### THE CLARION CALL

Praise the Lord,

Are you in alignment with your calling? Do you know why you are in the body of Christ?

Jesus is the head and we are different parts of the body. We each part as our own duty for the effective working of the body.

As we are in end time awaiting the second coming of our Lord Jesus, we should have to come out from the old discussions going on in today's church concerning food and days and there by causing divisions in the church.

Paul clearly states that Kingdom of God is not eating and drinking, but righteousness, peace and joy with power in the Holy Spirit (Romans 14:17).

Since we have known God or rather known by God, how is that we turn again to the weak and beggarly elements, to which we desire again to be in bondage? We observe days and months and seasons and years (Galatians 4:9,10). So let no one judge you in food or in drink, or regarding a festival or a new moon or sabbaths, which are a shadow of things to come, but the substance is of Christ (Colossians 2:16,17).

You were chosen to do His work before you were formed in your mother's womb, even before the earth was created. It is time to come out from your comfort zone and bear fruit so as to please your creator and don't let enemy to worry you concerning your future as the Bible says first seek the Kingdom and everything will be added to you.

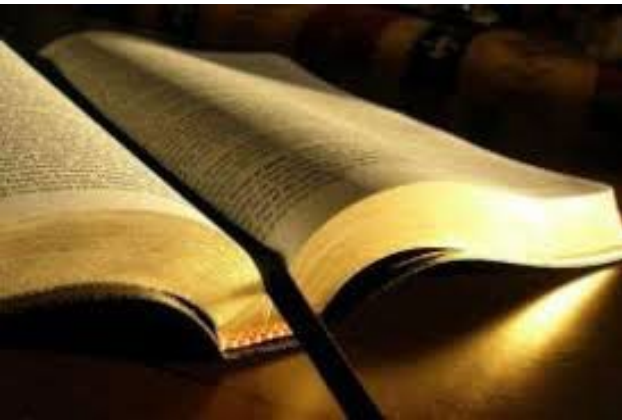

Paul further says that though the time is short, those who have wives should be as though they had none, those who weep as though they did not weep, those who rejoice as though they did not rejoice, those who buy as though they did not possess and those who use this world as not misusing (1 Corinthians 7:29,30).

God is looking for faithful ministers to impart His spiritual gifts, so that they could make a tremendous movement during the end time.

Let us be a good vessel in the hands of our Master and be a blessing to the church and the world. Arise! beloved in Christ, now this is your time to reveal your calling. The clarion call has reached it's zenith, realize that you are a five fold minister in the army of the Lord. May be you are an apostle, prophet, evangelist, pastor or teacher, confirm it by asking the Lord as the field is now open for the battle.

**Your calling is with a condition. If you break that covenant you won't be able to see the promise. Many Israelites who had the calling were not able to enter the land of milk and honey flowing. The reason is that every calling of God is connected with a time table of God. When the pillar of cloud and pillar**

# THE BOOK OF REVELATION

of fire moves, then only they could move. You should not go very fast or very slow, but you should discern the time and movement of Holy Spirit even from circumstances. If you fail in this it will be like the children of God who were in wilderness for forty years.

(Acts: Chapter 26:19 Whereupon, O king Agrippa, I was not disobedient unto the heavenly vision:) Here Paul the Apostle is telling he has never been unfaithful to his calling. Your calling or your prophetic word is your wealth and you should sacrifice

everything to attain your high calling. So observe the movement of Holy Spirit and walk in your calling.

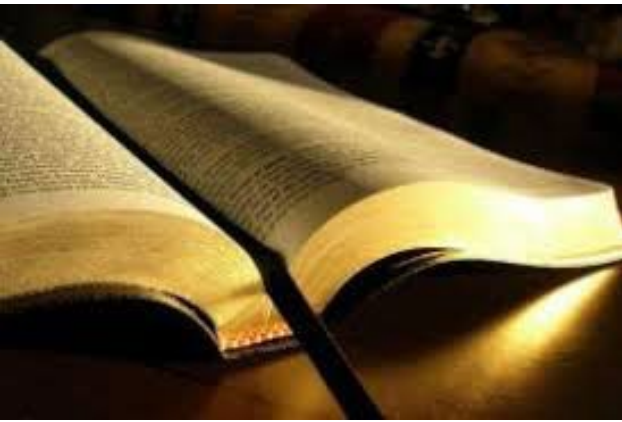

The anointing is for your calling, not for your projects outside your calling. The anointing imparted upon you is to serve the Lord. People are respecting you not anything you achieved yourself, but because you have a calling. Jesus chose the twelve disciples to follow Him and stand for the kingdom and all of them proved themselves worthy in their calling except Judas the one who betrayed Him. Judas was not faithful to his master who called him and his life was a total failure. God was faithful to provide Elija by the ravens as he was obedient to God. Some people are waiting for provision to serve the Lord, but cannot realise that God never fails. Elija obeyed the Lord without any doubt and he lacked nothing. (1 Corinthians: Chapter 9:14 Even so hath the Lord ordained that they which preach the gospel should live of the gospel.) If you are faithful in your calling, it is God's duty to provide for your needs. The God Jehovah will create for you or send through angels or command someone to bless them. So ministers of God keep holiness and be faithful to Him and you don't lack anything.

The calling of God includes provision and authority. These two will run very well if he is faithful in his calling. Before taking every step a person who has been called should examine whether he is in God's will. Jonah was told to go to Nineveh to preach gospel but he was going to another place which was not the plan of God and had to face all the consequences. Sometimes you have to realise the plan of God by the circumstances He creates before you. (Acts: Chapter 9:15 But the Lord said unto him, Go thy way: for he is a chosen vessel unto Me, to bear My name before the Gentiles, and kings, and the children of Israel:) You are called to lift the name of God Jehovah and our savior Jesus Christ lest you lack the provision and doors will not be opened. Sometimes we don't need a word to bring anyone to Christ, our life itself should be a testimony. Speak less and work more. Only you know your calling if God reveals, others know only to a certain extent. So always ask the Holy Spirit opinion about your future and steps that should be taken instead of asking others. Every one is chosen to bear fruit for the kingdom and if you are a blessing to others surely God will reward you.

In Jesus name, Amen.

### REVELATIONS

Praise the Lord,

Blessed is the man who obeys and does not depart from the word of God. The bible says you should not only be hearers but also doers of word lest you will be deceived.

1 Peter 2:13 says 'Submit yourselves to every ordinance of man for the Lord's sake: whether it be to the king, as supreme.' This is the will of God and pleasing to Him. We should pay taxes, obey the traffic rules and what all rules and regulations

are there in every day we face. If we are right before the law and order of the country we reside, we need not to be afraid of the authorities. Likewise if we are not departing from the word of God, we could boldly stand before God and say our prayer requests. So my dear friends if you want to be blessed be sure that even the slightest thing said in the bible you have given much value and have obeyed.

**Don't go before God. Go after God. Follow His footsteps and you will be successful. Don't take any decision before asking God. Wait for Him to act. Lot took a decision to occupy Sodom and Gomora, but that was not God's plan, but Abraham waited for God to move. When God works, circumstances will be favourable and there is no strain. God will speak through the situations. You need revelation to understand it. Abraham went after God but Lot went after blessings. So it is your decision that makes you successful.**

**God told Abraham to come out from his tradition and he obeyed without asking a question. So God was pleased with him and was greatly blessed. You don't have to wait for the blessings, it is waiting for you. When God finds you are obeying Him, the blessings will be released. Hagar ran away from Sarah's torture but was stopped by the angel on her way and commanded to go back and humble before the person who was humiliating her and she obeyed and was blessed later. Sometimes you feel distressed with some persons who treated you badly, but the grace lies in submission towards that person for the sake of Christ. (1 Samuel: Chapter 15:22)**

**And Samuel said, Hath the LORD as great delight in burnt offerings and sacrifices, as in obeying the voice of the LORD? Behold, to obey is better than sacrifice, and to hearken than the fat of rams.) Obeying the word is not just reading and preaching but putting it into practice in your life. Obedience is the key for blessings.**

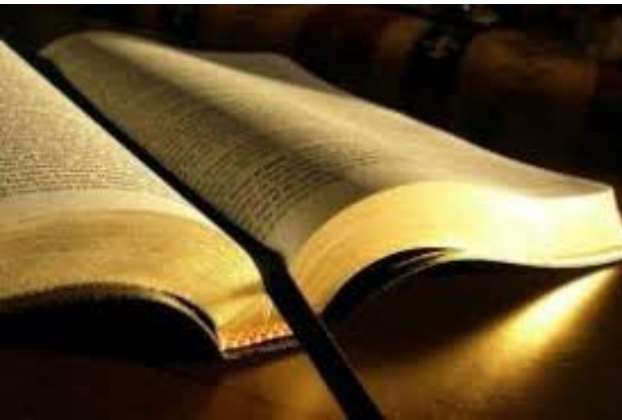

**Obedience is a good quality but it should not come out because of fear but of love. True love drives out fear. Most people are obeying the word of God to have eternal life and to escape from God's punishment. God looks into your heart and when finds you are faithful to His word, greater reward you will get. Simon was forced to carry the cross of Jesus and with much hesitation he did but was lately blessed.**

**How much more God will bless you if you deny yourself and carry your cross because of love towards the one who sacrificed for your sake. (Deuteronomy: Chapter 6:5 And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might.) A wife obeys her husband not of fear but of love likewise godly obedience comes out of love. Obedience should come from the bottom of your heart. God called Abraham as His friend and David as His own heart because they obeyed Him out of love. Love your God without expecting anything and you will find it is your duty to obey the Lord. The secret of supernatural blessings lies in obedience out of love towards God.**

In Jesus name, Amen.

## BOOK OF REVELATION

### REVELATIONS

Praise the Lord,

For a good prophecy, three conditions are essential. To say more clearly, it will be fair if it touches the past, present and future situations. Through wisdom a prophecy is formed and by spiritual understanding it is established.

Paul prayed for the Ephesus church to grow in wisdom and revelation (Ephesians 1:17). The spirit of wisdom and spirit of revelation are acquired by faith in Christ Jesus, love for saints and hope in heaven after taking heed the word of God (Colossians 1:9). The Lord grants His wisdom and revelation in His knowledge to those who have chosen to fear the Lord as the fear of the Lord is the beginning of wisdom (Proverbs 1:7).

Our God has placed us in heavenly seats with all spiritual blessings and we have to get these through holiness. He has made us to know the mystery of His will, if we are without blame and acceptable to Him (Ephesians 1:9).

In addition to the things that are revealed through the word of God, there are many secret things belonging to our Lord yet to be revealed (Deuteronomy 29:29). God reveals these things only to His prophets by the spirit of revelation.

Our greatest Prophet, Jesus has said in Matthew 10:39 that 'He who finds his life will lose it, and he who loses his life for My sake will find it'. So let us forsake everything He doesn't like in us for us to grow in spiritual revelation to know the will of God.

**Prophecy is a promise of God to a person whom He loves. It will come to pass at a certain fixed time as it is spoken by God. Every prophecy is accompanied by a condition to serve the Lord with obedience. When this condition is broken from a person's part, the promise will cease. After the promise is heard there will be a wilderness and trial. Many fail in this test. This is what happened to the Israelites in wilderness. (2 Timothy: Chapter 2:5 And if a man also strive for masteries, yet is he not crowned, except he strive lawfully). There is a strategy you have to follow for entering the promise, that is the word and revelation, if you are disqualified in the plan adopted for you to reach the destination, you might be stagnant. It seems in our eyes that the ways of God are tough and prolonging, but there is no shortcut, we have to pass the Red sea and river Jordan to enter the promise. So walk**

# THE BOOK OF REVELATION

in the direction of Holy Spirit and may you fulfill your prophecy.

The Prophetic word is your wealth. It gives you hope in Christ. Many are happy to hear a prophecy, but more cautious you have to take heed when a promise is heard. The Israelites heard the voice of God but most of them failed to enter the promise. Every prophecy in Bible and spoken word are followed by a test and

wilderness. There is no short cut for the destination. There will be Red sea, river Jordan and Jericho wall. It seems in your eyes that there may be better ways and others who have no vision may give many opinions that the time in wilderness is a waste.(Deuteronomy: Chapter 8:16 Who fed thee in the wilderness with manna, which thy fathers knew not, that he might humble thee, and that he might prove thee, to do thee good at thy latter end;) Our plans are not God's and our ways are not God's. We must know the mind of God unless we will become stagnant and might struggle for a deliverance. Move according to the direction of Holy Spirit and you will see deliverance.

Most people pray for many hours but spent less time to hear from God. God knows what you need, so find time to listen to Him. If you take heed what He says your life will be blessed.

The prophecy from God is followed by a commandment. Unless you keep His word, the prophecy will not be fulfilled. The Holy Bible is a book of blessings, it is a way for life, many will read and preach but few will find. Prophecies will make a person happy and gives hope and it is a door to keep holiness. (Joshua: Chapter 3:5

And Joshua said unto the people, Sanctify yourselves: for tomorrow the LORD will do wonders among you.) If you want to hear the audible voice of God your inner ears should be sanctified. Likewise your inner eyes should be purified to see visions. Hear and see only things that Jesus do. If you remove all the unwanted stuff, you will carry His presence. The presence of God brings deliverance and restoration. Your mind should be a receiver of God's plans. Your spirit knows your thoughts likewise Holy Spirit in you knows God's plans. Allow Holy Spirit to bring messages from heaven and you will find your life blessed.

Blessings in Jesus name, Amen.

## BOOK OF REVELATION

### REVELATIONS

Praise the Lord,

The more you come close to God, the more you will be bold in faith. The prophets Isaiah, Jeremiah, Ezekiel and others were most of the time in their wilderness connected with God speaking and receiving from the Lord. If you pray secretly for hours in your room, you will have a glorious ministry in public. Elijah was a man of prayer and he boldly declared before the public that until I say there won't be any rain in the land and the Lord stopped the rain till that time.

Romans 10:8 says "But what does it say?"

The word is near you, in your mouth and in your heart (that is, the word of faith which we preach):" The God who created everything with His word has now put the same in our mouth and heart. So my dear friends let us be close to Jesus and declare that what the enemy has planned against is going to be in favour of us.

Moses needed a rod to open the Red sea. Joseph wanted a dream and interpretation to come out from bondage. Joshua had to walk seven times around the Jericho wall to break it. Ephesians: Chapter 2:6 says "And hath raised us up together, and made us sit together in heavenly places in Christ Jesus:" So you only need to look down at the problems by faith to break the chains. It is the knowledge, whom you are in Christ Jesus that opens a way for you.

Your tongue has power, you can use it either for a good purpose or for a evil purpose. When God touches your tongue it will have extra anointing. Moses declared before the King of Egypt that the frogs will leave the palace at the said time and it really happened like that. Elijah boldly said until he says there won't be any rain and God acknowledged his statement. (Jeremiah: Chapter 15:19 Therefore thus saith the LORD, If thou return, then will I bring thee again, and thou shalt stand before me: and if thou take forth the precious from the vile, thou shalt be as my mouth: let them return unto thee; but return not thou unto them.) Elijah prayed secretly and declared publicly and God honoured him. You have to testify Jesus and keep holiness and it is God's duty to honour you before others. The tongue is the greatest weapon God has given you, so pray in tongues and it will create miracles. Oil is used to lubricate the machines and holiness is to make your tongue prophetic to make things created. Deliverance is in your tongue.

What God has said in the Bible will come to pass as it was spoken by Himself. The same authority He has given to mankind. When God created everything in the beginning, He gave authority to man to rule all creatures of this world. But unfortunately due to Adam's sin this authority was revoked. That's why people are afraid of wild animals and reptiles and hence they are attacking mankind. (Hosea: Chapter 2:18 And in that day will I make a covenant for them with the beasts of the field, and with the fowls of heaven, and with the creeping things of the ground: and I will break the bow and the sword and the battle out of the earth, and will make them to lie down safely.) Now a person born again walking in the steps of Jesus, the same authority that was lost due to Adam has been regained by Jesus on the cross. No dogs barked when Israelites left Egypt and the lions were silent before Daniel. Lord made a difference between His people and Egyptians by sparing His own people from the plagues. A person who has the debit card but cannot read or write can't take the cash from the money counter. The same is the situation who doesn't have knowledge that Christ has redeemed everyone and set free and given authority over the world and everything in it. Exercise the authority of a child of God and rule everything.

In Jesus name, Amen.

# THE BOOK OF REVELATION

## BOOK OF REVELATION

### REVELATIONS

Praise the Lord,

Without holiness no one can please God. It is very difficult to be holy in this end time because the situation is not like years back, since everything is easy to approach as

all good and bad needed for us are available in hand through our mobile phones. Look at Daniel, he was taken to the king's palace, but he purposed in his heart that he would not defile himself with king's food or wine but decided to eat vegetables and water to drink.

Leviticus 20:7 says "Consecrate yourselves therefore, and be holy, for I am the Lord your God. And you shall keep My statutes, and perform them: I am the Lord who sanctifies you."

So my dear friends, let us submit our eyes, ears, mouth and ourselves to God, and take a decision that we will see, hear, speak and do like Jesus and avoid what our heavenly Father doesn't like.

**Some people say it is very difficult to get a deliverance. But deliverance is easy and fast because God is the deliverer. When God moves fire goes before Him and burns every impurity. Make yourself holy so God can dwell in you. God is holy, so He comes only to holy places. When you read the old testament you can find God instructing Moses while giving details about the tabernacle, that nothing unholy should be brought near it. (Hebrews: Chapter 12:14 Follow peace with all men, and holiness, without which no man shall see the Lord:) Give importance to word of God and take great effort to bring it in to practice. The old testament and new testament saints lived a holy life and God delivered them instantly. Strive hard for holiness and God will be pleased and you find immediate results.**

**The way of God is perfection. The way through the wilderness maybe difficult to move but if you are in right terms with the word of God you will find it easy. Our life in this world is like a game, while we play we take it seriously after that we are thinking about it, we will be thinking how to play better in the game of life. Likewise the christian life is a life of holiness. There is no compromise to holiness in the bible. Keep holiness and always think how to be**

# THE BOOK OF REVELATION

holy and you will see blessings. (Romans: Chapter 7:12 Wherefore the law is holy, and the commandment holy, and just, and good.) When you go away from the word it is a sign that you are choosing an option to unfollow holiness. Many are striving hard to get a peaceful living with all goodness, but few only find it. If you go after blessings the more it will be away from you, but if you are after holiness the blessings will follow you. Take

your time and effort to keep holiness and you will see God and there by enter the promise.

Holiness is the key to heaven and all heavenly blessings. The world also give fame and blessings but the happiness that comes from these blessings will not be for long. A gift from God is accompanied by peace and happiness that will remain throughout your life. Unless you have grace you will always be unsatisfied. Out of un satisfaction greediness arise and greediness give birth to sin and takes a person away from the path of holiness. (Leviticus: Chapter 19:2 Speak unto all the congregation of the children of Israel, and say unto them, Ye shall be holy: for I the LORD your God am holy.)

In the market there will be duplicate and original and a person who lacks knowledge will pay for the wrong thing a higher value and face the consequences. The gospel that we preach is of God and holiness we should highlight always in our teaching. Without holiness you cannot see God and get delivered and it will lead a person to wander for many years in the wilderness. The strategy of Joseph and Daniel are good and can be taken as an example of God's blessings upon their carrier as they kept holiness as a main factor in their life. If you go after blessings there is no guarantee that we reach the destination, but if we go after holiness your life will be supernatural.

In Jesus name, Amen.

# THE BOOK OF REVELATION

## BOOK OF REVELATION

### REVELATIONS

Praise the Lord,

Whatever you need in life, if it is God's will He will surely give. How do you know it is God's will? If you know the

mind of God you will come to know whether it is pleasing to Him.

1 Corinthians 2:10 says "But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God." If you have the Spirit of God, He will tell you whether it is God's will and your time will not be wasted after the useless prayers. When we read the old testament we could find that because the Israelites prayed for unnecessary things God made them wander in the wilderness for forty years to reach the promised land, though actually it could be reached there within a few days.

So my dear friends before praying for any matter ask God whether it is His will by the Holy Spirit in you in order to save the time.

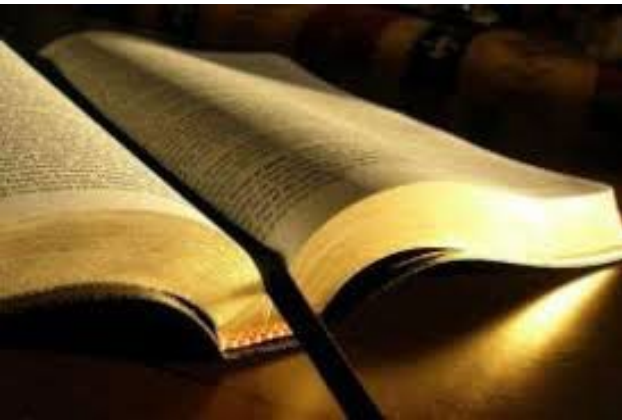

**Prayers should come from the bottom of your heart, not from any agenda or time table. If the prayers are according to any pre-planned statement, it will be hard to get a reply from God. No one can advice another to pray in a certain form. Prayer is talking with God and you will never feel bored.**

**A child is crying for milk from mother not as per another's advice. Your prayer should be like a child's crying for the needs. (Psalms: Chapter 34:18**

**The LORD is nigh unto them that are of a broken heart; and saveth such as be of a contrite spirit). It is your relationship with God that comes out in the form of prayer when you are in need.**

**Prayer from the broken hearted will give immediate results. If prayer is not answered wait patiently, the Lord is testing you whether you are capable to have what you are praying. A child when cries for a knife the mother won't give because it might harm the child, likewise Father in heaven is much concerned about you, so when He finds you actually need it, it will be given. Paul prayed for a deliverance three times but God said let it be like that, My**

# THE BOOK OF REVELATION

grace is sufficient. (1 John: Chapter 5:14 And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us:) How do we know the will of God? By reading scriptures and through revelation. If you lack these two it will take much time to get an answer from God. A matter when brought before a court, they will check many requirements needed for the suit to stand. Likewise a repented, heart and God's

will are the requirements needed for a prayer to be answered. When you pray God is not looking into your strength or ability or power but into your heart, so have the heart of a child and your prayers are answered very soon.

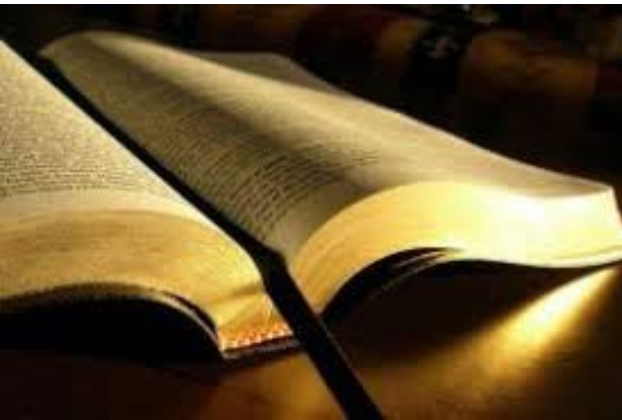

Only a person in need knows the value of prayer. Some think prayers are not answered because it is just only some people's belief. God is near to every one who are broken hearted. If you pray with a burden surely there will be a reply from God. The disciples were sleeping instead of praying along with Jesus at Gethsemane because they had no burden. A man who prays secretly in his chamber when declares anything in public will be acknowledged by God. Elijah declared publicly that until he say it won't rain and God confirmed it. (Job: Chapter 42:10).

And the LORD turned the captivity of Job, when he prayed for his friends: also the LORD gave Job twice as much as he had before.) We don't need to pray for ourselves because our Father in heaven knows what we need. We need to pray for others and God will be pleased when you intercede for others. When we pray for others God will look into our hearts and answer the prayers and also He blesses us also. Prayer changed the life of king Hezekiah. If you have much intimacy with God, even before you open your mouth, what you need will be given. A man of prayer never fails. The demons tremble with fear when prayer from the bottom of heart arises. Pray without ceasing, never keep your mouth silent, always praise, worship and pray at all times. Instead of praying for yourself and family, pray for nations and intercede for others, you will find your desires fulfilled very fast.

In Jesus name, Amen.

# THE BOOK OF REVELATION

## BOOK OF REVELATION

### REVELATIONS

Praise the Lord,

We are living in a world where all wants to do everything very fast and the results also to be the same. Likewise everybody wants their prayers to be answered very

soon. Look at the mother of Jesus, even though the circumstances were negative regarding the shortage of wine, she saw positive results despite Jesus' time has not come. Lord says in the book of Isaiah that before you call to Him, He will answer.

In Philippians 1:29 it says 'For to you it has been granted on behalf of Christ, not only to believe in Him, but also to suffer for His sake. The angel of the Lord appeared before Hagar in the wilderness and told to return as she was running away from Sarah due to torture.

So my dear friends if you say no to many things for God's sake even though it may be pleasure to you at the time, He will be pleased and you will see the good results in your favor very soon.

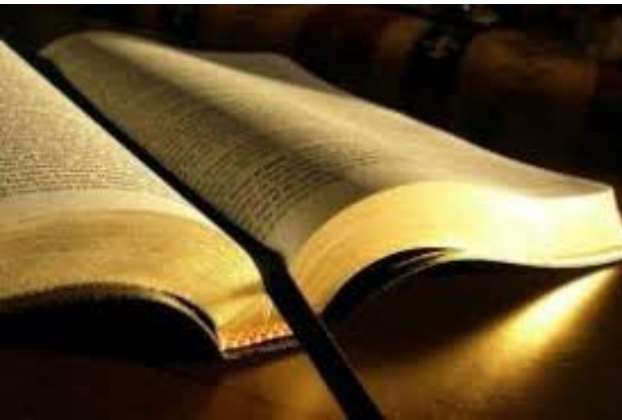

**Do not be confused when you are in trouble. The Lord will keep you safe from all problems. It is God's duty to show His righteousness in your life and it is your part to make a platform for it. By faith you will overcome all hurdles.**

**(Romans: Chapter 3:25 Whom God hath set forth to be a propitiation through faith in his blood, to declare his righteousness for the remission of sins that are past, through the forbearance of God)**

**Some say deliverance is very difficult, but it is the fastest product because God is the producer. There is no delay in deliverance. Faith in Jesus and belief in the power of blood of Jesus will bring immediate results. If you have much faith within a blink of eye, you will see breakthrough.**

**For a thing to be done successfully there is a procedure. A law graduate has to go as a junior advocate under someone else to become later a great lawyer. A well established business man has a strong background which he acquired through many years. Likewise when God touches a person his old life is not counted, everything will be new and he has to be trained from the beginning as if a child is trained in the kindergarten, so much patience is needed to**

# THE BOOK OF REVELATION

reach the destination. (Romans: Chapter 5:3 And not only so, but we glory in tribulations also: knowing that tribulation worketh patience; And patience, experience; and experience, hope:) When problems come in your life you must realise that what you need is just not a deliverance, but along with it a great plan has to come out. So wait patiently for God to work in you as a farmer waits for season and rains to get best crops. God has

a great plan in you, but if you try to come out in hurry, you will get only the secondary. Strive hard and wait patiently to get the best, to become the head and not the tail.

The way of God is different from us. Unless we know His ways our life will be a failure. We have to read His mind. There was easy way for Israelites but God took them through a long hard way. (Deuteronomy: Chapter 8:16 Who fed thee in the wilderness with manna, which thy fathers knew not, that he might humble thee, and that he might prove thee, to do thee good at thy latter end;) For us time is precious, if we spend a lot of time in doing a particular thing we think it as waste, but think how much time God is spending to make us perfect. God looks for perfection than time but man looks to save time than perfection. The thief who was crucified with Jesus understood the way of Jesus and had not to spend much time for the eternal promise, but God found him perfect. You will not wander in the wilderness if your work is good. Do your work according to the Biblical standards and not to the world's and you will be approved. Both Cain and Abel offered to the Lord but only Abel's was accepted, it was because Abel knew how to please God. Do everything to make God happy rather than seeking your pleasure. Maybe it will be difficult at the moment but it will bring fruit in the end. Learn His ways and you be successful.

In Jesus name, Amen.

# THE BOOK OF REVELATION

## BOOK OF REVELATION

### REVELATIONS

Praise the Lord,

Give thanks to the Lord in whatever state you are whether in trial or at happy times. The circumstances should not rule your mood, but have the belief that one who has

called you would be able to honor you wherever you are disgraced. Simon the Cyrenian was compelled to bear the cross of Jesus. History says that God blessed his sons Alexander and Rufus latter even though as he unwillingly carried the cross.

Colossians 1:24 says ' I now rejoice in my sufferings for you, and fill up in my flesh what is lacking in the afflictions of Christ, for the sake of His body, which is the church.'

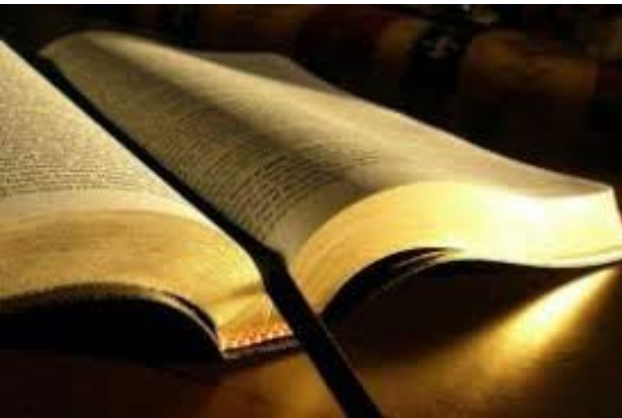

So my dear friends when you have to face any sufferings, be thankful to God because Christ on the cross left something for you to bear for the deliverance of others and latter you will see not only you but your children are also blessed.

**The way to break different situations are not the same. The methods and time will be different. But there is only one language that cannot be changed, it is the faith in Jesus. If you have faith that can move God, miracles will happen immediately. Jesus was moved by the faith of the centurion who came to have his servant healed. Likewise He was forced to deliver the daughter of the canaanite woman who was first refused. Even though the time to do a miracle for Jesus had not come, but was forced to do at the marriage of Cana because of the faith of His Mother Mary.**

**(John: Chapter 7:6 Then Jesus said unto them, My time is not yet come: but your time is always ready). Jesus Himself was not able to perform miracles where people did not have belief. Don't loose time, faith can move mountains. This is your time for miracles.**

**Faith and obedience to God are needed for a deliverance. These two should be in a person in equal proportion to get best results. In the book of Genesis we see Sarah, Abraham's wife as a obedient person but of less faith. Also Jacob as a man of faith, but sometimes not keeping the word and moving in his desires. But Abraham had faith and obedience in equal proportion. So he was greatly blessed. In order to bring a change in your life sometimes**

# THE BOOK OF REVELATION

an action is needed to follow faith. Abraham believed contrary to the circumstances and God counted him as righteous. (Hebrews: Chapter 11:27 By faith he forsook Egypt, not fearing the wrath of the king: for he endured, as seeing him who is invisible). Mose left the palace and decided to suffer the cross by knowing God's will. If you are in your comfort state, sometimes you need to get out from the comfort zone for a

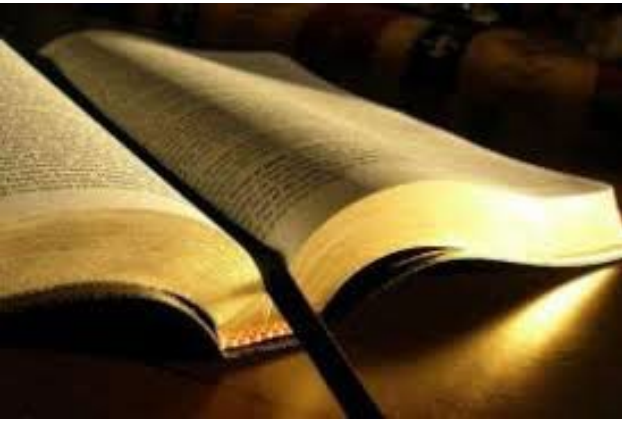

deliverance. Deliverance is followed by faith, obedience and action. Read the scriptures and you find how the saints entered promise by their faith.

If you have a promise from the Lord, there will be a wilderness. When you read the Bible from Genesis to Revelation you can find all the saints had to pass through the trial. The desert is a place where you are trained for the next level. Most people struggle in the desert to find the right way. Unless you know the plan of God you will wander like the murmuring Israelites who complained against Moses. The way of God seems to be foolish to the worldly people but those you are spiritual will reach the destination. (Hebrews: Chapter 12:12 Wherefore lift up the hands which hang down, and the feeble knees; And make straight paths for your feet, lest that which is lame be turned out of the way; but let it rather be healed.) There is a way to go through the wilderness and that way is the word of God. It seems in your eyes there are better ways but the way of God is hidden and revealed only to those who love Him. Lot saw Sodom and Gomorrah as fertile but Abraham knew the will of God. Find happiness in your wilderness and you will be singing like Paul the Apostle who praised Jesus when he was chained in prison. The delite in your heart is the key for deliverance and be cheerful in trial and you will come out as pure gold.

In Jesus name, Amen.

### REVELATIONS

Praise the Lord,

Most people are afflicted not because of their own problems, but when they look to other people and compare themselves with other's blessings. We all are called by the same God in His resemblance for different purpose in the end which will be rewarded with a crown.

Some are called as martyrs of Christ and some in a state of celibacy and so and the sufferings and blessings in this world will be different but when we reach our eternal home, we will be rewarded according to our faithfulness in our calling. That is why Jesus said that many that are first shall be last and the last first.

Let us lay aside every weight and the sin which so easily ensnares us and let us run with endurance the race that is set before us concentrating on Jesus.

Matthew 18:3 says "Assuredly, I say to you, unless you are converted and become as little children, you will by no means enter the kingdom of heaven." A child doesn't bother what is happening in the surrounding but is focused only in its problem. So my dear friends, when you pass through any trial don't look on others blessings but may your eyes be on the best blessing that is kept for you alone which others could not achieve.

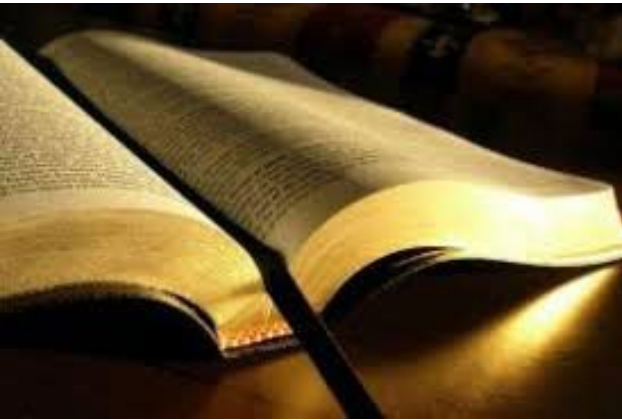

**Whatever said in the Bible you should believe like a child. A child believes and trust his father and never doubts. Unbelief is coming from flesh, if you walk in flesh you won't believe the word. You make yourself holy by believing the word of God. A person who keep holiness has a good heart. Out of the good heart good thoughts will come. Your thoughts decide your faith. A child has no negative thoughts, so believes what hears. (Jeremiah: Chapter 17:10**

**I the LORD search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings). The negative thoughts and evil mind restrain deliverance. The Israelites were delayed in wilderness due to evil mind. You can defeat the enemy by doing good to others and there by purifying yourselves. Strive hard for holiness, it is the key to deliverance.**

**Don't compare your life and your blessings with others. There is a strategy for you to walk, it won't be the same for others. You are created and called for a purpose and others are**

# THE BOOK OF REVELATION

created for other purposes. Among the sons of Jacob only Joseph had to face all the problems, because he was greatly blessed than everyone else. Likewise among all brothers of his family only David had to pass through trials, because he was the only one chosen to be the king of Israel. (1 Chronicles: Chapter 4:9 And Jabez was more honourable than his brethren: and his mother called his name Jabez, saying, Because I bare him with sorrow).

Jesus has told about a Lazor and a rich man, and Lazor never was mindful about rich man being blessed, if it was contrary he will never sit on Abraham's bosom. Most people lose their blessings because their mind is disturbed when they see others blessed. You have to see everyone better than yourself, then you will find happiness when others are blessed. This is the secret of blessings.

Jesus has taught us to be like children to enter the kingdom of God. A child has no envy, deceit, worries or hatred. A child will trust its mother without any doubt. What she says the child blindly believe. Don't limit the power of God. The power of God is beyond a person's knowledge. God created everything by word and power and by belief. (1 Peter: Chapter 2:2 As newborn babes, desire the sincere milk of the word, that ye may grow thereby:) When you have faith, word and power come from God. When the faith is increased, God will move and miracles happen. You should be wise and at the same time be innocent like a baby. Always find hope in Jesus. Peter walked like Jesus on the sea, but when his brain was working, he began to lose faith and was going to drown. A newly born baby is not afraid of a snake or a lion because it doesn't know that those are dangerous. Likewise Daniel was like a child who trusts its parents, put his all trust in God Jehovah and was sleeping well in lions den like a child. The disciples couldn't hold peace while Jesus was sleeping well when storm arose in the sea. Grow in the word and sleep like a child in the midst of problems, then you see deliverance.

### REVELATIONS

Praise the Lord,

God put Abraham, Daniel, Shadrach, Meshach, Abed-Nego and other holy men to test before blessing them. These men of God never were frightened when they had

to face trial, instead they enjoyed in such situations as they were sure that their God will do a miracle and the world will see it.

When we read Bible we could see that every time God does a new miracle and His methods are always surprising and is beyond human wisdom. The Psalmist says that delight in the Lord and He will fulfill your hearts desire.

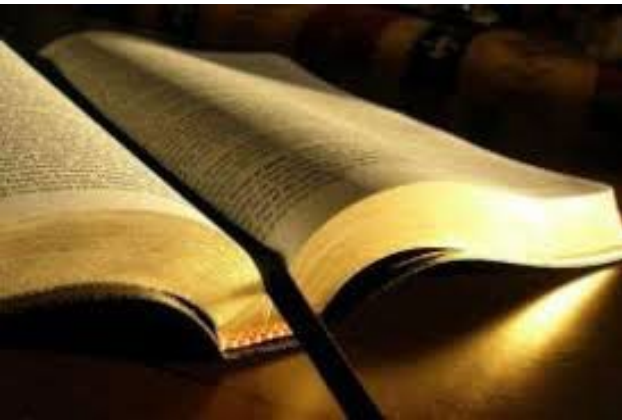

Philippians 1:29 says 'For to you it has been granted on behalf of Christ, not only to believe in Him, but also to suffer for His sake.' So my dear friends, enjoy when you are passing through tribulations, because this is a gift from God only to His dear ones and you will have a new testimony regarding deliverance.

**The enemy may be bigger and problems may be too much for you to afford, but your God is greater than everything. One dollar and ten thousand dollars are same for the Lord. A slight fever and a chronic cancer are same for the Lord. Deliverance is easy, but for a person who has knowledge about his God. For Saul and other Israelites, Goliath was a problem, but for David he realised the anointing God has given upon him is enough to defeat the big giant. So the knowledge about God and His power upon you makes you victorious. (Ephesians: Chapter 3:20**

**Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that work in us). What we think about the situation determines the solution.**

**The problems may be bigger but the Lord Jehovah reigns above all. You should not fear the circumstances, but only your creator. Within a blink of an eye He could change the circumstances. When you are in a trial, the Lord has two plans, one to test whether you are faithful and the other is to create something new from the problem. When you come out from**

# THE BOOK OF REVELATION

the problem, you will be a new person. Before Joseph was a normal boy, but when he came out of prison, he was not only the prime minister of the country but also a powerful dream interpreter. Saul was desperate about his lost donkeys but when he found the donkeys, he not only became the king of Israel but also a powerful prophet. (2 Corinthians: Chapter 5:17 Therefore if any man be in Christ, he is a new creature: old things are

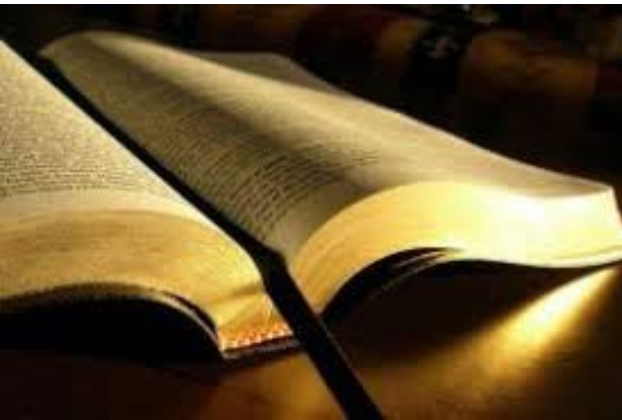

passed away; behold, all things are become new.) The situation that you face today may be terrible, but it is the cross of you and is the entrance for the next level. While many others complained and lost their great promise, Joshua utilised his wilderness as a training field and became the powerful leader after Moses. So don't waste your time complaining, instead be faithful in your test, when you are approved as good, surely a greater reward is waiting for you in this world and also in heaven.

The promise and trials run simultaneously in a person who has been called. A brave warrior will see his battle adventurously and will see the end in a victorious state. A powerful man knows by the grace of God how to overcome the temptations. God is faithful, if you rely on Him, He will show you the way to come out. We are perfect because of His grace otherwise we will not be able to stand before God. A battle can be won if we fight according to the rules, the same is in an athletic competition, only the medal is got if run only in the prescribed track otherwise disqualified. (Ephesians: Chapter 6:13 Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.) A soldier has to wear the armor to fight against the enemy likewise our enemies are not flesh and blood but the dark spiritual forces, hence worldly knowledge cannot solve your problem, you need spiritual wisdom to overcome the issues. The army of Saul saw Goliath through their outward eyes but David saw Goliath through his spiritual eyes and he was able to defeat him. See the things with your inner eyes and fight the battle spiritually and your life will be victorious.

### REVELATIONS

Praise the Lord,

When you have to face a situation of showing your faith, take it as a challenge and act in order to please God.

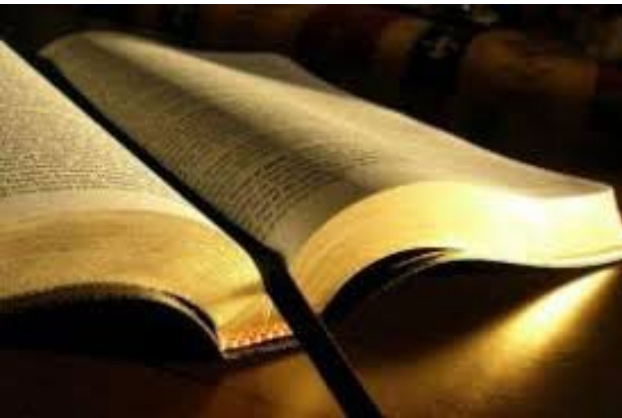

When God told Abraham to sacrifice his one and only son, for some moments some thoughts might have come in his mind, that if he sacrifice his son and return home without son, Sara would hate him and if he does not obey the Lord, then he would loose the blessings kept after the trial. Look what Abraham did, he woke up early that morning and prepared everything for the sacrifice in the midst of tribulation and decided to please God than his loving wife.

James 2:20 says “But do you want to know, O foolish man, that faith without works is dead?”. So my dear friends, if you are in these days not sure what to do in your trial, just do what is pleasing to God by believing and acting according to the word of God and you will see the best results.

**Some need a particular day for worship, some need a special place, others need an altar, some insist special dress code. According to Abraham, giving what you don't like to give is worship. (Genesis: Chapter 22:5 And Abraham said unto young men, Abide ye here with the ass; and I and the lad will go yonder and worship, and come again to you.) In his view sacrificing his one and only son to God is worship. Denying yourself and carrying your cross is real worship. It is the secret of deliverance.**

**A person who is expert in surfing and diving when happens to be on sea and is shipwrecked won't be afraid because he has experience how to handle the situation. Every day is a test for you, there is no short cut, if you find the easiest way, at present you will have peace, but another great test is coming and those who had the experience in the former will only be able to pass the later.**

# THE BOOK OF REVELATION

(Hebrews: Chapter 12:11 Now no chastening for the present seemeth to be joyous, but grievous: nevertheless afterward it yieldeth the peaceable fruit of righteousness unto them which are exercised thereby.) All the Israeli army were frightened to face the big Goliath but for small David it was not a problem because he had an experience of God's power upon

him at the time of need of killing the lion while looking father's sheep. The first test is starting in your own family and among with others closely associated, if you try to escape you will be in the wilderness for a long time, but if you move according to the direction of Holy Spirit, your graph will be going up and up.

If you do well you are accepted, if you don't do well you are not accepted. This is the principle of world. But the kingdom principle is different from worldly principal. You have to do according to the procedure said in the Bible. The best example is God approving Abel's offering and rejecting Cain's offering because God is not looking in to the substance but is concerned about a person's attitude at the time of doing a certain thing. (Hebrews: Chapter 13:16 But to do good and to communicate forget not: for with such sacrifices God is well pleased.) When God approves you, your life will be not only a blessing but also a blessing to others. If God is with you, every area of your life will be blessed. Abraham was a rich man and had everything but lacked one thing, that was he had no one to inherit his wealth. He left everything to get God's approval and was greatly blessed and also a blessing to many. Moses left the worldly pleasures of King's palace of Egypt and decided to suffer affliction to get approval from God. The disciples of Jesus denied their own life and became martyrs to please Jesus. It is not the blessings we have to seek, but whether God is pleased in our ways. Don't complain but be satisfied in what situation God has placed. Be happy in every situation and praise God, then you see good results.

In Jesus name, Amen.

### REVELATIONS

Praise the Lord,

The happiest and most safety time of a man in his life is knowing his creator and worshipping Him by kneeling down and holding his hands up as an indication of submission. We could see in the book of Exodus, when Moses held his hand up, the Israelites prevailed and when he let down his hand the Amalekites prevailed.

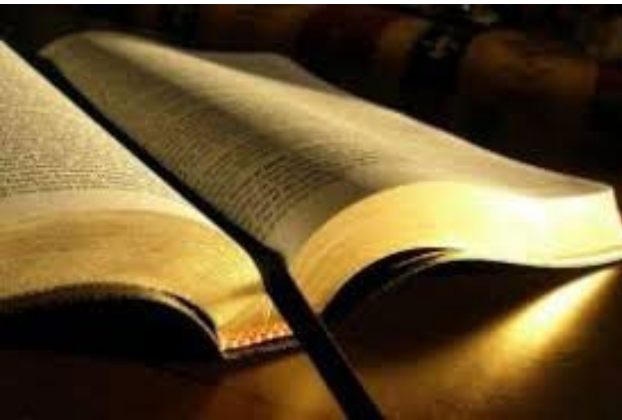

When you worship the Lord all the time satan cannot touch you and affect you with diseases and problems. Many people think that worship means singing and praising the Lord, it is only one of the ways to worship.

In Romans 12:1 it says 'I beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service.' So my dear friends let your prayer to God is to make you holy and pure. If you are pure in heart, you will see God and He will be with you always and you will be free from all the disasters.

**Worship is different from prayer. Prayer is talking to God with an expectation that it brings some results. True worship is giving and sacrificing without any expectation of anything in return. It is coming out from real and dedication. There is no rule or agenda for a worship because it is not controlled from external but aroused from the bottom of our heart and hence no time and limitation. Prayers against the will of God will not be answered, likewise worship not as God desires will not be accepted. Cain and Abel worshiped the Lord, but Cain's was rejected. (Exodus: Chapter 23:15: and none shall appear before me empty) When you worship God He expects something from you. He will look into your heart to see whether you are having willingness to give to Him. When Paul was in prison, he worshipped Lord and the foundation of prisons were shaken and he was delivered. The secret of deliverance is worship.**

**The word worship has many meanings, but the Bible speaks about worship in Spirit. In olden times worship was held in tents, then it was in buildings but at present worship is even in media. It is not the circumstances or any particular day or any substance that determines**

# THE BOOK OF REVELATION

worship. Denying yourself and carrying your cross is one kind of worship, singing songs and praising God is also worship, also what you have been entrusted, doing it faithfully is also worship. Obedience is also another form of worship. Jesus teaches the Samaritan woman how to worship, that hour is coming that neither in Jerusalem or on mountains the Father is worshiped. He further adds people are worshipping what they do

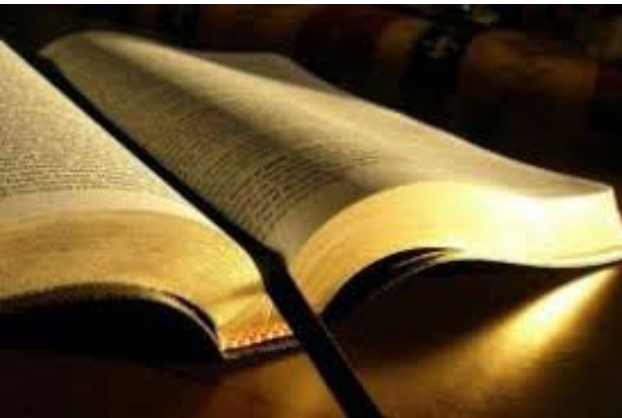

not know. The Samaritan woman was very unsatisfied and Jesus realised the best medicine to give her is a lecture about worship. (John: Chapter 4:24 God is Spirit: and they that worship Him must worship Him in Spirit and in truth). May your worship be in Spirit and not in flesh, then you will find happiness and satisfaction.

The blessed person in this world is a worshipper of God. God is pleased when you worship Him. Worshiper never expects anything from God but willing to give everything to Him. Abraham was a worshiper of God. Every act he did, himself he considered as a worship. All believers are not worshipers but all worshipers are believers. We need grace to worship God without expecting anything from Him but doing out of love. Worship can change the atmosphere. When Moses' hands were lifted up, the israelites won the war. Where there is worship there is blessing. A man who is depressed cannot love God because he is always concentrated in his failure. Christian life is a life of success but those who find it are very few. Kingdom of God is happiness and peace. The quality essential for a worshiper is peace of mind and hope in Jesus. (John: Chapter 9:31 Now we know that God heareth not sinners: but if any man be a worshipper of God, and doeth His will, him He heareth.) If you are stagnant and prayers are unanswered, rise up, the light of Jesus is shining upon you. The anointing will be increased when you praise God. You are already delivered, so be a worshiper, kneel down and worship the Lord, you will see the big mountains melting and life being blessed.

In Jesus name, Amen.

### REVELATIONS

Praise the Lord,

Are you getting all the blessings written in the Bible. What the Bible says is true but you have to stick on to the verses. God told Joshua that you should not depart from

my commandments and you should meditate it day and night and wherever you go you will be blessed. The secret of blessings is taking heed the Word of God. Many people read Bible several times and many have the verses by heart, but I see often that these people are not blessed by the Word of God. When I look into their personal life I see they are away from the Word.

In Hebrews 12:4 it is written 'You have not yet resisted to bloodshed, striving against sin.' Knowing the Word and not believing and not obeying is a sin. So my dear friends listen to the Word and even if in case of trial or you have to face death, do not depart, but stick on and believe that the Word of God could deliver and you will be blessed.

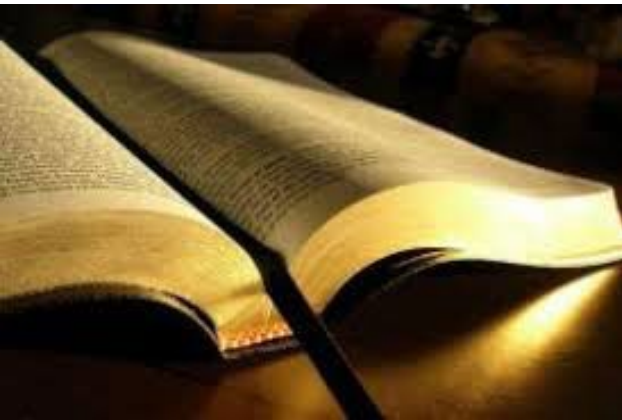

**If you go after blessings you might be stagnant on the way, but if you go after God, blessings will follow you. Solomon prayed for wisdom to judge God's children, so God was pleased and gave not only wisdom but also all the blessings. You can work hard but it is God who decides whether to give good results. (Psalms: Chapter 127:2. It is vain for you to rise up early, to sit up late, to eat the bread of sorrows: for so he giveth his beloved sleep).**

**When you work for someone you will be paid higher if the one who employed you have a good impression about you. Likewise it is God who has to give you healing and blessings. So try your best to please God. God called Abraham as His friend and David as a person with His own heart. Surely blessings will follow throughout your life if you have a heart to love God more than anything else in this world.**

**What is impossible for man is possible for God because God Himself is a miracle. If you love God with your whole heart, your life will also be a miracle. If you give first preference to God, He will also give first priority to you. Give your best time, best fruits, health when you are refreshed, everything you give the best and He will honour you and your family by giving the best. Jesus rode on a donkey that was not used by anyone before on the day of Hosanna and**

# THE BOOK OF REVELATION

He was laid on a fresh tomb that never been used. He is our God who gives the best and not the secondary. (1 Corinthians: Chapter 2:9 But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.) Loving God means obeying the word of God. True love drives out fear, if you fear anything, it means you have not found the love of God.

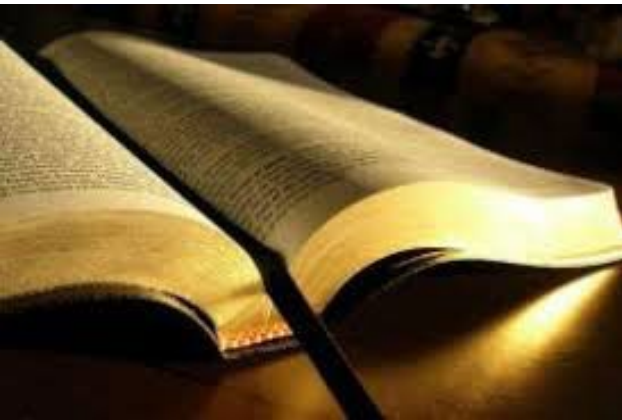

Love the Lord with your whole heart and all the blessings said in the Bible will follow you throughout your life.

The blessings mentioned in Holy Bible are for the children of God. But many are not been aware of such blessings and though known, only few were able to achieve it. The child is entitled to inherit the father's property and the servant has no right over his master's wealth. But some children of God are still outside crying for a blessing and deliverance instead of using his authority to possess. (Ephesians: Chapter 2:19 Now therefore ye are no more strangers and foreigners, but fellow citizens with the saints, and of the household of God;) Knowing the truth shall set a person free from bondage. You don't have to pray like the gentiles because you are built together with Christ and Holy Spirit to make a dwelling place for Almighty God. Only you have to allow God to dwell in your body as your body is the temple of Holy Spirit. You are carrying the healing power and your body is the outlet of God's power. Walk in power and exercise the authority and enter the Father's promises. Everything belonging to His Son Jesus belongs to you also. You don't have to stand in que for the ration, the ravens or angels will bring provision. Our blessings are not natural but supernatural because our Father is a miracle. Don't think or do like the worldly, see everything through your spiritual eyes and inherit your blessings.

In Jesus name, Amen.

## BOOK OF REVELATION

### REVELATIONS

Praise the Lord,

True love drives away fear because fear leads to do sin.

If you love God you will love everything God gave to you.

The bible teaches us to love God without any condition.

We should be happy in this world because this is only a temporary place and whatever happens won't last long as if that happens while we are traveling for some days and when we reach our home, all that happened good and bad was only just to remember either to keep as a memory or to study something from it.

Look at Caleb and Joshua, they never bothered what happened to them while on their journey through the wilderness as their eyes and mind were focused on the promised land.

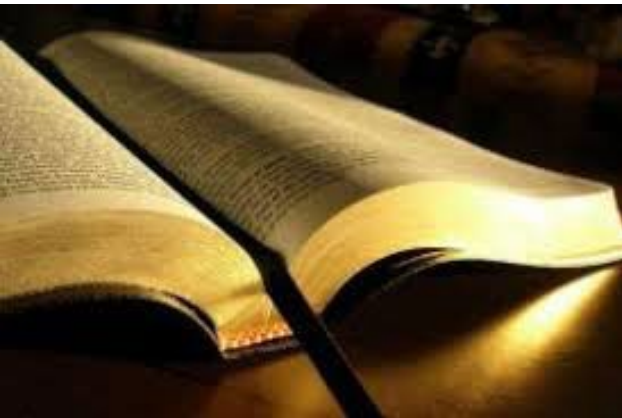

1 Corinthians 2:9 says "But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him." So my dear friends let us live in the world and face our trials fully setting our eyes on the promised word above mentioned and we could see miracles every day.

True love is sacrifice, sometimes there will be pain and you would have to carry the cross and suffer. God showed His love towards us by giving His son for our redemption. We also are ready to sacrifice everything for our children because we love them. Love is not acting but an affection. True love drives out fear but brings obedience and not complaining. Jesus suffered on the cross because of His love toward us and the same is the apostles became martyrs because of the love towards Jesus. We also should love Jesus without any condition. (Romans: Chapter 8:38 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord).

Look at the saints in the Bible, they never complained instead they are happy in any circumstances. If you love God you will love His teachings more than His blessings. The secret of blessings is in loving the scriptures.

God loves us very much, we know this from our experience. Without experience you cannot love God with a whole heart. Many people say they love God but they are seeing God to get

# THE BOOK OF REVELATION

something when they are in need but He wants you to seek Him always when you are in need or not. God gave His son Jesus for your deliverance and redemption and that is the greatest blessing you received while you are in this world. God will give all the blessings under the sun to everyone who cries to Him, so you don't need to take separate time for all these, instead keep connected with Him in deep love. The love of Jesus is beyond our

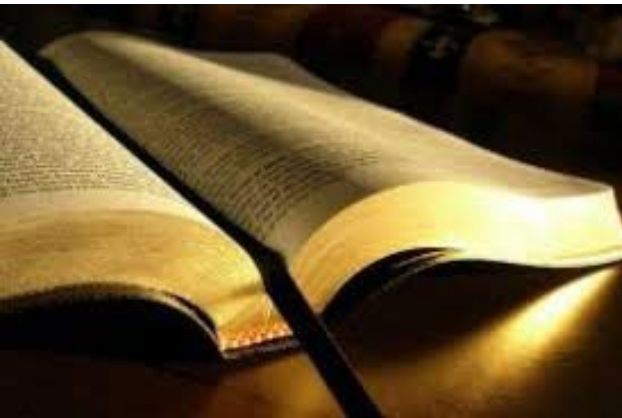

understanding and His teachings are great. He showed us to love the enemies and how to please God. (Psalms: Chapter 17:14 From men which are thy hand, O LORD, from men of the world, which have their portion in this life, and whose belly thou fillest with thy hid treasure: they are full of children, and leave the rest of their substance to their babes.) You are a chosen child of God and your real blessings are in heaven, so seek the things of heaven not of the world. May God look at you and tell you are My friend and a person of My heart and all the blessings will follow throughout your life.

If you love Jesus, you will keep His word. Denying yourself and carrying your cross is the best way to please the one who has enlisted you as a disciple. Love your God first rather than anything He gave you. We know the sacrificial love of Jesus towards us that is beyond our understanding. (Ephesians: Chapter 3:18 May be able to comprehend with all saints what is the breadth, and length, and depth, and height; And to know the love of Christ, which passeth knowledge, that ye might be filled with all the fulness of God.) There is godly love and worldly love. Godly love is not depending on your culture or qualification, but worldly love may vary according to flesh. If we cannot discern this we might be trapped. Run away from worldly love because it produces bondage whereas the love of Jesus gives you freedom. Love, loyalty and trust are connected. These cannot be separated. If you love God, you will trust Him and won't be worried about your future. A father or mother is ready to die for their children to save them in time of need. Likewise a person who loves God is ready to sacrifice even his life to protect and keep the word of God. The friends of Daniel, sacrificed themselves to keep the word of God and God Himself came down to rescue them. Realising the love of God and denying yourself and keeping His word is the secret of blessings.

In Jesus name, Amen.

## BOOK OF REVELATION

### REVELATIONS

Praise the Lord,

God told Abraham to come out of his present situation. So without any hesitation he left everything knowing that God will bless him abundantly for everything he lost for God's

sake. Look at Abraham's attitude regarding the land that was seen fertile before him when he was about to separate from Lot. Abraham gave Lot the first preference to select the best. But the Lord who looks into the hearts of men blessed Abraham more than Lot.

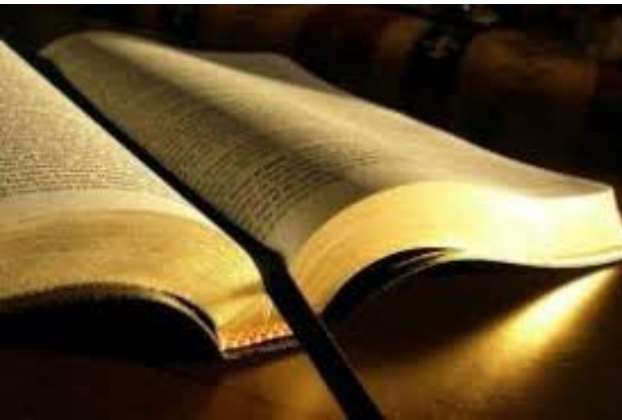

In Mark 10:29 it says 'And Jesus answered and said, Verily I say unto you, There is no man that hath left house, or brethren, or sisters, or father, or mother, or wife, or children, or lands, for my sake, and the gospel's, but he shall receive an hundredfold now in this time, houses, and brethren, and sisters, and mothers, and children, and lands, with persecutions; and in the world to come eternal life.' So my dear friends let us have the attitude of Abraham and leave everything what God ask for and have us blessed.

**Some people who have the calling are jobless and struggling for stable income due to lack of revelation. They are still trying to do what they have been doing. Peter had a financial crises and Jesus gave him wisdom to make profit, but he did not stay in his old profession what he was doing. He began to follow Jesus instead of fishing. So his life was successful.**

**Elisha left everything and walked in the supernatural when he realised the glory of his calling. (1 Kings: Chapter 19:21. And he returned back from him, and took a yoke of oxen, and slew them, and boiled their flesh with the instruments of the oxen, and gave unto the people, and they did eat. Then he arose, and went after Elijah, and ministered unto him). Walk in the supernatural and explore the riches of heaven hidden in the cross of Jesus.**

**A change coming in your life is for a goodness. Those who love God everything happens is for something great to happen. When you read the Holy Bible from begining to end we could find one common thing that a blessing is followed by a change in life. Every change at present doesn't seems to be good but later we find if we had not changed we would not be able to get that blessings. Here change means not literally what that is seen outward but it is a change of**

# THE BOOK OF REVELATION

attitude, belief and vision. God wanted Abraham to be blessed after changing him but Lot who accompanied him was not blessed because he was not transformed. (2 Corinthians: Chapter 5:17 Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.) Unless you have repented and born again you will not get blessings instead life will be struggling. Transformation in Spirit is

essential for a blessing from God. You might get all your prayers answered but one of your needs that is the most needed will be held until you are wholly transformed. If you are seeking blessing for your flesh, it will be a waste in future. Seek the transformation of Spirit, then blessings will be everlasting.

A change is needed for a revival. A revival is needed for a blessing. Unless you change you cannot grow. Christ came into this world to bring a change. Anyone who is born again is a new person. The old person has to be removed and we have to put on the new person in Christ for all spiritual and material blessings. Abraham had a change in his life, while Lot who followed was the same person, but was a burden to kingdom of God. (John: Chapter 12:24 Verily, verily, I say unto you, Except a corn of wheat fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit.) Transformation in Spirit and body is needed for an effective deliverance. God is not concerned about time but wants perfection. Perfection comes only when you submit yourselves for a change. It took forty years to train the Israelites, also Moses had the same time in wilderness for a change. The more you submit the easier will be deliverance. If you are stubborn, you will be again and again tested to get the purest stuff. If you change, the world will change with you. If you change, the law will be changed for you. The only thing you have to be cautious is whether the change is according to biblical pattern lest you will be misled. Change yourself and be a new person in Christ and experience the power of resurrection.

In Jesus name, Amen.

## BOOK OF REVELATION

### REVELATIONS

Praise the Lord,

If you live by faith, you will have a successful life, but if you live by circumstances at the time you will have hope but afterwards you will come to know that all was in vain. Look at Abraham, he was a man who lived by faith. When God told Abraham to sacrifice his one and only son, without any hesitation he

obeyed as he was sure that God is faithful to provide everything. For example, faith is looking proposal for your daughters without any money at hand or starting to build a house or church in a belief that God will provide everything.

But one thing you must note carefully what the verse 8 of chapter 1 of the book of Joshua which says “This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.” So my dear friends if you take heed the above verse, you can have a successful life by mere faith, though the circumstances are negative.

**Faith is seeing things supernaturally. Faith is determination of things which are impossible to be done. If Peter could walk on the sea, you can also do greater things because Jesus has said you will do greater things than what I did. Faith can change the climate, it can move the galaxy, it can create everything from emptiness. Don't limit the power of God. Sometimes God will be silent even if you have much faith, it is because God is testing your patience. Some people fail in patience even though they have greater faith, hence not seeing any miracles. (James: Chapter 5:7 Be patient therefore, brethren, unto the coming of the Lord. Behold, the husbandman waiteth for the precious fruit of the earth, and hath long patience for it, until he receive the early and latter rain.) Some people have great faith, but no patience, these two should be in a person in equal proportion. That is called as spirituality. A natural man cannot see deliverance but a person walking in faith and matured in patience will see good results. Petrol is a liquid needed to run a car. Without petrol it cannot make a single step forward. Likewise faith is essential for an act from God. With faith you can make everything possible. A person who walks in faith doesn't have the word impossible in his dictionary. Holiness and faith are the two sides of a coin. When these two come together miracles are created.**

# THE BOOK OF REVELATION

God created everything by faith, Peter walked on the sea by faith, Abraham was known as a man of faith. You must be one step ahead in faith like the centurion who wanted an healing for his servant and the woman who had a flow of blood for twelve years. Their actions moved the heart of Jesus. When the Red sea was divided Moses walked as if walking through dry land. (Isaiah: Chapter 65:24 And it shall come to pass, that

before they call, I will answer; and while they are yet speaking, I will hear.) You practice like as if you have been delivered before deliverance comes, then God will be excited to do miracles in your life before you ask, even when you think. Walking in supernatural is taking steps of faith in advance.

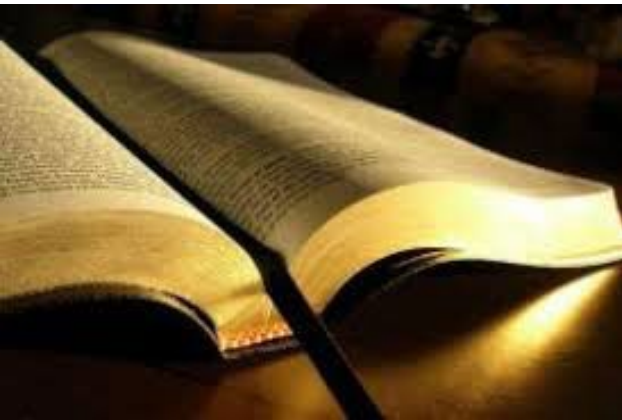

Faith is unseen but it is an experience. Faith without action is useless. God created everything when he found His Spirit overing over the surface of water. He declared everything at the right time. There is a prescribed time and route map for God in your life. If you go in His direction at His time, then only you see results, otherwise your faith and actions will be in vain. You need at most care in seeking the way of deliverance. Some people are having great faith and are willing to do great things to bring deliverance. When you read the book of Judges we can see God telling Gideon to reduce the army lest he and the Israelites might think they won the battle because of the strength of army. God doesn't want anyones plans or methods, the Lord has a supreme plan that we may be able to understand only by revelation. (2 Corinthians: Chapter 5:6 Therefore we are always confident, knowing that, whilst we are at home in the body, we are absent from the Lord : For we walk by faith, not by sight:) You have to see things through your inner eyes and you need understanding and knowledge about what is happening around, lest you might see failures. All the saints in the Bible entered the promise by faith. A blind person cannot reach the destination likewise what we need is not blind faith but faith with determination. You need vision and faith both in equal proportion for a successful life.

**Blessings!**

### REVELATIONS

Praise the Lord,

In the book of Romans 8:26 it says

Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings

which cannot be uttered.

And he that searcheth the hearts knoweth what is the mind of the Spirit, because he maketh intercession for the saints according to the will of God. So everybody should pray in tongues. But the question arises, while praying in Spirit, what should we keep in mind, whether our prayer requests or anything else, because God will be pleased only if the subject is according to His will.

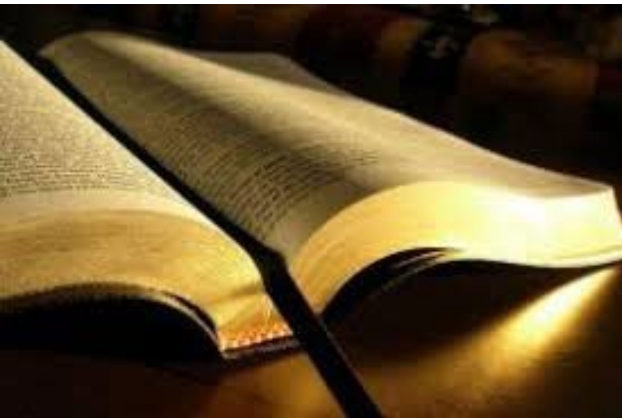

Our Heavenly Father who created us knows what we want, so we need not to say our matters. But Jesus has taught us how to pray in Matthew 6:9 'Our Father which art in heaven, Hallowed be Thy name.....' So my dear friends, always you pray in tongues and keep in mind the model prayer which Jesus has taught and you will see good results.

**If you talk with a right person you will get the answer instantly. But there won't be any response with a wrong person. The same is if you are in right with God you will get immediate reply. Prayer is the second fastest next to reply from God. Prayer is talking with God and if you are approved as a child of God, your prayer will be taken for an action. Some people think the prayer warriors are assigned by God to pray for them. If a person wants deliverance, he has to pray for himself and the one who is interceding will be just pushing your prayer like forwarding to God. If you submit your prayers to someone and is not praying earnestly, there is no guarantee about your prayers to be answered. (Matthew: Chapter 26:41 Watch and pray, that ye enter not into temptation: the spirit indeed is willing, but the flesh is weak). Never cease prayer until you see deliverance.**

**A mobile phone should be in within the coverage of network to have proper working. If you are in out of coverage there will be communication gap. If you are in God's will every prayer will be answered. The word of God will tell you whether you are in His will. Revelation is God talking to us whereas prayer is our speech to God. The reply from God is faster than our prayers to**

Him, because it is coming from the almighty. (1 John: Chapter 5:14 And this is the confidence that we have in Him, that, if we ask any thing according to His will, He heareth us:) The more you have intimacy with God the more your prayers will be answered. If you want to keep a good friendship with God look into His heart and not into His hands. Seek His pleasure and not yours. The only burden you should have is the burden about the

heavenly kingdom. Jesus has taught us to seek the kingdom first and all our prayers will be answered. Being in His will and seeking His pleasure is the secret of blessings. There are many people praying in the world at this time, but your prayer will be heard first, if you deny yourself and give priority to Jesus.

A noble man's prayer is easily answered. If there is unrighteousness in your deeds the prayers may take time to get answered. God extended the life of king Hezekiah when he prayed because he was loyal to Him, so God healed him. Take more time in praising the name of God and your prayers will be answered. Whenever the Israelites turned away from God, they were led to be in terrible situations and when they repent God will bless them. (Isaiah: Chapter 35:10 And the ransomed of the LORD shall return, and come to Zion with songs and everlasting joy upon their heads: they shall obtain joy and gladness, and sorrow and sighing shall flee away.) The knowledge that you are redeemed for a price on the cross will give you immediate deliverance. You are already healed and delivered by Jesus and what you face now is just a trial. Now Christ the hope of glory is inside you and you have to walk by faith. In old testament riches and honour come from above, but in new testament you are seated in heavenly places, so only you have to change your attitude and enjoy the blessings of the Lord. There was an old saying that we have to wait for the reply to come from God, but now you and God and Christ are built together in Spirit for a perfection, hence the prayers are answered immediately.

In Jesus name, Amen.

### REVELATIONS

Praise the Lord,

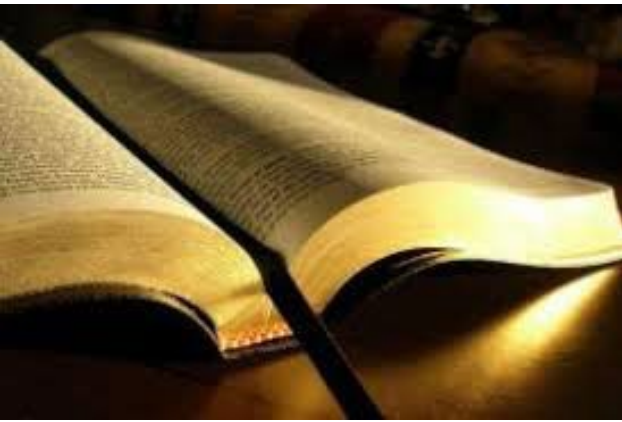

If we understand clearly the way how God disciplines us, we will be calm and quiet and thankful to Him while He chastens us. The Lord led His chosen children through great and terrible wilderness in which fiery serpents and scorpions were there in order to bless them later lest they forget their redeemer, but only Caleb and Joshua were able to realize the mind of God. Trouble produces perseverance and will yield good character.

Hebrews 12:11 says 'Now no chastening seems to be joyful for the present, but painful; nevertheless, afterward it yields the peaceable fruit of righteousness to those who have been trained by it.' So my dear friends if any problem comes in your life, it is God training you and if you praise Him for you have been chosen, surely He will bless you abundantly.

**Children whom are no one to care when they are grown up will become a problem to society, most of them will end up their lives meaning less, but those who are well trained will become a great asset to world. Every one wants to train others but don't like to be trained. If you want to become a great person you should be well trained. Moses was well trained by God for many years to become the greatest miracle worker in Bible next to Jesus. The long years Joshua spent in wilderness in his young age will seem to others as waste, but he was getting trained to make the sun stand still. If you want to be used by God in a powerful way, you have to spent years under His training. (Hebrews: Chapter 12:11 Now no chastening for the present seemeth to be joyous, but grievous: nevertheless afterward it yieldeth the peaceable fruit of righteousness unto them which are exercised thereby). Time spent in wilderness is not a wasting time but a training time. If you jump out before time, it will not bring good results. Stay to be well trained with patience.**

**A person well trained is good for the work he has undergone training. It will be terrible if he is trained without his knowledge. Likewise trials and tribulations are a training for a spiritual person to be raised to the next level. A person who has a calling has to go through his tough situations. He should not try to escape the situation. A spiritual person has a knowledge about**

the ways of God, so he will not complain or murmur. The more he is submissive, the more fruit will come out of him. The Bible speaks about trials and battles, but we only surrender to God and He will fight for us to give victory. (John: Chapter 16:33 These things I have spoken unto you, that in Me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world). Some people struggle to

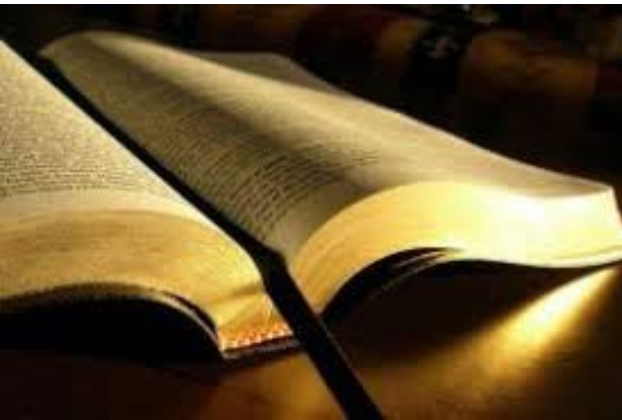

come out from their trials, but it is easy with Jesus. Don't try to use the worldly ways as the gentiles do, surrender to word of God. If you suffer for the sake of word, the same word will honor you. Deliverance is easy for those who are in Jesus, but for others it is a terrible issue. Walk in Spirit and know His ways and you find every trial easy to come out.

Always praise the name of God in your life and give thanks to what He has done to you. Never speak what devil has done in your life. The more you speak about God the more He will be happy. If you think you can do anything God will be silent in your life. If you think you are nothing and everything in you is by grace of God, you are lifted up. Draw near to God and He will speak to you. Surrender to Him and you see miracles happening in your life. Submission to God means walking in Spirit and following His word. A double minded person will not get deliverance. Believe the word like a child and don't question and the word will come to pass in your life. Abraham submitted everything to God and he was greatly blessed. (James: Chapter 4:7 Submit yourselves therefore to God. Resist the devil, and he will flee from you.) Submission to God is very easy by taking one decision that denying yourself and seeking His pleasure. You will see the devil taking everything and going away from you and you are set free and blessed. When you are helpless and seek His mercy, your body will be controlled by God and you are like a dead person, but the life of Jesus will be revealed and you see miracles. The secret of miracles is surrendering to God.

In Jesus name, Amen.

### REVELATIONS

Praise the Lord,

Happiness is like a butterfly. The more you chase it, it elude from you. But if you pay no attention it will come and sits on your shoulder. Deliverance and blessings are like this. If you are happy only in material blessings, the

more you live in this world, the more you will have worries. The greatest deliverance we got is when we accepted Christ as our saviour. We must be happy always because we have Christ in us. More over the God who created everything accepted us as His own children and also gave His spirit to us.

God gave sun, moon and everything in this world to all the people He created for their enjoyment, but the above said privileges He gave only to us. So let us be happy always.

So my dear friends let us ignore what we don't have and be like Habakuk the prophet, in his book, 3rd chapter 17 verse which says " Although the fig tree shall not blossom, neither shall fruit be in the vines; the labour of the olive shall fail, and the fields shall yield no meat; the flock shall be cut off from the fold, and there shall be no herd in the stalls: Yet I will rejoice in the LORD, I will joy in the God of my salvation."

**Happiness is not determined by anything that is gained or loss, it is a state of mind. Happiness is from God. A person can be happy even if he has many problems in his life. Our prayers are answered very soon if we are happy in Christ. (Colossians: Chapter 1:24 Who now rejoice in my sufferings for you, and fill up that which is behind of the afflictions of Christ in my flesh for his body's sake, which is the church).**

**Here we can find Paul the Apostle finding happiness in every situation. Rich people with good health and good relations are ending their lives in distress because of their attitude to everyday affairs. Happiness is a gift from God, it is one of the fruits of Holy Spirit. Our human life is mixed with sadness and happiness but a person who is born again is in the spiritual realm and is controlled by the Spirit of God and hence find happiness in every situation. If you go after happiness you will not get it, but if you go after God you will find it.**

**Happiness is a gift from God and not coming out when received something from this world. It is a fruit of the Spirit. Some people pray for happiness forgetting that in God himself there is happiness. The presence of God gives happiness and satisfaction. The devil does not like**

# THE BOOK OF REVELATION

you to be happy, he wants you to be always depressed, because in joy there is blessings. A person in Christ will never be sorrowful and never complains. (Psalms: Chapter 119:71 It is good for me that I have been afflicted; that I might learn thy statutes.) Here David is finding happiness in his trials. There is happiness in word of God. The sword of the Spirit is word of God. The word of God is interpreted by Holy Spirit. A person

who has Holy Spirit will be satisfied and be happy always when he meditates the word of God. He does not seek happiness from anything outside the word. In Christ there is fullness of happiness that is beyond our understanding. The world gives happiness but has no life but heavenly happiness is eternal and no one can snatch it from you as it is given by God. Do everything for the sake of God without expecting anything from men, but God will reward you along with it happiness and perfection also.

Happiness and sadness are feelings coming out from our heart. It is your attitude that determines whether you could be happy or sad. If God is with you there will be happiness even in negative circumstances. Daniel was happy in lion's den and Joseph was also praising God even in prison. In trials if you have the grace, you will be happy. People are unhappy because of imperfection, see the things like God sees and you find perfection in everything. The joy of God should be in you always. Habakuk the prophet had everything, but now he lost everything, but is still saying he will rejoice in God. The disciples came happily because of the miracles they are doing, but Jesus said be happy because your name is written in book of heaven. You are the happiest person in this world because you have a calling and you are redeemed and given His Spirit. You are the richest person in this world because you have grace that works at the time of need. The knowledge who you are in Christ will make you happy. (Isaiah: Chapter 55:12 For ye shall go out with joy, and be led forth with peace: the mountains and the hills shall break forth before you into singing, and all the trees of the field shall clap their hands.) If you stay in His presence you will be happy always. The secret of happiness is walking with God.

In Jesus name, Amen.

### REVELATIONS

Praise the Lord,

If we happen to be in the middle of a desert or forest, we will find difficult to come out. Likewise many people do not know how to get out from their problems. Jesus has taught us that when we are invited for a wedding feast, to take the lowest seat lest the host might degrade us,

if anyone better comes. If we take the lowest seat he will come and invite us to sit in the best seat. There are many secrets like this to get the blessings from the Lord. If we understand the method to please God we will have quick deliverance.

Psalms 127:2 says: "It is vain to rise up early, to sit up late, to eat the bread of sorrows; for so He gives His beloved sleep." So my dear friends let us have the mind, heart and attitude of Jesus, so our Father will be pleased and we need not to go after blessings, instead the goodness and mercy shall flow us all the life.

**In a big house there are many doors and the keys of each door are not the same. A person who wants to occupy every room should know each key that is for the doors. If he is unaware of the specified keys much time will be wasted in entering each rooms. Like wise there is different word in Bible for every blessings, healing and deliverance. A person should have a knowledge in the scriptures otherwise will not be able to achieve what is said in the Holy Bible. Some people due to lack of revelation in scriptures are struggling for a deliverance. (1 Corinthians: Chapter 10:13 There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it). There is a key word for your deliverance and blessings and you have to receive it from God in prayers. Deliverance, healing and blessings are easy for a person to get from God, if the right key is used.**

**There is a begining and an end to every way. No rain has been continuously pouring and no storm has been blowing without stopping. There is a solution for every problem. The Bible is the final answer for every question. For every sickness there is an healing in God's hand where the medical science has failed. But some people cannot find the riches**

# THE BOOK OF REVELATION

of heaven. Your honour and wealth comes from above and also your help and provision comes from the God who created the whole universe. Most people when they are in need expect sources from the world but the Lord has never failed to give food to very bird, animal and reptile he has created. Every name has a meaning and the meaning of the name 'Jesus' is deliverer. So there is answer in the name of Jesus.

There is remedy in the name of Jesus. (John: Chapter 14:6 Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by Me). The teachings of Jesus are beyond our understanding, but those whom have understood His sermons, their blessings the world cannot understand. The way of Jesus is boldness in word of God, humbleness in humanity, obedience in nature, far vision about future and prudence. If you follow His path your life will be successful and you will find a way to come out.

There is a way for your solution. A door is completed when built with a key. Unless the right key is used the door will not be opened. There is a way for deliverance. Everytime God will change the way of miracles. New methods and systems are adopted. Moses needed a rod to stretch to divide the Red sea, but you need only faith to open doors for you. The Holy Spirit will update everything as God requires. You need insight for deliverance. See everything through Christ and you will come out from the problems. (Isaiah: Chapter 55:8 For My thoughts are not your thoughts, neither are your ways My ways, saith the LORD. For as the heavens are higher than the earth, so are My ways higher than your ways, and My thoughts than your thoughts.) If you don't understand His ways, you will be stagnant and struggle. You have to read the scriptures and need His Spirit for the interpretation of the right word for your deliverance. You should apply that word at the right time and the right time is the time you are tested. Asking others for your key word will not give good results, you have to find yourself the right word, because you have to pay a price for your deliverance as Jesus also brought you for a price.

In Jesus name, Amen.
