Hear, all ye inhabitants of the earth, all ye that are rich and poor, both low and high, speak of wisdom together, and let us understand. PSALM 52
A Psalm of David.
Why boastest thou, O man, that sayest, I am righteous, and will not be moved, for I have said peace, and I have said, I am safe, because I have said, I will not be moved, for I have said, I am safe, because I have said, I will not be moved.

PSALM 55
A Psalm of David.

PSALM 56
A Psalm of David.

What has happened in your life is with God's knowledge and is for a purpose, so don't waste your time by complaining or looking into other's faults, instead ask the Lord, in which area I have to correct. He will be pleased to hear that and direct you the right path and you see deliverance. Don't doubt.

Surely you will pass the test. Trust only in God and not on circumstances and believe the word. Pray for understanding and wisdom from above. In the end success is yours. The problem may be difficult to handle but God is above that. Ephesians 3:20 says

“Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us,”

His presence will transform you into a new person. The law will be changing for you when you get favour from God. Trust in God and pray for his knowledge and you will see success. Rest in His hands and He will give you peace. God can change your mind and attitude if you surrender to Him. You will get deliverance if you know the plan of God in your life. Earnestly know the spiritual path rather than you see with your eyes. When your spiritual eyes are opened, your blessings start. Walk with understanding and with God's power, then no one can defeat you. You will be a blessing to many. Arise, awake. This is your time.

Pray in advance. We don't know what is going to happen in our life next, so we need to pray for future, rather than about the present situation.

Romans 8:26 says "Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered."

I encourage everyone to pray for your prophecies to come to pass and make your mind to work on it. Today's issues you give into God's hand and He will take care of you. You pray for the things that is to come after five years or ten years. Give thanks to the past, because everything happened was fine and was for our goodness, unless we never meet Jesus. Don't stay in the old memories and be stuck in the present situation. Today God will deal your present issues as He is our creator, knows very well about us than ourselves. Pray for future in Spirit. Tomorrow when problem comes, what we prayed yesterday will come to be helpful. We are delivered now because what we laid in the past has been working now in us and what we are laying now will be helpful for future. Daniel was a man of prayer and that helped him to come out from lions den and when he was in tial, he was taking rest. That spiritual rest will help him in future. So deposit something for future in your Spirit and rest in God's hand and you will see deliverance.

Bible is a book of prophecies, blessings and also punishments to those who break the law and it speaks about God's mind. The revelation is also sent through prophets even today for knowing what God has planned for a person who comes to Him. Always walk, think and be in spiritual realm as Ephesians

2:6 says "And hath raised us up together, and made us sit together in heavenly places in Christ Jesus:" After baptism the Lord will direct us to sit in heavenly places that is to be in spiritual realm. We have to look the problems from heavenly place like as God sees. But most believers step down from that level and begin to think like worldly people and the results are stagnation and not leading a rich life both in flesh and spirit. The blessings first come in Spirit and then it will be revealed in flesh. Abraham was blessed in spirit and then in flesh, but his wife Sarah and others came to see the blessings when it was revealed in flesh only. First the transformation is in spirit and then in body. When the spirit is undergoing the transformation process in the wilderness, stay away from natural men, lest they lead you in wrong directions.

John the baptist was in the wilderness until his calling has been revealed. So stay away from people and hear the direction of Lord and move accordingly and you see the breakthrough.

Don't run away from your problems. There is a blessing hidden in it that can be seen only with spiritual eyes. The problems in your life may come in the form of delay, financial crises, lack of food and clothes, famine, family problems, rejection, sickness and other infirmities. If you are a child of God and

yet it has happened, that's by God's will and you have to fight spiritually. The book of Matthew 13:44 says "Again, the kingdom of heaven is like unto treasure hid in a field; the which when a man hath found, he hideth, and for joy thereof goeth and selleth all that he hath, and buyeth that field."

Find God's kingdom in your problems, for that you have to believe the word like a child believes it's mother. The child will depend on it's mother for everything, likewise you trust only in the word of God and the word will work effectively for those who believe. Hagar the servant of Abraham ran away from his house due to Sarah's behavior, but the angel of the Lord appeared to her and said to return back to master's house, and when her time has come to open the spiritual eyes, she was sent by God to the wilderness for being tested and God opened her eyes and she saw a stream already opened for her.

Likewise stay in the wilderness until your eyes are opened, don't try to jump out from you problems, what you see now is not the real, the real and permanent you will see when God opens your eyes. So relax, hold peace, enjoy and take rest in God's hand when you are tried and you see miracles.

Taste the cross, it looks painful but there is peace and joy in cross. People follow success and everyone are working hard on it. But be cautious when your life is going well, because anytime the enemy may attack if you are not putting the armour of God. Education, going for further studies to abroad, working in a rich

country, marrying a beautiful spouse, having obedient children, having land, houses and money in bank account are counted as success according to the world.

Hebrews 11:25-26 says “Choosing rather to suffer affliction with the people of God, than to enjoy the pleasures of sin for a season; Esteeming the reproach of Christ greater riches than the treasures in Egypt: for he had respect unto the recompence of the reward.” Here this word is speaking about Moses, he would have been the next king of Egypt, if he had married the princess, but he looked to the reward. The real reward is in the cross. There is resurective power in cross and the output is supernatural that human wisdom cannot get an answer. Be happy when you are tortured, cheated, rejected, delayed, in needs, in pain, in sickness because that is your cross and the real reward will be revealed when you carry the cross out of joy. Simon was forced to carry the cross of Jesus and he was blessed, how much more you will be blessed when you suffer for the sake of Jesus, the blessings will be in abundance that you can’t imagine.

We are in the battle field. When the hands of Moses were lifted up, the Israelites prevailed the war, when the hands of Moses were put down, the Israelites lost the war. Our battle is spiritual and God has send angels for our help. Many believers are aware of the angelic ministry. Also Jesus has given us Holy

Spirit as the helper to fight where we fail. David was confident abouts God's power and strength when He was before the giant Goliath. Philippians 4:13 says "I can do all things through Christ which strengtheneth me." Christ is your power, strength and hope. Don't see problems as big, see Jesus as great, then out of you will flow the power of Jesus. Don't say God will not do, but always declare like Elijah and Moses and your words never fail. The deliverance and healing depends upon your attitude, how you see God and His word. There is a time fixed for your breakthrough and your mind should be set correct at the exact time. When God found that His Spirit is hovering over the surface of water, He declared the right word of creation. Likewise know the timing of God and declare , definitely you see a change in your life. When Holy Spirit moves, you should be ready always, you do not know when the wind blows, but be diligent. Now this is your time, arise and awake.

You need Holy Spirit and Word of God for a deliverance. Some have Word without Spirit and some have Spirit without Word. Ephesians 6:17 says “And take the helmet of salvation, and the sword of the Spirit, which is the word of God:”

When God found that His Spirit was hovering over the surface of water, He released the word of creation and everything was formed. The kingdom of God is hidden in the word of God and everyone cannot find it unless understanding is opened. The Holy Spirit will help you to see the hidden mystery of the word. There is a key to open a door, likewise there is a secret key for your breakthrough. That key is the word of God that works effectively for your breakthrough. God is faithful to work for your deliverance by telling the method for opening closed doors. Moses and Israelites were before Red sea and were confused how to move forward but God told Moses how to use the rod, while the Egyptians tried to enter but they had no key and were drowned. Walk in Spirit and Holy Spirit will tell you the key for your breakthrough. The Spirit and Word work together for you and you will see the miracle.

You are the best and blessed person when you realize that you are a child of God. You are not an orphan or stranger, we are the children of God. It is easy to say we are children of God, but God has to acknowledge. John 1:12 says "But as many as received him, to them gave he power to become the

sons of God, even to them that believe on his name:" If you are a child of God, that will be revealed in your life. The trials and persecutions God allows to test whether we are children of God. When we face problems God is checking whether we believe in Jesus and trust in His word. The more you tried, the more you be happy. So rejoice in sufferings and see God's glory. When Job was tested, he was saying, God knows his ways, so he was confident to say that he will come out as pure gold. The greatest achievement is not getting any earthly blessing, but the reward obtained after passing a trial. Instead of worrying go and take rest like Daniel in the test. Sing and if possible feast in persecutions you will see tremendous victory. If anyone hate you, go and love him and not only praying for him, but also check whether he is in need and provide him. For a deliverance you need the favour of God and also men, but don't compromise the word for your gain. Use the authority as a child against the devil and you see breakthrough.

God wants to bless you abundantly as a father blesses his own children. The heavenly Father will bless us only after repentance and redemption through Jesus Christ, because He wants us to be holy and without blame. There are two kinds of blessings from God, one is that He gives to everyone, the other is that He gives only to His children. In the ministry of Jesus many were healed, blessed, delivered, but only one hundred and twenty got Holy Spirit.

Proverbs 3:13 says "Happy is the man that findeth wisdom, and the man that getteth understanding." Along with Holy Spirit everyone has to get wisdom and understanding and knowledge from God, lest his life will be a failure. By grace only a person gets these from God. Don't be satisfied with a worldly blessing, seek the spiritual blessings first, then only your life will be successful. In the spiritual blessings there is everything you needed in this world and for eternity. Why God is waiting to bless you, because He wants to bless you like how He blessed Abraham.

It took many years for God to bless Abraham, because his calling was great. Realize who you are in Christ and what are the riches you are going to inherit, so wait patiently.

When problems come some will blackslide, while some come closer to God. The failure is the way for success. Some will use it for their achievement but some blame others and their life will be total failure. When people are blessed they will be happy, but when persecutions come, they loose peace. Peace

is the basic and fundamental foundation for everyone's success. Jesus said the peace He give is not the world's peace but one of the fruit of Holy Spirit. When you come to Jesus, first He will give you peace and then blessings.

Isaiah 55:12 says "For ye shall go out with joy, and be led forth with peace: the mountains and the hills shall break forth before you into singing, and all the trees of the field shall clap their hands."

This is a process. First problem comes and Jesus will come with peace, when you have peace, then knowledge and hope comes. That hope in Christ is giving you breakthrough. Peter lost all hope when his fishing was a failure and suddenly Jesus met him, and after that he got hope. When you are tried, hold peace, think twice before you react, whether you are maintaing peace, an action without peace will lead you to face the negative consequences later. Follow Jesus and your life will be successful and peaceful.

Don't be upset when things are not working as you plan, because Lord knows when you are entitled for it. If you reach the promise without any training and precautions you may fail when problem comes. God is training you to make you perfect. God drove all the enemies of Israelites wherever they marched

forward but in a certain area God did not remove all the enemies because of protection of His own people. Deuteronomy 7:22 says "And the LORD thy God will put out those nations before thee by little and little: thou mayest not consume them at once, lest the beasts of the field increase upon thee."

What is happening in our life is for our goodness when we have knowledge about God. God is not looking money or time, but perfection. When we attain that maturity, He will release blessings step by step. A spiritual person rests in the hands of the Lord when trial comes and wait for God to move, while a natural man find solution for his problem but ends in loss. The Lord's way we cannot understand but it is the perfect and reliable. When you are tried, keep away from people and ask Holy Spirit for guidance, then you will never fail.

his season? or canst thou guide Arcturus with his sons? Knowest thou the ordinances of heaven? canst thou set the dominion thereof in the earth?”

A person born in this world is controlled by the galaxy including the stars and sun. But a born again person from the time he accepts Jesus Christ as saviour he comes out from the bondage of galaxy and no more controlled by the stars, but his star will be the star of Jesus, the bright morning star and will be given all the authority in heaven and earth. Examine whether you are delayed or going through curses, then from the time you are a child of God, you are a new person, the old is gone. Be wise to speak. Every morning when you wake up submit your tongue to God and pray that you be silent and only God speak through you. Likewise submit your heart and mind to Jesus and pray that all the thoughts be holy and without blame. Practice to think and speak like Jesus.

1 Samuel 3:19 says “And Samuel grew, and the LORD was with him, and did let none of his words fall to the ground.” Be always positive in thoughts and have the mind of Christ and use your mouth for God’s glory and your life will never be a failure. Speak to God by your mouth and hear the reply in the same way, likewise communicate with God by your thoughts and get the reply in the same way.

Never allow your flesh to overcome your spirit and like a child trying to walk, take every effort to speak in tongues and walk in Spirit. You will find peace, satisfaction and joy in your life. When you are fully controlled by Holy Spirit, you will then be walking and experiencing the spiritual realm that a natural man cannot understand. Rest is needed for everyone. We have heard that a person who dies in Christ will be resting in peace. But when we live in this world also our spirit needs rest.

Hebrews 4:3 says “For we which have believed do enter into rest, as he said, As I have sworn in my wrath, if they shall enter into my rest: although the works were finished from the foundation of the world.”

When you work for a long time your body needs rest, likewise when you pray, praise, fast and worship in spirit for a deliverance, after a period the Lord will give rest to our spirit. When our Spirit is resting, we will be silent, we may not read Bible for long time, or pray for many hours, but our prayer and praise may have limited for a small time. But don't be upset at this time, you are resting in God's hand and listening to him and learning many things that's happening in the spiritual realm and around you. Daniel was a man of prayer and Joseph was a man of obedience and when they were tried, they were resting in peace. What you have to do is when you are well and happy spend time in prayers and worship and when you face the battle enter the rest of God Jehovah. Then you will come out like a mighty warrior.

Mobilization is needed for a new beginning. What God is allowing in our life is for our goodness but many people call it as problems or delay. Sometimes God moves very fast in our life, sometimes He will not move or things will be changing very slowly.

In Exodus, we can see the pillar of fire and cloud moving and sometimes staying in one place for a long time. Isaiah 55:8-9 says “For My thoughts are not your thoughts, neither are your ways My ways, saith the LORD. For as the heavens are higher than the earth, so are My ways higher than your ways and My thoughts than your thoughts.”

Human wisdom has certain limits to grasp the plan of God, for that we need godly wisdom. When God moves you must move with God. Elijah was tired and needed rest when He was running away from Izabella, but God gave him spiritual food to travel with energy and strength for forty days. Likewise know His plans and move accordingly then you will see success. In God’s plan there will be provision even in trials, but just for our needs, and when we enter the promise, not just but abundantly that we cannot count.

REVELATIONS

Praise the Lord,

Grow in the word. Every day ask the Lord for your word and live and walk in that word. Sacrifice yourself for that word. That word will honour you from the time you take the decision to be a testimony for that word. The word of God is not just for preaching and to meditate but to keep into practice in our life.

Joshua 1:7-8 says “Only be thou strong and very courageous, that thou mayest observe to do according to all the law, which Moses my servant commanded thee: turn not from it to the right hand or to the left, that thou mayest prosper whithersoever thou goest

This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.”

The secret of blessings and deliverance is honouring the word of God as the word of God is God. A believer without word of God is like a house built on sand, when flood comes it will be washed away. Keep connected with the word and you will see it working effectively according to your faith. People should read the word in your life and you should be a living sacrifice to the appropriate word at the time of trial. When Abraham tied Issac to the altar, he could have escape from it but surrendered as he was being obedient to God’s command. You be like Issac and see how the miracle happens.

Expect a miracle at any time, because you are chosen by a God who does only miracles. There are natural things happening everywhere. At the same time a person who walks in Spirit and is not turned from the word will see only supernatural miracles.

John 3:8 says “The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.” We don’t know when a breakthrough comes, it depends upon a person’s faith. God has to release His presence upon you for a miracle. You have to keep holiness, to see a miracle in your life. God told Joshua to tell all Israelites to purify themselves for He wants to perform miracles among them. Without peace and purity you cannot see God, unless you see Him, things will not move as you desire.

God should find pleasure in you for a miracle, for that you have to keep the word. Our body is the temple of Holy Spirit, that means we are carrying a powerful God in us, so any time miracles may happen and it will happen when only we stand in the winds direction.

Nothing is hidden in God's eyes. We don't know these before, but only after our salvation. We began to think seriously about God and His commandment only after He saved us. John 17:3 says "And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent."

The real salvation comes after hearing the gospel with a broken heart leading to repentance. If the repentance is true, then God will accept us as a child of God. Peter followed Jesus but did not understand what the Master is saying, because his mind was unstable, but after denying Him followed by repentance, Jesus opened his eyes and understanding. Today many people take baptism without fully knowing God and when they are tried, they behave like gentiles. If you are born out of word, definitely you know who you are in Christ and you will be like Jesus sleeping when the storm hit the boat. Examine yourselves whether your repentance is genuine, if not pray for God to pour grace upon you for real knowledge and inherit salvation.

You are called to declare the mighty wonders of God Jehovah. Testify Jesus through your life. God will find pleasure in you when you have a testimony before others. Abraham was known as a man of faith and Daniel as a man of prayer, likewise you should be known in your testimony in Jesus. Your asset is your obedience to God. Don't be ashamed to preach gospel, because it is your life and power. Matthew 10:32-33 says "Whosoever therefore shall confess Me before men, him will I confess also before My Father which is in heaven.

But whosoever shall deny Me before men, him will I also deny before My Father which is in heaven." Whenever there comes an opportunity to testify in your life, and you keep silent, you are bringing bondage to yourself. Whenever Jesus heals a person in His ministry, we can see Him telling everyone to go and testify and once ten lepers were healed and only one came to say thanks and Jesus asked where are the other nine ? Today when you get blessed and you keep it secret, God will ask why you are not sharing your healing and blessings. Be thankful to God and make Him happy by declaring His miracles to others , so you will be more blessed.

Honor God and His men. 1 Kings 17:13 says “And Elijah said unto her, Fear not; go and do as thou hast said: but make me thereof a little cake first, and bring it unto me, and after make for thee and for thy son.” We could see later as the widow obeyed the prophet’s voice and was blessed. We need

to discern the real representative of God as many come in the form of real. God told Abraham those who bless you will be blessed and those who curse you will be cursed. God has given us the Spirit of discernment to know what is true. We could see in the ministry of Jesus, one lady came to anoint the feet of Jesus with the valuable oil and the devil was working through one Judas Iscariot but Jesus said what she is doing is right and she will be honoured. There maybe times coming in your life to get blessed through God or His angels or through His servants, but a person who is loyal to God and keep His word and walk in Spirit will never be misled but Holy Spirit will help him to take the right decision.

Abraham treated the angels well and was blessed by hearing a message from God that he will be blessed with a child by the time next year. So lead a holy life and you will not loose the opportunity to serve God.

The grace of God is upon you, but you will see it only at the right time. The kingdom of God is hidden in your sufferings, likewise grace is also revealed when your faith is tested. Abraham was tested by sacrificing his son, and God's grace was revealed at the final moment. When you are tried, by faith you

have to believe that you will overcome, then God will show His mercy and grace. The centurion believed in Jesus and grace was revealed in the form of healing. 1 Corinthians 2:9 says

“But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him.”

All the blessings in the Bible will come to pass in your life through faith and by grace. There is power on one side of cross and shame and pain on the other side. In your sufferings, the grace will be revealed only when you experience the pain and rejection. Mary the mother of Jesus was full of grace, at the same time she had to escape from the king and was facing many trials, but God was with her. The grace is coming with persecutions, one who runs away from it will lose it, but one who forsake everything for Jesus sake will find it.

There is change happened in your life and that is you received Jesus Christ as saviour. If any one is in Christ, he is a new born again person. Your blessings will come depending upon how much you are faithful to God. Peter started walking on the sea, because he met Jesus in his life. If you are a believer and no miracles are seen in your life, it means you are still the old person. You are born out of earthly parents, but now you are born out of heavenly Father. This is the greatest thing happened in your life and it cannot be explained by just words, but an experience of joy. Psalms 51:12 "Restore unto me the joy of thy salvation; and uphold me with thy free spirit." Are you enjoying your life as a christian, then you are in the right way. If you are saying, going through a lot, means you are like Lot who followed Abraham without experiencing God. Your spiritual graph should go up and not depending on earthly blessings, but something others cannot understand. Christian life is walking with Jesus and pleasing heavenly Father. If you have the favour of the Lord, you don't have to ask Him, but possessing your inheritance by authority, because you are no more an orphan but a heir of God and joint heir of Jesus. Many people does not know where to start. If you are a believer, there is a way and that way is the word of God. A child when is born , the earthly parents will train him up as what they have learnt from their fathers. The parents if walking in flesh will teach according to world's ways. But you

should not be like them.

Exodus 10:2 says “And that thou mayest tell in the ears of thy son, and of thy son's son, what things I have wrought in Egypt, and my signs which I have done among them; that ye may know how that I am the LORD.” First speak your children about God Jehovah and Jesus and His word, so your children will never fail. The first medicine is the word of God and it will be with the child even when grown up and will definitely bless that person. First seek the kingdom of God and He will be through out your life, and honour you where ever you go. The world's blessings will be revealed faster but will not last long but God's blessings are hidden in your persecutions. Don't give up but wait patiently for the out out. Abraham started journey with God and was blessed, but Lot started journey in flesh and was mislead. Start your life with Jesus and He will stand for you.

There may be ups and downs in a person's life. When you walk with Jesus there may be persecutions but since He has overcome the world we also have hope. We are children of God and heirs of God and joint heirs of Christ. Being as a child of God and a servant are like two different sides of a coin. A son is

eligible to exercise the Father's authority but a servant has certain limits. In the ministry sometimes we are in the state of a son, sometimes as a servant. Sometimes we are free to enter the kingdom but sometimes we will be like a door keeper in the kingdom.

Psalms 84:10 says "For a day in thy courts is better than a thousand. I had rather be a doorkeeper in the house of my God, than to dwell in the tents of wickedness." We have to tarry in our Jerusalem for more power or stay in wilderness for to be tested. These things will come in a believer's life, since God wants to test you. Blessed is the man who passes the test and found blameless. Joshua was tested forty years in the desert but was found faithful. Patience and longsuffering are essential during this time. Be in the word and become a faithful servant and desire for God's pleasure rather than yours. When you are found perfect the honour will come to you from above.

The knowledge and experience about God is essential for a movement to the next level. The Lord is near to those those who seek Him. When you read the scriptures understand what He needs in your life. You have to live for God and is created for that.

Lamentations 3:25-26 says “The LORD is good unto them that wait for him, to the soul that seeketh him. It is good that a man should both hope and quietly wait for the salvation of the LORD.”

The thief who was crucified with Jesus had a repentance in his heart and His prayer request to Jesus was to remember him in His kingdom.

After you have met Jesus you should have to change your prayer request and that should come from the bottom of your heart. Before you lived for yourself and your beloved ones, but now you are living for Christ. If this change has not come in your life, it means you have not tasted Jesus. Jesus took the form of a servant and was looking to make heavenly Father happy, likewise have the mind of Christ in your trials and make God happy, then you see supernatural miracles. A servant has certain limits in the master’s affairs not like the son, be humbled and when you are tried, take the form of a faithful servant and desire only for master’s happiness and you see blessings.

Faithfulness is the essence of a powerful ministry. You have to deny yourself and follow Jesus to have a growth in the ministry of God. One cannot love himself and look for his interests, but should be happy to keep the commandment for a successful ministry. We have to see every church as different

different ministries called to serve His purpose. Every Pastor or Bishop is not the owner of the church, but Christ is the head and everyone who holds the office of a leader are just like managers.

1 Corinthians 3:8 says “Now he that planteth and he that watereth are one: and every man shall receive his own reward according to his own labour.”

Andrew the brother of Peter who was the disciple of John the Baptiste, later followed Jesus and became His disciple.

You must know your calling and also must be aware of your church and Pastor that you go for worship, is not chosen in flesh but directed by the Holy Spirit. Sometimes you have to leave the earthly parents and their church to follow Holy Spirit. This should not be in flesh, but deep discernment is needed. Know the will of God and not your happiness but His satisfaction.

The fear of the Lord is the beginning of wisdom. What you want is not the world's knowledge but heavenly knowledge. People whose spiritual eyes are opened can only understand wisdom of God. The crucifixion of Christ was a foolishness for the world, but it was grace and power to those whose understanding is opened. The cross has three faces, one is shame, the other is pain and the third is grace and power. People whose eyes are not opened will seek grace and power from the cross, but they could not find it. The mighty of the cross is hidden in the shame and pain of the cross. Jesus carried the cross publicly and bore the shame and He was nailed to the cross and bore pain and was obedient to heavenly Father, so He was placed first and experienced the explosive resurective power. Unless God gives you wisdom you cannot see the blessings hidden in the shame and pain of the cross, but he will run afterwards the power but will not get it.

1 Corinthians 1:18 says "For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God." The wilderness is the place of shame and pain, you cannot run away from it, lest you will not see the power but you need long suffering and patience at the time of trial, and you will see lastly out of you flowing rivers of living water and God will honour you.

God is able to do greater things in your life. Don't limit the power of God. God's blessings, grace and power are unlimited. It comes upon a person how he sees God. Peter walked on sea because he believed that what Jesus can do he could also do, but the other Apostles never desired to walk on sea. You have to desire and that desire is given by God, so you will be able to see miracles. You open your heart to God and keep holiness in your heart, then God will give you good desires. Judas Iscariot the one who betrayed Jesus also had negative desires. His heart was not opened to God, but hidden from Him, so the devil gave evil desires, instead of seeing goodness, his life was a failure. Humble before the Lord, and He will give good thoughts and desires.

Acts 3:7 says "And he took him by the right hand, and lifted him up: and immediately his feet and ankle bones received strength."

The lame man never thought that he would walk, but saw miracles he never dreamt.

If your heart is pure, God will give you wisdom and insight and you will be seeing things beyond your understanding. Make your heart holy, you will see things changing by the Grace of God.

The grace is upon you and you should be aware of it. A strange thing happened in your life and it is for your goodness and it will change you totally. This is a godly sorrow and will lead you to repentance rather than regretting.

1 Peter 4:12 “Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you:”

When you face persecutions be happy, This is for God’s glory to reveal. A man was born blind and the disciples of Jesus asked Him, whether it was a curse, but Jesus replied it is for God’s glory to reveal.

Rejoice when you are tried, because God wants to honour you by releasing His power. The more you are obedient the more you will be blessed. David was tried through Saul, but he saw it as God’s plan and surrendered himself to God and he was mightly used. The Bible is the book that makes you the head and not the tail, it makes you prosperous and not to wander. There will be test and need to humble ourselves and wait for God’s timings. Abraham waited, Moses waited, Joseph waited and Jesus waited, why can’t we wait patiently without complaining for good results. Surely you will see miracles, focus on the final test and not on the beggarely elements. Let your mind be on Christ when you face trial, as He Himself won the battle by defeating the devil.

See everything through God's eyes. If you keep holiness and have the mind of Christ, your eyes will be the eyes of Jesus, your ears will be the ears of Jesus, and your mouth will be that of God's. Think like God and imagine like Him, let your attitude towards many things be like of Jesus. Then you

have peace. You are the representative of God in this world, He wants to use you as His assistant where He cannot go, so be faithful. God created everyone and He wants you to love everyone as He loves them. God is searching for such people in every area of life to stand on His behalf.

Colossians 1:24 says "Who now rejoice in my sufferings for you, and fill up that which is behind of the afflictions of Christ in my flesh for his body's sake, which is the church:" See the problems in your life as you are a part taker of other's sufferings also for their blessings and be happy in persecutions. Jesus came into this world to bless everyone, and He wants you now to bless everyone as He did. Then how can anyone keep hatred and jealousy towards another instead of seeking a blessing upon them. You pray for others and minister for other's goodness and rejoice when God bless others. This should be your attitude always.
