is in the Book Isaiah Chapter 40 verse 31, it says, But those who wait on the LORD

Shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint.

So this is the prophetic word for you. Today the Lord is telling that whoever is waiting for the Lord shall renew their strength. Sister I sense you have been waiting on the Lord. The Lord is going to give you a promotion. And the blessings are coming that you have never seen. To everyone I am saying the Book of Isaiah Chapter 40 :31, it says you will mount high on wings like an eagle. They will run and not become weary. So you are going to run! The things may have been very stagnant. Maybe in some area somebody is saying I am looking to go abroad in the ministry. Somebody is saying I am looking for a visa to get the job. Someone is saying

DAILY PROPHECIES

I am looking for a change in my job. But if things are not working correctly. I say there is something stagnant. Something stagnant some where.

So today if you wait upon the Lord the time is coming that you will fly like eagles. In the office you will be the one like an eagle. The eagle will fly very high. In the office you are the highest. In the ministry you are the highest. In the church you are the highest. In the house you are the highest. So in every area in business

everywhere you are the highest. This is going to come into your life. So they that wait upon the Lord will mount upon wings like an eagle. That means you will have a supernatural height.

I hear the word sister the Lord is telling the Lord is going to mould you. And the Lord is going to take you out from the furnace. I sense you are like an iron kept in the furnace. But the time has come that you shall become a gold vessel. The Lord is going to bring the children back to your home. I hear the word so the children and everyone coming back home and the enlargement in your life. The shop is going to open. And you will have provision for everything. This is the word I hear for you sister. Hallelujah! In the name of Jesus.

So the shoulder pain is healed. The shoulder pain is healed in the name of Jesus. So the Lord is taking you through many narrow ways. Because God is bringing the best to you and you are going to give birth to the best! This is what I hear. You are going to give birth to the best! So the finance is also coming to you. Sister I sense some people have rejected you, but they are going to accept you. When the honour of God comes upon you and when God honours you. The people who rejected you and I sense it is from the same family. The same family rejected you but the Lord is going to give you a promotion. And you are going to see greater things in your life in the name of Jesus.

So today the Lord is going to speak into everyone's life. Hallelujah! In the name of Jesus! Hallelujah! Many doors are opening you. Sister want has been discontinued in your life you will study again. You will complete your education. So the properties are coming in your name do not be worried. I hear the word so. And it will be done. It will be done at the right time, says the Lord.

Sister you are going to be known in the ministry.

Pastor I hear in the pulpit you will be known. The fire of the Lord will come upon you and you will be known. And I see financial breakthrough too in your life. I sense some rivals are there in your church. And God is going to move such persons and bring new persons according to God's plan they are coming. So there is the Lord's protection over your church. And you will purchase the land I hear pastor.

DAILY PROPHECIES

Apostle breakthrough in every area and I see this is the time for God to honour you. You are in the right way. Mediate the word of God. And I will increase the anointing in you. The peace. The Lord is giving you peace Apostle. At this hour at this time the Lord is giving you peace. And more increase in knowledge. And the spirit is increasing. And I see what ever has been irritated in your mind that everything is flying away. And a fresh anointing is coming upon you.

Hallelujah! Sister the agreement is going to be signed. And be careful around the people who pull you down, because the Lord's anointing is coming upon you. And financial breakthrough I hear. And everything is going to be ok.

Knowledge sister. God is giving you knowledge. The Lord is touching your lips so that you will speak boldly. More grace I hear. Settlement in the family affairs. You will have the income from the agricultural. That means from your house. It may not be from your house, but it is from what you have from your home. That is what agricultural means. So today you are going to get some share. Sister I hear the word you are going to get some shares from your fathers property. I hear the word so. The enemies can not touch you because you are in the grace. The Lord will protect you. Hallelujah!

Sister the enemies power is weakened and I hear financial breakthrough. And many doors are opening for you. Peace is in you. The peace is in you and they will come, but they will go in many directions. They will come but you will overcome everything sister. The opportunities are opening. The doors are opening for you.

The Lord is going to speak to everyone Sister I see the garland on your neck. The honour and signature and the apartment is coming. You will stay in the new apartment. And today the Lord will speak to you for the Lord has great plans. So you will be settling in I hear the word so. When the time comes the Lord will take you from that place. The word for you in the name of Jesus. Hallelujah!

And the Lord is going to bless! Hallelujah! So this is the prophetic word that I have been sharing. Those who wait upon the Lord will fly like eagles. You know when you watch the birds. The eagle will be flying in the top height. All other birds are below the eagles. So whatever you are doing in which ever area you are doing you will be the highest.

I see somebody is worrying about the ministry. Some are waiting for the marriage. But I tell you the proposal that is coming for you is the best one. It is the best one. Those who wait upon the Lord will get the best one not the second one. How many of you believe? Your ministry will be the best. Your house that God is going to give you is the best! Not the secondary. This is the word for everyone. Those that wait on the Lord will fly like eagles. Means eagle is the bird

DAILY PROPHECIES

that flies very high. When we look in the sky we can see the eagle fly very high. So when you wait for a particular thing.

Maybe you are waiting for your marriage or you are waiting for a particular thing to be open. Or you are waiting for a house to get. Or you are waiting for a car to get. You're waiting for a deliverance. You are waiting but if you are waiting with the murmuring you are like the Israelites. They wandered for many years but they were

not able to see. But if you wait upon the Lord like Joshua and Caleb you will be the highest. If you are waiting on the house, your house is the best house. Among your relatives, among your friends. How many of you can understand? Hallelujah! So if you are waiting on a job. That job is the highest among your friends and relatives. If you are waiting for the doors of the ministry. Your ministry is the highest among all others.

This is the prophetic word if you wait upon the Lord. We can see it in 1 Corinthians 2:9 also. Paul is saying those who love God will be given what they have never heard, never seen and never even imagined. So it is like this in Isaiah 40:31, those who wait upon the Lord will fly like eagles. Means they will be above. If you are waiting for a car, your car will be the best car. If you are waiting for your children's education. Your children will be having the best education among your friends, neighbours or relatives. So that is the power of the Word of God. So those who wait upon the Lord will fly like eagles.

So do not murmur like the Israelites, but wait on the Lord. If somebody is saying I am not seeing any blessing, but today the Lord is telling if you wait, maybe it will happen today or maybe it will happen tomorrow morning. Maybe it will happen a day after tomorrow. But without murmuring and you wait upon the Lord the church that God is going to give to you will be the highest and biggest church. And the believers will be in more numerous number. And if you are waiting for the financial breakthrough. Your bank account will carry more huge amount. So that is the meaning. So those who wait upon the Lord will fly like eagles means every word has a meaning. Every word has a spiritual meaning. You will fly like eagle means in which area you are waiting. In that area you will be like an eagle. How many of you believe?

In which area you are waiting. Maybe you are waiting for a child. So your child will be the most beautiful and handsome. So that is what that verse is saying. Those who wait upon the Lord will fly like eagles.

So the Lord is going to activate this word upon everyone.

Sister there will be a sudden change I sense. I see like that there will be a sudden change and you will move to nations. I hear the word that the Lord will connect you to the right people. And there will be great changes in your ministry. Hallelujah!

DAILY PROPHECIES

So everyone this is the prophetic word. Everyday, I am eating the word of God it is like the food. The word of God will give us breakthrough. It will give us blessings. It will give more anointing. Because when we think about the word of God and when we go deep in that Word of God. So according to your faith, if you are waiting, that word is saying, you will fly like eagles. That means about the eagle there is no other bird in Isaiah 40:31, I am saying and telling from this word. About the eagle there is no other bird. For what you are waiting that thing

will be the highest.

Nothing will come about that. So receive that. So you are going to see in the name of Jesus. The Lord is going to give. This is the word to everyone.

Everyone can receive. And I see a promotion and a breakthrough. The financial breakthrough the doors are opening for you. And you will overcome the battle. The enemy will try with many, many plans, and the enemy will try to bring confusion in your mind, but you are like an eagle. You are above the enemies plan even through the enemy is coming towards you with many, many plans, to make you tense to make you worry. But I prophesy in the name of Jesus in the coming hours the enemy will come to you and bring much confusion in your mind, because the enemy thinks when the confusion is coming upon your mind. You cannot grow in the ministry, you cannot grow in the prophetic. You cannot grow in every area. So he will bring confusion, but I prophesy in the name of Jesus you are above the plans of the enemy, because you are flying like an eagle.

You know when the rain pours from the clouds the eagle won't get wet, because the eagle is above the clouds. Some of you know that? Other birds will get wet when the rain pours from the clouds. But the eagle won't get wet, because the eagle can fly above the clouds. So the enemy will bring tension into your mind, the enemy in your office, in your ministry, in your church, in your family, in your society where you living the enemy will bring tensions. To make you confused and make you depressed. But I prophesy in the name of Jesus, because you are waiting on the Lord, You will fly high above all the plans of the enemy. Whatever the enemy is doing to you. You are in the upper level in the spiritual level. So it won't affect you. The enemy will get tired.

You won't see the enemy. He will get tired. This is the prophetic word in these days in the coming hours you will see that. You will be above all your problems.

So God is going to bless everyone. I think I have given the word. Supernatural miracles to everyone! To everyone supernatural miracles. The Lord is giving you a new house. The Lord is giving you a new car. The Lord is giving you money to travel. The Lord is giving you money to stay in hotel. The

DAILY PROPHECIES

Lord is giving you money to do the crusades. And the Lord is giving you money for your children's marriage. The Lord is giving you money for your children's education. And the Lord is going to establish you. This is what the Lord is saying. So wait upon the Lord.

And what the Lord is giving you is the best not the secondary. It is not the secondary, but it is the best. You are going to see that in these hours. I am not telling in this months, or years, but in these hours. You will see.

You will see the greater blessings. So God is going to position you.

Everyone! The financial breakthrough! Sister you are healed! The Lord is touching your tongue.

The Lord is telling be wise and be silent in some areas because when the Lord blesses you the people will be jealous. Act wisely. What the Lord is showing when you walk through a slippery way you are more cautious. You go like that. Be careful in your ways the Lord is telling. Hallelujah!

Sister I see everything and a bucket and everything is their inside the bucket. And it signifies that the finance and provision are everything. The Lord is giving you a package, the package is coming to you, it is coming to you from your cousins, it is coming from your old friends. I see the financial breakthrough is coming from your old friends. I see like that ...Hallelujah! In the name of Jesus. Amen.

Brother you will have to have a sudden breakthrough in the financial area. And, I see you in the ground ministering. You are conducting a crusade, I like that I see like that I see you running an office in the stadium. So the Lord is going to bless you. You are sponsoring a crusade. I see like that and the Lord will bless you. You will sponsor the crusade. I see like that and you are running an office in the stadium ground. I see that in the name of Jesus. Hallelujah!

So the prophetic word is those who wait upon the Lord will fly like eagles. That means the eagle is the top most bird who can fly above other birds. So what you are waiting. If you are waiting for money. The money in your pocket will be the highest. If you are waiting for a marriage the spouse will be the most beautiful and handsome. If you are waiting on some ministry doors your ministry will be the highest. This is what I am saying in the name of Jesus.

So I am thankful to all brothers and sister who have read today's daily prophecies. God is going to give a breakthrough to everyone. I thank God for giving me an opportunity to minister here! Also, I am humble and thankful to all brothers and sisters. So tomorrow there will be a word that I hear from the Lord and it will bring changes to your ministry and to your life.

May God bless everyone! In Jesus name. Amen.

To be continued...

DAILY PROPHECIES

DAY 30

BEHOLD, I WILL DO A NEW THING; NOW IT SHALL SPRING FORTH; SHALL YE NOT KNOW IT?

ISAIAH 43:19A

Praise the Lord,

Greetings to everyone in the name of Jesus! I thank God in the name of Jesus for giving me an opportunity to

minister here. I am thankful to God once again. So I thank all brothers and sisters, those who are reading these daily prophecies. So God is going to speak into your lives.

Pastor I see the net. The net means the cricket players those who practice will have a green net. You might have had seen that the cricket players before they go to the match. Before they go to the test they will practice in a green net. I see like that. So I see a net that means God is practicing you. God is moulding you. You are not practicing you are actually ministering but that door has not been open yet. So I tell you the Lord is telling the Holy Spirit is telling your actual ministry has not been opened. You are in the practicing area. So when that practicing is fulfilled when it complete the world will come to know who you are Pastor. The world will come to know who you are when the practice is completed. So it doesn't mean you do not have a church. You have a church. Maybe you have a church with many members or with some large members. But your actual ministry will come to be known when the program, when your area is

DAILY PROPHECIES

fully completed. Now you are practicing, I see like that. I see the green net. So the time is coming very soon that the green net is going to be removed. And the world will come to know who you are. Pastor the word for you. Hallelujah! In the name of Jesus.

Sister I hear the word betrothal. And I hear the word overflowing and I see the bucket overflowing. So I see many jewels. Treasures of Heaven coming to you. And your blood relatives will unite with you. I see like that. Your

And majestic return I hear. I hear the word sister majestic return. And financial area blessed, majestic return. I see cap on your head. Honour coming to you. Hallelujah!

Sister I see the shelter. The shelter means protection. I see a big hall and I also see the protection, the roof is protecting from the sun's heat and the rainfall. So God's covering is upon you. And God is going to bless you financially and also you will adopt. I hear the word, adopt. You will adopt a son. I hear the word so. You will adopt a son sister. I hear the word you will adopt a son sister. This is the word for you. Hallelujah!

The healing coming upon you sister. I see the pharmacy the bottles. I see the pharmacy that means a medical store and some kind of bottles. Today the Lord is going to hear you. The healing power is coming from Heaven. Coming from God and He is healed you. Infection healed in the name of Jesus. I hear infection healed in the name of Jesus. The veins healed in the name of Jesus. The veins are healed. And the arthritis healed in the name of Jesus. I hear the word so.

Sister very soon there will be a promotion coming to you in your life. Hallelujah! In the name of Jesus.

Sister something that is coming and again going. Something – little by little it is coming into your life. Little by little like the rainfall. It is not coming in fully, but little by little the Lord is showing me your position is going to be fixed. So you are going to be fixed. And you are going to get a seat. I sense that you do not have no permanent seat. The Lord is showing me that you are going to have a permanent seat and the doors are opening. Help the poor. Sister I hear you will help the poor. And you will see your children's children. This is the word that the Lord is telling me. You will see your children's children. Sister the word for you. Hallelujah!

The promotion! I hear the next word and it's the promotion! Hallelujah! In the name of Jesus. The promotion is coming! Hallelujah! I see in the name of Jesus. So the Lord is going to open the door. This is the word. Hallelujah! I see the Lord has given me this word. Hallelujah! Sister I hear the word promotion. I sense and see that you are in the gallery. You know gallery means that something is going in the stadium. And you are watching in the gallery but I see the angel coming and taking you from the gallery and you are going to be in the main seat. That means you are going to be in the pulpit. So this is a spiritual meaning maybe you are in the ministerial ways, but I am saying it is in the spiritual sense. You have to take it in the spiritual

DAILY PROPHECIES

sense. Whatever you are doing you are in the gallery. That means you have not come into the forefront. So I see the angel taking you from the gallery and you are accompanying with the angel to the main seat. That means in the stadium the main seat the seat is now open for you. And you are going to sit in that main seat. That means your actual door is going to be opened. So wait for it! So I see the promotion in your life. I see the promotion in your life and nothing that you should be worried. The Lord is going to open the actual door that

is going to be opened for you. So it is the promotion coming. Hallelujah!

So I have a word that God has actually given me to share with you. That is from the Book of Isaiah 43:19a, you might of heard this word many times, but only the first part am I writing because the first part is what the Lord has spoken to me. So let's read that first part of Isaiah 43:19a, Behold, I will do a new thing; now it shall spring forth;

This is the only the first part we are reading, because I heard only the first part. I heard from God only the first part. The Lord told me, opening a new door. Opening a new door so Holy Spirit led me to this verse, Isaiah 43:19a, read this again, Behold, I will do a new thing;

Today those who are reading God is going to do a new thing in your life. Maybe you are agricultural. Maybe you are a farmer. Or maybe you are a doctor. Maybe you are an engineer. Maybe you are a pilot. Maybe you are a minister of the Lord. Maybe you are a servant of the Lord. Apostle or a prophet. Or a evangelist or teacher. Or a shepherd. Or you are in the secular field. Where ever you are or whatever you are, but I tell you this is the word for you. Behold, I will do a new thing;

So a new thing is going to come in your life. That means which you have never seen. Which you have never dreamt. Which you have never even heard. That is according to 1 Corinthians 2:9, it says, But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. It says, it is the one He has prepared who love Him. The thing they have never heard, never even imagined, never even seen so that is the new thing! Hallelujah!

Isaiah 43:19a, let's read again, Behold, I will do a new thing; now it shall spring forth; shall be not know it?

The Lord is asking, did you get any revelation from that? Hallelujah! So shall you not know it? Have you not known it yet? Did you not yet get any revelation? Because it is a new door. The new door is going to open. You are going to speak boldly. You are going to speak fluently in which language you are ministering. You are going to speak fluently. If you are speaking in English you are going to speak fluently. If you are going to speak in French. You are going to speak fluently. So it is a new thing. A new thing is coming and fluency in the language.

Also, I see new doors. It is a new thing. New thing means I see a box and it is open. I see a vision, to everyone I am saying, to see this vision that the box is opened. And inside that box

DAILY PROPHECIES

is the healing power. The Lord is opening up that box. It is a jukebox. It looks like a square and it is opened. And I see the angels opening that box. And there is healing power inside that box. It is going to come into your life. So maybe you are saying I have no disease. And why do I need the healing? This is like a vaccination that people take in advance, not to becoming sick like the Covid Vaccine or the other vaccines. Like a vaccination that is taken in advance not to have the disease.

Likewise, someone is saying, I have no pain or disease, but today the Lord is telling this is an advance. This is something coming in advance. That you will never be hospitalized if you receive this word. You will never be hospitalized. You will never have to take medicine. This is what I see a vision in a box coming from Heaven and it is opened. Inside the box is the healing power. It is a new door it is coming.

All the chest problems, all the infections, are healed in the name of Jesus. All the sinusitis are healed in the name of Jesus. All the leg pains are healed in the name of Jesus. You will never have to look back, you will never have to turn back, because your life is not going to be on the negative side, but what you are seeing you are going in the opposite direction I see. Maybe you are eating something, but you are going to eat something new.

I hear the word that God will take you to Middle East. How many of you are hearing? God will take you and you will sit with the Arabs. There will be a fellowship in the church, the ministry and the business. You will have fellowship with the Arabs. I see the Arabs coming to you. And, their oil is coming to you. Their wealth is coming to you. How many of you receive it? The Lord is telling me you will have a fellowship with the Arabs. And the wealth of the nations coming to you. The wealth of the Arabs coming to you. So there will be a business contract. There will be doors for your ministry. The Arabs will call you through the messenger, through the what-up I hear. They will call you through the telephone. They will call you for prayer. They will call you to know an opinion to know from the Lord to take a decision. So I see the door opening for you in the Middle East. How many of you receive it?

So it is a new thing! That the Lord is going to open. Everyone is healed right now in the name of Jesus. Right now everyone reading is now healed. And raised to the next level. Financial breakthrough is the next door that is going to open.

I see new connections are coming! The marriages are going to be solemnized. Maybe you are saying, I am married, but the children are going to get married. Someone is saying, my children are also married, but I tell you the marriage is coming in your home. Maybe it is for your grandchildren or maybe it is for you. Or it is for your brother or for your sister, but I tell you the marriage is coming. A godly connection is coming. Godly connection coming so God is going to bless your children.

God is going to bless your financial area. It is the word, so let's read Isaiah 43:19 again, Behold, I will do a new thing; God YHVH is saying, I will do a new thing, now it shall spring forth; shall

DAILY PROPHECIES

ye not know it? So it is going to start. Now it shall spring forth. That is what the word is saying, Now it shall spring forth means Now it is going to start. Let's read again, now it shall spring forth, that means it is going to start. It has started in Heaven. Did you get the revelation? If anyone is saying no I did not get the revelation. Now this is in this daily prophesy through this reading you are going to get the revelation of the new door.

The passport renewal I hear the word renew the passport, because immediate telephone calls are coming. Immediate appointments are coming. Immediate journeys are coming. New contracts are going to be signed. And new healing are going to take place in the name of Jesus.

Sister the doors in financial area are opening for you. Keep away from people the Lord is watching you and the Lord is healing you in your health. I hear the word sister. So this is what the Lord is telling.

This is the prophetic word that a New Door is opened.

Sister you are a powerful vessel in the hand of the Lord and I see you will give the right prophetic word to the right person.

So this is the prophetic word that God is going to and it has started that the new door has started. And the Lord is asking, do you not know it? If anyone is saying, I have not heard, but today you are going to know it from this daily prophecies.

As a servant of God I am telling, the Lord is telling it is open and it has started. It has started. And you have got the information right now. New one! It is a new one that you have never seen. It will bring many changes and will open up many branches. And it will bring many souls. And it will bring more income. And it will make you move from one place to another. And you will fly. And the new door will make you fly. It will make you settle. It will bring many souls. It will bring many branches. Hallelujah!

So may God bless everyone by this word.

Sister I hear the healing is coming upon you. Your chest infection is healed. The bronchitis is healed. Sister the Lord is healing you. I sense you are taking medicine in some area, so the Lord is healing you. The infection, the suffocation healed sister. You need not to take medicine anymore. You are healed right now in the name of Jesus. Hallelujah! So the Lord is going to bless you sister! Hallelujah! Behold, I will do a new thing; now it shall spring forth; shall ye not know it?

Many are reading who didn't want to, but God is saying it is a new door. Maybe somebody is saying I am waiting on the Lord for a long time, but no doors have been opened. But today I am telling you the angel is bringing such people to read now and that's you! Because the door is open for you. The door, do you know why you are reading these daily prophecies,

DAILY PROPHECIES

because the Lord wants to make you know that there is something new going to open. That you have never even dreamt. That is the prophetic word. You know why you are reading this at this particular time. But I tell you that you are reading at this hour, this second, because something new is going to open. That oil anointing is coming pouring on your head I see. I see the oil anointing is pouring upon your head. And it will increase the speed in your. The language you are going to speak you are going to speak fluently. That is the oil anointing that is

pouring. The Lord is opening the lid of the bottle of anointing oil and I see it is pouring on your head. And it is overflowing and everyone will come to know that something has additionally come to you. That is the grace of the Lord. So today you are here because you are going to explode. You are going to change. Your life. Your breathe. The position. Everything! The address. The residence. Everything is going to change.

Get ready your luggage and prepare for the journey. This is what the Lord is saying. Get ready for the journey. Prepare the luggage. Pack everything, because I hear the promotion is coming. I hear the promotion is coming!

Sister I hear a marriage is coming in your home. I hear the word sister. A marriage is coming in your home.

Sister I see the change in whatever you are doing in every area. Change in eating the food. Change in the dress. There will be a change in every area. Even the atmosphere means the climate is changing for you. I hear the word for you. A new system is coming!

I am thankful to everyone. I sense that you have received the word from the Lord. I tell you this is the prophetic word that a new thing is open. New thing and maybe it is a door, or it is the anointing oil, or maybe it is financial. Something new is open. And you have received it.

So I am thankful to everyone! So I am thankful to God for giving me an opportunity to minister here. And also, I am thankful to all brother and sisters reading and everyone is having an enlargement in your area. So God is going to bless you.

May God bless everyone in Jesus name. Amen.

DAILY PROPHECIES

DAY 31

WHEN THE MASTER OF THE FEAST HAD TASTED THE WATER THAT WAS MADE WINE, AND DID NOT KNOW WHERE IT CAME FROM (BUT THE SERVANTS WHO HAD DRAWN THE WATER KNEW), THE MASTER OF THE FEAST CALLED THE BRIDEGROOM.

JOHN 2:9

Praise the Lord,

Greetings to everyone! Welcome to daily prophecies! I thank God in the name of Jesus for giving me the opportunity to minister here. So God is going to speak to everyone and I am thankful for all brothers and sisters reading now.

Sister I hear the word that the speed is increasing. Velocity. Velocity is increasing in the financial area. And new connections coming to you. Breakthrough in your life and you will purchase the land. Sister you will purchase the land I hear. I hear the word you will purchase the land. Sister the word for you.

Apostle greater things are going to happen in your life. And the peace is in you and new things are going to be created. I hear the word new things are going to be created. And especially in the financial area breakthrough. And I see the cage is broken. The cage is broken. And freedom in every area. Freedom in every area Apostle the word for you.

Sister I see the good time is coming. I see chocolate and that is a sign of celebration. So it is the time of celebration. Especially in the marriage relationship I hear. A celebration is coming and your life is going to change.

Sister you will cross the greater obstacles in your life. I sense you have many obstacles. You have to overcome many obstacles. So you will win the race. The Lord is telling you will have enough time to rest. And peace, I see you drinking coffee and tea and relaxing, because what you want at this time is rest. I sense like that sister.

Sister your loneliness time is over. I hear so your loneliness time is over. And you are going to see your relatives coming back to you. Those who despised you they are coming back to you.

Sister it is not a long journey. Very soon you are going to see them. Hallelujah!

Sister I see a cushion seat. An honourable seat. You are going to get seat in honourable seat, I see a cushion. Hallelujah!

I hear galloping on a horse and I see the vision. The problem that you face you will be like a conquer. I hear the word you will be like a conquer and I see you galloping on a horse.

DAILY PROPHECIES

And the enemy cannot stand before you. I hear brother. Hallelujah! In the name of Jesus.

Sister I see a spider's web. And God is releasing the power. God is releasing the power and the wind is blown and the web is broken. And you coming out of that web. Because of that web you were not able to move speedily. The things that you planned are not coming into action for a long time. But now I see a vision that the wind of God has blown over that web. That prevented you from moving forward. So from this time forward you will see a

speed up in every area.

Sister, comfort, I hear the word comfort and peace. Peace and comfort is what you need at this hour. What you need at this hour is peace and comfort. You need a rest I sense like that. The Lord is giving you comfortable stay where ever you are you can stay the day and night peaceably. Because the Lord has guaranteed that it is comfortable. It is good for you! Hallelujah! In the name of Jesus.

So I welcome everyone! Sister I see a jewellery shop. I see a jewellery shop. Hallelujah! And that jewellery shop signifies the riches. So you will have the riches. I sense so sister. The Lord will bless you. Jewellery shop is an honour. I see like that. Hallelujah! In the name of Jesus.

Sister I hear promotion and the next level. I see you in the next level. I see the vision of an apartment. And it signifies that you are going to be raised to the next level. And honour is coming to you sister. And the children are allowed. Hallelujah!

I am thankful for everyone and I have a prophetic word to share with you. This word will bring a great change I believe. It is from the Book of John Chapter 2 verse 9. You have heard about this chapter 2 and how Jesus turned the water into wine. You have heard in the bible and you have preached and heard many people sharing the message from here. But today, the Holy Spirit is saying to me to share the word from John 2:9. You know the wine had run out. Ant the mother of Jesus came to Jesus and said the wine has run out. And Jesus said my time has not come. But it was more by the faith of His mother. So she commanded the servants there whatever Jesus honours let you do that. So when Jesus heard that HE was moved by the faith of His mother.

So let's read today's prophetic word that is from the Book of John Chapter 2. So before that Jesus told them to fill up the jars to the brim of the jars. So they said draw this now and give it to the master of the feast. When the servants drew the water and gave to the master of the feast. What happened in the ninth verse? So this is the word for you, it says, When the master of the feast had tasted the water that was made wine, and did not know where it came from (but the servants who had drawn the water knew), the master of the feast called the bridegroom.

It is a good wine. So this is the word. You must read carefully When the master of the feast had tasted the water that was made wine, and did not know. And you can see in the tenth verse this

DAILY PROPHECIES

was a good wine. So this is the word for you.

So when the master of the house tasted the water that was made wine. Actually when Jesus told the servants to fill it up to the brims it was water. But when the servants took it and gave it to the master at the feast what happened? The water turned into wine.

So today the prophetic rhema word is that what you are lacking right now. Maybe in efficiency or in the power of God. Or you are not seeing visions clearly. And when

you pray for somebody you are not getting any prophetic word. Or in the financial or business area. Or you are looking for a bride or a bridegroom. Whatever you are searching. You have been praying. But the rhema word is when you go at that time it will become. That is the word. When you go. It was water that servants filled up to the brim. When they drew it was actually water. It was water that the servants carried. But when it came into the master of the feast hand. The water turned into wine.

So maybe you want the power of God to minister. When you are in the pulpit. I am saying for an example. You are desiring the power of God to release when you minister in the pulpit. So if you believe by this word. When you go to the pulpit and you minister then the word from your mouth will come into power. How many of you believe? Another example, if you are in need of finance. You want to purchase something from the market. And you have no money, but when you go by faith. When you go by faith and look at the things there on the shelves and when you purchase and take the purse out there the money will be in there.

That was water. So listen carefully one thing when Jesus told the servants to fill up to the brim. They filled it with water. But when Jesus told them to give it to the master of the house. What the servants were thinking, why is it this water He is giving, because the servants had no faith. It was only the mother of Jesus who had the faith, but the servants are just servants. So when Jesus told them to give this to the master of the house. What was in the servants mind. They thought why is Jesus saying to give the water instead of wine? They might of thought, but what happened? On the way it turned into wine. Likewise you are in need of something. Maybe finance. Maybe the power of God. Or you need the visions to see clearly. If you are praying for somebody else and you are not seeing the visions clearly. When you believe then your inner eyes will shine and you will see the visions. This is what I am saying. It was water when the servants took to the master that became wine to the master of the feast. When it came into the master of the feast hand it became wine.

So now you lack something, but when you believe it shall be given. How many of you believe? I have had that experience in my life many times. In the financial area. When I pray for somebody else. When I stand in the pulpit. At the time it will come.

So that is the prophetic word. So you read and mediate on this word, John 2:9.

Water turned into wine. Your empty purse turning into dollars and other currencies. Your bank

DAILY PROPHECIES

account when you open up your laptop and check your balance online the looks empty, but when you are in need for the transaction there will be some multiplication. That you know it is the principle of Jesus. Two fish and five loaves, when He closed His eyes and lifted it up it became into many baskets. That is water turning into wine. Two fishes and five loaves turning into many baskets. So when you read the book of the Gospels these are the miracles of Jesus. He did it again and again. You will be having in your own life.

Brother the situation is going to change. And honour is coming. For a long-time you have been in the old seat. Today the Lord is telling the situation is going to change. Hallelujah! And the property is coming in your name. Hallelujah! In the name of Jesus.

I see the healing coming upon you sister. The healing and financial breakthrough coming. So this is what I was sharing with you. At the time you do not have anything, but at the time of need immediately it will be plenty. It was water, but when it was taken to share and given it became into wine.

Maybe you don't have anything, but the time of transaction there will be multiplication. This is the prophetic word of today. So I am thankful to everyone. Hallelujah!

The promotion is given to everyone. The Lord is going to bring new people into your life into your ministry. And you will receive greater things I see like that. You will taste greater things and you will breathe greater things. This is what I hear. That means you will experience the greater things that you have never even seen. Hallelujah!

I am thankful to God for everyone. The Lord is giving promotion to everyone. In the name of Jesus. In every area of your life you are going to see the greater things. In the name of Jesus. Hallelujah!

So that was the prophetic word that I was sharing, the water when they filled up to the brim it was water and when Jesus said go and draw it and give it to the master of the feast it was actually was water, but when it came into the master of the feast hand the water turned into wine. I like that word, because if you are looking for a job for example when you are looking for a job and are looking online you don't see any vacancy or you will see that everything is filled. But when you apply immediately there will be openings coming. When you are booking a flight ticket there won't be any seats available, but when you open your computer and try the booking there will be seats available. This is what water turned into wine you will experience this.

Sister I hear the word taste the thunder. Taste the thunder. You know thunder means thunder from Heaven. So taste the thunder, I hear the word taste the thunder means that the Lord will speak to you. The Lord will speak to you regarding settlement. The Lord is giving you a promotion and there will be a change in your life.

So I am thankful to everyone! The prophetic word is water when it came into the master of

DAILY PROPHECIES

the feast hand immediately the water turned into wine. When you go to purchase something there won't be enough money in your pocket or in your purse, but at the need you will see a multiplication. The word two fish and five loaves, but immediately it was multiplied. That is the miracle of Jesus. So today whoever believes Jesus said whoever believes in me will do greater things than me. How many of you say amen?

So to somebody else it will be nonsense to others, but what Jesus has said whoever believes in me will do greater things than me. So when you believe in the miracles of Jesus. Water turning into wine, What you lack will become plenty. That is the miracle and it is going to activate in your life. Every time! Everywhere! It is going to activate. So without doubt. Do not test God. Do not test God whether it will happen or let me check. No God won't do the miracle, But by faith, by faith when you move, by faith when you do you will see the miracle. How many of you understand? So in every area when you are in need and you pray for somebody else God will surely give you that vision.

Hallelujah! In the name of Jesus. So the Lord is opening up the doors for you. Major crusades are coming and you are standing in the pulpit. Financial breakthrough is coming. Properties coming in your name. The churches are opening up for you. The position is going to change. The honour is going to come. And I see Greenland and financial stability. The more grace you will see. The more anointing. God is going to release His anointing. Everything is in control. In the name of Jesus. The Lord is bringing connections to you. You are going to get married to the right person. You are going to have friendship with the right person. You are going to minister to the right person. So major things are going to happen.

In the spiritual realm I can see that the Lord is releasing the angels for your work for your protection. So you will see these things in the coming days. And God is going to make you into greater things. What is empty is going to be filled. Your closet is filled with new clothes. Your money is coming back. Restoration. I see the health is restored. And lung infection is healed. And chest infection healed. Sinusitis healed. In the name of Jesus. Hallelujah!

Thank you Lord for giving me the opportunity to minister here. Also, I am thankful for all brothers and sisters reading. Supernatural miracles to everyone!

To everyone I am saying supernatural miracles you shall be seeing in every area. May God bless everyone. In Jesus name. Amen.

DAILY PROPHECIES

DAY 32

**AND I WILL GIVE THEM ONE HEART, AND PUT A NEW SPIRIT WITHIN [A]THEM. AND I WILL REMOVE THE HEART OF STONE FROM THEIR FLESH AND GIVE THEM A HEART OF FLESH,
EZEKIEL 11:19**

Praise the Lord,

Greetings to everyone! I thank God in the name of Jesus for giving me an opportunity to minister here. Also, I am

humbled for all the brothers and sisters. May the grace be upon everyone.

Sister, all the disputes regarding the properties are going to case and everything has come in your favour. So God is going to do great things in your life.

Apostle I see the doors opening for finance and I see the aircraft. I see you moving in your own aircraft and I sense it is your own aircraft. I see like that. So God will take you to the nations.

Sister in these days the Lord will pour more Holy Spirit. More intense. The spirit that is making you tense and fighting the Lord is taking it out and releasing a fresh anointing.

Sister all the things that have been erased from your mind. I sense the devil has attacked your memory. So what you have forgotten the Lord is bringing back into remembrance of everything. Hallelujah!

Sister the Lord has put a separation, a margin in your life of how to walk. 'So the Lord will tell you how to be led by the Holy Spirit in these days. Hallelujah!

Sister the Lord is healing you from your birth I sense the infirmity. The Lord is healing you.

Sister the Lord is going to position you. The Lord is going to make the things favourable to you. And you will see greater things in your life. Your life is going to change I see like that. And more income coming. I see more income coming into your life. It is a stable income I see and sense like that in the name of Jesus.

Sister I hear the word marriage.

Sister the power of God will come upon you and you will overcome the test and promotion will come to you. It will be waiting for you. Hallelujah! In the name of Jesus.

Sister you are now on the top of the bridge and almost have reached the destination. The financial doors are opening up for you. And the Lord is opening up many doors for your ministry. Hallelujah!

Sister healing coming upon your mind. I sense you are working hard which means you need a rest in your body, in your mind. So the Lord is giving you a rest. Hallelujah! In the name of Jesus.

So the Lord is going to bless everyone. Hallelujah! The Lord is going to give a breakthrough to everyone. So the doors that have been closed are going to open. I see the gates opening sister.

DAILY PROPHECIES

Sister the power of God will come upon you and make the doors open. I see an elevation step and you will be away from your house and will glorify the Lord. I see like that sister.

Sister the Lord is taking you from deep well. I sense like that. Deep well from where you have been trying to come out. Today the Lord is releasing the power to lift you up. Hallelujah! In the name of Jesus.

So the Lord is going to speak into everyone's life today! I believe so as you open up your heart unto God. Pray to God and the Lord will bring changes to your life. God is going to make changes in your life. I have a prophetic word to share with you. And that will make a great change with this prophetic word. The prophetic word will make a great change in your life. Hallelujah!

So I am thankful to all brothers and sisters! So I have a word and let's read together from the Book of Ezekiel Chapter 11 verse 19, it says, Then I will give them one heart, and I will put a new spirit within you; and I will take the stony heart out of their flesh, and will give them a heart of flesh; So that is the 19th verse and why is God giving a new heart? That is the question. Because the heart is stubborn. The heart is stony. We are not able to receive the blessing from the Lord. So God wants a transplantation of heart. So as you read, as you pray and ask for a fleshly heart. The Word says, And I will give them one heart and a new spirit. One heart means everyone will be having the heart of Jesus. That is one heart. And I will put a new spirit, that is the Spirit of Jesus. That is the Holy Spirit in fullness. And take the stony heart out of their flesh. And give them a heart of flesh.

Why is this transplantation needed at this hour, because many people are of unbelief. Unbelievers, they cannot believe the word of God because their hearts are stony and many people cannot see the wonders. That is why Jesus came near the Bethesda pool He asked the one who was lying there for 38 years do you have the mind to get healed? Because his heart had almost become paralyzed. It almost became like a stony heart. That he had no hope. So that is why Jesus asked him do you hope to get healed? So every-time even in the midst of the trial Even when we are put in a well or the lions den. Our hearts should always be aggressive and we should have the hope. If you don't have the hope what happens; it will delay our blessings.

That is why we read the 20th verse why God is giving everyone a new heart of flesh because the verse says that they may walk in my statutes. And keep my judgements and do them that they shall be my people and I should be their God. So for you to get a blessing, Lord needs a change in everyone's heart. You know when we have received Jesus Christ. Our heart at the at time when we receive Jesus our heart has been changed. For a long time our God is changing our heart. Everyday when we become more and more closer to God our heart is changing. It is becoming more fleshy. It is becoming more fleshy to receive and to have more hope in the word of God. How many of you believe?

So today as you are reading the Lord is going to make your stony heart into a fleshy heart. And that is giving one heart. That is the heart of Jesus. This is what you need at this time. Also the Lord is giving you a new spirit. That is the spirit of Jesus. So the new heart and the new

DAILY PROPHECIES

spirit when it works together it will bring an abundance of blessing. So this is the prophetic word.

Everyday we are not seeing that our heart is changing. When the anointing, you might know that when God releases the presence upon us it is not just making us happy to make the presence come. It is not like that He is doing some work. When Adam was created God made him to sleep and took from him a bone and made a woman. Like that God is doing something whenever the presence of God comes in and over us. Realize He's doing something.

So every time when the presence of God comes upon you. He's doing something.

Maybe He's opening your inner eyes or your inner ears. Or He's giving you more belief or He's depositing more power. He's doing something. It is not just like visiting. He's doing something. So today when the presence of God comes as you read this word. Maybe when you go and lie down to sleep. Before sleep God will do something. I am saying is God YVHV is saying I will give you a fleshy heart. I will remove the stony heart and remove and give you a heart of flesh.

Why? Because you want to walk in His statues. And He wants to say you are His children. So this is what is going to happen. So this is the prophetic word. When you receive it will bring great changes in your life. So the Lord is bringing promotion in your life.

Sister the Lord is giving to you and you won't fail and you won't fall. I hear the word you are going through the forest, but the Lord is guiding you. I see like that and the Lord is guiding you. Hallelujah! You will reach the destination. And I see the honour is coming to you. Hallelujah! Lord is going to extend your boundaries. And many times you have tried to come out but you could not but today the Lord is telling I am giving you a fleshy heart. That you will be able to overcome what you cannot do sister. Hallelujah!

Sister financial breakthrough. I sense that someone in your own house is giving you many challenges and taking your peace. So the Lord is setting aside everything that is coming. And giving you a promotion and breakthrough, especially in the relationship. The deliverance is in the relationship. Hallelujah! In the name of Jesus. The deliverance is regarding the relationship. And the Lord is opening up the doors for you and you will get the job. I hear the word you will get the job. Hallelujah! In the name of Jesus.

The Lord is going to bless you sister. The boundaries are going to extend. And the more you walk in the desert. The more you will reap. I hear the more you walk in the desert I see it is the time to bear fruit and you will yield food and the crops are ready for the harvest. Hallelujah!

The power of the Lord is coming upon everyone. It is making the move and it is bringing changes to everyone's life. The Lord is giving a fleshy heart instead of the stony heart and giving His spirit. The spirit of Jesus is coming upon you. I hear it is the time of voluntary retirement. Hallelujah! In the name of Jesus. Sister, I hear it is the time of voluntary retirement and I have heard the Lord has seen great things in your life. The position is changing. Hallelujah!

The Lord is going to bless everyone reading these daily prophecies. The Lord's care is upon

DAILY PROPHECIES

you. So financial breakthrough I see. Do not be upset because the Lord is going to do greater things. Hallelujah! That was the one word I said to you sister it is the time of voluntary retirement. What you are doing. Maybe you have understood what it means it is the time of voluntary retirement. And setting you and set your foot into the new path. This is what I hear in the name of Jesus. And the owner is calling you and you will have permanent residence. I hear the word so you will have permanent residence. The owner will call you and you will have permanent residence.

I hear the word so.

Sister the church will be held in I hear the word sister it will be held in church. The finance will be arranged and everything will go in a successful way. It has to be talked with your relatives and everything will come in favour. Hallelujah! In the name of Jesus.

The Holy Spirit is coming upon you sister. And it will make changes to your life. Your direction is changed. Your house is changed. And you will be seated in the honourable seat. The Lord is going to do a great thing in your life. That you have never even imagined. Hallelujah!

Apostle the Lord is directing you in the new ways. I see the needle of the clock is moving fast. So it is moving by the power of the Holy Spirit and the plans and agendas are going to change. And it is moving fast. I hear the word so.

Sister the promotion in you. The enemy is chasing you, but the enemy cannot touch you because you are inside the shell. I hear the word that you are inside the shell. Shell means you are under the protection of the Holy Spirit. The Lord will do greater things and financial stability. I hear the house will be constructed and the building wall will be constructed. I see like that and you have to go through and God will make it a success.

Sister it is time for you to fly. I hear the word, it is time for you to fly sister. And the Lord will take you and the Lord will make you settle in the fertile land. The Lord will make you settle in the fertile land. The Lord will do greater things in your life and you are part of that people where you are staying. So they cannot avoid you. They will welcome you! They will do greater things in your life. So that is the word for you sister. Hallelujah! In the name of Jesus.

So the Lord is going to speak into everyone's life. Sister financial breakthrough! Settle down in parents land. You will settle down in parents land.

Sister you are called to minister. The Lord is giving you a promotion in your life. Hallelujah!

So this is the prophetic word is that the Lord will do something. How many of you in some areas you cannot come out? Maybe you are tempted in anger. Tempted in jealousy. Tempted in lust. Anywhere whatever that is, but you are trying hard to come out. But I tell you what you cannot do the Lord will do. He will remove that old stony heart that is listening to the devil's plan and the Lord will transplant and put a new heart and a new spirit so you will follow the teachings of Jesus. You will be guided by Holy Spirit so one day when you wake up in the morning you will be surprised. Why I am not tempted. Why I am led by the Holy Spirit. It is

DAILY PROPHECIES

by the grace of God because God changed your heart. Nothing was come from part. Not the 40 day fasting or 21 day fasting, but He removed your heart and replaced with a heart of flesh. So as to receive the word of God.

So Abraham wanted to obey the word of the Lord. So he made Abraham a slave and He did something in Abraham's life. So after that Abraham began to keep the word for his part. So what is impossible for us God will do. It is by His grace. So He will make our stony, selfish and arrogant heart instead of that heart, He will bring and give a new fleshy heart.

So when it comes you have to pray. Lord I want the fleshy heart. I want the heart of Jesus. I want the spirit of Jesus. So when you pray He will deposit. So today by this word let's read Ezekiel 11:19.

Today someone is saying I want a healing. Maybe you are going to see a doctor for a healing. Maybe someone is saying my heart is not working. Somebody is saying my valve is not working. I have suffocation. You know if you are using an old car and there are some parts in that car to be repaired. So when you don't have much money you will go little by little to change the part. So it is with the wall you will change the wall. When it is with the carburettor you will change the carburettor. When it is with the plug you will change the plug, because you so not have more money to buy a new engine. But if you have money and your car is having any complaint you don't go to buy a change a plug or carburettor but instead what you will do is go to the shop and change the car itself. And buy a new car.

This is what someone is saying, I have the valve port problem. It is difficult for me to breathe, because my heart is not pumping much blood it is not receiving the oxygen, so my lungs are not functioning well, it is connected to the heart. So my blood flow is not smoothly because my heart is not powerful saying like this.

Today the Lord is going to remove the old heart and giving you a new one. Let's read Ezekiel 11:19, And I will give them one heart, and put a new spirit within [a]them. And I will remove the heart of stone from their flesh and give them a heart of flesh. So everyone who may be 90 years old, 80 years old and may be thinking how will I climb the mountain? How can I climb the steps because I want to do the Lord's ministry, but today you understand one thing. The Lord is telling I will give them one heart and I will put a new spirit within them, and take the stony heart out of them their flesh and give them a heart of flesh.

So this transplantation to everyone this is the prophetic word. You are receiving a new heart. Everyone is receiving a new heart. So you won't be tempted anymore. How many of you say amen? You won't be tempted by the spirit of jealousy, you won't be tempted by the spirit of anger. You won't be tempted by the spirit of laziness. You won't be tempted by the spirit lust, because that old heart is removed. And God is transplanting a new heart. This is what is happening right now. This is the word the Lord spoke to me just before I began to write.

So God is going to bless everyone. In Jesus name. Amen.

Praise the Lord,

Greetings to everyone! I thank God of giving me an opportunity to minister here. Praise the Lord! May God speak into your lives. God has great plans in your life. So today the Lord has given a prophetic word to everyone. I welcome everyone in the name of Jesus.

Apostle the Lord is going to shine upon you. I see the light of Jesus going to shine upon you. And whatever has been held up for a long time is going to be is going to see a breakthrough. It's going to see a breakthrough the Lord is positioning you! I see like that the Lord is going to position you so you should not be afraid. The Lord has seen all your prayer requests and is going to give you a promotion I hear the word so. So the Lord is going to do greater things in your life. I see like this.

Sister you are called to minister. When you stand in the pulpit you will see greater things. You will see greater things. The Lord is going to do greater things in your lives. So you should

DAILY PROPHECIES

not be afraid. The Lord is telling I will make everything prosperous. The Lord is saying everything will become prosperous. So things are going to move smoothly.

Today the Lord has given me a prophetic word. Let's read that and welcome to everyone who is reading with me this daily prophecies. God is going to extend the boundaries I hear the word so. God is going to extend the boundaries I hear so. The enemies power is weakened. Hallelujah! In the name of Jesus.

So today I have a prophetic word that is from the Book of Jeremiah 29 the 11th verse, the Lord God YHVH is saying, For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope. Here God is saying, God has seen your future. He is saying be hopeful. Let's read it once again, For thus saith the Lord, For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope. Hallelujah!

How many of you believe that you are going to have a bright future? So the Lord is going to settle you. And you should not be afraid says the Lord. Hallelujah! Whatever is difficult for you when you rely on God the Lord will make everything fruitful for you. So God is going to bless you in every area of your life!

Welcome everyone who is reading! Whatever is stagnant in your life. The Lord is making it move because God has great plans in your life. Hallelujah! In the name of Jesus. So do not be upset. And I will honour you. Whatever is stagnant on your life it is going to move because the power of God is going to come upon you and it is going to give a breakthrough into your life. Hallelujah! So the Lord has seen everything. So God is going to give a great change. Hallelujah!

Pastor there will be sudden change in your church. The church will be blessed by the grace of God. And people from far away will come. And I see you having many branches. You are having many branches and in these days a new branch is going to open. I see like that.

Brother the property is coming in your name. So do not be upset says the Lord. The Lord is going to give a great change in your life. Whatever is making you tense the Lord says do not be afraid.

Sister the financial breakthrough I see. So sit down and pray and the Lord will speak to you. So whatever is stagnant God is going to make a move in your life. Hallelujah! In the name of Jesus. So the Lord is going to bless everyone!

This is the prophetic word that the Lord has great plans in your life. Maybe you are not aware of what is happening in the future, but the Lord is telling me that the Lord has great plans. So when you are looking and are not seeing any blessings, but all the blessings are coming they are near by the door is open. And the gates are opened. And you will go and settle in the fertile

DAILY PROPHECIES

land. Flights coming and flights going. I see people in the crusade so you will be in the pulpit. You will have a strong foundation. The anointing is coming upon you. The greater anointing is coming upon you. And you are called to be the main speaker I hear the word so. The church bell is ringing and the invitation is coming. The Lord has great plans in your lives. So do not be upset says the Lord. The Lord is going to increase everything. Increase the finance and the doors are opening. Do not be upset.

Sister the Lord is telling me fight against the evil. And you will win! Hallelujah! Sit down and pray for hours. And I will make you prosperous. Sister I hear the word so. Hallelujah! Whatever that has been – whatever is not working in you the Lord is going to make it fruitful. Because the Lord has seen everything. You are going to see greater things in your life. Hallelujah! In the name of Jesus.

So the Lord is going to do greater things. So this is the prophetic word so that whatever is stagnant is going to move. To everyone I am prophesying, the Lord is going to blow a wind over your life. In Jesus name. And you are going to move according to the direction of the Holy Spirit. And nobody can block your way, because the Lord is telling me that He is going to increase the anointing. So you will run far away. And I see many, many doors opening for you. So do not be afraid says the Lord. In the name of Jesus. The Lord is going to settle all the cases. And all the court cases are going to case and new doors are opening up for you. So promotion is coming to you in the name of Jesus. I see like that.

Sister financial breakthrough and I see the flower and it shows that God is going to honour you.

Sister I see you are going to be honoured in the Church. God is going to honour you in the church.

Sister you will travel to the next place. The Lord will honour you. And you will find the house I hear the word so.

Sister sit down and pray. And the Lord is opening up the new doors for you.

So what I was sharing let's read this prophetic word once again, For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope. So if anyone reading is saying, I have no peace, the Lord is saying, the Lord is giving you peace. If you believe, you'll receive it from this time onwards. Whatever problems that arise in your life you will have peace. You will have peace. And if anyone is saying I have no hope and I have been praying and I am not seeing any deliverance. Let's read the prophetic word given once again, Book of Jeremiah 29:11, For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope. The Lord is going to give you peace and your future is going to be blessed. That means you are going to have hope.

Sister I hear the peace of God is in you. And today the Lord will speak to you. I hear the word

DAILY PROPHECIES

so. And your dreams are going to come true. Hallelujah!

Sister the enemies power is defeated and breakthrough is coming. And I sense family set up is coming. Hallelujah!

Be courageous sister. The Lord is telling the wounds are healed. Be courageous. And the Lord will settle all the problems regarding the finances, I hear the word.

The Lord is going to bless your boundary I hear for you brother. I hear the word so. The Lord is going to extend

and bless your boundaries. What you are waiting for it is

going to happen in your life. I sense you are waiting for many things. Many things are pending in your life. Many things are pending before you and it has not come to pass. The Lord is blowing a wind over your life. And whatever is stagnant is going to move I hear. The Lord said it is going to move.

So God is going to honour you. This is the prophetic word that we have read is that God has great plans in our life. And if anyone is saying my projects are not moving. The Lord is saying you have a bright future. How many of you are saying when you look around you are seeing others blessed, but you are not seeing yours. Let me tell you one thing, you are created to worship God. How many of you say Amen? When you look around you see others blessed, but you are not seeing any blessings in your life. But when you worship God the blessing will come upon you. This is what I am saying, this is the prophetic rhema. Hallelujah!

I will speak from that word in which I am going to share and let's read again and go deep into this word. Jeremiah 29:11, For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope. God is saying, I know the thoughts which I think towards you. So God is thinking about you. How many of you say amen? God is now thinking about you, for thus says the Lord, For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope.

Somebody is tense, somebody is saying, I have no peace. I am in the wilderness and I am wandering somebody is saying. God is saying thoughts of peace and not of evil. Somebody is thinking of problems in their life and are tense, but God is saying My thoughts are not of evil, but of peace. To give you a future and a hope. This is the prophetic word – So you have a future! You have a hope. So you meditate upon this word in Jeremiah 29:11.

If anyone is waiting upon a marriage to see in your life God is telling have peace and God is thinking about you. And He is thinking about giving you peace and also a bright future and hope. And that means marriage are going to solemnize and the ministry doors are going to open. Every court case is going to settle. And the doors of the financing are opening. There will be family peace. And whatever is stagnant is going to have a move by the power of the Holy Spirit. So many great things are going to happen by this word. This word has power when you meditate on this word. It will begin to make you happy. It will give you peace and I see financial

DAILY PROPHECIES

doors opening. The peace is in you.

Don't waste the time says the Lord. I am going to increase the anointing and I am going to break the chains. I see the celebration coming. And the Lord is going to extend your boundaries. And promotion in the job and in the physical areas also I see healing. I see healing over the neck. I see the bronchitis healed. I see the chest pain healed. Everyone is healed. So the sinusitis is healed. Marriage is coming! Purchase of lands. The Lord is going

to touch your tongue. He is going to give you a prophetic tongue. Open your mouth and the Lord is going to touch your tongue with a knot with a stick I see. So God is going to give you a breakthrough. Open your mouth wide, peace, financial breakthrough, settlement, moving towards new place and raising to the next level. And marriages coming. And life is changing.

So this is this is the prophetic word, because there may be some negative things may happen in your life, but look and laugh into your negative areas. Because the Lord has seen a bright future in you. So the devil will bring negative evil thoughts and he will make you depressed, but look into your negative areas that are bringing depression and laugh! Laugh at those areas, because God is going to give you a bright future. And the Lord is going to bless you!

The oil anointing is going to pour upon you. And you are going to see the visions clearly. So if anybody is saying I am not blessed today. If anyone is saying I did not get a prophetic word, I did not get a rhema word, but I tell you the Lord has seen a bright future in you. That the flag is in your hand. You are in the winners list. And I see when you walk the angels will be on guard with you. They will walk in front and in back of you. The angels will be with you! To everyone, the angels will protect you. So you'll be protected from Covid19. You will be protected from all financial problems, all family problems, because the Lord has seen a great future in you. So be hopeful says the Lord. I am thankful to everyone.

May God bless everyone in Jesus name amen.

looked at your name the Lord showed me a vision of an orange. When you look at an orange on outward it looks very hard, but when it is opened and the cover is opened the inside is very sweet. Likewise on the outside people think nothing is happening in you, but inside God is doing some great things. Maybe you have understood. God is doing great things in your life.

DAILY PROPHECIES

betrothal for you. Hallelujah! In the name of Jesus.

Sister the Lord is healing, I sense you have some problem with the liver. The liver is healed in Jesus name. Amen. The liver problem is healed. Also the Lord is giving you an apartment I hear the word so.

Sister the enemy cannot touch you, because you are going to settle in a new house. Maybe you are looking for a rented house, but the Lord is giving you a house of

your own. If you believe you will get that this is what I say.

The Lord will speak to everyone. I have a prophetic word and if you believe the word we will read it will happen in everyone's life.

Sister I see a leadership in the church. The church where you are going you are going to be the leader. And also you are going to train many people. I hear the word sister. Many healing coming upon you. Hallelujah! In the name of Jesus. So the Lord is going to bring many great changes to everyone's life I believe.

The Lord has spoken to me that everyone who is reading now will have a change in their life. Hallelujah! How many of you believe? The Lord is after this pandemic is going to bring the things to manifest in your life. So I have a word to share with you that is from the Book of Isaiah 38:8 you know when you read Isaiah you can see that when you read that Hezekiah was laid up with a fever and the Lord told Isaiah to go and tell him he was going to die. So when he heard he cried and said to the Lord I was faithful to you. And the Lord heard the prayer and the Lord sent the prophet again and prophet Isaiah told king Hezekiah that God has extended your life for 15 more years. I am reading that 8th verse, Behold, I will bring the shadow on the sundial, which has gone down with the sun on the sundial of Ahaz, ten degrees backward." So the sun returned ten degrees on the dial by which it had gone down. So when Hezekiah heard his life was going to be extended he asked for a sign. So this is the prophetic word today. He asked for a sign and God told his life was going to extend.

Let's read Isaiah 38:6-8 it says, I will deliver you and this city from the hand of the king of Assyria, and I will defend this city." And this is the sign to you from the LORD, that the LORD will do this thing which He has spoken: Behold, I will bring the shadow on the sundial, which has gone down with the sun on the sundial of Ahaz, ten degrees backward." So the sun returned ten degrees on the dial by which it had gone down.

And the sign was in the 8th verse, Behold, I will bring the shadow on the sundial, which has gone down with the sun on the sundial of Ahaz, ten degrees backward." So the sun returned

DAILY PROPHECIES

ten degrees on the dial by which it had gone down. That means the sun moved backward for Hezekiah. So he cried to God and God heard his prayer and he asked for a sign that God has healed him and he would live longer. He asked for a sign and God told him to look at the shadow of the sundial and it moved backward. So that means this is going to happen in your life.

When it happened Hezekiah became younger. How many of you believe? The sun was only for him. So today if you believe the sun will move backward for you means you will become younger. How many of you believe? So don't calculate anything according to your brain. But what God is doing and have you seen that the sun is moving forward that means the time is moving. But for the king Hezekiah he made the sun to move backwards. That means he is becoming younger. So your skin is going to become younger. Your lungs are going to become young. Everything is going to become young. Like you know Abraham was an old man, but the time to conceive boy he became a young man and Sarah also became young. That is why the king and everyone was looking at Sarah she looked young.

I am telling you if you believe this is the word for you. Others will grow older, but for you the sun will go back. It will return, if you believe. That is our great God. If you believe, the anointing is on my head, I feel the presence of God. If you believe that will happen in your life. But if you doubt you won't get that. That means the king Hezekiah asked and wanted a sign. The Lord said I will bring the sun backwards so the sun moved backwards. He became young. Everything became young to him.

So it is going to happen in your life. Maybe you are saying I am too old how can I go to the nations, but the Lord will make you young and you will ride faster. You know Elijah ran faster. Faster than the four horses than the chariots of Ahab, because he had the capacity, because God anointed him. So when the anointing comes upon you. You will look younger. Tomorrow morning you will look younger when you look in the mirror. It is up to your belief after you read this daily prophecies. Because Peter also said I want to walk on the sea. Can anyone walk on the sea. Nobody can walk on the sea, but when Jesus walked on the sea Jesus said Peter come. So he walked on the sea likewise the sun never goes backward, but for Hezekiah the Lord did so. So this is going to happen in your life if you believe.

So this is the prophetic word for you. Behold, I will bring the shadow on the sundial, which has gone down with the sun on the sundial of Ahaz, ten degrees backward." So the sun returned

DAILY PROPHECIES

ten degrees on the dial by which it had gone down.

You are becoming young as others are becoming older. It is like when the anointing comes more and more. When the intense of the anointing comes upon you. You will look younger that is the power of the anointing. When others are growing older you will become younger because your eyes will be brighter and your skin looks like young. Everything your organs look young because

that is the power of the anointing. Hallelujah!

Everyone the healing is coming. Today when the sun goes backward the young is coming. Because your inner organs are going to become young. Hallelujah!

Financial breakthrough is coming! And God is going to extend the boundaries. And God is going to use you widely throughout the nations. This is the prophetic word.

Everyone I am saying it is your belief. You do not put any limits on your desires if you are right before God. If you are keeping holiness and if you are right before God don't put any limits to your promises. It is the time of multiplication. The two fish and five loaves it was multiplied likewise your desires are going to multiply. It is up to you.

My duty is to share the word and when I share I also believe then it will come into my life. It will come into my life because I have faith. And if anyone from the outside is healing they will say, it is nonsense he is saying, but it is up to you.

So when Jesus was ministering in Jarius house he looked at the dead girl and said she's sleeping. Everyone laughed at Jesus. Maybe the people will laugh but it is up to you when you believe your life is going to change. When you believe your life is going to become young. So in every area you are becoming young and great, because the anointing. The king was laid up and he couldn't even wake up because he was so tired. But when the anointing came upon him. He became strong and he became young likewise the anointing is coming upon you and is refreshing every area In the financial area this is the word for everyone.

So you meditate on this word it is for you. Those who believe.

May God bless everyone. In Jesus name. Amen.

DAY 36

DAILY PROPHECIES

it be done? But by My Spirit the Lord says. By My Spirit I will fix everything. I will fix a date and bring everyone and it will be done I hear the word so.

Sister you will pass the test. I sense there is somebody questioning you. Somebody is questioning your authority. So you will pass this test and you will be honoured in your church. Hallelujah! Sister the word for you. Hallelujah!

Increase in knowledge. The Lord is increasing the knowledge to everyone. This is the common word I am speaking to everyone. Do not be upset, because spend your time in worship and the Lord is going to give a breakthrough.

I have a prophetic word to share with you. Let's read the Book of Genesis Chapter 28 verse 15, Behold, I am with you and will keep [careful watch over you and guard] you wherever you may go, and I will bring you back to this [promised] land; for I will not leave you until I have done what I have promised you."

The Lord is telling to everyone, this is the prophetic word, Behold, I am with you. Maybe you are having many problems especially in the financial area or you are in search of a marriage. Or you are looking for a job. There maybe family problems in your life. So you need a deliverance. You need a deliverance at this time so again let's read Genesis 28:15, Behold, I am with you and will keep [careful watch over you and guard] you wherever you may go, and I will bring you back to this [promised] land; for I will not leave you until I have done what I have promised you."

This is the prophetic word for everyone. If anyone is desperate at this time and if anyone is having many problems and can't even pray. Today the Lord is telling you, in Genesis 28:15, Behold, I am with you and will keep [careful watch over you and guard] you wherever you may go, and I will bring you back to this [promised] land; for I will not leave you until I have done what I have promised you."

DAILY PROPHECIES

And will bring you back to this land, if anyone has been deprived of your property from your share the Lord is telling that the Lord will be with you and will bring you back to this land. So if you have been excluded from the land you are going to come back. You are going to get the share. So I will bring you back to this land for I will not leave you until I have done what I have promised you.

So I will not leave you until I have done what I have spoken to you. So this is the word to everyone. Everyone

you must listen. The Lord won't leave you. He will do what He has spoken. There is a restoration in your life. Maybe you have been deprived from your own property. Maybe you have been deprived from your own position. And you have been exited from your place. And those people who are now in authority have told you that you should not come here. You should go from here. So if you are having many such problems the Lord is telling you with this word that I will bring you back to this land.

This is what the Lord is telling. I will bring you back to this land so the Lord is going to bless everyone. So this is the word Hallelujah! In the name of Jesus.

Many doors are opening up for you sister. Sister I see many doors. Many doors means in the spiritual realm I see the prophetic eyes. The Lord is going to give you prophetic eyes. More you are going to see more visions. Hallelujah in the name of Jesus. The Lord will touch your nerves. The Lord will touch your nerves. The Lord will open up the spiritual eyes. And you will see visions clearly. And, I also hear financial breakthrough. The peace is in your family. The peace and I also hear grace. And foreign trips I hear. The circumstance is changing so there will be a migration. I hear the word migration from your place to where the Lord is sending you to that place. So the Lord will bring you back to the land. This is what I hear sister. Hallelujah!

Sister the power of the Lord will come upon you and bring changes. And what you are afraid it will not come upon you. God is going to bless you. I sense you have a bright future. You are worrying about your future. You are worried about your future, but I see many children. I see many children in your life sister. Hallelujah! In the name of Jesus. The Lord will bless your children. And you will have grandchildren I hear. You will have grandchildren. God is going to bring the glory into your lives so you should not be upset. Your children will be blessed, I see like that. Hallelujah!

Sister I see there will be a moment in your life where the Lord will make a shift into your life. And you will have the moment and the peace in your family. What the enemy has taken it is restored. I hear the word so. Hallelujah!

What the enemy has taken that the Lord will bless you in many areas of your life. Hallelujah! In the name of Jesus.

DAILY PROPHECIES

So this is the prophetic word that I am sharing with you. The Lord will be with you and He will bring you back to the place. If anyone is saying, this is the prophetic word, if anyone is saying, that I have been exempted from my own house. If anyone is saying I have been exempted from my own church. If anyone is saying I have been exempted from my own country. If anyone has been rejected from your own house, church, or from the relatives, from your village. The Lord is telling, I will bring you back to the land. I will

bring you back to the church. I will bring you back to the house. I will bring you back to your family. I will bring you back to your brothers and sisters. I will bring you back from everyone who have left you. This is the prophetic word to everyone. Those who have left you this is the word from Genesis 28:15. The Lord is saying, Behold, I am with you and will keep [careful watch over you and guard] you wherever you may go, and I will bring you back to this [promised] land; for I will not leave you until I have done what I have promised you.”

The Lord is with you, the Lord is faithful and it is going to happen. So a restoration, your wife may have left you. Your husband may have left you. Your children may have rejected you. But the Lord is telling I will bring them back everyone.

Something that is not moving perfectly brother. I sense everything is not moving perfectly, but the Lord is telling from this time onwards the Lord is with you, meditate on the word Genesis 28:15. The Lord is with you so the Lord will bring a restoration in your life. You have spent the money. I sense you have spent the money and it is now in others hands. But I hear there is a restoration. Hallelujah!

Sister I hear the Lord is telling that He is giving you grace and government institutions. I see they are recognizing you I hear the word so. The government is approving your sanitation. Hallelujah!

Sister I hear the word genealogy. That means your genealogy is blessed. I sense so. I hear the word genealogy it means your generation will be blessed. And because of your prayer the Lord will make everything positive. And what have been stagnant in your life is going to have a speed up. Sister there will be a speed up. Sister I sense some money matters with relatives in financial areas. There is a stagnant and the Lord is blowing a wind and pushing and there will be an increase in speed.

Sister the power of the enemy is weakened. I sense the enemy has been taking your health. The enemy is taking your wealth. So today the Lord is bringing the fire from Heaven and breaking the chains. And you will settle in the place where you are rejected I see. I see the enemy has taken your place. Enemy has taken your land. So you will be brought back to the land and you will be honoured. Maybe in your eyes it seems difficult, but the Lord is telling I will settle it. Hallelujah! In the name of Jesus.

When you go to sleep God will be with you. When you go to minister God will be with you and will bring you back to this land. Hallelujah!

Sister deliverance, I hear the word deliverance. And you will cross the Pacific Ocean. I hear you will cross the Pacific Ocean and you will settle in the land of snow. I hear the word you will settle in the land of snow.

DAILY PROPHECIES

So I have a prophetic word to share with you I believe in the name of Jesus. The Lord is speaking to everyone. Hallelujah! So it is the prophetic word if you believe immediately it will have the affect. You know the word of God has sudden affect according to your belief. Hallelujah!

It is from the Book of 1st Chronicles Chapter 29 the 10th verse, it says. David's Prayer - Therefore David blessed the LORD in the sight of all the assembly and said, "Blessed (praised, adored, and thanked) are You, O LORD God of Israel (Jacob) our father, forever and ever.

It says, both riches and honour come from Lord God, David is saying before the assembly. David is presenting before the assembly the 12th verse, Both riches and honour come from You, and You reign over all. In Your hands are power and might; in Your hands it is to make great and to give strength to all. Hallelujah!

So everyone if you believe, David is presenting before the assembly, He is before the assembly and he is praising God. He is praising Blessed are you Lord God. He is saying like that and in the 12th verse David is saying, Lord God Both riches and honour come from You.

So you are saying, because of that witchcraft, I cannot go. Because of that anti prayer I cannot be lifted up. Because of the enemies I cannot grow in the ministry. Because of the negative prayers or witchcraft I cannot from the magician or sorcerer or any envious person cannot control your honour. They cannot control your blessings, because it is coming from above. It is coming from God YHVH. So if you believe, if you believe that you will have it. So this is the prophetic word. Hallelujah!

It will have immediate affect. If anyone is stagnant and saying I need a deliverance in the financial area. I worked a lot, but I am not honoured anywhere. So it is not because anyone is praying that anyone is anti praying. You know negative prayers. They cannot control God. It is the riches and honour are fully controlled by God. If you believe, that is what David is saying, both riches and honour come from you. So it is coming from you only God has to decide to whom it should be given and when it should be given. So if you believe you will have immediate effect.

You reign over all. Everyone must realize the enemy cannot control over us. Because here David is saying, you reign over all and in your hand is power and might! In your hand is to make great and give strength to all. So if everyone believes you are going to become great!

DAILY PROPHECIES

Today by this word in the name of Jesus for everyone who are reading. You are going to become great! How many of you say Amen? Because it is the Lord's word upon you. You are going to become strong and you are going to have more strength. And you are going to establish and you are going to have power, because you are controlled by God and not by the witchcraft or by the sorcerer or by the magician or any envious people cannot do any harm to you

Maybe a thousand eyes are looking at you. A thousand envious people are looking at you. But I tell you they cannot block your blessings, because it comes from God YHVH this is when you believe both riches and honour come from above! Hallelujah! In the name of Jesus.

So God is going to bless everyone. God is going to bless everyone in the name of Jesus. You are called to minister in the name of Jesus.

Sister you are called to minister. And promotion in your life.

Sister immediate arrival I hear the word sister. Immediate arrival. Financial breakthrough is coming to you. And the Lord will give to everyone a word. So open your heart and receive the word. Ask the Lord to speak to me. The Lord wants to speak to everyone of you who are reading these daily prophecies. So realize one thing, the riches and honour, the greatness, the power and everything coming from God YHVH.

So your cases are going to settle. Lord speak to everyone in these daily prophecies in the name of Jesus.

Promotion in your life sister. Improvement in your life sister. People who are against you will be with you. Financial settlement. Sudden change sister. I hear the word sudden change. Hallelujah! You will have the marriage. Sister you are healed. You are healed from what you have been having from your birth I hear. You are healed. Hallelujah! In the name of Jesus.

You will fly I hear sister. You will fly. Hallelujah! A permanent cushion seat I see sister. Hallelujah! In the name of Jesus.

Be courageous sister the Lord will lift you up! I hear the word so. You are healed sister you are healed! Hallelujah! In the name of Jesus.

Brother there is a long journey coming to you. Hallelujah! Increase in knowledge and power Apostle. Hallelujah! The Lord is speaking to everyone. Hallelujah! In the name of Jesus.

I thank God! The Lord has spoken the words. Hallelujah! The Lord will lift everyone. Hallelujah!

DAILY PROPHECIES

The Lord will lift everyone of those who are watching. It is up to you your belief. So this is not a wasting time and the Lord is going to speak to everyone who are reading these daily prophecies.

So this is the prophetic word that riches and honour are coming from above and nobody can block it. If you doubt you will not get, but if you believe, if you believe without any doubt, riches, honour and power and greatness and

establish. You will be established to everyone. And the

word to everyone. And this is the prophetic word.

So God is going to make a supernatural shift. I believe those who are reading these daily prophecies, I sense there is an improvement in everyone's life. Because humbly I am saying, when I minister here I am actually edified, I am actually blessed. So you will also be blessed. I think so. I am saying every prophetic word by belief. So a blessing is coming to me also. So when you believe you will have that blessing 100 percent.

When I give a prophetic word to you I am saying it fully by belief that you will get it. So I will get a little of the blessing of every word given to you. So many blessings are coming to me and I am seeing in my life. I am seeing in my personal life, in my family life, in my ministry. In every area I am blessed in these daily prophecies.

So that is why I sense everyone of you are also blessed. If anyone is saying I am not blessed don't blame God or don't blame me, because it is all working out by faith. By belief. Because when you believe in God your blessings are coming from above and when you believe that will come from above.

If you are looking at the riches and honour and expecting that someone will come and honour you. You won't get the honour and riches, but If you believe like a small boy, a small kid that riches and honour are coming from above. Surely it will come. It will have a sudden effect. Immediately you are going to see. The Lord is going to increase everyone's anointing. Hallelujah!

May everyone be blessed in the name of Jesus. Amen.

And you need not to get worried the Lord says, because a promotion is coming in your business and your personal life. Sister it is very soon. I hear the word attachment also for you sister. Hallelujah in the name of Jesus.

Sister I see you in the winners list. The Lord is giving you a promotion. I see you in the winners list. And what you have been doing so far I see a tick mark. So it is right with you I hear. It is right with you.

Sister Hallelujah! No more stagnant I hear. I hear the word no more stagnant. You are circling

DAILY PROPHECIES

around a round area. A round area you are circling the Lord is telling me. No more stagnant. You will move if you believe. Hallelujah! In the name of Jesus.

Apostle opening new gates and the Lord is going to extend your boundaries. You should not keep awake. I sense you are seeking for an opening. The Lord is telling me you need not keep awake and look for the opening. It is already open. And when the time comes it

will be revealed to you. So you are already being in God's hand so nothing you shall be worried says the Lord, Apostle. Hallelujah! In the name of Jesus.

Sister Hallelujah! One side mountain and the other side cliffs. I see like that. The Lord is taking you passing through many hurdles and trials. But you will overcome everything I see, because the Lord has sent the angels to your life. So you need not to be afraid. Especially in the financial area and also in the family. The Lord's favour is upon you so you will be honoured.

Sister the main key is with you I hear. I hear the main key is with you. When I looked at your name I see a chess board. You know the rook. I see the rook. You might not know what is rook? It is a player in the chess board so it is like that and means the main keys with you. So when you move it depends upon many people attached to you. Their deliverance is connected with you with your deliverance. So every person attached to you. Your family members, they are all as you get deliverance, they get deliverance. The situation is like that. So the Lord is going to make a right move. And the invitation is coming sister. The word for you. Hallelujah! In the name of Jesus.

Sister the enemies power is weakened and no more confusion. I sense your minis is confused. The Lord is telling no more confusion. And the Lord will use you powerfully I hear the word so sister. Hallelujah! In the name of Jesus.

Sister, immigration, I hear the word immigration. You are going to immigrate to the other place and the Lord will settle you there. And doors will be opened.

Sister Hallelujah! I see there is a big wall for you. When you look at it, it seems very big, but the Lord is telling I will make you to go successfully. And you will enter the promise. You will enter the promise.

Pastor financial doors are opening. And spend more time in prayer and I will increase the power in you says the Lord. In the name of Jesus.

Sister today the Lord is going to give you a blessing. And I hear the child, I hear the word child is coming. Hallelujah! In the name of Jesus.

DAILY PROPHECIES

Happy News! Everyone is going to hear the Happy News! And financial breakthrough to everyone.

Sister I see you in the choir. I see you in a big choir. It doesn't seem like the choir in the church, but you are singing in the big choir. I see along with many singers in a big crusade. I see like that in the choir. The Lord will take you and the Lord has noted you and will lift you up and use you as a powerful weapon to give breakthrough to everyone. Hallelujah!

Welcome everyone! The Lord is going to blow the wind upon everyone. So the prophetic mantle is going to fall upon everyone. So receive the power of the Holy Spirit. Hallelujah! In the name of Jesus. The Lord is opening many doors for those that are waiting. The Lord is going to open many doors. Hallelujah! In the name of Jesus. This is the golden chance that the Lord is going to open the doors. Hallelujah! In the name of Jesus.

So I am thankful to all brothers and sister who are reading the daily prophecies.

Hallelujah! The Lord is going to speak to you. I have a prophetic word for you. I will read that prophetic word, in the name of Jesus. So this prophetic word will give you a deliverance. It will bring a change in your life. Maybe some of you need a word at this time. So this is the word, you know when you read the Book of 2 Corinthians Chapter 12 we can see that God was using Paul in a mighty way and he was taken to paradise 3 times and he has more revelation then other godly men.

So in order not to become proud of himself God made him some pain. With some temptation like that is a messenger of satan that is harming him. The is what Paul is saying. So he prayed to God. He pleaded with God to deliver him from that area, but what God replied, I am reading 2 Corinthians 12:9 that ninth verse, And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me.

Hallelujah! So this is the prophetic word I am sharing with you. So the power of God is going to rest upon you. That is the prophetic word that the power of Christ may rest upon me, Paul is saying. So he prayed to God three times. Here Paul is saying, it was the messenger of satan to buffet me least I be exalted above measure. So he said concerning this thing, I pleaded with the Lord three times that it might depart from me. And God said to me, My Grace is sufficient for you. For my strength is made perfect in weakness therefore most glad therefore I rather gloryin my infirmities, that the power of Christ may rest upon me.

DAILY PROPHECIES

Sometimes when we are weak in many areas. If you are more wise, if you are more intelligent, if you are more strong, it is very difficult for God's power to rest upon us. So sometimes God will make us weak. He will make us fail. He will make us fall. And He will make us weak and we may have a depression sometimes. But that is because God wants to bring the power of God upon you. So that is why, My grace is sufficient. So when you are weak in an area and you are crying, but you should

not find pleasure in that is very important. You should not find pleasure in that weakness. That is why there was a man laid up for 38 years and Jesus asked him, Do you have the mind to get healed? Because he was finding pleasure in that lying.

So maybe in some area you are weak. You are not strong. You are weak, but in your heart you should cry to God I need a deliverance. God I need a deliverance. God will look upon your heart. God is looking upon your heart. And if you desire for holiness, if you desire for holiness and if you cry to God for holiness and if you pray like this, Lord, if I cannot be holy in this life take it away from my life. If your prayer is like that or in another area if you are weak. You cannot become more wiser in that area so you are crying to God for the Lord's hand to come. So the Lord is telling if anyone is crying like that My grace is sufficient. Because the power of God is going to rest upon you. So this is the prophetic word. Hallelujah! In the name of Jesus.

So when you believe. Maybe you cannot grow in one area. Maybe you cannot speak fluently. Maybe you cannot see the things very clearly. Maybe you are a minister and God is using some young ministers more powerfully than you in the place where you are. Or where you are staying the neighbours and relatives are more wealthy, healthy in every area their better than you. And you find some pain in that, but I tell you that pain or that weakness is because you must realize today that the Holy Spirit is saying, My grace is sufficient for you, because the power of God is going to rest upon you. So the enemy cannot block you.

Because you are going to move faster! God is going to increase your boundaries. I see many doors opening for you to everyone this is the word. Because the power of God is going to rest upon you. The grace of God is upon you so are going to be separated from the Holy people, but you are also among the Holy people. So God is going to do many great things in your life. God is extending your boundaries and touching your inner eyes. And you are going to see greater revelations. God will speak to you. He will speak to you. He will deposit the fire in you and releasing the power in you so you are going to move in every area. And miracles are going to happen in your life this is the word for you. In the name of Jesus. Hallelujah!

DAILY PROPHECIES

This is the prophetic word is that the power of God is coming upon you! In the name of Jesus.

Sister I hear the money is coming. I hear the currency notes are coming he financial problems settled, I hear the word so. The financial problems settled in the name of Jesus. This is the prophetic word Hallelujah! In the name of Jesus. So the Lord is going to separate everyone from the world. So keep away from the people that are

following you that is trying to share the Glory of God has deposited upon you. So keep away from such people. This is the word Holy Spirit is speaking.

So the power of God is upon you and God will use you powerfully and some people will come and take the Glory that they will also come to share, but no the Lord has built a fence around you. So be separated from such people. The Lord is telling the Lord will use you mightily.

Financial doors are opening for everyone! So I can see the names.

I am humbled to everyone for you have spared time reading this daily prophecy. But I tell you this prophetic word it will bring a change, because the power of God is resting upon you in your weakness! Because His grace is upon you! But you have to cry in your weakness, Lord find pleasure in the weakness. You have to cry, Lord I want deliverance. I want to come out from my weakness. When you cry like that and if you find pleasure in your weakness; God's power won't rest upon you. I am saying, but when you cry, Lord I want to come out from the weakness. Surely the Lord's power will rest upon you. Because His grace is upon you.

The Lord is doing greater to everyone! Foreign trips are coming to you sister. All persecution is going to end, I hear the word. Increment is coming sister.

Pastor promotion is coming. Everyone I have given the word.

If you are crying in any area to be lifted up. Today the Lord's power is resting upon that weakness area, because of His grace upon you. That is the word.

Hallelujah! I am thankful to everyone!

May God bless everyone in Jesus name. Amen.

You will stand in the auditorium I hear the word for the ministry. Hallelujah! This is the word I hear from the Lord. Hallelujah! The Glory will be revealed in you and financial breakthrough and you will cross the bridges. You will cross the major problems. Hallelujah! In the name of Jesus.

The Lord is going to speak to everyone. Today I have a prophetic word to share with you.

Sister the enemy cannot stand before you. You will overcome all of the challenges that you are now facing. In the family and outside I hear the word so.

Sister promotion in your life. Promotion in your life I hear the word so. There is a promotion coming and the peace is in you. You are healed. Sister I hear the word you are healed. Financial breakthrough also coming.

You will see the open Heaven. I hear the word you will see the open Heaven. Today the Lord will bless you. To everyone nothing you should be afraid. So I have a word to share with you. That is from the Book of Genesis Chapter 8 verse 1. This word is going to activate in your life. Let's read that, But God remembered Noah and all the animals and all the livestock that were with him in the ark; and God caused a wind to pass over the earth, and the water subsided. Hallelujah!

So this is the prophetic word. You know the rain was continuously pouring for 40 days – day and night. So the water began to rise and he was frightened I think. I think he was afraid when the water was rising up. So that is why the word is saying, God remembered Noah. So when God remembered Noah what God did was he made a wind to pass over the earth and the water subsided. So this is the prophetic word to remember you. God is going to remember you. And He is going to pass a wind to pass over the earth. He is going to make a wind pass over you. And it is going to blow. And when it blows you know what happens. When Holy Spirit comes upon you whatever is stagnant in you will begin to move. What's not functioning and stagnant and not opened and whatever you have been waiting for years is going to work.

DAILY PROPHECIES

So here God remembered Noah. This is the word for everyone. This is the prophetic word to everyone who receives. It is very powerful. I hear this word from God. God remembered Noah. So today God is going to remember you. You have heard all the promises from the time you received Jesus Christ as your saviour till this time. You have many promises. Many promises through many prophets, when you read the bible. Also when you walk on the way sometimes God will speak to you.

But these are going to come to pass in your life.

It has not come to pass until this time, because there was something stagnant, but today if you believe, if you believe this word. Every word is very powerful. Every word in the bible is very powerful. It will be activated in every person who believes. There is no partiality or discrimination. To every person who believes every word will come to pass. That is the power of the word in the bible. So to everyone reading God is going to remember you. That is the first thing. He is going to remember you and also He is going to stir up, stir up all the promises that are upon you. So when the promises are stirred by the Holy Spirit what will happen. It will come to pass on your life.

It is going to activate in this season. The world is afraid of pandemic, but you are going to celebrate. How many of you believe? The world is afraid of the injection, they are taking vaccinations, they are thinking about how will we survive the covid19. But I tell you, if you believe this word God is going to lift you above this pandemic, because He is going to blow a wind into your life. And it is going to make all the dreams all the promises are going to activate in your life if you believe.

Whatever, maybe the titles are not given, maybe the registration has not been given, house constructions have not been completed is has done up to the middle portion only. And many doors are yet to be opened. And there is no members in the church also. And the ministry is not going well. And the prophetic eyes are not opened so people cannot see the visions clearly. So many, many problems are like this, but when the wind blows upon it I tell you in many areas you will get deliverance.

This is the prophetic word. Not in one area, you know when you place a paper in a place when the wind blows what will happen? That paper will blow away. It will be taken away by the wind. So if you place many papers all the papers will blow away, likewise, when the wind blows, when God remembers you and when God makes a wind to pass over you, what happens,

DAILY PROPHECIES

in every area there will be a push up, a gushing out. There will be an opening. There will be a breakthrough, an opening, your eyes will see, your inner eyes will see. Your inner ears will see, your skin colour will change, your hair colour will change, your personality will change, your financial area will change. And every area there will be a change. The ministry will change. Your family relationship, friendships, and everywhere there will be a change. In the social media you will get new

connections, because the wind will blow. The wind will blow in every area. Only the right persons. When the wind blows only the right persons will come to you. This is when the Holy Spirit blows.

So this is the word and it is going to be activated in your lives. So I am thankful to everyone. It is going to work in you. Let the wind blow right now. Lord Father I pray in the name of Jesus you remembered Noah and you released the wind. You commanded the angel to blow the wind. And today let the wind blow upon those reading this daily prophecies. Right now let the wind blow in every area. In the financial area. In the prophetic realm every area. In the ministry. In the family. In the business. In the health. Let the wind blow fire in the name of Jesus. And God is going to take you out from the pit I hear.

Sister what has been torn and rejected in every area. Whatever has been torn and rejected and waste in the eyes of everyone. God is going to honour you. And God will make you popular.

Brother you will have many travels. You will have many travels. Pray at home and deliverance will come. And the finance will be opened to you. In the name of Jesus. Hallelujah!

Be courageous. Everything is going to case. Settle down. You will have a promotion. You will have a promotion in your personal life. In your family life. In the ministry. Sister you will stand in the pulpit. I hear the word. You will have changes in your life. You will have new connections coming. I also hear marriage. I hear the word. I hear the word marriage. Hallelujah! In the name of Jesus.

Lord I pray for everyone in the name of Jesus. So the Lord is going to speak to everyone. It is up to your belief. He is going to do greater things in your life. There will be a change in everyone's life. Hallelujah! In the name of Jesus. Hallelujah!

The Glory of the Lord is coming upon you sister. I see the Glory the Heaven is opened. And settlement in financial and it is going to be secured. I hear the word so. Family life is going to be secured in the name of Jesus.

So today the wind is going to blow over everyone's life. The wind is going to blow. So there

DAILY PROPHECIES

will be a change. If it is night there in the morning when you wake up you will see many changes. If it is daytime there by evening before you go to bed you will see many changes. That is when the wind blows. You know when the wind blew the Red Sea was divided. God made the Red Sea to divide when the wind was blown. Likewise, something will happen, something will happen in your life.

This is the word, this is the prophetic word to everyone if you believe. If you believe not what I am saying, but if you believe this word God remembered Noah and God made a wind pass over – over you! It is your belief. When you believe the wind from God, the wind from God who has been accompanied by the angels. God has commanded the angels to direct the wind. And they will be directing according to your faith. If you have faith the wind will come in your house. Upon you it will blow. If you have no faith, it will go to some other place. That is the Lord directing. And He has commanded the angels to look for who are faithful and have believed. This is the word of God, He remembered Noah and He blew a wind and the waters subsided. That is what the Lord is saying and the water subsided. It means the water subsided whatever problem you have it going to settle down. Here the water was rising up so He blew the wind and it was subsiding. Likewise the problem you see is huge a Big mountain Somebody wants the house, somebody wants the business to go well. Somebody wants a healing in the body. To them it is seen as a big problem. It is a big problem. But when the wind blows what will happen? Everything will cease. The pain will cease. You will never see the pain in your body. You will never see the disease in your body. You will never see the emptiness in your bank account in your passbook, in your bank passbook never emptiness. Never emptiness in the Spirit you will be filled with the Holy Spirit. The wind will blow. So this is the prophetic word for everyone.

I am thankful to all brothers and sisters who are reading this daily prophecy.

May God bless everyone in Jesus name. Amen.

And I hear the land of honey that is what I am hearing. The land you are going to purchase is a fertile land. So the Lord will bless you.

Sister the enemy is trying to tense you I see you like that. The enemy is trying to tense you and do not be tensed. The Lord will lift you up and the Lord has great plans for you and do not be engaged with the worldly things. The Lord is telling when the time comes I will lift you up, says the Lord. Hallelujah! In the name of Jesus.

I am thankful for everyone reading this daily prophesy. So the Lord is going to do great things in everyone's life. I have a prophetic word. That prophetic word will give you changes.

Sister the peace in your family and the Lord will speak to you. The Lord will speak to you through dreams I hear the word so. The Lord will speak to you through dreams in the name of Jesus.

Be courageous says the Lord sister. Be courageous!

So I have a word to share with you. It is from the book of Ephesians, if anyone is saying I did not get the right word. The Lord has given me a prophetic word that is to everyone who receives. It is from the Book of Ephesians 1:3, it says, Blessed be the God and Father of our Lord Jesus Christ, who has blessed us with every spiritual blessing in the Heavenly places in Christ. Hallelujah!

So it is saying, God has blessed us with every spiritual blessing. So many people I know they are not concerned with the spiritual blessings. They want the material blessing. People are not bothered. Once when I was in my church office one sister came from a long distance and she wanted to have the prayer request said to me. She wanted to marry her daughter, but she needed finances for that, so I spoke to her about Jesus and about the eternal life. She

DAILY PROPHECIES

said, I know about Jesus, so now I want the financial breakthrough. So people are like that they are not concentrating or concerned about spiritual blessing. But I tell you, first the blessing will come only in the spiritual realm, then only come in to be revealed in the material body. That is for example when God spoke to Abraham and God separated Abraham, his spiritual realm was different. So God began to speak to him from that day onward his spiritual realm is become high. He

has become spiritually blessed, but through external eyes no blessings are seen, but through the inner eyes any person who inner eyes are strength can see that Abraham is blessed.

If you look at John the Apostle in the Patmos island. A natural man would say John needs a deliverance, because he is alone on the island of Patmos. He has no ministry, he's left everything and he has been thrown in the island of Patmos and he needs a deliverance, a natural man would say. But a spiritual man will understand what is of God. Likewise I am telling you, when God first blesses a person it will come in the spiritual realm. Maybe it will take some years to come outside. That is the example of Abraham. God spoke to Abraham that I will bless you with many children from that moment onward he was blessed.

So a spiritual man can understand. A man who is strong in the spirit can understand and when he looks at Abraham's life he can realize that he is spiritually blessed. But a natural man when he looks at the life of Abraham, he is not seeing anything. He thinks he used to have a spiritual life with God, but God is not seen. I am saying this because here this verse is saying, Ephesians 1:3, God has blessed us with all spiritual blessings. When you realize that all the material blessings will follow. If you do not realize that you will not see the material blessings.

Maybe you are in need of a marriage. Or you want the ministry doors to be opened. Or you need or want a healing in your body. But before that what God has to do is God has to bless you spiritually. That is what this word is saying. So this is a good prophetic word. You have to meditate it. When you meditate, pray in tongues and open the bible and look into that verse and meditate. Because that verse is saying that God has blessed us with all spiritual blessings. Not one or two spiritual blessings, he has blessed us with all spiritual blessings. All means nine gifts of Holy Spirit and nine gifts for Spiritual fruits of the Spirit and all the riches.

So realize we will be financially blessed. We will be having good health. We will be blessed and our lives will be blessed. In that verse there is everything contained in that verse and that means He has blessed us with all spiritual blessings. Means, nine fruits, nine gifts and all the riches of Heaven has been given.

So this is the prophetic word. So you have to meditate on this word in your prayer time. When you pray in tongues meditate that word. He has blessed us with all spiritual blessings. Hallelujah!

DAILY PROPHECIES

Sister I see you are involved, but not directly involved with some politicians. I see sister, but the Lord is telling to keep a distance from every such people. And the Lord is going to bless you spiritually.

Sister Hallelujah! The enemies power is weakened and you will fly like a pigeon. I hear the word pigeon. You will be honoured. And settlement in areas regarding the family relationship I hear the word so in the name of Jesus. So this is the prophetic word. Hallelujah!

If anyone is saying my prayer request have not been answered. I say example that God spoke to Abraham, God I have made you a father of many children, but it is not seen for many years. God spoke to Abraham that I am going to give you many children, but Abraham is not seeing any children. But think about if Abraham is not rejoicing in his promises what will happen. But he was spiritual he was rejoicing in promises.

So it took 40 years for Joshua to become the leader and he was rejoicing in his promise. So materially the blessings of God was not seen while he was in the wilderness, but he was rejoicing! That is what I said, The Lord has blessed you with all spiritual blessings. Everyone when you realize that you will won't have any disease in your body. There is no diabetes in your body, there is no high blood pressure in your body. There is no cancer or tumour in your body. And you are not to be laid in the hospital. You will go to hospital only for praying. The Lord will separate you and you will fly like the eagles. And the Lord will settle all the cases.

So this is the common word for everyone, but it is everyone who receives will have all the spiritual and material blessings. Enemy power is weakened and you are going to go to the nations. I see the Lord will speak to you tonight. To everyone the Lord will speak to everyone I am saying and you will see. Tonight the fire of God will come upon you.

Somebody is saying I am not happy. I am not feeling happiness. I am telling you that you are not feeling happiness because you did not see this word that God has blessed you with all spiritual blessings. So why are you not happy, I am asking? You have to enjoy. You have to relax. When you read the book of Habakkuk 3:18 Habakkuk the prophet is saying, he had everything and now he lost everything, but he is saying, still I rejoice! He had everything, but now he's lost everything, but still I will rejoice in the Lord. Because he's rejoicing he lost not only the external things, he did not lose his spiritual blessings. He lost his cattle, he lost his vineyard, he lost his grapes, he lost the land, but he did not lose his spiritual blessings. So I tell you, when you realize, when you are concerned about your spiritual blessings everything will follow you.

So this is the prophetic word and I see the fingerprints. The Lord has written your name in the Lord's hand sister. The Lord has written your name in the hand of God, I hear. Your fingerprint has been in the Lord's hand. This is what I hear.

DAILY PROPHECIES

A promotion in your life sister. In the name of Jesus! Hallelujah! The Lord is giving a celebrated life to you sister. I see the vision of a person landing in a parachute. That means a flight was having a accident and the person escaped from that flight. It caught fire and the person was jumping out from that aircraft and jumps out from the parachute. It signifies you have escaped from a great battle and the Lord has saved you. So the Lord will defeat the enemies from you. And God will arrange everything. I see you sitting in a robe. Sister I hear the

word, sitting in a robe. Hallelujah!

The finances are opening for the new beginnings. You are going to purchase more things for the ministry pastor. Hallelujah!

Sister I see the cushion seat coming for you the honourable seat coming. And you will have to go back to your home then you will come back again. This is what I hear in the name of Jesus.

Apostle I see you signing new documents. The Lord has blessed you more in the ministry in the name of Jesus. Hallelujah!

Sister keep a distance with all the ungodly people. That means even with your own family maybe the place where you are staying. Keep a distance with all ungodly people. And God is going to bring a great change in your life in the name of Jesus.

I see you sister and you will stand in the auditorium and the Lord will honour you. I see finances opening up for you sister.

The church will invite you sister and you will be one of the speakers In the name of Jesus. Hallelujah!

Pastor the sinusitis is healed in the name of Jesus. Sinusitis healed in the name of Jesus.

I am thankful for all brothers and sisters. And if I have not given any word to you, this is the prophetic word and it is very powerful. Maybe you have been praying for a material thing, but first you have to realize the Lord has given you all the spiritual gifts. When you realize all the material things will follow and be given to you. That is what the Lord is saying.

May God bless everyone! In Jesus name. Amen.

DAY 42

FOR THE REVELATION PERTAINS TO AN APPOINTED TIME – IT SPEAKS TRUTHFULLY ABOUT THE END. THOUGH IT DELAYS, WAIT FOR IT, BECAUSE IT WILL SURELY COME ABOUT- IT WILL NOT BE LATE!

HABAKKUK 2:3 ISV

Praise the Lord,

Greetings to everyone! Welcome to daily prophecies.

I thank God in the name of Jesus for giving me an opportunity to minister here. Also, I am thankful to all brothers and sisters who are reading.

Sister the fire is upon you. I see the fire is upon you and the Lord will continue to study what He has partly studied something that is partly completed and the Lord will help you study completely the course. I hear the word so.

Sister you will pass through the test. You will come out as pure gold and no one can defeat you for the Lord is with you. Surrender to God the Lord says.

Sister I see the boundaries extending and the Lord is extending your boundaries. Whatever the enemy has put in your area I see the angels coming and bringing you out from all that limits. Hallelujah!

Sister I hear the word peace. The peace is in you sister and foreign trips I hear the word foreign trips. All the negative attitudes let it go, I rebuke in the name of Jesus.

Sister the power of God will come upon you and it will bring a great change in your life and it will bring a great change in the place where you are staying. These things will happen immediately. There will be a removal of the old things and the new things are coming. Hallelujah!

Pastor I hear the word something is going to happen in your life before time. I hear the word premature birth. Premature birth means before time. What you have been seeking the Lord it will happen before time by God's grace.

Sister I see the Lord has put your signature. That means your prayer requests are going to be sanctioned and your best time is coming and the doors are opening for you. And those who expelled you will come back and receive you. I hear the word so.

Sister I hear financial breakthrough is coming. I see provisions and there will be journey's coming. I hear the marriage in your family. Greater things you are going to see.

Apostle Hallelujah! You are called to minister. When you stand in the pulpit the power of God will be released. And people will be healed and delivered I hear the word so Apostle.

Brother the power of God will come upon you. The strength of God I see what you have

DAILY PROPHECIES

planted in your mind it is going to grow by God's grace. God is going to give you a blessing in your native place. Your native place is a blessing is coming I hear the word so in Jesus name. Hallelujah!

Welcome everyone! Sister keep the eyes shut. I hear the word keep the eyes shut and see the Lord's wisdom upon you. And you will see greater things. Keep your eyes shut and open your mind and you will see the Lord's wisdom and see great things in your life.

Sister Hallelujah! There will be an excursion. I see an excursion with your belongings and with your beloved ones and that will bring happiness into your mind. An excursion is coming. I see that will bring you will settle with your parents and husband I hear the word so. You will settle with your parents and husband this is what the Lord is saying. Hallelujah! In the name of Jesus.

Sister I see the honour the cap the cowboy hat. You know the cowboy hat it is folded on one side. So I see that cowboy hat that you are wearing. That means you will have a mission in the rural areas. Into the interior parts of the U.S.A. I see like that with the cowboy hat in the name of Jesus. Hallelujah!

So welcome everyone! And I have a prophetic word. And it is a very good prophetic word and everyone likes this word very much found in the Book of Habakkuk Chapter 2 the 3rd verse, it says, Hallelujah! For the vision is yet for an appointed time, but at the end it will speak and it will not lie. Though it tarries wait for it because it shall surely it will not tarry.

How many of you say amen? It is a very good verse that is the prophetic word, it says, for the vision is yet for an appointed time. So before reading that let's read second verse also Habakkuk 2:2, then the Lord answered to me and said, write the vision and make it plain on tablets that he may run who reads it. Hallelujah!

So you must write all your prophecies in a book and when you get time you have to review everything. So that will bring more speed to your promises. It will bring the things to happen more easily. To have before time. So write your promises in a book and whenever you get time you look at it and say thanks to God.

So that is faith, before time it will come. Here the Lord is saying write the vision and make it plain on tablets. So this is the prophetic word the third verse, for the vision is yet for an appointed time, for in the end it will speak and it will not lie. Though it tarries wait for it for it will surely come, it will not tarry.

Everyone reading has had many prophecies and there is a time fixed for them. So some prophecies have been fulfilled in your life. Some you are going through that prophecies and the main prophecies are yet to come. So there is a time. The Lord is saying, write it down on a tablet, write it on a book and wait for it everyone. To everyone you write word.

DAILY PROPHECIES

So in the prophetic threads, I get prophecies, so I save everything. And I put them in a folder. I have many prophecies. Every day I receive and I put them in a folder and save it. Likewise you can write it in a book or something. And whenever you get time, you look at it and you be happy with that prophecy, because it is going to happen. The Lord is saying, it won't tarry, wait for it, surely it will come. All the prophecies.

Let's read again what it is saying, Hallelujah, for the vision is yet for an appointed time. So the main vision is yet to come. Nobody knows who you are. The world doesn't know, but you are a history. How many of you have the confidence? You are not an ordinary person, through you the world will come to know the miracles. How many of you believe? So nobody knows who you are. Your neighbours doesn't know. Your friends doesn't know who studies with you. It is yet to come. This is what it says, the vision is for an appointed time. When the time comes, you will be seen in the television, you will be seen in the newspapers, you will be seen everywhere. And you will be the talk of the town, how many of you believe? You will be the talk of the town. Hallelujah! So there is a time for it. Hallelujah! The vision is for an appointed time, but in the end it will speak. Though it tarries, the Lord is saying, though it tarries, wait for it, because it will surely come it will not tarry. Hallelujah!

This is the prophetic word, all the prophecies that you have heard through God YHVH and His servants are going to happen in your life. So today, it is going to happen, if you believe. So don't doubt. Though it tarries.

Somebody is saying I have many prophecies, but I am not seeing it. The Lord is saying, though it tarries, sometimes it will take some time it is set for an appointed time. You have to wait patiently.

Joshua waited 40 years, he was not wrong before God. He did not sin before God, he was right before God. But it took 40 years, for his anointing was more. You know Daniel was brought up in his very childhood, but Moses was in a very old age. So the ministry is going to be different.

So if you wait long, the anointing will be more when you minister. So you should not complain, because some of you are complaining about the daily needs, but you are not called for the daily needs. You are called for a great purpose. For the purpose of the Lord. That is the main purpose.

That is why it is yet to come. It is fixed for an appointed time. This is the prophetic word, I declare, it is the beginning of you, you are stepping into the prophesy. How many of you believe? So renew your passports, prepare the luggage. Get ready for the travel. The Lord wants you for the nations. How many of you believe? So get ready. We have no time to cry. We have no time to think about the worldly people are thinking like that, because we are created for His purpose. We are not created for our purpose. But some of us are crying for the daily needs. I want marriage. I want family peace. I want financial breakthrough. These are all on the way,

DAILY PROPHECIES

but we are created for God's purpose and appointed for a time. It won't tarry. The Lord is telling me it won't tarry. It will surely come. Today the Lord has put the seal that you are stepping into this prophetic revelation as you read. I am getting the revelation from God and saying. So you are stepping into the first step of your main calling. How many of you believe? Many promises you have heard, you have heard many promises, and it has come to pass.

But you are called for a main purpose. And that you are stepping into that main calling so today it is going to happen. So stepping into the main calling means you have put your leg in the door that is opening. If it is night, tomorrow morning, if it morning, before night. How many of you believe? So this is God's work.

So God is going to bless everyone. I am thankful!

Sister financial breakthrough! More doors are opening for you Pastor.

The sinusitis healed sister! Sister I hear the church bell ringing. The church bell ringing means a happy ceremony is to come in your life. Hallelujah!

The speed is increasing sister! The speed is increasing! So greater things you will see!

Sister everything is going to case. All the problems are going to be settled. I hear the word so and the power of the enemy is decreased. It is decreased. I see you will never see the enemy sister and no more confusion in your life. You have stepped into the promise. Hallelujah!

Sister I see a vision of a kite flying. And it is the Holy Spirit that is guiding that kite and I see you are in that kite. You are going to move! Hallelujah! The power of God will come upon everyone in the name of Jesus.

Hallelujah!

Everyone – I am thankful for everyone! May God bless everyone!

So you are stepping into the main promises you are going to see. So get ready for the great revival. God is going is going to use you for a great revival. So I am thankful for everyone!

May God bless everyone. Amen.

Sister you are healed! The leg pain and everything healed need not to take medicine. The fever is going I hear the word in the name of Jesus.

So the Lord is going to bless everyone. I have a prophetic word it is in the Book of Malachi Chapter 3 the sixteen verse. It is a very good word. That word is going to speak to you in the name of Jesus everyone. And those who spoke to one another and the Lord listened and heard them. So now you are saying in your heart words such as Shalom, Glory to God, you are giving thanks to God. So you are actually speaking to God. What you are saying, God is looking at you. What you are thinking you are speaking to God. So let's read again this verse, And then those who feared the Lord, spoke to one another and the Lord listened and heard them. So a big book of remembrance was written before Him for those who feared the Lord. Hallelujah!

This is the word the prophetic word in verse sixteen and I also read verse seventeen I shall read also, they shall be mine says the Lord. On that day I will make them my jewels and I will spare them as a man spares his own son who esteems him. So this is the word, you are thinking here, but you are speaking to the Lord. How many of your believe? You are speaking and the Lord has heard. Let's read, then those who fear the Lord spoke to one another and the Lord listened and heard them and a book of remembrance was written before Him for those

DAILY PROPHECIES

who fear the Lord and meditate on His name.

So your name is written in the Book of remembrance. So the Lord is saying that they shall be mine on that day and I will make them my jewels and I will spare them like a man spares his own son whom serves him. So that is the prophetic word. You have to meditate on His name. How many of you believe? Those who meditate on His name there is a book of remembrance before the Lord. And the Lord is looking at you. So the Lord has great

plans to everyone. You must have a revelation of who you

are in Christ. You are not a normal person. You are not a normal person like your neighbour or anyone who walks down the road or a superhero of world. You are not like such a person. You are an anointed person. A powerful vessel of the Lord. So there is a book of remembrance written. So those who are speaking the Lord heard and your name is written. So the Lord heard you and will honour you like the jewels. God will honour you to everyone. So your life will be a blessing. In your last days, that means when you become old, you don't need to seek somebody to help for their will be angels to serve you. How many of you believe? There will be angels.

Many people are afraid and thinking what will happen when I become old. But I tell you that your name is written in the book of remembrance. So when you become old you don't need anyone's help to look after you. The Lord will release the angels. Hebrews 1:14 says, angels are assigned to those who are seek salvation. Likewise, you need not worry about getting old, but I am here to remind you that your days in this world are guaranteed. Because your days in this world are guaranteed. It is insured, because your name is written there in that book. So you need not be afraid. You don't have to have any savings bank account, because the Lord is your bank. How many of you believe? We can many banks giving advancements, in the olden days it would give you relief, or rest. But actually we don't need any savings bank or we don't need any insurance, because the Lord has written our names in the book of remembrance. So that guarantees we won't be laid up in our older days.

So whatever problems you are now tense. You need not be tense because you're name is written in that book. So you meditate on Malachi 3:16. You meditate on that, because there is a book of remembrance and your name is written there. Only one condition, you have to fear the Lord. You have to fear the Lord. When you fear the Lord and praise His name. When you fear the Lord and mediate, when you praise God you have to spend some time for praising! When you pray don't pray the same things asking. Praise His name. Praise God YHVH. Praise Jesus! Give thanks to Holy Spirit.

So praise His name, that is what that verse is saying. Those who feared the Lord and meditate His name. Such peoples name are written in that book of remembrance. Not every persons. Not every person who goes to church, not every person who reads the bible. It is not saying so, it is saying, those who mediate His name and those who fear Him, those names are written in the book of remembrance. So that is the guarantee that you should not be worried about your future. So God has a great plan in your life to everyone. The Lord is listening, God is listening to what you are commenting here, what you are writing. So He has heard and your

DAILY PROPHECIES

name has been written. That is the happy news that we have! So this is the prophetic word.

Sister I see there will be a small aircraft. You will be going by the aircraft to the next meeting/conference. You will be going to the next conference by the small aircraft I see. So there will be a sudden breakthrough in your life. To everyone I am saying there will be a sudden breakthrough. To everyone this is the prophetic word if you believe the Lord is going to change your directions.

Things are small, but big plans are coming upon you that

you have never even imagined.

Maybe some prophets have told you a little bit, but you have only been heard by God with a little part. But major things that God has not been able to tell you, it is going to happen in your life. You are going. This season is the turning point! So the Holy Spirit is coming upon everyone! The anointing is coming upon everyone! You are going to be honoured. Financial breakthrough!

Hallelujah! In the name of Jesus.

Sister sudden involvement by God I see in your life. God will bless you abundantly and finance also for you. Hallelujah!

Sister I see the hanger. Port hanger – he will give you supporters.

Be courageous sister! Promotion is coming to you. Greater things you will see.

Sister financial breakthrough and you are going to get the upper apartment I hear. In the name of Jesus.

Brother I hear white collar, that means an honourable position coming.

I hear sister you will sing for the Lord, I hear you will sing for the Lord I think you are singing and writing songs for the Lord, I hear.

Sister the big mountains are going to melt in the name of Jesus.

To everyone God is going to bless you. Hallelujah!

I am thankful to everyone! You will be blessed for what you have laboured so far. I see the honour is coming and it's time to change the residence.

The common prophetic word is those who feared the Lord and those who meditate His name. Your name will be written in the book of remembrance. That is the guarantee.

God bless everyone. In Jesus name. Amen.

DAY 44

ABIDE IN ME, AND I WILL ABIDE IN YOU. JUST AS THE BRANCH CANNOT PRODUCE FRUIT BY ITSELF UNLESS IT ABIDES IN THE VINE, NEITHER CAN YOU UNLESS YOU ABIDE IN ME.

Sister Hallelujah! The enemy is bringing tensions to your mind. So the Lord is making your mind free. The Lord is going to bless you! In the name of Jesus.

Sister the money and documents are coming back to you. And I see something like pension coming to you. Pension means a certain amount coming to you every month. Every month that certain amount will come to you to your hand. I see like that.

The Lord has great plans in your life and will take you to many nations I see. The Lord will settle all your problems, especially your child's. Your future like that, I see everything is going to settle. Hallelujah! So everything is going to done.

Welcome everyone! I have a prophetic word to share with you. This is the prophetic word from the Book of John Chapter 15 the 4th verse, Abide in me and I in you as the branch can't bear fruit of itself unless in the vine. Neither can you unless you abide in me. Hallelujah!

So this verse is saying in this prophetic word, Abide in Jesus and Jesus will abide in you. That means abide in the word of God. When the word of God is in you the word of God will begin to work in you. Without Jesus you cannot do anything. Without the your life – without the word it cannot be fruitful. That is the prophetic word Hallelujah!

You know when the centurion soldier came to Jesus for a healing for his servant. So he said, you just command, you are not worthy to come to my home. So you just command. At the time when He said so that servant was healed. So by faith when you thought to pray for your

DAILY PROPHECIES

sister who is suffering. When you prayed at that time your sister got healed by faith I am saying. By faith I am saying your sister got healed at the time you prayed. That is what Jesus said when the centurion made his request immediately that servant was healed. When he said, the book of gospel is saying when the centurion said that you are not just give a command, you are a man of authority. At that time healing took place that servant was healed. Likewise when you prayed for your sister she was healed at that very hour. In the name of Jesus. Hallelujah!

Brother I see promotion in your life and your life is going to change. Those who have neglected you are going to invite you. Somebody has neglected you and God is going to bring everyone back to you. And you will be lifted up.

Apostle this is the prophetic word that I shared and it is, Abide in me. So Jesus is saying I need a deliverance, if anyone is saying I am delaying. This is the prophetic word Jesus is saying, Abide in me and I will abide in you. When you abide in Jesus, Jesus will abide in you. And without Jesus you cannot have a successful life. You cannot see deliverance without Jesus. This is very important. A powerful word.

If anyone is saying I am not happy. I am tense and seeking for a deliverance for many years. I am seeking for a child for many years. I am seeking a marriage for many years. I am seeking for the nations to open. I am seeking for a house. If anyone is saying my business has went down and I am seeking a financial breakthrough. If anyone is saying like that Jesus is saying this is the prophetic word, John 15:4, Abide in me. When you abide in Jesus, Jesus will abide in you. That is what this is saying. Abide in me and I will abide in you. That is very important.

Jesus is first saying, Abide in me and then, I in you Jesus is saying. Jesus does not abide in you first. You have to abide in Jesus. That means you should have the word in you should have the word of God in you. Then the word of God will begin to work in you. How many of you believe? When you have the word of God in you, in your body, in your spirit, in your soul, when you have that will begin to work when you have that in you; that will begin to work like a tablet of medicine for a fever or a pain killer, when you take medicine. When the medicine has gone inside then only the healing will come, when you see that medicine from outside the healing won't come, but when that medicine has gone inside then the healing will come. That is why Jesus is saying, Abide in me and I in you. That means the word of God should first be in you. And then it will begin to activate in you. Every word of God has power so it will begin to work in you. Likewise when you are filled with the Word of God it is working.

I feel the presence of God when I am writing this message. So God is going to give a promotion

DAILY PROPHECIES

in everyone's life. Everyone is going to see deliverance. If anyone is saying they did not receive a prophetic word, this is the prophetic word, Abide in Jesus. Abide in the word of God and the word of God will begin to work in you. Every person has a different word of God for a deliverance. So you are to find that word of God for your deliverance. And that word of God will begin to work in you. The Lord is going to give a promotion to everyone. Your life is going to change. Your ministry is

going to change. Your business is going to change. Your family life is going to change. Your husband is going to accept you. Your wife is going to accept you. And your parents are going to love you more. So greater things Hallelujah!

Complete healing sister! I see! I sense from your birth there was some problem in your body. You are healed in that area in the name of Jesus.

You are entering into the promises of God that you have heard so far. It is going to happen in your life. So the marriages are going to solemnize. The income is coming. Those who are waiting for the money it is coming. So it is.

The Lord has blessed you. Spend time in worship! Spend time in worship! Find time for worshipping! More time for worshipping because the Lord is going to increase everyone's anointing. In this season there will be an increase in everyone. Maybe you are writing something for the Lord. Or maybe you are reading many other books. But I tell you not for the prayer request, but for the worship. Because when you worship the Lord the anointing will come over your body and it will overflow and there will be great changes to everyone. The lord is going to settle everyone's cases.

I am thankful for all brothers and sisters. The healing is coming upon everyone. Hallelujah! In the name of Jesus everyone who is having Sinusitis is healed in the name of Jesus. Everyone, if anyone is having blood sugar that means diabetes you are healed in the name of Jesus. You will never see that disease any more in your life. Hallelujah!

In the name of Jesus. May God bless everyone!

Hallelujah!

The prophetic word for everyone is let the word be in you.

Sister I see a wheel of a car. You know a wheel of a car. It signifies that there is a moment that has been stagnant for a long time. There is a moment also I see the Lord is giving you a car. Financial breakthrough I hear. And I see the chain on your neck. That means I sense you are from a catholic background sister. And the Lord is delivering you from all the traditional bondage and making you free. And I see you are set free in the name of Jesus. I hear the word so. Hallelujah! In the name of Jesus.

DAILY PROPHECIES

Sister Hallelujah! I see you on a horse and it seems you are very happy. And the Lord will bless you and your dreams are going to come true. Financial breakthrough too for you.

Brother you are in a junction of what to do what decision to take. The Lord's telling I will increase the anointing in you and you will go to the city and not the urban. Not to the village side. You are planning to go to city and the Lord will honour you there brother.

The Lord is going to bless everyone! Hallelujah! Promotion to everyone! Hallelujah in the name of Jesus.

Sister financial problem and leg pain healed. I hear the leg pain healed!

Sister Hallelujah! I see a big wall before you that means a big problem in these days you have to face. The Lord will deliver everything into your hands. And new connections coming to you! Hallelujah!

The peace is coming to you sister. Family peace. I hear the Lord is going to bless everyone! And the fire of God is going to come upon everyone. How many of you believe? When there is something negative come in your life, you should not be upset. When that negative comes in your life you must realize there is a promotion in your life. Hallelujah!

You are called to minister and promotion. You will make greater decisions in these days and I see the church people are coming to you. The church will accept you.

I have a word to share with you that is from the Book of Hebrews Chapter 12 the 14th verse. That is the prophetic word to everyone. It says, without holiness you cannot see God, pursue peace and also have holiness. So without holiness you cannot see God. This is the prophetic word.

So if you want deliverance. The first thing you need is peace. If there are many problems in your life, God cannot give you a blessing. So pursue peace and also holiness to be delivered and be blessed. It is very important that when the enemy may come against you. The enemy may be strong, but you must realize one thing that your God is more stronger than the enemy. Whatever problems arise against you everything is under your feet. So if you have more problem in your life and much tense, I tell you first thing you want is peace and then holiness. If only you have peace then only you can have holiness. If you have no peace you can have no holiness, because your mind will be tense and the devil will try to take you away from peace and will lead you to many sinful nature.

So first you want is peace. So this is the prophetic word.

Sister you are going to join the new job. Switch it and you will get overflowing blessings. Keep quiet sometimes. You have to keep quiet for God's sake of Jesus. And that will be a blessing.

Sister you want peace. What you do not have is peace, I sense so. So today, how many of you believe God has a blessing for you in the coming hours. Greater things are going to happen in your life. How many of you are seeking that? I am experience that and that is why I am saying. If some problem comes in your life you must realize that something greater than storm or temptest

DAILY PROPHECIES

is coming to those who believe. And you are not again in the well. Not again in the lions den. Not again in the fire, but the Lord has decided to take you out. Hallelujah! The Lord has decided to take everyone. How many of you say amen? I see some many messages in my messenger and what's up every day and watch these.

Today when you go to sleep you will see financial breakthrough. In the morning when you go out and come back home you will see financial deliverance. So that is our God. So God has decided to visit you. This is the word

connected to the prophetic word. Pursue peace and also seek holiness. Without these two you cannot see God.

So those who have decided and become determined to become holy and those who have decided to pursue peace this is the prophetic word the Lord is speaking. Father in Heaven is speaking that He is going to visit everyone who is decided to pursue peace and also have decided to be holy. So God is going to visit by this word. This is the prophetic word. If you believe when God visits you, the marriages will be solemnized. When God visited Abraham they had children. So this kind of things will happen when God visits. The visas will be stamped. Those who are going abroad will have the visas stamped and have their tickets there. When the Lord visits something great will happen. So maybe it is tonight the Lord will visit you. Jesus visited Mary and she was conceived by the Holy Spirit. So the Lord is visiting you today.

So the prophetic word is for anyone who is saying they have not received any word. This word is very powerful. You have to meditate. The word is saying in Hebrews 12:14. Pursue peace and seek holiness. Without these you cannot see God. Without these you cannot see God that means that God cannot come into your life.

If God wants to come visit you. You have to have peace in your life. So you should be holy. So when you decide to be follow these two things. Today the Lord will visit you. This is the word for you.

The peace is in you sister. Foreign trips. Happy news you are going to hear.

The Lord will lead you and promotion is there! The church bell is ringing! The Lord is extending your boundaries. Fire in you!

Hallelujah! There will be the enemy coming. The enemy might come, but you will overcome him. You will overcome the enemy. So this is the prophetic word. This is the word for everyone. I am thankful for each of you.

So God is going to honour you. God is planning many things. Get ready for that great revival you are going to be part of the great revival.

May God bless everyone in Jesus name. Amen.

Apostle Hallelujah! Greater speed and financial breakthrough. I see a cap on your head and the Lord is going to honour you. Foreign trips are coming to you Apostle.

Brother your position is going to change and somebody in your home, I hear the word your mother. Your mother is healed I hear the word so. Your mother is healed brother.

Sister there will be a change in your life. The Glory of the Lord is going to come upon you and you will see the things that have been blocked before you. You are going to see with your eyes.

Welcome to everyone so I have a prophetic word. Let's read that prophetic word, from the Book of Matthew 4:4. Hallelujah! But Jesus answered him, it is written that man should not live by bread alone, but by every word of God. That is the word, man shall not Jesus is saying, live by bread

DAILY PROPHECIES

alone, but by every word of God. So that means this is the word God has given me. So you are going to have a deliverance by the word of God. Not by the circumstances, not by the others help, but by the word of God. So here Jesus tempted by the devil and Jesus was replying to the devil that the devil tried to tempt him to make the stones into bread when He was hungry. So Jesus said, man shall not live by bread alone, but by every word of God. This is the prophetic word.

The revelation of this word is that God has given me from this word is that you will have everything in your life by the word of God. EVERYTHING! The finance, the health the family relations, everything you have by the word of God. Other people maybe are living by their income, living by their health, living by some other external things, but even if you do not have anything you don't have, but I tell you that you will succeed by the word of God. That is the revelation. Hallelujah! Jesus answered, cause Jesus was hungry and Jesus wanted to eat something so the devil realized that Jesus was hungry so if I tell him to make the stones into bread the devil thought he might eat. But Jesus replied, but Jesus replied that man should not live by bread alone, but by every word that proceeded from every word of God. 4

So in every area circumstance, even if you are in need of finance you will be succeeding. You will be and you will overcome by the Word of God. It is like the word of God to you is like an injection. It is like a tablet. It is like an insurance. It is everything for you. If you have the word. For every circumstance there is a word in the bible. For sickness, for hunger there is a word, for jealousy there is a word, for laziness there is a word, for unbelief there is a word, and for blessings there is a word, for miracles there is a word.

So every-time when you need something for a deliverance or you are in need. You have to read everything from that word. That is what this word is saying. You will live by the word of God.

I am saying my testimony, Now, sharing my testimony, I am living by the word of God. Actually I don't rely on anybody by God's grace. But I am living by the word. So I completely rely on the word of God whatever that is in the bible I believe like a small boy. So I am saying this because you are going to live by the word. If you are afraid of something, you are going to live by the word. So if want a deliverance the word is there. If you believe that, it will come to past. Because Jesus was tempted, but He overcame all His temptations by the word of God not by any external fighting with the devil. He did not see God coming and fighting with swords, but here He was fighting the devil with swords. So every time you have the word. If you are in need for a financial problem, there is deliverance in the word. So this is the prophetic word. You will have all your needs by the word of God. This is the prophetic word if you believe. That is why

DAILY PROPHECIES

I said I have a testimony. I am living by the word of God not by anybodies promises, but by the word of God. That is why I am saying you are going to see the blessing of the Lord and you are going to see the deliverance. You are going to see greater things in the coming days by the word of God. So you will live longer, you will declare the work of the Lord by the word of God. You won't be effected by the pandemic by the word of God. The devil cannot defeat you, because there is the word of God is in

you. How many of you believe? So your life will be changed. Your life will be successful because you are carrying the word of God. That is why I am saying, I am carrying the word of God and you are also carrying the word of God. So when you are breathing the word of God inhaling the word of God and whatever is coming out of you is the Word of God. I like what Jesus is saying, I like this word of God.

It is written man should not live by bread along, but by every word of God. So how can a man live without oxygen? That is the question. A man has to breathe, how can man live without oxygen? But here Jesus is saying, man cannot live by bread alone, but by every word of God.

God told the prophet Ezekiel you go there in the valley and look at the dry bones and God YHVH is asking, will that dry bones live? So he was looking at confused, so he prophesied that they would live. He prophesied and it became life. That is the word of God so whatever that is darkness or stagnant or whatever is emptiness in your life. It is going to have life by the word of God. When you declare how many of you believe? This is the prophetic word.

So nobody can defeat you, because you are having the word and that is the most powerful weapon in you. That is the most valuable treasure in you. That is not the value of dollars or some other national currencies or Indian rubies, it is not making you rich the word of God is that is what Jesus is saying, man shall not live by bread alone, but by every word of God. That is very important what I am saying. But by every word of God means every word of the bible. Hallelujah! It is very good! Hallelujah! Man shall not live by bread alone, but by every word of God. So man can live by the word of God. We can see in the Book of Ezekiel that the dry bones came alive by the word of God. So look into your emptiness and declare and there will be life in that darkness area of your life. So If your marriage is not solemnized look in that area and declare. Let the word of God make a moment in your marriage. If you need a finance look in your bank account and declare to let the money come as the manna been poured from Heaven. It is the word of God.

So this is the prophetic word to everyone. If I have not said any word to anyone this is the prophetic word.

I am thankful to God for everyone reading Hallelujah! This is very important that the prophetic

DAILY PROPHECIES

word Hallelujah! Then man can live by the prophetic word of God and he can defeat the enemy by the word of God. He can overcome all the negative issues by the word of God. So today, everyone is going to see the deliverance. Someone is saying I need a financial deliverance. Somebody is saying I need marriage. Somebody is saying the enemy is attacking me. So you will overcome all the problems by the word of God. That is what Jesus is saying, man cannot live by bread alone but every word of God. Every word! Every word!

Your life is going to be a success. You will be a successful person by the word of God. This is the prophetic word to everyone. I think I have given the word to everyone. Promotion to everyone by the word of God. Your life is going to change. Tomorrow your life is going to change. How many of you say this is the season. This is the season of blessing, because in my country, India the pandemic numbers are decreasing. The Covid patients are decreasing. So there is a decrease in India. I think in your country also it is like that also. So it is going to decrease and another change is coming. So it is the time of the dark time is gone and a new time of new birth. So the time of blessing. So get; ready! You are into the next shift. So tomorrow is better than today and today is better than day before yesterday. How many of you can say this is another prophetic word that the Holy Spirit has given me to share with you. Today is better than yesterday. To everyone I am saying today is better than yesterday, tomorrow is better than today. How many of you know this is going to happen? This is going to happen in your life. It is going to happen in your life. So we are not in the old dreams. We are not in old memories, because today is better than yesterday. And tomorrow is better than today. So that is why I am telling you that if today if you are 95% successful, tomorrow you are going to become 100. How many of you believe? Hallelujah!

This is the prophetic word. Now the rhema word you are going to see that. You will never have to look back. You will never have to look into your bank if there is enough money. You will never have to check your pocket to see if there is enough money. You will never have to go to see a physician and check your body to see if you have any diabetes or cholesterol or like that or any disease. You don't have to check anything because tomorrow is better than today. How many of you believe? If you believe it will come to happen in your life. This is the prophetic word to everyone that tomorrow will be better than today. So sleep well, because tomorrow is better. Some people are worrying about tomorrow what will happen? Tomorrow how will things be some people are like that, but everyone who are reading this is the prophetic word that today is better than yesterday and tomorrow is better than today.

So relax! That is the word! May God bless everyone in Jesus name amen.

God is going to do a supernatural thing in your life in Jesus name. Amen.

DAILY PROPHECIES

DAY 47

NO ONE HAS EVER SEEN GOD; IF WE LOVE ONE ANOTHER, GOD REMAINS IN US, AND HIS LOVE IS PERFECTED IN US.

1 JOHN 4:12

Praise the Lord,

Greetings to everyone in the name of Jesus! Welcome everyone to Daily Prophecies! I thank God for giving me

an opportunity to minister here. I am thankful and humbled to all brothers and sisters who are reading this prophesy.

This happened to me to testify of an appointed time of how God worked for his appointed time. I was scheduled to do a live broadcast at 1:00pm EST, and it was at the time of actual broadcast 3:30pm EST. Here is what I shared to start my broadcast that day. As I welcomed the listeners to the broadcast I first identified the time discrepancy. And shared with them that I was sleeping because I had a long travel and I had to minister here in my place I had to travel so I did not get much sleep. So I was sleeping for some time before that had put the alarm, but I didn't hear the alarm. So I woke up only just before so I apologized to all those who were waiting. So maybe it is God's time I think. Anyway, God will speak into your life and God will bless everyone. So I am thankful for all brothers and sisters who are waiting along time and watching this right now. I appreciate your patience for the Lord.

Welcome everyone today the Lord will speak into your life.

Sister Hallelujah! I see you crossing the bridge. It has railings for you to hold your hand and you won't fall you will reach and cross the bridge I see like that. Whatever problems you face at this time in your life you are going to overcome all! So I sense there are many huge like mountains that you are facing right now. But I see the vision you are crossing a bridge that means the Lord will take you. Every situation you will be able to survive. Sister every situation you will be able to survive. I see you crossing a bridge and the Lord is with you and the angels are there with you. So God is going to bless you abundantly especially in the financial area.

Sister Hallelujah! Hallelujah! The Lord is healing you from your birth what you are having a disease. And the wounds are healed. The Lord has great plans in your life so you should not get upset. So the Lord will increase the anointing in you and you will go to the neighbouring place and settle there I hear the word.

DAILY PROPHECIES

to bring greater changes in your life. The Lord will settle all your problems. Your relatives I hear an uncle will come and help you. I see like that your mothers brother I am saying will come and help you sister.

Hallelujah! God is going to bless everyone!

I have a prophetic word in the name of Jesus. And the Lord has given a prophetic word Hallelujah! The Lord is going to bless everyone and your life is going to change

this is what you believe it is going to happen! In the name of Jesus.

So I have a word I will read that, no one has seen God at anytime. If you love one another God abides in us and His love has been perfected in us. This is the prophetic word that has been given to me just 15 minutes before I came to share with you. It is from the Book 1 John, first John, the epistle of John, chapter 4 the 12th verse. It says, no one has seen God at anytime, if you love one another God abides in us and His love has been perfected in us.

So this verse is saying, if you love one another, if you love one another God abides in us. So it is very important. If I am coming on live and everyone is watching and commenting and you don't have love towards another also if you in your place, you are going into your church and you are having fellowship with everyone, but if you are not loving each other. God cannot abide with us. That is what this verse is saying. If you love one another, so we have not seen God with our eyes. We have not. No one has seen God at anytime. Nobody has seen God except Jesus. So no one has seen God at anytime if you love one another God abides in us. So if you love one another, it is not like the love of the gentiles love. The gentiles love if a person loves another person that person will return that love we see among the gentiles. But Jesus has said. Love your enemies. When Jesus was betrayed in the Gets amen garden. He called the one who betrayed him. My dear friend, he was calling him my dear friend, because Jesus loved him. So when you love those who hate you, when you love those who don't accept you then this is what it is saying. That love is beyond your understanding. It is not under human understanding. It is beyond your own understanding. So in the book of Ephesians, Paul is mentioning that if we want revelation. When we read the book of Ephesians Chapter 1 and Chapter 3 you read Chapter 1 and Chapter 3, if you want your inner eyes to be opened. If you want the power of God to come upon you. You have to know the love of Jesus. That is beyond your understanding.

So here this verse is saying, no one has seen God at any time. First John, chapter 4, 12th verse, is saying, no one has seen God at any time. If you love one another God's love abides in us. So if you love means there will be Christ in between in our love. So that is the difference

DAILY PROPHECIES

between the gentiles and us. So the gentiles also love one another, but they are loving in our flesh. But here is saying, we love one another God abides in us. So when there is love there is God in us! There is God in us! A thief will love his fellow thief. A criminal will love his fellow person who is also doing with the criminal things. Like the evil things so there is no God in them. So here we have to understand this is Godly love. Godly love there is no condition is beyond your understanding.

So God is there. No one has seen God at anytime, but if you love one another God abides in us. That is very important. It is not like the gentiles loving. So it is when we love it is God in between us. It is Jesus in between us. So when you realize that we need each other because of Jesus.

We are living in different countries, we are living in different time zones, but we are living with each other; because of Jesus. And Jesus has united us together, because in between us there is Jesus. So when you realize that you will be blessed. So wherever there is Godly love there is Jesus. It is not like the worldly love, the world will love those who love them, but the Godly love when they are an enemy. We can love the enemies. We can love those who curse us. We can love people who won't accept us. That is Godly love. And God will abide in us and we will see deliverance.

So this is the prophetic word that if you have any hatred toward any person, it will be delaying the deliverance. I am telling you. If you hate somebody, that will delay your deliverance. You may be saying that person did not accept me. That person rejected me. But if you hate that person it will delay. That is what this verse is saying, you have to love without any condition to love.

Sister the love of God is in you and it cannot be separate you from anything else, because Christ is going to reveal in you through love. Christ in you is going to reveal in you through love. So if you have not been accepting any person in your life sister. Sister this is the word, if you have not been accepting a person in your life, love that person without any condition and God will bless you abundantly! In the name of Jesus.

So I have given the word so far. I am thankful to all brothers and sisters! So there will be a promotion to everyone! Somebody will mock at you. Somebody hate you, Somebody will curse you, but we have to love them, then God will abide in us, then Jesus will in us. Then we will see greater miracles. There will be deliverance not only in us, when we minister the people will also get delivered. When we carry the love of God, because when we minister the love of God that will be transferred and that will be important. And those who are also in that meeting will also

DAILY PROPHECIES

get deliverance. So today God is releasing the Heavenly love, the Godly love. Everyone unconditional love of Jesus beyond the human understanding.

So God is going to give you a promotion to everyone!
This is the prophetic word!

Financial breakthrough sister!

The peace is in you sister!

Sudden changes in your life sister!

Don't be tempted sister, some people will try to make you fall by words. Keep away from such people. Hallelujah!

Financial deliverance sister!

Sister the government is approving. I hear the word the government is approving! Hallelujah!

New challenges coming to you sister! You will overcome everything I hear the word so.

Settlement I hear! The fire of the Lord is coming upon you and settlement I hear. The church will be with you I hear. Financial breakthrough sister! I hear the word! Settlement and a new apartment. The Lord is giving you a new apartment sister! I hear the word so.

So this is the prophetic word! I have given the word so far. I am very thankful to everyone who is reading today!

May God bless everyone. God is going to increase the anointing in everyone. And greater things you will see in the coming hours! May God bless everyone! In Jesus name. Amen.

The spirit of joy that will make you happy! Hallelujah! In the name of Jesus.

Sister Hallelujah! So I see the vision two trains and one is overtaking. So the Lord is telling spend time in prayer and that you have to spend time in prayer and the enemy will not overtake you. So you have to overtake the enemy so spend more time in prayer this is what I hear. Hallelujah!

Sister Hallelujah! More knowledge. God is giving you more knowledge I see some handwritings it is in the English and it starts with S. But I cannot read the next word, the next words are not seen. I see it is starting with an S. Hallelujah! Maybe I sense it is sapphire. Sapphire is like a diamond. I sense so I have to look the meaning in the dictionary the meaning and the bible it is also mentioned, about sapphire. I see the S, and like that and sapphire. So, it like a diamond I think So God has great plans in your life. Hallelujah! In the name of Jesus.

Sister Hallelujah! I see steps and you are going high up. There is promotion. You need not to have strength, because the Lord will lift you up. The Lord will send the angels and they will carry you. I see like that.

Sister Hallelujah! Protection from the enemy. I see a person with their hand on a riffle and not a pistol. The enemy is trying to attack, but you are covered under God's hand so you are protected and financial deliverance for you. Also I hear marriage also coming. Hallelujah! In the name of Jesus.

DAILY PROPHECIES

Sister The Lord is telling and going to give you that seat is fixed what you have longing for a seat, maybe it is related to the job, business or ministry. But you are looking for a seat or a wife. I don't know, but the Lord is fixing that seat of what you are desiring. The Lord is fixing that seat and I see it is plastered by cement that it cannot be taken by anyone else it is given to you.

Sister Hallelujah! So I hear that in your house you are sometimes like away from your house I see like that. In your house, I sense you are exited sometimes. Not in body, but in spirit sometimes you are not accepted. The Lord is going to protect you and give you comfort I see the vision like that.

So God is going to do a promotion in everyone's life.

Brother in the name of Jesus, I see many balloons, many balloons it signifies happiness in your life. I see you are not happy at this time. You are not completely happy, but I see balloon and it signifies that happiness is coming to you. Happiness. I also hear cultural singing like that. You are involved with cultural I hear the word so.

Sister I hear financial breakthrough in the name of Jesus.

Pastor I see, I don't know if you are having a church, but I see branches that you are going to start. I see like that. You have a church and another branch that is going to start that is connected with your church and ministry I see like that. And promotion in your life Pastor. In the name of Jesus.

Prophetess I hear the word, "Ignite!" Ignite the fuel in the name of Jesus.

Hallelujah! In the name of Jesus! I am thankful to all brothers and sisters those who are reading these daily prophecies.

So, today the Lord is going to give you a prophetic word. That word will give you deliverance. That word will give a change in your life. I will read that from the Book of Romans 8:11, it says, but if the spirit of Him who raised Jesus from the dead lives in you. He who raised Christ from the dead will also give you life to your mortal bodies through His Spirit that dwells in you. That is a very powerful word. You know the Spirit of God was conceived by Mary as a baby that was Jesus. By the power of the Holy Spirit and also this word is saying, but the spirit of Him who raised Jesus from the dead. That is the Spirit of God who raised Jesus from the dead dwells in you.

Are you sure you are carrying the Spirit of God. If you are sure, this word is for you. If anyone has not received Holy Spirit earnestly desire and pray to receive the Holy Spirit. You cannot get a blessing. We can see that in the Book of Galatians 3:13 when you read that, because without

DAILY PROPHECIES

the Holy Spirit and can't not receive a breakthrough. To receive a breakthrough you need the Holy Spirit. But the Spirit of Him who raised Jesus from the dead dwells in you. He will also give life to your mortal bodies through His Spirit that dwells in you.

So when you believe, maybe you are having a pain in your ear. You are healed now. God wants you to praise after you read this. So if anyone is having pain in their ears, right now the Spirit of God is dwelling in you is healing you. In every area. If you need a financial deliverance, if you are looking for a marriage, if you are looking for a child, if you are looking for a house, if you are looking for the doors of the ministry to open, if you are looking for the nine gifts and fruits to activate, if you are looking for such kind, the Spirit of God who raised Jesus from the dead dwells in you. If you believe that, the same spirit is inside living in you!

Today at this time when you believe it is going to explode and it is going to activate it. It is upon your faith. It is up to you. The woman who had the flow for 12 years, when she touched the hem of His garment of Jesus. The power was released from Jesus. Likewise the Spirit, the Holy Spirit you received when you believed will explode. It will begin to activate. You know Mary the mother of Jesus when she was pregnant she visited Elizabeth, the mother of John the Baptist. And when Mary came to visit Elizabeth there was movement in stomach of Elizabeth so that was the Holy Spirit making the child move. The child inside of Elizabeth moved but Mary only had the word from the angel. And she visited Elizabeth so when Mary greeted Elizabeth the child in her leaped in her stomach by the power of Holy Spirit.

So if you believe, the Spirit of God is dwelling in you. When you believe, it is up to you. When you believe at that moment something will happen. I am telling you because when I was ministering actually I had a pain here, it is some kind of infection, but when I was ministering, when I spoke to you by faith, when I was speaking I was having pain, now I have no pain. I am healed. That is what I am saying, you have to do something by faith! When I started this daily prophesy I had a pain here in the early morning having a pain here. So actually I was telling about myself. So before I go to sleep I wanted to praise God for sometime, but I was actually having pain irritating me. So when I read this word, for your belief I am sharing this. When I read this word by faith I declared. That is why I said if anyone is having pain in the ear now is healed. I am taking this book as a testimony and saying I am completely healed in my head and that infection is completely gone so I am healed. So that is what I am saying to everyone. To everyone I am saying if you want a deliverance in financial area or a marriage relationship or in the family relationship or in any area

DAILY PROPHECIES

you want a deliverance. The Spirit of God that is dwelling in you when you believe it will begin to move. It will begin to move. So something will happen in your life. A change will happen. How many of you can say amen?

So the Spirit of God who raised Jesus, this is the prophetic word when you believe the Spirit of God who raised Jesus from the dead is now in you. It is now inside you. When you believe the same Spirit of God who raised

Jesus from the dead will give me a deliverance. When you

believe that something will happen. A movement. The Holy Spirit will push something and there will be a deliverance. This is going to happen.

So everyone is going to have a deliverance. In the name of Jesus.

You are completely healed sister! I hear the word you are completely healed. Whatever problem that you have in your body, when you believe that word, sister that you are completely healed, because you are carrying the Spirit of God. There in the body is the Spirit of God. Enemy cannot put any disease so you are completely healed.

Sister you are carrying the Spirit of God so you cannot have any financial burden anymore. It is up to you if you believe sister

The sinusitis is healed in the name of Jesus.

Sister I hear pain in the body, leg, like that you are healed in the name of Jesus

So this is the prophetic word and I am thankful to everyone. So God is going to be blessed.

To everyone I am saying this is when you believe that the Spirit is in you, that the Spirit of God is going to give you a deliverance.

I am thankful to everyone who are reading daily prophecies. May God bless everyone by this word. In Jesus name. Amen.

How many of you believe? The wind is blowing and it is going to give you promotion into your life and challenges that is coming against you the Lord will settle all your cases.

Sister Hallelujah! The Lord will make you popular I hear the word so. I have a prophetic word

DAILY PROPHECIES

to share with you. Welcome everyone if the Lord gives more prophecies I will share.

So I have, this is a very good word that I am going to share with you. This is the prophetic word. You know the key to deliverance is happiness in the Lord. The key of deliverance is happiness in the Lord. If only you can find the joy in the Lord. You will be blessed and you will be delivered. Even all the diseases are healed when there is joy in God. You know many people, that means the

worldly people they are sad and they will make joy by seeking other things. Like taking alcohol and drinks like that, or they go for the picture, they go for some other worldly enjoyment to make themselves happy. But we child of God should be happy ourselves in God. We should be happy in God!

I am telling the other people, when the gentiles have pain in the body. Or they go and have some mental tension, what will they do, they will go and take alcoholic drinks or they will be addicted to drugs, or they will do some lustful things for their pleasure to make themselves happy. But these things will make happy for only for some moments, after that, it will bring us more pain and it is dangerous, it will take us to hell.

You know happiness in the Lord. That is happiness not only for the time, but throughout your life there will be that time. You if you carry and drink alcohol, that alcohol will bring you happiness for 3 or 4 hours after that the power of the alcohol has gone down and the person will be depressed. And when you take some medicine that the doctor prescribes, medicine for a tension or a mental disease, or they will give shock treatment, they will give a shock treatment for a mental patient. But it is only for some hours, the tablet has the power, the medicine has the power to give peace and happiness only for a few hours. Otherwise they have to take this tablet everyday.

But I tell you, if you have gladness! Happiness in God that is eternal. You know David when he lost that happiness he cried to God and you can see in the Book of Psalm 51:12, Lord give me again the joy of salvation. Give me again the joy of salvation. So what we need is not money, or some other substance. We need the joy of salvation! In joy of salvation there is deliverance! In joy of salvation there is healing! Everything is there!

So I am going to read a prophetic word and you have to mediate on it and that gladness will come from your heart. That is from the Book of Psalm 4:7, it says, you have put gladness in my heart! It is God who is going to give, who is going to put gladness in your heart. How many of you believe? When you respect God when you praise God what God will give to you. He will give gladness into your heart. This is what we need at this moment. We actually need many things, but when we go after these things we cannot see gladness. We cannot see it.

DAILY PROPHECIES

So here the verse is saying, Psalm 4:7, you have put gladness in my heart. So if anyone is not happy, is not glad, open your bible and read Psalm 4:7, and put a finger in this word. And ask God to give me gladness in my heart! Pray for gladness in your heart. So you have put gladness in my heart more than in the season that the grain and wine increase.

So if you have a headache, when you hear happiness, you hear happy news, that you get excited. I am not telling from outside, but that happiness will give you relief from headache. That headache might go, but again here when God puts gladness in your heart it will be eternal. Because God who has put the gladness, if only you sin, if only you do not obey the word of God, if you depart from God then only God will take that gladness.

Otherwise it is God who has put the gladness in your heart. Even when you are asleep, you will be sleeping in gladness. Even when you are going through many hurdles, you will be glad. You know Joshua as he was going through he did not murmur, he did not complain he was glad in the wilderness. Caleb he was glad. Many says, why was Paul praising God in the prison, because he was glad in the prison. He was finding gladness in the prison. That is why he wasn't worried about what was happening around him.

So what we need right now is gladness! Not healing. When you have gladness the healing will come automatically! When you have gladness the financial will come automatically! Everything will come. Family peace! Automatically.

The word says, you have put gladness in my heart more than the season when the grain and wine increased. So you have to pray for gladness. So I am going to pray for you. So if anyone is having sadness in your heart or if anyone is depressed. If anyone is tensed about your future. If your marriage is not solemnized. You have no ministry. You have no church. You have no house. You have no car. You have no finance. If you are sad. God is going to put one thing, He is going to put gladness into your heart! Hallelujah!

Sister the Lord is going to fulfil your heart's desire that is I am hearing the word. The Lord is going to fulfil your heart's desire.

I am telling everyone! Gladness in heart! That is what we need! If you are in the lion's den Daniel was glad in the lion's den. Joseph was glad in the well and in the prison. Peter was glad in the prison. Paul was glad in the prison. That is why they were all praising God.

What we want is gladness! So today this is the prophetic word. God is going to put gladness into your heart. How many of you receive that gladness in the name of Jesus?

DAILY PROPHECIES

That gladness is going to give you financial breakthrough. That gladness is going to give you healing. And that gladness is going to relief you from all tensions.

Brother promotion in your life and see gladness in your heart. I hear extension in the boundaries brother. In the name of Jesus.

I expect that God has put before the next day, maybe immediately, before the sun rise you will find gladness. I expect that. He has put gladness in my heart, that is why I am sharing. Find gladness. So the Lord is giving gladness in your heart.

God is going to increase the anointing of everyone. God is healing everyone.

May God bless everyone in Jesus name. Amen.

Hallelujah!

DAILY PROPHECIES

DAY 50

THE ANGEL OF THE LORD APPEARED TO HIM IN FLAMING FIRE FROM THE CENTRE OF A BUSH. AS MOSES CONTINUED TO WATCH, AMAZINGLY THE BUSH KEPT ON BURNING, BUT WAS NOT CONSUMED.

EXODUS 3:2

Praise the Lord,

Greetings to everyone in the name of Jesus! Welcome to daily prophecies! I thank God in the name of Jesus for giving me an opportunity to minister here. Also, I am thankful and humbled and welcome everyone! May God speak into your lives!

Sister Hallelujah! I see there is a change. You have to change. Something is going to change in your life. So God is going to bless you. There is a shift coming that means a change. You will have to cross the road. You will have to cross the road so change is coming into your life. I sense like that. So this is the time to meditate the word of God. I see God is going to lower you. Lower you means to lift you up to lift you up, you know in the book of Deuteronomy you can see God lead the Israelites through the wilderness like that the Lord is going to lift you up. Before that lifting God wants to lower you, so when you realize that God that this is God's hand then only you will have deliverance. This is what I am seeing the vision. So very soon you will be lifted. So when God lowers you, you must be submitted. That means you must be submitted to the circumstances. Hallelujah!

Sister I see the candle lighting and I see the anointing of the Lord upon you. The Lord will bring greater changes in your life. I see like that.

Sister so it is you have to wait for the time. I hear you have to wait for the time. So remember the Lord is preparing you for the next level. Wait for the Lord's time this is what I hear.

Sister Hallelujah! I see the time is coming for favour for you. I see a star and it signifies that the time is coming in favour of you.

Sister Hallelujah! The house is going to be rebuilt. I hear the word rebuilt. The house is going to be rebuilt and the Lord is going to bless you. Give first preference unto God. The Lord says, give the first preference unto God.

Sister Hallelujah! Reverse. I hear the word, reverse gear. That means the reverse means a car, why a car, the vehicle has a reverse gear to come backwards. Why to move forward. Likewise, I see a reverse gear for you that the Lord will take you back and then bring you forward. Maybe you have understood. I am see that I am sharing with you. Hallelujah!

Sister Hallelujah! I see you in a tower. You are placed in a high tower and you are observing the land. Like a person who observes from the top of a tower around the area. Likewise you are placed in a high place and you are observing the things. So the Lord is telling me that the way is good so you should not worry. The way is good the Lord says sister. Hallelujah! In the name of Jesus.

Brother I see the camera everything is focusing on you. So a celebration is going to come in your life brother. I see the camera focusing on you.

Sister so there is a limit for you. So the enemy has put a limit on your life to move forward.

DAILY PROPHECIES

Today the Lord is releasing the power and giving you a breakthrough. So you will cross the borders. I hear the word so. In the name of Jesus.

So the Lord is going to bless everyone. I think the words I have given to you are resonating. Hallelujah!

God is going to extend everyone's boundary. And God is going to bless everyone! So you will have a good way.

To everyone I am saying your personality is going to change and you will have a good look. This is what the Lord

is saying.

So I have the word from Exodus 3 the 2nd verse, it is saying, this is what God spoke to me. The Lord told me to share the word. That flame of fire in the midst of him. So this is the word, Exodus 3:2, and the angel of the Lord appeared to him in a flame of fire from the midst of a bush. So he looked and behold the bush was burning with fire, but the bush was not consumed. This is the word Hallelujah!

So God appeared, the angel of God appeared in the midst of the bush. And the midst was burning with fire. But one thing when Moses looked that bush was not consumed, because that is a holy place. We can see in the verses down from that one that God was telling Moses don't come near with your sandals, so remove your sandals that means keep holiness to come near to me.

So God is saying the place where appeared is holy ground. So the bush became holy ground. The bush was there already before, but when God came in the midst of that bush, it was burning with fire, but was not consumed, because it was holy. So I tell you where you are maybe you have experienced the fire of God in your body like burning. Like you have put your hand on a hot fire like that you may have experienced. Literally you can experience heat on your hand or body like that. So why we are not burned in that fire, because we have the holiness. If we are not holy we will be burned. That is very important. So why is God appearing and releasing His presence by fire, because He wants to speak to you.

So this is the prophetic word, and the angel of the Lord appeared to him in a flaming of fire from the midst of the bush. So if anyone is not having the experience of fire, the fire experience. Today you are going to have the fire experience. So the fire of the Lord is going to come to you. This is the prophetic word, the angel of the Lord appeared to him in a flame of fire from the midst of a bush. So he looked and behold was it was burning with fire and the bush was not consumed.

So be holy! Be holy! This is what I am saying, be holy, because God is going to release His presence on you. So tonight when you sleep He will visit you with the fire. Maybe it is day there, tonight when you sleep the Lord will touch you with fire. It will be very hot, but you won't

be consumed. So remove the chapels, How many of you understand? That means be holy! Hallelujah! In the name of Jesus! Be holy because the Lord wants to speak to you. So when the Lord speaks to you. You will have deliverance.

The prophetic word is Exodus 3:2, Moses saw the bush burning with fire. The bush was not consumed. And God telling Moses the place where I am here is holy ground. So the bush also became a holy ground. Likewise, when

God released the fire. If you are holy you will have deliverance. If you are not holy you will be consumed. That is very important.

You know the murmuring Israelites many of them were burned. Those who murmured and complained by Moses they were burned by the fire. They were burned by the fire. So today this is very important. Today God is going to come to you. God is going to release His presence by fire. So be holy. If you are holy you will have deliverance. If you are not holy you will be consumed. It will be dangerous. God is going to release His fire to you in every area and you are going to see the deliverance in many areas.

And you are going to see the visions clearly. You are going to have accuracy in revelation in prophesy. Greater things are going to happen.

Pastor I see a cap on your head and honour is coming
