Sister promotion in your life and leg pain is healed and I see there are also long journeys ahead of you in the name of Jesus.

Sister financial breakthrough and life is going to change you are in a junction I see so. Hallelujah! In the name of Jesus Hallelujah!

God bless everyone I think I have given the word to everyone here so God bless everyone.

So God has a plan in your life. So I have a word to share with you and if God speaks also personally to you I will give the word. Maybe one or two words, but that will bless you. Hallelujah!

Sister new friend coming to your life and that will be a blessing to your ministry. Sister promotion and breakthrough in financial area and you will have good food I hear good food tasty.

Brother financial breakthrough and God is going to settle you in your mother's place I hear the word so.

So welcome everyone so I have a word.

Brother Hallelujah the battle is going on, but you will win the battle because God is with you. Don't look back move forward promotion is with you and you will win the battle this is what I hear.

Sister the Lord is going to bless your family. The Lord is going to bless your children. And God is going to give language to your mouth. Open your mouth wide and speak the Lord's language, prophesy! In the name of Jesus Hallelujah!

So welcome everybody. So I have a word to share that is 1 Thessalonians 5:16 it says, Rejoice Always That is all.

Rejoice always and pray without ceasing the 17th verse. In everything give thanks for this is the will of God in Christ Jesus for you.

So 1st Thessalonians 5:16 is saying, rejoice always so you might be thinking if you are happy if we hear good news then we can rejoice. But when we are tensed when we see something that

# DAILY PROPHECIES

is not good for us, how can we rejoice for us. When we come to know that the enemy has come in our property how can we rejoice? So when the doctors says you have a pain and there is no medicine and how will you rejoice?

But the bible is saying here Paul is saying Rejoice always! So in the negative situations it is very hard; it is very difficult to rejoice, but Paul is saying Rejoice Always; because he is saying, he's saying from his experience, when he was passing through the trial he was rejoicing.

When he was put in the prison, think about any other minister now. Now in the present day, when they are put in prison can they sing songs and praise God? But Paul was praising God in the prison. He was rejoicing! And he was not sure unless he had any revelation. He was not sure that he will come out at any time, but he was rejoicing, because he had deep revelation about God. That God was doing the work of God so it is the duty of God to deliver him. Likewise Paul here is saying, give thanks in everything.

So if your property is having some problem, if your car is having some problem, if your house is having some problem, your family is needing some deliverance. When your health is having some problems. When your equipment that means the system that you are using for the ministry is having problem. Even the believers they are not stable, they are coming one day, but the other day they are not coming and when you pray miracles are not happening.

So many problems are in every person life, financial problem like that. But rejoice always that is what maybe you are passing through the negative situation. Rejoice! So, because how can you rejoice, because you are living for God. You are living for God, if you are living for yourself you cannot rejoice. If you are living for God, your life is completely given to God. If there is a negative things in your life, it is God's duty to look after you. When Agabus the prophet came to Paul, Agabus the prophet came to Paul and said you are going to be bound by the enemies. And everyone those that was there told Paul not to go, but he said, I am not bothered because I am ready to die for Jesus. So I tell you, let everyone be ready to die for Jesus. Be ready to die for Jesus the next moment. So then we can rejoice that's what Paul is telling, for to me to live is Christ and to die is gain.

So if he is living he is living for Christ and if he is going to die he can join with Christ. That was Paul's attitude. That is why he's rejoicing always, he is why he is saying rejoicing always. So maybe you need many things in this world and things are not coming according to your plan, but I tell you if you live for Christ. If you are living for God when you realize that you are created for God and you are made in His face. You are made in His character when you realize that you will be happy. Whatever is things negative coming in your life you are rejoicing because you are made for Christ; there are trees, there are buildings there they cannot walk, they cannot be feel, they cannot be happy, they cannot be sad; because they have no life. So I am saying that we should be like as if we are dead in Christ. So when we are dead in Christ, our feelings are dead in Christ and what you are now feeling is the feeling of God. So when that is the way to rejoice.

So maybe some of your machines are not working well and tomorrow you have to use that machine rejoice! Everything give to God. Maybe there is no water, maybe the hurricane is

# DAILY PROPHECIES

coming. Maybe the storm and tempest is coming. Sleep like Jesus. Sleep like Jesus, because the heavy tempest is coming He is not bothering. Sleep like Jesus and also, be like Daniel when he was and the order came to Daniel. He was not bothered, he prayed as usual. So let your attitude be like how Moses walked through the Red Sea. All the Israelites and Moses, I am saying Moses, I do not know the situation of the Israelites, but Jesus walked, the bible says that Moses walked through the Red Sea as if dry land. So maybe you are having

financial problem, but at this present time be like a rich man. Maybe you are having a pain or disease in your body, but be like a healthy man without any pain and rejoice! For you are created for God.

So this is the word that I got of how Paul can say Rejoice! So Rejoice this pandemic is spreading everywhere, you may have heard about it in the news. In India, it is spreading, but rejoice, for we are created for God. Unless God gives us anything we won't have it. If God gives anything that is from God.

So God bless everyone.

Financial breakthrough for you Apostle and you are protected from the enemies.

Sister marriage coming.

What has not been used in your house is going to work and God is going to give a breakthrough. Sister be courageous! Knowledge in English I hear and knowledge in language I hear and foreign trips.

Sister garland, honour, you will stay near the harbour, at the harbour you will stay this is what I hear.

So everyone here welcome! Welcome everyone! So when I started sharing it was a mistake from my part so it is ok so we are thankful to God for the network to be good and working. And also, I am thankful to all brothers and sisters those who are watching here.

So I am getting the testimonies through messenger and whatsapp that God is speaking into your lives. So I am also happy Hallelujah!

So financial breakthrough is coming to everyone in the name of Jesus. And doors are opening for everyone and everyone's boundaries are going to be extended. The peace of the Lord is upon you. I sense the fire of the Lord over this daily prophecies and it is coming into your place the fire is coming to your place so the healing will be coming.

Sister the healing power is coming upon you and you are healed in the name of Jesus. Lung infection healed in the name of Jesus. Lung infection the disease healed in the name of Jesus.

So I have a word to share with you that is from the book of Colossians 3:17 And whatever you do in word or deed, do all in the name of the Lord Jesus giving thanks to God the Father through Jesus. This is what this verse is saying, this is the word this is the prophetic word to everyone. It says, And whatever you do in word or deed, do all in the name of the Lord Jesus giving thanks to God the Father through Him.

So if you do everything in the name of Jesus you won't feel sorry because you are not doing it of your own name. You are doing everything for Jesus. Maybe you will plan to go to a place and there will be obstacles on the way and you should not be worried because you are going to places and it

# DAILY PROPHECIES

is the duty of Jesus to take you to that place. That is why Paul when he was doing the ministry very powerfully he was suddenly in prison so everything was stopped. It didn't bother him because when he was outside he was doing healing deliverance ministry, but inside the prison he was writing epistles so every time he was busy. Every time Paul was busy, when it was lock down he was writing epistles. When he could go out he was doing healing and deliverance ministry. So what this word is saying whatever we do, we do everything in the name of Jesus. Maybe you are stagnant.

Some of you are saying it is lock down I cannot move I am stagnant I am waiting for a very long time for a deliverance I have heard many people saying we are waiting for a very long time so according to the language of God there is no waiting period. If you ask Joseph what you did in the prison these long years he will say I was growing strong in my inner man. I was praying in tongues and I got the interpretation of dreams and I was enhancing the gifts of the Holy Spirit. If you ask Joseph he will say like that so he was not bored. He was not bored he was calm and quiet in the prison and he was not hurry. He did not wanted to be hurried to come out, because he knows when he grows strong he will be taken. So I tell you if you are in a place and not moving for a long time. God has a plan you have to strengthen your inner man that is why you are there. When you are stagnant God will use you powerfully. Some people, my relatives ask me, why are you not going there, my close uncles and aunties, they will ask me you are doing the Lord's work why are you not going to that country. I ask them why, let me strengthen my inner man and then go. Otherwise I will just come and go like a visitor. So I am telling you if you are praying for a deliverance, instead of praying for a deliverance you strengthen your inner man by praying in tongues. And when your inner man is strong God will lift you up. God will take you. So you should not cry when will I see the deliverance God knows everything.

So this verse is saying like that I will read Colossians 3:17 And whatever you do in word or deed, do all in the name of the Lord Jesus giving thanks to God the Father through Jesus. So Paul was doing the ministry and he was taken into the prison and then he had to write the epistle. When he came out of the prison he began to do the ministry. Again he was in prison and then he began to continue doing what he was doing with the epistles.

So let your life be like that there is no stagnant. Everything is doing at the perfect time.

Sister financial breakthrough and I hear the word market price. Maybe you are going to buy something or you are going to sell something I hear the word market price.

So you will purchase the land in the name of Jesus.

Sister protection for thieves and God is going to honour you and God is going to change you life. And financial breakthrough this is what I hear a financial breakthrough is coming and everyone I see.

Brother I hear breakthrough I see you in the helicopter I see you flying in the helicopter so you will move to nations and God will use you powerfully. If you believe you will be a powerful vessel in the hand of God.

So everyone I have given the word.

# DAILY PROPHECIES

Sister the peace in you.

Search the land and you will get Pastor.

Sister financial breakthrough. Sister you will move to nations. Sister your dear one is coming this is what I hear.

Apostle the car is covered it is protected.

Sister there will be support. Hallelujah!

Sister God is moulding you.

Sister the light is going to shine.

Sister promises are going to come to pass in your life.

Brother financial breakthrough in the name of Jesus.

Apostle you will go in different directions in different areas I see like that.

Sister I see the keyboard, piano, new music is coming to you. Sister Hallelujah God is going to honour you. You will go to European country I hear the word European countries in the name of Jesus so the breakthrough is coming in the name of Jesus. Hallelujah!

Welcome everyone! God is going to bless everyone! I am thankful to God.

So if anyone is saying, I have not received any word. Do everything in the name of Jesus so there is no stagnancy and there will no waiting so when you are not moving you should realize that your inner man should be strengthened. So no complaints if it is delayed in the wilderness. In the wilderness, you ask Joshua and Joshua will say why it took 40 years for you to reach the promise land, because my anointing is so strong so as to make the sun stand still so I have to be well trained in the desert in the wilderness. It took forty years for God to train me up to become a history Joshua did say. So Joshua never complained.

So I am telling you do everything as you are waiting in the name of Jesus. If you walk, walk in the name of Jesus. If you sing in the name of Jesus. If you minister, minister in the name of Jesus. So when we minister, no prophecies are coming, nobody is blessed, do not be upset. You are doing in the name of Jesus. So people are saying, I cannot see any vision. If you cannot see any vision you can pray. You can pray again and again and God will open your vision. Everything that you pray that is for God. So you live for God so that is what the verse is saying, every deed and word in the name of Jesus giving thanks so no complaints. So this is the word for everyone.

May God bless everyone! Thanks for your patience.

So everyone is going to have an increase in their anointing and financial breakthrough.

God bless everyone so God is going to do greater things in your life.

In Jesus name Amen.

# DAILY PROPHECIES

pets I see like that I see a cat a pet in the name of Jesus.

Brother you will go out from the problem and you will have a blessing.

Praise the Lord! Greetings to everyone in the name of Jesus! I am happy to see you here all brothers and sisters.

Sister the calling is coming stand in the calling and financial breakthrough and long journey's are awaiting for you sister.

Sister promotion in your life, promotion in your life and you are going to see a breakthrough this is what I hear.

Brother God is going to extend your boundaries. Financial breakthrough.

Sister financial breakthrough and God is going to extend your boundaries and you will have the ministry. Financial breakthrough for you this is what I hear.

Welcome everyone!

Sister go according to the speed of Holy Spirit and you will settle in the land of breakthrough I hear. You will settle there in the fertile land and you will purchase the house this is what I hear.

Brother you are protected from thieves this is what I hear. You are protected from thieves in the name of Jesus. Hallelujah!

Welcome everyone I am thankful to God also! And I am thankful to see you here and it is raining outside and the network was also week that is why it is broken. So welcome everyone I have a word to share with you. So it is a very powerful word so you are very blessed.

Brother you will go to far places I hear the word Australia. And you will have ministry around the world and the Lord will settle all your financial problems. This is what I hear.

So I have a word and I say you are very blessed to hear this is what is says and it is a very powerful word and everyone needs this word so I am going to read this it is from the Book of Exodus Chapter 23:27 Hallelujah! It is a very good verse, I will send my fear before you, I will cause confusion among all the people whom you come and make all your enemies turn their backs to you. It is powerful and everyone needs.

Sister you will stay away from the house and stay in hotels and the Lord will have you do the ministry this is what I hear.

Sister I see healing over your body and the money is coming back into you hands. Restoration also I hear and you are going to fly this is what I hear in the name of Jesus.

So this is a powerful word and I will read again, the Book of Exodus Chapter 23:27, I will send my fear before you, I will cause confusion among all the people whom you come and make all

# DAILY PROPHECIES

your enemies turn their backs.

So they will come in one direction, but they will go in seven directions. And He is going to send His fear on you and everyone who looks at you will be frightened when they come to know that you are coming they are going another direction that is the power of God. So this verse is saying, He will bring confusion, He will bring confusion among your enemies. So if somebody is planning something against you people are planning

against you, but God is going to bring confusion to them and no one will stand before you, because the fear of the Lord is upon you. Hallelujah! In the name of Jesus.

So if anyone is saying I have not received any word, if anyone is saying I have not received any word this is the word, that when we are in the world we need the fear of the Lord is upon everyone. Moreover He will bring confusion among your enemies. They will try to fight you, but they will fight each other. You know the Israelites when they were going through the wilderness the enemy comes with swords, but when they come closer they will fight each other that is the word Hallelujah!

Sister protection from thieves and no one will purchase your land it will come in your name this is what I hear.

So welcome everyone this is the word so you must remember this word wherever you go, whatever situation you are, even if you are in an interview. Even if you are in an interview, or a debate or anything the fear of God will be upon you, so everyone will be troubled, everyone will be frightened. They will try to escape from you, because they see you know Elisha servant boy was afraid when he saw the enemies. So Elisha the prophet prayed to God open his eyes, so God opened the boys eyes and he saw he was surrounded by the angels with the swords. And there was more numerous than the enemies, the angels with swords they were surrounding Elisha and the boy. And there was more than the enemies.

So when this word will come to activate in you, when you go, you know how this word is going to activate; because when you go on a way, you have to meditate this word, you are not going alone, you are going with many angels with swords in their hands.

So when you go to the ministry to some places in my country also, there are anti-social elements those who are against the gospel in our country there are many people against the gospel. So I mediate the verse as I go through them that they will be frightened, because when I, they might be planning to attack us, but I go before them like I am not going alone. I am going with many angels with swords along with God's presence. So this is how this word is going to activate in you.

That word is saying will bring my fear upon you and everyone will turn their backs to you, they will try to face you, but will turn their backs to you and God will bring confusion amongst your enemies. It is going to activate if you believe so the place where you are staying everyone

# DAILY PROPHECIES

will honour you, because your God is God YHVH. So this will happen when you are right with God. When you are in good terms with God this verse will come to pass. No one can say anything against you. If anyone plans anything against you, they will be driven away from you.

There was a man near my place and he used to say abusive words, but now God drew him away and God demolished his house and he left the place. So this kind

of miracles you can see. So the battle is God's.

Sister the peace is in you, peace.

New Church beginning, new church beginning sister.

Prophetess financial breakthrough.

Sister healing power coming upon you. Sister speed is increasing.

Sister I see steps elevation. Sister God is going to bless your child.

Apostle foreign trips coming.

Sister you will buy the land.

Sister financial breakthrough in the name of Jesus. Sister Happy news.

Brother new letters coming, I see letters are coming to you.

Brother breakthrough in your life. Happiness in your life in the name of Jesus.

Brother you will fly to nations in the name of Jesus Hallelujah!

Sister God is changing your body, that means I see like that His light is going to shine upon you. When Moses came down from God's presence no one could look at his face. Because his face was shining, likewise, God is going to give His presence upon you, your body will shine, your face will shine sister in the name of Jesus.

May God bless everyone in the name of Jesus. Amen.

Hallelujah!

## DAY 109

**FOR YOU ARE A HOLY PEOPLE IN THE LORD YOUR GOD. THE LORD YOUR GOD HAS CHOSEN YOU TO BE A PEOPLE TO HIMSELF, A SPECIAL TREASURE ABOUT ALL THE PEOPLES ON THE FACE OF THE EARTH.**

### DEUTERONOMY 7:6

Praise the Lord!

Greetings to everyone in the name of Jesus! I thank God in the name of Jesus for giving me an opportunity to minister here. Also, I am thankful to all brothers and sisters welcome everyone. So today I believe God will give us a strong network.

Apostle I see steps I see the vision of steps that means there is some elevation in your ministry. There is a growth in the ministry also I see the anointing coming more on these days and it will spread to nations.

Sister new clothes are stitched to the old ones this is what I hear. New clothes are stitched to the new one. New clothes are stitched to the old one this is what I hear. I will say again new clothes are stitched to the old one so something is new is coming to you and that is the old will make you new. So I have given the word to everyone in the name of Jesus I am thankful for your patience and your time sparing to read here, but the word will be a blessing I believe it will bring deliverance to you. I am hearing the testimonies in the name of Jesus.

So I have a word to share with you when you believe that word. Every word when you read, hear you have to believe, then that word will come to pass in your life. Many people read bible many times, but some of them only by heart the verses, many people read bible many times; but few only hide the verses, among that few, only a few will meditate it every time and among that few, only a few will believe that this word is for me. When you believe that this word is for you surely it will come to pass in your life. So it is very important maybe you are reading only one verse of the bible for a long time. But if you believe that one verse is for you surely that one verse will come to you.

So I have a word to share with you it is from the Book of Deuteronomy Chapter 7:6 For you are a holy people in the Lord your God. The Lord your God has chosen you to be a people to Himself, a special treasure about all the peoples on the face of the earth. So this is not only for now the Israelites, but everyone who believes in Jesus. This bible is the book of the Law of the Israelites. And by grace everyone who believes in Jesus are the inheritors. They can enter into the Kingdom of God by faith. That is what the bible is saying.

So you are a chosen people. And this verse is saying you are a holy people to your Lord God, the Lord your God has chosen you to be a people to Himself a special treasure above all the

# DAILY PROPHECIES

people on the face of the earth.

So above all the people, that is very important. Above all the people of other nations, you are chosen. You are chosen for Himself for a purpose. When you believe, that verse will come in your life. Thousands may fall, ten thousands may fall, but it won't come near you; because you are a chosen people.

Many have the same problem that you have, but they won't come out. I don't know whether they will come out. But you will come out, because you are a chosen people. How many

of you believe? So the promises in the bible are for the chosen people, the others are just reading. Many people want the knowledge of the word. They read many books, they read bible, they read other religious books and they read other science fiction books every philosophy books, but their reading just for knowledge. But we are not reading the bible for the knowledge but for the Law. This book is the Law of our life.

So this book is the book that is changing our direction. The verses in this bible are changing our direction. It will bring abundance to our life so here this verse is saying you are a chosen people to Him than other people, then above other people. So Deuteronomy 7:6, Hallelujah! For you are a holy people, that is very important, holiness, that is very important keep holiness. For you are a holy people in the Lord your God. The Lord your God has chosen you to be a people to Himself, a special treasure, you are a special treasure a valuable and any disease in your body, that you have to realize, when you realize you are a special treasure, no cancer can stay in your body, because here God is saying you are a special treasure, you are a special that is what He is saying you are a special treasure. So there is no cancer in your body, because you are His special treasure. There is no financial crisis because you are a special treasure. So when you believe this word will come to you. Every word God says that has come from my mouth will not return void until it fulfils it's purpose. So you are a special treasure above all the peoples on the face of the earth.

So you know the pandemic is spreading everywhere. Many people are taking vaccination also in my country also. And some people have taken vaccination and have taken 2 vaccinations, but again the pandemic has come to those people that are vaccinated. There is no guarantee in the vaccination. Now this is the second wave, so when men found vaccination, God brought another thing. It is coming another way. So the only shelter we have is only in the verse. The only guarantee that we are protected is that we are His special treasure. When you believe there is no disease. Even cholesterol is healed right now when you believe. Your cholesterol is healed right now when you believe you are His special treasure. And diabetes is healed when you believe you are His special treasure. And every skin problem is healed when you believe you are His special treasure. And the verse is saying you are a special treasure above all the people. That means when you apply for a job, your name will be the one first considered. How many of you believe? If any of you are seeking for a job, when you apply for the job. When you write an application for a job, you must keep this verse in your mind that because you are a special people above all other people. That means above all other applicants, your application will be considered. Maybe your children so everything you are first so that is what the verse is saying. It depends upon your faith and how you believe.

# DAILY PROPHECIES

You believe like a blind man Hallelujah! If you tell a blind man, if he's a blind man with you in the daylight and if you tell him today it is now night he will believe. And when you take him at night it is morning he will believe. So every word when you believe it is for me, that word comes from God. God told Abraham come out, He did not ask where, he did not ask will you provide, he came blindly believing God. God told Abraham leave your parents, he did not understand if I leave my parents who will take care of them, he did not ask. What God said he obeyed, he did

not ask tell God I will give you my son when I have another

son. He did not say, so what God said he obeyed. So here also God is saying if you obey that will be come into your life.

Financial breakthrough for you sister.

# DAILY PROPHECIES

thankful to everyone here in the name of Jesus.

Brother the majority will stand with you and you are safe. No one will question you because it is the Lord who is with you. This is what I hear in the name of Jesus Hallelujah.

Welcome everyone here! I am thankful to everyone here in the name of Jesus and things are going to come according to God's will. So I have given the word so far to everyone.

Sister it is the next stop for you and new doors are opening up for you. And you will have financial deliverance this is what I hear Hallelujah.

So welcome everyone! I have a word to share with you that I will read it is from the Book of 2 Corinthians 8 the 9th verse it says For you know the grace of our Lord Jesus Christ though He was rich therefore for your sakes He became poor that you through His poverty might become rich. So it is very powerful. This word is saying Jesus is rich, but He became poor for your sake. He became poor to make you rich. So when you believe in Jesus this word will come to pass in your life.

So there is one thing that we have to mediate it says, He became poor that you through His poverty might become rich. That is very important. That you through His poverty, through His poverty means you know we have to experience His poverty then only will we become rich. Many people, I was also having a financial problems, I was a business man and I lost much money so I came to know Jesus. Through Jesus I came to seek deliverance. So I came to realize that through Jesus we will have deliverance.

So here this verse is saying, through His poverty, that is very important and once again I will read this is the word for you.

If anyone is having financial problem this is the word it says Hallelujah, He became poor that you through His poverty might become rich. So it is very important that we have to experience His poverty. So when you are having some financial problem God wants you to experience His poverty. Then only will you get His riches. So this is the word.

So if you want a financial breakthrough you have to go through His poverty. You cannot overtake His poverty. So you know He was poor in a cow shed in that situation. He was not born in a comfortable hospital. Our Jesus was born in a cow shed where there was cows, straw everywhere, so the place was not neat. Also when He was a child His Father was a carpenter. And His father was not rich so He had to go through many poverties in His family also. Because His father was a carpenter so like that He was not born in a rich family.

That is why this verse is saying that He became poor to make you rich. So if you want to become rich you have to go through His poverty. So when God puts some financial problem in your life

# DAILY PROPHECIES

do not seek other sources. You experience His poverty. What it means experiencing His poverty going through His poverty that means going through the word of God.

In the book of Deuteronomy 28:12 it says, you will lend but you won't borrow. So you will lend, but you won't borrow that is the word in Deuteronomy 28:12. When you stick and stay on that word and follow that word that you will never borrow, but we will lend. But God will put us into the test sometimes we won't have

any food sometimes we won't have anything that we need these are all tests. But when we pass the test we will have a financial breakthrough.

You know I was in Middle East in 2008 and I was working there for sometime and I lost the job. I was in Middle East for ten months and lastly I had no monies. So I had no food to eat. So I can borrow money from others I can ask for money, but I decided that I won't ask anyone.

So I decided to fast. I decided to fast and I told God that I was going to fast for 21 days. So on the 6th day I saw the vision of Jesus Christ. Also on the 21st day I got deliverance from UA and I came to my country after I fasted. So I am telling you we will be put to the test.

So even in hard times that is what this verse is saying that you have to go through His poverty. It is very important. If you want the riches of God what this verse is saying that He became poor that you through His poverty so not without any other way.

There is no other way if you want the riches of God. If you want the riches of what Jesus has given to you. You have to experience His poverty. So you should not murmur you should not complain. But if your calling is great you will have to go through many hard miseries. So you have to show patience. You should not complain.

So this is, I like this word very much. He became poor that He through His poverty so through His poverty that is very important. So if you want a financial breakthrough you have to go through His poverty in all circumstances Jesus passed through. We have to pass we have to carry the cross. It doesn't mean every day we have to take the cross, but if you want a financial blessing or any other blessing you have to carry the cross and you have to go through His poverty. So this is the word for you. So this is the prophetic word. And God is going to bless you and everyone is going to have a financial breakthrough.

Peace in you sister.

Sister God is going to open your eyes you are going to see visions clearly.

Sister I see a new dress coming, new garment that means a new anointing coming to you.

Brother God is going to bless your family.

Sister new location and I see new address God is going to give you a new address.

# DAILY PROPHECIES

Sister the invitation is coming.

Brother don't look back look forward and be with the Lord and the Lord will honour you.

Apostle the peace is in you. Financial breakthrough.

Sister the address is going to change. Sister God is going to extend your boundaries.

Brother be courageous I have separated you for the Kingdom says the Lord in the name of Jesus.

So welcome to everyone I am thankful to everyone reading Daily Prophecies. I think I have given the word to everyone.

Sister something with the stomach problem healed in the name of Jesus this is what I hear.

So if anyone is saying I have not received any word, 2 Corinthians 8:9 that is the key for financial deliverance. Jesus became poor to make you rich. So He became poor that through His poverty that is very important so you have to experience His poverty. Maybe you won't have food, you won't have clothes, it is just for some time. I had in my life just some years back in the beginning stage I did not have any soap to wash my body so I looked after taking bath I'd look down to see whether there is any bar of soap. So these are all tests, because we have to pass all the tests. You know why I am sharing this because we have to experience His poverty now God is giving me everything. What is needed God is giving. What I was saying is in the past from years back. So we should not overcome, we should not jump from the situation. Abraham's servant she ran away from her house and the angel of the Lord stood before her in the wilderness and said to her. Go back to Abraham's house. I am speaking about Hagar. She doesn't want to go through that problem. So she ran from Abraham's house. So the angel of the Lord told her to go back to Abraham. So you have to go through your problem. If you try to overcome the problem by some other means God cannot do a miracle and you will be stagnant in it. So if there is a financial crisis in you. You have to surrender before God and you have to cry. Don't look at other ways. Only look at what is said at in the bible. And it says in Deuteronomy 28:12 that I will lend, but I won't borrow.

So that is for every deliverance we have to follow the word. Don't overcome that word you have to go through that word. Then you will see the breakthrough in every area.

So this is the word for everyone. I am thankful to everyone.

God bless everyone.

I thank God today that the network was good. God is going to bless you and everyone is going to have a financial breakthrough in Jesus name. Amen.

To be continued...

Sister I hear the word guardianship. So you are going to become a guardian of someone else. And God is giving you promotion in your life. I hear the word marriage also. Everything will come systemically at the right time this is what I hear in the name of Jesus.

Sister I hear I see the vision of an angel with wings on the shoulders it signifies that you will have an angelic visitation. The angels will come and deliver you message from God. And when the angel visits you. You will receive more anointing from God. And that'll increase your anointing. Angelic visitation this is what I hear sister in the name of Jesus.

Welcome everyone! Also I thank God the network is good so far. And I believe God wants the network to be strong today. God bless everyone. I am thankful to all brothers and sisters those who are here.

Sister you will cross the borders and you will reach the destination. This is what I hear Hallelujah!

Welcome everyone here I have a word to share with you.

Brother long journey's coming. I see long journey's coming and I sense you are highly tensed. The Lord is delivering you from all the tension. Family problems everything brother I hear the word so.

Sister promotion to your life and you will be there in the centre of the earth. Centre of the earth means Israel. Jerusalem is the centre of the earth. You will be there in Jerusalem. This is what I hear sister. You will be there in Jerusalem this is what I hear. And God will bless you in the name of Jesus.

Welcome everyone. God is going to bless everyone. I have a word, I have a very powerful word it is from the Book of Psalm 46 Hallelujah!

So if anyone is saying I have not received any word this is the word. Everyone reading this is the word.

# DAILY PROPHECIES

Brother and the curtain is moving. I see the vision the curtain is moving. And it is time for God to honour you. God is going to honour you.

Sister Hallelujah! So next level I hear God is lifting you to the next level. You are protected from all diseases. You are protected from pandemic this is what I hear. And financial breakthrough is also coming to you sister.

So I have a word to share with you. I will read it in the name of Jesus, the word is Psalm 46:4, There is a river

whose streams shall make glad the city of God. This is the word it says Hallelujah the word Psalm 46:4 There is a river whose streams shall make glad the city of God. So you are the city of God. You are the place where God wants to dwell in. So you are the city of God and this verse is saying there is a river whose streams shall make you glad. So when you read 1 Corinthians Chapter 3, 1 Corinthians Chapter 6 you can see Christ has brought us at a price. And our body is temple of Holy Spirit. So our body is temple of Holy Spirit and God is inside our bodies.

But many people are saying, we want healing, we want deliverance, we want happiness. Many people I hear them say I need a deliverance, I need this and that and so and so many people say. But when you read 1 Corinthians Chapter 3, 1 Corinthians Chapter 6 you can see Jesus brought us for a price. So when you believe that He brought you for a price you do not belong to you. You do not belong to somebody at your home. You do not belong to your father or mother, but you belong to Christ, because He brought you for a price. Maybe you have a husband or a wife, but when you believe that He brought you for a price so He is the master of your body. So you are the city of God. And this verse is saying there is a river whose streams make glad the city of God.

So I am asking you how many of you are glad? Glad means happiness always. Always happiness. Somebody might ask you why are you glad? And you have to say I am the city of God. My body is the temple of Holy Spirit that's why I am happy. You must be happy not because you have some wealth. You must be happy not because you have a healthy body or you're famous or you are a powerful minister or you are an honoured person in the society. You are very rich all these things must not make you happy. The main thing that you should be happy is that God has chosen you to dwell in you. And He has chosen you to be His temple.

So there are many people in the world, but He chose only you. There are many people in your family, but He chose only you. There are many classmates, collages associated with you, but He chose only you. So you must be happy. And when you realize that truth you will see that stream. That stream you know Jesus said, out of there those who believe out of their belly will flow rivers of living water. So when you realize the truth that, your body is not yours. Why are praying for all these prayer requests? Why are you praying for all these pray requests is because the Bible says Jesus has bought your body and He is the owner of your body, and your body is the temple of God. So it is the duty of God to protect His temple.

# DAILY PROPHECIES

And why are you tensed? Instead of seeking all these things, that's what Jesus says, First Seek the Kingdom of God. The Kingdom of God is in you. So it will make you glad. That is what Psalm 46:4 is says there is a river, you have to find that river it is inside you. The realization of the truth that you are not your owner. The realization of the truth that Jesus is the owner of you. When you realize that you don't have any special prayer requests. Jesus will intercede for you. At this time He is interceding

to Heavenly Father for you. That is what in the epistles Paul is saying, we have an intercessor. We have Jesus interceding for us.

So He knows everything what you want. So instead of asking for your prayer request you praise God. You lift the name of Jesus. Jesus is interceding for you.

So you lift the name of Jesus and things will come faster. Things will come faster because you are lifting the name of Jesus and Jesus is interceding for you. And then things will come very easily for you to receive. Hallelujah! How many of you believe?

So the realization of the truth that there is a river whose streams shall make glad. So you should be glad always! This is what God desires. But instead of being glad you know what is going on in Heaven. In Heaven when you read the book of Revelation you can see. In Heaven worship is going every time worship. The angels, the four creatures and the twelve elders on either side of God they are worshipping. They're worshipping God. They have no time to think about their family. They have no time to think about their body. They have no time to think about their financial problem, because they are worshipping they are called to worship. And we are called to lift the name of Jesus, because He has brought you for a price. You know when you stay in a country you have to pay tax, because you belong to that country and that country will take care of you. And you are a citizen of the country where you belong. And that is true when you go to another country. When you are insulted, the country is insulted, because you are the citizen of that country, likewise, your honour is God. Your master is God. Jesus is the master so like paying the tax to the country, your duty is to lift the name of Jesus. Show Jesus to others. Reveal Jesus to others show the testimony of Jesus in you. Then things will move faster.

So Jesus is interceding for you. You reveal Jesus to others. Lifting the name of Jesus means not only just pray, praising Him, but showing to others that I carry Jesus in me. I am no more the old man, I have put the new Jesus in me. You have to show the world then you will be blessed. Then the keys of the Kingdom will be given to you. Then the key of the house of David will be given to you. Then when you pray things will happen. You can open the Heaven. You can release treasures from Heaven so this is the Word of God.

So I am thankful to everyone.

Blessings coming from the church sister blessings coming from the church.

Financial breakthrough for you sister. Promotion in your life sister.

# DAILY PROPHECIES

And tensions are healed, relieved sister. I hear many tensions in your mind are relieved. You are free from all tensions.

So I have given the word to everyone so far. Hallelujah!

Promotion to everyone's life in the name of Jesus.

Brother God is going to extend your boundaries in the name of Jesus. Hallelujah!

New village is coming sister. Apostle flight travels I hear.

Sister God is going to honour you in the name of Jesus.

Welcome everyone. Hallelujah!

So I am thankful to all brothers and sisters. God is going to increase the anointing in you. And this is the word if anyone is saying I have not received any word. This is the word that there is a river whose stream shall make the city glad. And you have to open your eyes and see that stream. You know Hagar Abraham's servant she decided that her son will die so she does not want to see her child dying so she kept that child away, but the bible says when you read the book of Genesis the bible says God opened her eyes and she saw the stream. So Genesis that book is not saying God opened a stream, it is not said so but that verse is saying, God opened the eyes of Hagar and she saw a stream. So there was a stream already there. And when God opened her eyes she saw that stream. Likewise there is already a river in you. There is the river that making you glad is in you. And you have to open your eyes and see it. This is the prophetic word.

So God bless everyone. I'll be praying for you. Pray for me also. And the Lord will protect each and every one of you and your family from the pandemic.

God bless everyone in Jesus name Amen.

# DAILY PROPHECIES

your busy schedule. Hallelujah in the name of Jesus.

So welcome everyone! If anyone is saying I have not received any word I will read a word and that is the word for you. And the word for everyone.

Sister you will run fast. You will run fast and overcome all the issues this is what I hear in the name of Jesus.

So I have a word to share with you. Hallelujah! In the name of Jesus. So that is from the Book of Hallelujah!

Just before coming on live the Lord gave me this word 2 Chronicles 2:20. So they rose early in the morning and went into the wilderness of Tekoa. And as they went out Jehoshaphat stood out and said hear me oh Judah and you inhabitants of Jerusalem. Believe in the LORD your God and you shall be established, believe His prophets and you shall prosper. This is a powerful word.

So every prophecy I tell you, every prophecy if you believe in the name of God you will prosper. Maybe the prophet is not sure whether the word is right. Maybe the prophet we know that the prophecies sometimes go wrong. It is in God's control. So maybe the prophet is not sure when he prophesied, but if you receive that prophesy in the name of Jesus. That word will come to pass. That is the power of God. It is not you. You are believing because of God. You are receiving the prophecies not because a prophet is speaking, but you believe that it is coming from God. So it will come to pass into your life.

So this word is saying Hallelujah! Believe His prophets and you shall prosper. So every prophetic word when you hear when you watch the television. When you see every prophecy, maybe it is spoken to somebody, but when you believe that it is not from the word of God. So I will be giving prophecies to one person, but others can also receive it. Because when you believe that has come from God, maybe to the person to whom I am speaking may not believe, but you know the word that come from God's mouth won't return void. If a prophecy is spoken to a person and if he does not believe it won't return void it will go to everyone who believes. That is the power of the prophecy. Power of the word of God.

So when you look at the facebook, when you look the media, when you come to read the prophecies. You receive it you receive it, because when you receive it depends upon your faith. You know all the prophecies in the bible, all the prophecies in the bible are actually given at that time to those people. The prophecy given to Abraham. Prophecy given to Isaac. Like that so on. So it is still we are receiving. Likewise every prophecy when you receive maybe it is given to somebody, but when you receive it will come to you. It will have an effect in you. That is the power of prophecy and that is the power of God. It is saying believe his prophets and you shall prosper. Believe His prophets and you shall prosper in every area and the other thing that is believe in the Lord your God and you shall be established. If you believe

# DAILY PROPHECIES

in God you will be established. You will be established as an Apostle. You will be established as a prophet. You will be established as an evangelist, as a teacher, and a shepherd. You will be establish as an honourable man. You will be establishing your office.

If anyone reading here is doing the ministry and you don't have any office today the Lord is going if you believe God your ministry is going to have an office. God is going to establish your office. And God is giving

you an address establishing means giving address. You know some people do not have address. You know care of some name care of so and so. That means that person is known in somebody's name so God is rewriting that. And God is establishing you. If you are known through somebody else. Today I prophesy in the name of Jesus that you are going to be known in your own address. In your own office. Not is somebody else how many of you believe that is that I am saying from this word.

Believe in the LORD your God and you shall be established. If you believe in God, maybe you are known by your father's name he is the son of, but you are going to be known as known by your name. Maybe you are known under your Pastor's name, but you are going to be known in your name. That is the meaning of establishment. That means you will have an address of your own. Maybe you are in a rented building, but you are going to have a house of your own. You're going to have an office of your own and that is the meaning of establishment.

It is like establishment means God approving. When God approves you are established. So when you read the Book of Samuel you can see God established him as a prophet. So when you believe God. God will establish your heart's desire. God will establish what you are desiring that will be established. So this is the word to everyone. What you are desiring if you believe in God, 2 Chronicles 2:20, it's a powerful word, believe in God, read the Bible and every word believe and these words will come to you and you will be established. Hallelujah! So and you will prosper so this is the prophetic word to everyone.

Sister I see the fear is gone. The fear is gone and promotion is coming.

Brother new doors are opening. And you will stay in the apartment, in the apartment itself is what I hear.

Sister you will stand in the next level of the ministry.

Pastor new doors are opening.

Apostle financial breakthrough. And you will pass the test.

Brother the peace in your family. Family peace. Brother church is coming and accepting you.

# DAILY PROPHECIES

Sister you are called to minister. Financial breakthrough to you.

Sister happy news and spreading. God is going to establish you. Sister new doors are coming.

Brother there is a shift of residence I hear there is a shift of residence brother.

Sister financial breakthrough and you will enter the promises this is what I hear.

Sister the Glory of God is upon you. Sister breakthrough in your family. Hallelujah!

Sister I see celebration coming. Sister the peace and sudden breakthrough in the name of Jesus.

Welcome everyone who are reading. So if anyone is saying that I have not received any word this is the prophetic word. Believe in God and believe in the Word of God and you will be established. Established means if you are not married you are going to get married. And if your property has not titled you are going to have the title to the property. That is establishment. And everything will be established. This is the prophetic word. If you are seeking for a job you are going to get a job. So believe in God and the word of God. And believe in the prophecies and you will prosper. Every prophecy believe and you will prosper.

So to everyone I prophesy in the name of Jesus, a financial breakthrough. And this prophesy is to everyone those who are reading this is what the Holy Spirit is saying. What you desire that will be given to you. What you desire that will be given to you. Because His grace is upon you and many foreign trips are coming and your language is changing new accent is coming and I see honour is coming. And marriage is coming and the Lord has separated you for a greater revival.

Financial breakthrough and you will pay the money and you will have enough to give. The peace in you Hallelujah! So this is the word to everyone that can receive.

I am thankful to all brothers and sisters here. If anyone is saying I have not received this is the prophetic word 2 Chronicles 2:20.

I am praying for you. God is going to establish each and every one of you and you are going to prosper. You are going to prosper and you are going to be established. So believe God and believe His prophets.

May God bless everyone in the name of Jesus. Amen.

Welcome everyone I am thankful!

Sister Hallelujah! You will catch this is what I hear you are in the harbour, I see the vision that you are in the harbour the Lord is telling you will catch the fish. You will catch men. You are called as an evangelist. And the wounds are healed. Promises are come to pass in your life.

I see there is a gap between you and your spouse, your husband there is a gap I see like that God is filling that gap. And promises are coming to pass into your life so do not be upset says the Lord.

# DAILY PROPHECIES

So I have a word to share with you. I will read this Isaiah 61 the Lord spoke to me just before Arise it is saying Arise, so you have to arise. Arise and Shine, you have to shine not God is going to shine in you. You Arise Shine for your light has come and the Lord is telling the light has come in you so you Arise and Shine. So don't sleep, don't think that you still need a deliverance. That is what He is saying. And the Glory of the Lord us risen upon you.

So when you read a word you believe that the word is for you. So I pray for many people and some people need a healing,

I pray God has healed you. But when I see them after some time, they say we are not healed. I said how are you not healed. How do you know that you are not healed, because God has healed you at that moment. And they say we did not test, we did not go and see the doctor and test whether there is any disease so they want a confirmation from the doctor. They want a confirmation from the doctor that they are healed, but I tell you here Jesus is saying here God is saying that the light has come then why you need a confirmation from a doctor that is very important. If a man of God tells you that God is telling you are healed you believe and you are healed. So you need not go and see a doctor and confirm whether it is here, because here this verse is saying I am narrating from this word. It is saying the light has come. Light has come means the darkness is gone The cancer is gone. The tumour is gone. The tuberculosis is gone. Diabetes is gone. Leg pain has gone. Chest pain has gone. Everything is gone. And financial problem is gone. And family clashes has gone. Everything has gone because darkness has gone. When you believe the light has come, actually the light has come. How many of you believe?

So that is what the verse is saying, you have to Arise and Shine and you have to shine. These 2 things you have to do that means you know there was a man who was in the Bethesda pool he was there lying for 38 years. And Jesus asked him do you have a mind to get healed? Because he was used to lying there for many years. Somebody will carry him and there he will wait for the angel and he was used to. So Jesus was asking whether you have the mind. Whether you have the mind to heal. So your God is saying Arise Shine so why is God saying, because for your light has come and the Glory of the Lord has risen upon you. So when you hear the word you have to Arise and Shine.

And you need not to confirm go and see any other third party for a confirmation, because it is God who is saying. It is not a prophet who is saying it is God who is saying. Arise, shine for your light has come and the Glory of the Lord has risen upon you. So when you believe at the moment. At the moment you are reading when you believe the financial problems are moving. And if there is any pain in the body it is healed right now. At the moment when you believe. You know there was a centurion he wants his servant to be healed. And he met Jesus and Jesus was about to visit his house, but he said no Jesus you are a man of authority, if you command my servant will be healed at that moment. So when He said that servant was healed. Not when Jesus said that you are healed not at that time, but when the centurion said he was healed.

When you believe the word you are delivered. And it is your duty to Arise and Shine. So this is the prophetic word the light is already shining upon you so get ready, get ready, get ready your luggage,

# DAILY PROPHECIES

press and iron your shirt and pack your shirt, because the nations are opening for you. How many of you believe?

So the light is going to shine renew your passport, because the light is going to shine. After this pandemic God is going to use you. Everyone will know of you powerfully. So this is the word. So get ready that is what it is saying, Arise and Shine don't wait for any third party to get a confirmation from the third party.

Sister the Lord will use you powerfully in the ministry and no one will stand against you in your life. This is what I hear. The enemy cannot stand against you in your life. And God is going to settle all your problems this what I hear.

So I have a word to share with you that is from the Book of Isaiah. So you know when you or when I read a word from the Bible, if that word makes you happy, it is a sign that you are delivered. But if that word is not making any reaction in you, it means that you have not believed it. Every word in the Bible has a sudden effect. God is always looking at you. He's always watching you. He is watching your step every step whatever you are thinking. So it is your attitude and it is how you think about the word. That is very important. How you consider the word that means how you have deep revelation about the hearing of the word. It will have immediate effect, No delay!

Sister new language God is giving you new language. And He is going to open your ears that He will speak to you. Financial breakthrough also for you.

# DAILY PROPHECIES

So what I was saying depends on your faith. You know the centurion told Jesus. Jesus you do not need to come you just give a command. So it had an immediate effect. So as he believed it had an immediate effect. Likewise, every word in the Bible is going to have an immediate effect. It is going to have an immediate effect it is not going to come after one year or tomorrow, but TODAY! TODAY AT THIS TIME! It depends upon how you have the revelation of the Word of God.

I will read the word Isaiah 45:2 it says, I will go before you. How many of you can say amen to that? So He's going before you sometimes when you are before the Red Sea. He won't show Himself, there was the pillar of cloud and pillar of fire before the Israelites, but whenever they are put to the test, they cannot see the pillar of cloud and pillar of fire. If they had seen the pillar of cloud and the pillar of fire they would not have murmured, they would have not complained. But God hid. And likewise sometimes we don't feel the presence.

When we desire we feel that presence, but sometimes God will hide Himself from us. It is because He is testing us. So the pillar of cloud and the pillar of fire was hidden to them before the Red Sea. Before the River Jordan. And every time when they were put to the test before the Israelites the pillar of cloud and the pillar of fire was hidden from them. Likewise, sometimes His presence will be hidden from you. But when you don't feel the presence when you are in some kind of temptation you must know and you must realize that God is watching you. And you are passing through an examination. You are passing through a test. Hallelujah!

So this is the Book of Isaiah 45:2 it says, I will go before you. How many of you can say amen? So He is going before you. Wherever you go He will go before you. So He won't be leading you to the wrong way. This is what you have to understand. If you believe that the wrong person won't come to you. Only the right person will come to you. When you take the telephone call no wrong person will call you, because He's standing before you. God is standing before you. And no negative thoughts in your mind, because God is before you. So whatever you do He is standing before you. That is what you have to believe.

Sister breakthrough! Financial breakthrough I see promotion in the ministry also. And new house is coming to you. God is giving you a new address. God is giving you a new address. So I will go before you and make the crooked places straight. So He is going to make the crooked places straight. That means you were stagnant because the places were crooked now He's going to make it straight. So things are going to come easily. Before it was a problem, but now things are going to come easily. It depends upon your faith how you believe. And I will break in pieces the gates of bronze and cut out the bars of iron.

Whatever big problems whatever Big Jericho walls whatever Red Sea whatever River Jordan before you financial problem cancer or tumour or any kind of disease that the doctors say that there is no medicine God is going to break that. He is saying He is going before you. And He is going to break every disease. He is going to break every curses. He is going to break all the family curses.

# DAILY PROPHECIES

And you won't be alone. God is going to give you. So if there is anyone seeking for a marriage I prophesy in the name of Jesus by this word that things are going to go straight. Before it was crooked that is why you are not seeing the right person. You have been seeking for a groom or a bride for a long time, but nothing is coming for maybe in your external eyes it seems like a financial problem or some other problem, but now God is going to make the things straight. That means your children are going to get married. And you are going to get married. If anyone is

seeking marriage and if you are seeking for a job what this verse it says, it says, I will make the crooked places straight. So you just go and give the application and they will take your application. They won't consider other application, but they will take your application and they will call you. You are selected because it is the power of God. When you give the application then the Lord will send the angel before your application. That is one of the desires that I am prophesying to everyone.

Welcome Kingdom Builders this is the time to take decision. Kingdom Builders this is the time to take important decisions. Because you are in a turning point. God is going to make you a blessing to many. So this is the time and the time to join the new team this is what I hear. This is time to join new team Hallelujah!

So this is the word Hallelujah! I will break into pieces the gates of bronze and cut the bars of iron and make the crooked places straight I will go before you. So you have to think every time God is going before you. Hallelujah!

So today I had a fasting prayer in my place. So I was driving the car, but actually it is very lock down, but God told me that God would go before me. So there was no policeman there was no one to check, because you have to believe what this verse is saying, I will go before you so whatever you do before you God is there. So it won't be a waste. What you do won't be a waste, if you buy something, in your life maybe you have bought something and when you find that it is not working you will think that your money is wasted, but I tell you if God goes before you whatever you purchase it won't be a waste. It will be useful for one thing or to the other thing. So when you met a person it is good for the Kingdom. So no waste of time, if God goes before you there is no waste of time. Everything that is coming is for the Kingdom of God.

So breakthrough for you sister.

The peace in you sister. Financial breakthrough sister. Long journey's sister.

Brother you will come out of the pit.

Sister nations opening. Sister you will have the right to stay. Sister new language I hear.

Brother application is successful. Brother ignite the fuel and promotion coming. Hallelujah!

Sister financial breakthrough and new house coming to you in the name of Jesus.

Apostle you and your domestic are blessed this is what I hear.

# DAILY PROPHECIES

Sister new visitation, new visitation coming.

Sister church bell ringing that means celebration coming in the name of Jesus.

Everyone here I think I've given the word to everyone. I am thankful to everyone here.

If anyone is saying that I have not received any word. This is the word that God is going before you. So nothing is waste. Nothing is waste. Whatever you do is a blessing. And that is for the Kingdom. Your health

is for the Kingdom. Your eyes are for the Kingdom of God. Your hands and legs are for the Kingdom. And your health and body are for the Kingdom of God. So you are made for the Kingdom of God. So you should not worry because you know for every motor and every engine there are many parts. Many tiny parts are coming together in that engine inside that engine. Likewise you all are small engines in the Kingdom of God. Everyone are small engines. Everyone has a particular function.

You know in a car, there are plugs, there are corroborators, there are tires, if you take anyone of them it cannot be moved. Likewise you are a special vessel. You are made with a particular purpose in the Kingdom of God. So if you want function, if the motor is not working, it can be replaced by another new thing. Likewise if you don't function God will take another person. So you are very precious in the Kingdom of God that is why I said you are made for the Kingdom of God. So through you God has a plan. If you don't do God will rise somebody else. So you have to be cautious about that, because God has created you for a purpose and you should always be vigilant. And you should always be available before God. You should not when God looks whether you are available, if you are not available once or twice or for sometime He will show His patience, but I tell you God has created you for a purpose. When you understand that and God is going before you.

Brother promotion brother promotion in your life. I see you staying in a lodge. I see you in a single room, a single room, but God is with you. So what you do that will be a blessing. Your business is going to be blessed. Financial breakthrough is coming.

Welcome everyone. So I am thankful to everyone.

So God is healing you. God is separating you for the Kingdom. Increase in the finance. God is giving you a breakthrough. He is going before you. And promotion is coming to everyone. The peace in you the church is going to invite you and God is going to bless everyone of you. So I am thankful to everyone.

May God bless everyone. So I will be praying for you God bless everyone in Jesus name. Amen.

Sister Hallelujah! New apartment and new business opportunities. Lake shore apartment I hear.

# DAILY PROPHECIES

Sister Hallelujah! Your son is coming to the ministry and he will work for the Lord this is what I hear in the name of Jesus.

Welcome everybody!

So I have a word and I will read this word. It is a powerful word that the Lord gave to me earlier before I came on here. It is from the Book of Micah, Chapter 7 the 19th verse, He will again have compassion on us. And will subdue our iniquities, you will cast all of our sins

into the depths of the sea.

So you know why a person is having disease in the body? Why a person is having financial problem? Why a person is having a curse in the family? There are 2 reasons one is that sometimes God is moulding. That means that God is training you in the wilderness. The other one is because of the sins. Because of the transgressions, iniquities, their lives have sinned and brought bondage. So once again I tell you. You have to when you are in the trial. When there is a pain in you. When there is a distress in you. When you think that it is stagnant nothing is seen you are not seeing any blessing in your life. So there will be two things so you have to discern it. You have to discern it. You have to ask God why it is. You know Abraham for example I am telling you. Abraham had no children for very long years. It was not because of a curse, but many others will look into his life that he's having a bondage or he's under a curse. But God did not give him a child because God wanted to do a great miracle in his life. That's why he wasn't having a child for so long years. The same with John the Apostle when he was put in the Patmos island. Everyone who do not know about these things would say that John the Apostle needs a deliverance, but God took him into the wilderness into where he was alone in the island of Patmos to get greater revelation.

So sometimes it is like that you have to discern. You have to ask God what is the reason for your problem? What is the reason for the stagnant? So God will reveal that and God is training you. So you will be happy and you will be able to see the blessings. Then you are raised to the next level.

Sometimes there is a transgression or an iniquity or a sin. Continuous sin. Sometimes you want to come out of the sin, but you cannot. Because the enemies trying to give you temptations all the time. So you cannot come out. So you have to ask God. So if anyone is saying I have sinned and I cannot come out of the sin. Maybe it is a temptation. Maybe it is a slight sin like telling a lie. You know because telling a lie is a sin. Seeing a person lower than yourself is a sin. And not believing the word of God is a sin. Not only sins like stealing or adultery, mockery. These are not only sins all small sins are there. If there are sins when you tell lies God cannot use you in the prophetic. So there are many sins. When these sins are there in your life you will be stagnant and you cannot see a deliverance. You will be in the same position. You will be stagnant. And it will take many years for a breakthrough. So you have to ask God.

# DAILY PROPHECIES

So if anyone is saying I cannot come out of my sin. I cannot come out of my transgression, but I desire to come and I am praying for that. This word is for you. If anyone is saying like that, I read the Micah 7 the 19th verse, He will again have compassion on us. And will subdue our iniquities, you will cast all of our sins into the depths of the sea.

So this word is coming to pass into your life. Maybe you have sinned one hour before and you've cried to God.

God is casting all of your sins into your sea. And pray again

Lord I want mercy that I should not sin. So that is what He is saying, I will have compassion again. And again He is showing mercy again so there won't be any stagnant. There won't be any bondage. You are forgiven for the past go forward. The gate is opened for you. So you are entering into the promise, but by this word no more sins in your life.

So you have to pray and by meditating this word and praying Lord you have shown compassion on us and will subdue my iniquities and you have cast all of my sins into the depths of the sea. So when you pray this word God will deliver you. And no more stagnant in your life. And you are going to enter into the promise. So that is why I said every word is powerful. So if anyone is saying that I am under a curse. I am under a family curse. I am under a transgression. I want to come out, but I cannot I need a deliverance. This word is for you. That God has cast all your sins and thrown into the sea. Only you have to look into God's heart and see His love.

And this is the word. So if anyone is saying that I have not received any word this is the word for you to everyone.

Promotion in your life brother.

New seat coming to you sister. Sister financial breakthrough.

Sister I see new taste and new smell. Everything new pleasant smell God is pleased with you.

Sister provision and new language Hallelujah!

# DAILY PROPHECIES

# DAILY PROPHECIES

Sister knowledge and power to you and your family. More grace and I hear the word marriage in the name of Jesus.

Sister the Lord is telling fasten your seat belt. That means the seat is permanent. Nobody can occupy your seat. And nobody will take your seat. The Lord is telling fasten your seatbelt. And it is perfect says the Lord. God is going to honour you. In the name of Jesus.

Hallelujah! The nations are opening up for you, prophesying to everyone in the name of Jesus.

The nations are opening up for everyone. Those who have grace will enter into the promise. Those who do not doubt will enter into the promise. Hallelujah! In the name of Jesus.

So welcome everyone! I have given the word to everyone. I am thankful to everyone!

So I will share a word with you. That is from the Book of Isaiah Chapter 55 I'll read those words it reads you shall go out with joy and be lead out with peace. So what we need at this moment is joy and peace. So if you have everything in this world and if you have no joy what is the use of it. If you are honoured and seated in the high position you are very rich, you are having good health, but if you have no joy what is the use? And you are doing the ministry very powerfully. You are doing signs and wonders, but if there is no happiness in you what is the use? So this is the word that the Lord is giving you. So you shall go out with joy. And be led out with peace.

You know 2 things are there joy and peace. You know the gifts of the Holy Spirit one of the fruits of the Holy Spirit is the Spirit of Joy. So when God fills you with the Spirit of Joy, you will be always joy. There won't be any reason for your joy, because you are having the Spirit of Joy. So God is giving you the Spirit of Joy in fullness. That means even in the negative situations you will be joy. That was Paul when he was in the prison joy! He was singing songs. And maybe he was dancing. He was singing songs in the midst of the problems. When he was in the prison. So it led him for deliverance.

So when you are sad you cannot see a deliverance. If you want a healing the first thing that you should be joy. Then only will you have healing over your body. So that is why Paul was happy because he was having the Spirit of Joy in fullness. The second thing is that peace. You know Jesus has told that in the Book of John Chapter 14:27, Jesus says the peace that I give you. The peace that I leave you is not like the peace that the world gives. That means when Jesus comes into your life and when you believe Jesus is dwelling in you. Paul has said in the Book of Colossians 1:27, he has been revealed a secret, God has revealed a secret to him that He is in Him the Hope of the Mystery of Glory.

So when you carry Jesus every time. Maybe in the wilderness. Maybe in the lions den. Maybe in the dry well. Maybe in the prison you carry the presence of Jesus. You have to activate it. You have to believe that Jesus is in you. So you will have peace. So that is what this verse is saying so you will be led by peace. When you find Jesus in you. When you realize Jesus is in you. These 2 things

# DAILY PROPHECIES

are essential, but people are concentrating. You know most of the people are concentrating on the blessing. But they are not seeing Jesus inside of them. And they are not desiring for this to come in fullness. So when these 2 things come automatically there will be deliverance. You won't be stagnant. Things will be more easy.

So you know the prophet came to Paul you are going to be held by the authorities of the Jews he was not bothered he was having happiness he was having peace.

So I tell you what you need at this moment is happiness and peace. Not a financial breakthrough. Not a provision. You know when you are happy and when you are satisfied. God will provide everything for you. Maybe you are waiting for your marriage. You are waiting for a child to get. You are waiting for the doors of the ministry. But when you are tensed, when you are unhappy God cannot do anything in your life. But that is what the Psalmist is saying, delight in the Lord and I will fulfil your heart's desires. So when you are happy in the Lord things will be moving faster. You will see all things will come automatically there is no strain. Some people are striving hard for a deliverance. Some people say we are in bondage. Some people say we are struggling. But what I tell you is not seeking deliverance. What you need is not to strive hard to come out from your problems that is not what you need. But you strive hard for peace.

That is in the Book of Hebrews Chapter 12 the 14th verse there Paul is saying strive hard for peace, pursue peace. And pursue peace and strive hard for Holiness. Without holiness you cannot see God. When you see God there will be deliverance. So what you want is peace and joy. Then everything will come. Money will come, health will come, ministry doors will be opened. Marriage will come, position will come, honour will come, but first what you need is joy and peace. When you find Jesus in your life. You will be joyful. You will be having peace.

So this is the Word for you. So welcome everyone.

Sister God is going to touch your tongue you boundaries are going to extend. I see God is going to honour you. You are going to be in the new place. You are going to be in the new place. You are going to see the new people. This is what I hear in the name of Jesus.

Sister many doors are opening for you. When you minister the Lord will give you new languages. You will be speaking in tongues, but that is the language of the people who need deliverance. So they will be delivered when the new language comes in your mouth people will be when you speak that new language people will be delivered sister.

Brother you will repay the money financial breakthrough.

Sister new house and peace and happy life. Sister there is enough provision. Do not look back says the Lord. New setup coming. Family setup and promotion in your life. Families peace.

Apostle new grace. And flight travels. Happy News! Everyday there will be happy news this is

# DAILY PROPHECIES

So I am thankful to everyone those who are here. I think I have given the word to everyone.

Sister knowledge and power and money and settlement and business going well in the name of Jesus. Sister new doors are opening for you. This is your time. So open yours wide and you will see.

Brother you are going to join the new church. Do not look back says the Lord.

Sister promotion in your life. And the peace in you. Settling all the cases.

Sister what you desire God will give you. I am thankful to everyone.

So God bless everyone in the name of Jesus.

I will be praying for you.

If anyone is saying I have not received any word. This is the word that you will go out by joy. And be lead by peace. When these 2 things come deliverance will come automatically. So I will be praying for you.

God bless you everyone in Jesus name. Amen.

Welcome everyone! Welcome everyone Hallelujah! I am thankful to all brothers and sister those who are here. Welcome everyone! God is going to bless everyone in the name of Jesus.

So If anyone is saying I have not received any word. This is the word that I have to share with you that is from the Book of Isaiah. I will read it in the name of Jesus. So I have given the word to everyone and I am thankful to everyone. So God bless everyone. Hallelujah! God is going to bless every area of your life.

So this is the word the Book of Isaiah 48 and this is the word the 17th verse. The Book of

# DAILY PROPHECIES

Isaiah Chapter 48 the 17th verse, this is the prophetic word. Prophetic word means it is speaking to your life. When you believe it, when you receive it, when you accept it. It will come to pass in your life. If you don't accept it. It will be just a word in the bible. So it has power it is saying, Those who believe the power of the Word will be growing in you. So it will be abounding in you.

I will read Isaiah 48:17, Thus says the Lord, your redeemer, the Holy one of Israel, I am the Lord your God who teaches you to profit, who leads you the way you

should go. That is very important.

That is very important. So He is your redeemer. He is the Holy One of Israel. He is the God of Israel. He is the God of Abraham, Isaac and Jacob. And He is the one who is going to teach you to profit. So it says who teaches you to profit. Who leads you by the way you should go. If you go in some other way. You won't profit. So if you go through the right way, You will profit.

So many people when they become old when they look back, they say we wasted our life. We should have lived a little better. Many people say like that. So they say our business was lost. If we had come to Jesus earlier our business would have been blessed.

So of the people say I would of started the ministry in my earlier age, but I have just only started. But God knows everything. You know Daniel was having his ministry in his young age. But Moses was having his ministry in his old age. So this is what God is deciding. And God is called for a purpose.

So Moses was trained in the wilderness for a long time. In his young age he was not able to do the ministry because God was training him. So he had a perfect ministry. Moses was the greatest prophet and a miracle worker. Next to Jesus in the Bible. So he is the second greatest miracle worker and the second greatest prophet, next to Jesus. Because he was well trained, it took many years for the training so he started the ministry in his olden age. But some say we have started the ministry in the young age, but I tell you, everything God has a plan.

So this word is saying and I am sharing that with you, because this word is saying, He teaches you to profit. If you don't know to profit, you will do the ministry and nobody will come to your church. You will be a Pastor and you will have a big building, but only a few people will be there. Or you are starting a business you have a big building and you have big connections, but unless God brings business into your business no one will come. So He knows what to do.

You know Peter was a fisherman. He did not survive in his fishing. He lost the knowledge of fishing. He did not know where to fish. But Jesus told, you catch the fish there. You cast the net there. So when he obeyed the guidance of Jesus. There was abundance of fish. So he had much profit. So he was fishing in some other way, but when Jesus met him and said, you cast your net there and there was abundance of fish.

# DAILY PROPHECIES

So everything if you are a businessman. Maybe you are a businessman or you are a minister or you are a family man a husband, or a wife, if God doesn't show you the way everything will be in vain. Maybe you are very strong, you are very healthy, but your wife will complain you.

So this is the word, Thus says the Lord your redeemer the Holy one of Israel. I am the Lord your God who teaches you to profit. So don't be harsh. He's teaching you. He's teaching you in every negative situation. You know Paul was well

trained. Paul is saying in the Book of Philippians in the book

he's well trained. He is saying I am well trained. I am well trained how to be hungry and how to be full. I am well trained to be satisfied and not to be satisfied. So he's well trained. How was he well trained. He was having many great experiences by the training of God. So he had a great teaching. This teaching we cannot get from any Bible College, we cannot get from any classes teaching this, the we have to experience through our own life. Not by reading bible we don't understand. But we read Bible and God opens the understanding otherwise we cannot understand.

So through our life, God will help us pass through many negative situations. And that is for strengthening our inner man. So you know Joseph was in the prison for many long years. So he was well trained how to behave likewise Moses was well trained in his father in laws house. You know staying in a wife's house is one who is very much having disgrace. A person who stays in his wife's house does not have personality. He's treated like a servant so these things came to Moses life because he wanted patience. He wanted to handle the complaining Israelites. So God was training a person for many long years in his father in laws house, in his wives house, in the wilderness looking after the sheep. Because God was teaching him how to be prophet. He was teaching him how to handle the Israelites.

So if anyone is saying I have been praying for a deliverance I am not seeing any deliverance. You must realize one thing that God is teaching you. Don't compare your ministry to other ministries. Don't compare your calling to others calling. You calling is different from others calling.

So when you see other ministers doing miracles, signs and wonders in their young age, but you are not doing. You must realize that God is teaching you more to do many miracles. So Moses was like that he came and started his ministry when he was 80 years old.

So this is the word that He teaches you to profit. And who leads you by the way you should go. Hallelujah! If you do not go in the right way you will be like a blind person. For example Abraham and Lot, Abraham was well trained by God. And he has great revelation and deep knowledge about God and he knows the heart of God. But his brothers son Lot had no experience with God and God is not talking to him. So he was lead in the wrong way. He chose Sodom and Gomorrah. He chose Sodom and Gomorrah and he was very lost. But he had a prophet, Abraham was blessed, because he knows the way how to handle. He knows the way how to handle Hagar. He knows the way how to handle Ishmael. He knows he way to handle lot.

# DAILY PROPHECIES

So these all came from the knowledge of God. So when negative things come in your life. God is teaching you something. You've got to study from that. You have to study something from that.

So when you have had many negative experiences in your life that is the knowledge that God is giving you in the future ministry. When you start the ministry these will all be an added advantage. These things you won't get from a bible college. These things you won't get from a teaching. This you will only get from your experience.

So I tell you everyone who is saying that I am stagnant that I am not seeing any blessing. I am waiting for marriage. I am waiting for the ministry doors to open. I tell you in the name of Jesus God is teaching you in the right way. When He opens the right way, you will be lead through the right way.

Why you are waiting here in the wilderness is He wants to teach you more. So when you have this revelation God will give you the best ministry. God will give you the best one.

So this is the prophetic word to everyone. If anyone is saying I have not received any word. This is the word Isaiah Chapter 48:17. So More Grace!

Sister the peace in family and more grace.

Sister something will go. Something that God doesn't like will go and new grace will come.

Hallelujah! In the name of Jesus.

Brother knowledge and protection from the pandemic. The peace in your family. You and your family are protected from the pandemic this is what I hear. In the name of Jesus.

I have a word to share with you that is from the Book of 1 Thessalonians 3:12 I'll read that and May the Lord make you to increase and abound in love to one another and to all just as we do to you. So it is very important it is saying And May the Lord make you to increase and abound in love so unless God increases the love in you towards another person you cannot love a person. You might laugh but you don't have love. You may give but you don't have love. But if you want love God has to increase. God has to give God's love in you otherwise it is the world's love. You know the world's love is a selfish. World's love is selfish. It is included with a selfish motive. And it is for personal desires. That is the world's love. But God's love is sacrifice. God's love is sacrifice.

So this is the word And May the Lord make you to increase and abound in love to one another and to all just as they do to you. You may be asking what is the need for having that having more love in us? If you have more love towards another person, if you forgive another person, if you pardon another person you will be established. You will see deliverance. That is where the 13th verse is saying that He may establish your heart blameless. So why is God going to increase the love in you towards one another is because He wants to establish you blameless.

If there is no love in you God when He looks into your heart He will find blame. He will find spot. So He wants to establish you blameless. For the eternal life in Heaven and also for the deliverance here. That is why in the 1 John epistle you can see John the Apostle is saying you have to forgive before you come to pray, before you come to offer a sacrifice to the altar you have to forgive. And one person has to forgive another person before a prayer is to be answered.

So what you have to pray today is you have to cry to God increase my love towards another that you have to pray. So when the love of God is increased in you towards another you won't have any hatred. Maybe somebody is trying to trick you. Somebody is trying to take your property, somebody has access to your property without your knowledge. And you have to forgive you know Jesus said if anyone slaps you on one cheek you show the other one also. If anyone takes your cloak give your mantle also.

# DAILY PROPHECIES

So you have to have an increase of love in you. If the love of God is increased in you. You are established blameless. If you are established blameless you will get deliverance. And moreover you will have eternal life in Heaven also. So if you want a healing, some people want a healing in their body. Some people want a financial breakthrough. So instead of going directly for a financial breakthrough or for a healing you have to come downward from the lower stage. That's what here Paul is saying. Increase let God increase the love in you towards others.

So what you have to pray is Lord give me your love. Lord give your love fill me with your love so that can love others, I can forgive others. So I can forgive others those who are tricking me. I can forgive others and I can call them friends. As Jesus called the one who tried to betray Him. You know Jesus called Judas Iscariot friend. He called dear friend have you come to betray me? So there was love in Jesus. He cannot hate him. And He was saying it would be better for him if he had not been born, because he had pity on that person.

So we should have the love of Jesus. If we have the love of Jesus we will be established blameless. That is what the verse is saying.

I was reading the 12th verse, the 13th verse So that you may establish your hearts blameless in holiness before our God and so when you are established blameless God will give you the best. God will give you the best not the second one, not the third one but the best one.

So this is the word to everyone.

More grace to you sister more grace to you. Breakthrough in finance.

Sister knowledge and money is filled.

Sister breakthrough in the family setup. A twist is coming in the family.

Sister the peace in your heart God is giving you rest. God is giving you rest and peace.

Sister breakthrough in finance.

Apostle more tolerance more grace and more power.

Brother you will have the money to repay.

Hallelujah in the name of Jesus!

Sister you will sing to the Lord. New music is coming to you.

Sister financial breakthrough is coming. Purchasing the new land.

Sister promotion in your family. Promotion in your family status. Hallelujah!

Sister happy news you will hear within the borders this is what I hear.

Brother the field is ploughed and it is the time to harvest. Pray for the Harvest.

Sister this is the golden chance this is what I am hearing to enter the stadium this is what I am

# DAILY PROPHECIES

hearing you will minister in the stadium. Hallelujah! In the name of Jesus.

Sister the problem before you is solved. The equation is solved and breakthrough to your family in your body the sinus is healed in the name of Jesus.

So I am thankful to everyone here.

Sister it is the time coming for you that God will honour you and reposition I hear the word reposition what you have lost. You are going to come back into the post

where you are repositioning this is what I hear.

So I am thankful to everyone. I think I have given the word to everyone here. So if anyone is saying I haven't received a word this is the word and may the Lord make you to increase and abound in love to one another and to all just as they do to you. So that you may establish your hearts blameless in holiness before our God and Father and the coming of our Lord Jesus Christ with all His saints.

Sister God is going to give you a car. And the ministry doors are opening. Promotion in your life.

Brother new church and family setup breakthrough is coming in your personal life this is what I am hearing.

So if anyone is saying I haven't received a word this is the word 1 Thessalonians Chapter 3 the 12 verse and 13, you have to read if you want a healing, want a breakthrough, want a promotion. What you have to have is the love of Christ in you towards another. Then you will be found blameless and you are established.

This is the word so God is going to establish everyone. God is going to establish you sister. God is going to establish everyone. So if anyone is saying I have lost something God is going to restore you. This is the word of God. God is going to restore you and new language God is going to give you. And breakthrough is coming to everyone.

So I am thankful to all brothers and sisters here. So the breakthrough is on the way to everyone the Holy Spirit is saying. The breakthrough the breakthrough is on the way.

May God bless everyone I am thankful to all brothers and sisters here. Also, I am thankful to God also. In Jesus name Amen.

# DAILY PROPHECIES

Welcome everyone! I have a word and I am going to share that word with you. This is the prophetic word. This is the word when you receive that is going to work in you. So that is from the Book of Ephesians Chapter 5:17, it says so the heading is given here in my Bible, Walk in wisdom; Walk in wisdom and the 17th verse says therefore do not be unwise, but understand what the will of the Lord is. So if you do not understand the will of God you are not a wise person. Maybe you have acquired many degrees from this World from many universities. Maybe you have

acquired many doctrines. Or you are very talented and are having more skills and you're very intelligent in the scientific or the invention and you are very smart to do everything, but if you do not know the will of God. There is no use of accruing all these things. There is no need to have this much education if you do not know the will of God. So the best education is knowing the will of God. You know those who look at the climate. Those who watch the climate they will prophesy and they will say tomorrow there will be rain. Tomorrow the climate is hot. There looking into the weather and prophesying forecasting. But many are running after the worldly wisdom. They want many human wisdom, but here God is talking through Paul the Apostle walk in wisdom.

Walk in wisdom means I will read verses 15, 16, and 17 so that you will understand. The 15th verse See that you walk circumspectly not as fools, but as wise redeeming the time for the days are evil. Therefore do not be unwise, but understand what the will of the Lord is Hallelujah. So this is what Paul is saying here. Be wise means when you know the will of God in everything you do what you do will be blessed.

Otherwise you will start a business maybe the partner of your business is not a believer. Or you are called to minister but you are doing the business. You are called to minister and you are doing the office work. So this all happens in the life, because the lack of wisdom, the lack of knowledge. That is what here Paul is saying be wise. Wise means if you know the will of God so you know it is lock down in my place. So this last week it is completely lock down and everyone is inside the house, but many even some believers they are going out they are breaking the laws of the government and they are going out.

You know why has this lock-down come we have to know that God wants us to be inside the house and to have fellowship with God. So this is the best time to have fellowship. This is the best time to have fellowship and to worship the Lord. So we have to understand the will of God in everyday in our live. If we know the will of God whatever we do will be blessed. If you do a ministry maybe in the beginning there weren't any people there only a few people only two or three people in your church but that is the will of God. So people do not understand they come to the church and new members come to the church and ask why are these chairs are empty? But that is the will of God. God doesn't make a person grow immediately only step by step otherwise that person will be proud and arrogant and he will forget the way. So God will increase step by step it is not stagnant it is the way of the Lord. So sometimes you are having financial problems it is because God doesn't want you to go out and buy so and so.

# DAILY PROPHECIES

Maybe because of a financial problem you cannot go to a wedding ceremony. You cannot go to your friend's marriage. You cannot visit your neighbour's house because of financial problem. So you have to know the will of God, because God doesn't want you to go there. That is why He brought a financial crisis in your life. So every time when a problem comes in your life that is for goodness, because you are a child of God. Because you are a child, you know Paul was doing the ministry very powerfully. Paul the Apostle was doing the ministry

very powerfully with signs and wonders. He was raising the dead, he was healing people and the lame were walking, the blind are seeing. So very powerful ministry Paul was doing. So immediately he was there in prison, but he was glad he was rejoicing. So Paul wrote many of his epistles when he was in the prison. So when he was in the lock-down in the prison he found a time to utilize in another way. So that was the will of God for Paul to be in the prison.

Likewise when God closes one door you have to know the will of God and there will be another way opened for you so that is the way of God and you have to know you have to know the will of God. That is what Paul is saying, do not be like unwise. The worldly people do not understand what is going on right now. The worldly people do not know what is happening around now. They're seeing it as strange. But know the will of God know the will of God a great revival is going to come into this world. So you are part of the revival. So those who are strong in the spirit God will use you that is the will of God. To everyone I am prophesying in the name of Jesus this is the will of God at this time. Because after this pandemic a Great Revival is going from one end to the other end of the world. And you are a part of that end time revival. So utilize this time to strengthen your inner man. Everyday you must have your inner man strengthened. Not seeing the outer man blessed. The outer man will be blessed automatically. When your inner man is strengthened the outer man will come and you will be blessed day by day. Instead of seeing deliverance for the outer man seek to when you are having tension find happiness in that tension. Because that is for raising you to the next level that is the will of God.

I am saying this because when Paul was doing the ministry powerfully, immediately he was in the prison. So he turned his attention of the other ministries he turned his ministry to writing. So he started to write epistles. So that was the will of God. That is why he was rejoicing. He was seeking a time to write the epistles. So that is what this word is saying be wise. Instead of looking outward look inward. Look into inward and look into your inward man and you will find that you need more strength. Then pray in tongues and read bible and meditate the word and pray in tongues again and worship the Lord. And you will have your inner man strength then automatically you will see that your outer man will be blessed day by day. This is the will of God. This is the will of God.

So if anyone is saying I have not received any word. This is the prophetic word that walk in wisdom don't be as fools. That is what Paul is saying don't be as fools. Don't be as fools you know many people are taking the injections twice, but those who have taken the injection have also died.

# DAILY PROPHECIES

So let us concentrate on God. I am not going into that area so use your time to know the will of God. The will of God is to stay inside the room. And to have fellowship with God. So this is the will of God life is changing.

Sister God is going to extend your boundaries.

Sister new car coming to you. Sister government is approving your petition. Sister the peaceful stay.

Sister financial breakthrough. Hallelujah in the name of Jesus.

If anyone is saying I have not received the word. This is the word instead of worrying about what is happening around. Instead of worrying about what is happening around think about what you repair inside of you. That is walking in wisdom. So this is the word.

God bless everyone I'll be praying for you pray for me also.

Brother grace of God is upon you and financial breakthrough.

So God bless everyone in Jesus name. Amen.

And financial breakthrough is coming to everyone. God is going to give a address to everyone. This is the word to everyone. God is going to give an address to everyone.

So I have a word to share with you. I will read that word I will share that word with you it is from the Book of Ezekiel Chapter 28 the 26th verse. This is the word to you. If anyone is saying that I have not received any word this is the prophetic word it is going to come to pass in your life. If anyone is afraid of your future this is the word. If anyone is saying that I don't have a house this is the word. If anyone is saying I don't have any family setup. Everything is upside down and I am worried about my future. This is the word. This is the future word given unto the Israel through the Prophet Ezekiel. So if has not come to us those who believe in the name of Jesus. This word is coming to pass into your life. This is the word I will read it. And they will dwell safely. How many of you can say Amen?

# DAILY PROPHECIES

You will dwell safely in which country you are maybe some of you are worried whether the visa will be renewed? Whether I will get a job, but this is the guarantee of the Lord. That you will dwell safely there build houses and plant vineyards as they will dwell securely when I execute judgment on all those around them who despise them then they shall know that I am the LORD their God.

Now in the newspaper, the television and the social media we are hearing the Israelites are having some war against some of the people around there so this is the word for

the nation of Israel. So it was given by the prophet Ezekiel that is a blessing to the nation of Israel that they will dwell safely. And this is for us also, everyone who believes in God YHVH in the name of Jesus this word is for us. That you will dwell safely so the Lord is saying I will execute judgments on all those around. That is why seeing the judgment is going around everywhere, but we are safe. What is the guarantee that we are safe is that the Lord has promised us.

Why we are not afraid of anything that is going around here, because the LORD has promised and God's word won't change that is the promise.

So we should not be worried. If you are worried about your future I say you are not believing this word. If you are worried about your children's marriage. If you are worried about your job. If you are worried about any other thing that is concerning you. I tell you that you are believing this word. If you believe God YHVH. If you believe in the name of Jesus this word is for you. So you should not worry that you will dwell safely. And you will build houses that is the word.

If anyone is saying I am in a rented house. If anyone is saying I am in a rented house this is the word that you will build houses. If your ministry is now going in a rented building you are going to have your own church building. That is the promise of God. If you are going in a taxi or some other vehicle God is going to give you a vehicle a car of your own. That is the promise.

In whatever area you are doing God will give everything to you. If you are going to nations God will give you a flight of your own. This is the promise of God. So they will dwell safely and build houses and plant vineyards that means not only you have houses you will have some land also.

Here the verse is saying you will plant vineyards. Somebody is saying I have no land I have no income. Here the Lord is saying you will plant vineyards that means the finance will come from the vineyards. From the land you will get income. So maybe you are saying you don't have the ability to do all these things. You don't need any ability God says one thing then everything will come at the right time. The ravens provided food for Elijah. And everything was given to all the Israelites. When they asked for food the manna was poured from Heaven. And likewise if you are thinking how these things will happen. You don't have to worry you only need to just believe. And you obey the word of God. And everything will come at the right time.

So if you are worried I tell you that you don't believe this word. If anyone is saying I am not having any job. Here it is saying that God is giving you a house. You will build house and you will dwell safely. So this is the promise of God. And this is the promise to the nation of Israel also.

# DAILY PROPHECIES

Actually you don't need to get a prophetic word personally because when you believe the word that word is for you. When you read the bible that word is a prophecy to you. So is anyone is saying you have not received any word this is the word that you are going to build a house. You are going to dwell safely and you are going to have a bright future this is the promise of God. So may God bless everyone. I'll be praying for you in Jesus name. Amen.

So I am thankful to everyone. Thankful to all brothers and sisters who are reading.

I have a word to share with you that is from the Book of Luke Chapter 4 the 4th verse,

# DAILY PROPHECIES

But Jesus answered him saying, "It is written, man shall not live by bread alone, but by every word of God." Hallelujah! So you know that incident Jesus was after completing the 40 days fasting. Jesus was hungry so He wanted food so the devil led Him to the wilderness and enticed Him and also told Him to convert the stones into bread so that you will be satisfied, but what Jesus said, "Man shall not live by bread alone, but by every word of God." So this is the prophetic word.

Sister the breakthrough is coming in your house, in the relationship and everything is going to settle. So "do not doubt," says the Lord.

So I will come back to the word, man shall live by every word of God. That means I am saying an example if you have a financial problem there is a word in the bible, it is Deuteronomy 28, you will lend, but you don't borrow, if you believe that word will give you deliverance. If you want a healing, Exodus 23, God will take away all your diseases. Also, 1 Peter 1:24, Jesus has taken away all your diseases on the cross. So when you believe, immediately you are healed. So if you want peace, John 14:27, "the peace that I give you," Jesus is saying. So there is a remedy for every word. So this is the word, that man shall not live by bread alone, but by every word of God.

You are going to live and you are going to finish. You are going to complete and you are going to compete and you are going to be successful. And you are going to see and blessed and enter the promise. And in every area you are going to be blessed not by the circumstances, not by power, not by military milk, but by the word of God. By the power of Holy Spirit. So this is the word.

So if you have any problem open your bible and find the word. You know many people they will look for references in the bookstore when you go to the bookstore you will get references for preaching. And for the heading love you can see many verses from the love, for care, deliverance, anointing for different headings there are different verses in the bible. So a person who wants to preach without reading the Bible, you could look into that index into that reference and you could preach. But I can tell you that you can preach from that, but if want to get a deliverance you have to read the Bible. And you have to find the words for you. And it is not somebody to tell you that this is the word, but you have to find the deliverance the key word for you. And when you find the word yourself you will get delivered, but if you seek somebody, many people will ask me through the telephone. They will ask can you give me a word from the Bible. So that person cannot read the Bible. He has not patience, he is not spending time to read the Bible.

So you have to read the Bible from Genesis to Revelation. From Genesis to Revelation you have to read the Bible. And you have to prepare a note also. And every word that is speaking to you

# DAILY PROPHECIES

have to put a heading there and write it. When the time comes you have to open your notebook and you will see the index there reference and that word that you have found yourself will give you deliverance. Not some other words that somebody else has given. This is you have, because God wants you to read Bible.

God wants you to read Bible from Genesis to Revelation. And the deliverance word is you have to find yourself. Sometimes when you are in a meeting or in your live video

you will get a word that is okay, but God wants you to read Bible yourself. And you have to find the word for yourself.

So I will read again, Jesus answered him saying, "It is written, man shall not live by bread alone, but by every word of God." So if you believe, here Jesus is saying, that you will live. You will live by every word of God.

If there is heavy tempest and rain and storm coming there is word. Jesus commanded the wind to stop and the sea was calm. So there is a word, there is a word for every disease. There is a word for every financial problem. There is a word for every marriage problem, every family problem there is a word. So you have to read Bible and find it.

Sometimes God will give the word through rhema you know revelation. That is powerful Rhema is powerful. Also the logos the return word of God that is powerful. So here Jesus is saying a man shall not live by bread alone, but by every word of God. Every word of God means not only written in the Bible but also instant Rhema, instant Revelations that will give you deliverance like the Word of God. So you have to spend time with God in fellowship. Then only you will get the Rhema word the Revelation. So either there will be a word in the Bible, but that word when you read that word will strike you. That is also revelation is there. Already somebody will say there is the word. Already there is that word in the Bible, but when at the moment Holy Spirit will direct you to believe it more and that will be a confirmation. That is the revelation in that word when you read that word the more secrets behind it will be revealed to you. So you need revelation.

So for a deliverance the word means both written in the Bible and also directly from God so that is the word that needed for deliverance. So if anyone has said I have not received any word. This is the word that you are going to see the breakthrough by the word of God. This is the prophetic word today to those who have not received and to everyone here reading this is the word that you are going to get the deliverance, you are going to enter the promise by revelation by the word of God. This is the word to everyone.

Brother breakthrough! Financial breakthrough! Sudden improvement. Family settlement the word for you.

# DAILY PROPHECIES

Sister you will go through the cave and come out of the test. You will come out as gold. And enemy will be removed before you this is what I hear.

Sister what you desire the Lord is telling what you desire the Lord is going to fulfil it. So when you hear this word when you reading this Daily Prophecies the most thing what you want now you pray and God is going to give it to you. And your children coming close to God the Lord says sister in the name of Jesus. Hallelujah!

Sister you are called to minister sister. You are called to minister. And God is giving you a house. And in the house you will stay peacefully with your dear ones. Financial breakthrough is also coming. I am also praying for reconciliation with your daughter. Sister promotion in your life says the Lord in the name of Jesus.

So welcome everyone! Welcome to Daily Prophecies.

So I have a word to share with you that I'll read. Hallelujah in the name of Jesus. So it is from the Book of 1 Thessalonians Chapter 5:8, Paul is saying But let us who are of the day, so he is starting this verse he is starting this verse with these words by saying, let us who are of the day be sober. You must be sure whether you are of the day. You must be sure whether you are of the day, but you must be sure that you are of the day and there is no doubt. So here Paul is saying Hallelujah! The 8th verse, But let us who are of the day be sober. That means you must be vigilant. You must be vigilant so it is saying let us who be of the day be sober, putting on the breastplate of faith and love as a helmet the hope of salvation. So this is the word for you in the name of Jesus.

So everyone who are reading you must realize one thing that we are not of the darkness. You know why people are having disease in their body? Because people are having disease in their body because in some area there is darkness. You must realize that you are a child of God. You have been brought with a price. Your body is the temple of Holy Spirit. So you are of the day. You are not of the darkness. When you realize that you are the child of God. And Jesus is dwelling in you. Jesus Christ the hope of Glory is inside you when you realize that there won't be any darkness in your life. You will be happy. There may be problems but you will come out of those problems. There may be lion's den, there may be dry well, there maybe wilderness. Even Jesus after the 40 day fasting, He was tempted by the devil. He was led to the wilderness. So there will be wilderness. There will temptation, but God will give the grace to overcome it. But one thing you have to remember that you won't fall into that pit. You won't be stagnant all the time in your life. So it is your belief that is giving you deliverance. The Israelites heard the promises everyone heard the promise, but because of their unbelief they did not see deliverance. Only few those who had the insight. Those who had the revelation were able to go into the promised land. So we must realize one thing that we are of the day. That is what Paul is saying, let us sober we are of the day.

So we have a hope here this word is saying. Let us hope and wearing the breastplate of faith and love and also it also saying putting on the breastplate of faith and love and as a helmet the hope of salvation. So we should have the hope that we will be saved. We will be saved. Not only in this world, but also in the eternal world. So we are separated from the world. We should not think like the gentiles.

# DAILY PROPHECIES

Everyone is having problem. We are also having problem they are also having problems. The gentiles are also having problems, but what is the difference between we and them is that we are of the day?

You know there were many prisoners when Paul was present in that jail. There were many prisoners, but the person was foundation and foundation was shake it was shook and it was broken. The foundation was shaken and they were rescued by the worship of God. Not by other people so some people may get some

deliverance, but only you are called for eternal life. So you are of the day. So when you realize that you are of the day, immediately the healing power will come upon you. And financial breakthrough will come upon you and you will overcome every problem.

So do not open your mouth and say that I have a problem. Did Daniel open up his mouth and say I have a problem? When you read the Book of Daniel, he never have seen that Daniel is saying that I have a problem. Did Joseph open his mouth and say I have a problem? When we read the Book of Genesis we never see that Joseph has said that I have a problem. So maybe you have a test. And you should be confident, because we are of the day. And that confidence is giving you deliverance. So maybe there is every storm coming, tsunami coming, hurricane coming, earthquake coming, financial problem coming, the cancer coming, the thyroid coming, the COVID coming, many problems coming, but one thing is that we are of the day. That is the difference of we and others. The same problems they are facing, but they are crumbling. They have no confidence, but we have the confidence that we are of the day. That is Paul is saying, but let us be of the day be sober.

So he is starting this word with we are of the day. So there is no darkness in our life. There is no witchcraft in us. There is not problem in our life. Sometimes we will be put to the test. When Jesus was led into the wilderness he was tempted by the devil. Will Jesus say that I have a problem? No, He will never say I have a problem, but He overcame the temptation it was a test for Jesus. And it was to show us how to overcome all the temptations. So maybe you are having many problems, but that is a test. The guarantee is that we are of the day that you will see your children's children. You will never be laid up in a death bed. You will live longer and give Glory to the works of the Lord. And you will never borrow, but you will lend. That is the promise. Every blessing in the Bible is for the children of God. And we are the children of God. And we are a Holy People of the God Abraham, Isaac and Jacob. And He has separated us. So that confidence is giving us a blessing.

So promotion in your life Pastor.

Sister peace family peace. You are having the family status. And this is the word, if anyone is saying I have not received any word. This is the word that we are of the day. We are not of the darkness, 1 Thessalonians Chapter 5 the 8th verse it says, we are of the day. So we are not of the darkness. So we do not have any depression or disease or any financial problems, because we will overcome everything. So I am thankful to everyone here. I am thankful to all brothers and sisters those who are reading here in these Daily Prophecies.

I am thankful to all brothers and sisters. If anyone is saying I have not received a word that is the word you mediate that word. God will deliver you immediately. So I will be praying for you.

Holy Spirit is healed stomach ache is healed in the name of Jesus. Hallelujah! So I am thankful to everyone. I have a word to share with you. I have given the word to the names that I have seen here on the screen. And God is going to bless everyone. So maybe some people have not commented, but are viewing so if anyone is saying that I have not received any word so this is the word that I am going to read to everyone. Hallelujah!

Sister Hallelujah the peace is in you. Peace is in you and you will have the money. And your children are blessed this is what I hear in the name of Jesus.

So I am thankful to everyone here. So I am going to read a word to share with you.

Sister be courageous! The LORD will settle your problems. And you will have the money to give the fees, this is what I hear in the name of Jesus.

So I will read 1 Peter Chapter 5 the 6th verse it says, Therefore humble yourselves under the mighty hand of God that He may exalt you in due time. This is the word. Maybe you have heard this word many times. Many times you have heard this word, but today the LORD has given this word as a prophecy. Some of you might ask why it is a prophecy? It is still in the Bible. It's already been in the Bible. But I tell you it is new to a person who is in need. It is this word is fresh and new to a person who is in need. So maybe you have heard this word many

# DAILY PROPHECIES

times and you might have not given much importance. Because you don't need an exaltation. You don't need a deliverance at that time.

So you did not give much care. You know when you read the Bible there will be many verses, but only those verses that we need at the hour we will give more importance. And when we go deep into that word. That word will bring us a change and deliverance. So this word is fresh and new to every person who is needed at this hour. That's why I said it is a prophetic word. Hallelujah in the

name of Jesus.

So this is the word if anyone is saying, I have not received a word. This is the word if you believe it is going to happen in your life. Humble yourself, if you want a deliverance in any area. You have to humble yourself. You have to humble before God. You have to humble before others also. You have to humble before men also. You have to humble before men. You have to humble before every person. So God will be pleased. So if you think that you know something, you are something, God cannot do something in your life, but if you think I am nothing. I am nothing I surrender to you. God will lift you.

This was the situation every time you read Bible you have before every miracle. There is humility. Before every miracle there is humility where that is when you surrender to God that we are helpless. God will do the miracle. So that is what this word is saying. Hallelujah!

I will read it again, 1 Peter Chapter 5 the 6th verse it says, Therefore humble yourselves under the mighty hand of God that He may exalt you in due time. You know the meaning of due time in the right time. In the right time so that is the due time. So humble yourself. I sense somebody is afraid of things that is going to happen in the coming hours. I sense some of you are afraid. What will happen in the coming hours in the daytime it occurred and somebody is afraid whether it will happen in the night also.

And somebody is afraid whether it will happen tomorrow, next week, but this is the word that you humble yourself under the mighty hand of God and He will lift you up. He will lift you up. He will give you a breakthrough in due time. Due time means that is the right time. That is the right time. There is a time for God to do a miracle. There was a time for God to deliver the Israelites from the Egyptians. It was not when they were in Egypt. It was not before when they were before the Red Sea. But when they crossed the Red Sea. And when the Egyptians followed the Israelites through the sea. Then God found it as the due time the right time to put everyone under the sea. The LORD blew the wind and the sea came and everyone was drowned and killed. So that is the right time. It is not according to our calculation. We might have some calculation we think that we want to go there. We want to do something. We want to do many things, but there is a time. There's a time and you have to know that time. When you know that time you will be silent. If you do not know the time you will trouble. You will say why it is delay that's why some people are saying why I am not getting deliverance. Why my marriage is not taking

# DAILY PROPHECIES

place? Why my children's marriage is not taking place? Why I am not having any good house? Why the ministry doors are not opened? So many people have this kind of why I am not having any financial breakthrough?

You know when the Israelites were moving, when you read the Chapter 7 of Deuteronomy when they passed through many places in some places God did not kill the giants of that place. In that new place there were giants. He did not kill all the giants. He left some giants there, because that place was full of wild animals. So if God

had destroyed all these giants that natives these wild animals will come and kill the Israelites.

So God kept some people as alive. So those who do not know will think why prayed many times why I am not seeing deliverance? This is the truth that God has a plan in your life. And He has put a time in your life that is the due time. So if you are praying for a marriage or a house to get. Your ministry doors or travel to nations or the Gifts of the Holy Spirit to be activated. God has everything at a time.

So if you complain or murmur it will be delayed. If you don't have revelation it will be delayed again and again. So this is the word that in due time. So humble instead of complaining, murmuring. Humble before the mighty hand of God. And He is going to lift you up before everyone. The world is going to know who you are. How many of you believe? The world is going to know who you are. Your relatives are going to know who you are. Your neighbours are going to know who you are. They do not know till this time. They are thinking you are some ordinary person locked down inside the room. And doing something like every person, but you are a special person. You must have that knowledge.

When the time comes when the due time comes God will lift you. So there is a time in your life. So if you are silent and humble, if you complain or murmur the due time will be prolonged. So if you don't complain and if you humble before the mighty hand of God. God has already planned a due time for you. So I believe today is the due time. I pray that today is the due time.

So may God lift everyone in this due time. You will do signs and wonders.

Sister you will do signs and wonders. Sister you will buy new utensils. I see the new refrigerator inside your house.

John you will have money for the travel.

Sister there will be many competitors, but you are protected. You are in God's list so you will be.

# DAILY PROPHECIES

So this is the word, this is the word that I am going to share it is a powerful word. So it is from the Book of Ezekiel Chapter 37 the 14th verse, so if anyone is saying that you are the owner of this word is for this person. And if you are the owner of the land. And somebody is in possession of the land and you are exited from the land maybe you are staying in the land, but there is no clarity in the title so this is the word that I will place you in your own land. The Book of Ezekiel 37 verse 14. I will read that complete word so everyone will have it so Ezekiel 37:14,

I will put spirit in you and you shall live. So if anyone is doing the ministry and is not power in the strong in the spirit, if your ministry is not powerful, if you are doing the ministry with maybe you are speaking in tongues, but the spirit has not come in fullness, maybe you are speaking in tongues and you are operating in some gifts of the Holy Spirit. But here the LORD is telling I will put my spirit in you that means when the spirit of God will come in fullness the power of God will be released. And when you minister people will be healed, people will be delivered, the demons will flee and things are created when the spirit of God will come in fullness that is what God is saying. I will put my spirit in you and you shall live. That means if anyone is saying that I am having a disease, I need a deliverance here the LORD is guaranteeing you, He is promising you that you shall live. So you will live you won't die. When the spirit comes in your in fullness maybe you are having any diseases, maybe you are having any kind of disease in your body. Here the LORD is saying I will put my spirit in you. I will put my spirit in you so when the spirit comes in fullness you shall live and next word is I will place you in your own land. That is what I said, maybe you are the owner of the land. But somebody is stating he's on your seat. Maybe you are working in an office and in your seat somebody has come in your seat. Maybe you are a pastor and somebody is doing your ministry. So I will place you in your own land means you will be placed in your own seat with authority that means when the spirit comes you will be seated in your own seat and no enemy can possess your seat this is the word of God Book of Ezekiel 37:14 says, I will place you in your own land. You know maybe I know may people who have their own house, but they have given it for rent. And the tenant is staying in that house and they are not moving. You do not need to go and file the suit in the court. Some people, some believers are filing the suits in the court, but I tell you that, you don't need to go and file the suit in the court, you cry to God. The LORD has promised that is what I will place you in your own land. The one who is staying in your land will be exited by the power of God. The LORD will bring confusion in his mind. The LORD will bring fear in his mind. And he will be exited. And you will possess your land. That is what I will place you in your own land. That word means this word this word means you are exited from your own land, but there will be a restoration. I will place you in your own land.

So God is going to bring confusion in the enemies mind and the enemy will go away. And you will be seated in your seat. Anyone who is doing the business this is the word that I will

# DAILY PROPHECIES

place you in your own land. So your business will flourish. Your ministry will flourish. You will be having the title to your house. And you are going to sit in your seat. That is what when the spirit will come in fullness and you shall live and I will place you in your own land and then you shall know that I the LORD have spoken it and performed it says the LORD. That's why I said don't go into the court. Don't go and see the lawyer. Don't go and file the petition in the police station. Don't go and see the doctor. Wait for the doctor for you will live that is what God is saying.

You wait and see what God is saying and I have spoken and I will perform it that is the guarantee. So it depends upon your faith. It depends upon your faith. So you know the ministry of Jesus is based completely on faith. Multiplication, multiplication five loaves of bread and two fish multiply. Complete faith. So It is your faith. The LORD has spoken, I have spoken and you will know that I have spoken and I will perform it. So the LORD is going to activate HIS word in you. You are going to see the breakthrough in every area so you should not be afraid. Even in the slightest things it is your faith. Maybe when you sleep there won't be any mosquito net and don't put the LORD to the test. There won't be any mosquito net and you cannot sleep well, because of the mosquitoes, but the LORD has made a covenant with you. Every insect, every animal, every beast, every wild animals, every creatures, every insects, that don't touch my anointed ones. That you can see in the Book of Psalm Chapter 105:15 there is the word there.

So it is your faith that what God is saying this word here what God has said HE will perform it when you believe. So I have from my experience sometimes when I stay in some other places away from my house. I don't have the mosquito net some places when I go to minister there will be I will be staying in the lodges or in somebody's houses there will be mosquitoes so I pray to God and God will protect me. And I will sleep very peacefully. That is why I am sharing this word.

So you wait for the LORD. Here the LORD is saying I have spoken, Ezekiel 37:14 I have spoken and I will perform it. So every word is spoken from the word will come to pass. But you have to wait because the LORD is saying I have spoken and I will perform it. This is the word to everyone.

Sister breakthrough and the festival is coming and you will see that the LORD has blessed you. God is going to extend your boundaries sister. What you desire God is going to fulfil.

HE is going to fill you with HIS spirit the spirit is coming in fullness and you will see deliverance. Hallelujah! You will see a deliverance and restoration. That you will be placed in your own land that is the promise of God so no deposition you will possess the land this is what I hear.

Sister the mercy of the LORD is upon you. Purifying the LORD is purifying you for the next level. More purification is needed for the next level the LORD is telling God is going to extend your boundaries.

Welcome everyone! I think I have given the word to everyone. Hallelujah! God will speak into everyone's life.

Sister you will write the word in English that is what I hear. And more proficiency in the language God is giving you. Sister the promises have come to pass into your life and you will see your children blessed.

Sister financial breakthrough and family peace. You will sit with your dear ones and declare the work of the LORD this is what I hear.

Sister separated for the LORD for the Kingdom. So wait for the time of God to come in your life and you will possess the land this is what I hear in the name of Jesus.

So I think I have given the word to everyone. Hallelujah! In the name of Jesus. So it is raining here in this place. It is raining it is a heavy rain I think that's why the network is broken. Sometimes we have to pray, but God cares each and everyone here.

So I have a word to share with you that is from the Book of Jeremiah 6 the 16th verse, Thus says the LORD, "Stand in the way and see and ask for the old path where the good way is and walk in it then you will find rest for your souls." So the LORD is telling, stand in the way and see and ask for the old path.

What is the old path that we have to ask the LORD? Holy Spirit has to tell what the old path is the path which the saints walk. The path which the saints of God walked that is the old path. How they walked they walked by faith. When you read the book of Hebrews Chapter 11 you can see it is a powerful word that is why the devil is trying to put some break in the network. Hallelujah! So if you are seeking for a healing or deliverance or your family is under some bondage and you want to come out. You have to ask the LORD. That is what, Thus says the LORD, "Stand in the way and see and ask for the old path where the good way is and walk in it then you will find rest for your souls."

So what is the old path? When you look into the Bible from Genesis in the old testament and also in the new testament. You can see how the saints walked. So when you read the Book of Hebrews 11 you can see they walked of the way of faith. They walked by faith without seeing anything. Without seeing anything they entered into the promise by walking through faith. So when you go deep into that word in that chapter you can see how Moses walked through the Red Sea. You can see that he walked as if by dry land. So when the Red Sea was divided there were waters the walls of water on either side. And it is like huge walls. So every person who walks through that Red Sea will be frightened, because anytime the sea can come back and everyone would be drowned. But they are walking by faith. So the Bible says, Hebrew 11 you see verses 25, 26, 27 when you read it you can see Moses walked through

# DAILY PROPHECIES

the Red Sea as if by dry land. So today if you want a healing, if you want a healing in your body. You must be like as if you have been healed. If you want a financial breakthrough you should be like as if you have been financially delivered. That is the old path which the saints walk by faith without seeing.

Moses walked through the Red Sea as if passing through dry land. So if you want a deliverance, maybe you are in the pit and you want to come out you don't have peace maybe in the financial area or in the body you need a healing the

doctor says that there is no medicine. And the bank managers

say that your property is going to be auctioned there is no way, but look into the bible how the saints walk they walked by faith that is the old path. They walked by faith without seeing Abraham left his house without seeing the promise. God told Abraham come out of your place and he left his parents and prays without seeing the promise that was the path this is what Holy Spirit is telling. That is the path the old path is walking by faith without seeing the promise as if you are in the promised land.

If you are seeking for a child, if you are seeking for a child and you are not having a child, be like as if you have a child. Go to the child's where the shop there are the things like things sold for the children small children. Go and purchase them. Hallelujah! If you don't have a car go and build a car shed you understand. If you don't have a car you are walking by foot and you don't have money to buy a car you go and make a car shed. The car will come there. By faith this is how the saints walked by faith. Without seeing the promises. As if they are in the promises. That is the old path.

So today be like as if you are healed. There is no peace in your body every-time you come to pray, every time you come to pray you have to thank God. LORD I thank you for you have healed me there is no pain in my body. There is no disease in my body. There is no financial problem in my being. So every time you have to say before praising God you have to thank God in the name of Jesus. That was the way and how David walked. He was actually in fear of his father-in-law Saul and he was hiding in the caves and in the forest but he was praising God. He was writing the psalms most of these psalms were written when he was in the caves and in the forest when he was hiding from his father-in-law.

So 2nd Samuel the Book of 2nd Samuel Chapter 23 the 4th verse, and he shall be like the light of the morning when the sun rises. A morning without clouds like the tender grass springing out of the earth by clear shining after rain. So your life will be like this if you believe. Here in the 2nd Samuel 23 the 4th there were David's last words. And the God of Israel said, so here David is telling to everyone. So the God of that I will read the third verse also so you will understand. The God of Israel said the rock of Israel spoke to me. So the rock of Israel spoke to me, He who rules over men must be ruling in the fear of God. And He shall be like the light of the morning. So this is the word for you.

This is the word that you shall be like the light of the morning when the sun rises. You know when the sun rises. There won't be no clouds. It will be very clear. And the sky will be very clear on a good day. So you shall be like the light of the morning when the sun rises. So when the sun

# DAILY PROPHECIES

rises in the morning it is very beautiful to see the light. It is very pleasing to our eyes. It will give very happiness to our eyes when we see the sun rises from the darkness. The light will come little by little. I think you have seen the sun rise. So when the sun rises it will the light will come little by little.

You know when you go to the seashore. You can see the sunrise. Also from the mountain side also you can see the sunrise. So when before you see the sun you will see the light. So before you see the sun it will be full darkness. So little by little you will see the darkness moving. And little by little the light is coming. And after you see the sun the full darkness is removed and it is full fully light and that light is very bright giving us pleasant to your mind and it is without clouds. And that is what this verse is saying he shall be like the light of the morning when the sunrises. A morning without clouds. Hallelujah!

That means without problems if there is cloud in the sea in the sky. It will be difficult to see the sun and the light won't be good. There will be a dim light, but if there is no clouds. There are no clouds the light will be good so your life will be without problems. This word is very powerful. So I sense some of you are fearing that something will come in the coming days. Some of you are tensed about your future. Some of you are tensed about your office. Some of you are tensed about your ministry. Some of you are tensed about your health. Some of you are tensed about your job. About your financial problems, but here this word is saying you are.

I will read that you are you should be like the light. So your life will be like the light. You shall be like the light of the morning in the morning means your life will be like that without clouds without problems. Know there won't be any problem. If a small tension comes into your mind you cannot worship the LORD. You will be going after that problem. So every time you can praise God. Every time you an praise God because there is no tension. Everything will be blessed what you see is only blessing. What you see is only blessing. And what you hear is only blessing no tension. That is light without clouds. Sky without clouds means without tension and it is saying Hallelujah like the tender grass springing out of the earth by clear shining after the after the rain. You know after the rain you know when the light shines on the grass it looks like fresh like new one without mud or dirt. Otherwise the grass will be with the dust covered with dust and mud, but after the rain when the sunlight the morning sunlight shines on that grass. It will be like a fresh one. So your life will be like that fresh refreshed always. No disease, no cancer, no thyroid, no financial problem, no tension because every time refreshed. This is the powerful word. So when you believe it will be like that Hallelujah!

Sister the negotiations are taking place. And you will buy the land. And no one will challenge you and you will have a peaceful stay. You will have plenty to give. This is what I hear.

If anyone is reading and saying I have not received the word, this is the word that is 2 Samuel 23:4 it says your life without problem. Your life like the light shining in the morning. Your life like the grass that shines in the morning light after the rain. That means always freshness! So when you and you have to go deep into the word. When you after a long work when you don't have much sleep you feel tired you feel sleepy remember this word Re-freshness, refreshing that will a freshness always freshness that means your life will be like the grass that shines in the morning light after the rain. So when you feel tired when you meditate this word. You will have a freshness Hallelujah! So when the enemy brings any tension remember that your life is a life without a clouds. The light shining the morning light shining from the sun without clouds. So when you are in the problem you have to meditate this word. You have to write it in your diary or in your heart and you have to meditate. So that will give you deliverance. It is a very powerful word.

So I am thankful to everyone. God bless everyone.

So God is going to bless everyone your life is without clouds and always refreshment. So God bless everyone.

So I think I have given the word to everyone here.

Brother so very soon the deliverance comes this is what the LORD is saying. Brother very soon the deliverance will come and God will honour you among those people. Those who do not accept you among your relatives. God is going to honour you. I see the name like that of Jabez when I look at your name Brother the LORD is reminding me of the name Jabez in the bible you know in 1st Chronicles you can see Jabez he was born in pain, he was born in sorrow,

# DAILY PROPHECIES

so his mother named him Jabez. But God honoured him. God honoured Jabez. So I sense you are carrying many problems. You are having many problems in your life. And God is going to honour you this is the word that I hear in the name of Jesus.

So welcome everyone here. I am thankful to all brothers and sisters those who are here. Hallelujah! In the name of Jesus. Hallelujah! Pray in tongues.

Sister your celebration is coming this is coming a celebration is coming in your family and you will laugh. You will laugh from the bottom of your heart. And God is going to bless your family this is the word for you the celebration in your sister. Hallelujah!

So welcome everyone! I think I have given the word to everyone. Hallelujah in the name of Jesus!

I have a word to share with you that I have read in the beginning! So I have given the word to everyone! So if anyone who has not received any word and anyone who is watching and I have not commented here the word that I am going to read is to you and to everyone who believes. Everyone who believes Hallelujah! This word is going to come to pass into your life. Hallelujah!

So what I say I prophesy in the name of Jesus. And God is listening to what I have spoken. Hallelujah! And those who fear God that word will come to pass into your life. This is the word so I will read this word that is a very powerful word. Very powerful word on the Book.

I see one name Hallelujah! Brother the LORD is giving you a house this is what I hear. The LORD is giving you a house. This is what I hear once on and also rearrangement I hear the word rearrangement in your house. This is what I hear so I will read this word. Hallelujah!

Brother you are saved no one can judge you. You are saved. And financial breakthrough is coming brother this is what I hear. You will pass the test this is what I hear in the name of Jesus.

So I am reading the Book of Malachi Chapter 3 the 16th verse: Then those who feared the LORD spoke to one another and the LORD listened and heard them. So a book of remembrance was written before Him for those who fear the LORD and who meditate on His name.

So this is the word that you are here. You are reading this because you fear the LORD. You are reading this because you meditate the name of the LORD. Actually you are very busy you have some other job you have some other ministry, some other family matters or something related to your job anything this was something like that, but you have left everything and you are reading these Daily Prophecies. Because you meditate the name of the LORD and you fear the LORD. That's why he brought you here to read this word.

So here what this word is saying then those who feared the LORD spoke to one another. So I am speaking to you I fear the LORD and you also fear the LORD. So I am speaking to you that everyone here are blessed in the name of Jesus.

Everyone here are healed in the name of Jesus. Everyone here are going to be honoured by God YHVH in the name of Jesus. Every disease is going to be healed in the name of Jesus. Every pain is

# DAILY PROPHECIES

going to be relieved in the name of Jesus. Every financial problem is going to be healed in the name of Jesus. And every family problem is going to be healed in the name of Jesus. So every person is having an inner healing. So I declare here in this platform and what the Lord and what this word is saying and the LORD listened and heard them. So what I am speaking the LORD is listening as per this word. This is a powerful word what I speak, I speak a blessing over you and your family. I and you fear the LORD so the LORD has kept a book of remembrance. And what

I am speaking here is writing in that book of remembrance.

And because you meditate this name. And because you fear the LORD what I declare is going to come to pass into your life as per this world that's why I said it is very powerful.

So no financial problem in your life Never you will count the money. Maybe somebody is counting the money when you go to buy the grocery or the rice or the vegetables or the meat you will count the money, but never in your life. You will count the money. When you fill petrol or diesel or fuel in your car or in your van or whatever the vehicle is you don't bother. You don't bother because you don't even think about the mileage. How much mileage you will get from that litre of fuel. You never think because no financial problem so you will never count the money in your purse, because God is going to give you plenty. How many of you believe?

You know when I started the ministry in the beginning stage. It was very problem financial problem for me, but now God has blessed me. So I am saying from that today God is going to bless you. God is going to bless you financially everyone who are reading now. You will never count the money in the name of Jesus. Hallelujah! You will never lack food when you desire to eat a food that food will come on your table. When you desire to wear a dress that dress will come into your closet. That is the blessing of the LORD. That is the blessing of the LORD.

The LORD is my Shepherd I do not want that is the word Psalm 23:1 you know. So that is the blessing of what you need that will come there at the right time that is our God. And what I am saying the LORD is listening and HE is writing everything that I am saying and HE is writing in the Book of Remembrance. And when you mediate the name of the LORD whenever you mediate the name of the LORD these things are going to come to pass in your life. Never you will count the money in the purse. When the provision is there when you are in need there will be the provision. It is like the ravens who bring food to Elijah. Sometimes the ravens did not bring food in the noon time, because that was the calling of Elijah to eat only two times. So God fed him two times sometimes when you are in need don't murmur or don't complain, because at that time God wants you to be in that situation. That stage so don't complain don't murmur when you believe the word of God. That word of God will come to pass in your life.

So everyone is going to have a breakthrough from this word God has put everything what I have spoken HE has written in the Book of Remembrance. And the words are going to pass that you will never count money. And what food you desire will come on the table. And what dress you wish to wear that will come in your closet. HE has written this on the Book of Remembrance and it is

# DAILY PROPHECIES

going to pass. And everyone are healed. No one will have a pain in the body. No one will have a pain in your body. No one will have a disease, no cholesterol, no diabetes, no arthritis, no cancer, no leg pain, no joint pain, no blindness everyone is going to have eyesight. Everyone is going to have the visions clearly. And everyone is going to hear the voice of God in the name of Jesus. So these words are going to come to pass into your life in the name of Jesus.

Promotion to your life sister. You will buy the land sister.

God is going to extend your boundaries sister. God is going

to honour you sister.

And money is coming into your hands sister.

Sister be courageous I have separated you for the Kingdom, says the LORD.

Brother do not look back move forward.

Pastor I say honour I see the cap on your head. God is going to honour you.

So sister I see moment no more stagnant this is the word for everyone. If anyone is saying I have not received any word. This is the word what I have spoken. God has put everything what He has wrote everything in that Book of Remembrance and it is going to pass the Book of Malachi Chapter 3 the 16th verse for you for everyone.

So I am thankful to all brothers and sisters who are here. So God is going to increase everyone's knowledge and everyone is going to prophecy in the name of Jesus.

May God bless everyone and I am thankful to all brothers and sisters here. God bless everyone in Jesus name. Amen. Hallelujah!

Sister so healing over your skin and financial breakthrough and you will have the title for the house, this is what I hear sister in the name of Jesus.

So welcome everyone I am going to read the word that is from the Book of Habakkuk Chapter 2 the 3rd verse, it is a powerful word and you have to believe. So that is the word Hallelujah in the name of Jesus!

So welcome everyone here. So everyone welcome here to Daily Prophecies. So I am going to read the words Habakkuk Chapter 2 the 3rd verse Hallelujah! I will read it Hallelujah it says, For the vision is yet for an appointed time. Some people you know are very disappointed; because they have the visions that they had heard some years ago before maybe 20 years before they have heard a word and it has not still come to pass into their life. So they are very disappointed. They say we heard the promise, but it has not yet come.

So here the word is saying, For the vision is yet for an appointed time, but at the end it will speak

# DAILY PROPHECIES

and it will not lie. Though it tarries, wait for it; because it will surely come it will not tarry. So here I am speaking from this word that from this part that in the first ever part it is saying though it tarries. Wait for it and again it is saying it will not tarry. So you know this word very well. The vision is that for an appointed time, but at the end it will speak and it will not lie. Though it tarries wait for it so it is saying it is this verse is saying God is speaking through His word though He tarries. Wait for it. So God is saying wait for it, because it tarries, but again this word

is saying; because it will surely come it will not tarry.

So here first it is saying it will tarry. Wait for it. But again that verse is saying, because it will surely come. It will not tarry. That means you know there is a time for every promise of God. God has fixed an appointed time. So surely it will come it will not lie. It will speak it will come to pass. Into every word, every prophetic word it will come to pass into your life. And, it is saying you have to wait. It will tarry that means there is a waiting time. And there is an appointed time. You have to wait, but again it is saying that is what Holy Spirit has to speak from this word. Though it tarries wait for it; because it will surely come. It will not tarry. So there is no waiting. Surely it will come, but to some people it is they are waiting that we have to understand. Who are those people who are waiting? And who are those people who are going to have a sudden breakthrough?

That we have to find. You know in the Book of John 7:6. In the Book of John Chapter 7 the 6th verse Jesus is saying, "My time has not come, but it is time, it is always time for you," John 7:6. When you read the Book of John Chapter 7:6 Jesus is saying, "My time has not come, but it is time for you always." You know the mother of Jesus was led to tell Jesus that the wine has run out at the village of Cana at the wedding day, but Jesus said, "My time has not come to do the miracle. My time has not come to do the miracle. "But Jesus was moved by the faith of His mother Mary so He changed the time. So He changed the time and He did the miracle.

So it is your part to make a move from God. It is your faith. You know when you read the Book of Gospel you can see there was a centurion he wanted his servant for an healing so he came to see Jesus And Jesus was about to go with him so He said," no you just a command. So I am explaining to you, if Jesus has God with Him, it will take some time until which Jesus reaches the house of the centurion. That patient will be there with the disease, but when Jesus reaches that home and lay hands on that servant's head he will be healed. That servant will be healed. But here what happened? The centurion said, "Jesus you are a man of authority so you stay here. You need not come to my house and you just command." So the healing power was released in advance. If Jesus said, "Come to his house, if Jesus accompanied him with the centurion to his house it will take time, maybe some hours or minutes to reach there. And then only that patient will be healed. But because he said, "You just give a command." Immediately,

# DAILY PROPHECIES

when He said that servant was healed. Because Jesus was moved by the faith.

So that is what this verse is saying. It will tarry and you have to wait, but it will surely come. So you don't have to tarry. That means you have to make a move from God. God will move it depends upon your faith. So that is what this verse is saying, Hallelujah! It will not tarry. So maybe you have heard that you are going to see the blessings some after years, but you can have that promise every

promise to come to pass into your life. Even at this second!

That is what the centurion showed us. And Jesus said, "I have never seen anyone in Israel with such a belief."

So you have to move God by your faith. God has to do something. This is also what we see in the village of Cana. Actually God has appointed a time for Jesus to do a miracle when He was here in this world. So He was waiting. You know He was the Son of God and anytime He can do a miracle. But He waited for the time, 30 years He waited to start the ministry. 30 years He waited to start the ministry. But it was before time in the village of Cana. That means Jesus said, "My time has not come." So there is an appointed time for the promises to come, but you can change the time, by your faith that is what it is saying. And there Jesus was moved, He was forced, He was suppose to do the miracle.

So today, maybe somebody has told you that it will take time, but today I tell you, today you will receive the telephone call. Today you will receive the email. Today you will see the visions. Today the money will come. It is everything is up to you. So if the mother of Jesus can change the time. And if the centurion can change the time. It is up to you that you can change the time by faith. So that is this verse is saying, because it will surely come. It will not tarry. It is up to your faith.

So some people are waiting. So they are waiting for the promises, but I tell you, for you it is today! That is why you are reading this Daily Prophecy here. You are reading this Daily Prophecy here, because you read this word. This is the Rhema Word. You read this Rhema Word. Somebody is saying that it is already there the word is there, but the Word will speak as the Holy Spirit leads.

So I have never even humbly I say it I never even prepared to say what to say. This is what Holy Spirit was speaking. So it is a prophetic word. So this word from this word so it will not tarry that is the word. This is the word, It will not tarry. For some people it will tarry, but for you it will not tarry. So it is your belief. You have to receive it in the name of Jesus. It will not tarry in every area. In the financial area, in the marriages those who are waiting for marriage, it will not tarry. Maybe you don't have money for the marriage of your children. The money God will command the people to release the money. If God commands no one will stand no. So you have to make a move from your part. That means that "by faith you can move mountains." That's what Jesus said. If you have faith you can move the mountains.

# DAILY PROPHECIES

So by faith you have to make a movement in your promises. It will not tarry! So today is your healing not tomorrow. Today is your financial breakthrough. Today you are going to join the new job. Today you are going to enter into the promise. Today means now. Now the seed is released. It is upon your faith. So it is given. God has given this to you. That's why we can see from the village the marriage in the village of Cana, that we have seen. Also, in the centurions belief. Immediate healing! If Jesus had walked with him it will take some time, some

minutes or some hours for that servant to heal, but instant healing. Immediate healing. So when you are watching this live video you are healed right now! Not for some other day. You are healed in the name of Jesus. Right now by this word because it is saying it will not tarry.

Habakkuk 2:3, says the last part which it will not tarry. So that means now! Now and not in the coming seconds. Now you are healed. Now the doors for the nations are open. Now complete healing over your body. And financial breakthrough now. Now God is commanding the people to release the funds now and not tomorrow. Not after praying for some hours or taking a fast. Now that is what this word is saying, it will not tarry.

So you have to make a move from God's part by your faith God has to move. Actually God has fixed a time. But you have to change that time by faith. That is what Jesus is saying, John 7:6, "My time has not come, but it is time for you always." It is time for you always!

The healing is for you. You have to receive the healing it is already open. And the money is already released. And already there was a stream opened in the wilderness. Hagar did not see it so God opened her eyes. So she saw the stream already opened there. When you read the Book of Genesis, you can see it. Everything is there already when you have received Jesus Christ as your Saviour. Everything is there! And if it is delaying, you have to pray to God to open your eyes. Already when you receive Jesus Christ as your saviour, everything, when you have taken baptism and when you have received the Holy Spirit everything is there. And that is why it is saying it will not tarry. It does not tarry so if due to lack of faith, so due to lack of faith it is delaying. And because of somebody in your house wants to be purified it may delay in some cases so this is the word.

Sister increase in knowledge sister increase in knowledge.

Brother you will get the money.

Sister the promises are come to pass. Sister you will get the new contract I hear new job.

If anyone is saying, I have not received any word, this is the word that what all promises you heard from the beginning it will not tarry. It is up to your belief. It will not tarry. Today is the time for the promises to come to pass. That is what Holy Spirit is saying. So I am thankful to everyone.

So God is going to bless everyone and everyone is going to have the promises to come to pass in their life.

So God bless everyone. I'll be praying for you and thankful for all brothers and sisters those who are reading. So God is going to increase the anointing in everyone. In Jesus name Amen. Hallelujah!

You will build a new building of your own and you will have the office in your own building this is what I hear.

I am thankful to everyone!

Brother promotion in your life. You will stay in your mother's land this is what I hear in the name of Jesus.

So I am reading this verse 2 Corinthians Chapter 12 the 10th verse, it is a very powerful word, Therefore I take pleasure in infirmities, in reproaches, in needs, in persecutions, in disgraces, for Christ's sake for when I am weak then I am strong. But how many of you can say that you take pleasure in infirmities, in reproaches, in needs, in persecutions, in distresses? Because when these problems come into a person's life they feel happy. They will be distressed and they will be discomforted and they will begin to murmur or complain. Or even if they are silent they will be sad they cannot rejoice. Even when we have a small headache we cannot be happy. Even a nail is giving a pain or a simple light tension has come into our life. We cannot rejoice. We will be worried about such kinds of things, but here Paul is saying, I take pleasure. He's taking pleasure in his infirmities, in reproaches, in needs and needs means he's also facing financial problems. So if you desire to buy something and if you don't get that thing you will be sad, but here Paul is saying if he's in need he is happy. He is taking pleasure and if he has some problems infirmities he is taking pleasure.

So God wants everyone of us to be in that stage into that level. That means Paul is not bothered about what is happening to his life, because his personality, his citizenship is not here in this world. So he is not bothered in what is happening to him. He is bothered about his spirit about his inner man. So a man who is like that can say that I take pleasure in all these things. This is what God wants for everyone of us. So when we come into that level we have no problem. We will never complain, we don't look, we don't wait for the deliverance. I know many people they are looking at the calendar and they are looking at their years when they will see the deliverance. But if you rejoice in the midst of your problems you don't have to look at the calendar. You don't have to look for the days. You know Joseph when he was in the prison I believe he was praising every day! Every day he was praising God! So he did not think about when he will come out of the prison. He was spending in the prison for many long years and his legs were chained, his hands were chained. And you know in the prison it is not neat there is dirt everywhere. But he is not even bothered of all these things. Because every day he has a duty. What was his duty to praise the God. Every day we have a duty to praise God. Then how we cannot think about all these problems. And moreover Paul is saying I take pleasure in infirmities, in reproaches, in needs, in persecutions, in distresses for Christ sake. So he is happy in every negative situation for the sake of Jesus. And also he's saying the reason is that he got a revelation why he is taking pleasure. Why he is having pleasure in all these problems, because he got a revelation from his experience.

# DAILY PROPHECIES

And God told him, because he was praying for a certain thing in his life. He was praying three times and God told him my grace is sufficient. My grace is sufficient that's what God spoke to him and from his experience he knows that after the problem his anointing will be increased. That is the reason you know when you have a problem in your life, if you murmur or complain, maybe you will get that deliverance, maybe you will get the deliverance, but it will take some time, if you complain or murmur, but when you have a problem, when you pass

through a test, if you are silent and if you rejoice. Not only will you overcome that problem, but there will be an increase in the anointing. Especially for those who are doing the ministry of the LORD. When you are put to the test, maybe you are in the office of a prophet or an apostle or a shepherd or a teacher or an evangelist. Whatever you are doing when you put to the test you must realize after this problem when you overcome this thing in your life there will be an increase in your anointing. And through you many people who are having the same problem will be delivered. Hallelujah!

So if you are having a bronchitis problem, through you many bronchitis people having such problem are healed. So he's saying, when I am weak, then I am strong. So when you are weak you are strong. That is the reason why he is taking pleasure. So when the problem comes you will rejoice because the anointing is going to increase. And there will be a change in the ministry after this problem. That is sure that is why he is saying, I take pleasure, because when I am weak I am strong. His inner man is strengthened. So that's why he's taking pleasure. So whatever problem you face in your life, don't bother give it to God and the one who created us is always watching us and he is on the wheel. He is guiding us so you should not be upset.

Breakthrough in your child's life.

Sister you will get a new car.

Sister promotion in your life.

Pastor breakthrough in your financial area.

Sister be courageous, boldness God is giving you.

Sister properties are coming in your name.

Sister financial breakthrough.

Sister you are protected from the pandemic.

Brother mission and insight, I hear the word vision and insight. Hallelujah!

Brother the nations will open for you brother in the name of Jesus.

Sister new garland. New honour and peace in family. Hallelujah!

Brother knowledge in the language.

# DAILY PROPHECIES

The peace in you. Hallelujah in the name of Jesus.

Sister you will buy the land Hallelujah in the name of Jesus.

Brother this is the time to take important decision the speed is increasing Hallelujah!

Brother new methods are adopted and there is God's covering over your family in the name of Jesus.

Brother peace, the peace I see the peace and financial breakthrough Hallelujah! In the name of Jesus.

I am thankful to everyone! I am thankful to everyone! I think I have given the word to everyone. I am thankful to all brothers and sisters. Those who are reading here. Also, I am thankful to God also the network is strong. So there was not break in the network. Also I will be praying for you. So God is going to bless everyone.

So if anyone is saying I have not received any word. This is the prophetic word that whatever problem you have, you find pleasure in it. You find pleasure in your negative things. In your unhappiness, in your unhappiness, you find pleasure and that will make you strong. When you are weak, when you are sad, you will become more anointed. And you will be able to grow in the ministry. So rejoice! So rejoice! Because God is always watching who is caring about your family. It is like playing a chess. You know a man who plays chess is watching. And he's always watching the game. Likewise, God is always watching. And He knows how to protect you from the enemy. So you just hand everything to God and you rejoice. You sing praise to God that's Paul showed an example when he was put in the prison. He did not call any senior pastor. Please help me to come out of the prison. He did not call any minister or any politician please help me to come out, but he was praising God. So he is taking pleasure in whatever problems he had.

So today this is the word. You rejoice! You rejoice in your problems! In your infirmities, in your distresses, in your pain, in your family problems, in your needs, Rejoice! And be happy and your anointing will be increased and you will get deliverance also. And you will get promotion. So two things will happen deliverance and promotion. If only you pray you will get deliverance. You won't get promotion. When you face a problem, you will pray, when you pray to God you will get delivered from the problem, but when you rejoice. You will get promotion and also deliverance. Two things will happen that's why he is taking pleasure. Paul is taking pleasure.

So God bless everyone. I am thankful to all brothers and sisters here. So I am thankful to everyone whose reading. So rejoice always!

God bless everyone in Jesus name Amen.

To be continued...

Sister so the new business is going to start the old one is stopped the new shop is going to start. Open and reopening and money released. This is what I see in the name of Jesus you will have a financial breakthrough.

Welcome everyone I have a word to share with you that is from the Book of 1 Kings Chapter 17 the 22nd verse it says, Then the LORD heard the voice of Elijah and the soul of the child came back to him and he revived. When you read this Chapter 17 from 1 Kings from the verse 17th when you read that later you can see Elijah was staying in a house. He was staying in the widow's house and the widow's son had a disease and he died. So she complained to Elijah, man of God you have come here and you are staying in my house and you have brought such a tragedy to my life. So Elijah cried God. He cried to God and he prayed to God I am staying in this house so you have to do a miracle in this widow's life. So I will read the 21st verse also. And he stretched himself out on the child three times cried out to the LORD and said, "LORD, my God I pray let this child's soul come back to him. Then the LORD heard, the 22nd verse I am reading, Then the LORD heard the voice of Elijah and the soul of the child came back to him and he revived. So this is a powerful word. If you cry to the LORD, because here is what Elijah was worried, because he was staying in that house and that house got a tragedy. So when you do a ministry and people come to your ministry you should have a burden about those people. You should have a burden about those people who are watching your videos. You should have a burden about the people who come to your church. So here also, Elijah has a burden and he cried to God, he cried to God, "LORD why have you brought this tragedy to this house where I am lodging?" So that pain of Elijah was heard by God and God brought back the soul of the son and he was revived. So when you pray with a burden this is what I am saying, what we have to understand from this verse is that when you pray with a burden that prayer will be heard. Because Elijah was coming from far away and he was lodging in this widow's house and suddenly this widow's son's dies. And she complains, "Man of God you have come and I have lost my son." So he was very worried, because he was staying there in that house. So imagine that situation. He cried to the LORD. LORD why you brought this tragedy? Why I am sharing this with you when you pray with a burden surely God will hear your prayer. It is

# DAILY PROPHECIES

not just praying pray with a burden. With a burden in your heart when you cry to God. LORD surely God will hear your prayer. Whatever problem you have you pray with a pain in your heart. If you pray with a pain in your heart the LORD will answer you're prayer. Praying is not easy, some people say when I came to Christ when I came to Jesus Christ as my Saviour I started praying. I started praying always, because I had many problems in my financial area in my business like that. So I was crying and I was having pain, but people

outside they do not know they think I am just praying. They

say you are praying always, you are praying it is easy to pray, they think praying is easy. But when you know Jesus just before His crucifying He was there in the Gethsemane garden. He left Peter, John and James a distance and He went alone to pray and when He came back He saw them sleeping. Why are these disciples sleeping? Because they have no burden. They have no pain, no burden. If any person has any pain or burden they cannot sleep they will cry to God. Jesus again came the third time. Jesus came and found His disciples sleeping and He became angry and said, "You pray least you be tempted." Hallelujah! So it is very important when you pray that you should have a pain in your heart. You should have a burden for the thing that you are praying. Maybe it is for somebody or for yourself or for your family. Every prayer with a pain and burden will be heard. That is what we can learn and understand from this verse. He cried, he cried.

I will read that verse, Elijah cried out to the LORD and said, "Oh LORD, my God, have you also brought tragedy on the widow with whom I lodge by keeping her son. So He could not stay in that house, because the widow was complaining. So he cried out because he had a pain. So when you pray surely God will answer to your prayer if you pray with a burden. Imagine when Jesus took these 3 disciples. Jesus selected the 3 disciples from the 12 disciples. And 9 were there. The 9 were there and Judas Iscariot escaped from there. And the other disciples were there. And from that 8 Jesus took the 3. And what were these 8 people thinking? The 8 people maybe they have a complaint in their heart why didn't Jesus select us? But they thought these 3 people were praying with Jesus, but they were not. They are not praying they are sleeping there. People think that everyone is praying, but not everyone is praying. If everyone prays God will do miracles. These disciples thought that these 3 disciples that Jesus chosen from the 8 are praying with Jesus, but what was actually happening was these 3 are sleeping. So I am sharing this with you when you pray with a burden surely God will give a reply. Things will come very fast so this is the word for today. And the word is that today there will be restoration.

1 Kings 17:22, then the LORD heard the voice of Elijah and the soul of the child came back to him and he revived. So today what you pray with a burden will be restored. This is the word, this is the prophetic word everything will be restored. Everything will be revived. What you

# DAILY PROPHECIES

lost in the years everything you are going to get back, So you should not be upset about your life because you are going to get the anointing in the double anointing. What you have lost, what you have lost, the money, the status, the honour everything is going to be revived by the power of God when you pray with a burden. When you cry to God this is the word to everyone.

Everyone here welcome Hallelujah! I think I have given the word to everyone, if anyone has not received any word this is that word that 1 Kings Chapter 17 the 27 verse, today, the answer your prayer. Pray with a burden. Pray with a pain in your heart and you will be revived. A restoration in every area in the family relationship, In your marriage, in your children's affairs and in every area there will be a deliverance. So today there will be a revival. You will be revived. So this is the word. So I'll be praying for you. So the LORD will speak to you so expect a miracle today. Expect a miracle by this word today. That the soul of the son came back when Elijah prayed. So I am praying for everyone for a restoration. I am praying in the name of Jesus for a restoration to everyone. And every person who is watching here I pray for a revival. I pray for a restoration. What you have lost in the past years God is going to restore everything. Your health, your colour, your personality, your honour, your anointing and finance, your family relationships what you have lost. Everything is going to be restored. The soul of the son came back when Elijah prayed. Likewise a restoration is coming to everyone by this word 1 King 17:22. So this is the word so today when you mediate that word the power of God will come through that word and you will be revived. You will be revived.

So God bless everyone I will be praying for you in Jesus name. Amen.

So welcome everyone here in the name of Jesus. Hallelujah! I am thankful to all brothers and sisters here so I am checking the names whether I have not given anyone a word so I am checking. So Hallelujah! In the name of Jesus. I see all the names here. So I have given the word to everyone here. Hallelujah! The anointing of the LORD is coming upon this word. I feel the presence of God in more intense. So it is going to break the chains Hallelujah! It is going to give you deliverance in the name of Jesus. So I have given the word to everyone. I am thankful to everyone here Hallelujah! So if anyone has not received any word this is the word that I am going to read and that word is very powerful. Hallelujah!

So by this word you are going to get happiness and you are going to rejoice! In the name of Jesus Hallelujah! Hallelujah! So this is the word that I am going to read that is from the Book of Deuteronomy 26 Chapter and the 11th verse. So it is saying, You shall, God is saying you shall rejoice in every good thing it is the LORD your God has given to you. That is the word. You will rejoice even if you are a rich man you own many lands and you are a millionaire or a billionaire or you are a rich man in this world unless God gives you happiness you cannot rejoice in your wealth.

Maybe you are very healthy and you don't have any disease in your body and you are not taking any medicine. Unless God gives you happiness in your health you cannot rejoice. And your husband or your wife or your spouse is very beautiful and having very good character and your children are very blessed. They are securing good marks in the examinations. And your family is very blessed and nothing no one will say any coupling but unless God gives you happiness in your family you cannot rejoice. And also the truth is that even if you don't have anything, even if you don't have any house, even if you don't have any money.

Even if you are put in the prison, even if you are in chains, if God gives you happiness you will never complain and you will be satisfied. That is what we can see from the life of Joseph. He was in the prison, he was in chains, he was not having good food, he was not seeing any of

# DAILY PROPHECIES

his relations, but he was satisfied. He never complained. And the people in the wilderness, the Israelites, they could not rejoice. They could not enjoy their life in the wilderness. But some, Joshua and Caleb they were enjoying their life in the wilderness. Maybe it is lock-down. Maybe the ministry doors are closed now, but is God is giving you happiness whatever you have you will be happy. That is the Spirit of Joy, but you know when a person received Jesus Christ as Saviour and when He takes back something the LORD will give you the Holy Spirit. So the Holy Spirit has the gifts

and fruits. So some people does not receive the Holy Spirit due to lack of repentance or due to lack of earnestly desiring for the Holy Spirit. They are still after the prayer request so they were not able to receive the Holy Spirit.

So when you receive Holy Spirit there will be the gifts and fruits. So some people are able to receive achieve the gifts of the Holy Spirit. And also the fruits of the Holy Spirit and the gifts of the Holy Spirit are to do the ministry to do the ministry powerfully. Also, Essential for the ministry and also for your personal life.

So one of these things of the one of the fruits of the Holy Spirit is joy, rejoicing so that is a gift of God. So it is not depending upon what you have or what you do not have it is not related to that even if you have or you do not have that is what you can see in the Book of Habakkuk Chapter 3 when you read the 17th verse and 18th verse words you can find that the prophet he had everything he had vineyard, he had a house, he had cattle, he had lands, he had money, he had family, everything, but he lost everything. He lost everything, but he is saying in Habakkuk 3:17-18 you have to read it says still I rejoice, still I rejoice, because that is the gift of God the rejoicing in what you have or what you do not have it is a gift of God so that is one of the fruits of the Holy Spirit. So that is what a person is needed not any house or any ministry everything will come. You have to rejoice and you should be satisfied. So unless God gives you satisfaction you won't be able to do what even if you eat a tasty food. Unless God gives you satisfaction. You will again look for another tasty food. The same is wearing clothes or whatever you buy a car or you have a house or a husband or wife. Unless God gives you satisfaction you will look after something else. You will look after another man or another woman, because what is the reason because you are not satisfied in what God has given and the same is unless God gives you happiness you won't be satisfied.

So it is very important maybe your spouse thinks it is not good. Or maybe not qualified in any way, but if God gives you happiness you will be satisfied. That is what when you read the bible with Jesus you will be satisfied without Jesus you cannot find the satisfaction. So this word is saying Deuteronomy 26:11, you shall rejoice in every good thing, which the LORD you God has given you.

So we have to think one thing here this word is saying you shall rejoice in every good thing. It's the LORD your God has given you so the LORD gave the manna to the Israelites, but they cannot rejoice in that they were not satisfied in that manna. It was the LORD that gave them it was poured from it was a grace eating manna from Heaven. It is a rejoice, but they cannot rejoice in that so every good thing that you have now. It seems in your eyes that it is not good,

# DAILY PROPHECIES

but if you ask Joseph, he will say in my life in the prison helped me to grow in my inner man. My inner man was strengthened in the prison. If you ask Joshua he will say my inner man was strengthened in the wilderness.

So everything is that you have is good it is given to you. Maybe the wilderness is given to you. So you should not complain or you should not see when will I come out of the wilderness. So it is God's will to you to be in the wilderness. You to be in this situation. It is God's will so you have to what you have to praise you have to pray for

the spirit of joy to be active. If the Spirit of Joy is activated in your life you will be whatever food is given maybe it is not tasty, it will be tasty to you. And whatever you are wearing you are not bothered. Whether you are walking by foot or whether you are traveling in a valuable car. It is not bothered to you because it is God that is giving you the rejoicing in everything. Even if you walk you will be rejoicing! Even if you go by flight you will be rejoicing. It doesn't matter what you are having so you shall rejoice in every good thing.

So everything that is given to you, maybe it is lock down some of you are alone in your room. Some of you are in the wilderness, but everything is good. If you ask John the Apostle he will say, I got the revelation from my wilderness from my loneliness, but I was not alone. I was rejoicing in my loneliness. That is why I got the revelation.

If you want your eyesight to be enhanced if you want visions to see you have to rejoice. If you are worried about your situation God cannot show you revelation. So John the Apostle was enjoying his life in the island of Patmos that's why he saw the visions. If he was worrying about his family if he was worried about his situation. He could have think like this of all the Apostles, Peter and everyone. Peter, Thomas they all they all went to different parts of the world. They are they have gone to nations and they are doing the ministry with signs and wonders. Peter, Paul , everyone are doing the ministry throughout the world, but what happened to John the Apostle he has no ministry. He has not ministry he is isolated in an island. Only some wild animals there, but he was rejoicing. If he had not rejoiced God would not have showed him revelation.

So every person who read bible should have to read the Book of Revelation. Every Christian has to read the Book of Revelation. That was given through John the Apostle so everything is good even in the wilderness. It is even if you don't have food that is good, because everything every situation that comes in your life is good and that is not without the knowledge of God.

So you have to rejoice. So Deuteronomy 26:11 is saying God is saying, you shall rejoice in everything. You have so that is what we want to rejoice. Every time rejoice maybe you are jobless. Maybe you are having not any house but rejoice that is what God in every situation given is by God. So God is going to bless everyone in the name of Jesus. And financial doors are opening up for you.

Apostle you will see the right friend.

Brother Hallelujah! Things are coming to pass before time.
