# DAILY PROPHECIES

## DAY 51

Praise the Lord,

Greetings to everyone! Welcome to daily prophecies! I am thankful to God for giving me an opportunity to minister here. And thankful to all brothers and sisters who are watching and sparing your valuable time. So today the Lord will speak into your lives and settle down your cases. Whatever cases are pending before

you; Whatever prayer requests are pending before you it

is going to happen in your life.

Sister I see riches. In Heaven. The Lord is telling you, riches in Heaven. So God is going to do greater things in your life. Hallelujah! So the Lord has a great plan in your life! Hallelujah! In the name of Jesus. The Lord is going to bless you. And you are going to see. And the Lord is also healing the sinus I hear the word so.

Sister I hear financial breakthrough. And the Lord is giving you more Holy Spirit in these days. More Holy Spirit. God is going to make a move in your life.

Sister I hear the word financial breakthrough. And I sense some pain in the head. So you are healed. I hear the word you are healed. The disease related to head is healed. I hear sister Hallelujah!

Sister the Lord is going to give birth to something. Something new is going to give new birth. I hear the word new birth for you sister.

Sister I see a new seat. The old seat is gone and a new seat is coming to you sister.

Sister so the cleaning work is going on and you will stay in the new apartment I hear the word sister. Peace is in you. And the Lord is settling the cases and the church is opening up for you. New branches.

Sister I hear you are by the harbour and fishing by the harbour. That means you are going to catch people. So God is with you and going to settle all your problems. And you should not be upset, because the Lord will settle you in the new place. I hear the word so.

Sister hallelujah! More grain I see a vision of grain and fruit in abundance. The Lord is going to bless you with the spiritual blessings sister.

Sister financial breakthrough and the doors are opening up for you. And the peace is in you. Family problems solved I hear the word.

Apostle Hallelujah! There is a peculiar in your calling, I hear you will bring people from many countries to your ministry. Many races, many races are there in your ministry Apostle. I hear

# DAILY PROPHECIES

the word so that many races are coming.

Sister you are called to ministry. When you stand in the ministry full-time the Lord will give you progress.

Sister sudden breakthrough and the Lord has made a decision I hear. That you are going to be promoted into the next level and God is going to bless you financially also. The Lord says be courageous and do not be upset. I will settle your family problem and everything

will come to you. And I see the new documents are going

to be signed and the doors are opening for you. Hallelujah! In the name of Jesus.

Sister the speed will be increasing and the anointing of the Lord is upon you. And new engagements are coming to your life. New engagements are coming to your life. Hallelujah! In the name of Jesus.

Sister Hallelujah! I hear the word betrothal. It is coming maybe it is related to somebody in your home. It is coming very soon.

Sister financial breakthrough and you will settle in your mother's home. Hallelujah!

Sister you will do the ministry of the Lord. You will do the ministry of the Lord. And when you do the ministry the Lord will bless you more. Hallelujah!

So the Lord is going to do a great thing. You are striving hard for a deliverance. It is not seen, but I tell you that you are on the edge of the breakthrough. You are going to see the breakthrough. Why these problems are coming into your life is because you are called and on the edge of breakthrough.

I have a prophetic word to share with everyone. New connections are coming to you. God is going to extend your boundaries in the name of Jesus. Hallelujah! So welcome everyone. I am going to read a word with you.

So I have a prophetic word to share with you. The Lord is going to settle all cases. I have the word from 2 Corinthians 7:10, it says, for Godly sorrow produces repentance. For Godly sorrow produces repentance. So are you sorrowful? Are you having many problems in your life? Are you striving hard for something, But I tell you, if it is Godly sorrow it will take you into the next level. It will take you into the next level. So today this is the prophetic word. I like this word that I am sharing with you. For Godly sorrow leads to repentance leading to salvation. But the sorrow of the world produces death.

So you know many people were called. The Israelites were called by God, but somewhere the Israelites when they left Egypt and when they are in the wilderness. Some of them are sorrowful. But some are happy. Everyone is having the same problems in their lives. They want meat and they are going through the wilderness. And it is not good to go through the wilderness. Trial and tribulation

# DAILY PROPHECIES

and everyone is having the same problem. But some of them realize they need Godly sorrow so they began to be sorrowful and began to complain and murmur. So I tell you the problems that have come in your life have come by the will of God because you are separated for God.

I am coming back to the word, that Godly sorrow leads to repentance to salvation, but the sorrow of the world produces death. So I am comparing this word with the life of the Israelites in the wilderness. They were in the

wilderness. Everyone was put to the test. Everyone was put to the test. Everyone had to pass through many tests. But some complained, some murmured, some spoke against Moses and God. But some were silent, some were happy, some weren't even bother of what was happening to them. So For example namely Joshua and Caleb did not complain. Why were the other people complaining that is the question I am asking you. Because they realized it was Godly sorrow. Caleb, Joshua and along with a group of people along with them they realized it is Godly sorrow. Buy they understood it is Godly sorrow. So today maybe you are passing through many problem, maybe in your family there is problems. In the office there may be problems. Among the neighbours there may be problems. There may be problems in the work site. In the ministry there may be problems. And everything is not going according to your plan, but I tell you everything is going according to God's plan. That is what you have to realize that everything is going according to God's plan. Maybe it's not going according to your plan. But everything that is happening from morning to night. All the days that is happening in your life is going to happen according to God's plan. I am telling about your case. I am telling about all the ones who are separated, not the gentiles cases. So that is why I compared this to the Israelites, because they had many problems. But some complained, and some did not complain. Why did they not complain, because they realize that it was God. So today I tell you maybe you are passing through a pain problem, but it is a Godly plan. It is God's plan. It is Godly sorrow so it will lead you to repentance and it will you to deliverance and it will lead you to the promises. It will lead you to promised land. But why are you going do some of the Israelites murmur because they saw It in flesh. They saw these pain and everything and complained. So whatever that you are have seen with your external eyes, see that with your inner eyes. Don't see it by flesh, but see everything in spirit. If you see everything in Spirit you will realize that this is the plan of God.

This is Godly sorrow that I had to share with you. So financial break though is coming to you. You are going to purchase a new vehicle. I hear a new car is coming to you sister. The peace is in you sister. Sister overflowing abundance of Holy Spirit I see. Over flowing abundance of Holy Spirit. The Lord is going to extend your boundaries and the peace is in you. And new friendships the old

# DAILY PROPHECIES

friends are going and the new ones are coming. The peace is in you.

Sister you are going to the next level and you are going to get new revelation.

Sister the Glory of the Lord is going to come upon you and I hear family settlement. It is going to be fruitful. The church may be against you, but God's grace is upon you so be silent then you will pass through the problems.

Brother financial breakthrough and new documents you are going to be signing in your favour. I hear the word so.

Sister the Grace of God is upon you! Brother I see steps, promotion in your life.

Sister the peace is in you Hallelujah! In the name of Jesus.

Sister the abundance of glory! I hear the word the abundance of glory and more space. The house where you are staying there will be an abundance of space in the house.

Sister some people will criticize you but be silent. The Lord will honour you before the ones who criticize you I hear the word so. Hallelujah! In the name of Jesus.

So the Lord is going to bless everyone. Sister I see a new feather in you that means new honour is coming. So I am thankful to all brothers and sisters who are reading.

So the word is Godly sorrows which is everything that you are facing at this time that is Godly sorrow. So you should not complain. If you have a pain in your body maybe it is a headache, sinusitis, but every thing is Godly according to Godly sorrow. Because you are called. You understand that the Israelites were called, but they were put to the test. Likewise do not complain about what is happening and don't murmur, but just praise in the situation and God will deliver you. This is the prophetic word for you.

Everyone receive your deliverance. Everything that is going according to God's plan. Nothing is against God's plan. So it is your attitude and how you grasp and realize the things. So the Lord is going to lift every person.

I am thankful to every person. A promotion is coming to everyone. So tomorrow will be better than today I believe. So expect a great miracle in your life tomorrow. So I am thankful to everyone. God is going to use everyone of you!

May God bless everyone in Jesus name. Amen.

## DAY 53

**BRETHREN, I COUNT NOT MYSELF TO HAVE APPREHENDED: BUT THIS ONE THING I DO, FORGETTING THOSE THINGS WHICH ARE BEHIND, AND REACHING FORTH UNTO THOSE THINGS WHICH ARE BEFORE.**

Sister I see God is going to use you inside your house and outside. Inside and outside your house means that before people in family those who rejected you and also before people outside who rejected you. So you are going to be honoured.

Sister I hear the word it is in a new building. I hear the word it is in a new building. The Lord is anointing you and you will have many disciples sister I hear the word so.

Sister I hear the word August 15th, I hear when I look at your name the Lord is telling of a date, August 15th. So you will mark that in your diary. The Lord will implement many things that you have been praying for a long time on that day. On August 15th and you are also going to get your own house. I hear the word so. You are going to get your own house I hear the word so.

Sister so you will have new connections and I also hear the word betrothal. I hear the word marriage. I don't know, what I am hearing I am saying. Some people will think why am I saying about marriage, but God is saying, I am saying. So if I don't tell God will not disclose many things.

# DAILY PROPHECIES

God will not reveal many things. That is why I am hearing when I look at your name I hear the word betrothal. It is coming very soon. Hallelujah! Maybe somebody in your family who is related.

Sister so you are seeking a good placement I hear the word. I sense you are looking for a placement and God is going to honour you. God is going to honour you in the name of Jesus.

Sister Hallelujah! I hear and see green leaves. Green leaves means it is a sign of blessing. Green leaves is a sign of blessings. The Lord is going to bless you. So green leaves it reminds me of the blessing that you are going to have many spiritual and material blessings. And many foreign trips are coming to you sister.

You're destination is nearing. I see and sense you are traveling in a train. What I am seeing in the vision I am sharing and it is your time to get down. That means you are near to your promises. You are near to promises.

Brother Hallelujah! Financial breakthrough I hear the Lord is telling me you will be protected from the pandemic. The pandemic won't touch you. The covid19 won't touch you. You are protected. I hear the word so. God is going to extend and protect your boundaries and you are getting an additional house. I hear the word so. Maybe you have one house, but God is going to give you an additional house. This is what I hear.

Sister I see the key of a door. It is going to open. I sense you are going to enter into a new house. I see the door and a key. Sister you are healed! I sense you are in need of a healing. The Lord is telling no need of medicines. You are healed. I sense you are looking for a job also. New connections are coming. You are healed in the name of Jesus.

So I have given the word so far. In the name of Jesus. So I have a prophetic word to share with you. The Lord is going to do many more greater things in your life. And God is going to bless you. And you are healed in the name of Jesus.

So everyone I welcome to daily prophecies. I have a word to share with you that word will give you a blessing. That is from the book of Philippians, Chapter 3 the 13th verse. It says, Brethren I do not count myself to have apprehended, but one thing I do, forgetting those things which

# DAILY PROPHECIES

are behind and reaching forward to those things that are ahead.

So this is the word. Forgetting those things which are behind and reaching forward to those things that are ahead. So to everyone, this is the prophetic word. So if you want a blessing from the Lord, if you want many doors of them ministry to open, if you want many powerful gifts of Holy Spirit to be activated in you. You have to look forward, do not look back in the past. Maybe somebody

has insulted you. Somebody has mocked you. So do not keep these things in your mind. Forget everything! That is what Paul is saying, forgetting everything which is behind and looking forward that is coming ahead.

Brother financial breakthrough. Brother I hear, I see, I sense financial breakthrough is coming to you and people around you will come and accept you, I hear the word so. The people around you will come and accept you. So there will be a collision. I hear the word collision and financial blessing also. Collision I hear the word in the name of Jesus.

Sister Hallelujah! The healing, the stomach problem is healed. I sense you need a healing related to your stomach. It is healed sister in the name of Jesus.

Sister the Lord is giving you more power and breakthrough. And that will give you deliverance and that will bless you. And you will come out of all your problems. So this is the word that I am sharing with you. If you want to be blessed maybe in your family itself. Somebody might not of accepted you. They might not of treated you proper. Even your own parents or your brothers and sisters. They might not of given you share from your family or your pastor where you were baptises, he may not of accepted you. Instead of giving you many chances, maybe your pastor given many juniors many chances. So these all things you are having in your mind, but I tell you Paul is saying forgetting everything in the past, forgetting everything in the past and look forward ahead. Because we have a great calling. We are not called to get something from our family. Our God is not a God who gives rubber, a pencil or a notebook. Realize one thing the murmuring Israelites thought God is going to give them tasty water or meat or something like that. They had no revelation. So they forgot everything about the land where milk and honey are flowing. But I tell you, but forget everything in the past. Everything in the past and look forward that is coming ahead. You have a great calling Hallelujah!

Sister you have a great calling and the Lord will use you powerfully and no one will stand against you. Hallelujah! So I am telling to everyone!

So I will read that, Paul said, I do not think that I have apprehended, but one thing that I do, forgetting those things. So Paul is saying, one thing that I do, forgetting those things which are behind and reaching forward to those things that are ahead. These are not what me and

# DAILY PROPHECIES

you want at this time. Don't remember the past. Don't remember about yesterday. Look forward of tomorrow. And don't over enjoy or over happiness at this situation if God has blessed you. Don't find over happiness. You can find happiness and you can enjoy in God, but don't over extend. You have no time to enjoy, you are looking forward that is coming ahead. What you are seeing is not the present what you are seeing is not the one who God is going to be giving you. A better is coming. The ministry, better ministry is coming and you are going.

I am ministering to everyone and telling that you are going to stand before many people. If you are a business man or a business woman. You are going to have more connections and more money coming. If you are a pastor, a prophet or an apostle more revelations, more wisdom. So what you are seeing the visions it is not. Everything is coming ahead so concentrate in that. Hallelujah!

So don't find over happiness in what you have. Look forward! Because greater thing is coming. So you know the fuse in the electronic things. There are fuse and there is high voltage. The fuse keeps the electronic thing from damage so we have the anointing! So if we feeling over happiness. We will get stuck there So we are looking forward. So many people will praise us. Many people will say you are good. You are powerful. You are an apostle. You are a man of God. You are a powerful woman of God, but don't be overjoyed. Don't seek overjoyed. Because you look forward to what God is going to give you. That is what I am sharing with you.

Sister I sense you are passing through many trials, I hear the word so and financial breakthrough is coming. Hallelujah! Promotion in your life sister in your life. And systemically things are coming and arranged sister. Hallelujah!

The enemy won't stand before you sister!

Improvement in your life sister. I hear improvement in your life. And I hear the marriage is coming in your life.

I hear the word promotion in your career brother. Promotion in your career, you are going to get a better job I hear the word so.

Sister you will move from the present place and go to the new place. I hear the word.

Sister I hear the new beginning. The old is gone. So you will move into the new ministry I hear the word so.

Sister financial breakthrough and new relations coming to help you. And the peace is in you. I hear the word so. The peace is in you sister.

Flowers in your life sister. The flowers in your life signifies many happy moments are coming in

# DAILY PROPHECIES

your life and God is going to bless you. Hallelujah! I also hear the word that God is going to bless you with a child sister. I hear the word so. What I am hearing I am saying. Hallelujah!

Brother Hallelujah! I see flight travels coming into your life. Flight travels coming into your life. Flight travels are coming into your life.

Promotion in your life sister. The Glory of the Lord will reveal in you.

Coming out of the pit sister and deliverance.

And the peace is in your home sister. Peace in you I hear the word so.

Sister you are crossing over the borders, you are entering into a new realm. In the name of Jesus.

The world nations are going to open for you Apostle. The world nations are going to open up for you. In the name of Jesus. Hallelujah!

So I am thankful to everyone for those who are reading the daily prophecies. Welcome! I am thankful for these daily prophecies.

So this is the prophetic word that I shared with you. Don't forget about the past and don't get stuck in the present look forward what is coming ahead. So that is the word. Don't remember the things that are in the past and don't get stuck in the present, but look ahead, because the greater things are coming. The greater power! The greater anointing! The greater revival! Greater finances! Greater doors! Everything are coming ahead.

So don't get stuck in the present! Or don't get in bondage in the past! Look forward! Greater things are coming to everyone! This is the prophetic word. So God bless you! In Jesus name. Amen.

Hallelujah!

# DAILY PROPHECIES

you a promotion. You are going to be accepted in the church and in the family. The family and the church you are going to be accepted and what you have lost in the past years I hear the word restoration. I hear the word so brother.

Sister the steps I hear the elevation and promotion to your life. You are going to see new things in your life sister. New things you are going to see Hallelujah!

Sister I hear the word financial deliverance and God is going to extend your boundaries. Financial deliverance I hear. Promotion in your life and the power of God will be released when you minister. Hallelujah!

Sister the epidemic won't touch you. You are protected by from the epidemic. The sinusitis healed in the name of Jesus.

So welcome everyone to these daily prophecies! I have a word to share with you. So this is the prophetic word and this will give you deliverance. So you have entered into the next level. That is the next level means without doubt! I hear the word so. The next level without doubt!

Sister Hallelujah! The power of God will come upon you and bring peace into your life. I hear the word peace. What you need at this moment is peace. The power of God will come upon your life and give you peace and settle everything that is arising. And the dispute is going to be set aside. I hear the word. There is a long journey coming. There is a long journey coming. And government is approving your sanctions.

Sister financial deliverance the Lord is touching you. Financial deliverance. Financial blessing and promotion in your life you are a carrier. I sense you have a son you have a child and I hear promotion to your son I hear the word so. Your family is blessed by your son I hear the word sister.

Sister terrible things won't hurt you. I hear the word. You are going to be seated in the best seat sister. The terrible things won't hurt you. I hear the word so. You will be safe and protected.

Sister, you are completely healed. You will live longer and declare the works of the Lord. This is what the Lord is saying sister. You will live longer and you will declare the works of the Lord. You are completely healed sister. Hallelujah!

So I have a word to share with you. It is from the book of Romans Chapter 8:24-25. That I will read, so for we were saved in this hope, but hope that is seen is not hope. For why does one still hope for what he sees, but if we hope for what we do not see. We eagerly wait for it with perseverance. Hallelujah!

So here the verse is saying, we eagerly wait for it with perseverance. If we hope for what

# DAILY PROPHECIES

we do not see that means, if we see everything, this is the prophetic word. If we see everything that means if God speaks to you through a prophet or God speaks to you personally by word, but you are not seeing. But if you are seeing that you will be happy. But if you are not seeing you are hearing only the word. That is what this prophecy we have to receive it. We have to accept it by faith. God told it to all the saints in the bible by word and they entered the promises by faith, by hope so today this

is the prophetic word.

So many prophecies you have heard and also some revelations about the past and present. You have heard and through other prophets also you are hearing many prophecies. So you are all hearing by faith that is will come to pass. So this is the prophetic word that what all prophecies that you believe that has come from God. That has come from God if you believe and you are waiting for it. With perseverance by hope every promise will come to happen.

So this is the prophetic word every prophecy to you is going to happen if you wait with perseverance.

Pastor there will be an increase in the anointing. I see a train. I don't know in the place where you are staying there is train. I see you in a bullet train and bullet train is going very fastly to the capital city to where you are staying. So there will be new agreement signing. I see like that Pastor. Hallelujah!

So the peace is to everyone. So I was sharing with you that we wait with perseverance. That means maybe things come negative. Things won't move easily, but we only have the hope like God told Abraham that I will give you a child, but he was very old. He was an old man. His wife also very old. They cannot conceive a child, but God told I will give you a child. So they waited with perseverance. They waited in hope. So that is that in the midst of every negative situation if you accept the promise. This is the prophetic word we wait for what we have not seen. We wait. So I tell as I look into everyone I am saying, your yesterday when compared to today is better. So today is better than yesterday for you and tomorrow is greater than today. So we are waiting for tomorrow.

Tomorrow you are a part of the great ministry of Jesus. How many of you believe? You are reading here because you are a part of the great ministry of Jesus. Maybe you are an apostle, prophet or pastor, teacher or shepherd. Or an administrator, but in some one or another way you are a part ministry of Jesus. So when you wait for that thing, it is coming. It is almost near so expect a miracle. We are seeing that miracle without seeing. This is the prophetic word. Expect a miracle.

# DAILY PROPHECIES

The neighbours cannot fight with you. Your friends cannot compare to you, because God is with you. God is with you. So they cannot fight with you. I sense you can understand what I am writing. They cannot compete with you, because God, Holy Spirit is leading you and there is the power of Jesus in you. So nobody can compete with you, because you have the grace. So you are going to see that great miracle. You are not seeing it, but by hope.

Let's read that verse once again, Romans 8:23, it is very good. What all prophecies that you have had from the time onward when you have received it, the prophecies through many prophets. Maybe God has spoken to you. Also when you read the bible you can see the prophecies. All the prophecies are to everyone those who believe. Not only to Abraham or Jacob, but to everyone who believes. Everyone, every prophesy in the bible is for us. We were saved in this hope. Hope that is seen is not hope, for why does one still hope in what he sees? If we hope for what we do not see we eagerly wait for it with perseverance. So we are waiting for in that hope. This is the prophetic word.

All the prophecies are going to come. It is going to happen today at this time, at this moment, every prophesy no delay. You know why everyone is now united in reading this and why everyone is reading. Do you have any sense why all of you are coming in this daily prophecy? Because it is the time! Time has come!

When you have received Jesus Christ the beginning maybe from 5 years before or 10 years before or yesterday or last week. When you received Jesus Christ as saviour from that moment you are hearing voice of prophecies. And most of the prophecies have not been seen, but now the time has come. That is why now everyone is reading this daily prophecies. Because it is the plan of God. How many of you believe? It is the plan of God. That is why we are all here. And so the Holy Spirit is telling now the time has come and you are going to see from today itself. From today itself one by one, you are seeing very long prophecies that you have been waiting for many years, for today itself and tomorrow, day after tomorrow, next week your promises are going to be seen with your eyes. This is what I am saying. I am saying it from my experience. What I was desiring in my heart for years I was seeing it last week, yesterday, today, so that is why I am sharing my experience.

So you are also going to see that. So you have to receive it by faith. So God is going to bless everyone. If I have not given a word to anyone. Today the prophetic word is that you are going to see your prophecies happen. From today, tomorrow the day after tomorrow. Everyday you will see some prophecies going to fulfil. You have to receive it by faith.

Abraham waited for many years to get a child, but when the child was conceived. It was

# DAILY PROPHECIES

conceived, it came out from the womb. He began to see the blessing. Everyday he was seeing the blessing, because people around him began to know God was with him. So I tell you everyone, your neighbours, your friends, those to who are looking at you what is happening in your life? They are going to see, they are going to tell, open their mouth and tell, say that, they are going to say that you are a man, you are a woman blessed by God YHVH. So it is going to happen. The peace is in you.

Many challenges, many challenges but also I hear their marriage life. God is giving peaceful marriage life. I hear the word.

Brother happy news. You will see, you will hear the happy news in the coming days! You will hear, I see the Lord is giving you a new car. You can receive it, if you believe. A new car is coming to you brother. The new car is coming. And promotion in your life.

So welcome everyone. I am thankful to everyone. May God bless everyone!

So if I have not given a word to anyone. This is the word that your prophecies you are going to see. What you have waited for a long time without seeing. It is going to happen from today, tomorrow, day after tomorrow. So everyday you will have the promises fulfilled. So this is the prophetic word.

May God bless everyone. In Jesus name. Amen.

So the Lord is going to speak into everyone's life today! I am thankful to God. God is going to bring great things into your life. The enemies power is weakened. So whatever comes in your life you should not be upset, because the Lord will bless you. So welcome everyone!

I have a prophetic word to share with you that I will read, the Book of Psalm Chapter 2 the 8th verse it says, Ask of me and I will give you the nations for an inheritance. And the ends of the earth for your possession. It says, Ask me and I will give you the nations for your inheritance and the ends of the earth for your possession. Hallelujah!

So ask of me and I will give you the nations for an inheritance and the ends of the earth for your possession. This is the prophetic word. The Lord is going to bless everyone who are reading. So you are going to be raised to the next level. The jealousy people cannot stand you, because there is a promotion in your life. There is a promotion in your life. You are going to see, your eyes are going to see that. Whatever comes against you, you should not be upset. It may be irritating you, but focus on Jesus. You will see greater things! The Lord will honour you in every area. The Lord will honour you. The Lord will raise you to the next level. The Lord says, I am in you. The Lord says, I will bring you from all the problems that you face. This is the beginning of the day that God is going to raise you into the next level. That means that here the Lord is promising. Ask me and I will give you nations. So God is giving you the power over the nations. Authority over the Nations today onward.

Psalm 2:8, Saying I will give you authority over the nations. So you will have the authority. You will have the power over the nations. So what you see is not the things that are happening. What you cannot see is what is happening, because the Lord will increase you in every area of your life. So do not be upset says the Lord. The Lord is going to give you a better placement. The Lord is going to give you a better pulpit. So the power of God will come upon you right now in the name of Jesus the Lord is going to let you see many greater things. Do not be upset because everything is going to change. Whatever happens in your life do not be overwhelmed,

# DAILY PROPHECIES

because God is going to let you see the great things.

I have the prophetic word for you sister the Lord is giving you more grace and tolerance. And I see the family peace in your life. The fire of the Lord is upon you and God is going to let you see you blessed in your house. The blessing will first be seen in your house. And many great positions are going to come into your life. Do not be upset! Hallelujah! So greater things you will see!

Apostle the honour is coming to you so do not be upset says the Lord. An increase in knowledge an increase in fire. Hallelujah!

So this is the prophetic word it says, Ask of me and I will give you the nations. So the power of God is upon you. Welcome everyone!

Brother financial area. Financial area you are blessed. And you are going to get a new job brother. Do not be upset about your mother's relatives. The help will come from your mother's relatives. I hear the word so Hallelujah!

Sister more tolerance! This is what I hear more tolerance. God is going to give you more tolerance and I hear establishment. Establishment for you sister.

So I have a prophetic word that I shared at the beginning Chapter 2 the 8th verse it says, Ask of me and I will give you nations. So in which country you want to go. Ask the Lord and the Lord will open that country for you. Here it is saying, Ask of me and I will give you the nations for your inheritance and the earth for your possession.

So what you ask that will be given. So if you want to go to a nation ask the Lord and the Lord will give you authority. More grace to you.

I see many more doors are opening for you brother; An increase in knowledge also. I sense you have children. I hear that your children are blessed. I don't know whether you are married or not, but the Lord is telling me that your children are blessed and 2 children. I am seeing 2 children. What I am seeing I don't know about you, but I see 2 children that are blessed. The Lord is going to bless your family. And you are protected from every disease. The Lord has protected you. God is going to bless you more. And I see financial area blessed. So to everyone I am saying.

You know there was much interruption, when there is anointing there will be some problem coming. So do not be upset. So if there is any problem in your life you must understand that there will be a lifting up. There will be an increase in something in your area. So when you are lowered in one place, you must realize one thing that there is a lifting up. So God is going to settle

# DAILY PROPHECIES

your problems to everyone I am saying. God is going to settle all your problems so you will be protected from all the diseases. To everyone reading, I am prophesying in the name of Jesus, that you won't be, because there is a wall of fire around you. Even if you are thinking you are having some kind of disease I tell you in the name of Jesus you are protected. For you won't be hospitalized because there is a wall of fire around you. And you and your children and who family will be blessed by the grace

of God. So you don't lack any finance, because the Lord will open the doors of Heaven for your provision so the enemy might be saying that the enemy is following you. But I tell you, that the enemy cannot follow you, because God is hiding you from the enemy. Maybe the enemy is irritating you. Calling you through the telephone, somebody is telling you if you won't receive the phone it will bring a problem to you, But I tell you, in the name of Jesus the enemy cannot do anything in your life. You are under the shadow of God. You are in God's hand so there is a protection over you and your family.

Hallelujah! Promotion to everyone! In the name of Jesus! So God is going to see the greater things in your life. So we have to so Jesus comes without notice a second time like a thief. That is what the bible is saying, He won't come by informing us. The thief comes when everyone is asleep. When everyone is asleep the thief will come. So we do not know the time when the thief comes. Likewise, Jesus is saying, I will come in a time that you cannot think. So we should always be awake in the Spirit.

So here God is saying, he is going to use such persons who are steadfast and very vigilant. And God is going to give such persons authority the nations.

Those who are reading, God is going to if you believe, God is going to give you the authority over the nations. Why you are reading now is because you have an authority over the nations. The first part many of them read, but when it was broken many were not telling from the Spirit, because they can't have access into the second part. But I tell you, those who are reading this is what the Holy Spirit is saying.

So everyone, maybe there are only 2 or 3, but many people are watching they are and to everyone who is reading I am saying, you are given the authority over the nations.

Today I was sharing, the power over the nations. Now, I am to share about the nations. Ask of me and I will give you the nations as your inheritance. And the ends of the earth for your possessions. So it is related to the end-time revival. So the Lord is going to give you possession. So that is what the second part is the ends of the earth for a possession. So you will possess the land. You will possess the nation. So everyone who are reading and take

# DAILY PROPHECIES

time to read again. I am saying God is going to give you authority over the nations. And here the verse is saying, this is the prophetic word, ask of me and I will give you the nations for your inheritance.

So today you are going to possess the nations. This is a prophetic word to everyone reading. So you are going to receive that anointing. So I am going to pray to God. God I release the anointing over the nations. Your work is not wasted. Your time is not wasted. This is the plan of

God. Hallelujah! Many tried to enter, but only a few were able to enter. Many tried to enter the Kingdom, but only a few were able to enter. So today at this time, those who are reading you have the authority over the nations. This is the prophetic word.

Hallelujah!

Financial breakthrough! God is going to give you fluency in the language.

So many doors are opening up for you! You are called to minister! And the honour is coming to you and the enemy cannot face you, because the Lord has taken the battle. So the anointing oil is pouring upon you and more grace is upon you. So you will again visit that place. That African country I hear the word so. The country you are going to visit again. The country you went to before you are going to visit again. Hallelujah! In the name of Jesus. So the power of God is coming upon everyone.

So this is the prophetic word, you have authority over the nations! Ask of me and I will give you the nations. So this is part of the end-time revival that you are a part of. You are a revivalist. You are a Great Revivalist! God is going to use you in the end-time so God is going to establish you as a revivalist. And the power will be released when you stand in the pulpit. The demons will flee. Many people will be healed. Many people's eyes will be opened. Now your inner eyes are opened. You are going to see visions clearly from this time onwards.

Brother, the Lord is telling me, there is a wall of fire around you! You won't fall into the pit, because the enemy has put the pit there, but there is the provision coming. The finance is coming. I hear actually you are going to reorganize. I hear, Reorganize. Hallelujah!

I am thankful to everyone who is reading. God bless everyone!

Welcome to Daily Prophecies. Greeting to everyone in the name of Jesus. I thank God in the name of Jesus for giving me an opportunity to minister here. God bless everyone.

Thank you Lord for your patience and waiting for a long time, but God has a plan in your life.

The peace is in you sister. I hear the word that the peace is in you. There are many challenges also in your body, you know in the spirit, so the Lord is telling me that you are going to have a refreshment in your body and your spirit. In health both in the inner man and also in the outer man. There will be a change coming in your life. Your family relationship will be raised to the next level. I sense so.

Sister I see the Lord is going to anoint you. I see the anointing oil overflowing. So you will see the blessings in these days. In these days you will see the blessings. The Lord will open the Heavens for you and you will see visions clearly. And financial breakthrough for you. The epidemic won't touch you sister. Hallelujah!

Brother the Lord is going to extend your boundaries and all the barricades are going to break in the name of Jesus. And you are going to see your family. I see like that and you are going to see your family and the help is coming from your family. Hallelujah!

Sister Hallelujah! You will pass the test. You are going through I sense that you are going through a tunnel and you will pass the test. Financial breakthrough for you. Hallelujah! In the name of Jesus.

Sister the Lord is going to extend your boundaries. And you will move from the place where you are residing. A new place is going to come into your hand. A new house and you will stay there and do the Lord's work and the Lord will bless you in the financial also in the health and I see the marriage also for you sister. I hear the word marriage. Hallelujah!

Prophetess there will be flight travels. I see I hear the name of the country Germany. West Germany. So you will have a ministry in West Germany and financial breakthrough also coming to you. Prophetess the power of God will come upon you and give you a breakthrough. You will stand in the pulpit. And the mercy of the Lord is upon you. And the old people who rejected you are going to accept you I hear the word so.

Sister the Lord will lift you up slowly. The Lord will give you the land. The land will come in your name. And God is going to bless you with children. I hear the word so. Hallelujah in the name

# DAILY PROPHECIES

of Jesus. Maybe it's your church children. God is going to bring many children to your church I hear the word so.

Sister I see sudden improvement in your life. Sudden change in your life. Breakthrough in your life. And God is going to touch your family also. Your family is going to see the financial breakthrough. And there will be visit to the European nations. I hear visit to European nations I hear. Hallelujah! In the name of Jesus.

Sister Maybe at present you are thinking you are not being used well. But God is going to use you. Many people have rejected you. But God is going to use you powerfully. You will be a powerful vessel in the hand of God sister. And I see an invitation coming to you to minister. I hear the word so. Hallelujah!

Pastor you have a sophisticated mind I hear the word so. So sophisticated means you come from a well settled family like that from good ancestor family like that. There are many challenges in your life, but you will overcome everything and you will possess the land. I hear the word you will possess the land.

Brother I see you standing before the big Jericho wall, but the Lord is going to blow the wind over that Jericho wall and it is going to collapse. I see the vision what I am saying, you will enter the land. You will enter the promise. Your dreams are going to come true. Especially in the financial area. And I see you will possess the land. Land in town. You will purchase the house in town I hear the word so. And honour is coming to you. Hallelujah! In the name of Jesus.

Sister Hallelujah! The mercy of the Lord is upon you. The fire of the Lord is upon you. You will visit foreign countries and you are called to minister. And the power of God will come upon you. Hallelujah!

The anointing of God is now over this daily prophecy. I can feel the fire from the Lord over this reading. So God is going to touch your lives. Sometimes there maybe some breaks or complaints, but you must realize one thing that God has a great plan. So when the anointing comes, there will be some difficulties also. There are our treasures now given in earthen vessels. How many of you understand? The treasures are given, 2 Corinthians 4 that is not the prophetic word, it's just what I am saying sharing with you. 2 Corinthians 4:6, says, the treasures are given in earthen vessels. In order not for us to boast that it is the power of us or our ability. So it is given in earthen vessels. I am saying this that we should not boast. That is why there are some problems maybe in your life. In your family, in your area there will be some problems coming, because the treasure of God is given in earthen vessels. That is why we are facing such kinds of things, but those who have the revelation will be calm and quiet.

Sister the peace is in you. And the Lord will take you to USA, I hear the word. The Lord will take

# DAILY PROPHECIES

you to USA, I hear the name, Los Angeles. And the Lord will use you powerfully sister.

Apostle Hallelujah! I see the tap is open and the water is flowing. It signifies the Holy Spirit is now fully poured upon you. And this is the time for you to be raised to the next level. So in the different areas where you are ministering the Holy Spirit will be revealed in such areas. And you can experience that in the coming days. The abundance of Holy Spirit over your ministry Apostle.

Brother new job. I hear the word new job, you are signing a new contract. You are entering into a new job and you are going to enter a new job and financial breakthrough to you also.

So to everyone I have given the word too. Welcome to Daily Prophecies. Hallelujah!

Sister power of God will come upon you and give you breakthrough. And the chest infection healed in the name of Jesus. And God is going to bless you. Bless you family and bless you with children. God is going to bless you with many children I hear the word so sister.

Brother Hallelujah! Promotion in your life. New journeys! And you will cross over through the tunnel and reach the next area and the big mountain is going to melt before you go. And God is going to bless you in financial area also. New doors are opening up for you also. In the name of Jesus.

So God is going to bless everyone. And promotion to everyone. In the name of Jesus. The Lord is going to bless. Hallelujah!

I am hearing the testimonies also that people are sharing in the what's up they are getting deliverance in daily prophecies. And in Facebook also. All Glory to God in the name of Jesus. And God is going to increase the anointing in you. So I have a word to share with you. It is from the Book of Exodus Chapter 25 the 8th verse says, And let them make me a sanctuary that I may dwell among them. Hallelujah! It is a very good word. That I may dwell among them. Hallelujah!

It is a very good word!

Sister promotion to you and new house is coming to you I hear the word new house is coming to you sister.

So this is the word that I am going to share with you. Exodus 25:8, And let them make me a sanctuary that I may dwell among them. So this is the prophetic word the Lord is telling the Israelites let them make me a sanctuary that I may dwell among them. So here that word is related to us now at this present time. You have to make you know our body is temple of Holy Spirit so we should have to make our body holy and pure for God to dwell in us. When you read

# DAILY PROPHECIES

1 Corinthians Chapter 3, Paul is saying our body is the temple of Holy Spirit so we should not spoil our body. We should make our body holy and pure. That means we should make our mind Holy, we should make our eyes, ears our whole organs holy. Because God wants to dwell in us. We are separated for the Lord and don't compare our strategy with the local people. The local people are created to dwell in this world. And to receive the blessings in this world. But don't compare our life

with them. Because we may have to pass through many, many problems. Sometimes we will be in the lions den, sometimes we will be in the dry well, sometimes we will be in the prisons, sometimes we will be in the wilderness to pass through. But when we look into the other people, they are not having these kind of things, because their blessings are only in this world. But we are separated. We are separated for the Lord. So all the things that are said in the bible are for the Israelites not for the Moabites, Ammonites or the Philistines. The Holy bible is not for the Philistines, Moabites, or like such gentiles, but it is for the Israelites. This law is the law book for Israelites. Like in every country there will be civil procedure code and criminal procedure code of the Israelites. So we are not the Israelites when we receive Jesus Christ as Saviour. It is not actually the bible says Paul says that a Israelite means he has received Jesus Christ as Saviour and not by birth from tradition. So we are the Israelites and we have this law book the civil procedure and criminal procedure code.

So I tell you do not compare our life to other people. We are separated for the Lord and we have many problems, but God will be in the midst of our problems. And God will deliver us. God will deliver us so that is very important. So here this verse is saying, Hallelujah, make me a sanctuary. So your body is the temple of Holy Spirit. So purify it!

So this is the prophetic word today purify your sanctuary. That is the dwelling place for God YHVH. Because He wants to dwell in you. You know the Ark of Covenant when it was placed in Obedom's House when David placed the Ark of Covenant in Obedom's house he began to get blessed. Likewise purify your body. Clean your sanctuary because God wants to dwell in you.

So when God dwells in you. You will be healed. You will be financially blessed. You will be delivered. You will be delivered from demonic attacks. You will be delivered from headache. You will be delivered from stomach ache. You will be delivered from all the dreadful diseases. You will be delivered from toothache. Like that from financial problem everything. Because when God dwells in you.

This is the word for anyone who is saying I have not received a word. I can give the word for who have been present to comment as I write. But many people reading also, this is the word.

# DAILY PROPHECIES

This is the prophetic word Exodus 25:8, and let them make me a sanctuary that I may dwell among them. So our body is the sanctuary of God, purify it. Cleanse it with the blood of Jesus. Because God is saying that I may dwell among them.

So God is going to dwell right now if you take a decision that Lord I want to get purified. God is going to cleanse your body with blood of Jesus. And God is going to dwell in you. You and Jesus and Father are one now. United as

it says in the Book of John. So miracles you are going to see in your life.

From this moment onwards, you are going to see miracles. Because God is now dwelling in you. Your life has changed. You are going to see the visions clearly. To everyone. So you will have promotion in the spiritual realm and the earthly blessings. You can see that immediately! Not it is, what it is happening, not after some days. Immediately! Immediately it will happen. When you read the Bible God will act immediately. When Moses lifted the hands Israelites won. When Moses hands went down the Israelites were defeated. It was at the spot So when you take a decision that I am going to cleanse my sanctuary for the Lord. The Lord is going to dwell in you immediately. Right now!

Sister I hear the new bucket. The gift is coming in the new bucket. It is and looks like of mat. The gift you receive will be from your ancestors, your family. You are going to get the gift sister. I hear the word so in the name of Jesus.

I am going to read the verse, Hallelujah! It is the Book of Job Chapter 23 the 10th verse. Job is

# DAILY PROPHECIES

saying, but He knows the way that I take. When He has tested me I shall come out as gold. So if you can say like this I prophesy into your name that tomorrow there you will see a blessing. This is the prophetic word. If you can say like this, but He knows the way that I take and when He has tested me I shall come forth as gold. That means he is a man righteous. A righteous man and there was nothing wrong with him. He is saying that when he is tested he will come out as gold. And the thing about Job the 23rd Chapter the 10th verse. So if you can say like that the deliverance

will be easy. You will see the deliverance immediately. Immediately you will see the effect. This is the prophetic word that was given to me. Job was saying, He knows my ways. Because we cannot hide anything from God. If we think anything if you think anything God will know that. What we have our heart God knows. So we can not hide anything from God. Those who feel the presence of God know what I am saying. So in many times when I am in a state of danger I feel the presence of God. When I think something negative in my mind I feel the presence of God. That is God wants to show what I am thinking in my heart. So from my experience I am saying. So you also have the same experience if you have the presence of God. What you think if it is against God's law. God will touch you by His presence. That means to remind you that God is watching you.

So here Job is saying He knows my ways. So if everyone who are reading this is the prophetic word. It is a very good word. If anyone is saying, I am praying for many years for a deliverance. I have waited many years for a deliverance are saying, you have to say like this, He knows the way that I take. Every step you take God is watching you. So when He has tested me I shall come out as gold. So there should not be any black mark in you. There should not be any black spot in you. If you are confident of that you shall surely enter into the promises. That is what Job is saying, He knows my ways and when He tests me I will come forth as gold. And you can say I will come out as gold.

Whatever prayer requests you have maybe you are 100 years old, like Abraham, he was an old man, but he conceived a baby in his old age. And Sarah was also very old and conceived a baby. Abraham begot a child. So what that is impossible tonight I am saying, maybe it is morning there. Whatever that is impossible for you. You think is impossible, but if you say, when God tests me I will come forth as gold. What is impossible will make possible for you. He will even stop the sun for you. He will even change the climate for you. He will even make the atmosphere change for you. He even stopped the sun for Joshua. And divided the Red Sea for the Israelites.

God is ready to do everything for you. But what condition is that. You must say He knows my ways. That is very important. That is the key word for deliverance. If you say that it is difficult, it is very difficult for a deliverance, but I tell you, before saying it is difficult for deliverance. You first try to say when I am tested I will come out as gold. Surely God will create the position for you. He will create the seat for you. He will arrange everything for you. He will make everything for you.

# DAILY PROPHECIES

This is what we can see in the bible. He created many things for the saints. So you are going to enter the promise, this is the prophetic word. Financial breakthrough for you. Mercy has fallen on you sister. The Lord is extending your boundaries sister. Your promises are coming to be know Pastor.

Be courageous and the Lord has separated you! Happy News you are going to hear sister! Hallelujah! In the name of Jesus.

So this is the prophetic word to everyone. The Lord will take you to nations sister. I hear the word so. Mercy is upon you. You do not have any separation sister. No separation. The Lord is guaranteeing, I hear the word so. Hallelujah!

Brother the walls the Big Jericho walls is broken. Currency notes I hear financial breakthrough for you sister. Happy News you will hear sister. The Lord will open the nations for you sister.

The healing power the breakthrough the chains are broken you are coming out of bondage in the name of Jesus. Hallelujah!

Be courageous says the Lord the Lord has seen your position. The Lord wants to lift you up. Brother I hear, the Lord has seen your position and there is nobody to help you, but the Lord is going to send an angel to lift you up. And you are going to get the dividend share sister. I hear the word sister you are going to get the dividend share Hallelujah! In the name of Jesus.

New job I hear sister! The new job is coming. You are going to get the new job. Hallelujah! I sense you will do some business also Apostle. Along with the ministry, I see the business like relates to something of the ministry. Some kind of projects I see like that I see so in the name of Jesus. Hallelujah!

New paradise! I hear the word sister new paradise. You will settle in the new land and have the vision on Heaven sister. I hear so. In the name of Jesus.

So I am thankful to all brothers and sisters who are reading daily prophecies. If I have not given any word to anyone here. Maybe there are many others reading, but this is the prophetic word, if anyone is saying that deliverance is difficult for me. You have to say like this, if God tests me I will come out like gold. He knows my ways. So God is watching you and if you can say that you will come out as gold. Surely God will open the door for you. He will open the door only for you. He will divide the Red Sea. Only for you and no one can enter through that way. He will create everything for you. He will give birth for to anything for what you ask and what is your hearts desires. So this is the prophetic word and it is going to come to pass in your life.

I am thankful to everyone! May God Bless everyone in Jesus name. Amen.

Hallelujah!

# DAILY PROPHECIES

Sister I see Hallelujah you are called to minister and the grace of God is upon you. You will have plenty to give. You will have plenty to give sister.

Brother I am seeing the signature is put on. The new document is signed. That means you are going to enter into a new contract I hear the word so brother Hallelujah!

Welcome to daily prophecies! I have a word to share with you that is from the book of 2nd Peter chapter 3 the 14th verse, Hallelujah!

Sister you will be part of the mega crusade I hear the word so. You will be part of the mega crusade and an abundance of the overflow of Holy Spirit. I hear the word so in the name of Jesus. Hallelujah!

So this is the prophetic word 2nd Peter 3:14 it says, this is the word today to share, Therefore beloved looking forward to these things be diligent. So when you read from 2nd Peter the 10th verse onwards we can find that the Day of the Lord is coming as a thief in the night. So it is mentioned here that the Day of the Lord will come like a thief in the night. So in the 14th verse we can see, so be diligent to be found in Him without spot and blameless.

So when Jesus comes the second time that is the Day of the Lord. So when the Day of the Lord comes if you are tensed you won't be taken to Heaven. And if you are found with any spot or blamed you cannot have an eternal life. So some people need a deliverance also.

So today I am saying, when the Lord visits you. Some people this verse is mentioning about the second coming of Jesus. That means when Jesus comes we should be diligent that we should not have any spot. And we should be blameless. And we should also be in peace.

Notice Jesus will come the second time. Maybe he can come at this time also. So if you are tensed you won't be taken up. Also if you are tensed and are having any spot and if you are blamed you won't get a deliverance also. And your prayers won't be answered.

So here Peter is saying, Be diligent to be found by Him in peace without spot and blameless. If anyone is saying I want a deliverance I want my prayer request answered. So before asking God for your prayer request that is important. You must have peace. If you are not having any peace and if you are having any problems in your life that means you have a spot. If you are found with spot. Spot means bad habits like that. God doesn't like. And blameless even your own family should not blame you. So your enemies cannot say anything against you.

# DAILY PROPHECIES

Sister focus on the new language I hear the word. Focus in the new language. The Lord will make you fluent in the new language.

So I am coming back to the word. Here Peter is saying, be diligent to be in peace. Be diligent to be found by Him in peace without spot and blameless. So if you have any prayer requests. Before praying to God. You must exam whether you are having peace. If you are not having peace God cannot grant you the prayer request.

And if you have any spot. Spot means a black mark. Maybe it is telling a lie or murmuring or complaining. Anyway that is a spot. And we should be blameless means nobody should have a complaint over us. Even your enemies cannot say a complaint against you. You know Daniel when he was found guilty before the king they had no accusation to be brought against him. Because in every area he was honest before the king, before the government he was very honest. The only thing that they found was he prayed, That he was always praying. This is what they found.

So this is what we see here as blameless. If you want a deliverance you should be blameless. That means your in-laws should not blame you. Your husband should not blame you. Your wife should not blame you. Your neighbours should not blame you. Everyone should say he is a man of God, she is a woman of God. So that is blameless without spot and in peace.

So this is the prophetic word, 2 Peter 3:14. So if you want your prayers to be answered. Today your prayers will be answered and you will be lifted up to the next level, but examine if you have any spot, blameless and are you having peace. Peace means if you are worried about your prayer request God cannot give you deliverance. That is what I am saying. So God is going to bless you.

Sister you will come out. The power of God will come upon you and you will come out. You will come out of the terrible accusation I hear the word. You will come out of the terrible accusation.

The financial stability brother financial stability God is going to honour you. Especially in the financial area.

Sister your life is going to become smooth. Don't be tensed. I see you will see the paradise. I hear the word you will see the paradise. That means the Heaven will open and you will see vision about the Heaven sister.

Sister your cousins are coming to help you financially. Sister I hear the word so.

Apostle I hear the word long journeys. You will have long journeys. And you will be part of the revival I hear the word so. Part of the end time revival I hear the word so Apostle.

Sister the mercy of the Lord is upon you. And spend more time in prayer and you will see

# DAILY PROPHECIES

deliverance.

Sister I see the properties you are getting back. You are getting back the properties so the enemy cannot cease any of your things sister.

Sister I hear the Lord will teach you many foreign languages. I hear the Lord will teach you many foreign languages in the name of Jesus.

Sister emergency doors are opening up for you and promotion in your life. And happy news you will hear.

Sister there is no need of medicine you are healed. I hear the word there is no need of medicine you are healed and the infection completely healed in the name of Jesus.

Sister Hallelujah! The Lord is going to fulfil your heart's desire. The Lord will give you a new vehicle. Vehicle is a means of transportation.

Sister you have the legal right sister I hear you have the legal right to stand. You won't be exited because you have the legal right to stand. Hallelujah! In the name of Jesus.

Be courageous sister. You won't be exited you will have the value I hear the word so. Financial breakthrough to you sister. And you are protected from the epidemic. The new door is opening for you. Opening new door. New cooking. The kitchen is favourable I hear the word so in the name of Jesus.

So God is going to bless everyone. God is going to raise everyone and God is going to lift everyone in the name of Jesus. So you are going to see greater things.

Brother the mercy of the Lord is upon you. Those who have not accepted you they are going to invite you and they will find that you are blessed by God YHVH. The blessings in the bible will come in your life brother. Hallelujah! And the Lord will separate you for His Kingdom. I hear the word so in the name of Jesus.

So this is the prophetic word that I share that you should be blameless, you should not be found with spot and you should have peace.

You will capture the things that are impossible for others. You will have great visions and you will speak to you through dreams.

Sister Holy Spirit is filling you more in these days. And I hear the power of God is coming upon you sister. You will have more grace I see for you.

Sister you have to change it. The new is coming and the old is going to change and the new is coming. So God is going to change you and bless you sister. Hallelujah!

# DAILY PROPHECIES

Sister power of God is upon you. Financial breakthrough. More tolerance. Be silent when they persecute you and shout against you sister. The Lord is telling be silent and the Lord will lift you up I hear the word so.

Sister New opening for you!

Brother the Lord is opening the nations for you.

Sister financial breakthrough and promotion in your life. You will stay in the upper the first floor I hear the word.

You will stay in the first floor in the name of Jesus.

Hallelujah! You are promoted to the next level sister. And the Lord is opening your eyes and you will see visions clearly. In the name of Jesus.

So I am thankful to everyone. All brothers and sisters who are reading.

If anyone is saying I have not received any word. This is the word before you ask God for anything. First exam whether you are blameless. And also if there is any spot in you. Also you should have peace. So when these three things are perfect in you means you should be blameless and you should not have any spot and when you have peace you will see deliverance. This is the prophetic word 2 Peter 3:14. So God bless everybody! In Jesus name. Amen.

And the Lord is going to increase the anointing for everyone. Financial stability those who say amen. This is the word for everyone. Those who say amen.

Promotion in your life. New journeys are coming. Get ready for the great revival. And financial doors opening. The mega church you are having a mega church and God is going to extend your boundaries. And what you see that will be done. What you see in your inner eyes that will seen outside also. You will have more power from the Holy Spirit. The Holy Spirit will give you more power. The power of God will come upon you and give you breakthrough in every area of your life. Nobody will stand against you in your life. And you will be taken to many nations. The Lord will give you many languages and you will speak fluently. Financial breakthrough. The peace is in you and the power of God will come upon you. You are going to be in the next level.

Don't look back the Holy Spirit is saying. Don't look back. You are called to minister. Happy news you shall be hearing. Financial breakthrough I am hearing. Hallelujah! In the name of Jesus.

The enemies power is weakened. So everyone this is the word if you believe the enemies power is weakened, if you receive that if you say amen. The enemies power is weakened means anything in your life if it is financial problem you will never see the financial problem, because the enemies power is weakened. If you are having any pain or disease the enemy is the one who has put the pain and disease in your body and when you believe that the enemies power

# DAILY PROPHECIES

is going to weaken and the pain is going to decrease. From this time onward. The pain you are relieving from this time onward.

So enlargement to everyone. And you are part of the great revival. Financial breakthrough. The Lord is filling you. The Lord is touching you with His power. The Holy Spirit. The Lord is touching your family and you are going to come out of the pit. And deliverance to everyone. The power of God is going to come upon you

and breaking the chains. And increase in knowledge. Increase in deep knowledge of God. I hear deep knowledge. When you look at a person you can receive it. When you look at a person. If you are not getting, to everyone I am saying, when you look at a person and you are not getting any word. Look deep into that person you will get the deep knowledge. This is what I am saying. Look Deep. Hallelujah! You will get the word. You will get the revelation about that person. This is what I am saying. So the Lord is blessing you with more power and more grace. And your eyes are going to open from to onwards you practice, you pray, you pray for somebody, you will get prophetic word. You will get the right word. Right word you will get. You will get the past, present and future. So God is raising everyone into the next level.

Everyone is going to be blessed. I am thankful to all brothers and sisters who are reading the daily prophecies. God bless everyone.

So be blameless and without spot and have peace. 2 peter 3:14, very important for every prayer request answered. Three things you should have peace, without spot and you should be blameless.

God bless everyone in Jesus name. Amen.

Hallelujah!

## DAY 59

**FOR I WILL GIVE YOU A MOUTH AND WISDOM WHICH ALL YOUR ADVERSARIES WILL NOT BE ABLE TO CONTRADICT OR RESIST.**

Apostle financial breakthrough and organizing crusades I hear the word. You are organizing crusades and the Lord is going to be opening the finances. And I see in the crusade in the stadium I hear the word so.

Sister Hallelujah! The big wall you will jump and you will never have to look back.

Sister Hallelujah! It seems that you can go, but there is a plan glass like that so you have to pray to break that glass to enter the promise. I hear the word so.

Pastor financial breakthrough and the Lord is going to give you a lifting in the ministry I hear the word so. Hallelujah!

You are healed sister. Not by alcoholic medicines, but you are healed in the name of Jesus. The vein is healed. In the name of Jesus.

Sister I hear you will produce the things. You will create the things in the name of Jesus. There will be protection sister. There will be protection.

Sister Hallelujah! Financial breakthrough and the Lord will lift you up and settle you in the land. In the new land, I hear where there are mountains I hear the word so.

# DAILY PROPHECIES

Sister Hallelujah in the name of Jesus. No one will stand against you because the mercy of the Lord is upon you. So God is going to bless you.

Sister you have the right to stand. Nobody can exit you. You have the right to stand.

Sister I see many challenges you are facing but the Lord will settle you. The Lord will settle you and foreign trips are coming.

Sister Hallelujah! The Battle is God's. God will fight for you and you can relax and you will see God fighting for you in the name of Jesus. Hallelujah!

Sister the enemy cannot stand before you. And the enemy might try to trap you, but you will overcome. You don't have to try to escape from the enemy because the Lord will take care of that case. You won't see that enemy anymore in your life. I hear the word so.

So there will be many students in the institution. In the institution there will be many students I hear the word so in the name of Jesus.

So God is going to bless everyone.

Sister Hallelujah! Overflowing abundance of Holy Spirit! The oil anointing is overflowing in abundance and spreading! And protection from all diseases. The Lord is healing you I hear the word so in the name of Jesus.

So God is going to speak into everyone's life. So I think I have given the word to everyone to those who have been here. So the Lord will speak to you more if you keep on praying. And God will want to bless everyone of you. And I have a word to share with you. That is from the Book of Luke Chapter 21 Hallelujah!

Sister the wounds are healed. Financial breakthrough coming! S

Sister the government is approving the papers and repayment. I hear the word repayment.

Sister I hear financial breakthrough Hallelujah! In the name of Jesus. Financial breakthrough!

So I have a word to share with you that is from the Book of Luke Chapter 21 that is the 15th verse. It is a nice word!

Sister they will ask for the certificate you will produce the certificate and the Lord will settle your cases.

Brother I hear the appointment order coming to you. You will enter into the new job. I hear the word so brother. I hear the word new job Hallelujah!

So this is the word from the Book of Luke 21:15, it is a nice word. For I will give you a mouth and wisdom which all your adversaries will not be able to contradict or resist. So God is going to give you a mouth and also wisdom. Which all your adversaries will not be able to contradict or resist.

# DAILY PROPHECIES

So today when you believe it is going to activate. So when it is going to activate is when you are in a situation. When you are in the situation the Lord will give you this verse to come to pass in your life. So the 14th verse is saying, therefore settle it in your hearts not to mediate before what you will answer. So today the Lord is going to give you a mouth. And the Lord is going to give you wisdom.

Sister many times you have trying to come out, but you can't come out. But by grace today you will come out.

Hallelujah!

Sister you will overcome all the problems in your life. I hear the word so. So this is the word it is very needed because in this world we live we need wisdom and God will give you a mouth. So those who wants to go in the prophetic. Those who want to grow up in the prophesy this is a nice word. Because when you pray for somebody you won't get a word. You won't get a word, But Jesus is saying I will give you a mouth.

Sister you are healed. No need of medicines I hear the word.

Sister you will overcome all the problems. That means family and ministerial problems and the Lord will settle your cases and the Lord will give you new transaction. I hear the word new transaction. New transaction is coming in the name of Jesus

Hallelujah! So this is the word, I will give you a mouth and wisdom. Everyone who is operating in the gift of prophesy. Everyone wants a mouth like that of God of Jesus. So here Jesus is saying, do not think about what you will answer so in the prophetic field also. So when you drive your car. When you are in the junction, when you are in the traffic somebody will call and let me know the right decision. So you can not even have time to give a word, because you are in the traffic signal and driving your vehicle. So sometimes it is like that when you are doing something people want a word. So we have no time to meditate. We have not time even to think or to ask the Lord. But here what it is saying, here what it is saying, I will give you a mouth and wisdom which all your adversaries will not be able to contradict or resist. So you can practice this. You can practice this in your meetings. When you pray. When you pray open your mouth God will give you wisdom.

This is the prophetic word! God will give you wisdom! When you look at a name when you open your mouth God will give you wisdom and here Jesus is saying, I will give you a mouth. That there is not your mouth, you already have a mouth. You already have a mouth, but it will be the mouth of God. It will be the mouth of Jesus. So when you open your mouth it is Holy Spirit speaking. And you are given wisdom. So it is going to activate when you meditate. You are to mediate this word it is very powerful. Those who are in the prophetic field also those who are before an enemy. You need not worry what you will give the reply. The Lord will speak through you.

So this is the prophetic word today.

And financial breakthrough coming to you sister. And, family also being blessed I hear. Family.

# DAILY PROPHECIES

I sense your family need financial blessing. And your house is in renovation. Sister renovation in your house is taking place.

Sister you will enter the new job. I hear the word you will enter the new job.

Apostle the Lord is giving strength to your legs to walk more. To do more in the name of Jesus.

Sister Godly nature. I hear the word Godly nature. God is giving you the nature and character of Jesus

sister. Godly nature. Maybe you are very tense and you will get angry like that. That is why God is saying Godly nature.

And promotion to your life sister. What you are doing there is a promotion. If you are ministering to 10 then you will be ministering to 15 or 20. That is what I am sensing. Promotion in the area of what you are doing. Hallelujah!

You do not need to go check because you are healed in the name of Jesus. Hallelujah!

You are going to get the new job sister. You are going to get the new job the new office I hear the word. In the name of Jesus. Hallelujah!

Promotion to you sister. Financial breakthrough and you will have a mission in the jungle I hear. You will have a mission in the jungle in the name of Jesus. Hallelujah!

The food is ready. Pastor that means it is your time. Time that God will use you powerfully in the name of Jesus.

Be courageous sister the Lord will reposition everything. The Lord will reposition everything.

Maybe there sister there are some things that God is not pleased with you, but God has forgiven everything and given you a promotion. And your life will be successful. I see the steps and elevation in your life. In the name of Jesus.

So God is going to bless everyone who are reading. How many of you believe? So the word that I was sharing with you was that God is going to give you a new mouth. God is going to give you a new mouth and wisdom. So that is the wisdom of God. It is not by studying anything or by hiding anything again and again studying or practicing like that no. But the moment, at the moment that we are not prepared at that moment God is giving. That is the wisdom of God. And God is giving you that wisdom.

# DAILY PROPHECIES

I sense you are all preachers of the word. So God will give you wisdom. Not from a bible college, but the wisdom of God. Also the prophetic mouth God is giving you. Everyone financial breakthrough. Financial breakthrough to everyone!

The Lord is going to extend your boundaries. New doors opening and coming out of that cave and tunnel. God will settle the cases and there will be journeys. And there will be new promotions to everyone I am saying. The power of God is coming upon you and breaking the chains. The enemy

maybe enticing you and be calling you many times, but now the power of the enemy is weakened and you will win the battle, because God is with you. You don't have to look back your life will be successful.

Your life will be successful. So your relatives, your family will be amazed they will be surprised it is working it is the anointing of God that is in you. So you should not be afraid. Your life will be successful. So don't think that your life is a failure, because if you have the anointing you will be the best. You will become the head and not the tail. And in every area it will be a blessing. In every area where you touch it will be a blessing. Because the power of God is with you. It doesn't come and go, but it will stay with you. Power of God. So every time when you open your mouth there will be a word. There will be wisdom. There will be knowledge. There will be power releasing and people will be healed and delivered. And financial blessings and journeys to nations. The nations are opening up for you. God is going to settle all the cases.

I am thankful to all brothers and sisters who are reading here. May God bless everyone.

So if anyone is saying I haven't received a word. This is the word that God is giving you the mouth. A new mouth and wisdom. That is enough! So if you have wisdom everything will come. If you have wisdom.

If you have knowledge, everything will be there. So God bless everyone. God is going to give you. It is going to activate the new mouth and the wisdom is going to activate in your ministry. In your ministry the new mouth and the wisdom from God is going to activate. So by faith you open your mouth and it is not you speaking it is Holy Spirit speaking. So there will be the fire releasing and people being healed and everyone will be healed.

The chest infection healed. Arthritis healed. Bronchitis healed. Hallelujah!

Epidemic protection. Hallelujah!

Sister happy news! And journeys coming and you will go to the new place I hear the word so in the name of Jesus. So God bless everyone.

I am thankful to all brothers and sisters for your valuable time for reading.

May God bless everyone in Jesus name. Amen.

Brother the church will stand with you and new doors opening up for you. You will stand in the pulpit. I hear the word so brother in the name of Jesus.

Pastor the new seat is coming to you. God is going to honour you. God is going to increase the anointing in you. And you are going to see the visions and God is going to speak to you. In the name of Jesus.

Welcome everyone. God's grace is upon everyone!

Sister and you will build the house outside the town I hear the word. You will build the house outside the town. Your children will have income I hear the word so. In the name of Jesus.

So I am thankful to everyone who are reading.

Sister you will have money to purchase for the provision. And the Lord is going to touch you.

Sister the key is given to you. And you will open the doors. You will have the key!

Sister the fire of the Lord is upon you. And you will enter the new places. And the building there the children coming to you. I hear the word so.

There will be the celebration. You will lead that day with the flag waving. I hear the word so.

Sister new job coming to you. You are leaving the old job and you are going to get the new job I hear the word so in the name of Jesus.

I have a prophetic word to share with you. So I am thankful to everyone. In the name of Jesus. So I have a prophetic word from the book of Hosea Chapter 6 the second verse. If anyone is saying that I have not received a word, this is the prophetic word to everyone. So you can mediate this word. So this word will give a deliverance to you.

Sister the chest infection healed. And financial breakthrough coming to you. And there will be

# DAILY PROPHECIES

a sudden deliverance. A sudden deliverance I hear the word so sister.

Brother the peace is in you. The peace of Jesus is in you. In the name of Jesus. Hallelujah!

So I have a prophetic word to share with you. It is from the Book of Hosea Chapter 6:2 it says, after two days He will revive us. After two days He will revive us and on the third day He will raise us up. That we may live in His sight. So it is a promise from the Lord. It is a promise

from the Lord. So you have to believe by faith. You have to believe this word.

This word God is saying in the Book of Hosea 6:2. You have to mediate it after this reading of daily prophecies. After two days He will revive us. So after two days He will revive us.

Sister I see the Lord will anoint you for the ministry and foreign travels I hear the word so. For the ministry and foreign travels I hear the word so.

So this is the Book of Hosea Chapter 6 verse 2 it says, if anyone is saying I am very depressed. If anyone is saying I am not seeing any blessing. If anyone is saying I am needing a deliverance. So you have to believe this word. It says in two days He will revive us. So God is saying that after two days God will revive us. God will revive you! This is the promise of the Lord! After two days your life is going to change. How many of you believe? After two days your life is going to change, because this verse is saying, After two days He will revive us. The third day He will rise us up. So it is up to your belief. How you receive the word. Hallelujah!

Hosea 6:2 it is the prophetic word Hallelujah!

Hosea 6:2 it is saying, After two days He will revive us and on the third day He will rise us up that we may live in His sight.

So it is up to you how you believe this word. Because if God says anything that will surely come to pass in your life. It won't delay. Why it was 40 years for the Israelites because they complained, they murmured and did not believe. So God wanted all that world generation to go down. So He waited 40 years. So if He says one thing it will be done. If God says something it will be done at the right time. So here God is saying, After two days He will revive us. So those who are depressed.

Sister promotion and sudden change improvement in your life I hear the word so.

Here this verse is saying, After two days He will revive us. So if you are depressed you will be revived. That is what that verse is saying and on the third day He will lift us up. Expect a miracle in your life.

This is the prophetic word. Expect a miracle in your life. Expect a miracle! Expect everyone,

# DAILY PROPHECIES

If anyone is saying I have not received or if anyone is saying I have not received a word. This is the prophetic word that He will revive us after two days and on the third day He will lift us up in order to live with Him. That is the prophetic word.

So those who believe the word of God in the bible. All the biblical verses will come to pass. You know many of the Israelites were not able to have this verse. Even God spoke to them directly through Moses that I will

give you land and milk and honey. They were not able to enter.

So it's by your belief. So again I am reading the Book of Hosea 6:2, after two days He will revive us. On the third day He will rise us up that we may live in His sight. So you are going see the miracles to everyone!

Healing upon you Sister healing! Financial breakthrough!

The Lord is going to extend your boundaries Apostle. Hallelujah! The Lord is extending your boundaries where you preach in the name of Jesus. Hallelujah!

Promotion to your life sister! Hallelujah!

No need of medicine you are healed sister. Be courageous sister the Lord will increase the anointing in you.

Sister financial breakthrough and I hear marriage for you.

Pastor new doors and you are going to get the license related to the ministry. I hear the word so.

Sister the big Jericho wall is breaking.

Brother today the Lord will settle your cases I hear the word so.

Sister the church bells are ringing! Celebration in your life! In the name of Jesus.

Sister no need of physical test. You are healed in the name of Jesus.

Sister promotion and breakthrough. The Lord is going to extend your boundaries.

Sister the peace of Jesus is in you. Financial breakthrough. Hallelujah! In the name of Jesus.

So this is the prophetic word that the Lord is going to revive you. There will be some change coming in your life. It depends on your belief. Surely there will be a change coming. There will be a shift. There will be a change in address. There will be a change in the job.

You know when God revives us what will happen if you are back sliding if you have no belief if you are having pain if you are having a disease. The things will be changed that is what it is saying. When He revives us. What you are doing the speed will increase.

# DAILY PROPHECIES

Pastor there is a long journey coming for you. I hear there is a long journey coming. New job coming to you! Hallelujah!

So you must realize one thing, when the Lord revives you there will be a speed in every area of your life. And there will be a refreshment in every area. And there will be some change that means you will see the visions more clearly. You will see this going to happen after two days. That is what I am saying, when He revives you.

You will see the visions more clearly. And the fire of God will be deposited in you more intensely. And your boundaries will be extended. Even maybe you won't be aware of it, maybe even when you are sleeping the boundary will widen, even the compound wall widened, the compound wall will be your territory. Literally I am saying your land will widen. So when God revives you there will be increases many changes in the money, in the purse, in the bank account. So when God revives.

In the Book of Genesis when you read when the Holy Spirit was hovering over the surface of the water. What happened God commanded and everything was created. So If you see the things now after two days what is happening when God revives us. When God revives us you should have insight. You should have insight. So when you read a verse in the bible. You have to go deep in that word. When that word is going to activate in you. Many great changes. Many great changes will come. When the Spirit of God was hoovering over the surface of water God spoke by faith. Let there be light, as He created the earth. Let there be sun. So everything was created.

So when God revives you that is what I am saying when God revives you; you should have the insight what will happen to you. Your lifestyle will be changed. Your food will be changed. Your language will be changed. Your accent will be changed. Your knowledge will be changed. You will be having more intelligence. And the fire in you will be increased.

The peace is in you sister. Peace and promotion and somebody in your house is going to get married I hear so in the name of Jesus.

So this is what is happening. May great changes you are going to see after these two days. So when I read this verse I expect a miracle. So what you expect that will be done. So the centurion told Jesus, you only just command, you need not to come to my house. You only just command. So he expected a miracle that if Jesus commanded he will be a healing. He expected! So it came like that servant was healed. Likewise, expect a great miracle in these days; because God is going to revive you and God is going to lift you. So that is the prophetic word.

So I am thankful to everyone. So God is going to do greater things in your life. There will be a

# DAILY PROPHECIES

major shift.

Sister I see promotion and good news you will hear. Your cousin will come and help you financially. Your cousin will come and help you. And promotion in your life.

You are going through many pains sister. But the Lord will settle all your cases and the Lord will give you promotion.

So the new change is coming sister. New house and financial breakthrough! International connections coming to you sister I hear the word so.

So I am thankful to all brothers and sisters who are reading. So if anyone is saying that I have not received a word. This is the word two days that God will revive us and on the third day He will lift us. The Book of Hosea 6:2 you meditate and count the days. Look in your calendar, look at your calendar and count the days what you do by faith.

The mother of Jesus told the servants in the marriage village of Cana, what He says, you just do. So Jesus they filled the jars with water. Likewise do something by faith. Go and look at the calendar, and count how many days, how many hours. So it is the faith that is going to increase the speed your deliverance. It is your speed and action that is going to activate your faith. It is the speed and action that is going to increase the speed of deliverance.

That is why I said you go and look at the calendar what will happen after two days. Something will happen! Maybe your anointing will increase. Or something a financial increase. Surely there will be a deliverance. This is the prophetic word. So God bless everyone.

May God bless everyone in Jesus name. Amen.

## DAY 61

**THE LORD GOD IS MY STRENGTH, AND HE WILL MAKE MY FEET LIKE DEER'S FEET, AND HE WILL MAKE ME TO WALK UPON MY HIGH PLACES.**

**HABAKKUK 3:19**

Praise the Lord,

Greetings to everyone in the name of Jesus. I thank God in the name of Jesus for giving me an opportunity to

minister here.

Brother the Lord will bless you and the Lord will bring you out of all the bondages. The big Jericho wall is going to break and you will see great miracles. You will have peace of mind.

Sister you won't fall and you won't fail. The Lord's hand is upon you so there is a grip in your life. You will escape the attack I hear the word so.

Sister Hallelujah! Financial breakthrough. Many doors are opening up for you. And promotion in your life. More power is coming to you.

Brother financial breakthrough. Be courageous. You pray at home and deliverance will come to you. And the Lord will send an angel to deliver you I hear. It is sanctioned I hear brother.

Sister the fear is gone and grace is coming. And the challenges will case and you will be separated for God.

Sister this is the turning point of your life. In these days the Lord will anoint you more for a greater ministry I hear the word so.

Sister you are called to minister and the Lord will give you more languages.

Sister financial breakthrough and the doors are opening up for you. You will go to the neighbouring countries and minister. I hear the word so.

Sister the sinusitis is healed. The headache is healed right now in the name of Jesus.

Sister the fullness of God is coming upon you and giving you a breakthrough. The people and village will accept you.

Sister new job is coming. And God is going to bless you. Hallelujah! In the name of Jesus.

Sister promotion to you! Second step. I hear the word second step. Sister you are going into the second step.

Brother financial breakthrough and the church is going to be raised into the next level. Meaning foreigners will come and minister in your church. I hear the word so. And also there will be plenty of water. No worries about water. There will be plenty of water. I see the water tank

# DAILY PROPHECIES

beneath the earth and there will be plenty of water and you should not be worried.

Sister Financial breakthrough is coming to you sister and new job.

Brother Happy News! And you don't need to depend upon anybody. The Lord will bring people to you. This is what I hear.

Sister you will have a comfortable stay. I hear the word you will have a comfortable stay. And your journey will also be comfortable.

Brother the Lord will use you for the Kingdom. And you will read for the Kingdom and the Lord will settle all your cases this is what I hear.

So welcome I am thankful for everyone who are reading daily prophecies! I have a word to share with you!

Brother the enemy is bringing you tense. So the Lord wants you to be more patient. The enemies power is decreased so your tension are going to decrease. From this time onwards your tension are going to decrease. And the Lord is going to anoint you and the power of God is coming upon you and internal healing. Healing inside you. Healing in the name of Jesus. Hallelujah!

So I have a word to share with you that is from the Book of Habukkuh Chapter 3 the 19th verse it says, the Lord God is my strength. So anyone who is tensed. Anyone who is worried. Anyone who is saying I need a help. This is the word. The word is the Lord God is my strength. He will make my feet like deer's feet. And He will make me walk on my high hills.

So you have to mediate this word. This is the prophetic word today. It is saying the Lord God is my strength. If anyone is having any disease, pain, headache, sinusitis any kind of disease that you are having. Even any dreadful disease that there is no medicine. When you believe that the Lord God is my strength. The strength of God will come into your body. And your body will be having the strength of God. The Lord God is my strength. He will make my feet like deer's feet. So you will move fastly. Maybe you are very slow, but your things are stagnant. Your applications before the authorities are stagnant, because there is no speed. Your petitions and every application before the authorities are stagnant, because there is no speed.

So when you meditate on He will make my feet like deer's feet. So when your feet are like deer's things will also move fastly, because you are having the anointing of God. And that is making your feet like deer's feet. So things will move fastly. Everything attached and connected to you will come fastly. No more stagnant.

Sister no more stagnant. Sister I sense there is some stagnant area. You are not getting any deliverance at the right time. Today when you meditate the Lord God is my strength. He will

# DAILY PROPHECIES

make my feet like deer's feet. So things are going to move smoothly and fastly to everyone of you reading this is the word. And he will make me walk on my high hills. That means what is high hills, we cannot walk in the high hills, but with God with us we can walk on high hills. Because it is very high and we cannot climb the high walls, but if God is with us and God's presence is on it we can walk on high hills. So this is going to everyone who is saying I am stagnant I am not seeing

any deliverance. If anyone is saying I have headache, you are healed right now!

Sister more grace and I hear marriage alliance coming. And family accepting you I hear the word so. So if anyone is saying I need a deliverance if the strength of God comes in you. There will be automatically deliverance. Why are you not or anyone saying why am I not getting deliverance, because it is weak. In that area you are weak. You are having a pain in your body, because that area is weak. The nerves are weak, the skin is weak everything is weak. That is why you are having pain and disease. And why are the things stagnant is because there is no speed. So when you believe the Lord God is my strength. The strength of Lord God YHVH will come into your body and your pains and everything in your body will become strong more than an iron.

So it will break the chains. It will break the big Jericho walls and you will get a deliverance. And that is immediate! You know when the power of God came upon Samson, you know Samson, when the power of God came upon Samson he pulled down all the pillars immediately that was instantly.

So today, when you believe what is stagnant is going to move. If you are having any headache you are healed right now in the name of Jesus. If you are having any pain in your body you are right now healed.

Sinusitis is healed sister. Financial breakthrough Pastor.

More grace and deliverance at home sister I hear the word so.

Sister change in atmosphere I hear the word change in atmosphere.

New journey, I see new journey sister foreign trips coming I hear the word so.

Brother you are in the turning point. You are in a junction. Anytime the Lord will do a miracle anytime. Expect a miracle anytime!

I see brother financial deliverance, mercy and promotion in your life.

And healing coming upon you sister healing. The chest infection healed. In the name of Jesus.

Brother socialist countries. You will visit socialist countries. And financial breakthrough to you.

# DAILY PROPHECIES

Sister financial stability and God is going to extend your boundaries. New doors are opening. The Lord's grace is in you and the power of God will come upon you and open the doors. And new friends coming to you sister I hear the word so.

Sister what you desire that is going to be fulfilled. I hear the word so hallelujah! In the name of Jesus.

So God is going to bless everyone who are reading daily prophecies. This is not a waste of time. The prophetic word is going to activate in you. The Lord God is your strength. He will make your feet like deer's feet. That means things will go speedily. Your things will go speedily from this time onwards. This is the word of God YHVH. Hallelujah!

And the verse is saying, Hallelujah in the name of Jesus. He will make me walk on my high hills. So you will walk on high hills whatever is impossible for you. Somebody is suspecting, somebody is doubting, somebody is confused whether I will see a deliverance, whether I will see any blessing, any blessing from the Lord. Here the word is saying, the Lord will make me walk on my high hills. So high hills means what is impossible for you. High hills means what is impossible for you at this moment. When you read this daily prophecy what you think that is impossible, maybe it is financial, marriage, or family or health or deliverance in the body. Whatever you think that it is impossible. Here the Lord is saying I will make you walk through the high hills. Today you will see it happen you will see deliverance. In the name of Jesus.

Blessings to you sister!

Promotion to you sister!

Financial breakthrough sister!

The Lord is touching your nerves that has given you pain brother.

So to everyone there is a promotion. I believe there is a promotion to everyone. Because the word is very powerful. The prophetic word is very powerful it is going to activate in everybody's life.

# DAILY PROPHECIES

Financial breakthrough to you. Hallelujah! Financial deliverance and you are going to get the share from your home. Hallelujah!

So many people so many of you are giving me messages through the messenger. So in this time you will also have a testimony that God is going to change your situation.

Sister change your situation. House is renewed. New place I hear the word. in the name of Jesus.

May God bless everyone in Jesus name amen.

To be continued...

# DAILY PROPHECIES

## DAY 62

**BUT HE SAID TO ME, "MY GRACE IS SUFFICIENT FOR YOU, FOR MY POWER IS MADE PERFECT IN WEAKNESS." THEREFORE I WILL BOAST ALL THE MORE GLADLY ABOUT MY WEAKNESSES, SO THAT CHRIST'S POWER MAY REST ON ME.**

**2 CORINTHIANS 12:9**

Praise the Lord,

Greetings to everyone in the name of Jesus! Welcome everyone in the name of Jesus! I thank God in the name of Jesus for giving me an opportunity to minister here. Today the Lord is going to bless you. God is going to speak into your life.

Sister financial breakthrough I see and the peace is in you and the sinusitis is healed. In the name of Jesus.

Sister Hallelujah! You will cross the bridge and reach your destination. You have many challenges, but you will overcome all the challenges.

Sister financial breakthrough and tolerance and more grace I hear. Tolerance. God is giving you more tolerance and grace.

The language is changing. And the Lord is giving you a supporter to help you I hear the word so.

Prophetess you will have the income from your house and the enemy cannot stand before you so you will have more Holy Spirit.

# DAILY PROPHECIES

Brother your wife God is giving more tolerance. And more patience. And all the cases are going to settle I hear the word so brother.

Sister the Lord will open the nations for you and the background is clear. I hear the word the background is clear. That means if only the back ground is clear then only the image can be clear the Lord is telling. That means everything behind you is clear. In the name of Jesus.

Sister financial breakthrough and you will come out of your situation and knowledge and wisdom. God is giving you.

Sister the peace is in you. And more Holy Spirit God is giving you and I hear the word marriage.

Sister the Lord is going to give you the right food. I hear the word the right food. What you are praying you are going to get it every time. I hear the right food at the right time. That is the word for you. Hallelujah!

Promotion in your life! This is the word for you sister.

Brother you are called to minister. When you do the ministry of the Lord, the Lord will honour you and the Lord will settle you in a peaceable land. I hear the word so. And grace.

He prayed for a healing and God told my grace is sufficient for you. My strength is made perfect in weakness therefore most gladly I would rather boast in my infirmities that the power of Christ may rest upon me. So you know that.

Sister I hear 2 means journey. Journeys coming to you. Very soon there will be journeys coming to you.

Sister the Lord will take you to many countries. There are long journeys coming to you. So this is the prophetic word.

Sister peace in family. I hear the word peace in family.

Brother financial breakthrough. You will have finance for the Kingdom I hear the word so. You will have finance for the Kingdom and the barricade is broken and you will enter the promise.

So I was sharing with you 2 Corinthians 12:9, you know Paul was praying for a healing. And God said my grace is sufficient. So today God gave me this word to share with you. Today this morning somebody near me she called me on telephone that she wants a healing. So when I was praying for that sister. God told me My Grace is Sufficient. God Holy Spirit told me to tell her instead of praying for a healing and I tell her to pray for grace. So that is why I am shared this word to you also.

Here Paul was praying for healing so many people they need a healing, they need financial

# DAILY PROPHECIES

breakthrough, they need a good job, they need a family setup. They want the doors for the ministry to open, but today Holy Spirit is telling everyone, instead of praying for a healing, instead of praying for financial breakthrough, instead of praying for so and so such kinds of things. Pray for grace. Because in grace there is everything!

What you need at this time is not money or healing, but Grace. A doctor can give healing to a certain extent.

A man can sometimes help you financially that can help

you for sometimes. But what we need is grace. If we have grace, we will never have that disease. Never have any financial problem. This is what I am saying Paul prayed to God for healing, but God said, My grace is sufficient.

My grace is sufficient means it is enough! It is enough! We not pray for anything else. What we need and want a financial breakthrough, you want the ministry doors to be opened. You want the marriage to be solemnized. But in grace there is everything! In grace everything is at God's time not our time, but God's time. So when we get that revelation that what we need is grace. Then everything will come at the right time. Not in our time, but God's time. So I tell you today God is going to give you more grace.

That Grace is sufficient! That grace will give you deliverance. That grace will give you honour. That grace will give you married life. That grace will give you house, car, promotion, ministry doors everything! That grace will give you the gifts and fruit of the Holy Spirit. So what you want is grace!

So the mother of Jesus was pregnant. The angel came and told Mary you are full of grace. So what we need is grace.

Sister the healing is coming upon you! From where you have been rejected you are going to get position. So you need not be upset.

Welcome everyone! So today the Lord is telling what you need is grace. Financial breakthrough is coming to you sister. The Lord is going to extend your boundaries.

I am in you says the Lord. The Lord is telling I am in you.

More grace is coming to you sister. And the Lord is telling everyone tell your children that grace is what they need and not anything else. Sister the Lord is telling that grace is needed at this time. Hallelujah! Promotion in your life. Hallelujah!

Peace and promotion brother. Brother peace and promotion and overflowing abundance of Holy Spirit.

Sister big Jericho wall is breaking. And Hallelujah! Elevation steps in your life sister. You are safe in God's hand. Sister you are safe in God's hand and a purification is needed because God

# DAILY PROPHECIES

wants to give you more Holy Spirit. Hallelujah!

A new life is going to come to you sister. New life means new address, new body, new organs everything new in you, because God is serving you. That means He is making you new sister. That means everything is becoming new sister to you. In the name of Jesus. Hallelujah!

So what I was saying is that brother you will win. I see the flag, a flag signifies victory. The Lord has given you victory brother. So this is what I was sharing with you at this time that what we need is grace.

The Power of God will come upon you sister and your desires fulfilled. Financial breakthrough sister. Hallelujah!

The Lord has blessed your boundaries sister. His grace is in you. In the name of Jesus. Hallelujah!

So I am telling you that what you need is grace. If you have grace everything will have a right timing. We won't be delayed.

Sister it won't be delayed. I sense you are waiting for the deliverance. The promotion is coming sister. No more delay I hear the word so.

Pastor enjoyment I hear pastor. This is the time of victory. I hear the word so. Enjoyment! So you have the right to stand this is what I hear in the name of Jesus.

So God is going to bless everyone who are reading and everyone pray for grace. When you pray for grace, there will be tolerance. There will be relief from pain. There is healing. There is no delay. There is no stagnant. God is going to position everyone. Financial breakthrough to everyone. And new doors are opening to everyone.

And I see the old friends are gathering together and you will be honoured. You will become the head and not the tail. And you will be given the best seat. Not the secondary, the best seat shall be given to you, not the secondary that is in the grace. In the grace there is no secondary. It is the first. So everything and to everyone I am saying the Lord is giving you the best! The best seat! The best food! The best clothes! Everything! The healing everything! More power is coming!

So God is going to bless everyone. You are going to speak in many languages. And financial breakthrough to you. Increment sister and increment means something in which you have to get. It is a right. Increment means it is a right. You are getting that right to get that money I hear the word so. Hallelujah!

Apostle I see the kite flying higher and higher. So God is going to lift you up. God is giving you promotion I hear. I see the kite flying higher and higher and the peace is in you in the name of Jesus.

# DAILY PROPHECIES

The Lord is blessing you with good relationships. And to everyone I am saying good relationships and financial breakthrough and the peace is in you.

New signature I hear you are going to sign the document and you are getting the title.

Sister I see happy news from your own family! Sister I hear the word Happy news from your own family. I see you will even if the enemy is there you will have peace.

That is why when Daniel was put in the lion's den he was in grace. When Shadrach, Meshach and Abednego were put in the fire they were in grace. So this is what you need. So when you are in grace maybe you are in the midst of the Red Sea, if you are in the midst of the Red Sea and you see the enemies also getting in the Red Sea, but the Israelites were in grace so the enemy was drowned in the sea. So it is what at this hour this is the prophetic word is what you need is grace. And you will overcome everything in your life.

So God bless everyone! This is the prophetic word so if anybody is saying I have not received a word. This is the word for you, Grace! For today onwards, desire for more grace. More grace if you have more grace you will have more money, more gifts of the Holy Spirit. More fruits of the Holy Spirit and you will have plenty.

So God bless everyone. I am thankful to everyone to those who are reading Daily Prophecies. God is going to separate you for the Kingdom. To everyone I am saying God is going to separate everyone for the Kingdom. To everyone tolerance. Tolerance to everyone. New journeys coming to everyone. The Lord is also telling keep a social distance. The Lord is telling me to keep a social distance. And the Lord is going to bless everyone.

God bless everyone in Jesus name. Amen. Hallelujah!

Brother keep a distance from the old friends who are not in Christ, but have mercy on them, but keep a distance. The Lord is going to bless you so have a separated life.

Financial breakthrough brother in the name of Jesus.

So the Lord is going to bless everyone. Everyone that is here. So I have a word to share. Hallelujah!

So God is going to bless everyone with this prophetic word. Our God is a redeemer. He will come and redeem you at the right time. The verse is from Isaiah Chapter 54 the 8th verse it says, With a little wrath I hid my face from you for a moment, but with everlasting kindness I will have mercy on you your redeemer. Say Amen.

So this verse is saying you have to believe the words in the bible. It will speak to you. It will give life and hope to you. It will give you blessing and deliverance to you. Isaiah 54:8 says With a little wrath I hid my face from you for a moment, but with everlasting kindness I will have mercy on you says the Lord your redeemer.

So the Lord is your redeemer. The Lord is your redeemer.

Prophetess you are going to minister to your church. The church is inviting you.

Apostle financial breakthrough and I hear the golden chance is coming. I hear the word the golden chance is coming. In the name of Jesus.

# DAILY PROPHECIES

The children are protected I sense you have small kids. Maybe I see the small children in your family are protected from all disease. This is the Lord's guarantee.

So here this verse is saying with a little wrath I hid my face from you for a moment. Sometimes if things are not moving according to our desires not favourable to us. So that means with a little wrath I hid my face. It is only for a moment. The pain is only for a moment. The problem is only for a moment. So when you realize that you will get deliverance easily. The next verse is saying But with ever lasting kindness I will have mercy on you. That means every lasting kindness. Maybe it is financial, or healing, or anything related to your family or business or ministry. But that is everlasting the enemy cannot take it! Hallelujah! Says the Lord your redeemer.

So He is your redeemer. So do not be upset. Do not be upset He is your redeemer. And everyone is going to be redeemed. How many of you believe? Whatever problems you have you are going to be redeemed from all these problems.

Sister you are wounded and now the Lord is healing you. The Lord is healing you. The Lord is going to bring the power over you and relieve you from all the pain and bondage I hear the word so. And the steps and elevation and financial breakthrough for you! I see new steps opening up for you.

So if anyone is saying I have not seen any deliverance. I have heard some people say I need a deliverance, but this verse is saying, says the Lord your redeemer. So He is the one who is going to redeem you. So when you believe whatever problems you face you are going to come out of it. At the moment your believe that verse will come to you. Hallelujah! In the name of Jesus.

God is going to bless everyone! The Lord is going to increase everyone. In the name of Jesus. Hallelujah!

Sister a new job coming to you. In the name of Jesus a new job coming to you!

Hallelujah! Hallelujah!

So this is the prophetic word that I am going to share with you. The Book of Luke Chapter 10 Hallelujah the 20th verse. You know Jesus sent the disciples, 70 of the disciples and Jesus sent them with power. And they returned happily after healing the sick, casting the demons and they were very happy! Hallelujah!

Brother the power of God is upon you and you a new place you will have. Settlement in family

# DAILY PROPHECIES

affairs I hear the word so. Settlement in family affairs.

The Power of God is upon you!

So I am coming back to the word Luke 10, so Jesus sent 70 disciples with power and they came back happily after healing many people casting out demons. So when He saw their happiness Jesus said, Jesus is saying, that verse let's read.

Nevertheless do not rejoice in this that the spirits are subject to you, but rather rejoice that your names are

written in Heaven. So Jesus sent the disciples and they came happily because miracles were happening through the hands of the disciples. So Jesus said, it is not that you find happiness in these things, but you find happiness in seeking happiness that your name if written in Heaven. So this is the prophetic word that you want a deliverance in a certain area. And surely God will deliver you. When you are right before God surely God will deliver you. Surely there is no doubt. But you should be happy now, because your name is written in Heaven. That is what this verse is saying, rather rejoice, because your name is written in Heaven. So if your name is written in Heaven your life will be a blessing. That is the first thing you have to know. Because your name you know many people are in this world, but everyone's name is not written that's in the world. We are distinguished from many people, but we through our external eyes we see others blessed, but I tell you everyone those who we see with our eyes blessed, those ones in the book of Heaven written only your name is written in Heaven. So rejoice! So when you rejoice you will get everything So maybe you are sad because that some of your prayers are not answered. Maybe you want or looking for a marriage. Or you are looking for a house. Or you want your children to be blessed. But I tell you God actually created you to take you to Heaven so your name is written there. So you rejoice in that. When you rejoice in that what you are now is very important. So don't get upset. The Lord is going to bring a blessing to everyone. So everyone rejoice!

Financial breakthrough to you sister.

You will be there in the crusade sister.

Sister you will be a powerful vessel in the hand of God.

The Glory of the Lord is upon you sister.

Sister promotion and church is going to grow.

In some areas there maybe some divisions, but the church will grow I hear the word so.

Sister financial breakthrough. Promotion to you. The peace is in you. And the Lord is going to fulfil your hearts desires.

Brother your hearts desire is going to be fulfilled. Money is coming in your hand I hear the word so.

Apostle I see the new diary in your hand. New diary means you will have everyday miracles written in that diary I hear the word so.

Sister I see you near the seashore. And it is the pleasant time, the best time for you. And the Lord will bless you and your family will come back I hear the word so.

# DAILY PROPHECIES

Sister the power of the enemy is decreased. You will have financial breakthrough.

Sister settlement in family affairs, the house will be come. God is going to touch everyone so you should not be upset.

So this is the prophetic word, if anyone is saying I have not received any word this is the prophetic word.

Sister the Lord is putting smile in your face. I hear the word you will laugh! You will laugh and you will have happiness! I hear the word so. So the peace to everyone.

Addition! Addition! No subtraction! The Lord is adding grace. More grace to you today! Today when you realize that your name is written in Heaven and you rejoice your name is written in Heaven. I prophesy that deliverance will take place in your body. When you realize.

You are worried because you think that your life is going to end up in this world and you have many desires and these are not fulfilled, but when you realize that your life is not limited to this world, but you have your name written in Heaven. When you believe that deliverance will take place.

Brother the power of God is coming upon you and giving you efficiency. I hear the word efficiency. The power of God is coming upon you. And the Lord is giving you efficiency. Efficiency in the name of Jesus.

So you know it is up to you when you believe that your name is written in Heaven and when you rejoice. There will be deliverance. There will be inner healing. There will be deliverance. There will be knowledge that deliverance is taking place. So today rejoice because your name is written in Heaven. This is the prophetic word. So I am thankful to everyone. So this is the prophetic word. So if anyone is saying I did not get a word, this the word.

So this is the prophetic word; rejoice because your name is written in Heaven. So God is going to bless everyone. Financial breakthrough. The boundaries are going to extend. The Lord's light is shining upon you and you are a powerful vessel. You will settle in the land of pilgrim. And you will have many be blessed and God is going to extend your boundaries and the anointing is overflowing. You will move to the nations and everything is in control. The enemy cannot stand near you, because he is defeated. The power of the enemy is defeated. And power of Jesus is now upon you. So your boundaries are going to extend. Hallelujah!

Brother the peace the peace of Jesus is in you brother. In the name of Jesus.

So I am thankful to all brothers and sisters those who are reading daily prophecies.

So you have the key word that is Rejoice for your names are written in Heaven! So Rejoice your pain will be released and you will be healed.

May God bless you in the name of Jesus. Amen. Hallelujah!

To be continued...

You will have the help from your old friend.

Sister there will be a sudden change in your life and the Holy Spirit is upon you and I hear the Lord will give you wisdom and your are going to minister I hear the word.

Prophetess financial breakthrough and the gift is coming. The gift is coming in the basket from those who got deliverance. This is what I hear in the name of Jesus. Hallelujah!

Sister there is a long journey coming and the enemy cannot touch you, because you are well protected by the wall of fire. So you will reach the destination very soon. Financial breakthrough and son getting admission. I hear the word so.

I have a prophetic word to share with you and that is from Book of Joshua Chapter 3 the 5th verse. This is the prophetic word that the Lord has given me to share with you. So this verse will give you a deliverance. If anyone is saying I have not received any word, this is the word Hallelujah! This is the word that I am going to read is Joshua 3:5 it says, and Joshua said to the people sanctify yourselves for tomorrow the Lord will do wonders among you.

How many of you believe that this word is speaking to you? How many of you can say amen to this word, because here the verse is saying that Joshua told everyone the Lord says to

# DAILY PROPHECIES

sanctify yourselves because tomorrow the Lord will do wonders among you. That is what I will read once again, sanctify yourselves because tomorrow the Lord will do wonders among you. So today whoever is reading this word, today sanctify because tomorrow is the day of deliverance. Tomorrow is the long waiting day the long waiting day you've waited for a very long time. Your heart's desire is going to be fulfilled tomorrow, if you believe. So it depends upon what you have believed for a long time and I believe what I have been waiting on

for a long time I am going to see tomorrow.

So today I am going to sanctify more sanctify myself, because I am going to see wonders tomorrow. So how many of you can say that today you sanctify yourselves, because tomorrow you what will happen tomorrow is the Lord will touch you! Tomorrow the Lord will release the power upon you! And you will have your eyes opened and you will see the Heavens opened. You will see the angels ascending and descending. You will see the angels with swords in their hands. So you are going to see that. Today sanctify! And tomorrow you will see. Tomorrow you will see many great miracles. So this is the prophetic word. Hallelujah! So you have enough time for only tomorrow God is going to touch you! So that is why here Joshua is saying, sanctify yourselves for tomorrow the Lord will do wonders. So, there is enough time. So after this reading go to your room and kneel down and pray, because tomorrow you are going to be healed. Tomorrow you are going to see miracles. Tomorrow your marriage alliance are going to come they are going to visit you. Tomorrow the house is going to come into your hands. The church new branch is opening. So, you will see many miracles it depends upon your life.

Because if God says anything that will be done. That is God. If God says anything He will do that. So it depends upon your faith. Your faith. Your patience. And how you receive the word of God. God told Abraham I will give you children and He gave the children. So here the Lord is not saying next year I'll do a miracle here the Lord is saying, tomorrow! Tomorrow I will.

So God is saying today sanctify yourselves! Tomorrow you will see wonders. So everyone your long waiting prayers that you have been praying. Maybe you are waiting to move for the nations. Tomorrow maybe the anointing coming upon you. Or you are in the prophetic realm. So tomorrow the Lord will open your eyes and you will see the Heaven open. Any kind of miracle can happen. How many of you believe? Tomorrow maybe if you are waiting for a job, maybe tomorrow is the authorities giving you a call and they will invite you. So many miracles. If anyone is saying I have not received any word. This is the miracle that something will happen. Maybe you will increase the anointing in you. Maybe surely I prophesy in the name of Jesus.

The Lord is extending your boundaries sister. You are healed sister no medicines.

Sister there will be a chase and you will win the battle sister.

Sister foreign trips I see. Sister a person coming into your life. The Lord is extending your boundaries sister and financial breakthrough.

Sister Happy news you will hear. Chest infection healed.

Hallelujah! In the name of Jesus.

So God is going to bless everyone. So tomorrow expect a great miracle. If anyone is saying I have not received any word. Today Joshua is saying, sanctify yourselves for tomorrow you will see great wonders. Because if you want to see the miracles you have to sanctify yourself. So you should not do anything against what is said in the bible. You should not think anything said against in the bible. You have to say like Paul, follow me as I follow Christ, because he was bold enough to say. So we have to if you want to see a miracle tomorrow, tell your family follow me as I follow Christ. You should have the testimony. Follow me as I follow Christ. That is sanctification here means. Here sanctification means you should have the testimony of Jesus. You should boldly say follow me as I follow Christ. Then you are purified. Then you will see miracles. So God is going to bless everyone.

Sister financial breakthrough and the healing power and God is giving you healing power I hear the word so.

I expect a miracle in Jesus name. Amen.

So I am reading this word John Chapter 15:15 and it is saying, no longer so I call you servants for a servant does not know what his master is doing, but I have called you friends for all things I have heard from my Father I have made know to you. It is a nice word. Amen.

So we are all servants of God, but now by this word we have raised into the friendship level. From the servant level to friendship level. So this we are servants of God and everyone calls us servants of God. I am a servant of God you are also a servant of God. And everyone calls us servants of God, but in this verse we have been raised from the servant level to the friendship level.

# DAILY PROPHECIES

We have become the friend of Jesus. We have become the friend of God. You know God called Abraham my friend. He did not call Isaac. Isaac is also having eternal life and he was also blessed by God, but Isaac, Jacob they were all blessed by God. Daniel and all Moses, all the saints were blessed by God, but God did not call them friend. God called only Abraham friend.

So your prayers should be like this, Lord I want you to call me as your friend. I want to become your friend.

If you pray like that you will get the deliverance very easily.

Sister you will come out of the situation. I see the water gushing out from the canal. You will come out of it. And promotion to you in the name of Jesus.

Brother the mercy of the Lord is upon you. The mercy of the Lord is upon you. So by this word we have become the friend of Jesus the friend of God. Because Jesus is calling us friend. God called Abraham friend because Abraham was always thinking about God's pleasure. Abraham was not thinking about his own pleasure. But he was bothered about God's pleasure.

So here the 14th verse is saying, you are my friends if you do whatever I command you. You are my friends if you do whatever I command you. So if you want to become the friend of Jesus. You have to obey what is said in the bible. If you obey the commandments that are said in the bible you are a friend of Jesus. You are a friend of God. Then it will be easy for your deliverance.

So this is the prophetic word, So if anyone is saying I have not received any word, make your prayer request like this, God I want to be called as your friend. If you pray like that God I want to be called as your friend. So God will call you as His friend. And God will give you a heart and a mind to obey the commandments of God. And it will be easy for your deliverance. And you won't be stagnant. You will easily get deliverance.

So welcome everyone! God is going to improve your health. Improve your cattle. And there maybe things that sometimes the life maybe stagnant, but don't give up. Because God is going to raise you up into the next level. You are going to see a financial breakthrough. Promotion to everyone. To everyone I am prophesying into everyone lives that you are going to be raised into the next level. So God is going to reveal everything. You will become a bold servant of God and the power of God is upon you and you will never be stagnant you will have stability. God will improve your health. God will improve your cattle. Sometimes communication will be stagnant, but don't give up, because God is going to raise you into the next level. You are going to see a financial breakthrough. Promotion to everyone! Everyone! I am prophesying to you that you are going to be raised into the next level. So God is going to reveal everything. You will become a bold servant of God. And the power of God is upon you!

So to everyone I am saying, God is going to reveal things to you. If anything is going to happen in

# DAILY PROPHECIES

your family He will reveal it to you. That is the difference between a servant and a friend. God told Abraham before destroying Sodom and Gorrumah he discussed it with Abraham. Likewise it is if there is any issue coming into your family, in your place where you are staying, in the country or the nations. He will discuss with you and tell. So you can call the president of the country, nation and call the king of that nation and say that God is saying so. Then you will be honoured. So that is the next level.

How many of you believe?

It is a privilege, because you are going to be raised to the next level. That is the friendship level. When you read that verse you can see everything that it is saying. Hallelujah! In the name of Jesus.

It is saying I have called you friends. For a servant does not know what his master is doing, but I have called you friends, for all things that I have heard from my Father I have made known to you. So when you have become the friend of Jesus. What Jesus hears from Father. Jesus will tell you. So when Covid crisis is coming He will tell to you. There is a pandemic coming, there is a problem coming. So He will reveal everything. That is friendship. So you have been raised to the next level.

So promotion to you brother.

The peace is in your sister and be courageous I hear the word so.

Sister the system is changing I hear the word so.

The language is changing. And the mercy is upon you sister.

Sister you will live longer sister. You will live longer and declare the works of the Lord. And be courageous sister the Lord will extend your boundaries and promotion to your life.

Everything is in God's control. God is controlling us. So we have to praise God in every situation. This is the prophetic word. So if anyone is saying they have not received a word, so by this word John 15:15, you are His friend and God is going to reveal everything to you. Everything to you because you are His friend. So God is going to discuss everything with you, because you are His friend. So that is a very great honour.

So I am thankful to everyone. I am thankful to everyone who are reading. So God is going to give me languages to everyone. I am saying God is going to give new languages and mercy is coming to everyone. And financial breakthrough to everyone. So this is the prophetic word to everyone.

And your children will get admissions and you will have breakthrough in financial. So be courageous says the Lord. So the Lord is going to do greater things. Hallelujah! In the name of Jesus.

May God bless everyone. In the name of Jesus. Amen.

To be continued...

Sister you are going to have the better job in the government sector. I see like that. You are going to have the better job in the government sector and the platform is also changing. I hear the word so. The platform is also changing. In the name of Jesus.

I am thankful to all brothers and sisters who are watching! I think I have given the word to everyone as the Lord has given me so far.

Infection healed in the name of Jesus. The chest infection healed in the name of Jesus. Apostle the infection healed in the name of Jesus.

And keep the distance with every people the Lord is telling to you sister. Keep a distance with everyone. Hallelujah!

Brother I see the pen. The pen signifies you will write. And you will write and that which is incomplete will be completed by the grace. I sense you are not writing for a long time the Lord is going to write. Something you wrote is going to complete this is what I hear. In the name of Jesus.

So I have a word to share with you. A prophetic word that the Lord gave me. I am thankful to all brothers and sisters those who are reading here. So this is the word let's read. It is from the Book of Numbers Chapter 23 the 23rd verse.

Sister the glory and financial breakthrough. Be courageous! A separation is needed and that is the will of God sister. That is the word for you.

So Numbers 23:23, For there is no sorcery against Jacob, nor any divination against Israel. It must now be said of Jacob and of Israel what God has done. So the Book of Numbers 23:23 it is a good word. For there is no sorcery against Jacob, nor any divination against Israel. That you know some people say I will pray against you. I have heard people say somebody is praying against me. Somebody is doing witchcraft. Somebody is doing some magic sorcery like that. But I tell you if anybody has been affected even with the spirit of jealousy. Even with the spirit of jealousy someone cannot move forward so this is the word. For there is no sorcery against Jacob, nor any divination against Israel.

So no jealousy can be against you. And no sorcery is against you. So your heart's desires

# DAILY PROPHECIES

are going to work. I sense some people cannot move forward because many eyes are upon you. Many eyes. This word is to some. Some people. This is what I am saying, some people who are reading here that you cannot move forward, because you cannot move forward whatever you do it is not successful. It is not complete. It is incomplete and it is not going well, because some eyes are looking at you some jealousy people are looking at you. They are always thinking about you. So whatever

you do it is not fully completed it is not successful. So you have to receive this word.

So you have to receive this word, For there is no sorcery against Jacob, nor any divination against Israel. It must now be said of Jacob and of Israel what God has done.

So I am thankful to God for being here!

So what I was sharing with you was from the Book of Numbers 23:23 - For there is no sorcery against Jacob, nor any divination against Israel. It must now be said of Jacob and of Israel what God has done.

So this is very important that is why the enemy doesn't want you to hear. So, it is a very powerful word that Numbers 23:23 it says, for there is no sorcery against Jacob, nor any divination against Israel. It must now be said of Jacob and of Israel what God has done.

So this is a very powerful word because many people cannot grow in the ministry. People cannot grow in the ministry. Many people cannot have a happy married life. And many people cannot do everything successfully. Because sometimes it is sorcery. Sometimes it is anti prayer. You know anti-prayer means negative prayers. And sometimes because of the jealous people other people are jealous upon you. So that is why when I was trying to share with you the connection was broken. But I wrote again because it is a very good word to get deliverance. Because the word is written when you believe it will begin to act.

For there is no sorcery against Jacob, nor any divination against Israel. It must now be said of Jacob and of Israel what God has done.

So I sense some reading here cannot do everything successfully. Some people cannot grow into the next level in the ministry. Some people cannot have a happy family life. Because there are jealousy people. So how to overcome this type of jealousy. You have to meditate on this word. This word says, for there is no sorcery against Jacob, when you believe no jealousy can pull you down. No jealousy can stop your work. That is very important. So you have to meditate this word Numbers 23:23 then your life will be successful. You will be growing. So this is the prophetic word.

Sister you will live longer and declare the works of the Lord. No need of medicine you are

# DAILY PROPHECIES

healed in the name of Jesus.

Sister I see it is you need to move forward. I hear the word you have to move forward. Do not be upset because the Lord will settle your cases especially in the financial area.

So brother the Lord will fulfil your heart's desire. This is what I hear. God will fulfil your heart's desire. So grace is upon you. And I see a promotion coming in our life. A celebration I see a trumpet and victory in your life. So God is going to give you a promotion.

Welcome everyone! I have given the word to everyone.

Pastor the honour is coming from your own place. Believers are going to be coming into your church. I hear the word so.

I am thankful to everyone! I wanted to share this word to you it was very powerful. So, all the eyes that are against you. Every negative eye I cancel in the name of Jesus by this word that no sorcery is against Jacob nor any divination against Israel. So your life will be successful.

I see elevation to you sister. Promotion and God is giving you and gratitude is coming to you sister. And you are healed in the name of Jesus in the stomach.

I am thankful to everyone. God bless everyone in Jesus name. Hallelujah! Amen.

To be continued...

# DAILY PROPHECIES

Sister no need of medicine. You are healed in the name of Jesus. You are healed in the name of Jesus. Hallelujah! In the name of Jesus.

So I am thankful to all brothers and sisters. The Lord is going to fill you with the power. The Lord is going to fill you with Holy Spirit. The Lord is going to fill you with His grace. So you are going to have more power. More strength and you will be able to speak more fluently. The fire of God is upon you!

Sister purchasing! I hear the word purchase the land. You will purchase the land and the Lord will provide the money.

Sister where you are rejected the same place you are going to be honoured. The same place you are going to be honoured. I sense you are rejected among your own people, but God is going to honour you in the same place.

So welcome everyone! I have a word to share with you. I am going to read from the Book of Romans 14:17 it says, For the Kingdom of God is not eating and drinking, but righteousness, peace and joy in the Holy Spirit. You know if you want a deliverance. If you want a healing. If you want a deliverance. The Kingdom of God should come in you that is very important! If the Kingdom of God is not in you things will be stagnant. That is why Jesus said before delivering every person, the Kingdom of God is near!

So before healing Jesus said every time the Kingdom of God is near! So here the verse is saying Romans 14:17 it says the Kingdom of God is Righteousness, peace and joy! You know this verse very much I am telling this is the prophetic word. If you want a deliverance that is what I am saying. If you want a deliverance. You should be in the Kingdom of God. The Kingdom of God should be in you. That is why Jesus said First Seek the Kingdom of God and His Righteousness and everything will be added to you. So how will you seek the Kingdom of God. You can see the Kingdom of God is in yourself. That is what that verse is saying. If it is peace, joy and righteousness. If there is peace in you there is the Kingdom of God in you. If there is joy in you, there is Kingdom of God in you. If there is righteousness in you there is Kingdom of God in you. So you know you must examine all the time all your acts. What all you do, what all you do everyday whether there is righteousness in every dealing. That you should be very careful so that no one will say that you are unrighteousness. There is unrighteousness, but no one should say. You must be very careful if you are righteous there is deliverance. If you have joy there is deliverance. If you have peace there is deliverance. So what is making stagnant. What is making delay in your life it is lack of joy, lack of peace and no righteousness.

So that is why Jesus said First Seek the Kingdom of God and His Righteousness and everything will be added unto you. So this is the prophetic teaching. This is the prophetic word that if you want a deliverance in a particular area. So you should be righteous. You should be always joyful. And you should always be happy!

# DAILY PROPHECIES

Some two hour before one of my sisters in my church she called for a prayer through the telephone. She used to go outside to preach gospel and the problem is that she and her family members are having a dispute regarding the property so they began to fight and it is said before the court. So I told what Jesus has said in the Sermon of the mount. And what was Abraham's attitude when he had when he was with lot. So these are all the things I said, so what is righteousness in the sight of God? So she was preaching gospel. She was doing the ministry

of God, but what was unrighteousness. So everyone will look at a man of God or a woman of God if they are doing a ministry. They will look whether they are righteous. So I tell you if you want deliverance immediately you have to examine whether you are righteous in every area, whether you are having peace. Whether you are having joy always. If you are sad, maybe you are put into the lion's den like Daniel, what will be your attitude? You have to think if you are put in the well like Joseph what will be your attitude? You have to think so you should be happy. These men of God were never bothered in the circumstances. That is why joy, peace and righteousness so that is the easiest way to get deliverance.

Sister financial breakthrough to you! And big building coming in your name. I hear the word Big building is coming in your name. In the name of Jesus.

Promotion to you sister! Happy News from your own house you will hear good news!

Sister the chains are broken. I see jewellery on your neck. I see you are going to be honoured. I see jewellery on your neck you are going to be honoured. Very soon your heart's desires are going to be fulfilled. Very soon it will come.

Sister I see the star over your head. So there is a blessing upon your life. I hear the word so.

Sister financial breakthrough. Sister Be Courageous I hear the word so!

Pastor the enemy cannot come near you, because you are in grace. You will have promotion.

Sister financial breakthrough and settlement I hear.

Sister the power of God will come upon you and give you a breakthrough!

Sister confirmation. Confirmation about your promise I hear the word so.

So if anyone is saying that I have not received a word. This is the word that if you are happy you are to know the Kingdom of God is there in you! If you are not happy you have to examine what is the problem. You have to examine. Likewise peace, you have to seek peace. In the book of Hebrews also you know in Chapter 12:14, Paul is saying, seek peace and seek peace and also seek holiness. So Paul is saying without peace and holiness you cannot see God. So that is here also the Kingdom of God is peace, joy and righteousness in the Holy Spirit. So when these

# DAILY PROPHECIES

3 things come together there will be a deliverance.

Some people will say I am very joy, but I have no peace. Some people will say I have very peace, very peaceful, but I have no joy. Some people say I am very righteous, but I have no peace. I am not happy some people say, but these 3 things should come together for a deliverance. For a prayer request to be answered these 3 things that means peace, joy and righteousness. These 3 should come, why these 3 should come, because if you are given

something you will be joy! But if you want that joy for eternal

you should have peace. That is what peace, joy and righteousness, everything should come.

Brother very soon the Lord will take you into a new place I see a movement from your place to another place. The Lord will bless you. I think you are not happy in the present place. I think you are not happy in the present place. So the Lord is going to take you from this place and going to settle you in the new place. I hear marriage also for you brother. What I am hearing I am saying. So maybe it is related to someone in your family, but I hear to everyone I am saying if anyone is saying I have not received any word, this is the word the prophetic word that you should have peace, joy and righteousness at the same time. And it should remain in you forever than the Kingdom of God is in you and then you will see deliverance. If there is no peace you will be stagnant somewhere. If there is no joy, something will be delayed. So that is why this is the prophetic word to everyone.

So I am thankful to all brothers and sisters. The Lord is going to do a miracle so everything is going to be added to you. Everything in your life is going to come into your life. There will be a multiplication. There will be an addition. There will be a miracle in your life. So do not be upset God is going to increase the anointing of everyone and you are going to have some senses some of you are thinking in the coming days how you will overcome the financial crisis I sense like that. Some of you are thinking how you will overcome these days the financial crisis. It is up to you. Your belief that the ravens will provide. The ravens will provide the finance for you. So don't look or don't worry in that area. The finance will be opened by God and God will open the Heaven. And He will release from His treasure. So the provision will come at the right time. And know that God is good and God is going to bless everyone!

And God is going to heal everyone. And everyone is going to be released into the next level so let there be a settlement in every area of life.

May God bless everyone in Jesus name. Amen.

I am thankful for everyone reading Daily Prophecies.

# DAILY PROPHECIES

Brother I hear the name Florida. I don't from where, but there is some connection with Florida. And the fingerprints are taken and everything will be coming in your favour so do not be upset says the Lord. The Lord will bless you abundantly. So welcome everyone!

Brother Hallelujah! Don't look back go forward and you will enter into the land. Promotion to you I hear the word so.

Brother the invitation is coming! And what you have lost you are going to get back.

Sister Hallelujah! Even if the church is against you the Lord is with you so do not be upset. You are going to rejoin the office I hear the word so.

Sister you will be given the grace to make people come to Christ. And you will have an additional growth in the material side along with the spiritual I hear the word so.

So I am thankful to all brothers and sisters who are reading daily prophecies. God's grace is upon you. So today in Facebook I was mentioning about to walk in Spirit. If you walk in Spirit you will be led in the right way. If you do not walk in the Spirit you will be led in the wrong way.

The Book of Romans 6:14 this is the prophetic word. If anyone is saying I have not received a word this is the word Romans 6:14 it says, For sin shall not have dominion over you, for you are not under law, but under grace. This is the word. If you want a deliverance you should be under grace. If you want a change in your life. If you want a financial breakthrough, if you want a spiritual blessing you should be in grace!

So this verse is saying, for sin shall not have dominion over you, for you are not under law, but under grace. Grace that means if you are under grace God will bless you in every area. If you are under law that means if you are subjected to law that means that you don't have to be disobedient to the law, but you have to walk in the Spirit. Today in the Facebook I was sharing the word Galatians 5:6 that everyone should walk in the Spirit. But if you have to walk in the Spirit you are not under the law. The Galatians book is also saying you are not under the law. So you are not under the curse if you walk in the Spirit.

So you know when the Israelites were in the wilderness they waiting for the pillar of cloud and the pillar of fire to move, because they were walking in the direction of the pillar of cloud and the pillar of fire. Now we have Holy Spirit. So when we walk in the direction of Holy Spirit we are under Grace. We are under grace and not under law.

Romans 6:14 this is the prophetic word that sin shall not have any dominion over you. If there is a sin in you, you shall get deliverance. Maybe it is a slight sin that means telling a lie or getting angry for no reason. That is a sin. So unbelieving the word of God that a sin. Every minute thing is a sin and that will hold you back from getting deliverance.

Maybe why the Israelites did not get deliverance because they complained. Some of them doubted. Some of them did not have believe. So for that reason they were not able to enter into the promise. So this verse is saying, Romans 6:14 it says, For sin shall not have dominion over you. So you must be sure that there must not be any sin over you. So sin shall not any dominion

# DAILY PROPHECIES

over you. For you are not under law. If you are under law you will get punishment. If you are under law you will get punishment, but you are under grace you will have mercy from Jesus. Then you will get deliverance.

This is what I have to share if anyone is saying that I have not received any prophetic word. Believe that you are under grace. So you have the mercy of Jesus and you are going to get deliverance. Because you are under grace. So believe you are under grace. It is not a license to do a sin, but if you walk in the Spirit. If you walk under the direction

of the Holy Spirit you are under grace. That is what Galatians is saying Chapter 5 also Paul is saying if you walk in the Spirit you are under grace and not under the law. Here Romans 6, Paul is saying the same if you walk in the Spirit you are not under law sin shall not have any dominion over you. If sin shall have dominion over you. There will be stagnant there will be people stand against you and the Lord won't honour you, but if you are under grace you are already blessed by God.

So this is the word. Everyone believe that you are under grace and not only believe but walk in the Spirit. Hallelujah!

Sister the Lord is blessing you with a new job I hear the Lord is giving you the old job are keeping and new job is coming. Financial breakthrough too sister. And there will be victory in your life. Hallelujah!

You will sing. Sister I see you will sing and I also hear your house is under construction. Renovation construction God is giving you best house with best floors I hear the word so.

Sister the Glory! Financial breakthrough.

Sister the honour coming to you. And you'll never have to look back. Look forward! God will provide at the right time. Hallelujah!

Brother High Speed! I hear the word High Speed. The Lord is raising you to the next level. I don't know whether you are wearing a coat. But now I see a coat and I now think you are wearing a coat and that means you are now going to get a job with a executive. You wearing the coat like that. God is going to give you that job very soon.

Sister I see promotion and foreign trips. You will get money from the business I hear the word so.

Sister renew your mind and you are healed I hear the word. Renew your mind. Purify yourselves and I hear the word and you are healed in the name of Jesus.

Sister the new connections coming to you and the old one is finished I hear. I see so.

So I am thankful to all brothers and sisters. So God is going to bless everyone. If anyone is saying I have not received any word you have to walk in the Spirit. How many of you know the language of God? So it is very important. For example Abraham knew the language of God. So that is why he told Lot if you go right I will go left. If you go north I will go south. Because Abraham knew the mind of God. How we knew or he knew God was because he was God's friend. Because God and Abraham were friends and God used to share with Abraham. So Abraham knew the mind of

# DAILY PROPHECIES

God. So that is why he told Lot when there was a conflict between their servants. Abraham told if you go and take that land I will go and take another portion.

So that was the language of God. So Abraham understood the language of God. So it is like this walking in the Spirit means knowing the language of God. If you know the language of God you will do as the direction of the Holy Spirit. Sometimes when you do something it won't be well. So God is speaking through those circumstances.

So you have to realize God is speaking through that.

So when you move through a rough road. God is speaking through that rough road. So I think you can understand that what I am saying. So when you walk through the rough road. God has to teach you many things in your life. So don't leave that rough road and go another smooth way, because God is making you pass through the wilderness, because He wants to teach you many things. That will help you in the future. So that is what walking in the Spirit that I said. Hallelujah! Then you will be in grace that is what I am sharing with you.

So when things are not moving according to your plan. God is teaching something. So don't complain, don't murmur, because don't cry, don't complain, murmur, because God wants to teach you something. That is why things are not moving. You know the Israelites were in the wilderness for one place for one week, two week they did not move, because the pillar of cloud, the pillar of fire did not move. So they were stagnant. It is the same. Sometimes we are not stagnant. The things are not moving very well. So God wants to know. God is teaching us. That is don't go very fast or don't go very slow. Walk in the speed of Holy Spirit that is walking in Spirit and then you will be under grace. And sin shall not have any dominion over you. You are not under law and you will be under grace. So to everyone!

Sister I see the cap on your head the Lord is going to I sense the place that you are working it is some kind of government or semi government sister I sense like that, but it is the time to leave, but before you leave they will honour you. They will honour you I see the cap on your head. So when you leave the place they will honour you and you will start the business in your village sister the word is for you. Hallelujah!

So I am thankful to everyone. All brothers and sisters and all who are reading Daily Prophecies. And if anyone is saying I have not received any word.

This is the word, know the language of God. If you know the language of God you will be able to enter the promise. You will be able to. You will be established very soon. God bless everyone. Hallelujah! In Jesus name. Amen.

So I am thankful to all brothers and sisters I have a word to share with you that I will read, it is from the book of Psalm 139 the 12th verse let's read Hallelujah!

Indeed the darkness shall not hide from you, but the night shines like that day. The darkness and the light are both alike to you. So here the Psalmist is saying, the Psalmist is David. The Psalm of David, Psalm 139 the 12th verse is saying, Indeed the darkness shall not hide from you, but the light shines as the day. The darkness and the light are both alike to you.

# DAILY PROPHECIES

So it is a state. It is an anointing when the presence of God comes upon you. The presence of God comes upon you not to just show God is present, but when there is presence of God. There is a purpose. So you feel today you will feel the presence of God maybe when you go or are in bed the anointing will come. So many times when I minister here and in Youtube and Facebook in my church, after the ministry when I go home I go to sleep, in my bed I feel the presence. The same thing that I preach that anointing I get. It will come to you also

if you believe. That is why I am saying.

Brother I see financial breakthrough and the Lord will settle your cases. The nations are opening for you.

So I am coming back to you so maybe the presence of God will come upon you. So it is for a presence, not to just make you happy. Not to just please you, but whenever the presence of God comes upon you there is a purpose for that presence.

So today this presence of God is coming and this anointing that the darkness and the light are both alike to you. That means some people don't like darkness. They are afraid of darkness. Darkness means in the spiritual sense negative situations. Financial problem. Family problem. And health issue.

But if you ask Paul. Paul the apostle, he is not bother about what all things. You know the prophet came and told Paul that you are going to be the only one he took the belt from Paul and said, in honour of this belt it is going to be held by the Jews, but what was Paul's attitude. He said, I am ready to die for Jesus. I am not concerned with what will happen. That is an anointing.

So when the presence of God comes upon you in fullness you are not bothered what is happening around. Some people will say they need a pray, but I tell you in the presence of God. When the presence of God comes upon you in fullness whatever negative situation you will not be bothered. You are sure that you will come out as pure gold, as Job said. As Job said, if I am tested I will come out as pure gold.

So here this verse is saying, the darkness and the light are both alike to you. So that is an anointing of God. Everything is equal to you. Every situation so no worry. This is today the Lord will release an anointing on you so believe. You will be raised.

Sister sometimes you are sad, because of the things in this world, but everything is equal to you that is the presence of God. When the presence of God comes upon you everything will be ok. So even if your deliverance is delaying you are enjoying. You are enjoying in the wilderness. That is if you ask Joshua. Joshua was very small when he left Egypt, but when he entered the promise land he was very old. Many will say when he entered into the promise land he was very old, but if you ask Joshua he will say it was not a waste for me God is training me

# DAILY PROPHECIES

for greater anointing. And he was actually enjoying in the wilderness. What I am saying it is not wilderness for you, but an anointing of God that is to be happy in every situation. Happy in every situation. You won't be worried what happens or that is coming you will not be bothered.

Some people will call me and say you are they are saying to me you are worried, actually I am not worried. They will say you are worried we need to pray, but actually I am happy. I am happy! From the bottom of my heart

I am saying that I am happy. So I am humbly saying that it is the knowledge of God who God is, who God is to us. He is our Father. He is our Father. Our God has an address. Our God an address. Every gentile will say there is God. Every people in the world will say there is a God. But our God has an address. Our God has a name and it is God YHVH. And He is the God of Israel. And He is the God of Abraham, Isaac and Jacob. And He is the God of us also. He is the God of me and the God of you. That is the knowledge of who you are in Christ. So whatever things that come you are not bothered. That is what I am sharing. I am reading this word. Psalm 139:12 it says, Indeed the darkness shall not hide from you, but the night shines like the day. The darkness and the light are both alike to you. So you are not afraid of darkness so you are not overjoyed with the light everything is the same to you.

So financial breakthrough sister and sinusitis healed I hear the word so.

Long trips are waiting for you Apostle. Long trips are waiting for you.

Sister I see you have the basket with the flowers. I see here the flowers. I see here the basket of flowers it signifies the Lord is going to bless you and the Lord will make known who you are.

Brother I see you are protected from the epidemic. You are protected from the epidemic there is a wall of fire around you.

Brother there is promotion and church bells ringing. Celebration coming to you.

God bless everyone. I am thankful to all brothers and sisters those who are here reading these daily prophecies.

So today the Lord will release anointing that in every situation. He is saying to you that you will feel the presence. The devil will try to tempt you, but when you look into the things of God. Temptation will go. Every time the devil will come to tempt you, but when you look into your blessings the temptation will go. So that is God's grace. So today God is going to give you that grace in every situation. Every situation. Everything is ok for you. And everyone I am thankful to everyone who are here in these daily prophecies.

May God bless everyone. In Jesus Name. Amen.

# DAILY PROPHECIES

God will bless you with a marriage and you will have a child. So do not be upset your hearts desire is going to be fulfilled. So fight against, fight the devil and worship God. Don't go back after any person. The person will come back after you brother. This is the word the Lord is telling. Sister the Lord is going to bless you with a generation. I see you will be blessed so wait for the Lord. You will be blessed.

The Lord is going to extend your boundaries and I see I sense you are staying in a colony and the Lord will use you in the place you are staying. The Lord will use you powerfully to lead many people to Christ. So related to your family the Lord will honour.

Sister the power of God is coming upon you. You will have Holy Spirit the Lord is giving you more Holy Spirit I see like that in the name of Jesus.

If I have not given you any word I will share a word with you, with everyone.

Sister the glory, sister the Glory of God is upon you. Promotion to you! Your family will be blessed, your children will be blessed. And one of your I hear the word sister one of your sons will become a prophet. One will become a prophet of God in the name of Jesus. Hallelujah!

So yesterday many waited along time and I was unable to come online to minister. What happened was I updated my windows in my laptop. The windows in my laptop, so after the mic function was not functioning. So it was something related to software. I don't say it as a complaint it was spiritual. These things are spiritual. Everything that I am using, but things are coming. So what I am sharing this not any technical. Generally I say that it is technical, but it was all spiritual. Spiritual attacks I am saying this because you have to know when anything comes negative in your life. Don't see with your external eyes, but if you do you can see many reasons why it not functioning why it is going like this, but see everything through your inner eyes this is what I am saying.

Sometimes I cannot come on live, sometimes it is broken. In my place, where I am, I am in the southern part of India. I have a church there and sometimes I put my flex boards there in the streets. But only my flex boards somebody will take. I go out and my flex boards are not there. Somebody will take. So I put a new one, the next day someone will take, so these are all spiritual. This is not, I am sharing with you because when many negative things come in your life you have to see everything through your inner eyes then only can you fight the battle.

You know the Israelites were going through the wilderness to reach the promise land, why God led them through the wilderness. Why did He not lead them through a very nice highway? There are many highways to go to the promise land, but why did God take them through the desert? Through the place where there are serpents and scorpions. I am sharing all this, because God created when you came out from your mother's womb. You are a different person that is

# DAILY PROPHECIES

what you need to know. As a child you do not know, but when you grow older and you come to know. And when you accept Jesus Christ as Saviour. And when you read bible. You read bible with your spiritual eyes. Then you can understand you are created for a purpose. You are created, to everyone I am saying you are created for a great purpose.

So that is why these problems are coming in your life. That is why the Israelites had to wander in the wilderness for many years. So to everyone.

Brother the mercy of God is upon you. You are called to minister I hear. The Lord, I don't know if you are doing the ministry now, but later you will do the ministry of the Lord. And I see the word, marriage. You have to pray to God. I hear the word marriage brother.

Brother God is going to extend your boundaries. Be courageous and I will increase the talents in you, this is what I hear. And I will honour you among your relatives. You will have a farmland. You will have a farmland. I hear the word so in the name of Jesus.

So what I am sharing that the prophetic word is that see everything through your inner eyes. So when you see everything through your inner eyes God will help you to reach the destination. Why Joshua was able to reach the promise land, why was Caleb able to reach the promise land, because they saw everything through their spiritual eyes. They saw the big giants. When the 12 persons led to spy and look at the land, 10 of them said negative things and they saw the giants, the wild animals. They saw everything through their external eyes, but Joshua and Caleb saw the same things. They saw the wild animals, they saw the giants. The big giants, the big problem, they saw everything like the other 10 leaders. These 2 also saw the same things through the external eyes, but they believed. They did not believe what they saw through their external eyes. But they believed in what they see in their inner eyes. That is what I am saying. So see things through the inner eyes. That will help you to reach the destination.

So the word in Thessalonians you can see. The book of Ephesians you can see Paul praying for the rich to have their inner eyes opened to have more knowledge. Ephesians Chapter one and Chapter three if you want your inner eyes to be opened, if you want knowledge, not human knowledge, but the knowledge of God you have in you. You read the Book of Ephesians Chapter one and Chapter three and you can see Paul praying for the church. They are actually rich people. The believers in the Ephesians church are rich people, but they are living as poor people because they have no vision. Their actually healthy people, but they are living as many injuries and diseases in their bodies. They are living like that so Paul understood that. They are actually rich and healthy, but they are very poor in the spirit. So that is what I am saying, see everything through the spirit and you will be able to reach the destination. The word you read Ephesians Chapter one and Chapter three. Paul praying for the church to have knowledge and wisdom to have their eyes of understanding to be opened. That is very important.

So welcome everyone I think I have given to everyone the word so far.

Sister Hallelujah! I see steps and God is going to lift you. And you will stand in the pulpit and in the church you shall minister I hear the word so. In the name of Jesus. Hallelujah!

So I am thankful to all brothers and sisters those who are reading and God is going to speak into your life. So I have a word to share with you that is from the Book of 1 Corinthians Chapter 13 it is the 10th verse. It is a powerful word so I am going to read.

Brother Hallelujah! You will have authority. The Lord is giving you authority I hear the word so. Authority over the land and people will humble before you that is what I hear. People will be humbled before you that is what the Lord says. Somebody is be humbled before you that is arrangement before you. That is proud before you is going to become humble is going to become submissive. This is what I hear brother.

I am going to read a word that is from the Book of 1 Corinthians Chapter 13:10, But when that which is perfect has come, that which is in part will be done away. So I'll read the 9th verse also, for we know in part and we prophesy in part. So this is a powerful word. So everyone is going to prophesy in full. It is up to you. It is up to you, the Holy Spirit gave me this word so it is very good. I am reading the 9th verse, so we know in part and we prophesy in part. So now we are knowing only little by little not fully So when I look at your name I only get little, little not in full. That is why

# DAILY PROPHECIES

I cannot say everything, because God is only showing little. So here this verse is saying to everyone.

So most of you are prophets, you are prophetic. I have seen you prophesying to many people in the prophetic threads. So most of you are prophets and prophetesses, so this is the word that the 9th verse, that we know in part and we prophesy in part. That means the main thing to prophesy is the knowledge from God. It is not knowledge from any university or from what we have studied. But it

is the knowledge of God that is revealed to us. That is the main thing what we need for prophesy is knowledge.

So here this verse is saying, we know in part so the knowledge is coming only in part. So this is 1 Corinthians 13:9, it says we know in part so knowledge is coming only in part so we can prophesy only in part. But what this 10th verse is saying, but when that which is perfect has come then that which is in part will be done away. That means know the knowledge is coming little by little not in full. Because the Holy Spirit has to come in fullness. So here this verse is saying, when it has come in perfect. So we have to clean ourselves, we have to clean our body, clean ourselves so to have knowledge in fullness.

So when knowledge about a person or some other things or nations come in fullness we will prophesy in full. That is what and when Jesus was a prophet. So when Jesus was a prophet, He was not prophesying in part, He was prophesying in fullness, He knows everything because He is God, He is the Son of God. He is God and He is Joseph's son, He came to this world as a prophet, but His Knowledge was full. So He prophesied in full in everything.

So here the 10th verse is saying, when the perfect will come, we will also prophesy in full. So this is the prophetic word to everyone. You have to mediate that word. And you have to look into that word and mediate. So when the Holy Spirit comes fullness, the Holy Spirit will give us the gift of knowledge. The gift of knowledge when the gift of knowledge you know prophesy is the gift of knowledge and the gift of faith. These two things come for a prophesy.

So when the Holy Spirit will come in fullness you will prophesy in fullness. You will have the knowledge about a nation, about a person in knowledge. So when you look at that person you will be like seeing that person's spiritual things face to face like that.

Sister I see you going to the market and you have enough money. God is giving you enough money to enter into the market. Financial breakthrough to you sister. Enough money to purchase things Hallelujah!

Sister what you have been laboured so far you are going to get it. You are. The enemy cannot take what you have laboured so far. So God is going to put everything in the right position.

Sister the Lord is going I see you in the old school, the old school compound. You are in the school where you are studying and you are and the Lord is saying, everything is done perfect.

# DAILY PROPHECIES

And you will have there the fellowship in the old school I see like that. I don't know whether you are doing the ministry, but I see you in the old school where you are studying and you will bring children. I see that you will bring children to the school. Hallelujah! In the name of Jesus.

Welcome everyone! I am thankful to everyone in today's daily prophecies. This is the word if anyone is saying I have not received any word, this is that, when the perfect will come that is going to come in every area not only in prophesy, but in every area. Perfectness is going to this is the prophetic word.

1 Corthians 13:10, but now the Holy Spirit is telling in every area there is perfectness, in family relationships, perfectness. In friendships, in Godly friendships perfectness, in financial area perfectness and in the ministry perfectness and in the disciples. You are going to get disciples, perfect disciples. You are going to get a perfect husband. You are going to get a perfect wife. You are going to get a perfect business partner. So everything is going to perfect.

So when the perfect, when the Holy Spirit has come what you do will be perfect. When you prophesy it will be perfect not in part. It will be you will see as you see when you see with your inner eyes, you will see like watching the television. Perfect! That is when the perfect will come 1 Corinthians 13 the 10th verse, it is when the perfect has come everything that is part will be done away. And only the perfect will be seen. So this is the prophetic word.

Sister financial breakthrough for you sister. The peace in you sister.

Your prayers are going to be sanctioned sister. The church is there with you sister.

Foreign trips coming to you sister. And healing power is coming upon you sister.

There are long journey's apostle. Holy Spirit is going to fill you sister. In the name of Jesus.

Sister you will be a powerful vessel in the hand of God and you will sing the song for the Lord sister. I see the word so.

So I am thankful to all brothers and sisters. May God bless everyone in Jesus name. Amen.

Sister the church believers will stand with you and you will be separated for God and God is going to anoint you. And those who stand against you will be put to shame this is what I hear.

Sister welcome be careful in every dealings and God is going to increase the anointing in you and every dealing should be done very well.

Brother the juice will be with you. I see you standing with the Lord and I see you contacting a crusade and you will have the provision I hear the word so in the name of Jesus.

Sister increase In power and anointing and financial breakthrough also coming. Your family is blessed.

Brother new state. I see immigration and I hear immigration to new state.

Sister purchase of land. The Lord is giving you money to purchase the land in the name of Jesus. Hallelujah!

So welcome and I am thankful to everyone. So I have a word to share with you that is from the Book of 1 Thessalonians Chapter 4 the 3rd verse, For this is the will of God your sanctification.

So this is the word the Lord gave me to share with you. The Book of 1 Thessalonians Chapter 4 the 3rd verse it says, this is the will of God your sanctification. So this is the will of God, because

# DAILY PROPHECIES

God has called each and everyone of us for sanctify ourselves to carry the anointing within us. This is what we are called. So our anointing and call maybe different. Our calling will be different or it will be varied from one person to another, but this is common to everyone that this is the will of God that the sanctification.

So without holiness you cannot see God, Hebrews 12:14 also says. So sanctify yourselves for the anointing of God is coming upon you in these days.

Today and tonight when you sleep I believe the anointing of God is going to come upon you and you are going to be filled with the Holy Spirit in the next level. So you will so when the next level that is the final level. This is what the Holy Spirit has told me that there are different levels in the ministry also. First level, second level, third level like that so this is the final level. The final stage. So when the anointing comes you will prophesy with greater. You will see with greater visions when you minister people will be filled with the Holy Spirit and slain with the Spirit. And financial breakthrough and everything will come so it depends upon how you sanctify your vessel. So this is 1 Thessalonians Chapter 4 the 3rd verse, it says, This is the will of God that your sanctification.

So why does God want to sanctify you? Because there was the fire in the bush and Moses came to see what was there in the bush. Why was this fire there in the bush? So God told him to keep away your sandals this is holy place. So he was seeing God. So after seeing God his life changed. He was looking after his father in laws sheep. So when God appeared in the bush. His life changed he became a history. Hallelujah!

Brother God is going to change your address. So I sense you are not valued. You are not having much value in the place you are and nobody is respecting you. I see like that, but God is going to honour you among those who do not accept you this is what I hear.

So what I am sharing is Moses was looking after the sheep. He was looking after the sheep his father in laws sheep. When God appeared in the bush in the fire what happened. His life changed. So this is the prophetic word that this is the will of God your sanctification. So how much you sanctify yourself the more you sanctify yourself the more the anointing will come upon you. So it depends upon you how much you give yourself to God. How much you give so sanctification means not only lust or sexual things, not only jealous telling lies everything that is connected with our everyday life. Everything!

So sanctification means everything that is according to the word of the bible. So God is going to sanctify you by His grace. How many of you understand? And can say amen?

Purification is needed for the next level and God is going to bless you with children and an anointing is coming upon you. You are going to breathe fresh air I see like that.

So today when you sanctify yourselves. The Lord will visit you when you go to sleep. Most

# DAILY PROPHECIES

of the time when you go to sleep and go to bed purify yourselves, because tonight the Lord will touch you with the fire. And when that fire comes your life will change. Your address will be changed.

So when Moses saw the flame in the bush When Moses saw the fire in the bush he was not a shepherd who looked after his father in laws sheep, but he was the leader of the Israelites for in that fire was the anointing. So how much you humble yourself. If you try to become.

You know Jesus taught how to become the leader. If you want to become the leader you have to humble yourselves. If you want to try to become number 1 you will become the least. That is what Jesus said, if anyone invites you for a wedding you go and sit in the last seat. So Jesus told us everything.

So today sanctification means in every area humble yourselves. So this is the life of Jesus to be revealed in your body you have to carry the dying of Jesus always. So today this is the word, 1 Thessalonians Chapter 4 the 3rd verse this is the will of God your sanctification. So why does God want you to sanctify because He wants to release the fire in you. He wants to release the power in you and when the fire touches you. You will be raised to the next level. Your inner eyes will be opened and you will hear the audible voice of God and you will not be the same person in every area. You will be moving in the spiritual sense. So everything you will see in the spiritual sense so you will become a spiritual man and not a natural man. So sanctify yourselves because the power of God is coming upon everyone.

If anyone is saying I have not received any prophetic word this is the word. This is the will of God your sanctification so it is very important. So how much you sanctify yourself the more you will be used in the ministry. The more you will be used in the ministry so this is the word.

Financial breakthrough Pastor.

If anyone is said I have not received a word this is the prophetic word 1 Thessalonians 4 the 3rd verse, for this is the will of God your sanctification. Because God is going to fill you with the fire of the Holy Spirit and you will be healed and raised to the next level and your life will be changing after that Hallelujah! Hallelujah! In the name of Jesus.

So I am thankful to all brothers and sisters who are here.

Sister the journey is going to start and you have the speed. The Lord is going to give you speed and provision for the journey and financial breakthrough is coming in the name of Jesus. I am thankful to all brothers and sisters those who are here. I have a word to share with you that is from the Book of 2 Samuel Chapter 22 the 31st verse Hallelujah! This is the word for everyone, As for God His ways perfect. Hallelujah! The word of the Lord is proven. He is a shield to all who trust in Him. So this is a powerful word. This is a powerful word to everybody those who are reading.

Sister healing on your skin I see some kind of sores healed on your skin in the name of Jesus. And financial breakthrough also coming to you.

Welcome everyone I will read the word again. As for God His way is perfect. So His way is perfect for everyone, but everyone should know the way. Everyone should understand His way. You know what happened to the people of Israel when they were in the wilderness. You know the way was through the wilderness, but it is the perfect way. It is the way that made it as history, because it was in the wilderness, but it was a challenge. And it was a history. It became a history so everyone will speak this way also the way of the Israelites, because it was perfect, but many of them could not understand. Likewise the ways of God upon your life are perfect. There is no delay everything is going at the right time and nobody is stagnant and nobody is delayed. If you are waiting for a long time you must realize you have a great calling. You know Daniel was called at a very young age, but Moses was called in he was 80 years old. So Moses was the greatest prophet next to Jesus.

So if there is a delay in your ministry or in any area of your life you must know the way is perfect, but the delay is coming because it is going to become a history. So as for God His way is perfect. The word of the Lord is proven. He is a shield for all who trust in Him. So those who trust in the word of God. If you trust in men there is no guarantee. Tomorrow there is no guarantee. The person who you are trusting may live or may not. Or whether he will fulfil his word there is no guarantee. But if you trust in God surely. Surely you will reach the destination. He is a shield to all who trust in

# DAILY PROPHECIES

Him. So this is the prophetic word. So I will read the word to everyone, His way is perfect.

So you must realize one thing maybe you are in the prison like Joseph for many years, but it is perfect. And the brothers are with Jacob in the house. You must realize that Joseph was in prison for many years. In the prison there won't be any food, there will be ants and spiders and maybe the prison room won't be cleaned, because they want to do their daily needs the doors won't be opened so sometimes they will use the same dirt. So you know the prisons so the

life in the prison is not good, but it is perfect. But compared to the brothers who have put Joseph in the prison and the dry wall when Joseph was in the prison the same brothers were enjoying their lives with their wives. They were enjoying their family with their father Jacob. So the same time Joseph was in the prison, but that was the perfect way. So you have to realize maybe somebody is saying my life is very terrible and I cannot get through it is having many problems, but is perfect. Because God has given the perfect, because your God is perfect and His ways are perfect.

So that is what the verse is saying 2 Samuel 22:31, it says As for God His way is perfect. So when you believe that you are the best one. You are the best one in God's sight, because you are having the heart of God the mind of Christ when you believe your life will be very smooth. You can say like Paul, follow me as I follow Christ. So Paul could say boldly follow me as an example. So likewise when you realize that your way is perfect. When you realize that your way is perfect you won't complain. You won't say that I need a deliverance, because you are delivered already.

When you have taken Jesus Christ as saviour and taken baptism. At that time you have been delivered. There will be a wall of fire around you so you are protected. So if you are still struggling it means that you do not know the way. The way is perfect. So this is the prophetic word to everyone. If you believe you are raised tonight to the next level.

Sister the Lord is going to extend your boundaries. And new connections coming to you.

Sister the fire in your is going to explode.

Sister new building coming. Sister financial breakthrough. Sister the peace in you.

Sister be courageous I will settle the cases.

Apostle the peace in you and more grace in the name of Jesus.

So I am thankful to all brothers and sisters. So if you believe your ways are perfect. Enjoy your life because you in the perfect way. Maybe it is wilderness maybe it is manna and not meat. But it is perfect. Maybe the water seems not good, but it is perfect. Whatever God gives to you is perfect. Every situation in your life is perfect, because the word of God can be trusted. And those who trust in God will be lifted into the next level.

So everyone of you are going to be raised into the next level. So I am thankful to all brothers and sisters here.

May God bless everyone I'll be praying for you in Jesus name Amen.

To be continued...

# DAILY PROPHECIES

Be courageous says the Lord! There is a long journey coming in the name of Jesus.

Sister don't fall into the words of others keep yourself strengthened in the word of God. And the Lord will bless you with a new house I see like that sister.

There is the change coming in the name of Jesus. Hallelujah!

Sister promotion and I see you will be there In the new list and they will approve you. You will get the gift from your family. I see from your father I see like that sister. Hallelujah! In the name of Jesus.

So I have a word to share with you. Hallelujah! In the name of Jesus. So i am thankful to all brothers and sisters those who are here reading Daily Prophecies. So I have a word to share that is from the Book of Hebrews Chapter 11 the 29th verse. This is the word for you, By faith they passed through the Red Sea as by dry land; and as the Egyptians attempting to do so drown.

So this is a powerful word. It says by faith they passed through the Rad Sea as by dry land. So you know when the Israelites were passing through the Red Sea the sea was divided and the sea was on either side like huge walls. So it will be very frightening to walk through that situation. So they are going by faith because anytime if anyone does not have faith. You know Peter walked on the sea by faith, but when he looked into the sea he began to drown. So that is the situation. So Peter Jesus told to come so he walked by faith, but even though it was Jesus who called him to come when he looked into the deep sea and he began to sink. So it was God who opened the Red Sea, but they were walking through that Red Sea and as when they looked on either side they could see the sea divided and it is like big walls on either side. So is anyone is frightened and looses faith what can happen. The Red Sea come down and they drown. That is what we can study from Peter walking on the sea, but it was Jesus who told him to walk, to come. Jesus told Peter to come. So he heard the voice of Jesus and began to walk, but when he looked into the deep sea he began to sink so Jesus protected him. So this is the same situation. It was God YHVH who divided the Red Sea, but if they looked on either side they will become frightened and the sea will come back and they will be drowned.

But here the verse is saying that they passed through the Red Sea as by dry land so that is how you want to get a deliverance from a situation. Some people say they are having many financial problems. People say I am waiting for a marriage and I am not seeing my bride. I am not seeing my groom. Some people are saying I have no peace I have not got any decision. So many things are going like this, but you know deliverance is by faith. So that is what this verse is saying, by faith they passed through the Red Sea as by dry land. So they are completely believing it is dry land.

So what happened to Peter he walked on the sea, but he did not completely believed it was Jesus

# DAILY PROPHECIES

who called him. So he began to sink. He did not believe that when he looked into the deep sea he began to sink.

So here they are walking by faith as by dry land. They are walking through the Red Sea as dry land. So if you want a financial breakthrough. Maybe you don't have one, but you should be like them. Your mind should be like your attitude should be like that is what this verse is saying. If you want a healing in your body maybe you are having some pain or you are having some disease, but you

should be like a young man or a young woman who are ready for the athletic competition. You know a young man or a young woman they will always have confidence in their health. They have confidence those who run for the completion have confidence in their health. Likewise if anyone wants a deliverance regarding a disease you should be like as if you are a healthy person. That is what this verse is saying, they passed through the Red Sea as like dry land. Hallelujah! So that is the secret of deliverance. So if anyone wants a financial deliverance, maybe you are in need of money tomorrow or a day after tomorrow you must be sure the money will be there at that time. That is that time there will be money. If you need a healing if you have a pain in your body and you cannot go to the meeting the next day, but now you are having pain, but the next day you will be sure you will be healed at that time. That is the what I am saying and sharing with you.

So here it saying by faith they passed through the Red Sea as like dry land. So everyone is walking happy as if they are going by dry land and the Egyptians tried to do so were drowned. So the door that is open for you, is only for you. The enemy cannot get into it this is the word.

Brother I see a new house. I see a new house that God is giving you. Good flooring I see like that. So this is the prophetic word if anyone is saying you need a word I have not received a word, you be like that you believe every word that is said in the bible is for you. That is for you when you believe that word will come into your life. Every promise that is said in the bible is for you not for the saints who lived before, but every word said is for you. So when you believe the word will come to pass in your life. That is the power in the word of God. So this is the prophetic word so the peace in you.

Sister God is extending your boundaries.

Sister new church.

Sister financial breakthrough.

Sister new job I sense you are looking for a new job. New job I hear.

Sister the speed is increasing.

Brother new doors are opening and you will see increase in everything. Hallelujah!

# DAILY PROPHECIES

Sister overflowing abundance and more grace.

Sister financial breakthrough and the peace and children coming to Christ I see like that.

Sister new I sense you are doing some kind of job and I hear new job and it is time for the new thingd to come in your life sister.

Sister there will be a surprise a change in your life. Everything will be shifted I hear the word so.

Brother healing the healing coming upon your body in the name of Jesus.

Pastor people from far away coming to your ministry I hear the word so.

Sister new shipment. Hallelujah!

Sister new chapter. A new chapter is going to begin in your life. And cousin is going to get engaged I hear the word so.

So this is the word I am thankful to all brothers and sisters those who are reading here. And if anyone is saying I have not received a word this is the word be like as you are delivered. If you want a deliverance this is the prophetic word to everyone. If you want a deliverance in any area be like as if you have been delivered. This is the prophetic word so I am thankful to all brothers and sisters who are here.

May God bless everyone I will be praying for you. So there will be by morning a financial opening to everyone. The doors are opening and the Lord is going to do greater things in everyone's life to those who believe. Things are going to change. The enemy will be looking from far away the enemy cannot come near you. Because the anointing has increased this is what I am seeing now to those who believe. This word I am saying is to everyone. God is going to release a great anointing the enemy who tried to disturb you through the telephone, through what'sapp through messenger, through the social media that enemy cannot near you, because God has increased the anointing in you. So there is a big wall of fire around you so you are well protected. So the enemy is looking far away from you and cannot come near you, because you are far ahead that is by grace. Because you are having more anointing. Tonight God will bless you with more anointing. You maybe saying why I am saying every time tonight the lord will, because from my experience I am saying most of the times when I go to sleep in the night God will touch me. The Lord will anoint me. From my experience I am saying that is why I am saying tonight the Lord will increase the anointing in you. Right now the power of God is coming upon you and great changes are coming to your life. So I will be back tomorrow in daily prophecies. So God bless everyone in Jesus name Amen.

# DAILY PROPHECIES

going to change because God told me that He would do miracles in these daily prophecies. Hallelujah! Yesterday night when I was praying God told He would do miracles in Daily Prophecies! Hallelujah! So the miracles will be upon you in your life, in your ministry, in your career you will see the miracles. So this time is not a wasting time it is a invested time.

Brother I see the thyroid is healed and situation is going to change and everyone who did not accept you is going to accept you I see like that in the name of Jesus.

Sister mercy and overflowing abundance I see overflowing abundance by this time you will see greater things the Lord is going to do greater things in your life in the name of Jesus.

Sister so you are in the winner's list. You are in the winner's list and you are selected so you will be there in the pulpit I see like that.

Sister the journey is going to start and you have the speed. The Lord is going to give you speed and provision for the journey and financial breakthrough is coming in the name of Jesus. I am thankful to all brothers and sisters those who are here. I have a word to share with you that is from the Book of 2 Samuel Chapter 22 the 31st verse Hallelujah! This is the word for everyone, As for God His ways perfect. Hallelujah! The word of the Lord is proven. He is a shield to all who trust in Him. So this is a powerful word. This is a powerful word to everybody those who are reading.

Sister healing on your skin I see some kind of sores healed on your skin in the name of Jesus. And financial breakthrough also coming to you.

Welcome everyone I will read the word again. As for God His way is perfect. So His way is perfect for everyone, but everyone should know the way. Everyone should understand His way. You know what happened to the people of Israel when they were in the wilderness. You know the way was through the wilderness, but it is the perfect way. It is the way that made it as history, because it was in the wilderness, but it was a challenge. And it was a history. It became a history so everyone will speak this way also the way of the Israelites, because it was perfect, but many of them could not understand. Likewise the ways of God upon your life are perfect. There is no delay everything is going at the right time and nobody is stagnant and nobody is delayed. If you are waiting for a long time you must realize you have a great calling. You know Daniel was called at a very young age, but Moses was called in he was 80 years old. So Moses was the greatest prophet next to Jesus.

So if there is a delay in your ministry or in any area of your life you must know the way is perfect, but the delay is coming because it is going to become a history. So as for God His way is perfect. The word of the Lord is proven. He is a shield for all who trust in Him. So those who trust in the word of God. If you trust in men there is no guarantee. Tomorrow there is no guarantee. The person who you are trusting may live or may not. Or whether he will fulfil his word there is no guarantee. But if you trust in God surely. Surely you will reach the destination. He is a shield to all who trust in Him. So this is the prophetic word. So I will read the word to everyone, His way is perfect.

So you must realize one thing maybe you are in the prison like Joseph for many years, but it is perfect. And the brothers are with Jacob in the house. You must realize that Joseph was in prison for many years. In the prison there won't be any food, there will be ants and spiders and

# DAILY PROPHECIES

maybe the prison room won't be cleaned, because they want to do their daily needs the doors won't be opened so sometimes they will use the same dirt. So you know the prisons so the life in the prison is not good, but it is perfect. But compared to the brothers who have put Joseph in the prison and the dry wall when Joseph was in the prison the same brothers were enjoying their lives with their wives. They were enjoying their family with their father Jacob. So the same time Joseph was in the prison, but that was the perfect way. So you have to realize maybe

somebody is saying my life is very terrible and I cannot get through it is having many problems, but is perfect. Because God has given the perfect, because your God is perfect and His ways are perfect.

So that is what the verse is saying 2 Samuel 22:31, it says As for God His way is perfect. So when you believe that you are the best one. You are the best one in God's sight, because you are having the heart of God the mind of Christ when you believe your life will be very smooth. You can say like Paul, follow me as I follow Christ. So Paul could say boldly follow me as an example. So likewise when you realize that your way is perfect. When you realize that your way is perfect you won't complain. You won't say that I need a deliverance, because you are delivered already.

When you have taken Jesus Christ as saviour and taken baptism. At that time you have been delivered. There will be a wall of fire around you so you are protected. So if you are still struggling it means that you do not know the way. The way is perfect. So this is the prophetic word to everyone. If you believe you are raised tonight to the next level.

Sister the Lord is going to extend your boundaries. And new connections coming to you.

Sister the fire in your is going to explode.

Sister new building coming.

Sister financial breakthrough.

Sister the peace in you.

Sister be courageous I will settle the cases.

Apostle the peace in you and more grace in the name of Jesus.

So I am thankful to all brothers and sisters. So if you believe your ways are perfect. Enjoy your life because you in the perfect way. Maybe it is wilderness maybe it is manna and not meat. But it is perfect. Maybe the water seems not good, but it is perfect. Whatever God gives to you is perfect. Every situation in your life is perfect, because the word of God can be trusted. And those who trust in God will be lifted into the next level.

So everyone of you are going to be raised into the next level. So I am thankful to all brothers and sisters here.

May God bless everyone I'll be praying for you in Jesus name Amen.

To be continued...

# DAILY PROPHECIES

Sister the Glory of the Lord is upon you and peace is in you. Shut your mouth and you will see breakthrough says the Lord. Shut your mouth and you will see the breakthrough. Don't reply to those people the Lord says. The Lord will reply to them this is what I hear in the name of Jesus.

Brother I sense you are in the desert and the Lord is releasing the fire and you will enter the promise and there will be water, there will be money and there will be Holy Spirit so you need not look back go ahead says the Lord.

Sister Hallelujah! The closed doors are going to open. No one will stand against in your life says the Lord. The Lord is going to settle your cases this is what especially in the financial area there will be a settlement. And I see, hear reimbursement so something you are getting that you have ought to get, but you had not got for a long time. You are going to get it in the name of Jesus and the people will honour you I see like that. Hallelujah! In the name of Jesus.

The stomach bug is healed in the name of Jesus. If you believe the power of God will come and heal you in the name of Jesus. Right now the fire of God is coming and healing you in the name of Jesus. And more tolerance and grace to you and your children are blessed I see like that in the name of Jesus.

The Lord is opening up new doors. So I am thankful to everyone who are here. So I have a word to share with you. That is a powerful word that you implement this word at the right time when you are afraid of anything that I am going to share the Book of Zechariah Chapter 3 the 13th verse it says, The remnant of Israel shall do no unrighteousness and speak no lies; nor shall a deceitful tongue be found in their mouth. For they shall feed their flocks and lie down and no one shall make them afraid.

So the Lord is speaking from this word Hallelujah! In such situations that of when you are forced to tell lies and you cannot come out of that situation, it is the book of Zechariah 3:13 yes Hallelujah! So if anyone is saying that I am forced to tell lies sometimes. Today this word if you believe says and speak no lies so you won't tell any lie you will tell only the truth because it is the word that is going to activate in you and also no one shall make them afraid. So you know the Israelites were afraid so God say I will lead you.

So somebody is saying I am afraid, I am afraid of something. Maybe of bankrupt, maybe of the enemy, somebody is afraid whether the marriage will be solemnized, somebody is afraid whether the children will be blessed so people are afraid of their future. Even believers, I see believers in my church also some believers are worried about their future. They are not thinking that they are in God's hand their names written in the Book of Heaven, they don't remember, but they are afraid. Like the Israelites, God actually told the nations do not touch my anointed ones, but these people did not know so they were afraid they are frightened.

So here is the prophetic word today, for this word Zechariah 3:13, I am taking these 2 verses, two parts and you will speak no lies and no one shall make them afraid. So these two things God is speaking to you from this word that you will never speak lies. That means God will

# DAILY PROPHECIES

never make a situation for you to tell a lie. Even if in such situations when you are in such situation if you tell the truth something will happen, but God will protect you from not telling lies. So God will help you. So your mouth is for prophesy. Your mouth is to give prophecies and it should not tell lies and it should speak only the truth. So if you tell lies so the prophecies may sometimes go wrong it won't go right. So if you always take a decision that we will speak only the truth our tool is our mouth, so those who are prophets who are reading here I think

most of you are prophets so when you are prophesying you are using your mouth. So when you tell lies the prophecies sometimes won't be correct. So if you take a decision that I will never tell lie. Whatever you prophesy whatever you say God won't make that words to fall to the ground.

You know in the Book of Samuel we can see that none of his word fell to the ground, because God acknowledged Samuel. Likewise when you take a decision that will never tell a lie in my life, but in some situations we will be forced to tell some lies for our safety. But this verse is saying you will speak no lies that means you know that Abraham was forced to tell a lie they asked him who is this Sarah? The people there where he was moving to the new place they asked who is this lady is? He told a lie that she is my sister he did not tell them he was afraid so he told a lie. So sometimes we are forced to tell lies because we are frightened. So here this verse is saying you will speak no lies. Let's read this verse, it is very powerful, the remnant of Israel shall do not unrighteousness and speak no lies, nor shall a deceitful tongue be found in their mouth; for they shall feed their flocks and lie down; and no one shall make them afraid.

So people are telling actually people don't like to tell lies, but they are frightened and they are telling lies, so this verse is saying you won't tell lies and no one will make you afraid, so this is the word.

When you are mediate on this that this is a powerful word that you are not afraid of any. That you won't be afraid of any financial problem. You won't be afraid of the Covid19. You are not afraid of what will happen in your future, because God is confirming that you will never be afraid. And you will never tell lies. Hallelujah in the name of Jesus.

Sister more grace I see and you are going to get the seat. You will come out and then you will get it this is the word that I see.

Financial breakthrough to you Pastor. New doors are opening for you Pastor.

Chest infection healed sister. God is going to extend your boundaries sister.

There is a long journey ahead of you brother.

Brother the mercy of God and financial breakthrough.

Apostle the key is given back I see the key the lost key restored. Hallelujah!

Sister I see healing. The healing power if coming upon you.

Sister there will be the new room for you I hear the word.

Sister grace and light of Jesus in you and there will be things upside down in everything.

# DAILY PROPHECIES

There will be a change a mega change in your life.

Sister the enemy cannot touch you, because there is a wall of fire around you.

Brother more grace and the Lord is telling you write the letter.

Sister there will be good food, tasty food and good serving. You will be served very well.

Physical sister you are healed in the name of Jesus. No need of physical test you are healed in the name of Jesus.

Brother there will be a change there will be a change in the ministry I hear the word so.

Sister the windows are opened and you won't be questioned you will be safe this is what I hear in the name of Jesus.

Sister new building coming. New building is coming I hear the word in the name of Jesus.

Financial breakthrough I hear and people will accept you I see this in the name of Jesus.

So this is the prophetic word that you will never tell lies. That is the guarantee and never in your life will you be afraid of anything. This is what this verse is saying in the Book of Zechariah 3:13, it is going to activate in your life if you believe. So the Lord is going to lift everyone and the power of God is now coming upon you and touching your tongue. The Lord is going to touch your tongue right now in the name of Jesus.

The Lord you know the angel took a coal and touched the tongue of the prophet Isaiah he began to prophesy. Likewise the Lord is going to touch your tongue. How many of you believe? The Lord is going to touch your tongue that you will never tell lies. You will speak only the truth. And when you open your mouth there will be a word. So open your mouth widely. Open your mouth widely and there will be word for you. Every time there will be a word for you. When you look at a person there will be a word for you. When a person comes to you there will be a word for you. So every time, when you see a person the Lord will speak to you and give you a word, because He has touched your tongue right now in the name of Jesus. And right now you will never be afraid.

Sister the peace in you in the name of Jesus.

So I am thankful to everyone. I am thankful to all brothers and sisters those who are reading. So your life is going to change. So what you believe that is going to happen. When you read a word and believe that is actually happening in your life. And that is going to come to pass. That is the power of the Word of God. It is not like any other book it is the Bible. So every word you believe you will have it passed in your life. So today the Lord is going to bless everyone. So everyone's life is going to change.

So I am thankful to all brothers and sisters. I am praying for you. So every time there will be a word in your mouth if you believe. Amen.

May God bless you everyone in the name of Jesus. Amen.

# DAILY PROPHECIES

So I have a word to share with you. This word is a prophetic word the Lord told me to share you will be healed when you believe. When I read this word your will be healed as you read this word. How many of you belief? If you have any pain in your body, if you want any healing over your body when you read this verse you will be healed.

In the book of Isaiah 53 the 5th verse, it says, but he was wounded for our transgressions, he was bruised for our iniquities, the chastisement of our peace was upon Him and by His stripes we are healed. So when you believe this

word Isaiah 53:5, by His stripes we were healed everyone that is having pain or disease on your body is healed by this verse, because the Lord told me to share this verse and God wants to heal people. So today the leg pain, knee pain, the bronchitis, the arthritis, the liver problem and every disease is going to be healed in the name of Jesus. The suffocation the chest problem it is healed in the name of Jesus. So everyone is healed God is going to heal everyone in the name of Jesus.

So God is going to bless everyone. So this is the word I will read again, but he was wounded for our transgressions, he was bruised for our iniquities, the chastisement of our peace was upon Him and by His stripes we are healed. So He was wounded for us and He took everything on the cross for our deliverance. So when you believe that no more curse, no more pain, no more worry. If you believe in Jesus and in the power of Jesus and if you believe in the crucifixion of Jesus you are healed and you will never be afraid of anything, because everything was taken on the cross by Jesus for you. So this is the word God is going to touch everyone. There is many minus things in your life says the Lord, but God will bless you new promises.

Sister new promises are coming to you. The Lord is going to settle your family problems.

Sister I see a purification is needed for the next level I see like that in the name of Jesus.

Apostle I see ladder. That means there is promotion in your life I see.

Sister I see you will cross the bridge I see you crossing the bridge so you are going to be raised into the next level I see like that.

Sister the enemies chasing you, but there is a wall of fire surrounding you so you are protected. Brother more grace and you are going to do the ministry in the other places also. In the name of Jesus.

Sister I see the light of Jesus is shining upon you and Jesus is going to shine in you and you are going to do the ministry of the Lord I hear the word so.

Sister the peaceful atmosphere is there and the electricity bill is going to be paid in the name of Jesus I hear the word so.

The peace and financial breakthrough and you will have the good place. You will have the best place that is what I see in the name of Jesus.

Sister big systems are coming. The old system is removed and the new system is coming this is what I

# DAILY PROPHECIES

hear. So new system Hallelujah! So you will see breakthrough in your family I see like that and financial breakthrough also. So the Lord is going to increase everyone's anointing. How many of you believe? Everyone is going to have an increase in their anointing so if you receive the word of God and be humble before God because God wants to lift you in this season. To everyone if anyone is saying I have not received any word this is the word to everyone if you believe it is going to come to pass in your life. That in your ministry there will be miracles. In your business there be miracles. In your

family there will be wonders. And in your career there will be supernatural things coming. So expect a great miracle in these days, because the Lord's hand is upon you. So you won't see everything before, but at the time of need the right time it will come. You know Elijah ran before the 4 horses but only when he began to run everyone came to know he had the strength to run before the horses, he ran before the chariots. So only when he begun to run that everyone knew that he had the power to run before the chariots. Before that nobody knew that likewise today the Lord is doing a favour in your life that there is an increase in anointing. How many of you believe? It will be revealed and seen with your eyes at the time. At the time when you are in the pulpit, when you are doing something according to God's will you will see that. That is the anointing that God is going to increase the anointing to everyone to those who believe.

So if anyone is saying that I have not received any prophetic word is that you are healed. If you are not healed it is not my problem because this is not what I am saying of myself. I read that verse and that verse says Jesus took everything on the cross for us and when you believe you are healed. So when you believe there is no curse in your family. When you believe there is no pain in your body. When you believe there is no problem in your life. So your life will be successful because He took every problem on the cross and you have been freed in the name of Jesus.

Brother I see you will join the new job. You will join the new job brother I hear the word so. In the name of Jesus.

So I am thankful to all brothers and sisters here. I have given the word to everyone. So God is going to increase the anointing for everyone. If anyone says I have not received this is the word today you are healed! You won't have the pain in your body anymore Isaiah 53:3!

Sister total deliverance I hear total deliverance!

Sister garment I see new garment and promotion in your family. I see like that in the name of Jesus.

Sister more tolerance and more revelation coming to you. Sister financial deliverance.

Brother protection from pandemic.

I have a prophetic word to share with you. If you believe you will see the blessings because our God is Great! And He wants to do many great things in your life. So the fire of God is now released. The anointing of God is now released and everyone who prays will be delivered in the name of Jesus.

Sister I see you with a Hammett and fishing net. It will be plenty and a nice time. I sense you are looking for a partner and you will get the right partner I hear the word so in the name of Jesus. Hallelujah!

I am thankful to all brothers and sisters here so God is going to make you prosperous. To everyone I am saying God is going to make you prosperous and you won't be in same place the same situation, because the power of God is moving the wind of God is blowing upon you. So surely there will be a change in every area. There will be a change in every area. So it depends upon your faith and upon your belief. So I think I have given a word to everyone.

I have a word to share with you that is from the Book of 1 John Chapter 4 the 18th verse, it say, there is no fear in love, but perfect love casts out fear; because fear involves torment, but he who fears has not been made perfect in love.

# DAILY PROPHECIES

So if anyone is afraid of anything, if you are thinking of a particular subject.

Brother financial breakthrough. I see you in the stadium, in the pulpit ministering before a big crowd I see like that.

So if anyone is thinking of a particular thing a particular subject is making you worried that means that is a big mountain with you. So for example if in the family there is a problem in your mind making you worried and giving you no peace that is a big mountain that is destroying the peace.

So when you realize the love of Jesus the fear will go. When the fear goes the mountains will melt. How many of you believe? So here the verse is saying true love drives out fear. True love means the love of Jesus. When you realize that Jesus loves you very much He doesn't want you to be worried when you realize that the big problem in your life that is making you worried will be gone.

I sense some of you are worried about your ministry. In the ministry also some of you are thinking about great problems like the mountains. I am not mentioning the names, but I am sensing some of you are worried about the ministry and what will happen. What will happen will the enemy come? When you realize that all the problems are taken for yourself on the cross by Jesus, because He loves you very much. When you realize that the true love drives out fear. Example a father and a child when the child is very small if he is frightened by anything and if he is with the father the child may again get frightened because the child does not know that his father, but when the child grows and gets older. When he sees the same thing he won't be frightened, because he knows that he is with his father and he is well protected in the father's arms so he has no fear. So that is what I sense if you go with a stranger and you go to a lonely place maybe you will get frightened, but if you go with your father, your mother or your sincere friends those who are closely associated with you. You won't be afraid, because the realization that he will also be a help in your loneliness. Maybe you are going through a forest, but your friend is also with you. That realization will drive out the fear. But if you are traveling through the wilderness through a forest through a stranger you will get afraid because you are not and do not know who that stranger is. The same is with all your problems that have been taken on the cross. So there are no more problems in your life anymore. Everything is finished. You know Jesus before giving His Spirit to His Father giving His Spirit to His Father, you know what Jesus said on the cross, "It is finished." Everything is finished that means your fear is finished, your doubt is finished, your fear is finished, your sickness is finished, your poverty is finished, your family problem is finished.

So if you believe in Jesus and that He has taken everything on the cross. And that is and you realize that true love it is finished. That the fear will be driven out that is what this verse is saying. So if anyone I sense many of you are thinking about your future related to financial area, related to marriage, related to ministry. Some of you are very afraid about the job, about the house, about the children's career. So if you believe in Jesus, if you love Jesus, if you believe in Jesus that He has taken all your problems on the cross. So when you are realize that love the fear will be driven out. That is what this verse says, so everyone is going to be blessed.

Financial breakthrough sister.

And there is nothing to worry about tomorrow or about your future, because He did everything on the cross. Everything is finished and you can relax and praise for the love of Jesus that will drive out the fear.

So God bless everyone. In Jesus name. Amen.

# DAILY PROPHECIES

Sister I see moving to the new place. God is going to and you protected from the pandemic no need to get medicine you are healed in the name of Jesus. Hallelujah!

Welcome everyone in the name of Jesus!

Sister Hallelujah! You will get the new job and stay in the new apartment. I see like that there will be flight travels in your life and foreign travels I see like that you are called to minister. In the name of Jesus. Hallelujah!

Pastor don't worry about the borders, because the Lord is building a fence that you will be protected from the enemy. And more grace I see like that and the anointing is coming upon you Pastor. You will see visions clearly you will have a greater change in the prophetic realm Pastor.

Sister the enemies power is going to bless you. The allegations against you will come to an end. And you will have money to purchase the provisions I see like that.

Sister you are called to minister and God will give you the word the right word to speak. And things will come before the time and there will be new connections coming into your life I see like that. Speed is increasing in your life I see like that.

Sister the enemy cannot stand before you, because you are in your property. And the ways will be new so that the enemy will be confused and you will have frequent travels very soon. God is going to bless you and God's anointing is coming up you.

Sister I sense you are like in a risky position. That means I see you with people doing dangerous ventures and you are in a risky situation. But the Lord is telling be calm and quiet I will settle your cases. And come out of the problem this is what I hear. Hallelujah!

Brother you will come out of your problems. You will come out of the cave and there will be financial deliverance and the relatives coming for help and you will help this what I hear.

Sister the journey is going to start. The new journey is going to start I see like that and the Lord will speak into your ears. He has big plans in your life and He will have you minister for the Lord this is what I hear.

So I am thankful to all brothers and sisters those who are here. By God's grace God is going to give an increase of anointing to everyone. If you believe?

Sister next level I hear it is the next level God is going to lift you into the next level so that nobody can blame you. This level is there will be no accessions and nobody can blame you.

Sister the peace and new signature I hear the peace and new signature you are going to have the signature for the documents.

So I have a word for everyone. So that is from the Book of Hosea Chapter 14 the 4th verse, I will heal their backsliding; I will love them freely, for my anger has turned away. This is a

# DAILY PROPHECIES

comforting verse to everyone. Especially if anyone has gone out of the word that means if you have been out of the word. That means God told Joshua you should not go right or left. You should not turn right or left from the word of God. If anyone has turned by accidentally or by some mistake by the word of God so God is releasing His love freely. How many of you believe? So that is a unconditional love. I will love them freely. This is the Book of Hosea Chapter 14 verse 4.

You know when you read the bible from Genesis to Revelation you can see that God is telling I will bless you if you do like that and obey my commands I will bless you. You can see like that. But this verse is saying I will heal their backsliding, because this verse is for those people who backslides from and defeated from the Holy Spirit who have been away from the Word of God. God told Joshua you know do not turn right or left from the Word of God.

So if anyone who has turned away from the Word of God that is called backsliding. Not in the proper way, so if anyone who is reading has backsliding this is the word for you. I will heal there backsliding. Backsliding means not only doing a great crying or doing a sin. Even if you prayed yesterday for one hour and today if you are only praying for an half of an hour. That is backsliding. Yesterday if you read bible for 5 chapters and today if you are only reading 2 chapters that is backsliding. Yesterday when you believed with the Word of God, but today you only have less belief that is backsliding.

So backsliding means your graph coming down regarding your relationship with God. So you know that is the aggressiveness. You know if you are aggressive Hallelujah!

Brother blessing in your family and status coming. Status coming into your life and honour is coming to you so you will be honoured among your relatives I see the word like this.

So sister I see you will cross the bridge there is financial breakthrough. And you are protected from the pandemic I hear the word so.

So this is the word if anyone has backsliding this is God saying I will heal their backsliding. So if yesterday you prayed for one hour and today you prayed only for a an half of an hour, but this verse is saying I will heal their backsliding. That means tomorrow you will pray for more than one hour that is what I am saying to make you understand for you.

So I will heal their backsliding; and I will love them freely. So God's love is coming upon you freely. It is unconditional. That means you are going to get the blessing. If you say amen if you receive you will get. If God loves you that means He is going to bless you. You know God loved Abraham and He gave Abraham everything. He gave Abraham children and blessed Abraham with the cattle. Everything so He loved Joseph so he was a success. He loved David so he was honoured. He loved the apostles of Jesus so they were used powerfully.

# DAILY PROPHECIES

So when God loves you that means you are going to be blessed. So here God is saying I will love them freely for my anger has turned away from him. So He is not punishing you for what you have done in the past. But from today onwards, this moment on you should have a repentant heart. And you should. And He will check the network. Sometimes the network won't be working, but don't be upset because God will be touching you with a word even in your unconscious mind. The word will come. So don't be upset whether if you hear the word or not.

What you did an half an hour before maybe was not pleasing to God, but God has turned away from that and He has healed your backsliding and He is loving you freely and His anger has turned. Maybe some hours before you were dealing or your attitude displeased God, but do not be upset because His anger had turned away from you. But at the same time I tell you that He is looking at your heart. Whether you are having an attitude to repent that is very important.

So financial breakthrough sister I see new door key given to you. The new door key is given to you I see like that.

Sister I see breakthrough in financial and new books coming.

Sister the basket is full of bibles so you have to preach the bible. So you have to preach the bible sister. I see God is giving you I see the vision that there is a basket full of bibles so you have to preach the word I hear.

Sister the new door the person you are waiting for is coming by the next train. By the next train the person you are waiting for is coming.

Brother the Glory of God is upon you and there is covering over your house your family.

Sister your children are blessed and you are going to see greater things. I see like that in the name of Jesus.

Sister you are called to ministry. When you do the ministry there will be the provision coming in the name of Jesus.

Sister so change of address. I see change of address you are going to get a change of address to the new place. Sister I hear you are near the b side so God's care is upon you. So do not be upset for you will have a new apartment I see like that in the name of Jesus.

Pastor your seat is permanent. Nobody will take your seat I hear the word. Your seat is permanent so nobody can take your seat. God is going to honour you.

Sister the Holy Spirit in you will be spreading to others. So you will be giving the Holy Spirit to many others.

Pastor I see construction of compound walls in the name of Jesus.

Sister sudden change like a balloon flying there will be a sudden change in your ministry I see

# DAILY PROPHECIES

like that. Sudden movement in your ministry. Hallelujah!

Sister the Lord is looking into your heart. The Lord is telling me kneel down and pray and I will increase the provision for you. In the name of Jesus.

I see you with the luggage brother you are on journey and I see the luggage and you are at the airport Hallelujah! In the name of Jesus.

So God is going to bless everyone. So I am getting the testimonies also in the messenger and the what's up the

testimonies that the prophecies are coming true in your life.

So I thank God for doing the miracles. So this is saying that I have not received any prophetic word this is the word Hosea 14 the 4th verse, Hallelujah! It says, I will heal their backsliding; so anyone who is saying I have not received any word you are healed. You are completely healed from backsliding. And the love of God is coming upon you freely without and condition. And His anger has turned away from you this is the word. If you have done something wrong in the sight of God. Sometimes God is going to forgive you and give you free love. You know sometimes the companies will sometimes give offer. The network company, you know the internet company they will give offer. Today there will be more network or something like that. Or you go to the office and today the price will be a discount likewise this is the discount and offer that we can receive with no condition.

When we read the bible we can see that God is saying with a condition, if you obey, if you turn away your eyes I will bless you. If you don't worship the idols I will bless you. So you can see that everywhere.

But this verse is saying freely God's love will be given. That is like an offer. So today you are blessed to hear this verse, because this is an offer from the Lord. So the power of God will bless you.

Sister the honour is coming to you from the place that you cannot lift you. I see God is going to lift you from the place.

Sister Hallelujah! I hear birthday! I'll be praying for your birthday so God bless you. So this is the word that God's given, but this is not a license to sin. This is not a license to sin, but at the same time He will look into your heart. You are crying for holiness. If you cry for holiness, if you cry for God's love those people this verse is coming to pass.

So I am thankful to all brothers and sisters here.

May God bless everyone in the name of Jesus. Amen.

# DAILY PROPHECIES

Sister promotion in your life the Lord is going to lift you. It is the time for you for God to lift you up I see like that.

Sister the money is coming and there will provision. Also the light of Jesus is shining upon you so some of the things that are stagnant are going to move by the power of Holy Spirit. And family settlement I hear the Lord has seen your loneliness family settlement I see like that.

Brother the Glory of the Lord is upon you and God is going to speak into your life and He will give you much care. I see

the Lord is going to bless you family and you are going to reach the destination. The placement is coming and more power is coming I see like that. The children are blessed in the name of Jesus.

Sister so the Lord is going to make a shift in your life so things are going to change your address is going to change. The new placement the new office and God is giving you a new vehicle also this is what I hear.

Sister the Lord is giving you provision so emptiness is filled. And financial breakthrough I see. The Lord is filling your barns.

Sister so your ears are opened to hear the voice of God and you will be protected for the storm. You will be protected from all the problem you face. You will come out of it so you need not be afraid says the Lord.

Sister somebody has told you not to move and somebody has put a full stop in your life, but the Lord is changing the full stop and put a comma that means there is continuation. Nobody can stop you, but the Lord is telling you will continue to move forward in the name of Jesus. Hallelujah!

So I have the word for everyone!

Brother breakthrough and healing and I sense you are tired. Your body is tired, but this is the time of deliverance so enough power of Holy Spirit coming upon your body. And something is empty, but is going to be filled by the power of Holy Spirit. So you are going to see the breakthrough in the name of Jesus.

Sister I see the invitation coming from one of your old friends. And that will give you a breakthrough and you will move I hear the word in the name of Jesus. So I think I have given the word so far.

Sister the Glory of the Lord is upon you. So that you will have a testimony the Glory of the Lord is upon you so your will have a testimony. Breakthrough and healing power coming you and setting aside every dispute related to property I hear the word so in the name of Jesus.

Brother Hallelujah! The Lord is going to bless your family. The Lord is going to honour you among your relatives. So many are asking you, they are asking you many things, but you don't have the reply, but God is going to give the reply that is the word for you brother. Halleluah! And in the name of Jesus!

I have given the word to everyone. So God is going to speak into your life and I am thankful to all brothers and sisters those who are here in the name of Jesus.

Hallelujah! So God is going to separate you as a Holy vessel, because He has big plans in your

# DAILY PROPHECIES

life. I am thankful to everyone! In the name of Jesus.

So I have the word the Lord has given me to share. Hallelujah! It is from the book of Genesis Chapter 1 and the 28th verse.

Sister promotion! The walls are broken and you will enter the garden and they are going to greet you and you will enter the house this is what I hear in the name of Jesus. Hallelujah!

So welcome everyone! I am thankful to everyone! God is going to give a promotion to everyone! So the Lord is going to increase the anointing in you. So that your prophetic words will be accurate. The Lord is going to increase the anointing in your so that the prophetic words will be accurate.

Sister Hallelujah! Healing power coming upon you I sense the healing power coming upon your family. The Lord is going to lift you up and the Lord has seen your miseries so do not be upset says the Lord. The Lord will do greater things in your life. So you will get a new job I hear sister you will get a new job.

Sister Hallelujah! The new door is opening that you won't be stagnant no more. You will move and I hear the word collaboration sister, I hear the word collaboration that means new joy, new connections coming to you in the name of Jesus.

Sister Hallelujah! Happy News you will hear. And God is going to have you set aside all your problems you are free to worship the Lord and I hear God is going to lift you.

Sister the Lord is giving you the best apartment. The best apartment with granite flooring I hear and see like that and God is going to extend your boundaries so it is not a waste says the Lord.

So I have a prophetic word to share. I have a word to share with you Hallelujah that is from the Book of Genesis Chapter 1:28 it is a powerful word. It is a powerful word!

Pastor I see a cap on your head. That means that God is going to honour you. God is going to honour you in the church. God is going to honour you in the ministry so nothing you will lose says the Lord.

Sister the connections are coming from the Middle East I hear the word where the oil is there. Oil is drilled and the connection is coming from where there is oil I sense it is the Middle East in the name of Jesus. Hallelujah!

So Genesis 1:28, it says, Then God blessed them and God said to them be fruitful and multiply. Fill the earth and subdue it. Have dominion over the fish of the sea, over the birds of the air and over every living thing that moves on the earth.

So this is the anointing that God gave to man. Hallelujah! But many at first are not able to use it completely. Actually when God created man He blessed man. Then God blessed them that means that God blessed Adam and Eve and said and God said to them be fruitful and multiply Hallelujah! Fill the earth and subdue it. So but now things are now subduing many of us are subdued by fear. Many are

# DAILY PROPHECIES

subdued by fear, many family problems. But God actually gave the power to rule everything. So the enemy cannot rule anyone so you have to know that is the anointing even to Adam and Eve, but they misused. They lost the anointing when they were disobedient to God, but when now in the New Testament when we read it and received Jesus Christ as Saviour the lost anointing is coming back to us through Jesus. Hallelujah!

So that you can see in the Book of Galatians 3:13 the blessings are coming that are given to Abraham that He gives to us when we receive the Holy Spirit. That is the Spirit of Jesus.

So here is saying that God blessed them. God said to them be fruitful so when you hear this word if you say Amen. You are receiving the anointing. That is the anointing to become fruitful. You are going to bear fruit there is nothing to make you stop you are going to be fruitful.

So this is what when He created man He said go and be fruitful and subdue everything. So the lost anointing is now coming back to us. So when we were gentiles and had not received Jesus Christ as Saviour we were like the lost Adam and Eve, but when we received Jesus Christ as Saviour what we had lost was restored and the anointing has been given back to us by the Holy Spirit. So this is the word, be fruitful and multiply and fill the earth means your boundaries are going to extend. Fill the earth means your boundaries are going to extend and subdue it means you are taking everything. So the enemy is under your control. If you tell the enemy don't come he won't come, because you are controlling. How many of you know that? You will control every evil spirit that is tormenting you. You will control that spirit and tell it to go away from my house, go away from me. You have the power that is the subduing. God is saying subdue it have dominion over everything. Everything that God created.

So this is a great anointing. So Genesis 1:28, so God blessed them and said to them be fruitful and multiply fill the earth and subdue it. This is the anointing that you are going to control everything. You are going to subdue everything. You are going to fill the earth. Your boundaries are going to extend so you are going to bear much fruit means what you are doing it is going to flourish! So that is the blessing! So God blessed them that is what the Word is saying that God blessed them and it is the blessing of God! So by the Holy Spirit we are getting that blessing. What Adam and Eve lost we are getting it back when we received the Holy Spirit. Amen. In the name of Jesus.

So this that prophetic word that God gave me today to give to you that anointing is released to extend the boundaries, to fill the earth, to subdue everything so the enemy is under your foot the enemy is under your control. So the enemy cannot come near you. You are to put a mark don't come near me so everything is under control. You can control the climate. So here God is saying subdue it, fill the earth and subdue it.

So you can control the climate. When you want to go to a place a there are any clouds there you can stop that cloud. You can stop the cloud and say until I reach there it should not rain. Because that is God saying subdue it. Fill the earth and subdue means subdue everything! You

# DAILY PROPHECIES

can control the clouds and say cover the sun so that we will be protected from sun.

I am saying from my testimony when I go and it rains and that has happened many times, so until I reach my destination it won't rain. Also when I go there will be covering of clouds many times. So that is from my testimony I am saying.

Brother God is going to bless you with family. And God is going to increase the talent in you I see like that increase

the talent in you and you are going to sing for the Lord I hear the word brother.

Sister I see new language God is giving you new language to you and more grace to you I see. And the walls are built I hear the word.

Brother Hallelujah! So a new car, I see a new car coming to you and you will have enough provision and enough money also. So God will honour you this is that what I hear brother.

So this is the word if anyone is saying I have not received a word this is a powerful word that God said when you read a word, you must look at that word from different angles. So you can get more revelation. When you get a new thing, when you buy a new thing, you will look at all the sides for example if you buy something you will check all sides to see if they are same. Likewise when you see a word of God, look at that word of God through every side so that you can get more revelation. So here this is the prophetic word that God blessed them to subdue everything. So you are going to control the earth, the climate, you are going to control the ministry. The ministry is in your hand if you are doing the ministry. If you are doing the ministry the enemy cannot take your seat. The enemy cannot take your seat if you are the master of the house. The neighbour cannot enter your house and take your seat. How many of your believe? If you are working in an office another person who is sitting near by beside you cannot take your seat because you have control it is your given authority. How many of you believe?

So subdue you have to know your power, know who you are in Christ. That is very important. You must know if people are mocking at you, belittling you, seeing you as less. So you must know who you are in Christ. You are a powerful warrior. And a powerful man, woman of God. So you must know who you are in Christ, because God said fill the earth, that means stretch your legs, stretch your hands, extend your boundaries. Look at the words map. Take the map of the word and stretch your hand and pray and go to nations. And where you are sit your foot the land will be yours. That is the promise God has given to Abraham. So everything that God has given you authority. So if there is pain or disease in your body this verse is saying God has given the authority to subdue it. So you can be healed. You can drive out fear. You can drive out pain everything, because you are controlling everything. That is the prophetic word. When you realize what the word God has given you the enemy cannot come near you, because you commanded the enemy don't come near me. Hallelujah! So how many of you can say amen?

So some of you are thinking tomorrow what will happen. Tomorrow the enemy is coming and irritating me, but today exercise this authority and open your mouth and command, Lord you have given me the authority to give the commanding power you have said fill the earth and

# DAILY PROPHECIES

subduing. So using this authority I am commanding and I am binding that enemy don't come near my house, don't come near to me.

So you have to exercise that. When you open your mouth and exercise it God will do the rest, because it is a promise that God has given to you. God blessed them and He cannot take back that word, because He already gave. But Adam and Eve were driven out of the Garden of Eden they lost grace, but when Jesus came into our life

we have got this word. What the verses that Adam and Eve lost now we have restored everything by the power of Holy Spirit in the name of Jesus. That is the word so this is the prophetic word.

Sister foreign trips are coming to you. There are many challenges, but you will overcome everything. Sister new job is coming to you and financial breakthrough is coming to you.

Sister I see steps elevation. Sister going to next place I hear.

Sister He will put a new song in your mouth. Sister financial breakthrough.

Brother travel coming.

Sister the filling of Holy Spirit.

Pastor new position coming to you Hallelujah! In the name of Jesus.

Sister the celebration is coming in your life.

Sister there is enough provision, There is enough money, Sister I see the power of God is upon you in the name of Jesus. Hallelujah! Sister enough storage you don't lack anything.

Brother financial breakthrough and new doors are opening.

Sister chest infection healed in the name of Jesus. Hallelujah!

Pastor the mercy of the Lord is upon you.

Sister I see the Lord is blessing you with a new talent. I don't know whether you sing, but you are going to sing for the Lord. In the name of Jesus. Hallelujah!

Everyone I am thankful to everyone those who are here. So this is the word that the Lord has given you.

So exercise that authority when you believe that word that anointing will come upon you.

So this is the prophetic word to everyone.

I am thankful to all brothers and sisters those who are here.

So God bless everyone in Jesus name. Hallelujah! Amen.

## DAY 86

**I WILL HEAL THEIR BACKSLIDING; I WILL LOVE THEM FREELY, FOR MY ANGER HAS TURNED AWAY. THIS IS A COMFORTING VERSE TO EVERYONE**

# DAILY PROPHECIES

Sister I see moving to the new place. God is going to and you protected from the pandemic no need to get medicine you are healed in the name of Jesus. Hallelujah!

Welcome everyone in the name of Jesus!

Sister Hallelujah! You will get the new job and stay in the new apartment. I see like that there will be flight travels in your life and foreign travels I see like that you are called to minister. In the name of Jesus. Hallelujah!

Pastor don't worry about the borders, because the Lord is building a fence that you will be protected from the enemy. And more grace I see like that and the anointing is coming upon you Pastor. You will see visions clearly you will have a greater change in the prophetic realm Pastor.

Sister the enemies power is going to bless you. The allegations against you will come to an end. And you will have money to purchase the provisions I see like that.

Sister you are called to minister and God will give you the word the right word to speak. And things will come before the time and there will be new connections coming into your life I see like that. Speed is increasing in your life I see like that.

Sister the enemy cannot stand before you, because you are in your property. And the ways will be new so that the enemy will be confused and you will have frequent travels very soon. God is going to bless you and God's anointing is coming up you.

Sister I sense you are like in a risky position. That means I see you with people doing dangerous ventures and you are in a risky situation. But the Lord is telling be calm and quiet I will settle your cases. And come out of the problem this is what I hear. Hallelujah!

Brother you will come out of your problems. You will come out of the cave and there will be financial deliverance and the relatives coming for help and you will help this what I hear.

Sister the journey is going to start. The new journey is going to start I see like that and the Lord will speak into your ears. He has big plans in your life and He will have you minister for the Lord this is what I hear.

So I am thankful to all brothers and sisters those who are here. By God's grace God is going to give an increase of anointing to everyone. If you believe?

Sister next level I hear it is the next level God is going to lift you into the next level so that nobody can blame you. This level is there will be no accessions and nobody can blame you.

Sister the peace and new signature I hear the peace and new signature you are going to have the signature for the documents.

So I have a word for everyone. So that is from the Book of Hosea Chapter 14 the 4th verse, I will heal their backsliding; I will love them freely, for my anger has turned away. This is a comforting verse to everyone. Especially if anyone has gone out of the word that means if you have been

# DAILY PROPHECIES

out of the word. That means God told Joshua you should not go right or left. You should not turn right or left from the word of God. If anyone has turned by accidentally or by some mistake by the word of God so God is releasing His love freely. How many of you believe? So that is a unconditional love. I will love them freely. This is the Book of Hosea Chapter 14 verse 4.

You know when you read the bible from Genesis to Revelation you can see that God is telling I will bless you if you do like that and obey my commands I will bless you

can see like that. But this verse is saying I will heal their backsliding, because this verse is for those people who back sided from and defeated from the Holy Spirit who have been away from the Word of God. God told Joshua you know do not turn right or left from the Word of God.

So if anyone who has turned away from the Word of God that is called backsliding. Not in the proper way, so if anyone who is reading has backsliding this is the word for you. I will heal there backsliding. Backsliding means not only doing a great crying or doing a sin. Even if you prayed yesterday for one hour and today if you are only praying for an half of an hour. That is backsliding. Yesterday if you read bible for 5 chapters and today if you are only reading 2 chapters that is backsliding. Yesterday when you believed with the Word of God, but today you only have less belief that is backsliding.

So backsliding means your graph coming down regarding your relationship with God. So you know that is the aggressiveness. You know if you are aggressive Hallelujah!

Brother blessing in your family and status coming. Status coming into your life and honour is coming to you so you will be honoured among your relatives I see the word like this.

So sister I see you will cross the bridge there is financial breakthrough. And you are protected from the pandemic I hear the word so.

So this is the word if anyone has backsliding this is God saying I will heal their backsliding. So if yesterday you prayed for one hour and today you prayed only for a an half of an hour, but this verse is saying I will heal their backsliding. That means tomorrow you will pray for more than one hour that is what I am saying to make you understand for you.

So I will heal their backsliding; and I will love them freely. So God's love is coming upon you freely. It is unconditional. That means you are going to get the blessing. If you say amen if you receive you will get. If God loves you that means He is going to bless you. You know God loved Abraham and He gave Abraham everything. He gave Abraham children and blessed Abraham with the cattle. Everything so He loved Joseph so he was a success. He loved David so he was honoured. He loved the apostles of Jesus so they were used powerfully.

So when God loves you that means you are going to be blessed. So here God is saying I will love them freely for my anger has turned away from him. So He is not punishing you for what you have

# DAILY PROPHECIES

done in the past. But from today onwards, this moment on you should have a repentant heart. And you should. And He will check the network. Sometimes the network won't be working, but don't be upset because God will be touching you with a word even in your unconscious mind. The word will come. So don't be upset whether if you hear the word or not.

What you did an half an hour before maybe was not pleasing to God, but God has turned away from that and He has healed your backsliding and He is loving you freely and His anger has turned. Maybe some hours before you were dealing or your attitude displeased God, but do not be upset because His anger had turned away from you. But at the same time I tell you that He is looking at your heart. Whether you are having an attitude to repent that is very important.

So financial breakthrough sister I see new door key given to you. The new door key is given to you I see like that.

Sister I see breakthrough in financial and new books coming.

Sister the basket is full of bibles so you have to preach the bible. So you have to preach the bible sister. I see God is giving you I see the vision that there is a basket full of bibles so you have to preach the word I hear.

Sister the new door the person you are waiting for is coming by the next train. By the next train the person you are waiting for is coming.

Brother the Glory of God is upon you and there is covering over your house your family.

Sister your children are blessed and you are going to see greater things. I see like that in the name of Jesus.

Sister you are called to ministry. When you do the ministry there will be the provision coming in the name of Jesus.

Sister so change of address. I see change of address you are going to get a change of address to the new place.

Sister I hear you are near the b side so God's care is upon you. So do not be upset for you will have a new apartment I see like that in the name of Jesus.

Pastor your seat is permanent. Nobody will take your seat I hear the word. your seat is permanent so nobody can take your seat. God is going to honour you.

Sister the Holy Spirit in you will be spreading to others. So you will be giving the Holy Spirit to many others.

Pastor I see construction of compound walls in the name of Jesus.

Sister sudden change like a balloon flying there will be a sudden change in your ministry I see

# DAILY PROPHECIES

like that. Sudden movement in your ministry. Hallelujah!

Sister the Lord is looking into your heart. The Lord is telling me kneel down and pray and I will increase the provision for you. In the name of Jesus.

I see you with the luggage brother you are on journey and I see the luggage and you are at the airport Hallelujah! In the name of Jesus.

So God is going to bless everyone. So I am getting the testimonies also in the messenger and the what's up the

testimonies that the prophecies are coming true in your life.

So I thank God for doing the miracles. So this is saying that I have not received any prophetic word this is the word Hosea 14 the 4th verse, Hallelujah! It says, I will heal their backsliding; so anyone who is saying I have not received any word you are healed. You are completely healed from backsliding. And the love of God is coming upon you freely without and condition. And His anger has turned away from you this is the word. if you have done something wrong in the sight of God. Sometimes God is going to forgive you and give you free love. You know sometimes the companies will sometimes give offer. The network company, you know the internet company they will give offer. Today there will be more network or something like that. Or you go to the office and today the price will be a discount likewise this is the discount and offer that we can receive with no condition.

When we read the bible we can see that God is saying with a condition, if you obey, if you turn away your eyes I will bless you. If you don't worship the idols I will bless you. So you can see that everywhere.

But this verse is saying freely God's love will be given. That is like an offer. So today you are blessed to hear this verse, because this is an offer from the Lord. So the power of God will bless you.

Sister the honour is coming to you from the place that you cannot lift you. I see God is going to lift you from the place.

Sister Hallelujah! I hear birthday! I'll be praying for your birthday so God bless you. So this is the word that God's given, but this is not a license to sin. This is not a license to sin, but at the same time He will look into your heart. You are crying for holiness. If you cry for holiness, if you cry for God's love those people this verse is coming to pass.

So I am thankful to all brothers and sisters here.

May God bless everyone in the name of Jesus. Amen.

The Lord is going to lift you up and the Lord has seen your miseries so do not be upset says the Lord. The Lord will do greater things in your life. So you will get a new job I hear sister you will get a new job.

Sister Hallelujah! The new door is opening that you won't be stagnant no more. You will move and I hear the word collaboration sister, I hear the word collaboration that means new joy, new connections coming to you in the name of Jesus.

Sister Hallelujah! Happy News you will hear. And God is going to have you set aside all your problems you are free to worship the Lord and I hear God is going to lift you.

Sister the Lord is giving you the best apartment. The best apartment with granite flooring I hear and see like that and God is going to extend your boundaries so it is not a waste says the Lord.

So I have a prophetic word to share. I have a word to share with you Hallelujah that is from the Book of Genesis Chapter 1:28 it is a powerful word. It is a powerful word!

Pastor I see a cap on your head. That means that God is going to honour you. God is going to honour you in the church. God is going to honour you in the ministry so nothing you will lose says the Lord.

Sister the connections are coming from the Middle East I hear the word where the oil is there. Oil is drilled and the connection is coming from where there is oil I sense it is the Middle East in the name of Jesus. Hallelujah!

So Genesis 1:28, it says, Then God blessed them and God said to them be fruitful and multiply. Fill the earth and subdue it. Have dominion over the fish of the sea, over the birds of the air and over every living thing that moves on the earth.

So this is the anointing that God gave to man. Hallelujah! But many at first are not able to use it completely. Actually when God created man He blessed man. Then God blessed them that means that God blessed Adam and Eve and said and God said to them be fruitful and multiply

# DAILY PROPHECIES

Hallelujah! Fill the earth and subdue it. So but now things are now subduing many of us are subdued by fear. Many are subdued by fear, many family problems. But God actually gave the power to rule everything. So the enemy cannot rule anyone so you have to know that is the anointing even to Adam and Eve, but they misused. They lost the anointing when they were disobedient to God, but when now in the New Testament when we read it and received Jesus Christ as Saviour the lost anointing is coming back to us through Jesus. Hallelujah!

So that you can see in the Book of Galatians 3:13 the blessings are coming that are given to Abraham that He gives to us when we receive the Holy Spirit. That is the Spirit of Jesus.

So here is saying that God blessed them. God said to them be fruitful so when you hear this word if you say Amen. You are receiving the anointing. That is the anointing to become fruitful. You are going to bear fruit there is nothing to make you stop you are going to be fruitful.

So this is what when He created man He said go and be fruitful and subdue everything. So the lost anointing is now coming back to us. So when we were gentiles and had not received Jesus Christ as Saviour we were like the lost Adam and Eve, but when we received Jesus Christ as Saviour what we had lost was restored and the anointing has been given back to us by the Holy Spirit. So this is the word, be fruitful and multiply and fill the earth means your boundaries are going to extend. Fill the earth means your boundaries are going to extend and subdue it means you are taking everything. So the enemy is under your control. If you tell the enemy don't come he won't come, because you are controlling. How many of you know that? You will control every evil spirit that is tormenting you. You will control that spirit and tell it to go away from my house, go away from me. You have the power that is the subduing. God is saying subdue it have dominion over everything. Everything that God created.

So this is a great anointing. So Genesis 1:28, so God blessed them and said to them be fruitful and multiply fill the earth and subdue it. This is the anointing that you are going to control everything. You are going to subdue everything. You are going to fill the earth. Your boundaries are going to extend so you are going to bear much fruit means what you are doing it is going to flourish! So that is the blessing! So God blessed them that is what the Word is saying that God blessed them and it is the blessing of God! So by the Holy Spirit we are getting that blessing. What Adam and Eve lost we are getting it back when we received the Holy Spirit. Amen. In the name of Jesus.

So this that prophetic word that God gave me today to give to you that anointing is released to extend the boundaries, to fill the earth, to subdue everything so the enemy is under your foot the enemy is under your control. So the enemy cannot come near you. You are to put a mark don't come near me so everything is under control. You can control the climate. So here God is saying subdue it, fill the earth and subdue it.

So you can control the climate. When you want to go to a place a there are any clouds there you can stop that cloud. You can stop the cloud and say until I reach there it should not rain. Because that is God saying subdue it. Fill the earth and subdue means subdue everything!

# DAILY PROPHECIES

You can control the clouds and say cover the sun so that we will be protected from sun.

I am saying from my testimony when I go and it rains and that has happened many times, so until I reach my destination it won't rain. Also when I go there will be covering of clouds many times. So that is from my testimony I am saying.

Brother God is going to bless you with family. And God is going to increase the talent in you I see like that increase

the talent in you and you are going to sing for the Lord I hear the word brother.

Sister I see new language God is giving you new language to you and more grace to you I see. And the walls are built I hear the word.

Brother Hallelujah! So a new car, I see a new car coming to you and you will have enough provision and enough money also. So God will honour you this is that what I hear brother.

So this is the word if anyone is saying I have not received a word this is a powerful word that God said when you read a word, you must look at that word from different angles. So you can get more revelation. When you get a new thing, when you buy a new thing, you will look at all the sides for example if you buy something you will check all sides to see if they are same. Likewise when you see a word of God, look at that word of God through every side so that you can get more revelation. So here this is the prophetic word that God blessed them to subdue everything. So you are going to control the earth, the climate, you are going to control the ministry. The ministry is in your hand if you are doing the ministry. If you are doing the ministry the enemy cannot take your seat. The enemy cannot take your seat if you are the master of the house. The neighbour cannot enter your house and take your seat. How many of your believe? If you are working in an office another person who is sitting near by beside you cannot take your seat because you have control it is your given authority. How many of you believe?

So subdue you have to know your power, know who you are in Christ. That is very important. You must know if people are mocking at you, belittling you, seeing you as less. So you must know who you are in Christ. You are a powerful warrior. And a powerful man, woman of God. So you must know who you are in Christ, because God said fill the earth, that means stretch your legs, stretch your hands, extend your boundaries. Look at the words map. Take the map of the word and stretch your hand and pray and go to nations. And where you are sit your foot the land will be yours. That is the promise God has given to Abraham. So everything that God has given you authority. So if there is pain or disease in your body this verse is saying God has given the authority to subdue it. So you can be healed. You can drive out fear. You can drive out pain everything, because you are controlling everything. That is the prophetic word. When you realize what the word God has given you the enemy cannot come near you, because you commanded the enemy don't come near me. Hallelujah! So how many of you can say amen?

So some of you are thinking tomorrow what will happen. Tomorrow the enemy is coming and irritating me, but today exercise this authority and open your mouth and command, Lord you have given me the authority to give the commanding power you have said fill the earth and subduing. So using this

# DAILY PROPHECIES

authority I am commanding and I am binding that enemy don't come near my house, don't come near to me.

So you have to exercise that. When you open your mouth and exercise it God will do the rest, because it is a promise that God has given to you. God blessed them and He cannot take back that word, because He already gave. But Adam and Eve were driven out of the Garden of Eden they lost grace, but when Jesus came into our life we have got this word. What the verses that

Adam and Eve lost now we have restored everything by the power of Holy Spirit in the name of Jesus. That is the word so this is the prophetic word.

Sister foreign trips are coming to you. There are many challenges, but you will overcome everything.

Sister new job is coming to you and financial breakthrough is coming to you.

Everyone I am thankful to everyone those who are here. So this is the word that the Lord has given you.

So exercise that authority when you believe that word that anointing will come upon you.

So this is the prophetic word to everyone.

I am thankful to all brothers and sisters those who are here.

So God bless everyone in Jesus name. Hallelujah! Amen.

Sister there will be a shift a great shift and the Lord will make you in the right position that you will be stable. I sense now it is moving not stable, but the Lord is making you stable that you will be fixed permanently. You will be fixed permanently that no one can pull you out. This is what so you will be an iron pillar sister I hear the word so in the name of Jesus.

Evangelist the peace of God is in you. Your heart's desires are going to be answered. You are going to reach the destination. And you are going to receive your family I hear the word so.

Welcome to everyone! I am thankful for everyone! So I am going to share a word with you. This is the word Psalm 25 the 14th verse. I have put the caption, the heading as the Secret of the Lord. You know God is speaking to us. God is speaking to us so we can hear the voice of God through the Holy Bible. Through the Holy Bible we can see the voice of God. Sometimes He will speak to us by rhema by a rhema word.

So it maybe beyond our imagination, beyond our thoughts when God speaks, because we have a pattern of what we have read in the bible. So there is everything in the bible so that is the spoken word of God. It is the logos and sometimes God will speak through rhema also through revelation so here the verse is saying the secret of the Lord is with those who fear it and He will show them His covenant. So the secret of the Lord is with those who fear. So there are some things hidden that has not been exposed. It is hidden with the Lord, but it is going to be revealed. Maybe it is already in the bible. Maybe it is already in the verse, but if a person who reads the bible his eyes will go fast, his eyes won't read that, even if he reads, he cannot understand.

So there are many verses in the bible that a person cannot understand. If only Holy Spirit reveals the meaning then only could be understood that is one thing. Also, when you read the book of Deuteronomy Chapter 29 you can see the Book of Deuteronomy God is saying the secret things belongs to God but those who have been revealed are there in the book. So book means

# DAILY PROPHECIES

in the bible so those who have been revealed is there in the bible, but there are many secret things still hidden in the Lord. So maybe the secret things are in the Bible, but when we read we cannot understand. Or we read the bible many times, but sometimes God will make our eyes blind, so that we cannot see that word, or even if we read we cannot understand; because they are secret.

So if you want to know the secret things of the Lord, what He says, what His voice is saying the secret of the Lord is with

those who fear Him. That means He will reveal the secret things to His beloved ones.

When God began to destroy Sodom and Gormorah, He revealed it to Abraham. So He will reveal it to His beloved ones. So if you fear the Lord, fear the Lord means you must give first preference to God. If you give first preference to God that means fearing Him, if you love your family, if you love your ministry, if you love any other things other than God; that means if you are giving second preference only to God it means that you don't fear God. But if you put first preference to God, it means that you fear the Lord. You are a devotee of God. So you are a beloved one of God.

So here this verse is saying, the secret of the Lord is with those who fear Him and He will show them His Covenant. So He will show to those beloved ones that those secrets are revealing His Covenant so there are many covenants in the Bible still hidden, but we cannot understand. But some that go to the bible college they will preach, but they are preaching from somebody has taught them.

So the Bible has to be preached not from a bible college, but by revelation. When the Holy Spirit speaks you know in the Book of John 2:27, it says the anointing that is in us is able to teach us everything.

So when we preach a word it is Holy Spirit who is speaking to us. That is God speaking. God has given the Spirit in us the Spirit will speak. So it is not something that has been studied before. It is coming at the time so this verse is coming at the time I have not prepared any note, but what God is giving at the time I am sharing I am humbling saying.

So this is what is the secret, the Secret of the Lord is with those who fear Him and He will show them His covenant. So there are many secret covenants still with God. When you get that covenant you will get the blessing. More blessing.

So some people say we need a deliverance, we want a breakthrough, but I tell you, you have to know the secret things of the Lord. In the covenant there is breakthrough, in the covenant of God there is deliverance, because God has made a covenant with us that He will bless us in every area. So that is we are blessed in every area not in one area, not only in the financial area, or not only in the ministry, not only in the family, but in every area in equal proportion.

You know the ministry of Jesus was not partially, it was full this ministry was full. His teaching was full. Whatever He did it was full not something in part, but because everything is full. When you read the book of 1st Corinthians 13 you also can see when the fullness will come, the partial will go. What has been partial will move and when the fullness will come. So in the

# DAILY PROPHECIES

covenant there is fullness. So when you fear the Lord, He will reveal many secret things. So this is the word that I am sharing with you.

Sister there is no fear about the things you just believe in the Word of God. And God is going to settle the case.

Sister I see a new star is going to shine in your life. I see a big pillar and above the pillar there's a star. So a new star is going to shine in your life sister. Sister new draft, new check coming, new check and new draft coming.

Sister promotion in your life, family peace. Sister the Lord is going to extend your boundaries.

Sister breakthrough and you will jump the wall, I hear the word so.

Sister the gift is for you and not for others. The gift of that is the promise that God has given you is only for you not for others so you should not be afraid. No one will take, no one will pluck the flower from your garden sister.

Brother the doors are opening. So be with the Lord and you will see greater things in the name of Jesus.

Sister the life is going to be blessed. You are going to see the children I hear the word.

Brother breakthrough, financial breakthrough God is going to extend your boundaries.

Sister promotion and breakthrough family peace I hear in the name of Jesus.

Sister new signature you are going to sign new documents,

Brother the Lord is giving you a new car, if you believe, the Lord is giving you a new car, financial breakthrough.

Sister there is enough provision in the house itself. Everything will come into your house You should not go after the things. They will come into your hands I see like that in the name of Jesus.

So breakthrough is to everyone here.

Sister the power of God will I come upon you and you are going to see an explosion in your life in the name of Jesus.

So I am thankful to everyone! If anyone is saying that I have not received any word this is the word that the Lord will show the covenant to those who fear Him. The covenant the secret covenant so if you have you know an ATM card to take the money out or a debit card for the transaction or the credit card, you know the credit card, debit card like that, but there is also a password. That is secret. If you do not know the secret, if you do not know the password. You will have the credit card with you, you will have the debit card with you, but you cannot use it. It is like this.

You will have the bible. You read the bible, if you want deliverance, you should know the secret covenant of God. You should know the secret things hidden behind every verse. It is not from we cannot get that from a bible college. We cannot get that from anybody's teaching. You have to find yourself. You

# DAILY PROPHECIES

have to find means the Holy Spirit has to be revealed to you not another person. So the prophets can guide you, but the deliverance you have to get from yourself for your deliverance. You know God Himself spoke through Moses that I will give you the land the promised land, but these promises did not come into everyone's life, because they could not understand the covenant of God. That is why they were fallen on the way they were the earth swallowed them, the fire consumed them, because they could not understand the secret behind

the word. But you know that God told Abraham, Abraham you come out. So without seeing anything, without seeing anything with his external eyes He left everything, because He realized this the covenant so it is the Covenant of God. The Covenant of God is hidden.

So this is the prophetic word. So maybe you have read the bible 15 times, but there are many secrets things that we have to know. God does not reveal everything to everyone. So little by little when we become more close to God. He will reveal little by little, because He is God. So He is the creator so no one is having full knowledge only God. So even what Jesus said about the second coming, Jesus said, only Father knows. So some people will force when will we get when we will get the prophecy also. In the prophetic when we prophesy, some people ask when will it be given so what Jesus said, he is saying, Jesus saying He doesn't know when He is coming again. So it is with the Father. So there are many secret things still in the Father's hand. So He is going to reveal it to those who are close to Him. Those who fear Him. So if you want a complete deliverance you should know the secret of the verse. There is a word for every deliverance there is a verse, but you know that secret of that deliverance. That's what Paul said a secret that has been hidden was revealed to him. That is Christ is in you. Christ is in us. So it was hidden from the old testament saints. That is what Paul is saying and I am going to reveal a secret that has been proven to me that Christ is in us. So it was hidden in the olden times. So likewise, fresh secrets will come, fresh secrets, new secrets will come. So when you know then when you get the secrets you will fly like eagles. You will become top, you will become number one. So it is Holy Spirit who has to give you the secrets.

So this is the prophetic word and I am thankful to everyone all brothers and sisters.

Every day the Lord is going to speak into your lives. The Lord is going to settle your cases.

So sometimes the network will be broken, but don't be upset because everything is in God's control. God is controlling everything so if you don't get a word prophetic word completely, because of the breaking network don't be upset, because when you are having patience God will speak more.

So today everyone is going to have a breakthrough. So fear the Lord. Become a close disciple. And a close friend of Jesus. And He will reveal many secret things.

So I am happy to see everyone of you here. So God is going to bless you in the name of Jesus.

So God bless everyone. So may you have a breakthrough I will be praying for you in Jesus name. Amen.

To be continued...

# DAILY PROPHECIES

chosen to hear this word, because I have put the caption as unusual miracles.

So the unusual miracles are going to come into your life. So this is the word that I am going to read Acts 19:11 God worked unusual miracles by the hands of Paul. So that even handkerchiefs or aprons were brought from his body to the sick and the diseases left them and the evil spirits went out of them. Hallelujah!

So this kind of miracles are going to happen today as you read. Unusual miracles are going to happen that means breakthrough unusual breakthroughs. So expect a call that you have never even thought so that is a call a telephone call or expect an email message or a message through messenger or Whatsapp you are not expecting maybe you are expecting in another way, but the unusual miracles that which is coming from unexpected areas. Unexpected miracles so it is going to happen. So today healing also in an unexpected way.

Sister financial breakthrough coming from unexpected sources. So sit down and pray. Miracles in the financial area it is coming.

So here it is saying the demons were cast. The demons were exited and people were healed when the handkerchiefs and aprons were fallen on the body of those who are in need so God is going to release the power. The Heaven is open and if you believe in this word if you glorify Jesus now expect a miracle as you read this Daily Prophecy.

So everyone is going to have a financial breakthrough I prophesy in the name of Jesus. It will come through ravens unexpected. It will be done by government expense.

Sister I see the resources are coming from the places you never even thought of in your mind. Expect a miracle in your family itself. Sister in the name of Jesus.

So to everyone I am saying an unusual miracle. So there is an woman an old woman in my church she is staying in a cliff populated colony area. You know colony means she comes from a slum area. And thickly populated that colony it is much populated and some five months back the pandemic Covid 19 was back there in that colony. And everyone was affected by Covid19, but her family was also five members of their family they were affected. She was at 70 and God spared only her in that colony. So everyone it was a miracle. And everyone in that colony knows that she is going to a church and they are all gentiles. But God protected her. Likewise if you believe maybe in the place where you are the Covid 19 is spreading, but if you believe in the word of God, if you believe in the blood of Jesus. You are spared. Your family is spared. This is the word of God. So you are spared and your family is spared from all the pandemic. You are protected for Covid19 if you believe in the word of God. That's all usual miracles, but unusual miracles means like dividing the Red Sea, dividing the river Jordan, and breaking the big Jericho wall. I sense now it is moving not stable, but the Lord is making you stable that you will be fixed permanently. You will be fixed permanently that no one can pull you out. This is what so you will be an iron pillar sister I hear the word so in the name of Jesus.

Evangelist the peace of God is in you. Your heart's desires are going to be answered. You are going to reach the destination. And you are going to receive your family I hear the word so.

Welcome to everyone! I am thankful for everyone! So I am going to share a word with you. This is the word Psalm 25 the 14th verse. I have put the caption, the heading as the Secret of the Lord. You know God is speaking to us. God is speaking to us so we can hear the voice of God through the Holy Bible. Through the Holy Bible we can see the voice of God. Sometimes He will speak to us by rhema by a rhema word.

So it maybe beyond our imagination, beyond our thoughts when God speaks, because we have a pattern of what we have read in the bible. So there is everything in the bible so that is the spoken word of God. It is the logos and sometimes God will speak through rhema also through revelation so here the verse is saying the secret of the Lord is with those who fear it and He will show them His covenant. So the secret of the Lord is with those who fear. So there are some things hidden that has not been exposed. It is hidden with the Lord, but it is going to be revealed. Maybe it is already in the bible. Maybe it is already in the verse, but if a person who reads the bible his eyes will go fast, his eyes won't read that, even if he reads, he cannot understand.

So there are many verses in the bible that a person cannot understand. If only Holy Spirit reveals the meaning then only could be understood that is one thing. Also, when you read the book of Deuteronomy Chapter 29 you can see the Book of Deuteronomy God is saying the secret things belongs to God but those who have been revealed are there in the book. So book means

# DAILY PROPHECIES

in the bible so those who have been revealed is there in the bible, but there are many secret things still hidden in the Lord. So maybe the secret things are in the Bible, but when we read we cannot understand. Or we read the bible many times, but sometimes God will make our eyes blind, so that we cannot see that word, or even if we read we cannot understand; because they are secret.

So if you want to know the secret things of the Lord, what He says, what His voice is saying the secret of the Lord is with

those who fear Him. That means He will reveal the secret things to His beloved ones.

When God began to destroy Sodom and Gormorah, He revealed it to Abraham. So He will reveal it to His beloved ones. So if you fear the Lord, fear the Lord means you must give first preference to God. If you give first preference to God that means fearing Him, if you love your family, if you love your ministry, if you love any other things other than God; that means if you are giving second preference only to God it means that you don't fear God. But if you put first preference to God, it means that you fear the Lord. You are a devotee of God. So you are a beloved one of God.

So here this verse is saying, the secret of the Lord is with those who fear Him and He will show them His Covenant. So He will show to those beloved ones that those secrets are revealing His Covenant so there are many covenants in the Bible still hidden, but we cannot understand. But some that go to the bible college they will preach, but they are preaching from somebody has taught them.

So the Bible has to be preached not from a bible college, but by revelation. When the Holy Spirit speaks you know in the Book of John 2:27, it says the anointing that is in us is able to teach us everything.

So when we preach a word it is Holy Spirit who is speaking to us. That is God speaking. God has given the Spirit in us the Spirit will speak. So it is not something that has been studied before. It is coming at the time so this verse is coming at the time I have not prepared any note, but what God is giving at the time I am sharing I am humbling saying.

So this is what is the secret, the Secret of the Lord is with those who fear Him and He will show them His covenant. So there are many secret covenants still with God. When you get that covenant you will get the blessing. More blessing.

So some people say we need a deliverance, we want a breakthrough, but I tell you, you have to know the secret things of the Lord. In the covenant there is breakthrough, in the covenant of God there is deliverance, because God has made a covenant with us that He will bless us in every area. So that is we are blessed in every area not in one area, not only in the financial area, or not only in the ministry, not only in the family, but in every area in equal proportion.

You know the ministry of Jesus was not partially, it was full this ministry was full. His teaching was full. Whatever He did it was full not something in part, but because everything is full. When you read the book of 1st Corinthians 13 you also can see when the fullness will come, the partial will go. What has been partial will move and when the fullness will come. So in the

# DAILY PROPHECIES

covenant there is fullness. So when you fear the Lord, He will reveal many secret things. So this is the word that I am sharing with you.

Sister there is no fear about the things you just believe in the Word of God. And God is going to settle the case.

Sister I see a new star is going to shine in your life. I see a big pillar and above the pillar there's a star. So a new star is going to shine in your life sister. Sister new draft, new check coming, new check and new draft coming.

Sister the life is going to be blessed. You are going to see the children I hear the word.

Brother breakthrough, financial breakthrough God is going to extend your boundaries.

Sister promotion and breakthrough family peace I hear in the name of Jesus.

Sister new signature you are going to sign new documents,

Brother the Lord is giving you a new car, if you believe, the Lord is giving you a new car, financial breakthrough.

Sister there is enough provision in the house itself. Everything will come into your house You should not go after the things. They will come into your hands I see like that in the name of Jesus.

So breakthrough is to everyone here.

Sister the power of God will I come upon you and you are going to see an explosion in your life in the name of Jesus.

So I am thankful to everyone! If anyone is saying that I have not received any word this is the word that the Lord will show the covenant to those who fear Him. The covenant the secret covenant so if you have you know an ATM card to take the money out or a debit card for the transaction or the credit card, you know the credit card, debit card like that, but there is also a password. That is secret. If you do not know the secret, if you do not know the password. You will have the credit card with you, you will have the debit card with you, but you cannot use it. It is like this.

You will have the bible. You read the bible, if you want deliverance, you should know the secret covenant of God. You should know the secret things hidden behind every verse. It is not from we cannot get that from a bible college. We cannot get that from anybody's teaching. You have to find yourself. You

# DAILY PROPHECIES

have to find means the Holy Spirit has to be revealed to you not another person. So the prophets can guide you, but the deliverance you have to get from yourself for your deliverance. You know God Himself spoke through Moses that I will give you the land the promised land, but these promises did not come into everyone's life, because they could not understand the covenant of God. That is why they were fallen on the way they were the earth swallowed them, the fire consumed them, because they could not understand the secret behind

the word. But you know that God told Abraham, Abraham you come out. So without seeing anything, without seeing anything with his external eyes He left everything, because He realized this the covenant so it is the Covenant of God. The Covenant of God is hidden.

So this is the prophetic word. So maybe you have read the bible 15 times, but there are many secrets things that we have to know. God does not reveal everything to everyone. So little by little when we become more close to God. He will reveal little by little, because He is God. So He is the creator so no one is having full knowledge only God. So even what Jesus said about the second coming, Jesus said, only Father knows. So some people will force when will we get when we will get the prophecy also. In the prophetic when we prophesy, some people ask when will it be given so what Jesus said, he is saying, Jesus saying He doesn't know when He is coming again. So it is with the Father. So there are many secret things still in the Father's hand. So He is going to reveal it to those who are close to Him. Those who fear Him. So if you want a complete deliverance you should know the secret of the verse. There is a word for every deliverance there is a verse, but you know that secret of that deliverance. That's what Paul said a secret that has been hidden was revealed to him. That is Christ is in you. Christ is in us. So it was hidden from the old testament saints. That is what Paul is saying and I am going to reveal a secret that has been proven to me that Christ is in us. So it was hidden in the olden times. So likewise, fresh secrets will come, fresh secrets, new secrets will come. So when you know then when you get the secrets you will fly like eagles. You will become top, you will become number one. So it is Holy Spirit who has to give you the secrets.

So this is the prophetic word and I am thankful to everyone all brothers and sisters.

Every day the Lord is going to speak into your lives. The Lord is going to settle your cases.

So sometimes the network will be broken, but don't be upset because everything is in God's control. God is controlling everything so if you don't get a word prophetic word completely, because of the breaking network don't be upset, because when you are having patience God will speak more.

So today everyone is going to have a breakthrough. So fear the Lord. Become a close disciple. And a close friend of Jesus. And He will reveal many secret things.

So I am happy to see everyone of you here. So God is going to bless you in the name of Jesus.

So God bless everyone. So may you have a breakthrough I will be praying for you in Jesus name. Amen.

So I have a word to share with you that is from the Book of Acts 19:11, you know yesterday in the Youtube channel the Lord told me to share this, but due to the interruption in the network I was not able to share this word so I am forced by Holy Spirit to share this today. So you are blessed and

# DAILY PROPHECIES

chosen to hear this word, because I have put the caption as unusual miracles.

So the unusual miracles are going to come into your life. So this is the word that I am going to read Acts 19:11 God worked unusual miracles by the hands of Paul. So that even handkerchiefs or aprons were brought from his body to the sick and the diseases left them and the evil spirits went out of them. Hallelujah!

So this kind of miracles are going to happen today as you read. Unusual miracles are going to happen that means breakthrough unusual breakthroughs. So expect a call that you have never even thought so that is a call a telephone call or expect an email message or a message through messenger or Whatsapp you are not expecting maybe you are expecting in another way, but the unusual miracles that which is coming from unexpected areas. Unexpected miracles so it is going to happen. So today healing also in an unexpected way.

Sister financial breakthrough coming from unexpected sources. So sit down and pray. Miracles in the financial area it is coming.

So here it is saying the demons were cast. The demons were exited and people were healed when the handkerchiefs and aprons were fallen on the body of those who are in need so God is going to release the power. The Heaven is open and if you believe in this word if you glorify Jesus now expect a miracle as you read this Daily Prophecy.

So everyone is going to have a financial breakthrough I prophesy in the name of Jesus. It will come through ravens unexpected. It will be done by government expense.

Sister the Lord is telling it will be done by government expenses. Expect an unusual miracle.

Sister I see the resources are coming from the places you never even thought of in your mind. Expect a miracle in your family itself. Sister in the name of Jesus.

So to everyone I am saying an unusual miracle. So there is an woman an old woman in my church she is staying in a cliff populated colony area. You know colony means she comes from a slum area. And thickly populated that colony it is much populated and some five months back the pandemic Covid 19 was back there in that colony. And everyone was affected by Covid19, but her family was also five members of their family they were affected. She was at 70 and God spared only her in that colony. So everyone it was a miracle. And everyone in that colony knows that she is going to a church and they are all gentiles. But God protected her. Likewise if you believe maybe in the place where you are the Covid 19 is spreading, but if you believe in the word of God, if you believe in the blood of Jesus. You are spared. Your family is spared. This is the word of God. So you are spared and your family is spared from all the pandemic. You are protected for Covid19 if you believe in the word of God. You can receive for everyone looking I am prophesying in the name of Jesus that there is a wall of fire around you and your family. Hallelujah!

So expect a miracle in every area. So everyone I am looking and saying.

# DAILY PROPHECIES

So a new car is coming for those who are waiting for a vehicle a new one is coming. So God is going to bless you. So expect in every areas there will be unusual miracles. And those who are waiting for the nations maybe you don't have money for the flight tickets, but God has commanded the angels to do miracles in the financial area. So I hear God commanding the angels to do miracles in the financial area. And also God is healing everyone.

Every lung infection, every chest infection, breakthrough and the liver problem healed And bronchitis healed. Skin disease healed. The Lord is going to release the healing power. If anyone is saying that I have a chest infection right now you are healed in the name of Jesus.

Brother I see the overflowing abundance. Your hand is blessed brother. Your hand is blessed. So when you lay hands on others people will be healed. In the name of Jesus.

So sister expect a miracle in your family and God is going to bless everyone. So this is the word unusual miracles. It is not usual miracles. Usual miracles you know that we are seeing. Every day when you open the television your see miracles. When you go to your church you see the miracles. When you go to crusades you see people healing. That's all usual miracles, but unusual miracles means like dividing the Red Sea, dividing the river Jordan, and breaking the big Jericho wall. And 2 fish and 5 loaves multiplying these are all unusual miracles.

So those old miracles that we see in the new testament is now coming into your life. So expect a miracle, so in your purse the angels are putting money in your purse. So unusual miracles expect a miracle!

Sister healing! Your healing is coming in the name of Jesus.

Sister fear I sense there is fear in you so the spirit of fear is moving and a spirit I sense sister you are not happy sister, the spirit of joy is coming into your life for you.

Brother more grace and in this year before this year finishes you will have a new set up I hear the word so.

Brother I see the bridge and there is provision. You are here and you want to go there and there is no bridge. I see the bridge so you will go to that next place brother. So you have nothing to be afraid.

Sister happy news and you are application is received and there they are going to grant you. The application is sanctioned I hear the word.

Sister the peace in you and healing coming upon you so breakthrough.

Sister Hallelujah! There is provision inside the box. There is grains inside the box. So you should not be upset and everything will come at the right time.

Hallelujah! So Praise the LORD YHVH! The LORD is going to increase you. The LORD is going to increase the anointing so you should not be upset. So if you give this to the LORD the LORD will increase you in every area. So GOD is going to bless you. Praise the LORD! The LORD is going to bless you in every area in the right time. So GOD is going to bless you so if you praise the LORD the LORD will bless you! Let us praise the LORD give thanks to the LORD! Give thanks to the LORD!

The LORD is going to extend your boundaries sister. Financial breakthrough and a child will baptised sister I hear the word sister. The child will be baptised in the name of Jesus. Hallelujah!

Unexpected miracles so it is going to happen. So today healing also in an unexpected way.

Sister financial breakthrough coming from unexpected sources. So sit down and pray. Miracles in the financial area it is coming.

So here it is saying the demons were cast. The demons were exited and people were healed when the handkerchiefs and aprons were fallen on the body of those who are in need so God is going to release the power. The Heaven is open and if you believe in this word if you glorify Jesus now expect a miracle as you read this Daily Prophecy.

So everyone is going to have a financial breakthrough I prophesy in the name of Jesus. It will come through ravens unexpected. It will be done by government expense.

Sister the Lord is telling it will be done by government expenses. Expect an unusual miracle.

Sister I see the resources are coming from the places you never even thought of in your mind. Expect a miracle in your family itself. Sister in the name of Jesus.

So to everyone I am saying an unusual miracle. So there is an woman an old woman in my church she is staying in a cliff populated colony area. You know colony means she comes from a slum area. And thickly populated that colony it is much populated and some five months back the pandemic Covid 19 was back there in that colony. And everyone was affected by Covid19, but her family was also five members of their family they were affected. She was at 70 and God spared only her in that colony. So everyone it was a miracle. And everyone in that colony knows that she is going to a church and they are all gentiles. But God protected her. Likewise if you believe maybe in the place where you are the Covid 19 is spreading, but if you believe in the word of God, if you believe in the blood of Jesus. You are spared. Your family is spared. This is the word of God. So you are spared and your family is spared from all the pandemic. You are protected for Covid19 if you believe in the word of God. You can receive for everyone looking I am prophesying in the name of Jesus that there is a wall of fire around you and your family. Hallelujah!

Sister there will be a shift a great shift and the Lord will make you in the right position that you will be stable. I sense now it is moving not stable, but the Lord is making you stable that you will be fixed permanently. You will be fixed permanently that no one can pull you out. This is what so you will be an iron pillar sister I hear the word so in the name of Jesus.

Evangelist the peace of God is in you. Your heart's desires are going to be answered. You are going to reach the destination. And you are going to receive your family I hear the word so.

Welcome to everyone! I am thankful for everyone! So I am going to share a word with you. This is the word Psalm 25 the 14th verse. I have put the caption, the heading as the Secret of the Lord. You know God is speaking to us. God is speaking to us so we can hear the voice of God through the Holy Bible. Through the Holy Bible we can see the voice of God. Sometimes He will speak to us by rhema by a rhema word.

So it maybe beyond our imagination, beyond our thoughts when God speaks, because we have a pattern of what we have read in the bible. So there is everything in the bible so that is the spoken word of God. It is the logos and sometimes God will speak through rhema also through revelation so here the verse is saying the secret of the Lord is with those who fear it and He will show them His covenant. So the secret of the Lord is with those who fear. So there are some things hidden that has not been exposed. It is hidden with the Lord, but it is going to be revealed. Maybe it is already in the bible. Maybe it is already in the verse, but if a person who reads the bible his eyes will go fast, his eyes won't read that, even if he reads, he cannot understand.

So there are many verses in the bible that a person cannot understand. If only Holy Spirit reveals the meaning then only could be understood that is one thing. Also, when you read the book of Deuteronomy Chapter 29 you can see the Book of Deuteronomy God is saying the secret things belongs to God but those who have been revealed are there in the book. So book means

# DAILY PROPHECIES

in the bible so those who have been revealed is there in the bible, but there are many secret things still hidden in the Lord. So maybe the secret things are in the Bible, but when we read we cannot understand. Or we read the bible many times, but sometimes God will make our eyes blind, so that we cannot see that word, or even if we read we cannot understand; because they are secret.

So if you want to know the secret things of the Lord, what He says, what His voice is saying the secret of the Lord is with

those who fear Him. That means He will reveal the secret things to His beloved ones.

When God began to destroy Sodom and Gormorah, He revealed it to Abraham. So He will reveal it to His beloved ones. So if you fear the Lord, fear the Lord means you must give first preference to God. If you give first preference to God that means fearing Him, if you love your family, if you love your ministry, if you love any other things other than God; that means if you are giving second preference only to God it means that you don't fear God. But if you put first preference to God, it means that you fear the Lord. You are a devotee of God. So you are a beloved one of God.

So here this verse is saying, the secret of the Lord is with those who fear Him and He will show them His Covenant. So He will show to those beloved ones that those secrets are revealing His Covenant so there are many covenants in the Bible still hidden, but we cannot understand. But some that go to the bible college they will preach, but they are preaching from somebody has taught them.

So the Bible has to be preached not from a bible college, but by revelation. When the Holy Spirit speaks you know in the Book of John 2:27, it says the anointing that is in us is able to teach us everything.

So when we preach a word it is Holy Spirit who is speaking to us. That is God speaking. God has given the Spirit in us the Spirit will speak. So it is not something that has been studied before. It is coming at the time so this verse is coming at the time I have not prepared any note, but what God is giving at the time I am sharing I am humbling saying.

So this is what is the secret, the Secret of the Lord is with those who fear Him and He will show them His covenant. So there are many secret covenants still with God. When you get that covenant you will get the blessing. More blessing.

So some people say we need a deliverance, we want a breakthrough, but I tell you, you have to know the secret things of the Lord. In the covenant there is breakthrough, in the covenant of God there is deliverance, because God has made a covenant with us that He will bless us in every area. So that is we are blessed in every area not in one area, not only in the financial area, or not only in the ministry, not only in the family, but in every area in equal proportion.

You know the ministry of Jesus was not partially, it was full this ministry was full. His teaching was full. Whatever He did it was full not something in part, but because everything is full. When you read the book of 1st Corinthians 13 you also can see when the fullness will come, the partial will go. What has been partial will move and when the fullness will come. So in the

# DAILY PROPHECIES

covenant there is fullness. So when you fear the Lord, He will reveal many secret things. So this is the word that I am sharing with you.

Sister there is no fear about the things you just believe in the Word of God. And God is going to settle the case.

Sister I see a new star is going to shine in your life. I see a big pillar and above the pillar there's a star. So a new star is going to shine in your life sister. Sister new draft, new check coming, new check and new draft coming.

Sister promotion in your life, family peace. Sister the Lord is going to extend your boundaries.

Sister breakthrough and you will jump the wall, I hear the word so.

Sister the gift is for you and not for others. The gift of that is the promise that God has given you is only for you not for others so you should not be afraid. No one will take, no one will pluck the flower from your garden sister.

Brother the doors are opening. So be with the Lord and you will see greater things in the name of Jesus.

Sister the life is going to be blessed. You are going to see the children I hear the word.

Brother breakthrough, financial breakthrough God is going to extend your boundaries.

Sister promotion and breakthrough family peace I hear in the name of Jesus.

Sister new signature you are going to sign new documents,

Brother the Lord is giving you a new car, if you believe, the Lord is giving you a new car, financial breakthrough.

Sister there is enough provision in the house itself. Everything will come into your house You should not go after the things. They will come into your hands I see like that in the name of Jesus.

So breakthrough is to everyone here.

Sister the power of God will I come upon you and you are going to see an explosion in your life in the name of Jesus.

So I am thankful to everyone! If anyone is saying that I have not received any word this is the word that the Lord will show the covenant to those who fear Him. The covenant the secret covenant so if you have you know an ATM card to take the money out or a debit card for the transaction or the credit card, you know the credit card, debit card like that, but there is also a password. That is secret. If you do not know the secret, if you do not know the password. You will have the credit card with you, you will have the debit card with you, but you cannot use it. It is like this.

You will have the bible. You read the bible, if you want deliverance, you should know the secret covenant of God. You should know the secret things hidden behind every verse. It is not from we cannot get that from a bible college. We cannot get that from anybody's teaching. You have to find yourself. You

# DAILY PROPHECIES

have to find means the Holy Spirit has to be revealed to you not another person. So the prophets can guide you, but the deliverance you have to get from yourself for your deliverance. You know God Himself spoke through Moses that I will give you the land the promised land, but these promises did not come into everyone's life, because they could not understand the covenant of God. That is why they were fallen on the way they were the earth swallowed them, the fire consumed them, because they could not understand the secret behind

the word. But you know that God told Abraham, Abraham you come out. So without seeing anything, without seeing anything with his external eyes He left everything, because He realized this the covenant so it is the Covenant of God. The Covenant of God is hidden.

So this is the prophetic word. So maybe you have read the bible 15 times, but there are many secrets things that we have to know. God does not reveal everything to everyone. So little by little when we become more close to God. He will reveal little by little, because He is God. So He is the creator so no one is having full knowledge only God. So even what Jesus said about the second coming, Jesus said, only Father knows. So some people will force when will we get when we will get the prophecy also. In the prophetic when we prophesy, some people ask when will it be given so what Jesus said, he is saying, Jesus saying He doesn't know when He is coming again. So it is with the Father. So there are many secret things still in the Father's hand. So He is going to reveal it to those who are close to Him. Those who fear Him. So if you want a complete deliverance you should know the secret of the verse. There is a word for every deliverance there is a verse, but you know that secret of that deliverance. That's what Paul said a secret that has been hidden was revealed to him. That is Christ is in you. Christ is in us. So it was hidden from the old testament saints. That is what Paul is saying and I am going to reveal a secret that has been proven to me that Christ is in us. So it was hidden in the olden times. So likewise, fresh secrets will come, fresh secrets, new secrets will come. So when you know then when you get the secrets you will fly like eagles. You will become top, you will become number one. So it is Holy Spirit who has to give you the secrets.

So this is the prophetic word and I am thankful to everyone all brothers and sisters.

Every day the Lord is going to speak into your lives. The Lord is going to settle your cases.

So sometimes the network will be broken, but don't be upset because everything is in God's control. God is controlling everything so if you don't get a word prophetic word completely, because of the breaking network don't be upset, because when you are having patience God will speak more.

So today everyone is going to have a breakthrough. So fear the Lord. Become a close disciple. And a close friend of Jesus. And He will reveal many secret things.

So I am happy to see everyone of you here. So God is going to bless you in the name of Jesus.

So God bless everyone. So may you have a breakthrough I will be praying for you in Jesus name. Amen.

To be continued...

# DAILY PROPHECIES

## DAY 94

**IMITATE ME JUST AS I ALSO IMITATE CHRIST.**

**1 CORINTHIANS 11:1**

Praise the Lord!

God bless everyone so I am thankful to all brothers and sisters here those who are reading. Welcome to Daily Prophecies! So God is going to speak into your life. I have a word to share with you that is from the Book of first Corinthians Chapter 11 the 1st verse, here the words Paul is saying, imitate me

as I imitate Christ. So Paul is not saying imitate Christ, but he is saying imitate me as I imitate Christ.

So welcome everyone welcome everyone! I am thankful to all brothers and sisters and I am thankful to God also and God is going to bless everyone.

Sister the infection healed. The chest infection healed. And new doors are opening up for you.

Apostle financial breakthrough is coming to you. And healing power God is giving you healing power.

Sister sudden improvement in your life I see there will be a sudden improvement in your life. God is going to give an improvement in your life.

Sister don't ask anything to anybody else. You just move forward and God will honour you this is what I hear in the name of Jesus.

Sister continue doing what you are doing the Lord is saying so do not be upset says the Lord.

Brother the blood relations will come and help you I see like that. And what you have been having since your birth is going to be healed in the name of Jesus.

Pastor so the new land is coming and new income so there will be finance coming into the account I see like that.

Pastor so you should not be afraid. You go straight and there will be the lift coming I see God is going to lift you and God is going to honour you.

Sister the mercy of the Lord is upon you maybe your children are not in terms with each other, but you should not be upset in the name of Jesus.

I am thankful to everyone in the name of Jesus. So sometimes the net is broken sometimes it is like this maybe it is the time here, my time is 11:45pm, most of the people are using the net that's why. So God has a plan so you should not be upset. God will speak in the name of Jesus. So God is going to bless everyone.

Sister I see the Lord is going to honour you. And children coming to Christ. They are coming to Christ they are going to get baptised. I see, I hear the word so.

Sister new document is going to be signed. And God has heard your prayer and God is going to give you improvement in your life.

Brother blood relations coming to help you and I see you are going to purchase the land. The money is coming to buy the land I hear the word so in the name of Jesus. Hallelujah!

# DAILY PROPHECIES

Pastor the peace is in you and new things are going to be settled in the name of Jesus.

So welcome everyone I have a word to share with you that is from the Book of First Corinthians Chapter 11 verse 1. It is saying, Hallelujah, imitate me just as I also imitate Christ. So if you want to say like that you should imitate Christ and Christ should be revealed in you. Then you can say imitate me as I imitate Christ then you don't have any personality. Your personality is the personality of Jesus. So what you are speaking that will

be Jesus speaking. What you are thinking that will be Jesus thinking.

So if you want to say like Paul imitate me, so he is saying he is not saying imitate Christ let everyone imitate Christ he's not saying, but he is saying imitate me as I imitate Christ. So if you are a pastor you have to say imitate me as I imitate Christ. If you are a minister of God you must say imitate me as I imitate Christ.

Sister promotion to your life and financial breakthrough is coming.

Sister sudden improvement I see the enemy is silent, but you will win the battle I hear the word you will, you will win the battle sister. And the car is coming in your name. You are going to get a car I see like that.

Sister the way maybe strange but in the end it will be peace and no one will question you, because you have the authority this is what I hear in the name of Jesus.

So I am sharing with you from 1 Corinthians 11:1, so if you want to say like imitate me as I imitate Christ, you have to say like Job. You know Job he made a covenant with God that he won't look at a girl. He won't look at a virgin. He made a covenant with his eyes.

Likewise if you want to say, imitate me as I imitate Christ you have to make a covenant with God that your eyes are to see visions, your eyes are to see visions, and not to see the things that God doesn't like. You have to make a covenant with God. And also your ears are to hear the audible voice of God. And not to hear anything that God doesn't like. And your mouth is to prophesy. Your mouth is to speak revelation. Your mouth is to release the fire. So you have to make a covenant with God. So God will use your eyes only for seeing visions, only for hearing audible voice of God and also for doing a powerful ministry. Prophesying like that so you have to make a covenant with God. If you make a covenant with God and every time when you wake up in the morning you have to remind your covenant. I will look only in the things that God likes I don't hear anything that God doesn't like. I don't speak anything that God doesn't like. And you have to make a covenant with God and your body. That my body has been sold to Jesus. So I have no authority over my body, my body is not under the control of Jesus. So when you make a covenant like Job he made a covenant with God that he will never look his eyes will never look at a virgin. So when he was in the trouble he was saying surely God will deliver me, because he has not sinned.

So today this is the word that I am telling to everyone. That you have to say imitate me just as I also imitate Christ. This is the prophetic word.

Sister you are protected from the thieves. I sense the place where you are staying there are

# DAILY PROPHECIES

thieves. The Lord will protect your belongings from the thieves. This is what I hear now. In the name of Jesus.

Sister new job you are going to get, new job you are going to get. And anointing is going to increase.

Pastor next level I hear the word next level of anointing is going to be released.

Sister there is a wall of fire sister so you are protected the enemy cannot come near you.

Apostle I see the cap on your head. God is going to honour you in the nations I see the nations are going to come to know about you Apostle.

Sister you will go to the registration office and sign the document I see like that.

Pastor the vehicle is changing, new vehicle is coming to you.

Brother the church is coming to you and agreeing with you.

Brother God is going to extend your boundaries so you should not be upset. In the name of Jesus.

Sister there is enough storage God is going to fill you with more power and more revelation. There is enough storage I see, I hear like this in the name of Jesus .

So everyone welcome I am thankful to everyone that you have come here again. I am thankful and humbled for your patience hallelujah!

Sister many things are irritating you that is with your children regarding your children that is making you tense the Lord is telling that your children are safe. God has taken care of your children. So you should not be worried in the name of Jesus. Financial breakthrough in the name of Jesus.

Sister you have to walk according to the direction of the Holy Spirit and the government will sanction you sister I hear the word so.

So I am thankful to everyone here. So you must say this if anyone is saying that I have not received any word, You practice like this from today's onwards you practice like this that make a covenant with God that your eyes are to see vision and your ears are to hear the audible voice and your mouth is to prophesy. So your mouth won't tell lies. Your eyes won't see anything that God doesn't like. Your ears won't hear anything that God doesn't like. And make a covenant with God and your body that your body will be pure. So God is giving you more revelations. The power of God is coming upon you.

So do not be upset says the Lord. You are going to get the finance from the people that you don't even know. So God is going to do greater things in your life. And the properties are coming and new direction going and you are going to open the office. So healing power released upon everyone. And there is a wall of fire around everyone in the name of Jesus.

So may God bless everyone. I am thankful to everyone in the name of Jesus. Amen.

I am praying for you may God bless everyone. In Jesus name amen.

# DAILY PROPHECIES

checking Hallelujah! In the name of Jesus. Everyone here. And again I am looking and saying that everyone of you are going to be delivered in the name of Jesus.

Sister be courageous and there will be another way to go so you choose the best way and there will be means of transportation also. And money is also coming so you should not be upset says the Lord. In the name of Jesus.

So welcome and I am thankful to everyone. So I have a word to share with you. If you say Amen to that word, that

word is going to come to pass in your life in the name of Jesus. Hallelujah! That is from the book of Psalm 1 the 3rd verse, he shall be like a tree planted by the rivers of water that brings forth its fruit. So some people read the bible like reading fiction books like that but nothing will happen in their lives. But when you hear this word that I am reading, he shall be like a tree planted by the rivers of water that brings forth his fruit in his season who leaf shall not wither. That is very important. The leaf shall not wither that means you air won't become old. Your skin won't become old this is what I sense. Your skin you know your face with shine. This is what it is saying he shall be like a tree, you are like that whose leaf also shall not wither. That means every part of your body shall not wither. It is what I sense from this verse and whatsoever he does shall prosper. So some people call me whether I have to do that thing, some people will call, but here that verse is saying, whatever he does shall prosper. This is a very powerful word. Whatever you do when you go and buy a land that land will be fertile. When you go and construct a house that house will be blessed. When you go and marry a girl or a boy your family life will be blessed. There is no question to ask whether it will be a blessing. Because here this verse is saying whatsoever he does shall prosper. So if a person goes deep into this verse whatever he does that is a blessing there is no doubt. That is what this verse is saying and his leaves shall not wither that means every part of your body will be healthy. Every internal and external part of your body will be strong. You know Abraham was an old man, but God gave him everything strong in his body as to give birth to a child.

Likewise this verse when you believe every part of your body is going to become strong. Also your leaves shall not wither and bring forth its fruit in its season. So every time you will be bearing fruit when you minister people will be blessed. When you write a book those who read will be blessed. When you minister in the television the viewers will be blessed, because it is not anything that you have done, but it is the grace of God. That is what this verse is saying, blessed is the man who does not walk in the counsel of the ungodly, but who walks in the direction according to God.

So this is the prophetic word that when you meditate that word then your body will be strong. And no more you know skin problems, your face will shine, your will shine. And financial breakthrough coming to you.

financial breakthrough is also there.

Apostle you will have the church authority and it is time for God to honour you. Do not look back go forward. And every point there will be a new opening. And the power of God is going to come upon you I hear the word so.

Sister so everything that is wrapped and covered is going to be opened. And nothing is hidden. And memories are going to come back and God is going to bless you. So you will have the child this is what I hear. You are coming out of the cage I hear the word so.

So you will be safe from such kind of people you will have a safe stay in the place and God is protecting you. Your family is also blessed I hear the word so. And God is going to extend your boundaries.

Sister be courageous sister the children are going to come to know Jesus. And I see new doors are opening. God is giving you a new car I hear the word so God is giving you a new car in the name of Jesus Hallelujah!

So I am thankful to all brothers and sisters those who are here in the name of Jesus.

Sister supernatural miracle I hear the word supernatural miracle is going to come into your life supernatural miracle. And you will set aside everything that is against you this is what I hear.

Sister there is a I hear it is fixed I hear the word. I see a stool that means you will have time to sit and the breakthrough is coming I see like that so pray to God and your children also blessed I hear the word.

Sister God is going to bless your boundaries and be courageous because sometimes there will be a separation but it is for of goodness. And God is going to altar everything that means you are going to be blessed by God and people are going to come to know you are blessed by God this is what I hear in the name of Jesus. Hallelujah!

So welcome everyone to Daily Prophecies! Hallelujah! In the name of Jesus. I am thankful to

# DAILY PROPHECIES

everyone. Hallelujah!

So God is going to give a breakthrough to everyone. In the name of Jesus. Hallelujah! I also thank God for bringing everyone here and the network also strong today Hallelujah! I am thankful to God. So may God guide everything in every area in the name of Jesus.

I have a word to share with you.

Brother the church building. I hear the word church building brother and foreign trips are coming to you and the power of God is coming upon you. So you will have the authority to break the curses I hear the word so in the name of Jesus.

So welcome everyone! So even if you are getting one word. That one word can change your life. So you may be thinking you are reading this, but and I am only getting one word. But one word is enough to change your life! God told Abraham, "Abraham Come!" That was the word spoken to Abraham. And that one word blessed him. Changed his life you know so one word is enough in the name of Jesus. Hallelujah!

Sister be courageous! There will be quarrels in the family it is only just for the time and God is going to bless you and a new person also coming to the family. And God is going to extend your boundaries. Search the land I hear the word search the land and you will get. So I have given the word so far. So I am thankful to everyone.

So what I was saying even one word can change your life if you receive it.

God told Abraham, Abraham come out from your place He told only that leave everything. He told him only that and later then on the way God began to speak more God began to tell him he will become the father of the nations you will have many children, but first; first he told Abraham only come out. So what I am saying is one word is enough for a breakthrough. And to change your life change your address. Welcome everyone! Yes Hallelujah in the name of Jesus

So I have the word the Book of Isaiah 43 Hallelujah the 19th verse, Behold I will do a new thing! This is the word to everyone that are reading here God is going to a new thing in your life. It will be a powerful thing that God is going to do in your life; that your village can not hold it because it is the Almighty God. So you know your town can not hold it the power of God. The country can not hold you back! Because it is a new thing! So it will move to the nations!

How many of you say Amen?

So it is God who does a new thing, it is not just a rubber, or a pencil or a notebook. It is a thing that God looked into the emptiness and said, "Let there be earth, sun and everything." And everything was created likewise God is saying, I will read this "Behold, I will do a new thing!" Hallelujah! "Shall you not know it! Now it shall springs forth! I will even make streams in the wilderness and rivers in the desert."

# DAILY PROPHECIES

So this is the word that the Lord has given to share with you. And new thing is going to come in your life. A new thing means nobody can hold it; because it is given by God. If it is given by a man or somebody else, or by your father or your mother I can not guarantee that it will last long or it will be remaining, but if God gives anything that will be permanent. If God opens a way that will be permanent God will open the way and the road will be wide. Even if it seems it is narrow it is wide. Because not only are you entering it, but you and

your family are entering it also. Because of you your family is

also blessed. The door is open for you and your family. And no one can enter into that way that is what the Egyptians tried to follow, but they were drowned. So the way that is opening for you is only for you and your family. Only for you and your wife, and children, for your husband and children. So that you have to keep in your mind it is only wide to carry your family. And no other person can enter that way.

So here God is telling a new way is opening. And it can't be held in one nation, because it is God who opens. It is God who spreads. It will spread throughout the world. So to everyone this is the prophetic word. I hear the word from God that God is going to open a new way. Maybe it is pandemic everywhere. In my country also, it is pandemic and most of the people are suffering. But the children of God are safe. So the children of God have a call upon them that is the guarantee.

So we should not be afraid of anything, because we have a call. And today that call is a new way. This is the prophetic word today, because the Lord is confirming you by this word that a new way is there before you. So in the coming days it will be revealed.

Sister I see the new way and promotion in your life. Peace in you I see honour coming in your life. I hear the word chest infection healed sister.

Promotion in your life Pastor.

God is going to extend your boundaries sister.

Pastor I see the key of the door the key given to you in the name of Jesus. Hallelujah!

Sister Hallelujah! I see the word healing. A long journey is there before you so you will have to travel long distances I hear. And breakthrough is coming. You will travel by government

# DAILY PROPHECIES

expense. If you believe you will travel by government expense. And promotion to you and you are going to have more insight. Healing power this is the word for you Hallelujah!

Sister you are healed.

New way brother the peace in you.

Sister happy news you are going to hear.

Sister everything is settled I hear the word in the name

of Jesus.

Sister today you will see a miracle in the name of Jesus.

So welcome Apostle, I see the new crown on your head. I see Africa there is a ministry in Africa Apostle. And God is going to honour you.

Sister the new doors are opening in the name of Jesus.

Brother promotion and allergies healed in the name of Jesus.

So I am thankful to all brothers and sisters here. I have given the word. I think I have given the word to everyone. If anyone is saying I have not received a word, this is the word, Isaiah 43:19, that today the Lord is telling to everyone that I am going to do a New thing. That is what I read that, Isaiah 43:19, Behold, I am going to do a new thing. So a new thing! God is saying new thing! In the name of Jesus that means I can make a road even in the wilderness. Or in the sea. God is saying a new thing! A new thing means the anointing is going to increase. Everyone is going to have an increase in anointing. So when you open your mouth the fire will be released and people will be healed, people will be delivered, the demons will flee, and you will see visions clearly with more grace. And the money will come through ravens. And fire of God will be released. This is the new things that God is going to give. He is not going to give you a rented house you must understand. He is not going to give you what the gentiles are asking. So He is going to going to because you are His beloved children when the anointing comes there is provision. So you need not to ask for money, you need not to ask for health. You know the anointing is upon you that will renew you organs. You will be renewed. Your internal organs will be renews you can run more speedily than the four hours with Elisha ran before the horses. He ran very fast before the four horses, the chariot there was having four horses. So when the anointing comes, what you are called for and what is the purpose you will be like an even like the young people who are 20 years old, you will be healthier than them.

So when at this time, maybe you feel sleepy, you are tired for to do something, but when the time comes the anointing will create power in you. And you will be able to run. You will be able to fly. So this is what God is going to do a new thing. So do not pray for what you need, because the anointing is enough when you have anointing everything will come the ravens will come at the right time. Money will come by multiplication and everything will be miracles. The

# DAILY PROPHECIES

angels will come with the provision. That is the new thing that God is going to do if you believe. So not ordinary things so somebody is having a pray request I am just saying somebody's prayer request is for a house, for a car, a marriage, it is all good and we all need this, but I tell you today God is going to do a new thing it is not known, it is something new only for you. This is only for you, because you waited for the Lord. You waited for the Lord with much patience. So it is not like all others get.

Others get all these things and pray for all these things, but others are not asking for anointing. If we are praying for anointing all the people in the world are praying for marriage, they are praying for a car, they are praying for finance they are praying for many, many blessings. All the people are praying only we are praying for anointing. We know the power of anointing. That is why God is telling I am going to do a new thing.

A new thing that means it is going to open the road in the sea, in the rivers in the wilderness that is a miracle. So you must believe it is a miracle. God is saying, I am going to do a new thing!" And God is saying, "It has started! You have never known it, it has started, it has sprunged forth! And what is that new thing, it is the road in the sea; it is a river in the wilderness that these others can not do. The Egyptians made a snake, but it was swallowed by the snake that was created by God. So they were trying to do and they tried to enter but they were drowned. So this is the new thing that God is going to do for you. So expect a miracle. So when you realize the depth of that word. It is rivers in the desert that no one can do only by anointing it will be rivers in the deserts and roads in the sea it is going to happen. I am thankful to everyone!

Sister Mercy, promotion, and breakthrough I hear the word in the name of Jesus.

So welcome to everyone. I am thankful to all brothers and sisters.

Sister the dispute regarding the property is going to case, I hear the word, the dispute regarding the property is going to case and financial breakthrough is coming to you.

So God bless everyone. So I am thankful to all brothers and sisters.

Maybe some of you have not received any word today in this message when many come I see only what I see and I am thankful to everyone! So God is going to do a new thing and a new anointing has now come. Receive the anointing in the name of Jesus. That anointing it is to make the road into the sea, it is to make the rivers in the wilderness so it has come. So the breakthrough is coming so God bless everyone. I'll be praying for you In the name of Jesus. Amen.

So every June I wait that from this June I will go, but God has a time. So that is why I am sharing with you. So I hear the word July. God is not telling the year. God is going to extend your boundaries and everyone's anointing is going to increase. And everyone's life is going to change in the name of Jesus. Those peoples whose families are away are coming back, I see restoration in family. Sister so a long journey God has told you many times to go, but you have not done it. So today the Lord is saying you have to go. If you want to see the next level of your life that means the blessing you have to go says the Lord.

Sister I see the purse. Financial breakthrough, the purse the money. Financial breakthrough is coming. I am thankful to all brothers and sister who are here. Also, I am thankful to God for the network not being broken. So I am thankful to God also. Welcome everyone!

So I have a word, you know why people are not having deliverance, because there may be a curse in the family or there may be a sin that has not been forgiven. That is the main reason. If you insult a person that is a sin. And if that sin is still there you won't get that deliverance. That is the law of God. So when God forgives that sin you will be healed and you will be delivered. So I have a word it is a powerful word. So when you understand the meaning of this word you will get a deliverance this is Isaiah 43:25 says, I am even I am He who blots out your transgressions for my own sake. For my own sake and I will not remember your sins. This is some people won't get deliverance because their sins are there still there. So the deliverance is delayed, blessing are delayed, if they do something it won't be a blessing because there is a curse. If you read

# DAILY PROPHECIES

the old testament you can understand that so this verse is saying the Lord is telling Isaiah 43:25 I even I am He who blots out your transgressions for my sake and I will not remember your sins.

So this is the word God is not remembering your sins. Maybe you have sinned in your past. Maybe you have sinned this morning. Maybe you have sinned while you are watching the video. But He is not remembering that He is blotting out your transgressions. That means you

are free. Free from sin, free from bondage. So He has released you. So you know when the prisoner is there in the jail in the prison there will be many accusations against that prisoner. So the court will sentence him for many years for reimbursement and they will make a charge sheet they will decree that this person has did many wrongs. He has done many wrongs and he has committed many break of law. So they will sentence him to court. But you know if any lawyer comes and pleads for him, before the superior courts before the supreme courts. Maybe in that appeal in that appeal he will be forgiven and he will be released from the jail. The same is that maybe the deliverance is not coming because of some transgression, because of some unbelief in the word of God. Because you did not believe the word of God that is a sin. Because you did not give Glory to God that is a sin.

So sins are many kinds, many types, so that is a transgression that is a sin that is making delay for the blessing. So today the Lord is saying by this word if you know the depth that He is not remembering your sins from your childhood till this time.

From your childhood till this time till this time at this moment, maybe when you think you are better than another person that is a sin. When you consider another person lesser than you that is a sin. That is what I am saying, while you are listening to this video if any thought comes into your mind that is against God that is a sin. So here God is saying, I am not remembering your sins. That means you are entitled for deliverance. You are entitled for a breakthrough. So this is the prophetic word for everyone. So you are entitled for a breakthrough. So today everything is going to have a speed up. Before there was somebody praying against you. There was some witchcraft against you, but today nothing is going to happen.

Sister I see the devil has put a delay in your life. I see you and your family means your fathers and mothers families, everyone the joint family are in bondage. It is some kind of the devil's working that's what I sense so today you are going to have a breakthrough.

So if you have come late here, Isaiah 43:25, you have to meditate so things are going to speed up. Sister things are going to speed up. There will be a speed up in your life you will see a breakthrough. So I am thankful to everyone.

Apostle promotion in your life.

Brother I hear the Lord is giving you peace, financial breakthrough and the doors are opening. People coming back into your life I hear the word by God's grace in the name of Jesus.

So welcome everyone! Everyone is receiving the healing I see like that. I have a word to share with you that is from the Book of Mark Hallelujah! Mark 1:15, you know Jesus was doing the ministry so I am reading this Mark 1:15, The time is fulfilled and Jesus is saying, The time is

# DAILY PROPHECIES

fulfilled, and the Kingdom of God is at hand, repent and believe in the Gospel.

Now I will read Mark 1:14-15, this is for those who are doing the ministry, this word is for those who are doing the Lord's work. Now after John was put into prison, Jesus came to Galilee preaching the Gospel of the Kingdom of God and saying, the time is fulfilled, and the Kingdom of God is at hand, repent and believe the Gospel. Amen.

So those who are ministering the word of God, those who are praying for others, those who are doing the work of the Lord and every person is called to do the Lord's work so you must know that. Maybe you are a doctor, an engineer or a lawyer or you are working in the health field, but you are called to work for the Lord. So this verse is saying, Jesus began His ministry after when John was put in the prison. So He began to do His ministry so He started by telling the Kingdom of God is at hand, repent. So you know now it is pandemic everywhere it is the Covid spread everywhere in my country also people are suffering from Covid, but God has protected His children so I tell you this is the time for you when you minister when you preach you must tell everyone Repent! Because the Kingdom of God is at hand.

So when the Kingdom of God is near us we have to repent! And to those we minister they should also repent and then only will miracles happen. So why repentance is needed when the Kingdom of God is at hand, because without holiness you cannot see God. When the Kingdom of God is near you, you must realize the God has come near you. God is at you.

Yesterday I ministered here on Youtube and Facebook I remember, Jesus is knocking at the door. Whoever opens the door I will dine with him and he will dine with me. So likewise, when the Kingdom of God is at you near you, it means that God is near you. Hebrews 12:14 says, without holiness you cannot see God. So it is important if you want the blessing of the Kingdom of God you should have a repented heart. Also to everyone you have to preach like this, Jesus preached like this, He started His ministry with preaching the Kingdom of God is near so repent.

So I tell everyone, this is the time that the pandemic is spreading everywhere and God is going to use His faithful servants. Those who are faithful to the Lord. God is selecting such people and God is going to use everyone for a great revival. So you must repent and also when you preach you must say the Kingdom of God is at hand, and so repent.

So this is the prophetic word, the Kingdom of God is in you, the Kingdom of God is in everyone so you are going to see the breakthrough.

Sister the sinusitis healed. And financial breakthrough coming to you in the name of Jesus.

So welcome everyone to these Daily Prophecies. I am thankful to everyone who are here sparing your valuable time reading. But one thing I've got to share with you that God is going to give you more wisdom to do the things that in which you cannot do. This is what the Lord is telling me right now. I have a word to share with you and I'll read that verse, but now the Holy Spirit is

telling me to share with you everyone; if anyone is saying that you have not received any prophetic word this is the word, that God is giving you more knowledge and wisdom. And you will be able to operate the things you have not studied. This is what God is going to do in your life. For example if you play keyboard, if you have not studied it, the Lord will give you wisdom to play it. Or a guitar, the Lord will give you wisdom to play it. Likewise if you buy anything new, any electronic item, you don't know how to open it, how to function it, but when you

read the catalogue also you cannot understand. If it is new you cannot understand the new one how to use it. At that time God will give you the wisdom and God will speak into your mind and you will open it and you will do. So when you experience that you must remember what I am saying. So that is a Heavenly wisdom and a Heavenly knowledge to do the things that we have never done or never studied. So that is the wisdom so the Israelites when they were building the Jerusalem church God gave them wisdom to build it. So likewise, today now Holy Spirit is saying, if any items, or electronic items, or maybe a laptop or in your mobile there are many functions that you still do not know of and in my mobile also I don't know many of the functions and I didn't open that likewise what I am saying what you need that is what I am saying at moment God will give. God will give you the wisdom that is the prophetic rhema.

So I am going to read a verse that God has given me to share with you it is from the Book of Isaiah 32:3, in the name of Jesus, this is the word that God gave me, I will read it, it is very powerful word, The eyes of those who see will not dim. The ears of those who hear will listen. This is a powerful word.

The verse is saying, this is a prophetic word to everyone. So the eyes of those who sees, that means if you are seeing, that means it will not be dim. It will not become dim, it will become brighter. That is if you can see not through your external eyes, I am speaking about the internal eyes, the inner eyes, but at the same time it will have the power the word has power and at the same time you external eyes will have more power. You can read the small letters. You can look at and see fully everything. Even if there is a light glare there you can see it very clearly. Even with a dim light so that is what I am saying. It is because it is God YHVH saying, the eyes of those who see will not be dim. That is the promise of God the Book of Isaiah 32:3, the eyes of those who see will not be dim. And the ears of them who hear will listen.

So open your ears, open your eyes, you have to. If anyone is saying I am not seeing any vision when you are praying for somebody else. Many people tell me or ask me that we are seeing any visions. So it is like your desire, it is a gift of God, but you should, that's what Paul is saying earnestly desire for the gifts. In the 1 Corinthians 14, when you read, Paul is saying, earnestly desire for the gifts. So you should have a desire. So in practical life, when you see a thing, for example when you see a book. You see that book through your inner eyes, you are seeing a book

through your external eyes. For example you are seeing bible, so a traditional Christian will read the bible through the external eyes. A believer will read the bible through their inner eyes this is what I am saying. The traditional Christian will hear, but he goes to church he will attend the worship, he will sing the song, he will praise God, but he cannot see anything of what is happening.

I have a testimony that I have come from a traditional church. So my parents were traditional Christians so until that I got baptised and received the Holy Spirit after a long time I had to attend my traditional church for a marriage. One of my relatives married, so when I entered that traditional church I felt the presence of God, but when I was not a believer I was just like all the traditional believers in that church I didn't receive any presence, but when I entered that church I felt the presence of God. So even this is when God is present everywhere, but we have to see, see through our eyes, hear through our ears. That is what the verse is saying, those who see their eyes will not be dim. And those who hear they will listen.

So this is the prophetic word to everyone, that you have to earnest desire to see visions and when you pray you expect that you will see a vision. Sometimes God won't show you a vision, but after many days after many days trying you will see a vision. In grains, not clear, but when you try again and again it will come when that desire and that practice. That is what we are doing in the prophetic threads in face book. In the prophetic threads we are practicing. So when you see a person see that person through your inner eyes that will give you more revelation. It is like training, it is like practicing. This is the prophetic word that the eyes those who see will not be dim. That means it is going to increase. You're going to have increase in vision. And also don't listen to the external ears, but hear through your inner ears. And you can see God speaking, God spoke to Samuel when he was a little boy, he called many times, but he did not recognize then Eli the priest told him that it was God who was calling. So when he came to know it was God calling he began to listen.

Likewise, today this is the prophetic word that your eyes won't be dim. How many of you say Amen? Your eyes won't be dim and your ears will listen. You will listen to the audible voice of God. God is going to speak into your lives.

Sister God is speaking into your ears. He is going to speak into your ears.

The eyes of those who see, the eyes that means you should have a desire and you should practice that is what the verse is saying, those who have eyes will not be dim and it will grow the visions will be more and more clear.
