## Praise the Lord

The grace of God is upon you. Let your investment be in Spirit. What you do in Spirit will remain, others will not last long. God is faithful to edify your Spirit. Pray for a constant heart, unshakable and approved by God, so our thoughts from heart changes into showers of blessings to many.

Walk in Spirit you will reach the promise. God has given His Spirit now to go before the enemy. Think twice before taking an action because your soul needs rest to think. The more you wait, the more you hold peace. Follow peace and you see God. Without peace and happiness you can't get breakthrough. The Lord is near to you if you ask earnestly, seek Him with diligence. Don't be proud of yourself because it has not come from your spirit, but from your heart. Make your heart humbled and God is pleased

with you. Don't wait for your blessings, it is following you, you just follow Jesus. All goodness and righteousness follow you. Don't be afraid seeing negative things, but this is test of faith. The one who called you will keep you safe from the devil's attack. God can change your circumstances if you don't turn right or left from the word. God is faithful, He will never allow you to fail.

Be wise in the sight of Lord rather than before the world. The one who knows God is the wisest person. The one who knows His plan prospers in his life. As long as Jesus is in you, you are the light. Don't put out the light, because you are honoured because of this light. There is no time to waste, as we have an assignment from heaven, that is for the kingdom purpose. Be happy because you are called. Rejoice because you are approved. When you are in trouble refer the Bible, and you will get guidance. The word is power and take you to success. The enemy may close your doors, but by the word, by faith, doors will be opened. Wait for the Lord to see His work. Don't allow Him to change His plans just because you choose another option. The more you wait, there is something new. God will deliver you from every pain and injuries as Jesus took all our pain on the cross. It is good to dream godly plans as it brings forth good things. The Lord will teach you the way to go, listen to His voice and your family will be blessed. He will provide you everything needed for the ministry. Even the government will stand for you, it is a privilege given to you. Keep holiness and you never fail. The peace of Jesus is upon you, so you will conquer. You can do everything by the power of Jesus, the one who called you. You can fly like angels, why do you doubt? If Peter can walk like Jesus on the sea, why can't you walk like angels.

Ephesians 2:19 says "Now therefore ye are no more strangers and foreigners, but fellowcitizens with the saints, and of the household of God;" God has given you authority above everything, so walk with power. What you see is not real but what you hope is the fact, but examine whether you are in the word. Jesus has taught us to be wise like a serpent means the serpents are very careful in coming out from their holes, Jesus has send you as lamp before the wolves, so we need godly wisdom to live in this world. Godly wisdom is just the opposite of worldly wisdom. If you follow the Holy Spirit you will see success, but if you follow the world, you will perish. Happiness should come from understanding, if you lack it you will fail. Be faithful to the Lord and He will honour you by giving His power and authority. When power comes, everything you need will come. Get ready, there is a journey before you, your calling is revealed and you cannot stay in one place for a long time, because the wind blows and you are taken along with the wind.

Meditate the word, the Holy Spirit will teach you what to meditate and when to meditate, the right word will be given for every particular day and will tell you the best time for you that may produce results, which may vary from one another. The Lord is your guide, will lead you to the right place. No evil shall fall upon you because you are in God's shelter. Know how much He cares you. Be in Him and see the breakthrough. You don't have to pray, just desire according to His will and you receive. Rejoice for He has blessed you. Give thanks for He has given peace to you. Be straight forward, the Lord will honour you. You will not be lost in trial, but His hand will deliver you. You are in God and everything you have is not yours. Allow Him to rein you, Allow yourself to walk in Spirit, you will be free from sin. The enemy expects your failure but you have to overcome enemies plans by dying in flesh and walking in Spirit. Don't be afraid of your rival because God is your protector. The enemy will leave you when you start walking in the word. The word should be in your life and that is your address. Others should read the word in your life and that is your testimony and will help you in time of trouble. God is of miracles, only supernatural, every time the new miracle. The river Jordan was divided not like the Red sea opened, and the Jericho wall was not broken like the river Jordan divided. Every time there is a new and beyond our understanding. The Lord is our provider and redeemer and is answered if you are His beloved and does not respond to those who are enmity with God.

In Jesus name Amen.  
Blessings!  
This is your time.
